Notwithstanding any failure by any Junior Priority Secured Party to perfect its security interests in the Collateral or any avoidance, invalidation, priming or subordination by any third party or court of competent jurisdiction of the security interests in the Collateral granted to any of the Junior Priority Secured Parties, the priority and rights as between the respective classes of Junior Priority Secured Parties with respect to the Collateral shall be as set forth herein. Lien priority as among the Senior Priority Obligations and the Junior Priority Obligations with respect to any Collateral will be governed solely by this Agreement, except as may be separately otherwise agreed in writing by or among any applicable Parties.

(e) The Original Senior Lien Agent, for and on behalf of itself and the Original Senior Lien Creditors, acknowledges and agrees that (x) concurrently herewith, the [ ][1] [Senior/Junior][2] Lien Agent, for the benefit of itself and the [ ][1] [Senior/Junior][2] Lien Lenders, has been granted [Senior/Junior] [10] Priority Liens upon all of the Collateral in which the Original Senior Lien Agent has been granted Senior Priority Liens, and the Original Senior Lien Agent hereby consents thereto, and (y) one or more Additional Agents, each on behalf of itself and any Additional Creditors represented thereby, may be granted Senior Priority Liens or Junior Priority Liens upon all of the Collateral in which the Original Senior Lien Agent has been granted Senior Priority Liens, and the Original Senior Lien Agent hereby consents thereto.

(f) The [ ][1] [Senior/Junior] [2] Lien Agent, for and on behalf of itself and the [ ][1] [Senior/Junior][2] Lien Lenders, acknowledges and agrees that (x) the Original Senior Lien Agent, for the benefit of itself and the Original Senior Lien Creditors, has been granted Senior Priority Liens upon all of the Collateral in which the [ ][1] [Senior/Junior] [2] Lien Agent has been granted [Senior/Junior] [11] Priority Liens, and the [ ][1] [Senior/Junior] [2] Lien Agent hereby consents thereto, and (y) one or more Additional Agents, each on behalf of itself and any Additional Creditors represented thereby, may be granted Senior Priority Liens or Junior Priority Liens upon all of the Collateral in which the [ ] [1] [Senior/Junior] [2] Lien Agent has been granted [Senior/Junior] [11] Priority Liens, and the [ ] [1] [Senior/Junior] [2] Lien Agent hereby consents thereto.

(g) Each Additional Agent, for and on behalf of itself and any Additional Creditors represented thereby, acknowledges and agrees that, (x) the Original Senior Lien Agent, for the benefit of itself and the Original Senior Lien Creditors, has been granted Senior Priority Liens upon all of the Collateral in which such Additional Agent is being granted Liens, and such Additional Agent hereby consents thereto, (y) the [ ][1] [Senior/Junior][2] Lien Agent, for the benefit of itself and the [ ][1] [Senior/Junior][2] Lien Lenders, has been granted [Senior/Junior][11] Priority Liens upon all of the Collateral in which such Additional Agent is being granted Liens, and such Additional Agent hereby consents thereto, and (z) one or more other Additional Agents, each on behalf of itself and any Additional Creditors represented thereby, have been or may be granted Senior Priority Liens or Junior Priority Liens upon all of the Collateral in which such Additional Agent is being granted Liens, and such Additional Agent hereby consents thereto.

(h) The subordination of Liens by each Junior Priority Agent in favor of the Senior Priority Agents shall not be deemed to subordinate the Liens of any Junior Priority Agent to the Liens of any other Person. The provision of pari passu and equal priority as between Liens of any Senior Priority Agent and Liens of any other Senior Priority Agent, in each case as set forth herein, shall not be deemed to provide that the Liens of the Senior Priority Agent will be pari passu or of equal priority with the Liens of any other Person, or to subordinate any Liens of any Senior Priority Agent to the Liens of any Person. The provision of pari passu and equal priority as between Liens of any Junior Priority Agent and Liens of any other Junior Priority Agent, in each case as set forth herein, shall not be deemed to provide that the Liens of the Junior Priority Agent will be pari passu or of equal priority with the Liens of any other Person.

(i) So long as the Discharge of Senior Priority Obligations has not occurred, the parties hereto agree that in the event that any Original Senior Lien Borrower shall, or shall permit any other Grantor to, grant or permit any additional Liens, or take any action to perfect any additional Liens, on any asset or property to secure any Junior Priority Obligation and, unless otherwise provided for in accordance with Section 2.5(d), have not also granted a Lien on such asset or property to secure the Senior Priority Obligations and taken all actions to perfect such Liens, then, without limiting any other rights and remedies available to any Senior Priority Agent and/or the other Senior Priority Secured Parties, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Secured Parties for which it is a Junior Priority Agent, and each other Junior Priority Secured Party (by its acceptance of the benefits of the Junior Priority Documents), agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.1(i) shall be subject to Section 4.1(b).

Section 2.2 Waiver of Right to Contest Liens.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any Senior Priority Secured Party in respect of the Collateral, or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that no Junior Priority Agent or Junior Priority Creditor will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by any Senior Priority Secured Party under the Senior Priority Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby waives any and all rights it or such Junior Priority Creditors may have as a junior lien creditor or otherwise to contest, protest, object to or interfere with the manner in which any Senior Priority Secured Party seeks to enforce its Liens in any Collateral.

(b) Except as may separately otherwise be agreed in writing by and between or among any applicable Senior Priority Agents, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any other Senior Priority Agent or any Senior Priority Creditors represented thereby, or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, or as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, agrees that none of such Senior Priority Agent and such Senior Priority Creditors represented thereby will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by, and not prohibited under this Agreement to be undertaken by, any other Senior Priority Agent or any Senior Priority Creditor represented thereby under any applicable Senior Priority Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, or as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby waives any and all rights it or such Senior Priority Creditors may have as a pari passu lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which any other Senior Priority Agent or any Senior Priority Creditor represented thereby seeks to enforce its Liens in any Collateral so long as such other Senior Priority Agent or Senior Priority Creditor represented thereby is not prohibited from taking such action under this Agreement.

(c) Except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and any Junior Priority Creditors represented thereby, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any other Junior Priority Agent or any Junior Priority Creditors represented by such other Junior Priority Agent, or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, or as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that none of such Junior Priority Agent and Junior Priority Creditors will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by, and not prohibited under this Agreement to be undertaken by, any Controlling Junior Priority Secured Party under any applicable Junior Priority Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, or as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby waives any and all rights it or such Junior Priority Creditors may have as a pari passu lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which any other Junior Priority Agent or any Junior Priority Creditor represented by such other Junior Priority Agent seeks to enforce its Liens in any Collateral so long as such other Junior Priority Agent or Junior Priority Creditor is not prohibited from taking such action under this Agreement.

(d) The assertion of priority rights established under the terms of this Agreement or in any separate writing contemplated hereby between any of the parties hereto shall not be considered a challenge to Lien priority of any Party prohibited by this Section 2.2.

Section 2.3 Remedies Standstill.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that, until the Discharge of Senior Priority Obligations, such Junior Priority Agent and such Junior Priority Creditors:

(i) will not, and will not seek to, Exercise Any Secured Creditor Remedies (or institute or join in any action or proceeding with respect to the Exercise of Secured Creditor Remedies) with respect to the Collateral without the written consent of each Senior Priority Agent; provided that any Junior Priority Agent may Exercise Any Secured Creditor Remedies (other than any remedies the exercise of which is otherwise prohibited by this Agreement, including Article VI) after a period of 180 consecutive days has elapsed from the date of delivery of written notice by such Junior Priority Agent to each Senior Priority Agent stating that an Event of Default (as defined under the applicable Junior Priority Credit Agreement) has occurred and is continuing thereunder and that the Junior Priority Obligations are currently due and payable in full (whether as a result of acceleration or otherwise) and stating its intention to Exercise Any Secured Creditor Remedies (the "Junior Standstill Period"), and then such Junior Priority Agent may Exercise Any Secured Creditor Remedies only so long as (1) no Event of Default relating to the payment of interest, principal, fees or other Senior Priority Obligations shall have occurred and be continuing and (2) no Senior Priority Secured Party shall have commenced (or attempted to commence or given notice of its intent to commence) the Exercise of Secured Creditor Remedies with respect to the Collateral (including seeking relief from the automatic stay or any other stay in any Insolvency Proceeding) and, in each case, such Junior Priority Agent has notice thereof;

(ii) will not contest, protest or object to any foreclosure proceeding or action brought by any Senior Priority Agent or any Senior Priority Creditor or any other exercise by any Senior Priority Agent or any Senior Priority Creditor of any rights and remedies relating to the Collateral under the Senior Priority Documents or otherwise (including any Exercise of Secured Creditor Remedies initiated by or supported by any Senior Priority Agent or any Senior Priority Creditor);

(iii) subject to their rights under clause (i) above, will not object to the forbearance by any Senior Priority Agent or the Senior Priority Creditors from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Collateral; or

(iv) will not knowingly take, receive or accept any Proceeds of the Collateral, it being understood and agreed that the temporary deposit of Proceeds of Collateral in a Deposit Account controlled by the Junior Priority Representative shall not constitute a breach of this Agreement so long as such Proceeds are promptly remitted to the Senior Priority Representative.

From and after the Discharge of Senior Priority Obligations (or prior thereto upon obtaining the written consent of each Senior Priority Agent), any Junior Priority Agent and any Junior Priority Creditor may Exercise Any Secured Creditor Remedies under the Junior Priority Documents or applicable law as to any Collateral; provided, however, that any Exercise of Secured Creditor Remedies with respect to any Collateral by any Junior Priority Agent or any Junior Priority Creditor is at all times subject to the provisions of this Agreement, including Section 4.1.

(b) Each Senior Priority Agent, for and on behalf of itself and any Senior Priority Creditors represented thereby, agrees that such Senior Priority Agent and such Senior Priority Creditors will not (except as may be separately otherwise agreed in writing by and between or among all Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby) Exercise Any Secured Creditor Remedies (or institute or join in any action or proceeding with respect to the Exercise of Secured Creditor Remedies) with respect to any of the Collateral without the written consent of the Senior Priority Representative and will not knowingly take, receive or accept any Proceeds of Collateral (except as may be separately otherwise agreed in writing by and between or among all Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby), it being understood and agreed that the temporary deposit of Proceeds of Collateral in a Deposit Account controlled by such Senior Priority Agent shall not constitute a breach of this Agreement so long as such Proceeds are promptly remitted to the Senior Priority Representative; provided that nothing in this sentence shall prohibit any Senior Priority Agent from taking such actions in its capacity as Senior Priority Representative, if applicable. The Senior Priority Representative may Exercise Any Secured Creditor Remedies under the Senior Priority Documents or applicable law as to any Collateral; provided, however, that any Exercise of Secured Creditor Remedies with respect to any Collateral by the Senior Priority Representative is at all times subject to the provisions of this Agreement (including Section 4.1 hereof).

(c) Nothing in this Agreement shall prohibit the receipt by any Secured Party of the required payments of interest, principal and other amounts owed in respect of the Senior Priority Obligations or Junior Priority Obligations, as the case may be, so long as such receipt is not the direct or indirect result of the exercise by any Secured Party of rights or remedies as a secured creditor in respect of the Collateral (including set-off) or enforcement in contravention of this Agreement of any Lien held by it.

Section 2.4 Exercise of Rights.

(a) No Other Restrictions. Until the Discharge of Senior Priority Obligations, subject to Section 2.3(a), the Senior Priority Agents shall have the exclusive right to commence and maintain an Exercise of Secured Creditor Remedies; provided, however, that the Exercise of Secured Creditor Remedies with respect to the Collateral shall be subject to the Lien Priority and to the provisions of this Agreement, including Section 4.1. In commencing any Exercise of Secured Creditor Remedies, each Senior Priority Agent may enforce the provisions of the applicable Senior Priority Documents, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law (except as may be separately otherwise agreed in writing by and between or among any applicable Parties, solely as among such Parties and the Creditors represented thereby); provided, however, that each Agent agrees to provide to each other such Party copies of any notices that it is required under applicable law to deliver to any Credit Party; provided, further, however, that any Senior Priority Agent's failure to provide any such copies to any other such Party shall not impair any Senior Priority Agent's rights hereunder or under any of the applicable Senior Priority Documents, and any Junior Priority Agent's failure to provide any such copies to any other such Party shall not impair any Junior Priority Agent's rights hereunder or under any of the applicable Junior Priority Documents. Each Agent agrees for and on behalf of itself and each Creditor represented thereby that such Agent and each such Creditor will not institute or join in any suit, Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim, (x) in the case of any Junior Priority Agent and any Junior Priority Creditor represented thereby, against any Senior Priority Secured Party, and (y) in the case of any Senior Priority Agent and any Senior Priority Creditor represented thereby, against any Junior Priority Secured Party, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken. Except as may be separately otherwise agreed in writing by and between or among any Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, each Senior Priority Agent agrees for and on behalf of any Senior Priority Creditors represented thereby that such Agent and each such Creditor will not institute or join in any suit, Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any other Senior Priority Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken.

Except as may be separately otherwise agreed in writing by and between or among any Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, each Junior Priority Agent agrees for and on behalf of any Junior Priority Creditors represented thereby that such Agent and each such Creditor will not institute or join in any suit, Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any other Junior Priority Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken.

(b) Release of Liens by Junior Priority Secured Parties. In the event of (A) any Exercise of Secured Credit Remedies (including any private or public sale of all or a portion of the Collateral in connection therewith) by or with the consent of the Senior Priority Representative which results in the release of the Senior Priority Secured Parties' Lien on all or any portion of the Collateral, (B) any sale, transfer or other disposition of all or any portion of the Collateral so long as such sale, transfer or other disposition is then permitted by the Senior Priority Documents, (C) the release of the Senior Priority Secured Parties' Liens on all or any portion of the Collateral, so long as such release shall have been approved by the requisite Senior Priority Secured Parties (as determined pursuant to the applicable Senior Priority Documents), in the case of clause (B) and clause (C) only to the extent occurring prior to the Discharge of Senior Priority Obligations and not in connection with a Discharge of Senior Priority Obligations (and irrespective of whether an Event of Default has occurred), or (D) upon the termination and discharge of a subsidiary guarantee in accordance with the terms thereof, each Junior Priority Agent agrees, for and on behalf of itself and the Junior Priority Creditors represented thereby, that (x) so long as, if applicable, the net cash proceeds of any such sale, transfer or other disposition, if any, described in clause (A) above are applied as provided in Section 4.1 , and there is a corresponding release of the Liens securing the Senior Priority Obligations, such sale, transfer, disposition or release will be free and clear of the Liens on such Collateral securing the Junior Priority Obligations and (y) such Junior Priority Secured Parties' Liens with respect to the Collateral so sold, transferred, disposed or released shall terminate and be automatically released (but not the proceeds thereof) without further action. In furtherance of, and subject to, the foregoing, each Junior Priority Agent agrees that it will execute any and all Lien releases or other documents reasonably requested by any Senior Priority Agent in connection therewith, so long as the net cash proceeds, if any, from such sale, transfer or other disposition described in clause (A) above of such Collateral are applied in accordance with the terms of this Agreement. Each Junior Priority Agent hereby appoints the Senior Priority Representative and any officer or duly authorized person of the Senior Priority Representative, with full power of substitution, as its true and lawful attorney-in -fact with full irrevocable power of attorney in the place and stead of such Junior Priority Agent and in the name of such Junior Priority Agent or in the Senior Priority Representative's own name, from time to time, in the Senior Priority Representative's sole discretion, for the purposes of carrying out the terms of this paragraph, to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of this paragraph, including any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

Section 2.5 No New Liens.

(a) Until the Discharge of Senior Priority Obligations, each Junior Priority Agent, for and on behalf of itself and any Junior Priority Creditors represented thereby, hereby agrees that:

(i) no such Junior Priority Secured Party shall knowingly acquire or hold (x) any guarantee of Junior Priority Obligations by any Person unless such Person also provides a guarantee of the Senior Priority Obligations, or (y) any Lien on any assets of any Credit Party securing any Junior Priority Obligation which assets are not also subject to the Lien of each Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Junior Priority Secured Party shall nonetheless acquire or hold any guarantee of Junior Priority Obligations by any Person who does not also provide a guarantee of Senior Priority Obligations or any Lien on any assets of any Credit Party securing any Junior Priority Obligation, which assets are not also subject to the Lien of each Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein, then such Junior Priority Agent (or the relevant Junior Priority Creditor) shall, without the need for any further consent of any other Junior Priority Secured Party and notwithstanding anything to the contrary in any other Junior Priority Document, be deemed to also hold and have held such guarantee or Lien for the benefit of the Senior Priority Agents as security for the Senior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Senior Priority Agent in writing of the existence of such guarantee or Lien and any proceeds of any such Lien shall be subject to Article IV.

(b) Until the Discharge of Senior Priority Obligations, except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case, for and on behalf of itself and any Senior Priority Creditors represented thereby, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that:

(i) no such Senior Priority Secured Party shall knowingly acquire or hold (x) any guarantee of any Senior Priority Obligations by any Person unless such Person also provides a guarantee of all the other Senior Priority Obligations, or (y) any Lien on any assets of any Credit Party securing any Senior Priority Obligation which assets are not also subject to the Lien of each other Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Senior Priority Secured Party shall nonetheless acquire or hold any guarantee of any Senior Priority Obligations by any Person who does not also provide a guarantee of all other Senior Priority Obligations or any Lien on any assets of any Credit Party securing any Senior Priority Obligation which assets are not also subject to the Lien of each other Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein, then such Senior Priority Agent (or the relevant Senior Priority Creditor) shall, without the need for any further consent of any other Senior Priority Secured Party and notwithstanding anything to the contrary in any other Senior Priority Document, be deemed to also hold and have held such guarantee or Lien for the benefit of each other Senior Priority Agent as security for the other Senior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Senior Priority Agent in writing of the existence of such guarantee or Lien.

(c) Until the Discharge of Junior Priority Obligations, except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case, for and on behalf of itself and any Junior Priority Creditors represented thereby, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that:

(i) no such Junior Priority Secured Party shall knowingly acquire or hold (x) any guarantee of any Junior Priority Obligations by any Person unless such Person also provides a guarantee of all the other Junior Priority Obligations, or (y) any Lien on any assets of any Credit Party securing any Junior Priority Obligation which assets are not also subject to the Lien of each other Junior Priority Agent under the Junior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Junior Priority Secured Party shall nonetheless acquire or hold any guarantee of any Junior Priority Obligations by any Person who does not also provide a guarantee of all other Junior Priority Obligations or any Lien on any assets of any Credit Party securing any Junior Priority Obligation which assets are not also subject to the Lien of each other Junior Priority Agent under the Junior Priority Documents, subject to the Lien Priority set forth herein, then such Junior Priority Agent (or the relevant Junior Priority Creditor) shall, without the need for any further consent of any other Junior Priority Secured Party and notwithstanding anything to the contrary in any other Junior Priority Document, be deemed to also hold and have held such guarantee or Lien for the benefit of each other Junior Priority Agent as security for the other Junior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Junior Priority Agent in writing of the existence of such guarantee or Lien.

(d) No Secured Party shall be deemed to be in breach of this Section 2.5 as a result of any other Secured Party expressly declining, in writing (by virtue of the scope of the grant of Liens, including exceptions thereto, exclusions therefrom, and waivers and releases thereof), to acquire, hold or continue to hold any Lien in any asset of any Credit Party.

Section 2.6 Waiver of Marshalling.[●] Until the Discharge of Senior Priority Obligations, each Junior Priority Agent (including in its capacity as Junior Priority Representative, if applicable), for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral or any other similar rights a junior secured creditor may have under applicable law.

ARTICLE III

ACTIONS OF THE PARTIES

Section 3.1 Certain Actions Permitted. Notwithstanding anything herein to the contrary, (a) each Agent may make such demands or file such claims in respect of the Senior Priority Obligations or Junior Priority Obligations, as applicable, owed to such Agent and the Creditors represented thereby as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders, or rules of procedure at any time, (b) in any Insolvency Proceeding commenced by or against the Borrower or any other Credit Party, each Junior Priority Secured Party may file a proof of claim or statement of interest with respect to its respective Junior Priority Obligations, (c) each Junior Priority Secured Party shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims of such Junior Priority Secured Party, including any claims secured by the Collateral, if any, in each case if not otherwise in contravention of the terms of this Agreement, (d) each Junior Priority Secured Party shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Credit Parties arising under either the Bankruptcy Law or applicable non-bankruptcy law, in each case if not otherwise in contravention of the terms of this Agreement, (e) each Junior Priority Secured Party shall be entitled to file any proof of claim and other filings and make any arguments and motions in order to preserve or protect its Liens on the Collateral that are, in each case, not otherwise in contravention of the terms of this Agreement, with respect to the Junior Priority Obligations and the Collateral and (f) each Junior Priority Secured Party may exercise any of its rights or remedies with respect to the Collateral after the termination of the Junior Standstill Period to the extent permitted by Section 2.3 above.

Section 3.2 Delivery of Control Collateral; Agent for Perfection.

(a) Each Credit Party shall deliver all Control Collateral when required to be delivered pursuant to the Credit Documents to (x) until the Discharge of Senior Priority Obligations, the Senior Priority Representative and (y) thereafter, the Junior Priority Representative.

(b) Each Agent, for the benefit of and on behalf of itself and each other Secured Party represented thereby, agrees to hold all Control Collateral and Cash Collateral that is part of the Collateral in its possession, custody, or control (or in the possession, custody, or control of agents or bailees for either) as agent for the other Secured Parties solely for the purpose of perfecting the security interest granted in such Control Collateral or Cash Collateral, subject to the terms and conditions of this Section 3.2. The Senior Priority Representative and the Senior Priority Creditors shall not have any obligation whatsoever to the Junior Priority Agents or the other Secured Parties to assure that the Control Collateral or the Cash Collateral is genuine or owned by any Credit Party or any other Person or to preserve rights or benefits of any Person. The duties or responsibilities of the Senior Priority Representative under this Section 3.2 are and shall be limited solely to holding or maintaining control of the Control Collateral and the Cash Collateral as agent for the Junior Priority Creditors for purposes of perfecting the Lien held by the Junior Priority Creditors. The Senior Priority Representative is not and shall not be deemed to be a fiduciary of any kind for the other Secured Parties, or any other Person.

(c) In the event that any Secured Party receives any Collateral or Proceeds of the Collateral in violation of the terms of this Agreement, then such Secured Party shall promptly pay over such Proceeds or Collateral to (x) until the Discharge of Senior Priority Obligations, the Senior Priority Representative, and (y) thereafter, the Junior Priority Representative, in the same form as received with any necessary endorsements, for application in accordance with the provisions of Section 4.1.

Section 3.3 Sharing of Information and Access. In the event that any Junior Priority Agent shall, in the exercise of its rights under the applicable Junior Priority Collateral Documents or otherwise, receive possession or control of any books and records of any Credit Party that contain information identifying or pertaining to the Collateral, such Junior Priority Agent shall, upon request from any other Agent, and as promptly as practicable thereafter, either make available to such Agent such books and records for inspection and duplication or provide to such Agent copies thereof. In the event that any Senior Priority Agent shall, in the exercise of its rights under the applicable Senior Priority Collateral Documents or otherwise, receive possession or control of any books and records of any Senior Priority Credit Party that contain information identifying or pertaining to the Collateral, such Agent shall, upon request from any other Senior Priority Agent, and as promptly as practicable thereafter, either make available to such Agent such books and records for inspection and duplication or provide to such Agent copies thereof.

Section 3.4 Insurance. The Lien Priority shall govern the ultimate disposition of casualty insurance proceeds. The Senior Priority Representative shall be named as additional insured or loss payee, as applicable, with respect to all insurance policies relating to Collateral. The Senior Priority Representative shall have the sole and exclusive right, as against any Secured Party, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of Collateral. All proceeds of such insurance shall be remitted to (x) until the Discharge of Senior Priority Obligations, the Senior Priority Representative and (y) thereafter, the Junior Priority Representative, and each other Agent shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 4.1.

Section 3.5 No Additional Rights for the Credit Parties Hereunder. Except as provided in Section 3.6, if any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, the Credit Parties shall not be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

Section 3.6 Actions upon Breach. If any Junior Priority Secured Party, contrary to this Agreement, commences or participates in any action or proceeding against the Credit Parties or the Collateral, the Credit Parties, with the prior written consent of the Senior Priority Representative, may interpose as a defense or dilatory plea the making of this Agreement, and any Senior Priority Secured Party may intervene and interpose such defense or plea in its own name or in the name of the Credit Parties. Should any Junior Priority Secured Party, contrary to this Agreement, in any way take, or attempt or threaten to take, any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any Senior Priority Agent (in its own name or in the name of the Credit Parties) may obtain relief against such Junior Priority Secured Party by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by each Junior Priority Agent, for and on behalf of itself and each Junior Priority Creditor represented thereby, that the Senior Priority Secured Parties' damages from such actions may be difficult to ascertain and may be irreparable, and each Junior Priority Agent on behalf of itself and each Junior Priority Creditor represented thereby, waives any defense that the Senior Priority Secured Parties cannot demonstrate damage or be made whole by the awarding of damages.

ARTICLE IV

APPLICATION OF PROCEEDS

Section 4.1 Application of Proceeds.

(a) Revolving Nature of Certain Obligations. Each Agent, for and on behalf of itself and the Creditors represented thereby, expressly acknowledges and agrees that (i) any Credit Facility may include a revolving commitment and that in the ordinary course of business the applicable Agents and/or Creditors may apply payments and make advances thereunder; (ii) the amount of the applicable Obligations in respect thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, and that the terms of such Obligations may be modified, extended or amended from time to time, and that the aggregate amount of such Obligations may be increased, replaced or refinanced, in each event, without notice to or consent by any other Secured Parties and without affecting the provisions hereof; provided, however, that from and after the date on which any Agent or Creditor commences the Exercise of Secured Creditor Remedies, all amounts received by such Agent or such Creditor as a result of such Exercise of Secured Creditor Remedies shall be applied as specified in this Section 4.1. The Lien Priority shall not be altered or otherwise affected by any such amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or refinancing of the Original Senior Lien Obligations, the [ ][1] [Senior/Junior][2] Lien Obligations, or any Additional Obligations, or any portion thereof.

(b) Application of Proceeds of Collateral. Except as may be separately otherwise agreed in writing by and between or among any applicable Agents, each Agent, for and on behalf of itself and the Creditors represented thereby, hereby agrees that all Collateral, and all Proceeds thereof, received by such Agent in connection with any Exercise of Secured Creditor Remedies shall be applied, subject to clauses (e) through (h) of this Section 4.1,

first, to the payment, on a pro rata basis, of costs and expenses of each Agent, as applicable, in connection with such Exercise of Secured Creditor Remedies (other than any costs and expenses of any Junior Priority Agent in connection with any Exercise of Secured Creditor Remedies by it in willful violation of this Agreement (as determined in good faith by the Senior Priority Representative), which costs and expenses shall be payable in accordance with paragraph third of this clause (b) to the extent that such costs and expenses constitute Junior Priority Obligations),

second, to the payment, on a pro rata basis, of the Senior Priority Obligations in accordance with the Senior Priority Documents until the Discharge of Senior Priority Obligations shall have occurred,

third, to the payment, on a pro rata basis, of the Junior Priority Obligations in accordance with the Junior Priority Documents until the Discharge of Junior Priority Obligations shall have occurred; and

fourth, the balance, if any, to the Credit Parties or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(c) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, no Senior Priority Agent shall have any obligation or liability to any Junior Priority Secured Party, or (except as may be separately agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby) to any other Senior Priority Secured Party, in each case regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by such Senior Priority Agent under the terms of this Agreement. In exercising remedies, whether as a secured creditor or otherwise, no Junior Priority Agent shall have any obligation or liability (except as may be separately agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby) to any other Junior Priority Secured Party, in each case regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by such Junior Priority Agent under the terms of this Agreement.

(d) Turnover of Cash Collateral After Discharge. Upon the Discharge of Senior Priority Obligations, each Senior Priority Agent shall deliver to the Junior Priority Representative or shall execute such documents as the Original Senior Lien Parent Borrower[, the [ ] Senior Lien Borrower] or as the Junior Priority Representative may reasonably request to enable the Junior Priority Representative to have control over any Cash Collateral or Control Collateral still in such Senior Priority Agent's possession, custody or control in the same form as received with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. As between any Junior Priority Agent and any other Junior Priority Agent, any such Cash Collateral or Control Collateral held by any such Party shall be held by it subject to the terms and conditions of Section 3.2.

(e) Impairment of Senior Priority Debt. Each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented by it, hereby acknowledges and agrees that solely as among the Senior Priority Secured Parties, notwithstanding anything herein to the contrary it is the intention of the Senior Priority Secured Parties of each Series of Senior Priority Debt that the holders of Senior Priority Debt of such Series of Senior Priority Debt (and not the Senior Priority Secured Parties of any other Series of Senior Priority Debt) bear the risk of (i) any determination by a court of competent jurisdiction that (x) any of the Senior Priority Obligations of such Series of Senior Priority Debt are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Senior Priority Debt), (y) any of the Senior Priority Obligations of such Series of Senior Priority Debt do not have an enforceable security interest in any of the Collateral securing any other Series of Senior Priority Debt and/or (z) any intervening security interest exists securing any other obligations (other than another Series of Senior Priority Debt) on a basis ranking prior to the security interest of such Series of Senior Priority Debt but junior to the security interest of any other Series of Senior Priority Debt or (ii) the existence of any Collateral for any other Series of Senior Priority Debt that is not also Collateral for such Series of Senior Priority Debt (any such condition referred to in the foregoing clauses (i) or (ii) with respect to any Series of Senior Priority Debt, an "Impairment of Series of Senior Priority Debt")(except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby). In the event of any Impairment of Series of Senior Priority Debt with respect to any Series of Senior Priority Debt, except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, the results of such Impairment of Series of Senior Priority Debt shall be borne solely by the holders of such Series of Senior Priority Debt, and the rights of the holders of such Series of Senior Priority Debt (including the right to receive distributions in respect of such Series of Senior Priority Debt pursuant to Section 4.1) set forth herein shall be modified to the extent necessary so that the effects of such Impairment of Series of Senior Priority Debt are borne solely by the holders of the Series of such Senior Priority Debt subject to such Impairment of Series of Senior Priority Debt.

(f) Senior Intervening Creditor. Notwithstanding anything in Section 4.1(b) to the contrary, solely as among the Senior Priority Secured Parties with respect to any Collateral for which a third party (other than a Senior Priority Secured Party) has a Lien or security interest that is junior in priority to the Lien or security interest of any Series of Senior Priority Debt but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien or security interest of any other Series of Senior Priority Debt (such third party an "Senior Intervening Creditor"), except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, the value of any Collateral or Proceeds that are allocated to such Senior Intervening Creditor shall be deducted on a ratable basis solely from the Collateral or Proceeds thereof to be distributed in respect of the Series of Senior Priority Debt with respect to which such Impairment of Series of Senior Priority Debt exists.

(g) Impairment of Junior Priority Debt. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented by it, hereby acknowledges and agrees that solely as among the Junior Priority Secured Parties, notwithstanding anything herein to the contrary, but subject nonetheless to the parenthetical at the end of this sentence, it is the intention of the Junior Priority Secured Parties of each Series of Junior Priority Debt that the holders of Junior Priority Debt of such Series of Junior Priority Debt (and not the Junior Priority Secured Parties of any other Series of Junior Priority Debt) bear the risk of (i) any determination by a court of competent jurisdiction that (x) any of the Junior Priority Obligations of such Series of Junior Priority Debt are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Junior Priority Debt), (y) any of the Junior Priority Obligations of such Series of Junior Priority Debt do not have an enforceable security interest in any of the Collateral securing any other Series of Junior Priority Debt and/or (z) any intervening security interest exists securing any other obligations (other than another Series of Junior Priority Debt) on a basis ranking prior to the security interest of such Series of Junior Priority Debt but junior to the security interest of any other Series of Junior Priority Debt or (ii) the existence of any Collateral for any other Series of Junior Priority Debt that is not also Collateral for such Series of Junior Priority Debt (any such condition referred to in the foregoing clauses (i) or (ii) with respect to any Series of Junior Priority Debt, an "Impairment of Series of Junior Priority Debt") (except, as to any of the preceding provisions, as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby). In the event of any Impairment of Series of Junior Priority Debt with respect to any Series of Junior Priority Debt, except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, the results of such Impairment of Series of Junior Priority Debt shall be borne solely by the holders of such Series of Junior Priority Debt, and the rights of the holders of such Series of Junior Priority Debt (including the right to receive distributions in respect of such Series of Junior Priority Debt pursuant to Section 4.1) set forth herein shall be modified to the extent necessary so that the effects of such Impairment of Series of Junior Priority Debt are borne solely by the holders of the Series of such Junior Priority Debt subject to such Impairment of Series of Junior Priority Debt.

(h) Junior Intervening Creditor. Notwithstanding anything in Section 4.1(b) to the contrary, solely as among the Junior Priority Secured Parties with respect to any Collateral for which a third party (other than a Junior Priority Secured Party) has a Lien or security interest that is junior in priority to the Lien or security interest of any Series of Junior Priority Debt but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien or security interest of any other Series of Junior Priority Debt (such third party an "Junior Intervening Creditor"), except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, the value of any Collateral or Proceeds that are allocated to such Junior Intervening Creditor shall be deducted on a ratable basis solely from the Collateral or Proceeds thereof to be distributed in respect of the Series of Junior Priority Debt with respect to which such Impairment of Series of Junior Priority Debt exists.

Section 4.2 Specific Performance. Each Agent is hereby authorized to demand specific performance of this Agreement, whether or not any Credit Party shall have complied with any of the provisions of any of the Credit Documents, at any time when any other Party shall have failed to comply with any of the provisions of this Agreement applicable to it. Each Agent, for and on behalf of itself and the Creditors represented thereby, hereby irrevocably waives any defense based on the adequacy of a remedy at law that might be asserted as a bar to such remedy of specific performance.

ARTICLE V

INTERCREDITOR ACKNOWLEDGEMENTS AND WAIVERS

Section 5.1 Notice of Acceptance and Other Waivers.

(a) All Senior Priority Obligations at any time made or incurred by any Credit Party shall be deemed to have been made or incurred in reliance upon this Agreement, and each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby waives notice of acceptance of, or proof of reliance by any Senior Priority Secured Party on, this Agreement, and notice of the existence, increase, renewal, extension, accrual, creation, or non-payment of all or any part of the Senior Priority Obligations.

(b) None of the Senior Priority Agents, the Senior Priority Creditors, or any of their respective Affiliates, or any of the respective directors, officers, employees, or agents of any of the foregoing, shall be liable for failure to demand, collect, or realize upon any of the Collateral or any Proceeds, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any Collateral or Proceeds thereof or to take any other action whatsoever with regard to the Collateral or any part or Proceeds thereof, except as specifically provided in this Agreement. If any Senior Priority Agent or Senior Priority Creditor honors (or fails to honor) a request by any Borrower for an extension of credit pursuant to any Senior Priority Credit Agreement or any other Senior Priority Document, whether or not such Senior Priority Agent or Senior Priority Creditor has knowledge that the honoring of (or failure to honor) any such request would constitute a default under the terms of any Junior Priority Credit Agreement or any other Junior Priority Document (but not a default under this Agreement) or would constitute an act, condition, or event that, with the giving of notice or the passage of time, or both, would constitute such a default, or if any Senior Priority Agent or Senior Priority Creditor otherwise should exercise any of its contractual rights or remedies under any Senior Priority Documents (subject to the express terms and conditions hereof), no Senior Priority Agent or Senior Priority Creditor shall have any liability whatsoever to any Junior Priority Agent or Junior Priority Creditor as a result of such action, omission, or exercise (so long as any such exercise does not breach the express terms and provisions of this Agreement). Each Senior Priority Secured Party shall be entitled to manage and supervise its loans and extensions of credit under the relevant Senior Priority Credit Agreement and other Senior Priority Documents as it may, in its sole discretion, deem appropriate, and may manage its loans and extensions of credit without regard to any rights or interests that the Junior Priority Agents or Junior Priority Creditors have in the Collateral, except as otherwise expressly set forth in this Agreement. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that no Senior Priority Agent or Senior Priority Creditor shall incur any liability as a result of a sale, lease, license, application, or other disposition of all or any portion of the Collateral or Proceeds thereof pursuant to the Senior Priority Documents, in each case so long as such disposition is conducted in accordance with mandatory provisions of applicable law and does not breach the provisions of this Agreement.

Section 5.2 Modifications to Senior Priority Documents and Junior Priority Documents.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Junior Priority Secured Parties hereunder, each Senior Priority Agent and the Senior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Junior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Junior Priority Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Senior Priority Documents in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Senior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Senior Priority Obligations or any of the Senior Priority Documents;

(ii) subject to Section 2.5, retain or obtain a Lien on any Property of any Person to secure any of the Senior Priority Obligations, and in connection therewith to enter into any additional Senior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guarantee or other obligations of any Person obligated in any manner under or in respect of the Senior Priority Obligations;

(iv) subject to Section 2.4, release its Lien on any Collateral or other Property;

(v) exercise or refrain from exercising any rights against any Credit Party or any other Person;

(vi) subject to Section 2.5, retain or obtain the primary or secondary obligation of any other Person with respect to any of the Senior Priority Obligations; and

(vii) otherwise manage and supervise the Senior Priority Obligations as the applicable Senior Priority Agent shall deem appropriate; provided that in the event of any conflict between (x) any such amendment, restatement, supplement, replacement, refinancing, extension, consolidation, restructuring or modification and (y) this Agreement, the terms of this Agreement shall control.

(b) Each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Senior Priority Secured Parties hereunder, each Junior Priority Agent and the Junior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Senior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Senior Priority Secured Party or impairing or releasing the priority provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Junior Priority Documents in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Junior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Junior Priority Obligations or any of the Junior Priority Documents;

(ii) subject to Section 2.5, retain or obtain a Lien on any Property of any Person to secure any of the Junior Priority Obligations, and in connection therewith to enter into any additional Junior Priority Documents;

(v) exercise or refrain from exercising any rights against any Credit Party or any other Person;

(vi) subject to Section 2.5(a), retain or obtain the primary or secondary obligation of any other Person with respect to any of the Junior Priority Obligations; and

(vii) otherwise manage and supervise the Junior Priority Obligations as the Junior Priority Agent shall deem appropriate; provided that in the event of any conflict between (x) any such amendment, restatement, supplement, replacement, refinancing, extension, consolidation, restructuring or modification and (y) this Agreement, the terms of this Agreement shall control.

(c) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that each Junior Priority Collateral Document shall include the following language (or language to similar effect):

"Notwithstanding anything herein to the contrary, the lien and security interest granted to [name of Junior Priority Agent] pursuant to this Agreement and the exercise of any right or remedy by [name of Junior Priority Agent] hereunder are subject to the provisions of the Intercreditor Agreement, dated as of [ ], 20[ ] (as amended, restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Intercreditor Agreement"), initially among [ ], in its capacities as administrative agent and collateral agent for the Original Senior Lien Lenders to the Original Senior Lien Credit Agreement, [ ], in its capacities as [administrative agent and collateral agent] for the [ ] [1] [Senior/Junior] [2] Lien Lenders to the [ ] [1][Senior/Junior][2] Lien Credit Agreement, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control."

In addition, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that each Junior Priority Collateral Document consisting of a mortgage covering any Collateral consisting of real estate shall contain language appropriate to reflect the subordination of such Junior Priority Collateral Documents to the Senior Priority Documents covering such Collateral.

(d) Except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Senior Priority Secured Parties hereunder, any other Senior Priority Agent and any Senior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Senior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Senior Priority Secured Party, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Senior Priority Documents to which such other Senior Priority Agent or any Senior Priority Creditor represented thereby is party or beneficiary in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Senior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Senior Priority Obligations or any of the Senior Priority Documents;

(ii) subject to Section 2.5, retain or obtain a Lien on any Property of any Person to secure any of the Senior Priority Obligations, and in connection therewith to enter into any Senior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guarantee or other obligations of any Person obligated in any manner under or in respect of the Senior Priority Obligations;

(iv) release its Lien on any Collateral or other Property;

(v) exercise or refrain from exercising any rights against any Credit Party or any other Person;

(vi) subject to Section 2.5(b), retain or obtain the primary or secondary obligation of any other Person with respect to any of the Senior Priority Obligations; and

(x) any such amendment, restatement, supplement, replacement, refinancing, extension, consolidation, restructuring or modification and (y) this Agreement, the terms of this Agreement shall control.

(e) Except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Junior Priority Secured Parties hereunder, any other Junior Priority Agent and any Junior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Junior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Junior Priority Secured Party, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Junior Priority Documents to which such other Junior Priority Agent or any Junior Priority Creditor represented thereby is party or beneficiary in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Junior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Junior Priority Obligations or any of the Junior Priority Documents;

(ii) subject to Section 2.5, retain or obtain a Lien on any Property of any Person to secure any of the Junior Priority Obligations, and in connection therewith to enter into any Junior Priority Documents;

(vii) otherwise manage and supervise the Junior Priority Obligations as such other Junior Priority Agent shall deem appropriate; provided that in the event of any conflict between (x) any such amendment, restatement, supplement, replacement, refinancing, extension, consolidation,restructuring or modification and (y) this Agreement, the terms of this Agreement shall control.

(f) The Senior Priority Obligations and the Junior Priority Obligations may be refunded, replaced or refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is required to permit the refunding, replacement or refinancing transaction under any Senior Priority Document or any Junior Priority Document, respectively) of any Senior Priority Agent, Senior Priority Creditors, Junior Priority Agent or Junior Priority Creditors, as the case may be, all without affecting the Lien Priorities provided for herein or the other provisions hereof; provided, however, that (x) if the Indebtedness refunding, replacing or refinancing any such Senior Priority Obligations or Junior Priority Obligations is to constitute Additional Obligations hereunder (as designated by the Original Senior Lien Parent Borrower [or the [ ] Senior Lien Borrower]), as the case may be, the holders of such Indebtedness (or an authorized agent or trustee on their behalf) shall bind themselves in writing to the terms of this Agreement pursuant to an Additional Indebtedness Joinder and any such refunding, replacement or refinancing transaction shall be in accordance with any applicable provisions of the Senior Priority Documents and the Junior Priority Documents and (y) for the avoidance of doubt, the Senior Priority Obligations and Junior Priority Obligations may be refunded, replaced or refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is required to permit the refunding, replacement or refinancing transaction under any Senior Priority Document or any Junior Priority Document) of any Senior Priority Agent, Senior Priority Creditors, Junior Priority Agent or Junior Priority Creditors, as the case may be, to the incurrence of Additional Indebtedness, subject to Section 7.11.

Section 5.3 Reinstatement and Continuation of Agreement. If any Senior Priority Agent or Senior Priority Creditor is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any Credit Party or any other Person any payment made in satisfaction of all or any portion of the Senior Priority Obligations (a "Senior Priority Recovery"), then the Senior Priority Obligations shall be reinstated to the extent of such Senior Priority Recovery. If this Agreement shall have been terminated prior to such Senior Priority Recovery, this Agreement shall be reinstated in full force and effect in the event of such Senior Priority Recovery, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the Parties from such date of reinstatement. All rights, interests, agreements, and obligations of each Agent, each Senior Priority Creditor, and each Junior Priority Creditor under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency Proceeding by or against any Credit Party or any other circumstance which otherwise might constitute a defense available to, or a discharge of, any Credit Party in respect of the Senior Priority Obligations or the Junior Priority Obligations. No priority or right of any Senior Priority Secured Party shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Borrower or any Guarantor or by the noncompliance by any Person with the terms, provisions, or covenants of any of the Senior Priority Documents, regardless of any knowledge thereof which any Senior Priority Secured Party may have.

ARTICLE VI

INSOLVENCY PROCEEDINGS

Section 6.1 DIP Financing.

(a) If any Credit Party shall be subject to any Insolvency Proceeding in the United States at any time prior to the Discharge of Senior Priority Obligations, and any Senior Priority Secured Party shall seek to provide any Credit Party with, or consent to a third party providing, any financing under Section 364 of the Bankruptcy Code or consent to any order for the use of cash collateral under Section 363 of the Bankruptcy Code ("DIP Financing"), with such DIP Financing to be secured by all or any portion of the Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code would be Collateral), then each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that it will raise no objection and will not directly or indirectly support or act in concert with any other party in raising an objection to such DIP Financing or to the Liens securing the same on the grounds of a failure to provide "adequate protection" for the Liens of such Junior Priority Agent securing the applicable Junior Priority Obligations or on any other grounds (and will not request any adequate protection solely as a result of such DIP Financing, except as otherwise set forth herein), and will subordinate its Liens on the Collateral to (i) the Liens securing such DIP Financing (and all obligations relating thereto), (ii) any adequate protection Liens provided to the Senior Priority Creditors, and (iii) any "carve-out" for professional or United States Trustee fees agreed to by the Senior Priority Agent, so long as (x) such Junior Priority Agent retains its Lien on the Collateral to secure the applicable Junior Priority Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code), (y) all Liens on Collateral securing any such DIP Financing are senior to or on a parity with the Liens of the Senior Priority Secured Parties on the Collateral securing the Senior Priority Obligations and (z) if any Senior Priority Secured Party receives an adequate protection Lien on post-petition assets of the debtor to secure the Senior Priority Obligations, such Junior Priority Agent also receives an adequate protection Lien on such post-petition assets of the debtor to secure the related Junior Priority Obligations, provided that (x) each such Lien in favor of such Senior Priority Secured Party and such Junior Priority Secured Party shall be subject to the provisions of Section 6.1(b) hereof and (y) the foregoing provisions of this Section 6.1(a) shall not prevent any Junior Priority Secured Party from objecting to any provision in any DIP Financing relating to any provision or content of a plan of reorganization.

(b) All Liens granted to any Senior Priority Secured Party or Junior Priority Secured Party in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the Parties to be and shall be deemed to be subject to the Lien Priority and the other terms and conditions of this Agreement; provided, however, that the foregoing shall not alter the super-priority of any Liens securing any DIP Financing.

Section 6.2 Relief from Stay. Until the Discharge of Senior Priority Obligations, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees not to seek relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any portion of the Collateral without each Senior Priority Agent's express written consent.

Section 6.3 No Contest. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that, prior to the Discharge of Senior Priority Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by any Senior Priority Agent or Senior Priority Creditor for adequate protection of its interest in the Collateral (unless in contravention of Section 6.1(a)), or (ii) any objection by any Senior Priority Agent or Senior Priority Creditor to any motion, relief, action or proceeding based on a claim by such Senior Priority Agent or Senior Priority Creditor that its interests in the Collateral (unless in contravention of Section 6.1(a)) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such Senior Priority Agent as adequate protection of its interests are subject to this Agreement. Except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and any Senior Priority Creditors represented thereby, any Senior Priority Agent, for and on behalf of itself and any Senior Priority Creditors represented thereby, agrees that, prior to the applicable Discharge of Senior Priority Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by any other Senior Priority Agent or any Senior Priority Creditor represented by such other Senior Priority Agent for adequate protection of its interest in the Collateral, or (ii) any objection by such other Senior Priority Agent or any Senior Priority Creditor to any motion, relief, action, or proceeding based on a claim by such other Senior Priority Agent or any Senior Priority Creditor represented by such other Senior Priority Agent that its interests in the Collateral are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such other Senior Priority Agent as adequate protection of its interests are subject to this Agreement. Except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and any Junior Priority Creditors represented thereby, any Junior Priority Agent, for and on behalf of itself and any Junior Priority Creditors represented thereby, agrees that, prior to the applicable Discharge of Junior Priority Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by any other Junior Priority Agent or any Junior Priority Creditor represented by such other Junior Priority Agent for adequate protection of its interest in the Collateral, or (ii) any objection by such other Junior Priority Agent or any Junior Priority Creditor to any motion, relief, action, or proceeding based on a claim by such other Junior Priority Agent or any Junior Priority Creditor represented by such other Junior Priority Agent that its interests in the Collateral are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such other Junior Priority Agent as adequate protection of its interests are subject to this Agreement.

Section 6.4 Asset Sales. Each Junior Priority Agent agrees, for and on behalf of itself and the Junior Priority Creditors represented thereby, that it will not oppose any sale consented to by any Senior Priority Agent of any Collateral pursuant to Section 363(f) of the Bankruptcy Code (or any similar provision under the law applicable to any Insolvency Proceeding) so long as the proceeds of such sale are applied in accordance with this Agreement.

Section 6.5 Separate Grants of Security and Separate Classification. Each Secured Party acknowledges and agrees that (i) the grants of Liens pursuant to the Senior Priority Collateral Documents and the Junior Priority Collateral Documents constitute separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Collateral, the Senior Priority Obligations are fundamentally different from the Junior Priority Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held by a court of competent jurisdiction that the claims of the Senior Priority Secured Parties, on the one hand, and the Junior Priority Secured Parties, on the other hand, in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then the Secured Parties hereby acknowledge and agree that all distributions shall be applied as if there were separate classes of Senior Priority Obligation claims and Junior Priority Obligation claims against the Credit Parties, with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Junior Priority Secured Parties), the Senior Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest that is available from the Collateral for each of the Senior Priority Secured Parties, before any distribution from the Collateral is applied in respect of the claims held by the Junior Priority Secured Parties, with the Junior Priority Secured Parties hereby acknowledging and agreeing to turn over to the Senior Priority Secured Parties amounts otherwise received or receivable by them from the Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing their aggregate recoveries. The foregoing sentence is subject to any separate agreement by and between any Additional Agent, for and on behalf of itself and the Additional Creditors represented thereby, and any other Agent, for and on behalf of itself and the Creditors represented thereby, with respect to the Obligations owing to any such Additional Agent and Additional Creditors.

Section 6.6 Enforceability. The provisions of this Agreement are intended to be and shall be enforceable as a "subordination agreement" under Section 510(a) of the Bankruptcy Code.

Section 6.7 Senior Priority Obligations Unconditional. All rights of any Senior Priority Agent hereunder, and all agreements and obligations of the other Senior Priority Agents, the Junior Priority Agents and the Credit Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Priority Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all

or any portion of the Senior Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Senior Priority Document;

(c) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Senior Priority Obligations or any guarantee thereof;

(d) the commencement of any Insolvency Proceeding in respect of the Borrower or any other Credit Party; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Credit Party in respect of the Senior Priority Obligations, or of any of the Junior Priority Agent or any Credit Party, to the extent applicable, in respect of this Agreement.

Section 6.8 Junior Priority Obligations Unconditional. All rights of any Junior Priority Agent hereunder, and all agreements and obligations of the Senior Priority Agents, the other Junior Priority Agents and the Credit Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Junior Priority Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Junior Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Junior Priority Document;

(c) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral, or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Junior Priority Obligations or any guarantee thereof;

(d) the commencement of any Insolvency Proceeding in respect of any Credit Party; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Credit Party in respect of the Junior Priority Obligations, or of any of the Senior Priority Agent or any Credit Party, to the extent applicable, in respect of this Agreement.

Section 6.9 Adequate Protection. Each Junior Priority Agent agrees, for and on behalf of itself and the Junior Priority Secured Parties represented thereby, that it will not contest or support any other Person in contesting any request by any Senior Priority Agent or Senior Priority Creditor for adequate protection or any objection by any Senior Priority Agent or Senior Priority Creditor to any motion, relief, action or proceeding based on such Senior Priority Agent's or Senior Priority Creditor's claiming a lack of adequate protection. Except to the extent expressly provided in Section 6.1 and this Section 6.9, nothing in this Agreement shall limit the rights of any Agent and the Creditors represented thereby from seeking or requesting adequate protection with respect to their interests in the applicable Collateral in any Insolvency Proceeding, including adequate protection in the form of a cash payment, periodic cash payments, cash payments of interest, additional collateral or otherwise; provided that:

(a) in the event that any Senior Priority Agent, for and on behalf of itself or any of the Senior Priority Creditors represented thereby, seeks or requests adequate protection in respect of any Senior Priority Obligations and such adequate protection is granted in the form of a Lien on additional collateral comprising assets of the type of assets that constitute Collateral, then each Junior Priority Agent may seek or request adequate protection in the form of a junior Lien on such collateral as security for the Junior Priority Obligations and that any Lien on such collateral securing the Junior Priority Obligations shall be subordinate to any Lien on such collateral securing the Senior Priority Obligations;

(b) the Junior Priority Agents and Junior Priority Creditors shall only be permitted to seek adequate protection with respect to their rights in the Collateral in any Insolvency or Liquidation Proceeding in the form of (A) additional collateral; provided that as adequate protection for the Senior Priority Obligations, each Senior Priority Agent, on behalf of the Senior Priority Creditors represented by it, is also granted a Lien on such additional collateral, which Lien shall be senior to any Lien of the Junior Priority Agents and the Junior Priority Creditors on such additional collateral; (B) replacement Liens on the Collateral; provided that as adequate protection for the Senior Priority Obligations, each Senior Priority Agent, on behalf of the Senior Priority Creditors represented by it, is also granted replacement Liens on the Collateral, which Liens shall be senior to the Liens of the Junior Priority Agents and the Junior Priority Creditors on the Collateral; (C) an administrative expense claim; provided that as adequate protection for the Senior Priority Obligations, each Senior Priority Agent, on behalf of the Senior Priority Creditors represented by it, is also granted an administrative expense claim which is senior and prior to the administrative expense claim of the Junior Priority Agents and the other Junior Priority Creditors; and (D) cash payments with respect to interest on the Junior Priority Obligations; provided that (1) as adequate protection for the Senior Priority Obligations, each Senior Priority Agent, on behalf of the Senior Priority Creditors represented by it, is also granted cash payments with respect to interest on the Senior Priority Obligation represented by it and (2) such cash payments do not exceed an amount equal to the interest accruing on the principal amount of Junior Priority Obligations outstanding on the date such relief is granted at the interest rate under the applicable Junior Priority Documents and accruing from the date the applicable Junior Priority Agent is granted such relief;

(c) if any Junior Priority Creditor receives post-petition interest and/or adequate protection payments in an Insolvency Proceeding ("Junior Priority Adequate Protection Payments") and the Senior Priority Creditors do not receive payment in full in cash of all Senior Priority Obligations upon the effectiveness of the plan of reorganization for, or conclusion of, that Insolvency Proceeding, then each Junior Priority Creditor shall pay over to the Senior Priority Creditors an amount (the " Pay-Over Amount") equal to the lesser of (i) the Junior Priority Adequate Protection Payments received by such Junior Priority Creditor and (ii) the amount of the short-fall in payment in full in cash of the First Lien Obligations. Notwithstanding anything herein to the contrary, the Senior Priority Creditors shall not be deemed to have consented to, and expressly retain their rights to object to, the grant of adequate protection in the form of cash payments to the Junior Priority Creditors; and

(d) in the event that any Senior Priority Agent, for or on behalf of itself or any Senior Priority Creditor represented thereby, seeks or requests adequate protection in respect of the Senior Priority Obligations and such adequate protection is granted in the form of a Lien on additional collateral comprising assets of the type of assets that constitute Collateral, then such Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, agrees that each other Senior Priority Agent shall also be granted a pari passu Lien on such collateral as security for the Senior Priority Obligations owing to such other Senior Priority Agent and the Senior Priority Creditors represented thereby, and that any such Lien on such collateral securing such Senior Priority Obligations shall be pari passu to each such other Lien on such collateral securing such other Senior Priority Obligations (except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby.

Section 6.10 Reorganization Securities and Other Plan-Related Issues.

(a) If, in any Insolvency Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of claims of the Senior Priority Creditors and/or on account of claims of the Junior Priority Creditors, then, to the extent the debt obligations distributed on account of claims of the Senior Priority Creditors and/or on account of claims of the Junior Priority Creditors are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) Each Junior Priority Agent and the other Junior Priority Creditors (whether in the capacity of a secured creditor or an unsecured creditor) shall not propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement, other than with the prior written consent of the Senior Priority Agents or to the extent any such plan is proposed or supported by the number of Senior Priority Creditors required under Section 1126 of the Bankruptcy Code.

(c) Each Senior Priority Agent and the other Senior Priority Creditors (whether in the capacity of a secured creditor or an unsecured creditor) shall not propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement, other than with the prior written consent of each other Senior Priority Agent.

Section 6.11 Certain Waivers.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, waives any claim any Junior Priority Creditor may hereafter have against any Senior Priority Creditor arising out of the election by any Senior Priority Creditor of the application of Section 1111(b)(2) of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law.

(b) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that none of them shall (i) object, contest, or directly or indirectly support any other Person objecting to or contesting, any request by any Senior Priority Agent or any of the other Senior Priority Creditors for the payment of interest, fees, expenses or other amounts to such Senior Priority Agent or any other Senior Priority Creditor under Section 506(b) of the Bankruptcy Code or otherwise, or (ii) assert or directly or indirectly support any claim against any Senior Priority Creditor for costs or expenses of preserving or disposing of any Collateral under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

(c) So long as the Senior Priority Agents and holders of the Senior Priority Obligations shall have received and continue to receive all accrued post-petition interest, default interest, premiums, fees or expenses with respect to the Senior Priority Obligations, neither any Senior Priority Agent nor any other holder of Senior Priority Obligations shall object to, oppose, or challenge any claim by the Junior Priority Agent or any holder of Junior Priority Obligations for allowance in any Insolvency Proceeding of Junior Priority Obligations consisting of post-petition interest, default interest, premiums, fees, or expenses.

ARTICLE VII

MISCELLANEOUS

Section 7.1 Rights of Subrogation. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that no payment by such Junior Priority Agent or any such Junior Priority Creditor to any Senior Priority Agent or Senior Priority Creditor pursuant to the provisions of this Agreement shall entitle such Junior Priority Agent or Junior Priority Creditor to exercise any rights of subrogation in respect thereof until the Discharge of Senior Priority Obligations shall have occurred. Following the Discharge of Senior Priority Obligations, each Senior Priority Agent agrees to execute such documents, agreements, and instruments as any Junior Priority Agent or Junior Priority Creditor may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the Senior Priority Obligations resulting from payments to such Senior Priority Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by such Senior Priority Agent are paid by such Person upon request for payment thereof.

Section 7.2 Further Assurances. The Parties will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that any Party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable such Party to exercise and enforce its rights and remedies hereunder; provided, however, that no Party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 7.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such Party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 7.2.

Section 7.3 Representations. The Original Senior Lien Agent represents and warrants to each other Agent that it has the requisite power and authority under the Original Senior Lien Facility Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the Original Senior Lien Creditors. The [ ] [Senior/Junior] [2] Lien Agent represents and warrants to each other Agent that it has the requisite power and authority under the [ ] [1] [Senior/Junior] [2] Lien Facility Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the [ ][1] [Senior/Junior][2] Lien Creditors. Each Additional Agent represents and warrants to each other Agent that it has the requisite power and authority under the applicable Additional Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and any Additional Creditors represented thereby.

Section 7.4 Amendments.

(a) No amendment, modification or waiver of any provision of this Agreement, and no consent to any departure by any Party hereto, shall be effective unless it is in a written agreement executed by (i) prior to the Discharge of Senior Priority Obligations, each Senior Priority Agent then party to this Agreement and (ii) prior to the Discharge of Junior Priority Obligations, each Junior Priority Agent then party to this Agreement. Notwithstanding the foregoing, the Original Senior Lien Parent Borrower may, without the consent of any Party hereto, amend this Agreement to add an Additional Agent by (x) executing an Additional Indebtedness Joinder as provided in Section 7.11 or (y) executing a joinder agreement substantially in the form of Exhibit C attached hereto or otherwise as provided for in the definition of "Original Senior Lien Credit Agreement" or "[ ][1] [Senior/Junior][2] Lien Credit Agreement", as applicable. No amendment, modification or waiver of any provision of this Agreement, and no consent to any departure therefrom by any Party hereto, that changes, alters, modifies or otherwise affects any power, privilege, right, remedy, liability or obligation of, or otherwise adversely affects in any manner, any Additional Agent that is not then a Party, or any Additional Creditor not then represented by an Additional Agent that is then a Party (including but not limited to any change, alteration, modification or other effect upon any power, privilege, right, remedy, liability or obligation of or other adverse effect upon any such Additional Agent or Additional Creditor that may at any subsequent time become a Party or beneficiary hereof) shall be effective unless it is consented to in writing by the Original Senior Parent Lien Borrower (regardless of whether any such Additional Agent or Additional Creditor ever becomes a Party or beneficiary hereof). Any amendment, modification or waiver of any provision of this Agreement that would have the effect, directly or indirectly, through any reference in any Credit Document to this Agreement or otherwise, of waiving, amending, supplementing or otherwise modifying such Credit Document, or any term or provision thereof, or any right or obligation of any Credit Party thereunder or in respect thereof, shall not be given such effect except pursuant to a written instrument executed by the Original Senior Lien Parent Borrower and each other affected Credit Party. Any amendment, modification or waiver of clause (b) in any of the definitions of the terms "Additional Credit Facilities," "Original Senior Lien Credit Agreement" or "[ ][1] [Senior/Junior][2] Lien Credit Agreement" or of the definition of "Senior Priority Representative" or Section 7.19 shall not be given effect except pursuant to a written instrument executed by the Original Senior Lien Parent Borrower.

(b) In the event that any Senior Priority Agent or the requisite Senior Priority Creditors enter into any amendment, waiver or consent in respect of or replace any Senior Priority Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Priority Collateral Document relating to the Collateral or changing in any manner the rights of any Senior Priority Agent, any Senior Priority Creditors represented thereby, or any Credit Party with respect to the Collateral (including the release of any Liens on Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Junior Priority Collateral Document without the consent of or any actions by any Junior Priority Agent or any Junior Priority Creditors represented thereby; provided, that such amendment, waiver or consent does not materially adversely affect the rights or interests of such Junior Priority Creditors in the Collateral (it being understood that the release of any Liens securing Junior Priority Obligations pursuant to Section 2.4(b) shall not be deemed to materially adversely affect the rights or interests of such Junior Priority Creditors in the Collateral). The applicable Senior Priority Agent shall give written notice of such amendment, waiver or consent to the Junior Priority Agents; provided that the failure to give such notice shall not affect the effectiveness of such amendment, waiver or consent with respect to the provisions of any Junior Priority Collateral Document as set forth in this Section 7.4(b).

Section 7.5 Addresses for Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, faxed, sent by electronic mail or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a facsimile or upon receipt of electronic mail sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient) or five (5) days after deposit in the United States mail (certified, with postage prepaid and properly addressed). The addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section 7.5) shall be as set forth below or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

Any Additional Agent: As set forth in the Additional Indebtedness Joinder executed and delivered by such Additional Agent pursuant to Section 7.11.

Section 7.6 No Waiver, Remedies. No failure on the part of any Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.7 Continuing Agreement, Transfer of Secured Obligations. This Agreement is a continuing agreement and shall (a) remain in full force and effect (x) with respect to all Senior Priority Secured Parties and Senior Priority Obligations, until the Discharge of Senior Priority Obligations shall have occurred, subject to Section 5.3 and (y) with respect to all Junior Priority Secured Parties and Junior Priority Obligations, until the later of the Discharge of Senior Priority Obligations and the Discharge of Junior Priority Obligations shall have occurred, (b) be binding upon the Parties and their successors and assigns, and (c) inure to the benefit of and be enforceable by the Parties and their respective successors, transferees and assigns. Nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral, subject to Section 7.10. All references to any Credit Party shall include any Credit Party as debtor-in-possession and any receiver or trustee for such Credit Party in any Insolvency Proceeding. Without limiting the generality of the foregoing clause (c), any Senior Priority Agent, Senior Priority Creditor, Junior Priority Agent or Junior Priority Creditor may assign or otherwise transfer all or any portion of the Senior Priority Obligations or the Junior Priority Obligations, as applicable, to any other Person, and such other Person shall thereupon become vested with all the rights and obligations in respect thereof granted to such Senior Priority Agent, Junior Priority Agent, Senior Priority Creditor or Junior Priority Creditor, as the case may be, herein or otherwise. The Senior Priority Secured Parties and the Junior Priority Secured Parties may continue, at any time and without notice to the other Parties hereto, to extend credit and other financial accommodations, lend monies and provide Indebtedness to, or for the benefit of, any Credit Party on the faith hereof.

Section 7.8 Governing Law; Entire Agreement. The validity, performance, and enforcement of this Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without reference to its conflict of laws principles to the extent that such principles are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction. This Agreement constitutes the entire agreement and understanding among the Parties with respect to the subject matter hereof and supersedes any prior agreements, written or oral, with respect thereto

Section 7.9 Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy and other electronic transmission), and it is not necessary that the signatures of all Parties be contained on any one counterpart hereof; each counterpart will be deemed to be an original, and all together shall constitute one and the same document.

Section 7.10 No Third-Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and assigns and shall inure to the benefit of each of the Senior Priority Agents, the Senior Priority Creditors, the Junior Priority Agents, the Junior Priority Creditors and the Original Senior Lien Borrowers and the other Credit Parties. No other Person shall have or be entitled to assert rights or benefits hereunder.

Section 7.11 Designation of Additional Indebtedness; Joinder of Additional Agents.

(a) The Original Senior Lien Parent Borrower may designate any Additional Indebtedness complying with the requirements of the definition thereof as Additional Indebtedness for purposes of this Agreement, upon complying with the following conditions:

(i) one or more Additional Agents for one or more Additional Creditors in respect of such Additional Indebtedness shall have executed the Additional Indebtedness Joinder with respect to such Additional Indebtedness, and the Original Senior Lien Parent Borrower or any such Additional Agent shall have delivered such executed Additional Indebtedness Joinder to each Agent then party to this Agreement;

(ii) at least five Business Days (unless a shorter period is agreed in writing by the Parties (other than any Designated Agent) and the Original Senior Lien Parent Borrower) prior to delivery of the Additional Indebtedness Joinder, the Original Senior Lien Parent Borrower shall have delivered to each Agent then party to this Agreement complete and correct copies of any Additional Credit Facility, Additional Guarantees and Additional Collateral Documents that will govern such Additional Indebtedness upon giving effect to such designation (which may be unexecuted copies of Additional Documents to be executed and delivered concurrently with the effectiveness of such designation);

(iii) the Original Senior Lien Parent Borrower shall have executed and delivered to each Agent then party to this Agreement the Additional Indebtedness Designation (including whether such Additional Indebtedness is designated Senior Priority Debt or Junior Priority Debt) with respect to such Additional Indebtedness; and

(iv) all state and local stamp, recording, filing, intangible and similar taxes or fees (if any) that are payable in connection with the inclusion of such Additional Indebtedness under this Agreement shall have been paid and reasonable evidence thereof shall have been given to each Agent then party to this Agreement.

No Additional Indebtedness may be designated both Senior Priority Debt and Junior Priority Debt.

(b) Upon satisfaction of the conditions specified in the preceding Section 7.11(a), the designated Additional Indebtedness shall constitute "Additional Indebtedness", any Additional Credit Facility under which such Additional Indebtedness is or may be incurred shall constitute an "Additional Credit Facility", any holder of such Additional Indebtedness or other applicable Additional Creditor shall constitute an "Additional Creditor", and any Additional Agent for any such Additional Creditor shall constitute an "Additional Agent" for all purposes under this Agreement. The date on which such conditions specified in clause (a) shall have been satisfied with respect to any Additional Indebtedness is herein called the "Additional Effective Date" with respect to such Additional Indebtedness. Prior to the Additional Effective Date with respect to any Additional Indebtedness, all references herein to Additional Indebtedness shall be deemed not to take into account such Additional Indebtedness, and the rights and obligations of the Original Senior Lien Agent, the [ ][1] [Senior/Junior][2] Lien Agent and each other Additional Agent then party to this Agreement shall be determined on the basis that such Additional Indebtedness is not then designated. On and after the Additional Effective Date with respect to such Additional Indebtedness, all references herein to Additional Indebtedness shall be deemed to take into account such Additional Indebtedness, and the rights and obligations of the Original Senior Lien Agent, the [ ][1] [Senior/Junior][2] Lien Agent and each other Additional Agent then party to this Agreement shall be determined on the basis that such Additional Indebtedness is then designated.

(c) In connection with any designation of Additional Indebtedness pursuant to this Section 7.11, each of the Original Senior Lien Agent, the [ ][1] [Senior/Junior][2] Lien Agent and each Additional Agent then party hereto agrees (x) to execute and deliver any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Original Senior Lien Collateral Documents, [ ][1] [Senior/Junior][2] Lien Collateral Documents or Additional Collateral Documents, as applicable, and any agreements relating to any security interest in Control Collateral and Cash Collateral, and to make or consent to any filings or take any other actions (including executing and recording any mortgage subordination or similar agreement), as may be reasonably deemed by the Original Senior Lien Parent Borrower to be necessary or reasonably desirable for any Lien on any Collateral to secure such Additional Indebtedness to become a valid and perfected Lien (with the priority contemplated by the applicable Additional Indebtedness Designation delivered pursuant to this Section 7.11 and by this Agreement), and (y) otherwise to reasonably cooperate to effectuate a designation of Additional Indebtedness pursuant to this Section 7.11 (including, if requested, by executing an acknowledgment of any Additional Indebtedness Joinder or of the occurrence of any Additional Effective Date).

Section 7.12 Senior Priority Representative; Notice of Senior Priority Representative Change.

(a) The Senior Priority Representative shall act for the Senior Priority Secured Parties as provided in this Agreement, and shall be entitled to so act at the direction or with the consent of the Controlling Senior Priority Secured Parties, or of the requisite percentage of such Controlling Senior Priority Secured Parties as provided in the applicable Senior Priority Documents (or the agent or representative with respect thereto). Until a Party (other than the existing Senior Priority Representative) receives written notice from the existing Senior Priority Representative, in accordance with Section 7.5, of a change in the identity of the Senior Priority Representative, such Party shall be entitled to act as if the existing Senior Priority Representative is in fact the Senior Priority Representative. Each Party (other than the existing Senior Priority Representative) shall be entitled to rely upon any written notice of a change in the identity of the Senior Priority Representative which facially appears to be from the then-existing Senior Priority Representative and is delivered in accordance with Section 7.5, and such Party shall not be required to inquire into the veracity or genuineness of such notice. Each existing Senior Priority Representative from time to time shall give prompt written notice to each Party of any change in the identity of the Senior Priority Representative.

(b) The Junior Priority Representative shall act for the Junior Priority Secured Parties as provided in this Agreement, and shall be entitled to so act at the direction or with the consent of the Controlling Junior Priority Secured Parties, or of the requisite percentage of such Controlling Junior Priority Secured Parties as provided in the applicable Junior Priority Documents (or the agent or representative with respect thereto). Until a Party (other than the existing Junior Priority Representative) receives written notice from the existing Junior Priority Representative, in accordance with Section 7.5, of a change in the identity of the Junior Priority Representative, such Party shall be entitled to act as if the existing Junior Priority Representative is in fact the Junior Priority Representative. Each Party (other than the existing Junior Priority Representative) shall be entitled to rely upon any written notice of a change in the identity of the Junior Priority Representative which facially appears to be from the then-existing Junior Priority Representative and is delivered in accordance with Section 7.5, and such Party shall not be required to inquire into the veracity or genuineness of such notice. Each existing Junior Priority Representative from time to time shall give prompt written notice to each Party of any change in the identity of the Junior Priority Representative

Section 7.13 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Senior Priority Secured Parties and the Junior Priority Secured Parties, respectively. Nothing herein shall be construed to limit the right of any Agent (on behalf of the Secured Parties represented thereby) to enter into any separate agreement (including any Junior Priority Intercreditor Agreement) among all or a portion of the Agents (each on behalf of the Secured Parties represented thereby); and the rights and obligations among such Secured Parties will be governed by, and any provisions herein regarding them will therefore be subject to, the provisions of any such separate agreement. Nothing in this Agreement is intended to or shall impair the rights of any Credit Party, or the obligations of any Credit Party to pay any Original Senior Lien Obligations, any [ ][1] [Senior/Junior] [2] Lien Obligations and any Additional Obligations as and when the same shall become due and payable in accordance with their terms.

Section 7.14 Headings. The headings of the articles and sections of this Agreement are inserted for purposes of convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

Section 7.15 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not (i) invalidate or render unenforceable such provision in any other jurisdiction or (ii) invalidate the Lien Priority or the application of Proceeds and other priorities set forth in this Agreement.

Section 7.16 Attorneys' Fees. The Parties agree that if any dispute, arbitration, litigation, or other proceeding is brought with respect to the enforcement of this Agreement or any provision hereof, the prevailing party in such dispute, arbitration, litigation, or other proceeding shall be entitled to recover its reasonable attorneys' fees and all other costs and expenses incurred in the enforcement of this Agreement, irrespective of whether suit is brought.

Section 7.17 VENUE; JURY TRIAL WAIVER.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT TO THE EXCLUSIVE GENERAL JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK FOR THE COUNTY OF NEW YORK (THE "NEW YORK SUPREME COURT"), AND THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK (THE "FEDERAL DISTRICT COURT," AND TOGETHER WITH THE NEW YORK SUPREME COURT, THE "NEW YORK COURTS") AND APPELLATE COURTS FROM EITHER OF THEM; PROVIDED THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE (I) ANY PARTY FROM BRINGING ANY LEGAL ACTION OR PROCEEDING IN ANY JURISDICTION FOR THE RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT, (II) IF ALL SUCH NEW YORK COURTS DECLINE JURISDICTION OVER ANY PERSON, OR DECLINE (OR IN THE CASE OF THE FEDERAL DISTRICT COURT, LACK) JURISDICTION OVER ANY SUBJECT MATTER OF SUCH ACTION OR PROCEEDING, A LEGAL ACTION OR PROCEEDING MAY BE BROUGHT WITH RESPECT THERETO IN ANOTHER COURT HAVING JURISDICTION AND (III) IN THE EVENT A LEGAL ACTION OR PROCEEDING IS BROUGHT AGAINST ANY PARTY HERETO OR INVOLVING ANY OF ITS ASSETS OR PROPERTY IN ANOTHER COURT (WITHOUT ANY COLLUSIVE ASSISTANCE BY SUCH PARTY OR ANY OF ITS SUBSIDIARIES OR AFFILIATES), SUCH PARTY FROM ASSERTING A CLAIM OR DEFENSE (INCLUDING ANY CLAIM OR DEFENSE THAT THIS SECTION 7.17(A) WOULD OTHERWISE REQUIRE TO BE ASSERTED IN A LEGAL PROCEEDING IN A NEW YORK COURT) IN ANY SUCH ACTION OR PROCEEDING.

(b) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. EACH PARTY HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(c) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 7.5. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 7.18 Intercreditor Agreement. This Agreement is the "Junior Lien Intercreditor Agreement" referred to in the Original Senior Lien Credit Agreement, the [ ][1] [Senior/Junior][2] Lien Credit Agreement and each Additional Credit Facility. Nothing in this Agreement shall be deemed to subordinate the right of any Junior Priority Secured Party to receive regularly scheduled principal, interest and other payments it would be entitled to as an unsecured creditor to the right of any Senior Priority Secured Party (whether before or after the occurrence of an Insolvency Proceeding) so long as such payments are not the direct or indirect result of any Exercise of Secured Creditor Remedies or enforcement in violation of this Agreement, it being the intent of the Parties that this Agreement shall effectuate a subordination of Liens as between the Senior Priority Secured Parties, on the one hand, and the Junior Priority Secured Parties, on the other hand, but not a subordination of Indebtedness.

Section 7.19 No Warranties or Liability. Each Party acknowledges and agrees that none of the other Parties has made any representation or warranty with respect to the execution, validity, legality, completeness, collectability or enforceability of any other Original Senior Lien Facility Document, any other [ ][1] [Senior/Junior][2] Lien Facility Document or any other Additional Document. Except as otherwise provided in this Agreement, each Party will be entitled to manage and supervise its respective extensions of credit to any Credit Party in accordance with law and their usual practices, modified from time to time as they deem appropriate.

Section 7.20 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Original Senior Lien Facility Document, any [ ][1] [Senior/Junior][2] Lien Facility Document or any Additional Document, the provisions of this Agreement shall govern; provided that the foregoing shall not be construed to limit the relative rights and obligations of any Agent (and the Secured Parties represented thereby) that may be set forth in any separate agreement (including any Junior Priority Intercreditor Agreement) among all or a portion of the Agents; such rights and obligations among the applicable Secured Parties will be governed by, and any provisions herein regarding them are therefore subject to, any such separate agreement. The parties hereto acknowledge that the terms of this Agreement are not intended to negate any specific rights granted to, or obligations of, any Credit Party in the Senior Priority Documents or the Junior Priority Documents.

Section 7.21 Information Concerning Financial Condition of the Credit Parties. No Party has any responsibility for keeping any other Party informed of the financial condition of the Credit Parties or of other circumstances bearing upon the risk of nonpayment of the Original Senior Lien Obligations, the [ ][1] [Senior/Junior][2] Lien Obligations or any Additional Obligations, as applicable. Each Party hereby agrees that no Party shall have any duty to advise any other Party of information known to it regarding such condition or any such circumstances. JOINDER AGREEMENT, dated as of [_____] (this "Agreement"), among THE HERTZ CORPORATION, a Delaware corporation (together with its successors and assigns, the "Parent Borrower"), and certain subsidiaries of the Parent Borrower signatories hereto (each such subsidiary, a "Joining Borrower") and consented to by the other Loan Parties (as hereinafter defined), BARCLAYS BANK PLC, as administrative agent (the "Administrative Agent") and collateral agent (the " Collateral Agent") for the banks and other financial institutions (the "Lenders") from time to time parties to the Credit Agreement (as hereinafter defined).

W I T N E S S E T H:

WHEREAS, the Parent Borrower, the Administrative Agent and the Collateral Agent are parties to the Credit Agreement, dated as of June 30, 2021 (as amended, restated, amended and restated, supplemented, waived or otherwise modified from time to time, the "Credit Agreement"), among the Parent Borrower, the Subsidiary Borrowers from time to time parties thereto, the Lenders, the Administrative Agent, the Collateral Agent and the other parties thereto.

WHEREAS, pursuant to the Credit Agreement and in consideration of, among other things, the making available to each of the Joining Borrowers of a revolving credit facility and term loan credit facilities under the Credit Agreement, each of the Joining Borrowers wishes to become a party to the Credit Agreement and assume all the rights, obligations, covenants, agreements, duties and liabilities of a "Borrower" or "Subsidiary Borrower" thereunder and under or with respect to any Notes, any Letters of Credit and any of the other Loan Documents (in each case as hereinafter defined).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

2. Joinder of Agreements and Obligations. Effective as of the date hereof, each Joining Borrower hereby becomes a party to the Credit Agreement and expressly assumes, confirms and agrees to perform and observe all of the indebtedness, obligations (including, without limitation, all obligations in respect of the Loans), covenants, agreements, terms, conditions, duties and liabilities of a "Borrower" or "Subsidiary Borrower" thereunder and under or with respect to, any Notes, any Letters of Credit and any of the other Loan Documents to which a Borrower is a party in its capacity as "Borrower", "Subsidiary Borrower" or "Loan Party" as fully as if each Joining Borrower were originally a signatory in the capacity of a "Borrower", "Subsidiary Borrower" or "Loan Party" thereto. At all times after the effectiveness of such joinder, all references to a "Borrower", "Subsidiary Borrower" or "Loan Party" in the Credit Agreement, any Notes, any Letter of Credit or any of the other Loan Documents and any and all certificates and other documents executed by a Borrower in connection therewith shall be deemed to include references to each Joining Borrower, as more fully described in the Credit Agreement.

3. Amendment to Credit Agreement. The Credit Agreement is hereby deemed to be amended to the extent, but only to the extent, necessary to effect the joinder provided for hereby. Except as expressly amended, modified and supplemented hereby, the provisions of the Credit Agreement and the other Loan Documents are and shall remain in full force and effect.

4. Affirmation of Loan Documents. Each of the other Loan Parties signatory hereto hereby consents to the execution and delivery of this Agreement and confirms, reaffirms and restates its obligations under each of the Loan Documents to which it is a party pursuant to the terms hereof.

5. Representations and Warranties. The Joining Borrower represents and warrants to the Administrative Agent that as of the date hereof:

a. Authorization; Enforceability. This Agreement has been duly authorized, executed and delivered by it and this Agreement and the Credit Agreement (after giving effect to this Agreement) constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as enforceability thereof may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

b. Corporate Organization and Power. The Joining Borrower (i) is (x) duly organized or incorporated, (y) validly existing and (z) (to the extent applicable in the relevant jurisdiction) in good standing under the laws of the jurisdiction of its organization or incorporation or formation, except to the extent that the failure to be organized, existing and (to the extent applicable) in good standing would not reasonably be expected to have a Material Adverse Effect, (ii) has the corporate or other organizational power and authority, and the legal right, to make, deliver and perform this Agreement and the other Loan Documents to which it is or will be a party, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, except to the extent that the failure to have such legal right would not reasonably be expected to have a Material Adverse Effect, and (iii) is duly qualified as a foreign corporation, partnership or limited liability company and (to the extent applicable in the relevant jurisdiction) in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, other than in such jurisdictions where the failure to be so qualified and (to the extent applicable) in good standing would not be reasonably expected to have a Material Adverse Effect.

c. No Conflict with Organizational Documents; Governing Law. The execution, delivery and performance by the Joining Borrower of this Agreement and of the other Loan Documents to which it is or will be a party will not (i) violate any Requirement of Law or Contractual Obligation of the Joining Borrower in any respect that would reasonably be expected to have a Material Adverse Effect or (ii) result in, or require, the creation or imposition of any Lien (other than Permitted Liens) on any of its properties or revenues pursuant to any such Requirement of Law or Contractual Obligation.

6. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which, when taken together, shall constitute one agreement. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission (e.g. ".pdf" or ".tif") shall be effective as delivery of an original executed counterpart hereof. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar applicable state laws based on the Uniform Electronic Transactions Act.

8. Section Headings. The section headings in this Agreement are for convenience of reference only and are not to affect the construction hereof or to be taken into consideration in the interpretation hereof.

9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

11. WAIVERS OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 2.2. Advances.

(a) Class A Advances.

(i) Class A Advance Requests. Subject to the terms of this Series 2021-A Supplement, including satisfaction of the Class A Funding Conditions, the aggregate outstanding principal amount of the Class A Notes may be increased from time to time. On any Business Day during the Series 2021-A Revolving Period, HVF III, subject to this Section 2.2(a) (*Class A Advances*), may, upon two (2) Business Days' prior written notice to the Trustee and the Class A Noteholders, increase the Class A Principal Amount (such increase, including any increase resulting from a Class A Investor Group Maximum Principal Increase Amount or a Class A Additional Investor Group Initial Principal Amount, is referred to as a "Class A Advance"), which increase shall be allocated among the Class A Investor Groups in accordance with Section 2.2(a)(iv) (*Class A Advance Allocations*).

A. Whenever HVF III wishes a Class A Conduit Investor, or if there is no Class A Conduit Investor with respect to any Class A Investor Group, the Class A Committed Note Purchaser with respect to such Class A Investor Group, to make a Class A Advance, HVF III shall notify the Program Agent, the related Class A Funding Agent and the Trustee by providing written notice delivered to the Program Agent, the Trustee and such Class A Funding Agent (with a copy of such notice delivered to the Class A Committed Note Purchasers) no later than 11:30 a.m. (New York City time) on the second Business Day prior to the proposed Class A Advance (which notice may be combined with the notice delivered pursuant to Section 2.1(b)(i) (*Additional Class A Investor Groups*), in the case of a Class A Advance in connection with a Class A Additional Investor Group Initial Principal Amount, or pursuant to Section 2.1(c)(i) (*Class A Investor Group Maximum Principal Increase*), in the case of a Class A Advance in connection with a Class A Investor Group Maximum Principal Increase Amount). Each such notice shall be irrevocable and shall in each case refer to this Series 2021-A Supplement and specify the aggregate amount of the requested Class A Advance to be made on such date; provided, however, if HVF III receives a Class A Delayed Funding Notice in accordance with Section 2.2(a)(v) (*Class A Delayed Funding Procedures*) by 6:00 p.m. (New York time) on the second Business Day prior to the date of any proposed Class A Advance, HVF III shall have the right to revoke the Class A Advance Request with respect to the requested Class A Advance by providing the Program Agent and each Class A Funding Agent (with a copy to the Trustee and each Class A Committed Note Purchaser) written notice, by telecopy or electronic mail, of such revocation no later than 10:00 a.m. (New York time) on the Business Day prior to the proposed date of such Class A Advance.

B. Each Class A Funding Agent shall promptly advise its related Class A Conduit Investor, or if there is no Class A Conduit Investor with respect to any Class A Investor Group, its related Class A Committed Note Purchaser, of any notice given pursuant to Section 2.2(a)(i) (*Class A Advance Requests*) and, if there is a Class A Conduit Investor with respect to any Class A Investor Group, shall promptly thereafter (but in no event later than 11:00 a.m. (New York City time) on the proposed date of the Class A Advance), notify HVF III and the related Class A Committed Note Purchaser(s), whether such Class A Conduit Investor has determined to make such Class A Advance.

(ii) Party Obligated to Fund Class A Advances. Upon HVF III's request in accordance with Section 2.2(a)(i) (*Class A Advance Requests*):

A. each Class A Conduit Investor, if any, may fund Class A Advances (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) from time to time during the Series 2021-A Revolving Period;

B. if any Class A Conduit Investor determines that it will not make a Class A Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) or any portion of a Class A Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount), then such Class A Conduit Investor shall notify the Program Agent and the Class A Funding Agent with respect to such Class A Conduit Investor, and each Class A Committed Note Purchaser with respect to such Class A Conduit Investor, subject to Section 2.2(a)(v) (*Class A Delayed Funding Procedures*), shall fund its pro rata portion (by Class A Committed Note Purchaser Percentage) of the Class A Commitment Percentage with respect to such Class A Investor Group of such Class A Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) not funded by such Class A Conduit Investor; and

C. if there is no Class A Conduit Investor with respect any Class A Investor Group, then the Class A Committed Note Purchaser(s) with respect to such Class A Investor Group, subject to Section 2.2(a)(v) (*Class A Delayed Funding Procedures*), shall fund Class A Advances (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) from time to time.

(iii) Class A Conduit Investor Funding. Each Class A Conduit Investor hereby agrees with respect to itself that it will use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper; provided that, (i) no Class A Conduit Investor will have any obligation to use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper at any time that the funding of such Class A Advance through the issuance of Class A Commercial Paper would be prohibited by the program documents governing such Class A Conduit Investor's commercial paper program, (ii) nothing herein is (or shall be construed) as a commitment by any Class A Conduit Investor to fund any Class A Advance through the issuance of Class A Commercial Paper; provided further that, the Class A Conduit Investors shall not, and shall not be obligated to, fund or pay any amount pursuant to this Series 2021-A Supplement unless (i) the respective Class A Conduit Investor has received funds that may be used to make such funding or other payment and which funds are not required to repay any of the commercial paper notes ("Class A CP Notes") issued by such Class A Conduit Investor when due and (ii) after giving effect to such funding or payment, either (x) such Class A Conduit Investor could issue Class A CP Notes to refinance all of its outstanding Class A CP Notes (assuming such outstanding Class A CP Notes matured at such time) in accordance with the program documents governing its commercial paper program or (y) all of the Class A CP Notes are paid in full. Any amount that a Class A Conduit Investor does not pay pursuant to the operation of the second proviso of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or obligation of such Class A Conduit Investor for any such insufficiency.

(iv) Class A Advance Allocations. HVF III shall allocate the proposed Class A Advance among the Class A Investor Groups ratably by their respective Class A Commitment Percentages; provided that, in the event that one or more Class A Additional Investor Groups become party to this Series 2021-A Supplement in accordance with Section 2.1(b)(i) (*Additional Class A Investor Groups*) or one or more Class A Investor Group Maximum Principal Increases are effected in accordance with Section 2.1(c)(i) (*Class A Investor Group Maximum Principal Increase*), any Class A Additional Investor Group Initial Principal Amount in connection with the addition of each such Class A Additional Investor Group, any Class A Investor Group Maximum Principal Increase Amount in connection with each such Class A Investor Group Maximum Principal Increase, and each Class A Advance subsequent to any of the foregoing shall be allocated solely to such Class A Additional Investor Groups and/or such Class A Investor Groups, as applicable, until (and only until) the Class A Principal Amount is allocated ratably among all Class A Investor Groups (based upon each such Class A Investor Group's Class A Commitment Percentage after giving effect to each such Class A Investor Group or Class A Additional Investor Group becoming party hereto and/or each such Class A Investor Group Maximum Principal Increase, as applicable); provided further that on or prior to the Payment Date (or, if such Class A Investor Group or Class A Additional Investor Group becomes party hereto or such Class A Investor Group Maximum Principal Increase occurs, in either case, after the Determination Date with respect to such Payment Date, the second Payment Date) immediately following the date on which any such Class A Investor Group or Class A Additional Investor Group becomes party hereto or a Class A Investor Group Maximum Principal Increase occurs, HVF III shall use commercially reasonable efforts to request Class A Advances and/or effect Class A Voluntary Decreases to the extent necessary to cause (after giving effect to such Class A Advances and Class A Voluntary Decreases) the Class A Principal Amount to be allocated ratably among all Class A Investor Groups (based upon each such Class A Investor Group's Class A Commitment Percentage after giving effect to such Class A Investor Group or Class A Additional Investor Group becoming party hereto or such Class A Investor Group Maximum Principal Increase, as applicable).

(v) Class A Delayed Funding Procedures.

A. A Class A Delayed Funding Purchaser, upon receipt of any notice of a Class A Advance pursuant to Section 2.2(a)(i) (*Class A Advance Requests*), promptly (but in no event later than 6:00 p.m. (New York time) on the second Business Day prior to the proposed date of such Class A Advance) may notify HVF III in writing (a "Class A Delayed Funding Notice") of its election to designate such Class A Advance as a delayed Class A Advance (such Class A Advance, a "Class A Designated Delayed Advance"). If such Class A Delayed Funding Purchaser's ratable portion of such Class A Advance exceeds its Class A Required Non-Delayed Amount (such excess amount, the "Class A Permitted Delayed Amount"), then the Class A Delayed Funding Purchaser also shall include in the Class A Delayed Funding Notice the portion of such Class A Advance (such amount as specified in the Class A Delayed Funding Notice, not to exceed such Class A Delayed Funding Purchaser's Class A Permitted Delayed Amount, the "Class A Delayed Amount") that the Class A Delayed Funding Purchaser has elected to fund on a Business Day that is on or prior to the thirty-fifth (35th) day following the proposed date of such Class A Advance (such date as specified in the Class A Delayed Funding Notice, the "Class A Delayed Funding Date") rather than on the date for such Class A Advance specified in the related Class A Advance Request.

B. If (A) one or more Class A Delayed Funding Purchasers provide a Class A Delayed Funding Notice to HVF III specifying a Class A Delayed Amount in respect of any Class A Advance and (B) HVF III shall not have revoked the notice of the Class A Advance by 10:00 a.m. (New York time) on the Business Day preceding the proposed date of such Class A Advance, then HVF III, by no later than 11:30 a.m. (New York time) on the Business Day preceding the date of such proposed Class A Advance, may (but shall have no obligation to) direct each Class A Available Delayed Amount Committed Note Purchaser to fund an additional portion of such Class A Advance on the proposed date of such Class A Advance equal to such Class A Available Delayed Amount Committed Note Purchaser's proportionate share (based upon the relative Class A Committed Note Purchaser Percentage of such Class A Available Delayed Amount Committed Note Purchasers) of the aggregate Class A Delayed Amount with respect to the proposed Class A Advance; provided that, (i) no Class A Available Delayed Amount Committed Note Purchaser shall be required to fund any portion of its proportionate share of such aggregate Class A Delayed Amount that would cause its Class A Investor Group Principal Amount to exceed its Class A Maximum Investor Group Principal Amount and (ii) any Class A Conduit Investor, if any, in the Class A Available Delayed Amount Committed Note Purchaser's Class A Investor Group may, in its sole discretion, agree to fund such proportionate share of such aggregate Class A Delayed Amount.

C. Upon receipt of any notice of a Class A Delayed Amount in respect of a Class A Advance pursuant to Section 2.2(a)(v)(B) (*Class A Delayed Funding Procedures*), a Class A Available Delayed Amount Committed Note Purchaser, promptly (but in no event later than 6:00 p.m. (New York time) on the Business Day prior to the proposed date of such Class A Advance) may notify HVF III in writing (a "Class A Second Delayed Funding Notice") of its election to decline to fund a portion of its proportionate share of such Class A Delayed Amount (such portion, the "Class A Second Delayed Funding Notice Amount"); provided that, the Class A Second Delayed Funding Notice Amount shall not exceed the excess, if any, of (A) such Class A Available Delayed Amount Committed Note Purchaser's proportionate share of such Class A Delayed Amount over (B) such Class A Available Delayed Amount Committed Note Purchaser's Class A Required Non-Delayed Amount (after giving effect to the funding of any amount in respect of such Class A Advance to be made by such Class A Available Delayed Amount Committed Note Purchaser or the Class A Conduit Investor in such Class A Available Delayed Amount Committed Note Purchaser's Class A Investor Group) (such excess amount, the "Class A Second Permitted Delayed Amount"), and upon any such election, such Class A Available Delayed Amount Committed Note Purchaser shall include in the Class A Second Delayed Funding Notice the Class A Second Delayed Funding Notice Amount.

(vi) Funding Class A Advances.

A. Subject to the other conditions set forth in this Section 2.2(a) (*Class A Advances*), on the date of each Class A Advance, each Class A Conduit Investor and Class A Committed Note Purchaser(s) funding such Class A Advance shall make available to HVF III its portion of the amount of such Class A Advance (other than any Class A Delayed Amount) by wire transfer in U.S. dollars in same day funds to the Series 2021-A Principal Collection Account no later than 2:00 p.m. (New York City time) on the date of such Class A Advance. Proceeds from any Class A Advance shall be deposited into the Series 2021-A Principal Collection Account.

B. A Class A Delayed Funding Purchaser that delivered a Class A Delayed Funding Notice in respect of a Class A Delayed Amount shall be obligated to fund such Class A Delayed Amount on the related Class A Delayed Funding Date in the manner set forth in the next succeeding sentence, irrespective of whether the Series 2021-A Commitment Termination Date shall have occurred on or prior to such Class A Delayed Funding Date or HVF III would be able to satisfy the Class A Funding Conditions on such Class A Delayed Funding Date. Such Class A Delayed Funding Purchaser shall (i) pay the sum of the Class A Second Delayed Funding Notice Amount related to such Class A Delayed Amount, if any, to HVF III no later than 2:00 p.m. (New York time) on the related Class A Delayed Funding Date by wire transfer in U.S. dollars in same day funds to the Series 2021-A Principal Collection Account, and (ii) pay the Class A Delayed Funding Reimbursement Amount related to such Class A Delayed Amount, if any, on such related Class A Delayed Funding Date to each applicable Class A Funding Agent in immediately available funds for the ratable benefit of the related Class A Available Delayed Amount Purchasers that funded the Class A Delayed Amount on the date of the Advance related to such Class A Delayed Amount in accordance with Section 2.2(a)(v)(B) (*Class A Delayed Funding Procedures*), based on the relative amount of such Class A Delayed Amount funded by such Class A Available Delayed Amount Purchaser on the date of such Class A Advance pursuant to Section 2.2(a)(v)(B) (*Class A Delayed Funding Procedures*).

(vii) Class A Funding Defaults. If, by 2:00 p.m. (New York City time) on the date of any Class A Advance, one or more Class A Committed Note Purchasers in a Class A Investor Group (each, a "Class A Defaulting Committed Note Purchaser," and each Class A Committed Note Purchaser in the related Class A Investor Group that is not a Class A Defaulting Committed Note Purchaser, a "Class A Non-Defaulting Committed Note Purchaser") fails to make its portion of such Class A Advance, available to HVF III pursuant to Section 2.2(a)(vi) (*Funding Class A Advances*) (the aggregate amount unavailable to HVF III as a result of any such failure being herein called a "Class A Advance Deficit"), then the Class A Funding Agent for such Class A Investor Group, by no later than 2:30 p.m. (New York City time) on the applicable date of such Class A Advance, shall instruct each Class A Non-Defaulting Committed Note Purchaser in the same Class A Investor Group as the Class A Defaulting Committed Note Purchaser to pay, by no later than 3:00 p.m. (New York City time), in immediately available funds, to the Series 2021-A Principal Collection Account, an amount equal to the lesser of (i) such Class A Non-Defaulting Committed Note Purchaser's pro rata portion (based upon the relative Class A Committed Note Purchaser Percentage of such Class A Non-Defaulting Committed Note Purchasers) of the Class A Advance Deficit and (ii) the amount by which such Class A Non-Defaulting Committed Note Purchaser's pro rata portion (by Class A Committed Note Purchaser Percentage) of the Class A Maximum Investor Group Principal Amount for such Class A Investor Group exceeds the portion of the Class A Investor Group Principal Amount for such Class A Investor Group funded by such Class A Non-Defaulting Committed Note Purchaser (determined after giving effect to all Class A Advances already made by such Class A Investor Group on such date). Subject to Section 1.3 (*Acknowledgement and Consent to Bail-In of Affected Financial Institutions*), a Class A Defaulting Committed Note Purchaser shall forthwith, upon demand, pay to the applicable Class A Funding Agent for the ratable benefit of the Class A Non-Defaulting Committed Note Purchasers all amounts paid by each such Class A Non-Defaulting Committed Note Purchaser on behalf of such Class A Defaulting Committed Note Purchaser, together with interest thereon, for each day from the date a payment was made by a Class A Non-Defaulting Committed Note Purchaser until the date such Class A Non-Defaulting Committed Note Purchaser has been paid such amounts in full, at a rate per annum equal to the sum of the Base Rate plus 0.50% per annum. For the avoidance of doubt, no Class A Delayed Funding Purchaser that has provided a Class A Delayed Funding Notice in respect of a Class A Advance shall be considered to be in default of its obligation to fund its Class A Delayed Amount or be treated as a Class A Defaulting Committed Note Purchaser hereunder unless and until it has failed to fund the Class A Delayed Funding Reimbursement Amount or the Class A Second Delayed Funding Notice Amount on the related Class A Delayed Funding Date in accordance with Section 2.2(a)(vi)(B) (*Funding Class A Advances*).

(b) Initial Advances on the Series 2021-A Closing Date.

(i) Subject to the satisfaction or waiver by the Required Unanimous Controlling Class Series 2021-A Noteholders of the conditions precedent set forth in Section 6.3 (*Closing Conditions*), on the Series 2021-A Closing Date, (i) each Class A Investor Group with respect to which the entity listed on Schedule VI is a Class A Committed Note Purchaser shall pay or cause to be paid, in accordance with Section 2.2(a) (*Class A Advances*), the amount specified opposite such Class A Committed Note Purchaser on Schedule VI as if such specified amount was a Class A Advance and (ii) the Class RR Committed Note Purchaser shall pay or cause to be paid the amount specified opposite the Class RR Committed Note Purchaser on Schedule V (the funding of such amounts, collectively, the "Initial Advances"), in each case, to the Trustee for deposit into the Series 2021-A Principal Collection Account, and the Trustee shall hold the proceeds of such Initial Advances on deposit in the Series 2021-A Principal Collection Account in trust for the Series 2021-A Noteholders and shall not release such funds to, or as directed by, the Issuer. Until such time as the proceeds of the Initial Advances are disbursed in accordance with the provisions of Section 2.2(b)(ii) or (iii), the proceeds of the Initial Advances shall remain uninvested in the Series 2021-A Principal Collection Account.

(ii) On the Chapter 11 Exit Date, upon the satisfaction or waiver by the Required Unanimous Controlling Class Series 2021-A Noteholders of the Conditions Subsequent to Funding, and written notice thereof by the Required Unanimous Class Controlling Series 2021-A Noteholders to the Trustee, the Trustee shall promptly apply the proceeds of the Initial Advances to fund the purchase of Eligible Vehicles from Hertz Vehicles Financing LLC pursuant to the HVF Purchase Agreement and Hertz Vehicles Interim Financing LLC pursuant to the HVIF Purchase Agreement, on behalf of HVF III, pursuant to the written instructions delivered by HVF III (or the Administrator on its behalf) to the Trustee on or prior to the Series 2021-A Closing Date.

(iii) Notwithstanding anything to the contrary in this Series 2021-A Supplement or any other Series 2021-A Related Document, if the Required Unanimous Class Controlling Series 2021-A Noteholders have not provided notice to the Trustee that the Conditions Subsequent to Funding have been satisfied or waived by the Required Unanimous Controlling Class Series 2021-A Noteholders on or before 8:30 a.m. (New York City time) on the Chapter 11 Exit Date, the Trustee is hereby directed to, and shall, promptly, but not later than 12:00 noon (New York City time) on the Chapter 11 Exit Date, return to each Series 2021-A Noteholder the amount funded by such Series 2021-A Noteholder with its Initial Advances, together with a pro rata share of any accrued interest thereon at the Class A Note Rate, Class B Note Rate or Class RR Note Rate, as applicable, unless otherwise directed in writing by the Required Unanimous Controlling Class Series 2021-A Noteholders.

(iv) HVF III agrees and acknowledges that it has no right to, and disclaims any interest in, the funds held in the Series 2021-A Principal Account on the Chapter 11 Exit Date unless and until the conditions set forth on Schedule VIII have been satisfied or expressly waived.

(c) Class B Advances. The issuance of any Class B Additional Series 2021-A Notes shall be on the terms and subject to the conditions agreed by HVF III and the holders/potential holders of such Class B Notes.

Section 2.3. Procedure for Decreasing the Principal Amount.

(a) Principal Decreases. Subject to the terms of this Series 2021-A Supplement, the aggregate principal amount of the Series 2021-A Notes may be decreased from time to time.

(b) Mandatory Decrease.

(i) Obligation to Decrease Class A Notes. If any Class A Excess Principal Event shall have occurred and be continuing, then, within five (5) Business Days following HVF III's discovery of such Class A Excess Principal Event, HVF III shall withdraw from the Series 2021-A Principal Collection Account an amount equal to the lesser of (x) the amount then on deposit in such account and available for distribution to effect a reduction in the Class A Principal Amount pursuant to Section 5.2(c) (*Application of Funds in the Series 2021-A Principal Collection Account*), and (y) the amount necessary so that, after giving effect to all Class A Voluntary Decreases prior to such date, no such Class A Excess Principal Event shall exist, and distribute the lesser of such (x) and (y) to the Class A Noteholders in respect of principal of the Class A Notes to make a reduction in the Class A Principal Amount in accordance with Section 5.2 (*Application of Funds in the Series 2021-A Principal Collection Account*) (each reduction of the Class A Principal Amount pursuant to this clause (i), a "Class A Mandatory Decrease" and the amount of each such reduction, the "Class A Mandatory Decrease Amount").

(ii) Breakage. Subject to and in accordance with Section 3.6 (*Funding Losses*), with respect to each Class A Mandatory Decrease, HVF III shall reimburse each Class A Investor Group on the next succeeding Payment Date for any associated breakage costs payable as a result of such Class A Mandatory Decrease.

(iii) Notice of Mandatory Decrease. Upon discovery of any Class A Excess Principal Event, HVF III, within two (2) Business Days of such discovery, shall deliver written notice of any related Class A Mandatory Decreases, any related Class A Mandatory Decrease Amount and the date of any such Class A Mandatory Decrease to the Trustee and each Class A Noteholder.

(c) Voluntary Decrease.

(i) Procedures for Class A Voluntary Decrease. On any Business Day, upon at least three (3) Business Day's prior notice to each Class A Noteholder, each Class A Conduit Investor, each Class A Committed Note Purchaser and the Trustee, HVF III may decrease the Class A Principal Amount in whole or in part (each such reduction of the Class A Principal Amount pursuant to this Section 2.3(c)(i) (*Procedures for Class A Voluntary Decrease*), a "Class A Voluntary Decrease") by withdrawing from the Series 2021-A Principal Collection Account an amount up to the sum of all amounts then on deposit in such account and available for distribution to effect a Class A Voluntary Decrease pursuant to Section 5.2 (*Application of Funds in the Series 2021-A Principal Collection Account*), and distributing the amount of such withdrawal (such amount, the "Class A Voluntary Decrease Amount") to the Class A Noteholders as specified in Section 5.2 (*Application of Funds in the Series 2021-A Principal Collection Account*). Each such notice shall set forth the date of such Class A Voluntary Decrease, the related Class A Voluntary Decrease Amount, whether HVF III is electing to pay any Class A Terminated Purchaser in connection with such Class A Voluntary Decrease, and the amount to be paid to such Class A Terminated Purchaser (if any).

(ii) Breakage. Subject to and in accordance with Section 3.6 (*Funding Losses*), with respect to each Class A Voluntary Decrease, HVF III shall reimburse each Class A Investor Group on the next succeeding Payment Date for any associated breakage costs payable as a result of such Class A Voluntary Decrease.

(d) Voluntary Decrease Minimum Denominations. Each such Class A Voluntary Decrease shall be, in the aggregate for all Class A Notes, in a minimum principal amount of $2,500,000 and integral multiples of $100,000 in excess thereof unless such Class A Voluntary Decrease is allocated to pay any Class A Investor Group Principal Amount in full.

Section 2.4. Funding Agent Register.

(a) On each date of a Class A Advance or Class A Decrease hereunder, a duly authorized officer, employee or agent of the related Class A Funding Agent shall make appropriate notations in its books and records of the amount of such Class A Advance or Class A Decrease, as applicable. HVF III hereby authorizes each duly authorized officer, employee and agent of such Class A Funding Agent to make such notations on the books and records as aforesaid and every such notation made in accordance with the foregoing authority shall be *prima facie* evidence of the accuracy of the information so recorded and shall be binding on HVF III absent manifest error; provided, however, that in the event of a discrepancy between the books and records of such Class A Funding Agent and the records maintained by the Trustee pursuant to this Series 2021-A Supplement, such discrepancy shall be resolved by such Class A Funding Agent and the Program Agent and the Trustee shall be directed by the Program Agent to update its records accordingly.

(b) On the date of the Class B Advance hereunder, a duly authorized officer, employee or agent of the related Class B Funding Agent shall make appropriate notations in its books and records of the amount of the Class B Advance. HVF III hereby authorizes each duly authorized officer, employee and agent of such Class B Funding Agent to make such notations on the books and records as aforesaid and every such notation made in accordance with the foregoing authority shall be *prima facie* evidence of the accuracy of the information so recorded and shall be binding on HVF III absent manifest error; provided, however, that in the event of a discrepancy between the books and records of such Class B Funding Agent and the records maintained by the Trustee pursuant to this Series 2021-A Supplement, such discrepancy shall be resolved by such Class B Funding Agent and the Program Agent and the Trustee shall be directed by the Program Agent to update its records accordingly.

(c) On the date of the Class RR Advance hereunder, a duly authorized officer, employee or agent of the Class RR Committed Note Purchaser shall make appropriate notations in its books and records of the amount of such Class RR Advance. (i) HVF III, upon three (3) Business Days' notice to the Program Agent, each Class A Funding Agent, each Class A Conduit Investor and each Class A Committed Note Purchaser, may effect a permanent reduction (but without prejudice to HVF III's right to effect a Class A Investor Group Maximum Principal Increase with respect to any Class A Investor Group or add any Class A Additional Investor Group in the future, in each case in accordance with Section 2.1 (*Initial Purchase; Additional Series 2021-A Notes*)) of the Class A Maximum Principal Amount and a corresponding reduction of each Class A Maximum Investor Group Principal Amount; provided that, with respect to any such reduction effected pursuant to this clause (i),

A. any such reduction shall be limited to the undrawn portion of the Class A Maximum Principal Amount, although any such reduction may be combined with a Class A Decrease effected pursuant to and in accordance with Section 2.3 (*Procedure for Decreasing the Principal Amount*) and in a minimum amount of $100.0 million; provided that, solely for the purposes of this Section 2.5(a)(i)(A) (*Reduction of Class A Maximum Principal Amount*), such undrawn portion of the Class A Maximum Principal Amount shall not include any then unfunded Class A Delayed Amounts relating to any Class A Advance the notice with respect to which HVF III shall not have revoked as of the date of such reduction, and

B. after giving effect to such reduction, the Class A Maximum Principal Amount equals or exceeds $250.0 million, unless reduced to zero.

(ii) Any reduction made pursuant to this Section 2.5(a) (*Reduction of Class A Maximum Principal Amount*) shall be made ratably among the Class A Investor Groups on the basis of their respective Class A Maximum Investor Group Principal Amounts. No later than one Business Day following any reduction of the Class A Maximum Principal Amount becoming effective, the Program Agent shall revise Schedule II to reflect such reduction, which revision, for the avoidance of doubt, shall not require the consent of the Trustee or any Series 2021-A Noteholder.

(i) HVF III, upon three (3) Business Days' notice to the Program Agent, each Class B Funding Agent, each Class B Conduit Investor and each Class B Committed Note Purchaser, may effect a reduction (but without prejudice to HVF III's right to effect a Class B Investor Group Principal Increase with respect to any Class B Investor Group or add any Class B Additional Investor Group in the future, in each case in accordance with Section 2.1 (*Initial Purchase; Additional Series 2021-A Notes*)) of the Class B Principal Amount and a corresponding reduction of each Class B Investor Group Principal Amount; provided that, with respect to any such reduction effected pursuant to this clause (i),

A. any such reduction must be in a minimum amount of $25.0 million,

(a) Term. The "Term" of the Commitments hereunder shall be for a period commencing on the date hereof and ending on the Series 2021-A Commitment Termination Date.

(b) Requests for Extensions. HVF III may request, (i) through the Program Agent, that each Funding Agent, for the account of the related Investor Group, and (ii) that the Class RR Committed Note Purchaser, consents to an extension of the Series 2021-A Commitment Termination Date for such period as HVF III may specify (the "Extension Length"), which consent will be granted or withheld by each Funding Agent, on behalf of the related Investor Group, or the Class RR Committed Note Purchaser, in each case, in its sole discretion.

(c) Procedures for Extension Consents. Upon receipt of any request described in clause (b) above, the Program Agent shall promptly notify each Funding Agent thereof, each of which Funding Agents shall notify each Conduit Investor, if any, and each Committed Note Purchaser in its Investor Group thereof. Not later than the first Business Day following the 30th day after such request for an extension (such period, the "Election Period"), each Committed Note Purchaser shall notify HVF III and each Committed Note Purchaser (other than the Class RR Committed Note Purchaser) shall notify the Program Agent of its willingness or refusal to consent to such extension and each Conduit Investor shall notify the Funding Agent for its Investor Group of its willingness or refusal to consent to such extension, and such Funding Agent shall notify HVF III and the Program Agent of such willingness or refusal by each such Conduit Investor (any such Conduit Investor or Committed Note Purchaser that refuses to consent to such extension, a "Non-Extending Purchaser"). Any Committed Note Purchaser (other than the Class RR Committed Note Purchaser) that does not expressly notify HVF III and the Program Agent that it is willing to consent to an extension of the Series 2021-A Commitment Termination Date during the applicable Election Period and each Conduit Investor that does not expressly notify such Funding Agent that it is willing to consent to an extension of the Series 2021-A Commitment Termination Date during the applicable Election Period shall be deemed to be a Non-Extending Purchaser; provided that, if the Class RR Committed Note Purchaser fails to so consent to an extension of the Series 2021-A Commitment Termination Date, no other such consent received from any other Committed Note Purchaser or any Conduit Investor shall be given effect. If a Committed Note Purchaser or a Conduit Investor has agreed to extend its Series 2021-A Commitment Termination Date, and, at the end of the applicable Election Period no Amortization Event shall be continuing with respect to the Series 2021-A Notes, then the Series 2021-A Commitment Termination Date for the Class RR Committed Note Purchaser and for such Committed Note Purchaser or Conduit Investor then in effect shall be extended to the date that is the last day of the Extension Length (which shall begin running on the day after the then-current Series 2021-A Commitment Termination Date); provided that, no such extension to the Series 2021-A Commitment Termination Date shall become effective until (i) the termination of each Non-Extending Purchaser's commitment, if any, (ii) on the date of any such termination with respect to a Class A Investor Group, the prepayment in full of each such Non-Extending Purchaser's portion of the Class A Investor Group Principal Amount for such Non-Extending Purchaser's Class A Investor Group and all accrued and unpaid interest thereon, if any, in each case, in accordance with Section 9.2 (*Replacement of Investor Group*) and (iii) on the date of any such termination with respect to a Class B Investor Group, the prepayment in full of each such Non-Extending Purchaser's portion of the Class B Investor Group Principal Amount for such Non-Extending Purchaser's Class B Investor Group and all accrued and unpaid interest thereon, if any, in each case, in accordance with Section 9.2 (*Replacement of Investor Group*).

(i) On each Payment Date, the Class A Monthly Interest Amount, the Class A Monthly Default Interest Amount, the Class B Monthly Interest Amount, the Class B Monthly Default Interest Amount, the Class RR Monthly Interest Amount and the Class RR Monthly Default Interest Amount, in each case, with respect to such Payment Date, shall be due and payable on such Payment Date in accordance with the provisions hereof.

(ii) If the amounts described in Section 5.3 (*Application of Funds in the Series 2021-A Interest Collection Account*) are insufficient to pay the Class A Monthly Interest Amount or the Class A Monthly Default Interest Amount for any Payment Date, payments of such Class A Monthly Interest Amount or Class A Monthly Default Interest Amount, as applicable and in each case, to the Class A Noteholders will be reduced on a pro rata basis (determined on the basis of the portion of such Class A Monthly Interest Amount or Class A Monthly Default Interest Amount, as applicable and in each case, payable to each such Class A Noteholder) by the amount of such insufficiency (the aggregate amount, if any, of such insufficiency on any Payment Date, the "Class A Deficiency Amount"), and interest shall accrue on any such Class A Deficiency Amount at the applicable Class A Note Rate. If the amounts described in Section 5.3 (*Application of Funds in the Series 2021-A Interest Collection Account*) are insufficient to pay the Class B Monthly Interest Amount or the Class B Monthly Default Interest Amount for any Payment Date, payments of such Class B Monthly Interest Amount or Class B Monthly Default Interest Amount, as applicable and in each case, to the Class B Noteholders will be reduced on a pro rata basis (determined on the basis of the portion of such Class B Monthly Interest Amount or Class B Monthly Default Interest Amount, as applicable and in each case, payable to each such Class B Noteholder) by the amount of such insufficiency (the aggregate amount, if any, of such insufficiency on any Payment Date, the "Class B Deficiency Amount"), and interest shall accrue on any such Class B Deficiency Amount at the applicable Class B Note Rate. If the amounts described in Section 5.3 (*Application of Funds in the Series 2021-A Interest Collection Account*) are insufficient to pay the Class RR Monthly Interest Amount or the Class RR Monthly Default Interest Amount for any Payment Date, payments of such Class RR Monthly Interest Amount or Class RR Monthly Default Interest Amount, as applicable and in each case, to the Class RR Committed Note Purchaser will be reduced by the amount of such insufficiency (the aggregate amount, if any, of such insufficiency on any Payment Date, the "Class RR Deficiency Amount"), and interest shall accrue on any such Class RR Deficiency Amount at the applicable Class RR Note Rate.

(d) Day Count and Business Day Convention. All computations of interest at the Class A CP Rate and the Eurodollar Rate (Reserve Adjusted) shall be made on the basis of a year of 360 days and the actual number of days elapsed and all computations of interest at the Base Rate shall be made on the basis of a 365 (or 366, as applicable) day year and actual number of days elapsed. Whenever any payment of interest or principal in respect of any Class A Advance shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the amount of interest owed.

(e) Funding Agent's Failure to Notify. With respect to any Class A Funding Agent that shall have failed to notify HVF III and the Administrator of the applicable Class A CP Rate for the Class A Advances made by its Class A Investor Group for the related Series 2021-A Interest Period by 11:00 a.m. (New York City time) on any Determination Date in accordance with Section 3.1(b)(i) (*Notice of Interest Rates*), on the first Payment Date occurring after the date on which such Class A Funding Agent provides such notice previously not provided in accordance with Section 3.1(b)(i) (*Notice of Interest Rates*) (or, if such notice is provided on any date occurring after a Determination Date and prior to the Payment Date immediately following such Determination Date, then the second Payment Date occurring after the date on which such Class A Funding Agent provides such notice previously not provided), such Class A Funding Agent shall pay to or at the direction of HVF III an amount equal to the excess, if any, of the amount actually paid by HVF III to or for the benefit of the Class A Noteholders in such Class A Funding Agent's Class A Investor Group as a result of the reversion to the Class A CP Fallback Rate in accordance with the definition of Class A CP Rate over the amount that should have been paid by HVF III to or for the benefit of the Class A Noteholders in such Class A Funding Agent's Class A Investor Group had all of the relevant information for the relevant Series 2021-A Interest Period been provided by such Class A Funding Agent to HVF III on a timely basis.

(f) CP True-Up Payment Amount. With respect to any Class A Funding Agent that shall have failed to notify HVF III and the Administrator of the applicable Class A CP Rate for the Class A Advances made by its Class A Investor Group for the related Series 2021-A Interest Period by 11:00 a.m. (New York City time) on any Determination Date in accordance with Section 3.1(b)(i) (*Notice of Interest Rates*), on the first Payment Date occurring after the date on which such Class A Funding Agent provides such notice previously not provided in accordance with Section 3.1(b)(i) (*Notice of Interest Rates*) (or, if such notice is provided on any date occurring after a Determination Date and prior to the Payment Date immediately following such Determination Date, then the second Payment Date occurring after the date on which such Class A Funding Agent provides such notice previously not provided), HVF III shall pay to or at the direction of the Class A Funding Agent for the benefit of the Class A Noteholders in such Class A Funding Agent's Class A Investor Group an amount equal to the excess, if any, of the amount that should have been paid by HVF III to or for the benefit of the Class A Noteholders in such Class A Funding Agent's Class A Investor Group had all of the relevant information for the relevant Series 2021-A Interest Period been provided by such Class A Funding Agent to HVF III on a timely basis over the amount actually paid by HVF III to or for the benefit of such Class A Noteholders as a result of the reversion to the Class A CP Fallback Rate in accordance with the definition of Class A CP Rate (such excess with respect to such Class A Funding Agent, the "Class A CP True-Up Payment Amount"). For the avoidance of doubt, Class A CP True-Up Payment Amounts, if any, shall be paid in accordance with Section 5.3 (*Application of Funds in the Series 2021-A Interest Collection Account*) as a component of the Class A Monthly Interest Amount.

Section 3.2. Fees.

(a) Program Agent Fees. On each Payment Date, HVF III shall pay to the Program Agent the applicable Program Agent Fee due for such Payment Date.

(b) Up-Front Fees. On the Chapter 11 Exit Date, HVF III shall pay 0.30% of each Committed Note Purchasers' Class A Commitment as of the Series 2021-A Closing Date to each Funding Agent for the account of the related Committed Note Purchaser (each such fee, an "Class A Up-Front Fee.")

(c) Arrangement, Commitment and Structuring Fees. On the Chapter 11 Exit Date, HVF III shall pay the additional fees set forth in each Class A Fee Letter.

Section 3.3. Eurodollar Lending Unlawful.

(a) If a Class A Conduit Investor, a Class A Committed Note Purchaser or any Class A Program Support Provider (each such person, a "Class A Affected Person") shall reasonably determine (which determination, upon notice thereof to the Program Agent and the related Class A Funding Agent and HVF III, shall be conclusive and binding on HVF III absent manifest error) that the introduction of or any change in or in the interpretation of any law, rule or regulation makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for any such Class A Affected Person to make, continue, or maintain any Class A Advance as, or to convert any Class A Advance into, the Class A Eurodollar Tranche, the obligation of such Class A Affected Person to make, continue or maintain any such Class A Advance as, or to convert any such Class A Advance into, the Class A Eurodollar Tranche, upon such determination, shall forthwith be suspended until such Class A Affected Person shall notify the related Class A Funding Agent and HVF III that the circumstances causing such suspension no longer exist, and such Class A Investor Group shall immediately convert the portion of the Class A Eurodollar Tranche funded by each such Class A Affected Person, into the Class A Base Rate Tranche at the end of the then-current Eurodollar Interest Periods with respect thereto or sooner, if required by such law or assertion.

Section 3.4. Deposits Unavailable.

(a) If a Class A Conduit Investor, a Class A Committed Note Purchaser or the related Class A Majority Program Support Providers shall have reasonably determined that:

(i) Dollar deposits in the relevant amount and for the relevant Eurodollar Interest Period are not available to all the related Reference Lenders in the relevant market;

(ii) by reason of circumstances affecting all the related Reference Lenders' relevant market, adequate means do not exist for ascertaining the interest rate applicable hereunder to the Class A Eurodollar Tranche; or

(iii) such Class A Conduit Investor, such Class A Committed Note Purchaser or the related Class A Majority Program Support Providers have notified the related Class A Funding Agent and HVF III that, with respect to any interest rate otherwise applicable hereunder to the Class A Eurodollar Tranche, the Eurodollar Interest Period for which has not then commenced, such interest rate will not adequately reflect the cost to such Class A Conduit Investor, such Class A Committed Note Purchaser or such Class A Majority Program Support Providers of making, funding, agreeing to make or fund or maintaining their respective portion of such Class A Eurodollar Tranche for such Eurodollar Interest Period,

then, upon notice from such Class A Conduit Investor, such Class A Committed Note Purchaser or the related Class A Majority Program Support Providers to such Class A Funding Agent and HVF III, the obligations of such Class A Conduit Investor, such Class A Committed Note Purchaser and all of the related Class A Program Support Providers to make or continue any Class A Advance as, or to convert any Class A Advances into, the Class A Eurodollar Tranche shall forthwith be suspended until such Class A Funding Agent shall notify HVF III that the circumstances causing such suspension no longer exist, and such Class A Investor Group shall immediately convert the portion of the Class A Eurodollar Tranche funded by each such Class A Conduit Investor or Class A Committed Note Purchaser into the Class A Base Rate Tranche at the end of the then current Eurodollar Interest Periods with respect thereto or sooner, if required for the reasons set forth in clause (i), (ii) or (iii) above, as the case may be.

Section 3.5. Increased or Reduced Costs, etc. HVF III agrees to reimburse each Class A Affected Person for any increase in the cost of, or any reduction in the amount of any sum receivable by any such Class A Affected Person in respect of making, continuing or maintaining (or of its obligation to make, continue or maintain) any Class A Advances as, or of converting (or of its obligation to convert) any Class A Advances into, the Class A Eurodollar Tranche that arise in connection with any Changes in Law, , except for any such Changes in Law with respect to increased capital costs and taxes, which shall be governed by Sections 3.7 (*Increased Capital Costs*) and 3.8 (*Taxes*), respectively. Each such demand shall be provided to the related Funding Agent and HVF III in writing and shall state, in reasonable detail, the reasons therefor and the additional amount required fully to compensate such Affected Person for such increased cost or reduced amount or return. Such additional amounts shall be payable by HVF III to such Funding Agent and by such Funding Agent directly to such Affected Person on the Payment Date immediately following HVF III's receipt of such notice, and such notice, in the absence of manifest error, shall be conclusive and binding on HVF III.

Section 3.6. Funding Losses. In the event any Affected Person shall incur any loss or expense (including, for the avoidance of doubt, any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Affected Person to make, continue or maintain any portion of the principal amount of any Class A CP Tranche or Class A Eurodollar Tranche, to convert any portion of the principal amount of any Class A Advance not in the Class A CP Tranche into the Class A CP Tranche or not in the Class A Eurodollar Tranche into the Class A Eurodollar Tranche as a result of:

(i) any conversion or repayment or prepayment (for any reason, including as a result of the acceleration of the maturity of any portion of the Class A CP Tranche or Class A Eurodollar Tranche in connection with any Class A Decrease, pursuant to Section 2.3 (*Procedure for Decreasing the Principal Amount*) or any optional repurchase of the Class A Notes, as applicable, pursuant to Section 10.1 (*Authorization and Action of the Program Agent*) or otherwise, or the assignment thereof in accordance with the requirements of the applicable Class A Program Support Agreement) of the principal amount of any portion of the Class A CP Tranche or Class A Eurodollar Tranche , as applicable, on a date other than a Payment Date;

(ii) any Class A Advance not being made as part of the Class A CP Tranche or Class A Eurodollar Tranche, as applicable, after a request for such a Class A Advance has been made in accordance with the terms contained herein;

(iii) any Class A Advance not being continued as part of the Class A CP Tranche or Class A Eurodollar Tranche, as applicable, or converted into a Class A Advance under the Class A Eurodollar Tranche, after a request for such a Class A Advance has been made in accordance with the terms contained herein;

(iv) any failure of HVF III to make a Class A Decrease after giving notice thereof pursuant to Section 2.3(b) (*Mandatory Decrease*) or Section 2.3(c) (*Voluntary Decrease*),

then, upon the written notice (which shall include calculations in reasonable detail) by any Affected Person to the related Funding Agent and HVF III, which written notice shall be conclusive and binding on HVF III (in the absence of manifest error), HVF III shall pay to such Funding Agent and such Funding Agent shall, on the next succeeding Payment Date, pay directly to such Affected Person such amount as will (in the reasonable determination of such Affected Person) reimburse such Affected Person for such loss or expense; provided that, the maximum amount payable by HVF III to any Affected Person in respect of any losses or expenses that result from any conversion, repayment or prepayment described in clause (i) above shall be the amount HVF III would be obligated to pay pursuant to clause (i) above if such conversion, repayment or prepayment were scheduled to have been paid on the next succeeding Payment Date; provided further that, in no event shall any amount be payable by HVF III to any Affected Person pursuant to this Section 3.6 (*Funding Losses*) as a result of any conversion, repayment, prepayment or non-payment with respect to any Class A CP Tranche unless (i) the amount of such conversion, repayment, prepayment or non-payment exceeds $100,000,000 with respect to such Affected Person and (ii) such Affected Person shall have received less than five (5) Business Days' written notice from HVF III of such conversion, repayment, prepayment or non-payment, as the case may be.

Section 3.7. Increased Capital Costs. If any Change in Law affects or would affect the amount of capital required or reasonably expected to be maintained by any Affected Person or any Person controlling such Affected Person and such Affected Person reasonably determines that the rate of return on its or such controlling Person's capital as a consequence of its commitment or the Class A Advances made by such Affected Person hereunder is reduced to a level below that which such Affected Person or such controlling Person would have achieved but for the occurrence of any such Change in Law, then, in any such case after notice from time to time by such Affected Person to the related Funding Agent and HVF III, HVF III shall pay to such Funding Agent and such Funding Agent shall pay to such Affected Person an incremental commitment fee, payable on each Payment Date, sufficient to compensate such Affected Person or such controlling Person for such reduction in rate of return to the extent that the increased costs for which such Affected Person is being compensated are allocable to the existence of such Affected Person's Class A Advances or Class A Commitment, as applicable, hereunder. A statement of such Affected Person as to any such additional amount or amounts (including calculations thereof in reasonable detail), in the absence of manifest error, shall be conclusive and binding on HVF III; provided that, the initial payment of such increased commitment fee shall include a payment for accrued amounts due under this Section 3.7 (*Increased Capital Costs*) prior to such initial payment.

Section 3.8. Taxes.

(a) All payments by HVF III of principal of, and interest on, the Class A Advances and all other amounts payable hereunder (including fees) shall be made free and clear of and without deduction for any present or future income, excise, documentary, property, stamp or franchise taxes and other taxes, fees, duties, withholdings or other charges of any nature whatsoever imposed by any taxing authority, but excluding in the case of any Affected Person (x) net income, franchise or similar taxes (including branch profits taxes or alternative minimum tax) imposed or levied on the Affected Person as a result of a connection between the Affected Person and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising from such Affected Person having executed, delivered or performed its obligations or received a payment under, or enforced by, this Series 2021-A Supplement), (y) with respect to any Affected Person organized under the laws of the jurisdiction other than the United States ("Foreign Affected Person"), any withholding tax that is imposed on amounts payable to the Foreign Affected Person at the time the Foreign Affected Person becomes a party to (or acquires a Participation in) this Series 2021-A Supplement (or designates a new lending office), except to the extent that such Foreign Affected Person (or its assignor, if any) was already entitled, at the time of the designation of the new lending office (or assignment), to receive additional amounts from HVF III with respect to withholding tax and (z) United States federal withholding taxes that would not have been imposed but for a failure by an Affected Person (or any financial institution through which any payment is made to such Affected Person) to comply with the requirements of current Sections 1471-1474 of the Code, any current or future regulations or official interpretations thereof, any agreements entered into pursuant to Section 1471(b)(1) of the Code, any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement or treaty among Governmental Authorities and published administrative guidance, in each case implementing such Sections of the Code (such non-excluded items being called "Taxes").

(b) Moreover, if any Taxes are directly asserted against any Affected Person with respect to any payment received by such Affected Person or its agent from HVF III, such Affected Person or its agent may pay such Taxes and HVF III will promptly upon receipt of written notice stating the amount of such Taxes pay such additional amounts (including any penalties, interest or expenses) as is necessary in order that the net amount received by such person after the payment of such Taxes (including any Taxes on such additional amount) shall equal the amount such person would have received had no such Taxes been asserted.

(c) If HVF III fails to pay any Taxes when due to the appropriate taxing authority or fails to remit to the Affected Person or its agent the required receipts or other required documentary evidence, HVF III shall indemnify the Affected Person and their agent for any incremental Taxes, interest or penalties that may become payable by any such Affected Person or its agent as a result of any such failure. For purposes of this Section 3.8 (*Taxes*), a distribution hereunder by the agent for the relevant Affected Person shall be deemed a payment by HVF III.

(d) Each Foreign Affected Person shall execute and deliver to HVF III, prior to the initial due date of any payments hereunder and to the extent permissible under then current law, and on or about the first scheduled payment date in each calendar year thereafter, one or more (as HVF III may reasonably request) United States Internal Revenue Service Forms W-8BEN, Forms W-8BEN-E, Forms W-8ECI or Forms W 9, or successor applicable forms, or such other forms or documents (or successor forms or documents), appropriately completed, as may be applicable to establish the extent, if any, to which a payment to such Affected Person is exempt from withholding or deduction of Taxes. HVF III shall not, however, be required to pay any increased amount under this Section 3.8 (*Taxes*) to any Affected Person that is organized under the laws of a jurisdiction other than the United States if such Affected Person fails to comply with the requirements set forth in this paragraph.

(e) If the Affected Person determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.8 (*Taxes*), it shall pay over such refund to HVF III (but only to the extent of amounts paid under this Section 3.8 (*Taxes*) with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the Affected Person and without interest (other than any interest paid by the relevant governmental authority with respect to such refund), provided that HVF III, upon the request of the Affected Person, agrees to repay the amount paid over to HVF III (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Affected Person in the event the Affected Person is required to repay such refund to such governmental authority. This Section 3.8 (*Taxes*) shall not be construed to require the Affected Person to make available its tax returns (or any other information relating to its taxes that it deems confidential) to HVF III or any other Person.

Section 3.9. Series 2021-A Carrying Charges; Survival. Any amounts payable by HVF III under the Specified Cost Sections shall constitute Series 2021-A Carrying Charges. The agreements in the Specified Cost Sections and Section 3.10 (*Minimizing Costs and Expenses and Equivalent Treatment*) shall survive the termination of this Series 2021-A Supplement and the Base Indenture and the payment of all amounts payable hereunder and thereunder.

Section 3.10. Minimizing Costs and Expenses and Equivalent Treatment.

(a) Each Affected Person shall be deemed to have agreed that it shall, as promptly as practicable after it becomes aware of any circumstance referred to in any Specified Cost Section, use commercially reasonable efforts (to the extent not inconsistent with its internal policies of general application) to minimize the costs, expenses, taxes or other liabilities incurred by it and payable to it by HVF III pursuant to such Specified Cost Section.

(b) In determining any amounts payable to it by HVF III pursuant to any Specified Cost Section, each Affected Person shall treat HVF III the same as or better than all similarly situated Persons (as determined by such Affected Person in its reasonable discretion) and such Affected Person may use any method of averaging and attribution that it (in its reasonable discretion) shall deem applicable so long as it applies such method to other similar transactions, such that HVF III is treated the same as, or better than, all such other similarly situated Persons with respect to such other similar transactions.

Section 3.11. Timing Threshold for Specified Cost Sections. Notwithstanding anything in this Series 2021-A Supplement to the contrary, HVF III shall not be under any obligation to compensate any Affected Person pursuant to any Specified Cost Section in respect of any amount otherwise owing pursuant to any Specified Cost Section that arose during any period prior to the date that is 180 days prior to such Affected Person's obtaining knowledge thereof, except that the foregoing limitation shall not apply to any increased costs arising out of the retroactive application of any Change in Law within such 180-day period. If, after the payment of any amounts by HVF III pursuant to any Specified Cost Section, any applicable law, rule or regulation in respect of which a payment was made is thereafter determined to be invalid or inapplicable to such Affected Person, then such Affected Person, within sixty (60) days after such determination, shall repay any amounts paid to it by HVF III hereunder in respect of such Change in Law.

Section 3.12. JPMorgan as Lender. JPMorgan Chase Bank, N.A. ("JPMorgan") hereby notifies the Issuer that: (i) JPMorgan and/or its affiliates may from time to time purchase, hold or sell, as principal and/or agent, commercial paper issued by Chariot Funding, LLC; (ii) JPMorgan and/or its affiliates act as Funding Agent for Chariot Funding, LLC, and as Funding Agent JPMorgan manages Chariot Funding, LLC's issuance of commercial paper, including the selection of amount and tenor of commercial paper issuance, and the discount or interest rate applicable thereto; (iii) JPMorgan and/or its affiliates act as a commercial paper dealer for Chariot Funding, LLC; and (iv) JPMorgan's activities as Funding Agent and commercial paper dealer for Chariot Funding, LLC, and as a purchaser or seller of commercial paper, impact the interest or discount rate applicable to the commercial paper issued by Chariot Funding, LLC, which impact the Class A CP Rate paid by the Issuer hereunder. By execution hereof, the Issuer hereby (x) acknowledges the foregoing and agrees that JPMorgan does not warrant or accept any responsibility for, and shall not have any liability with respect to, the interest or discount rate paid by Chariot Funding, LLC in connection with its commercial paper issuance; (y) acknowledges that the discount or interest rate at which JPMorgan and/or its affiliates purchase or sell commercial paper will be determined by JPMorgan and/or its affiliates in their sole discretion and may differ from the discount or interest rate applicable to comparable transactions entered into by JPMorgan and/or its affiliates on the relevant date; and (z) waives any conflict of interest arising by reason of JPMorgan and/or its affiliates acting as Funding Agent and commercial paper dealer for Chariot Funding, LLC while acting as purchaser or seller of commercial paper.

Section 4.2. Series 2021-A Accounts. With respect to the Series 2021-A Notes only, the following shall apply:

(a) Establishment of Series 2021-A Accounts.

(i) HVF III shall establish and maintain in the name of, and under the control of, the Trustee for the benefit of the Series 2021-A Noteholders three securities accounts: the Series 2021-A Principal Collection Account (such account, the "Series 2021-A Principal Collection Account"), the Series 2021-A Interest Collection Account (such account, the "Series 2021-A Interest Collection Account") and the Series 2021-A Reserve Account (such account, the "Series 2021-A Reserve Account").

(c) Administration of the Series 2021-A Accounts.

(i) HVF III may instruct (by standing instructions or otherwise) any institution maintaining any Series 2021-A Accounts to invest funds on deposit in such Series 2021-A Account from time to time in Permitted Investments in the name of the Trustee or the Securities Intermediary and Permitted Investments shall be credited to the applicable Series 2021-A Account; provided, however, that:

(d) Earnings from Series 2021-A Accounts. second, to HVF III any remaining amounts.

Section 4.3. Trustee as Securities Intermediary.

(a) With respect to each Series 2021-A Account, the Trustee or other Person maintaining such Series 2021-A Account shall be the "securities intermediary" (as defined in Section 8-102(a)(14) of the New York UCC and a "bank" (as defined in Section 9-102(a)(8) of the New York UCC), in such capacities, the "Securities Intermediary") with respect to such Series 2021-A Account. If the Securities Intermediary in respect of any Series 2021-A Account is not the Trustee, HVF III shall obtain the express agreement of such Person to the obligations of the Securities Intermediary set forth in this Section 4.3 (*Trustee as Securities Intermediary*).

Section 4.4. Series 2021-A Interest Rate Caps.

(a) Requirement to Obtain Series 2021-A Interest Rate Caps.

(i) On or prior to July 30, 2021, HVF III shall acquire one or more Series 2021-A Interest Rate Caps from Eligible Interest Rate Cap Providers with an aggregate notional amount at least equal to the sum of the Class A Maximum Principal Amount and if the Class B Notes are issued at a floating rate, the Class B Principal Amount as of such date. The Series 2021-A Interest Rate Caps shall provide, in the aggregate, that the aggregate notional amount of all Series 2021-A Interest Rate Caps shall amortize such that the aggregate notional amount of all Series 2021-A Interest Rate Caps, as of any date of determination, shall be equal to or greater than the product of (a) the sum of the Class A Maximum Principal Amount and the Class B Principal Amount as of the earlier of such date and the Expected Final Payment Date and (b) the percentage set forth on Schedule III corresponding to such date, and HVF III shall maintain, and, if necessary, amend existing Series 2021-A Interest Rate Caps (including in connection with a Class A Investor Group Maximum Principal Increase or a Class B Investor Group Principal Increase or the addition of a Class A Additional Investor Group or a Class B Additional Investor Group) or acquire one or more additional Series 2021-A Interest Rate Caps, such that the Series 2021-A Interest Rate Caps, in the aggregate, shall provide that the notional amount of all Series 2021-A Interest Rate Caps shall amortize such that the aggregate notional amount of all Series 2021-A Interest Rate Caps, as of any date of determination, shall be equal to or greater than the product of (a) the sum of the Class A Maximum Principal Amount and the Class B Principal Amount as of the earlier of such date and the Expected Final Payment Date and (b) the percentage set forth on Schedule III corresponding to such date. The strike rate of each Series 2021-A Interest Rate Cap shall not be greater than 1.50%.

(ii) HVF III shall acquire each Series 2021-A Interest Rate Cap from an Eligible Interest Rate Cap Provider that satisfies the Initial Counterparty Required Ratings as of the date HVF III acquires such Series 2021-A Interest Rate Cap.

(b) Failure to Remain an Eligible Interest Rate Cap Provider. Each Series 2021-A Interest Rate Cap shall provide that, if as of any date of determination the Interest Rate Cap Provider (or if the present and future obligations of such Interest Rate Cap Provider are guaranteed pursuant to a guarantee (in form and in substance which satisfies the other requirements set forth in such Series 2021-A Interest Rate Cap), the related guarantor) with respect thereto is not an Eligible Interest Rate Cap Provider as of such date of determination, then such Interest Rate Cap Provider will be required, at such Interest Rate Cap Provider's expense, to obtain a replacement interest rate cap on the same terms as such Series 2021-A Interest Rate Cap from an Eligible Interest Rate Cap Provider within the time period specified in the related Series 2021-A Interest Rate Cap and, simultaneously with such replacement, HVF III shall terminate the Series 2021-A Interest Rate Cap being replaced or such Interest Rate Cap Provider shall obtain a guarantee from a replacement guarantor that satisfies the Initial Counterparty Required Ratings with respect to the present and future obligations of such Interest Rate Cap Provider under such Series 2021-A Interest Rate Cap; provided that, no termination of the Series 2021-A Interest Rate Cap shall occur until HVF III has entered into a replacement Series 2021-A Interest Rate Cap or obtained a guarantee pursuant to this Section 4.4(b) (*Failure to Remain an Eligible Interest Rate Cap Provider*).

(c) Collateral Posting for Ineligible Interest Rate Cap Providers. Each Series 2021-A Interest Rate Cap shall provide that, if the Interest Rate Cap Provider with respect thereto is required to obtain a replacement as described in Section 4.4(b) (*Failure to Remain an Eligible Interest Rate Cap Provider*) and such replacement is not obtained within the period specified in the Series 2021-A Interest Rate Cap, then such Interest Rate Cap Provider must, until such replacement is obtained or such Interest Rate Cap Provider again becomes an Eligible Interest Rate Cap Provider, post and maintain collateral in order to meet its obligations under such Series 2021-A Interest Rate Cap in an amount determined pursuant to the credit support annex entered into in connection with such Series 2021-A Interest Rate Cap (a "Credit Support Annex").

(d) Interest Rate Cap Provider Replacement. Each Series 2021-A Interest Rate Cap shall provide that, if HVF III is unable to cause such Interest Rate Cap Provider to take any of the required actions described in Sections 4.4(b) (*Failure to Remain an Eligible Interest Rate Cap Provider*) and (c) (*Collateral Posting for Ineligible Interest Rate Cap Providers*) after making commercially reasonable efforts, then HVF III will obtain a replacement Series 2021-A Interest Rate Cap from an Eligible Interest Rate Cap Provider at the expense of the replaced Interest Rate Cap Provider or, if the replaced Interest Rate Cap Provider fails to make such payment, at the expense of HVF III (in which event, such expense shall be considered Series 2021-A Carrying Charges and shall be paid from Interest Collections available pursuant to Section 5.3 (*Application of Funds in the Series 2021-A Interest Collection Account*) or, at the option of HVF III, from any other source available to it).

(e) Treatment of Collateral Posted. Each Series 2021-A Noteholder by its acceptance of a Series 2021-A Note hereby acknowledges and agrees, and directs the Trustee to acknowledge and agree, and the Trustee, at such direction, hereby acknowledges and agrees, that any collateral posted by an Interest Rate Cap Provider pursuant to clause (b) or (c) above (A) is collateral solely for the obligations of such Interest Rate Cap Provider under its Series 2021-A Interest Rate Cap, (B) does not constitute collateral for the Series 2021-A Notes (provided that in order to secure and provide for the payment of the Note Obligations with respect to the Series 2021-A Notes, HVF III has pledged each Series 2021-A Interest Rate Cap and its security interest in any collateral posted in connection therewith as collateral for the Series 2021-A Notes), (C) will in no event be available to satisfy any obligations of HVF III hereunder or otherwise unless and until such Interest Rate Cap Provider defaults in its obligations under its Series 2021-A Interest Rate Cap and such collateral is applied in accordance with the terms of such Series 2021-A Interest Rate Cap to satisfy such defaulted obligations of such Interest Rate Cap Provider, and (D) shall be held by the Trustee in a segregated account in accordance with the terms of the applicable Credit Support Annex.

(f) Proceeds from Series 2021-A Interest Rate Caps. HVF III shall require all proceeds of each Series 2021-A Interest Rate Cap (including amounts received in respect of the obligations of the related Interest Rate Cap Provider from a guarantor or from the application of collateral posted by such Interest Rate Cap Provider) to be paid to the Series 2021-A Interest Collection Account, and the Administrator hereby directs the Trustee to deposit, and the Trustee shall so deposit, any proceeds it receives under each Series 2021-A Interest Rate Cap into the Series 2021-A Interest Collection Account.

Section 4.5. Demand Notes.

(a) Trustee Authorized to Make Demands. The Trustee, for the benefit of the Series 2021-A Noteholders, shall be the only Person authorized to make a demand for payment on any Series 2021-A Demand Note.

(b) Modification of Demand Note. Other than pursuant to a payment made upon a demand thereon by the Trustee pursuant to Section 5.5(c) (*Principal Deficit Amount – Draws on Series 2021-A Demand Note*), HVF III shall not reduce the amount of any Series 2021-A Demand Note or forgive amounts payable thereunder so that the aggregate undrawn principal amount of the Series 2021-A Demand Notes after such forgiveness or reduction is less than the greater of (i) the Series 2021-A Letter of Credit Liquidity Amount as of the date of such reduction or forgiveness and (ii) an amount equal to 2.0% of the Series 2021-A Principal Amount as of the date of such reduction or forgiveness. Other than in connection with a reduction or forgiveness in accordance with the first sentence of this Section 4.5(b) (*Modification of Demand Note*) or an increase in the stated amount of any Series 2021-A Demand Note, HVF III shall not agree to any amendment of any Series 2021-A Demand Note without first obtaining the prior written consent of the Series 2021-A Required Noteholders.

Section 4.6. Subordination. The Series-Specific 2021-A Collateral has been pledged to the Trustee to secure the Series 2021-A Notes. For all purposes hereunder and for the avoidance of doubt, the Series-Specific 2021-A Collateral and each Series 2021-A Letter of Credit will be held by the Trustee solely for the benefit of Series 2021-A Noteholders, and no Noteholder of any Series of Notes other than the Series 2021-A Notes will have any right, title or interest in, to or under the Series-Specific 2021-A Collateral or any Series 2021-A Letter of Credit. For the avoidance of doubt, if it is determined that the Series 2021-A Noteholders have any right, title or interest in, to or under the Series-Specific Collateral with respect to any Series of Notes other than Series 2021-A Notes, then the Series 2021-A Noteholders agree that their right, title and interest in, to or under such Series-Specific Collateral shall be subordinate in all respects to the claims or rights of the Noteholders with respect to such other Series of Notes, and in such case, this Series 2021-A Supplement shall constitute a subordination agreement for purposes of Section 510(a) of the Bankruptcy Code.

Section 4.7. Duty of the Trustee. Except for actions expressly authorized by the Base Indenture or this Series 2021-A Supplement, the Trustee shall take no action reasonably likely to impair the security interests created hereunder in any of the Series-Specific 2021-A Collateral now existing or hereafter created or to impair the value of any of the Series-Specific 2021-A Collateral now existing or hereafter created.

Section 5.5. Series 2021-A Letters of Credit and Series 2021-A Demand Notes.

(a) Interest Deficit and Lease Interest Payment Deficit Events – Draws on Series 2021-A Letters of Credit. If HVF III determines on any Payment Date that there exists a Series 2021-A Reserve Account Interest Withdrawal Shortfall with respect to such Payment Date, then HVF III shall instruct the Trustee in writing to draw on the Series 2021-A Letters of Credit, if any, and, upon receipt of such notice by the Trustee on or prior to 10:30 a.m. (New York City time) on such Payment Date, the Trustee, by 12:00 p.m. (New York City time) on such Payment Date, shall draw an amount, as set forth in such notice, equal to the least of (i) such Series 2021-A Reserve Account Interest Withdrawal Shortfall, (ii) the Series 2021-A Letter of Credit Liquidity Amount as of such Payment Date and (iii) the Series 2021-A Lease Interest Payment Deficit for such Payment Date, by presenting to each Series 2021-A Letter of Credit Provider a draft accompanied by a Series 2021-A Certificate of Credit Demand on the Series 2021-A Letters of Credit; provided that, if the Series 2021-A L/C Cash Collateral Account has been established and funded, then the Trustee shall withdraw from the Series 2021-A L/C Cash Collateral Account and deposit into the Series 2021-A Interest Collection Account an amount equal to the lesser of (1) the Series 2021-A L/C Cash Collateral Percentage on such Payment Date of the least of the amounts described in clauses (i), (ii) and (iii) above and (2) the Series 2021-A Available L/C Cash Collateral Account Amount on such Payment Date and draw an amount equal to the remainder of such amount on the Series 2021-A Letters of Credit. The Trustee shall deposit, or cause the deposit of, the proceeds of any such draw on the Series 2021-A Letters of Credit and the proceeds of any such withdrawal from the Series 2021-A L/C Cash Collateral Account into the Series 2021-A Interest Collection Account on such Payment Date; *provided* that if HVF III fails to instruct the Trustee in writing to draw on the Series 2021-A Letters of Credit, the Program Agent may direct the Trustee to draw on the Series 2021-A Letters of Credit.

(b) Principal Deficit and Lease Principal Payment Deficit Events – Initial Draws on Series 2021-A Letters of Credit. If HVF III determines on any Payment Date that there exists a Series 2021-A Lease Principal Payment Deficit that exceeds the amount, if any, withdrawn from the Series 2021-A Reserve Account pursuant to Section 5.4(b) (*Series 2021-A Reserve Account Withdrawals*), then HVF III shall instruct the Trustee in writing to draw (provided that if HVF III fails to so instruct the Trustee then the Program Agent may direct the Trustee to draw) on the Series 2021-A Letters of Credit, if any, in an amount equal to the least of:

(i) such excess;

(ii) the Series 2021-A Letter of Credit Liquidity Amount (after giving effect to any drawings on the Series 2021-A Letters of Credit on such Payment Date pursuant to Section 5.5(a) (*Series 2021-A Letters of Credit and Series 2021-A Demand Notes*)); and

(iii) on any such Payment Date other than the Legal Final Payment Date, the excess, if any, of the Principal Deficit Amount over the amount, if any, withdrawn from the Series 2021-A Reserve Account pursuant to Section 5.4(b) (*Series 2021-A Reserve Account Withdrawals*) and (y) on the Legal Final Payment Date, the excess, if any, of the Series 2021-A Principal Amount over the amount to be deposited into the Series 2021-A Distribution Account (other than as a result of this Section 5.5(b) (*Principal Deficit and Lease Principal Payment Deficit Events – Initial Draws on Series 2021-A Letters of Credit*) and Section 5.5(c) (*Principal Deficit Amount – Draws on Series 2021-A Demand Note*)) on the Legal Final Payment Date for payment of principal of the Series 2021-A Notes.

Upon receipt of a notice by the Trustee from HVF III (or the Program Agent as set forth above) in respect of a Series 2021-A Lease Principal Payment Deficit on or prior to 10:30 a.m. (New York City time) on a Payment Date, the Trustee shall, by 12:00 p.m. (New York City time) on such Payment Date draw an amount as set forth in such notice equal to the applicable amount set forth above on the Series 2021-A Letters of Credit by presenting to each Series 2021-A Letter of Credit Provider a draft accompanied by a Series 2021-A Certificate of Credit Demand; provided however, that if the Series 2021-A L/C Cash Collateral Account has been established and funded, the Trustee shall withdraw from the Series 2021-A L/C Cash Collateral an amount equal to the lesser of (x) the Series 2021-A L/C Cash Collateral Percentage on such Payment Date of the amount set forth in the notice provided to the Trustee by HVF III and (y) the Series 2021-A Available L/C Cash Collateral Account Amount on such Payment Date (after giving effect to any withdrawals therefrom on such Payment Date pursuant to Section 5.5(a) (*Interest Deficit and Lease Interest Payment Deficit Events – Draws on Series 2021-A Letters of Credit*)), and the Trustee shall draw an amount equal to the remainder of such amount on the Series 2021-A Letters of Credit. The Trustee shall deposit, or cause the deposit of, the proceeds of any such draw on the Series 2021-A Letters of Credit and the proceeds of any such withdrawal from the Series 2021-A L/C Cash Collateral Account into the Series 2021-A Principal Collection Account on such Payment Date.

(c) Principal Deficit Amount – Draws on Series 2021-A Demand Note. If (A) on any Determination Date, HVF III determines that the Principal Deficit Amount on the next succeeding Payment Date (after giving effect to any draws on the Series 2021-A Letters of Credit on such Payment Date pursuant to Section 5.5(b) (*Principal Deficit and Lease Principal Payment Deficit Events – Initial Draws on Series 2021-A Letters of Credit*)) will be greater than zero or (B) on the Determination Date related to the Legal Final Payment Date, HVF III determines that the Series 2021-A Principal Amount exceeds the amount to be deposited into the Series 2021-A Distribution Account (other than as a result of this Section 5.5(c) (*Principal Deficit Amount – Draws on Series 2021-A Demand Note*)) on the Legal Final Payment Date for payment of principal of the Series 2021-A Notes, then, prior to 10:00 a.m. (New York City time) on the second Business Day prior to such Payment Date, HVF III shall instruct (provided that if HVF III fails to so instruct the Trustee then the Program Agent may instruct the Trustee) the Trustee in writing (and provide the requisite information to the Trustee) to deliver a demand notice substantially in the form of Exhibit B-2 (each a "Demand Notice") on Hertz for payment under the Series 2021-A Demand Note in an amount equal to the lesser of (i) (x) on any such Determination Date related to a Payment Date other than the Legal Final Payment Date, the Principal Deficit Amount less the amount to be deposited into the Series 2021-A Principal Collection Account in accordance with Sections 5.4(b) (*Series 2021-A Reserve Account Withdrawals*) and Section 5.5(b) (*Principal Deficit and Lease Principal Payment Deficit Events – Initial Draws on Series 2021-A Letters of Credit*) and (y) on the Determination Date related to the Legal Final Payment Date, the excess, if any, of the Series 2021-A Principal Amount over the amount to be deposited into the Series 2021-A Distribution Account (together with any amounts to be deposited therein pursuant to the terms of this Series 2021-A Supplement (other than this Section 5.5(c) (*Principal Deficit Amount – Draws on Series 2021-A Demand Note*))) on the Legal Final Payment Date for payment of principal of the Series 2021-A Notes, and (ii) the principal amount of the Series 2021-A Demand Note. The Trustee shall, prior to 12:00 noon (New York City time) on the second Business Day preceding such Payment Date, deliver such Demand Notice to Hertz; provided however, that if an Event of Bankruptcy (or the occurrence of an event described in clause (a) of the definition thereto, without the lapse of a period of sixty (60) consecutive days) with respect to Hertz shall have occurred and be continuing, the Trustee shall not be required to deliver such Demand Notice to Hertz. The Trustee shall cause the proceeds of any demand on the Series 2021-A Demand Note to be deposited into the Series 2021-A Principal Collection Account.

(d) Principal Deficit Amount – Draws on Series 2021-A Letters of Credit. If the Trustee shall have delivered a Demand Notice as provided in Section 5.5(c) (*Principal Deficit Amount – Draws on Series 2021-A Demand Note*) and Hertz shall have failed to pay to the Trustee or deposit into the Series 2021-A Distribution Account the amount specified in such Demand Notice in whole or in part by 12:00 noon (New York City time) on the Business Day following the making of the Demand Notice, (i) due to the occurrence of an Event of Bankruptcy (or the occurrence of an event described in clause (a) of the definition thereof, without the lapse of a period of sixty (60) consecutive days) with respect to Hertz, the Trustee shall not have delivered such Demand Notice to Hertz, or (ii) there is a Preference Amount, then the Trustee shall draw on (provided that if HVF III fails to instruct the Trustee in writing to draw on the Series 2021-A Letters of Credit then the Program Agent may direct the Trustee to draw on) the Series 2021-A Letters of Credit, if any, by 12:00 p.m. (New York City time) on such Business Day in an amount equal to the lesser of:

(i) the amount that Hertz failed to pay under the Series 2021-A Demand Note, or the amount that the Trustee failed to demand for payment thereunder, or the Preference Amount, as the case may be, and

(ii) the Series 2021-A Letter of Credit Amount on such Business Day,

in each case by presenting to each Series 2021-A Letter of Credit Provider a draft accompanied by a Series 2021-A Certificate of Unpaid Demand Note Demand or, in the case of a Preference Amount, a Series 2021-A Certificate of Preference Payment Demand; provided however, that if the Series 2021-A L/C Cash Collateral Account has been established and funded, the Trustee shall withdraw from the Series 2021-A L/C Cash Collateral Account an amount equal to the lesser of (x) the Series 2021-A L/C Cash Collateral Percentage on such Business Day of the lesser of the amounts set forth in clauses (i) and (ii) immediately above and (y) the Series 2021-A Available L/C Cash Collateral Account Amount on such Business Day (after giving effect to any withdrawals therefrom on such Payment Date pursuant to Section 5.5(a) (*Interest Deficit and Lease Interest Payment Deficit Events – Draws on Series 2021-A Letters of Credit*) and Section 5.5(b) (*Principal Deficit and Lease Principal Payment Deficit Events – Initial Draws on Series 2021-A Letters of Credit*)), and the Trustee shall draw an amount equal to the remainder of such amount on the Series 2021-A Letters of Credit. The Trustee shall deposit, or cause the deposit of, the proceeds of any such draw on the Series 2021-A Letters of Credit and the proceeds of any such withdrawal from the Series 2021-A L/C Cash Collateral Account into the Series 2021-A Principal Collection Account on such date.

(e) Draws on the Series 2021-A Letters of Credit. If there is more than one Series 2021-A Letter of Credit on the date of any draw on the Series 2021-A Letters of Credit pursuant to the terms of this Series 2021-A Supplement (other than pursuant to Section 5.7(b) (*Series 2021-A Letter of Credit Provider Downgrades*)), then HVF III shall instruct the Trustee, in writing, to draw on each Series 2021-A Letter of Credit an amount equal to the Pro Rata Share for such Series 2021-A Letter of Credit of such draw on such Series 2021-A Letter of Credit.

Section 5.6. Past Due Rental Payments. On each Series 2021-A Deposit Date, HVF III will direct the Trustee in writing, prior to 1:00 p.m. (New York City time) on such date, to, and the Trustee shall, withdraw from the Collection Account all Collections then on deposit representing Series 2021-A Past Due Rent Payments and deposit such amount into the Series 2021-A Interest Collection Account, and immediately thereafter, the Trustee shall withdraw such amount from the Series 2021-A Interest Collection Account and apply the Series 2021-A Past Due Rent Payment in the following order:

(i) if the occurrence of the related Series 2021-A Lease Payment Deficit resulted in one or more Series 2021-A L/C Credit Disbursements being made under any Series 2021-A Letters of Credit, then pay to or at the direction of Hertz for reimbursement to each Series 2021-A Letter of Credit Provider who made such a Series 2021-A L/C Credit Disbursement an amount equal to the lesser of (x) the unreimbursed amount of such Series 2021-A Letter of Credit Provider's Series 2021-A L/C Credit Disbursement and (y) such Series 2021-A Letter of Credit Provider's pro rata portion, calculated on the basis of the unreimbursed amount of each such Series 2021-A Letter of Credit Provider's Series 2021-A L/C Credit Disbursement, of the amount of the Series 2021-A Past Due Rent Payment;

(ii) if the occurrence of such Series 2021-A Lease Payment Deficit resulted in a withdrawal being made from the Series 2021-A L/C Cash Collateral Account, then deposit in the Series 2021-A L/C Cash Collateral Account an amount equal to the lesser of (x) the amount of the Series 2021-A Past Due Rent Payment remaining after any payments pursuant to clause (i) above and (y) the amount withdrawn from the Series 2021-A L/C Cash Collateral Account on account of such Series 2021-A Lease Payment Deficit;

(iii) if the occurrence of such Series 2021-A Lease Payment Deficit resulted in a withdrawal being made from the Series 2021-A Reserve Account pursuant to Section 5.4(a) (*Series 2021-A Reserve Account Withdrawals*), then deposit in the Series 2021-A Reserve Account an amount equal to the lesser of (x) the amount of the Series 2021-A Past Due Rent Payment remaining after any payments pursuant to clauses (i) and (ii) above and (y) the amount withdrawn from the Series 2021-A Reserve Account on account of such Series 2021-A Lease Payment Deficit;

(c) The Administrator hereby represents and warrants to each Series 2021-A Noteholder, as of the Series 2021-A Closing Date and as of the date of delivery of each Monthly Noteholders' Statement that it continues to comply with paragraph (a) above of this Section 6.4 (*European Union Securitisation Risk Retention and United Kingdom Securitisation Risk Retention Representations and Undertaking*) as of such date.

(e) The Administrator:

(i) Confirms that to the extent the issuance of the Series 2021-A Notes constitutes a "securitisation", as defined under the Securitisation Regulations (as to which the Administrator makes no representation), in its reasonable belief it is an "originator" for purposes of the EU/UK Risk Retention Requirements;

Such Opinion of Counsel shall also describe the recording, filing, re-recording and refiling of this Series 2021-A Supplement, any indentures supplemental hereto and any other requisite documents and the execution and filing of any financing statements, continuation statements and amendments thereto that will, in the opinion of such counsel, be required to maintain the perfection of the lien and security interest of this Series 2021-A Supplement in the Series-Specific 2021-A Collateral until March 31 in the following calendar year.

Section 9.3. Assignments.

(a) Class A Assignments.

(i) Any Class A Committed Note Purchaser may at any time sell all or any part of its rights and obligations under this Series 2021-A Supplement and the Class A Notes, with the prior written consent of HVF III, which consent shall not be unreasonably withheld, to one or more financial institutions (a "Class A Acquiring Committed Note Purchaser") pursuant to an assignment and assumption agreement, substantially in the form of Exhibit G-1 (the "Class A Assignment and Assumption Agreement"), executed by such Class A Acquiring Committed Note Purchaser, such assigning Class A Committed Note Purchaser, the Class A Funding Agent with respect to such Class A Committed Note Purchaser and HVF III and delivered to the Program Agent; provided that, the consent of HVF III to any such assignment shall not be required (A) after the occurrence and during the continuance of an Amortization Event with respect to the Series 2021-A Notes or (B) if such Class A Acquiring Committed Note Purchaser is an Affiliate of such assigning Class A Committed Note Purchaser; provided further, that HVF III may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class A Acquiring Committed Note Purchaser that is a Disqualified Party. An assignment by a Class A Committed Note Purchaser that is part of a Class A Investor Group that includes a Class A Conduit Investor to a Class A Investor Group that does not include a Class A Conduit Investor may be made pursuant to this Section 9.3(a)(i) (*Class A Assignments*); provided that, immediately prior to such assignment each Class A Conduit Investor that is part of the assigning Class A Investor Group shall be deemed to have assigned all of its rights and obligations in the Class A Notes (and its rights and obligations hereunder and under each other Series 2021-A Related Document) in respect of such assigned interest to its related Class A Committed Note Purchaser pursuant to Section 9.3(a)(vii) (*Class A Assignments*). Notwithstanding anything to the contrary herein, any assignment by a Class A Committed Note Purchaser to a different Class A Investor Group that includes a Class A Conduit Investor shall be made pursuant to Section 9.3(a)(iii) (*Class A Assignments*), and not this Section 9.3(a)(i) (*Class A Assignments*).

(ii) Without limiting Section 9.3(a)(i) (*Class A Assignments*), each Class A Conduit Investor may assign all or a portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor and its rights and obligations under this Series 2021-A Supplement and each other Series 2021-A Related Document to which it is a party (or otherwise to which it has rights) to a Class A Conduit Assignee with respect to such Class A Conduit Investor without the prior written consent of HVF III. Upon such assignment by a Class A Conduit Investor to a Class A Conduit Assignee:

A. such Class A Conduit Assignee shall be the owner of the Class A Investor Group Principal Amount or such portion thereof with respect to such Class A Conduit Investor,

B. the related administrative or managing agent for such Class A Conduit Assignee will act as the Class A Funding Agent for such Class A Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Class A Funding Agent hereunder or under each other Series 2021-A Related Document,

C. such Class A Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties, in each case relating to the Class A Commercial Paper and/or the Class A Notes, shall have the benefit of all the rights and protections provided to such Class A Conduit Investor herein and in each other Series 2021-A Related Document (including any limitation on recourse against such Class A Conduit Assignee as provided in this paragraph),

D. such Class A Conduit Assignee shall assume all of such Class A Conduit Investor's obligations, if any, hereunder and under each other Series 2021-A Related Document with respect to such portion of the Class A Investor Group Principal Amount and such Class A Conduit Investor shall be released from such obligations,

E. all distributions in respect of the Class A Investor Group Principal Amount or such portion thereof with respect to such Class A Conduit Investor shall be made to the applicable Class A Funding Agent on behalf of such Class A Conduit Assignee,

F. the definition of the term "Class A CP Rate" with respect to the portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor, as applicable funded with commercial paper issued by such Class A Conduit Assignee from time to time shall be determined in the manner set forth in the definition of "Class A CP Rate" applicable to such Class A Conduit Assignee on the basis of the interest rate or discount applicable to commercial paper issued by such Class A Conduit Assignee (rather than any other Class A Conduit Investor),

G. the defined terms and other terms and provisions of this Series 2021-A Supplement and each other Series 2021-A Related Documents shall be interpreted in accordance with the foregoing, and

H. if reasonably requested by the Class A Funding Agent with respect to such Class A Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Class A Funding Agent may reasonably request to evidence and give effect to the foregoing.

No assignment by any Class A Conduit Investor to a Class A Conduit Assignee of all or any portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor shall in any way diminish the obligation of the Class A Committed Note Purchasers in the same Class A Investor Group as such Class A Conduit Investor under Section 2.2 (*Advances*) to fund any Class A Advance not funded by such Class A Conduit Investor or such Class A Conduit Assignee.

(iii) Any Class A Conduit Investor and the Class A Committed Note Purchaser with respect to such Class A Conduit Investor (or, with respect to any Class A Investor Group without a Class A Conduit Investor, the related Class A Committed Note Purchaser) at any time may sell all or any part of their respective (or, with respect to a Class A Investor Group without a Class A Conduit Investor, its) rights and obligations under this Series 2021-A Supplement and the Class A Notes, with the prior written consent of HVF III, which consent shall not be unreasonably withheld, to a Class A Investor Group with respect to which each acquiring Class A Conduit Investor is a multi-seller commercial paper conduit, whose commercial paper has ratings of at least "A-2" from S&P and "P2" from Moody's and that includes one or more financial institutions providing support to such multi-seller commercial paper conduit (a "Class A Acquiring Investor Group") pursuant to a transfer supplement, substantially in the form of Exhibit H-1 (the "Class A Investor Group Supplement"), executed by such Class A Acquiring Investor Group, the Class A Funding Agent with respect to such Class A Acquiring Investor Group (including each Class A Conduit Investor (if any) and the Class A Committed Note Purchasers with respect to such Class A Investor Group), such assigning Class A Conduit Investor and the Class A Committed Note Purchasers with respect to such Class A Conduit Investor, the Class A Funding Agent with respect to such assigning Class A Conduit Investor and Class A Committed Note Purchasers and HVF III and delivered to the Program Agent; provided that, the consent of HVF III to any such assignment shall not be required after the occurrence and during the continuance of an Amortization Event with respect to the Series 2021-A Notes; provided further that HVF III may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class A Acquiring Investor Group that (a) has ratings of at least "A-2" from S&P and "P2" by Moody's, but does not have ratings of at least "A-1" from S&P or "P1" by Moody's if such assignment will result in a material increase in HVF III's costs of financing with respect to the applicable Class A Notes or (b) is a Disqualified Party.

(iv) Any Class A Committed Note Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("Class A Participants") participations in its Class A Committed Note Purchaser Percentage of the Class A Maximum Investor Group Principal Amount with respect to it and the other Class A Committed Note Purchasers included in the related Class A Investor Group, its Class A Note and its rights hereunder (or, in each case, a portion thereof) pursuant to documentation in form and substance satisfactory to such Class A Committed Note Purchaser and the Class A Participant; provided, however, that (i) in the event of any such sale by a Class A Committed Note Purchaser to a Class A Participant, (A) such Class A Committed Note Purchaser's obligations under this Series 2021-A Supplement shall remain unchanged, (B) such Class A Committed Note Purchaser shall remain solely responsible for the performance thereof and (C) HVF III and the Program Agent shall continue to deal solely and directly with such Class A Committed Note Purchaser in connection with its rights and obligations under this Series 2021-A Supplement, (ii) no Class A Committed Note Purchaser shall sell any participating interest under which the Class A Participant shall have any right to approve, veto, consent, waive or otherwise influence any approval, consent or waiver of such Class A Committed Note Purchaser with respect to any amendment, consent or waiver with respect to this Series 2021-A Supplement or any other Series 2021-A Related Document, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Class A Committed Note Purchasers hereunder, and (iii) no Class A Committed Note Purchaser shall sell any participating interest to any Disqualified Party. A Class A Participant shall have the right to receive reimbursement for amounts due pursuant to each Specified Cost Section but only to the extent that the related selling Class A Committed Note Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.8 (*Taxes*), only to the extent such Class A Participant shall have complied with the provisions of Section 3.8 (*Taxes*) as if such Class A Participant were a Class A Committed Note Purchaser. Each such Class A Participant shall be deemed to have agreed to the provisions set forth in Section 3.10 (*Minimizing Costs and Expenses and Equivalent Treatment*) as if such Class A Participant were a Class A Committed Note Purchaser.

(v) HVF III authorizes each Class A Committed Note Purchaser to disclose to any Class A Participant or Class A Acquiring Committed Note Purchaser (each, a "Class A Transferee") and any prospective Class A Transferee any and all financial information in such Class A Committed Note Purchaser's possession concerning HVF III, the Series 2021-A Collateral, the Administrator and the Series 2021-A Related Documents that has been delivered to such Class A Committed Note Purchaser by HVF III in connection with such Class A Committed Note Purchaser's credit evaluation of HVF III, the Series 2021-A Collateral and the Administrator. For the avoidance of doubt, no Class A Committed Note Purchaser may disclose any of the foregoing information to any Class A Transferee who is a Disqualified Party without the prior written consent of an Authorized Officer of HVF III, which consent may be withheld for any reason in HVF III's sole and absolute discretion.

(vi) Notwithstanding any other provision set forth in this Series 2021-A Supplement, each Class A Conduit Investor or, if there is no Class A Conduit Investor with respect to any Class A Investor Group, the Class A Committed Note Purchaser with respect to such Class A Investor Group may at any time grant to one or more Class A Program Support Providers (or, in the case of a Class A Conduit Investor, to its related Class A Committed Note Purchaser) a participating interest in or lien on, or otherwise transfer and assign to one or more Class A Program Support Providers (or, in the case of a Class A Conduit Investor, to its related Class A Committed Note Purchaser), such Class A Conduit Investor's or, if there is no Class A Conduit Investor with respect to any Class A Investor Group, the related Class A Committed Note Purchaser's interests in the Class A Advances made hereunder and such Class A Program Support Provider (or such Class A Committed Note Purchaser, as the case may be), with respect to its participating or assigned interest, shall be entitled to the benefits granted to such Class A Conduit Investor or Class A Committed Note Purchaser, as applicable, under this Series 2021-A Supplement.

(vii) Notwithstanding any other provision set forth in this Series 2021-A Supplement, each Class A Conduit Investor may at any time, without the consent of HVF III, transfer and assign all or a portion of its rights in the Class A Notes (and its rights hereunder and under other Series 2021-A Related Documents) to its related Class A Committed Note Purchaser. Furthermore, each Class A Conduit Investor may at any time grant a security interest in and lien on, all or any portion of its interests under this Series 2021-A Supplement, its Class A Note and each other Series 2021-A Related Document to (i) its related Class A Committed Note Purchaser, (ii) its Class A Funding Agent, (iii) any Class A Program Support Provider who, at any time now or in the future, provides program liquidity or credit enhancement, including an insurance policy for such Class A Conduit Investor relating to the Class A Commercial Paper or the Class A Notes, (iv) any other Person who, at any time now or in the future, provides liquidity or credit enhancement for the Class A Conduit Investors, including an insurance policy relating to the Class A Commercial Paper or the Class A Notes or (v) any collateral trustee or collateral agent for any of the foregoing; provided, however, any such security interest or lien shall be released upon assignment of its Class A Note to its related Class A Committed Note Purchaser. Each Class A Committed Note Purchaser may assign its Class A Commitment, or all or any portion of its interest under its Class A Note, this Series 2021-A Supplement and each other Series 2021-A Related Document to any Person with the prior written consent of HVF III, such consent not to be unreasonably withheld; provided that, HVF III may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to any Person that is a Disqualified Party. Notwithstanding any other provisions set forth in this Series 2021-A Supplement, each Class A Committed Note Purchaser and each Class A Conduit Investor may at any time create a security interest in all or any portion of its rights under this Series 2021-A Supplement, its Class A Note and the Series 2021-A Related Document in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System or any similar foreign entity.

(b) Class B Transfers.

(i) Any Class B Committed Note Purchaser may at any time sell all or any part of its rights and obligations under this Series 2021-A Supplement and the Class B Notes to another investor that is not a Disqualified Investor, so long as such transfer is consented to by HVF III, which consent shall not be unreasonably withheld. The transfer by a Class B Committed Note Purchaser of a Class B Note shall be made upon receipt by the Registrar, at the office of the Registrar, of a certificate in substantially the form set forth as Exhibit Q hereto containing the representations of such Person who wishes to take delivery of such Class B Note. No transfer shall occur without delivery of the certificate referred to in the immediately preceding sentence. Any such transfer shall comply with Section 2.8 (*Transfer and Exchange*) of the Base Indenture.

(c) Class RR Assignments.

(i) Subject to compliance with the EU Risk Retention Rules and the UK Risk Retention Rules, upon receipt of a Tax Opinion, delivered to HVF III and the Trustee, any Class RR Committed Note Purchaser may at any time sell all or any part of its rights and obligations under this Series 2021-A Supplement and the Class RR Notes, with the prior written consent of HVF III, which consent shall not be unreasonably withheld, to one or more assignees (a "Class RR Acquiring Committed Note Purchaser") pursuant to an assignment and assumption agreement, substantially in the form of Exhibit G-3 (the "Class RR Assignment and Assumption Agreement"), executed by such Class RR Acquiring Committed Note Purchaser, such assigning Class RR Committed Note Purchaser and HVF III and delivered to the Program Agent; provided that, the consent of HVF III to any such assignment shall not be required (A) after the occurrence and during the continuance of an Amortization Event with respect to the Series 2021-A Notes or (B) if such Class RR Acquiring Committed Note Purchaser is an Affiliate of such assigning Class RR Committed Note Purchaser; provided further, that HVF III may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class RR Acquiring Committed Note Purchaser that is a Disqualified Party.

(ii) HVF III authorizes each Class RR Committed Note Purchaser to disclose to any Class RR Acquiring Committed Note Purchaser (each, a "Class RR Transferee") and any prospective Class RR Transferee any and all financial information in such Class RR Committed Note Purchaser's possession concerning HVF III, the Series 2021-A Collateral, the Administrator and the Series 2021-A Related Documents that has been delivered to such Class RR Committed Note Purchaser by HVF III in connection with such Class RR Committed Note Purchaser's credit evaluation of HVF III, the Series 2021-A Collateral and the Administrator. For the avoidance of doubt, no Class RR Committed Note Purchaser may disclose any of the foregoing information to any Class RR Transferee who is a Disqualified Party without the prior written consent of an Authorized Officer of HVF III, which consent may be withheld for any reason in HVF III's sole and absolute discretion.

The Program Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Conduit Investor, any Committed Note Purchaser, or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of the Program Agent shall be read into this Series 2021-A Supplement or otherwise exist for the Program Agent. In performing its functions and duties hereunder, the Program Agent shall act solely as agent for the Conduit Investors, the Committed Note Purchasers and the Funding Agents and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for HVF III or any of its successors or assigns. The Program Agent shall not be required to take any action that exposes the Program Agent to personal liability or that is contrary to this Series 2021-A Supplement or applicable law. The appointment and authority of the Program Agent hereunder shall terminate upon the indefeasible payment in full of the Series 2021-A Notes and all other amounts owed by HVF III hereunder to each of the Class A Investor Groups, the Class B Investor Groups and the Class RR Committed Note Purchaser (the "Aggregate Unpaids").

Section 10.2. Delegation of Duties. The Program Agent may execute any of its duties under this Series 2021-A Supplement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Program Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

Section 10.3. Exculpatory Provisions. Neither the Program Agent nor any of its directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Series 2021-A Supplement (except for its, their or such Person's own gross negligence or willful misconduct), or (b) responsible in any manner to any Conduit Investor, any Committed Note Purchaser or any Funding Agent for any recitals, statements, representations or warranties made by HVF III contained in this Series 2021-A Supplement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Series 2021-A Supplement for the due execution, legality, value, validity, effectiveness, genuineness, enforceability or sufficiency of this Series 2021-A Supplement or any other document furnished in connection herewith, or for any failure of HVF III to perform its obligations hereunder, or for the satisfaction of any condition specified in Article II (*Initial Issuance; Increases and Decreases of Principal Amount of Series 2021-A Notes*). The Program Agent shall not be under any obligation to any Conduit Investor, any Committed Note Purchaser or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Series 2021-A Supplement, or to inspect the properties, books or records of HVF III. The Program Agent shall not be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Series 2021-A Liquidation Event unless the Program Agent has received notice from HVF III, any Conduit Investor, any Committed Note Purchaser or any Funding Agent.

Section 10.4. Reliance. The Program Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel, independent accountants and other experts selected by the Program Agent. The Program Agent shall in all cases be fully justified in failing or refusing to take any action under this Series 2021-A Supplement or any other document furnished in connection herewith unless it shall first receive such advice or concurrence of any Conduit Investor, any Committed Note Purchaser or any Funding Agent as it deems appropriate or it shall first be indemnified to its satisfaction by any Conduit Investor, any Committed Note Purchaser or any Funding Agent, provided that, unless and until the Program Agent shall have received such advice, the Program Agent may take or refrain from taking any action, as the Program Agent shall deem advisable and in the best interests of the Conduit Investors, the Committed Note Purchasers and the Funding Agents. The Program Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the Series 2021-A Required Noteholders and such request and any action taken or failure to act pursuant thereto shall be binding upon the Conduit Investors, the Committed Note Purchasers and the Funding Agents.

Section 10.5. Non-Reliance on the Program Agent and Other Purchasers. Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents expressly acknowledge that neither the Program Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by the Program Agent hereafter taken, including any review of the affairs of HVF III, shall be deemed to constitute any representation or warranty by the Program Agent. Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents represent and warrant to the Program Agent that they have and will, independently and without reliance upon the Program Agent and based on such documents and information as they have deemed appropriate, made their own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of HVF III and made its own decision to enter into this Series 2021-A Supplement.

The Program Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, Class A Notes and Class B Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with HVF III or any Affiliate of HVF III as though the Program Agent were not the Program Agent hereunder.

Section 10.7. Successor Program Agent. The Program Agent may, upon thirty (30) days' notice to HVF III and each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents, and the Program Agent will, upon the direction of the Series 2021-A Required Noteholders, resign as Program Agent. If the Program Agent shall resign, then the Investor Groups, during such 30-day period, shall appoint an Affiliate of a member of the Investor Groups as a successor agent. If for any reason no successor Program Agent is appointed by the Investor Groups during such 30-day period, then effective upon the expiration of such 30-day period, HVF III for all purposes shall deal directly with the Funding Agents. After any retiring Program Agent's resignation hereunder as Program Agent, the provisions of Section 11.4 (*Payment of Costs and Expenses; Indemnification*) and this Article X (*The Program Agent*) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Program Agent under this Series 2021-A Supplement.

Section 10.8. Authorization and Action of Funding Agents. Each Conduit Investor and each Committed Note Purchaser is hereby deemed to have designated and appointed the Funding Agent set forth next to such Conduit Investor's name, or if there is no Conduit Investor with respect to any Investor Group, the Committed Note Purchaser's name with respect to such Investor Group, on Schedule II or Schedule IV hereto, as applicable, as the agent of such Person hereunder, and hereby authorizes such Funding Agent to take such actions as agent on its behalf and to exercise such powers as are delegated to such Funding Agent by the terms of this Series 2021-A Supplement together with such powers as are reasonably incidental thereto. Each Funding Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with the related Investor Group, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of such Funding Agent shall be read into this Series 2021-A Supplement or otherwise exist for such Funding Agent. In performing its functions and duties hereunder, each Funding Agent shall act solely as agent for the related Investor Group and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for HVF III or any of its successors or assigns. Each Funding Agent shall not be required to take any action that exposes such Funding Agent to personal liability or that is contrary to this Series 2021-A Supplement or Applicable Law. The appointment and authority of the Funding Agent hereunder shall terminate upon the indefeasible payment in full of the Aggregate Unpaids.

Section 10.9. Delegation of Duties. Each Funding Agent may execute any of its duties under this Series 2021-A Supplement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

Section 10.10. Exculpatory Provisions. Neither any Funding Agent nor any of their directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Series 2021-A Supplement (except for its, their or such Person's own gross negligence or willful misconduct), or (b) responsible in any manner to the related Investor Group for any recitals, statements, representations or warranties made by HVF III contained in this Series 2021-A Supplement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Series 2021-A Supplement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Series 2021-A Supplement or any other document furnished in connection herewith, or for any failure of HVF III to perform its obligations hereunder, or for the satisfaction of any condition specified in Article II (*Initial Issuance; Increases and Decrease of Principal Amount of Series 2021-A Notes*). No Funding Agent shall be under any obligation to its related Investor Group to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Series 2021-A Supplement, or to inspect the properties, books or records of HVF III. No Funding Agent shall be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Series 2021-A Liquidation Event, unless such Funding Agent has received notice from HVF III (or any agent or designee thereof) or its related Investor Group.

Section 10.11. Reliance. Each Funding Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of the Program Agent and legal counsel independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall in all cases be fully justified in failing or refusing to take any action under this Series 2021-A Supplement or any other document furnished in connection herewith unless it shall first receive such advice or concurrence of the related Investor Group as it deems appropriate or it shall first be indemnified to its satisfaction by the related Investor Group, provided that, unless and until such Funding Agent shall have received such advice, such Funding Agent may take or refrain from taking any action, as such Funding Agent shall deem advisable and in the best interests of the related Investor Group. Each Funding Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the related Investor Group and such request and any action taken or failure to act pursuant thereto shall be binding upon its related Investor Group.

Section 10.12. Non-Reliance on the Funding Agent and Other Purchasers. Each Investor Group expressly acknowledges that neither its related Funding Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by such Funding Agent hereafter taken, including any review of the affairs of HVF III, shall be deemed to constitute any representation or warranty by such Funding Agent. Each Investor Group represents and warrants to its related Funding Agent that it has and will, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of HVF III and made its own decision to enter into Series 2021-A Supplement.

Section 10.13. The Funding Agent in its Individual Capacity. Each Funding Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, Class A Notes and Class B Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with HVF III or any Affiliate of HVF III as though such Funding Agent were not a Funding Agent hereunder.

Section 10.14. Successor Funding Agent. Each Funding Agent will, upon the direction of its related Investor Group, resign as such Funding Agent. If such Funding Agent shall resign, then the related Investor Group shall appoint an Affiliate of a member of its related Investor Group as a successor agent. If for any reason no successor Funding Agent is appointed by the related Investor Group, then effective upon the resignation of such Funding Agent, HVF III for all purposes shall deal directly with such Investor Group. After any retiring Funding Agent's resignation hereunder as Funding Agent, subject to the limitations set forth herein, the provisions of Section 11.4 (*Payment of Costs and Expenses; Indemnification*) and this Article X (*The Program Agent*) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Funding Agent under this Series 2021-A Supplement.

Section 11.7. Third Party Beneficiary. (c) Any amendment hereof can be effected without the Program Agent being party thereto; provided however, that no such amendment, modification or waiver of this Series 2021-A Supplement that affects the rights or duties of the Program Agent shall be effective unless the Program Agent shall have given its prior written consent thereto.

(d) Each amendment or other modification to this Series 2021-A Supplement shall be set forth in a Series 2021-A Supplemental Indenture. The initial effectiveness of each Series 2021-A Supplemental Indenture shall be subject to the delivery to the Trustee of an Opinion of Counsel (which may be based on an Officer's Certificate) that such Series 2021-A Supplemental Indenture is authorized or permitted by this Series 2021-A Supplement.

(e) The Trustee shall sign any Series 2021-A Supplemental Indenture authorized or permitted pursuant to this Section 11.10 (*Amendments*) if the Series 2021-A Supplemental Indenture does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing such Series 2021-A Supplemental Indenture, the Trustee shall be entitled to receive, if requested, and, subject to Section 10.2 (*Rights of the Trustee*) of the Base Indenture, shall be fully protected in relying upon, an Officer's Certificate of HVF III and an Opinion of Counsel (which may be based on an Officer's Certificate) as conclusive evidence that such Series 2021-A Supplemental Indenture is authorized or permitted by Section 11.10 (*Amendments*) of this Series 2021-A Supplement and that all conditions precedent set forth in Section 11.10 (*Amendments*) of this Series 2021-A Supplement have been satisfied, and that such Series 2021-A Supplemental Indenture will be valid and binding upon HVF III in accordance with its terms.

Section 11.11. Administrator to Act on Behalf of HVF III. Pursuant to the Administration Agreement, the Administrator has agreed to provide certain services to HVF III and to take certain actions on behalf of HVF III, including performing or otherwise satisfying any action, determination, calculation, direction, instruction, notice, delivery or other performance obligation, in each case, permitted or required by HVF III pursuant to this Series 2021-A Supplement. Each Noteholder by its acceptance of a Series 2021-A Note and each of the parties hereto by its execution hereof, hereby consents to the provision of such services and the taking of such action by the Administrator in lieu of HVF III and hereby agrees that HVF III's obligations hereunder with respect to any such services performed or action taken shall be deemed satisfied to the extent performed or taken by the Administrator and to the extent so performed or taken by the Administrator shall be deemed for all purposes hereunder to have been so performed or taken by HVF III; provided that, for the avoidance of doubt, none of the foregoing shall create any payment obligation of the Administrator or relieve HVF III of any payment obligation hereunder.

Section 11.12. Successors. All agreements of HVF III in this Series 2021-A Supplement and the Series 2021-A Notes shall bind its successor; provided, however, except as provided in Section 11.10 (*Amendments*), HVF III may not assign its obligations or rights under this Series 2021-A Supplement or any Series 2021-A Note. All agreements of the Trustee in this Series 2021-A Supplement shall bind its successor.

Section 11.13. Termination of Series Supplement.

(a) This Series 2021-A Supplement shall cease to be of further effect when (i) all Outstanding Series 2021-A Notes theretofore authenticated and issued have been delivered (other than destroyed, lost, or stolen Series 2021-A Notes that have been replaced or paid) to the Trustee for cancellation (or deregistered, in the case of Uncertificated Notes), (ii) HVF III has paid all sums payable hereunder and (iii) the Series 2021-A Demand Note Payment Amount is equal to zero or the Series 2021-A Letter of Credit Liquidity Amount is equal to zero.

(b) The representations and warranties set forth in Section 6.1 (*Representations and Warranties*) of this Series 2021-A Supplement shall survive for so long as any Series 2021-A Note is Outstanding.

(c) The indemnities set forth in Sections 11.4(b) and (c) (*Payment of Costs and Expenses; Indemnification*) shall survive the termination of this Series 2021-A Supplement.

Section 11.14. Non-Petition; Limited Recourse.

(a) Non-Petition. Each of the parties hereto hereby covenants and agrees that, prior to the date that is two years and one day after the payment in full of all outstanding commercial paper and similar debt issued by, or for the benefit of, a Conduit Investor, it will not institute against, or join any Person in instituting against such Conduit Investor any involuntary bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other similar proceedings under any federal or State bankruptcy or similar law. The provisions of this Section 11.14 (*Non-Petition*) shall survive the termination of this Series 2021-A Supplement.

(b) Limited Recourse. Notwithstanding anything to the contrary contained herein, the obligations of any Conduit Investor under this Series 2021-A Supplement are solely the obligations of such Conduit Investor and shall be payable at such time as funds are received by or are available to such Conduit Investor in excess of funds necessary to pay in full all outstanding commercial paper of such Conduit Investor and, to the extent funds are not available to pay such obligations, the claims relating thereto shall not constitute a claim against such Conduit Investor but shall continue to accrue. Each party hereto agrees that the payment of any claim (as defined in Section 101 of Title 11, United States Code (Bankruptcy)) of any such party shall be subordinated to the payment in full of all of such Conduit Investor's commercial paper.

Section 11.15. Electronic Execution. This Series 2021-A Supplement may be executed in any number of counterparts (including by facsimile or electronic transmission (including .pdf file, .jpeg file, Adobe Sign, or DocuSign)), each of which so executed shall be deemed to be an original, but all of such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart signature page of this Series 2021-A Supplement by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Series 2021-A Supplement and shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law. Any electronically signed document delivered via email from a person purporting to be an authorized officer shall be considered signed or executed by such authorized officer on behalf of the applicable person and will be binding on all parties hereto to the same extent as if it were manually executed.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE BASE INDENTURE, THIS SERIES 2021-A SUPPLEMENT, THE SERIES 2021-A NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 11.21. USA Patriot Act Notice. Each Funding Agent subject to the requirements of the USA Patriot Act (Title III of Pub.: 107-56 (signed into law October 26, 2001)) (the "Patriot Act") hereby notifies HVF III that, pursuant to Section 326 thereof, it is required to obtain, verify and record information that identifies HVF III, including the name and address of HVF III and other information allowing such Funding Agent to identify HVF III in accordance with such act.

Section 11.22. Benchmark Replacement Setting. Notwithstanding anything to the contrary herein:

(a) Replacing the Eurodollar Rate. On March 5, 2021 the Financial Conduct Authority ("FCA"), the regulatory supervisor of the administrator of the Eurodollar Rate ("IBA"), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-month, 3-month, 6-month and 12- month Eurodollar tenor settings. On the earlier of (i) the date that all Available Tenors of the Eurodollar Rate have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (ii) the Early Opt-in Effective Date, if the then-current Benchmark is the Eurodollar Rate, the Benchmark Replacement will replace such Benchmark for all purposes hereunder in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Series 2021-A Supplement. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(b) Replacing Future Benchmarks. Upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Series 2021-A Noteholders without any amendment to, or further action or consent of any other party to, this Series 2021-A Supplement so long as the Program Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Required Controlling Class Series 2021-A Noteholders. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, HVF III may revoke any request for a borrowing of, conversion to or continuation of Eurodollar Advances to be made, converted or continued that would bear interest by reference to such Benchmark until HVF III's receipt of notice from the Program Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, HVF III will be deemed to have converted any such request into a request for a borrowing of or conversion to Class A Base Rate Tranches. During the period referenced in the foregoing sentence, the component of the Base Rate based upon the Benchmark will not be used in any determination of the Base Rate.

(c) Benchmark Replacement Conforming Changes. In connection with the implementation and administration of a Benchmark Replacement, the Program Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Series 2021-A Related Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Series 2021-A Supplement.

(d) Notices; Standards for Decisions and Determinations. The Program Agent will promptly notify HVF III and the Series 2021-A Noteholders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Program Agent pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section.

(e) Unavailability of Tenor of Benchmark. At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or the Eurodollar Rate), then the Program Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Program Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

(f) Decisions and Determinations by Program Agent. Any determination, decision or election that may be made by the Program Agent pursuant to this Section 11.22 (*Benchmark Replacement Setting*), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, and, notwithstanding anything to the contrary in this Series 2021-A Supplement, will become effective without consent from any other party (except as otherwise described herein). The Program Agent does not warrant to, or accept any responsibility for, and the Program Agent shall not have any liability with respect to, any determination, administration, submission or any other matter related to, the London interbank offered rate or other rates in the definition of "Eurodollar Rate" or "Eurodollar Rate (Reserve Adjusted) or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to this Section 11.22, whether upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to this Section 11.22, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement rate will be similar to, or produce the same value or economic equivalence of, the Eurodollar Rate or the Eurodollar Rate (Reserve Adjusted) or have the same volume or liquidity as such rates did prior to their discontinuance or unavailability.

Section 11.23. Recognition of U.S. Special Resolution Regimes.

(a) In the event that any Series 2021-A Noteholder that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Series 2021-A Noteholder of the Series 2021-A Notes held by such Series 2021-A Noteholder, together with its rights hereunder, and any interest and obligation in or under such Series 2021-A Notes or hereunder, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Series 2021-A Notes, this Series 2021-A Supplement, and any interest and obligation in or under the Series 2021-A Notes and this Series 2021-A Supplement, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Series 2021-A Noteholder that is a Covered Entity or a BHC Act Affiliate of such Series 2021-A Noteholder becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Series 2021-A Noteholder are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Series 2021-A Notes and this Series 2021-A Supplement were governed by the laws of the United States or a state of the United States.

(c) For purposes of this Section 11.23:

Section 2.2 Transfer Restrictions for Global Notes.

(a) A Global Note may not be transferred, in whole or in part, to any Person other than DTC or a nominee thereof, or to a successor Depository or to a nominee of a successor Depository, and no such transfer to any such other Person may be registered; provided, however, that this Section 2.2(a) (*Transfer Restrictions for Global Notes*) shall not prohibit any transfer of a Class A Note, a Class B Note, Class C Note or a Class D Note that is issued in exchange for the corresponding Global Note in accordance with Section 2.8 (*Transfer and Exchange*) of the Base Indenture and shall not prohibit any transfer of a beneficial interest in a Global Note effected in accordance with the other provisions of this Section 2.2 (*Transfer Restrictions for Global Notes*).

(b) The transfer by a Note Owner holding a beneficial interest in a 144A Global Note (other than a Class D Global Note) to a Person who wishes to take delivery thereof in the form of a beneficial interest in such 144A Global Note shall be made upon the deemed representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding HVF III as such transferee has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A.

(c) The transfer by a Note Owner holding a beneficial interest in a Class D Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in such Class D Global Note shall be made upon receipt by the Registrar, at the office of the Registrar, of a certificate in substantially the form set forth in Exhibit E-1 hereto containing the representations of such Person who wishes to take delivery of such beneficial interest in such Class D Global Note. Any transfer that occurs without delivery of the certificate referred to in the immediately preceding sentence will be void *ab initio.* The transfer by a Note Owner holding a beneficial interest in a Class D Global Note to any purchaser that is a Benefit Plan shall be restricted to less than 25 percent of the Class D Notes in the aggregate (excluding from such calculation any Class D Notes held by Controlling Persons). Any transfer in violation of the immediately preceding sentence will be void *ab initio*.

(d) If a Note Owner holding a beneficial interest in a 144A Global Note (other than a Class D Global Note) wishes at any time to exchange its interest in such 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Regulation S Global Note, such exchange or transfer may be effected, subject to the Applicable Procedures, only in accordance with the provisions of this Section 2.2(d) (*Transfer Restrictions for Global Notes*). Upon receipt by the Registrar, at the office of the Registrar, of (i) written instructions given in accordance with the Applicable Procedures from a Clearing Agency Participant directing the Registrar to credit or cause to be credited to a specified Clearing Agency Participant's account a beneficial interest in the Regulation S Global Note, in a principal amount equal to that of the beneficial interest in such 144A Global Note to be so exchanged or transferred, (ii) a written order from HVF III containing information regarding the account of the Clearing Agency Participant (and the Euroclear or Clearstream account, as the case may be) to be credited with, and the account of the Clearing Agency Participant to be debited for, such beneficial interest and (iii) a certificate in substantially the form set forth in Exhibit E-2 hereto given by the applicable Note Owner holding such beneficial interest in such 144A Global Note, the Registrar shall instruct BNY, as custodian of DTC, to reduce the principal amount of the applicable 144A Global Note, and to increase the principal amount of the applicable Regulation S Global Note, by the principal amount of the beneficial interest in such 144A Global Note to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions (which shall be the Clearing Agency Participant for Euroclear or Clearstream or both, as the case may be) a beneficial interest in such Regulation S Global Note having a principal amount equal to the amount by which the principal amount of such 144A Global Note was reduced upon such exchange or transfer.

(e) If a Note Owner holding a beneficial interest in a Regulation S Global Note wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding 144A Global Note, or to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the corresponding 144A Global Note, such exchange or transfer may be effected, subject to the Applicable Procedures, only in accordance with the provisions of this Section 2.2(e) (*Transfer Restrictions for Global Notes*). Upon receipt by the Registrar, at the office of the Registrar, of (i) written instructions given in accordance with the Applicable Procedures from a Clearing Agency Participant directing the Registrar to credit or cause to be credited to a specified Clearing Agency Participant's account a beneficial interest in such 144A Global Note in a principal amount equal to that of the beneficial interest in such Regulation S Global Note to be so exchanged or transferred, (ii) a written order from HVF III containing information regarding the account of the Clearing Agency Participant (and the Euroclear or Clearstream account, as the case may be) to be credited with, and the account of the Clearing Agency Participant to be debited for, such beneficial interest, and (iii) a certificate in substantially the form set forth in Exhibit E-3 hereto given by such Note Owner, as applicable, holding such beneficial interest in such Regulation S Global Note, the Registrar shall instruct BNY, as custodian of DTC, to reduce the principal amount of such Regulation S Global Note and to increase the principal amount of such 144A Global Note, by the principal amount of the beneficial interest in such Regulation S Global Note to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions (which shall be the Clearing Agency Participant for DTC) a beneficial interest in such 144A Global Note having a principal amount equal to the amount by which the principal amount of such Regulation S Global Note was reduced upon such exchange or transfer.

(f) The provisions of the rules and procedures of DTC, the "Operating Procedures of the Euroclear System" and the "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and the "Customer Handbook" of Clearstream (collectively, the "Applicable Procedures") shall be applicable to transfers of beneficial interests in the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes which are in the form of Class A Global Notes, Class B Global Notes, Class C Global Notes or Class D Global Notes, respectively.

The legend required for a Restricted Note may be removed from such Restricted Note if there is delivered to HVF III and the Registrar such satisfactory evidence, which may include an Opinion of Counsel as may be reasonably required by HVF III, that neither such legend nor the restrictions on transfer set forth therein are required to ensure that transfers of such Class A Note, Class B Note, Class C Notes or Class D Note, as applicable, will not violate the registration requirements of the Securities Act. Upon provision of such satisfactory evidence, HVF III shall deliver to the Trustee an Opinion of Counsel stating that all conditions precedent to such legend removal have been complied with, and the Trustee at the direction of HVF III shall authenticate and deliver in exchange for such Restricted Note a Class A Note, Class B Note, Class C Note or Class D Note or Class A Notes, Class B Notes, Class C Notes or Class D Notes, as applicable, having an equal aggregate principal amount that does not bear such legend. (j) The transfer by a Note Owner holding a beneficial interest in a Class A/B/C Note to another Person shall be made upon the deemed representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that either (i) such transferee is not, and is not acquiring or holding such Class A/B/C Notes (or any interest therein) for or on behalf, or with the assets, of, (A) any "employee benefit plan" (as defined in Section 3(3) of ERISA) that is subject to Title I of ERISA, (B) any "plan" (as defined in Section 4975(e)(1) of the Code) that is subject to Section 4975 of the Code, (C) any entity whose underlying assets include "plan assets" by reason of such employee benefit plan's or plan's investment in the entity (within the meaning of Department of Labor Regulation 29 C.F.R. 2510.3-101, as modified by Section 3(42) of ERISA) or (D) any governmental, church, non-U.S. or other plan that is subject to any non-U.S. federal, state or local law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code ("Similar Law") or any entity whose underlying assets include assets of any such plan, or (ii) such transferee's purchase, continued holding and disposition of such Class A/B/C Notes (or any interest therein) will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or result in a non-exempt violation of any Similar Law.

(k) The transfer by a Note Owner holding a beneficial interest in a Class D Note to another Person shall be made upon the representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that either (I) such transferee is not and is not acting on behalf of, or using the assets of (A) an "employee benefit plan" (as defined in Section 3(3) of ERISA), that is subject to Title I of ERISA, (B) a "plan"(as defined in Section 4975(e)(1) of the Code), that is subject to Section 4975 of the Code, (C) an entity whose underlying assets include "plan assets" by reason of such employee benefit plan's or plan's investment in the entity (within the meaning of Department of Labor Regulation 29 C.F.R. 2510.3-101, as modified by Section 3(42) of ERISA) or (D) any governmental, church, non-U.S. or other plan that is subject to any Similar Law or an entity whose underlying assets include assets of any such plan, or, solely if such prospective transferee of the Class D Notes or any interest therein is purchasing from HVF III or an Affiliate thereof, (II) such transferee's purchase, continued holding and disposition of such Class D Notes (or any interest therein) will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or result in a non-exempt violation of any Similar Law.

(l) Each transferee of any beneficial interest in any Class A/B/C Note that is represented by a Global Note will be deemed to have represented and agreed that such transferee is (A) a QIB and is acquiring such Class A/B/C Note for its own account or as a fiduciary or agent for others (which others are also QIBs) for investment purposes and not for distribution in violation of the Securities Act, and it is able to bear the economic risk of an investment in such Class A/B/C Note and has such knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of purchasing such Class A/B/C Note, or (B) not a "U.S. person" (as defined in Regulation S) (and is not purchasing for the account or benefit of a "U.S. person" as defined in Regulation S), is outside the United States and is acquiring such Class A/B/C Note pursuant to an exemption from registration in accordance with Rule 903 or Rule 904 of Regulation S.

Each such holder agrees, or by acquiring such Series 2021-1 Note or an interest in such Series 2021-1 Note will be deemed to agree, that HVF III may provide such information and any other information regarding its investment in such Series 2021-1 Notes to the U.S. Internal Revenue Service or other relevant governmental authority in accordance with applicable law. Each Series 2021-1 Noteholder and Note Owner of any Series 2021-1 Notes also acknowledges that the failure to provide information requested in connection with FATCA may cause HVF III to withhold on payments to such Series 2021-1 Noteholder (or Note Owner of such Series 2021-1 Notes) in accordance with applicable law. Any amounts withheld in order to comply with FATCA will not be grossed up and will be deemed to have been paid in respect of the relevant Series 2021-1 Notes.

(b) HVF III, the Trustee and any other Paying Agent are hereby authorized to retain from amounts otherwise distributable to any Series 2021-1 Noteholder sufficient funds for the payment of any such tax that, in their respective sole discretion, is legally owed or required to be withheld by them, including in connection with FATCA (but such authorization shall not prevent HVF III from contesting any such tax in appropriate legal proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such legal proceedings), and to timely remit such amounts to the appropriate taxing authority. If any Series 2021-1 Noteholder or Note Owner of a Series 2021-1 Note wishes to apply for a refund of any such withholding tax, HVF III, the Trustee or such other Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse HVF III, the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation, nor relieve any obligation imposed under applicable law, on the part of HVF III, the Trustee or any other Paying Agent to determine the amount of any tax or withholding obligation on their part or in respect of the Series 2021-1 Notes.

ARTICLE III

(iii) HVF III has established and maintained, and shall continue to maintain, in the name of, and under the control of, the Trustee for the benefit of the Series 2021-1 Noteholders the Series 2021-1 Distribution Account (the "Series 2021-1 Distribution Account", and together with the Series 2021-1 Principal Collection Account, the Series 2021-1 Interest Collection Account, the Class A/B/C/D Reserve Account and the Class A/B/C/D L/C Cash Collateral Account, the "Series 2021-1 Accounts").

(i) Each Series 2021-1 Account shall bear a designation clearly indicating that the funds deposited therein are held for the benefit of the Series 2021-1 Noteholders.

(ii) Each Series 2021-1 Account shall be an Eligible Account. If any Series 2021-1 Account is at any time no longer an Eligible Account, HVF III shall, within ten (10) Business Days of an Authorized Officer of HVF III obtaining actual knowledge that such Series 2021-1 Account is no longer an Eligible Account, establish a new Series 2021-1 Account for such non-qualifying Series 2021-1 Account that is an Eligible Account, and if a new Series 2021-1 Account is so established, HVF III shall instruct the Trustee in writing to transfer all cash and investments from such non-qualifying Series 2021-1 Account into such new Series 2021-1 Account. Initially, each of the Series 2021-1 Accounts will be established with The Bank of New York Mellon.

(ii) HVF III shall not direct the Trustee to dispose of (or permit the disposal of) any Permitted Investments prior to the maturity thereof to the extent such disposal would result in a loss of the initial purchase price of such Permitted Investment.

(iii) In the absence of written investment instructions hereunder, funds on deposit in the Series 2021-1 Accounts shall remain uninvested.

(d) Earnings from Series 2021-1 Accounts. A. first, pro rata to the Class A/B/C/D Letter of Credit Providers, to the extent that there are unreimbursed Class A/B/C/D Disbursements due and owing to such Class A/B/C/D Letter of Credit Providers, for application in accordance with the provisions of the respective Class A/B/C/D Letters of Credit, and

B. second, to HVF III any remaining amounts.

Section 4.3 Trustee as Securities Intermediary.

(a) With respect to each Series 2021-1 Account, the Trustee or other Person maintaining such Series 2021-1 Account shall be the "securities intermediary" (as defined in Section 8-102(a)(14) of the New York UCC and a "bank" (as defined in Section 9-102(a)(8) of the New York UCC), in such capacities, the "Securities Intermediary") with respect to such Series 2021-1 Account. If the Securities Intermediary in respect of any Series 2021-1 Account is not the Trustee, HVF III shall obtain the express agreement of such Person to the obligations of the Securities Intermediary set forth in this Section 4.3 (*Trustee as Securities Intermediary*).

(b) The Securities Intermediary agrees that:

(i) The Series 2021-1 Accounts are accounts to which Financial Assets will be credited;

(ii) All securities or other property underlying any Financial Assets credited to any Series 2021-1 Account shall be registered in the name of the Securities Intermediary, indorsed to the Securities Intermediary or in blank or credited to another securities account maintained in the name of the Securities Intermediary and in no case will any Financial Asset credited to any Series 2021-1 Account be registered in the name of HVF III, payable to the order of HVF III or specially endorsed to HVF III;

(iii) All property delivered to the Securities Intermediary pursuant to this Series 2021-1 Supplement and all Permitted Investments thereof will be promptly credited to the appropriate Series 2021-1 Account;

(iv) Each item of property (whether investment property, security, instrument or cash) credited to a Series 2021-1 Account shall be treated as a Financial Asset;

(v) If at any time the Securities Intermediary shall receive any order or instructions from the Trustee directing transfer or redemption of any Financial Asset relating to the Series 2021-1 Accounts or any instruction with respect to the disposition of funds therein, the Securities Intermediary shall comply with such entitlement order or instruction without further consent by HVF III or Administrator;

(vi) The Series 2021-1 Accounts shall be governed by the laws of the State of New York, regardless of any provision of any other agreement. For purposes of the New York UCC, New York shall be deemed to be the Securities Intermediary's jurisdiction (within the meaning of Section 9-304 and Section 8110 of the New York UCC) and the Series 2021-1 Accounts (as well as the securities entitlements related thereto) shall be governed by the laws of the State of New York;

(vii) The Securities Intermediary has not entered into, and until termination of this Series 2021-1 Supplement, will not enter into, any agreement with any other Person relating to the Series 2021-1 Accounts and/or any Financial Assets credited thereto pursuant to which it has agreed to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) of such other Person and the Securities Intermediary has not entered into, and until the termination of this Series 2021-1 Supplement will not enter into, any agreement with HVF III purporting to limit or condition the obligation of the Securities Intermediary to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) as set forth in Section 4.3(b)(v) (*Trustee as Securities Intermediary*); and

(viii) Except for the claims and interest of the Trustee and HVF III in the Series 2021-1 Accounts, the Securities Intermediary knows of no claim to, or interest in, the Series 2021-1 Accounts or in any Financial Asset credited thereto. If the Securities Intermediary has actual knowledge of the assertion by any other person of any lien, encumbrance, or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against any Series 2021-1 Account or in any Financial Asset carried therein, the Securities Intermediary will promptly notify the Trustee, the Administrator and HVF III thereof.

(c) The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Series 2021-1 Accounts and in all Proceeds thereof, and shall be the only person authorized to originate Entitlement Orders (within the meaning of Section 9-304 and Section 8110 of the New York UCC) in respect of the Series 2021-1 Accounts.

(d) Notwithstanding anything in Section 4.1 (*Granting Clause*), Section 4.2 (*Series 2021-1 Accounts*) or this Section 4.3 (*Trustee as Securities Intermediary*) to the contrary, the parties hereto agree that as permitted by Section 8-504(c)(1) of the New York UCC, with respect to any Series 2021-1 Account, the Securities Intermediary may satisfy the duty in Section 8-504(a) of the New York UCC with respect to any cash credited to such Series 2021-1 Account by crediting such Series 2021-1 Account a general unsecured claim against the Securities Intermediary, as a bank, payable on demand, for the amount of such cash.

(e) Notwithstanding anything in Section 4.1 (*Granting Clause*), Section 4.2 (*Series 2021-1 Accounts*) or this Section 4.3 (*Trustee as Securities Intermediary*) to the contrary, with respect to any Series 2021-1 Account and any credit balances not constituting Financial Assets credited thereto, the Securities Intermediary shall be acting as a bank (as defined in Section 9-102(a)(8) of the New York UCC) if such Series 2021-1 Account is deemed not to constitute a securities account.

Section 4.4 Demand Notes.

(a) Trustee Authorized to Make Demands. The Trustee, for the benefit of the Series 2021-1 Noteholders, shall be the only Person authorized to make a demand for payment on any Class A/B/C/D Demand Note.

(b) Modification of Demand Note. Other than pursuant to a payment made upon a demand thereon by the Trustee pursuant to Section 5.6(c) (*Class A/B/C/D Letters of Credit and Class A/B/C/D Demand Notes*), HVF III shall not reduce the amount of any Class A/B/C/D Demand Note or forgive amounts payable thereunder so that the aggregate undrawn principal amount of the Class A/B/C/D Demand Notes after such forgiveness or reduction is less than the greater of (i) the Class A/B/C/D Letter of Credit Liquidity Amount as of the date of such reduction or forgiveness and (ii) an amount equal to 0.50% of the Class A/B/C/D Principal Amount as of the date of such reduction or forgiveness. Other than in connection with a reduction or forgiveness in accordance with the first sentence of this Section 4.4(b) (*Modification of Demand Notes*) or an increase in the stated amount of any Class A/B/C/D Demand Note, HVF III shall not agree to any amendment of any Class A/B/C/D Demand Note without first obtaining the prior written consent of the Majority Series 2021-1 Controlling Class.

Section 4.5 Subordination. The Series-Specific 2021-1 Collateral has been pledged to the Trustee to secure the Series 2021-1 Notes. For all purposes hereunder and for the avoidance of doubt, the Series-Specific 2021-1 Collateral and each Class A/B/C/D Letter of Credit will be held by the Trustee solely for the benefit of the Noteholders of the Series 2021-1 Notes, and no Noteholder of any Series of Notes other than the Series 2021-1 Notes will have any right, title or interest in, to or under the Series-Specific 2021-1 Collateral or any Class A/B/C/D Letter of Credit. For the avoidance of doubt, if it is determined that the Series 2021-1 Noteholders have any right, title or interest in, to or under the Series-Specific Collateral with respect to any Series of Notes other than Series 2021-1 Notes, then the Series 2021-1 Noteholders agree that their right, title and interest in, to or under such Series-Specific Collateral shall be subordinate in all respects to the claims or rights of the Noteholders with respect to such other Series of Notes, and in such case, this Series 2021-1 Supplement shall constitute a subordination agreement for purposes of Section 510(a) of the Bankruptcy Code.

Section 4.6 Duty of the Trustee. Except for actions expressly authorized by the Base Indenture or this Series 2021-1 Supplement, the Trustee shall take no action reasonably likely to impair the security interests created hereunder in any of the Series-Specific 2021-1 Collateral now existing or hereafter created or to impair the value of any of the Series-Specific 2021-1 Collateral now existing or hereafter created.

Section 4.7 Representations of the Trustee. The Trustee represents and warrants to HVF III that the Trustee satisfies the requirements for a trustee set forth in paragraph (a)(4)(i) of Rule 3a-7 under the Investment Company Act.

(m) any representation made by HVF III in any Series 2021-1 Related Document is false and such false representation materially and adversely affects the interests of the Series 2021-1 Noteholders and the event or condition that caused such representation to be false is not cured for a period of thirty (30) consecutive days after the earlier of (i) the date on which an Authorized Officer of HVF III obtains actual knowledge thereof or (ii) the date that written notice thereof is given to HVF III by the Trustee or to HVF III and the Trustee by the Majority Series 2021-1 Controlling Class.

Then, in the case of:

(i) any event described in Sections 7.1(a) through (d) (*Amortization Events*), an "Amortization Event" with respect to the Series 2021-1 Notes will immediately occur without any notice or other action on the part of the Trustee or any Series 2021-1 Noteholder, and

Section 2.2 Transfer Restrictions for Global Notes.

(a) A Global Note may not be transferred, in whole or in part, to any Person other than DTC or a nominee thereof, or to a successor Depository or to a nominee of a successor Depository, and no such transfer to any such other Person may be registered; provided, however, that this Section 2.2(a) (*Transfer Restrictions for Global Notes*) shall not prohibit any transfer of a Class A Note, a Class B Note, Class C Note or a Class D Note that is issued in exchange for the corresponding Global Note in accordance with Section 2.8 (*Transfer and Exchange*) of the Base Indenture and shall not prohibit any transfer of a beneficial interest in a Global Note effected in accordance with the other provisions of this Section 2.2 (*Transfer Restrictions for Global Notes*).

(b) The transfer by a Note Owner holding a beneficial interest in a 144A Global Note (other than a Class D Global Note) to a Person who wishes to take delivery thereof in the form of a beneficial interest in such 144A Global Note shall be made upon the deemed representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding HVF III as such transferee has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A.

(c) The transfer by a Note Owner holding a beneficial interest in a Class D Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in such Class D Global Note shall be made upon receipt by the Registrar, at the office of the Registrar, of a certificate in substantially the form set forth in Exhibit E-1 hereto containing the representations of such Person who wishes to take delivery of such beneficial interest in such Class D Global Note. Any transfer that occurs without delivery of the certificate referred to in the immediately preceding sentence will be void *ab initio.* The transfer by a Note Owner holding a beneficial interest in a Class D Global Note to any purchaser that is a Benefit Plan shall be restricted to less than 25 percent of the Class D Notes in the aggregate (excluding from such calculation any Class D Notes held by Controlling Persons). Any transfer in violation of the immediately preceding sentence will be void *ab initio*.

(d) If a Note Owner holding a beneficial interest in a 144A Global Note (other than a Class D Global Note) wishes at any time to exchange its interest in such 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Regulation S Global Note, such exchange or transfer may be effected, subject to the Applicable Procedures, only in accordance with the provisions of this Section 2.2(d) (*Transfer Restrictions for Global Notes*). Upon receipt by the Registrar, at the office of the Registrar, of (i) written instructions given in accordance with the Applicable Procedures from a Clearing Agency Participant directing the Registrar to credit or cause to be credited to a specified Clearing Agency Participant's account a beneficial interest in the Regulation S Global Note, in a principal amount equal to that of the beneficial interest in such 144A Global Note to be so exchanged or transferred, (ii) a written order from HVF III containing information regarding the account of the Clearing Agency Participant (and the Euroclear or Clearstream account, as the case may be) to be credited with, and the account of the Clearing Agency Participant to be debited for, such beneficial interest and (iii) a certificate in substantially the form set forth in Exhibit E-2 hereto given by the applicable Note Owner holding such beneficial interest in such 144A Global Note, the Registrar shall instruct BNY, as custodian of DTC, to reduce the principal amount of the applicable 144A Global Note, and to increase the principal amount of the applicable Regulation S Global Note, by the principal amount of the beneficial interest in such 144A Global Note to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions (which shall be the Clearing Agency Participant for Euroclear or Clearstream or both, as the case may be) a beneficial interest in such Regulation S Global Note having a principal amount equal to the amount by which the principal amount of such 144A Global Note was reduced upon such exchange or transfer.

(e) If a Note Owner holding a beneficial interest in a Regulation S Global Note wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding 144A Global Note, or to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the corresponding 144A Global Note, such exchange or transfer may be effected, subject to the Applicable Procedures, only in accordance with the provisions of this Section 2.2(e) (*Transfer Restrictions for Global Notes*). Upon receipt by the Registrar, at the office of the Registrar, of (i) written instructions given in accordance with the Applicable Procedures from a Clearing Agency Participant directing the Registrar to credit or cause to be credited to a specified Clearing Agency Participant's account a beneficial interest in such 144A Global Note in a principal amount equal to that of the beneficial interest in such Regulation S Global Note to be so exchanged or transferred, (ii) a written order from HVF III containing information regarding the account of the Clearing Agency Participant (and the Euroclear or Clearstream account, as the case may be) to be credited with, and the account of the Clearing Agency Participant to be debited for, such beneficial interest, and (iii) a certificate in substantially the form set forth in Exhibit E-3 hereto given by such Note Owner, as applicable, holding such beneficial interest in such Regulation S Global Note, the Registrar shall instruct BNY, as custodian of DTC, to reduce the principal amount of such Regulation S Global Note and to increase the principal amount of such 144A Global Note, by the principal amount of the beneficial interest in such Regulation S Global Note to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions (which shall be the Clearing Agency Participant for DTC) a beneficial interest in such 144A Global Note having a principal amount equal to the amount by which the principal amount of such Regulation S Global Note was reduced upon such exchange or transfer.

(f) The provisions of the rules and procedures of DTC, the "Operating Procedures of the Euroclear System" and the "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and the "Customer Handbook" of Clearstream (collectively, the "Applicable Procedures") shall be applicable to transfers of beneficial interests in the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes which are in the form of Class A Global Notes, Class B Global Notes, Class C Global Notes or Class D Global Notes, respectively.

(i) The required legends set forth above shall not be removed from the applicable Class A Notes, Class B Notes, Class C Notes or Class D Notes except as provided herein. The legend required for a Restricted Note may be removed from such Restricted Note if there is delivered to HVF III and the Registrar such satisfactory evidence, which may include an Opinion of Counsel as may be reasonably required by HVF III, that neither such legend nor the restrictions on transfer set forth therein are required to ensure that transfers of such Class A Note, Class B Note, Class C Notes or Class D Note, as applicable, will not violate the registration requirements of the Securities Act. Upon provision of such satisfactory evidence, HVF III shall deliver to the Trustee an Opinion of Counsel stating that all conditions precedent to such legend removal have been complied with, and the Trustee at the direction of HVF III shall authenticate and deliver in exchange for such Restricted Note a Class A Note, Class B Note, Class C Note or Class D Note or Class A Notes, Class B Notes, Class C Notes or Class D Notes, as applicable, having an equal aggregate principal amount that does not bear such legend. If such a legend required for a Restricted Note has been removed from a Class A Note, Class B Note, Class C Note or Class D Note as provided above, no other Note issued in exchange for all or any part of such Class A Note, Class B Note, Class C Note or Class D Note, as applicable, shall bear such legend, unless HVF III has reasonable cause to believe that such other Class A Note, Class B Note, Class C Note or Class D Note, as applicable, is a "restricted security" within the meaning of Rule 144A under the Securities Act and instructs the Trustee to cause a legend to appear thereon.

(j) The transfer by a Note Owner holding a beneficial interest in a Class A/B/C Note to another Person shall be made upon the deemed representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that either (i) such transferee is not, and is not acquiring or holding such Class A/B/C Notes (or any interest therein) for or on behalf, or with the assets, of, (A) any "employee benefit plan" (as defined in Section 3(3) of ERISA) that is subject to Title I of ERISA, (B) any "plan" (as defined in Section 4975(e)(1) of the Code) that is subject to Section 4975 of the Code, (C) any entity whose underlying assets include "plan assets" by reason of such employee benefit plan's or plan's investment in the entity (within the meaning of Department of Labor Regulation 29 C.F.R. 2510.3-101, as modified by Section 3(42) of ERISA) or (D) any governmental, church, non-U.S. or other plan that is subject to any non-U.S. federal, state or local law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code ("Similar Law") or any entity whose underlying assets include assets of any such plan, or (ii) such transferee's purchase, continued holding and disposition of such Class A/B/C Notes (or any interest therein) will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or result in a non-exempt violation of any Similar Law.

(k) The transfer by a Note Owner holding a beneficial interest in a Class D Note to another Person shall be made upon the representation of the transferee (and, for the avoidance of doubt, each such transferee shall be deemed to represent) that either (I) such transferee is not and is not acting on behalf of, or using the assets of (A) an "employee benefit plan" (as defined in Section 3(3) of ERISA), that is subject to Title I of ERISA, (B) a "plan"(as defined in Section 4975(e)(1) of the Code), that is subject to Section 4975 of the Code, (C) an entity whose underlying assets include "plan assets" by reason of such employee benefit plan's or plan's investment in the entity (within the meaning of Department of Labor Regulation 29 C.F.R. 2510.3-101, as modified by Section 3(42) of ERISA) or (D) any governmental, church, non-U.S. or other plan that is subject to any Similar Law or an entity whose underlying assets include assets of any such plan, or, solely if such prospective transferee of the Class D Notes or any interest therein is purchasing from HVF III or an Affiliate thereof, (II) such transferee's purchase, continued holding and disposition of such Class D Notes (or any interest therein) will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or result in a non-exempt violation of any Similar Law.

(l) Each transferee of any beneficial interest in any Class A/B/C Note that is represented by a Global Note will be deemed to have represented and agreed that such transferee is (A) a QIB and is acquiring such Class A/B/C Note for its own account or as a fiduciary or agent for others (which others are also QIBs) for investment purposes and not for distribution in violation of the Securities Act, and it is able to bear the economic risk of an investment in such Class A/B/C Note and has such knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of purchasing such Class A/B/C Note, or (B) not a "U.S. person" (as defined in Regulation S) (and is not purchasing for the account or benefit of a "U.S. person" as defined in Regulation S), is outside the United States and is acquiring such Class A/B/C Note pursuant to an exemption from registration in accordance with Rule 903 or Rule 904 of Regulation S.

(m) Each transferee of any beneficial interest in any Class D Note that is represented by a Global Note will be deemed to have represented and agreed that such transferee is a QIB and is acquiring such Class D Note for its own account or as a fiduciary or agent for others (which others are also QIBs) for investment purposes and not for distribution in violation of the Securities Act, and it is able to bear the economic risk of an investment in such Class D Note and has such knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of purchasing such Class D Note.

Section 2.3 Definitive Notes. No Note Owner will receive a Definitive Note representing such Note Owner's interest in the Class A/B/C/D Notes other than in accordance with Section 2.13 (*Definitive Notes*) of the Base Indenture. Definitive Notes shall have such insertions and deletions as are necessary to give effect to the provisions of Section 2.13 (*Definitive Notes*) of the Base Indenture.

Section 2.4 Legal Final Payment Date. The Principal Amount of the Series 2021-2 Notes shall be due and payable on the Legal Final Payment Date.

Section 2.5 Required Series Noteholders. In accordance with Section 2.3 (*Series Supplement for each Series of Notes*) of the Base Indenture, the Majority Series 2021-2 Noteholders shall be the "Required Series Noteholders" with respect to the Series 2021-2 Notes.

Section 2.6 FATCA. In the event that a Note Owner receives a Definitive Note representing such Note Owner's interest in the Class A/B/C/D Notes in accordance with Section 2.13 (*Definitive Notes*) of the Base Indenture:

(a) Each Series 2021-2 Noteholder (and any Note Owner of any Series 2021-2 Note) will be required to (i) provide HVF III, the Trustee and their respective agents with any correct, complete and accurate information that may be required under applicable law (or reasonably believed by HVF III to be required under applicable law) for such parties to comply with FATCA, (ii) take any other commercially reasonable actions that HVF III, the Trustee or their respective agents deem necessary to comply with FATCA and (iii) update any such information provided in the preceding clauses (i) or (ii) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. Each such holder agrees, or by acquiring such Series 2021-2 Note or an interest in such Series 2021-2 Note will be deemed to agree, that HVF III may provide such information and any other information regarding its investment in such Series 2021-2 Notes to the U.S. Internal Revenue Service or other relevant governmental authority in accordance with applicable law. Each Series 2021-2 Noteholder and Note Owner of any Series 2021-2 Notes also acknowledges that the failure to provide information requested in connection with FATCA may cause HVF III to withhold on payments to such Series 2021-2 Noteholder (or Note Owner of such Series 2021-2 Notes) in accordance with applicable law. Any amounts withheld in order to comply with FATCA will not be grossed up and will be deemed to have been paid in respect of the relevant Series 2021-2 Notes.

(b) HVF III, the Trustee and any other Paying Agent are hereby authorized to retain from amounts otherwise distributable to any Series 2021-2 Noteholder sufficient funds for the payment of any such tax that, in their respective sole discretion, is legally owed or required to be withheld by them, including in connection with FATCA (but such authorization shall not prevent HVF III from contesting any such tax in appropriate legal proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such legal proceedings), and to timely remit such amounts to the appropriate taxing authority. If any Series 2021-2 Noteholder or Note Owner of a Series 2021-2 Note wishes to apply for a refund of any such withholding tax, HVF III, the Trustee or such other Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse HVF III, the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation, nor relieve any obligation imposed under applicable law, on the part of HVF III, the Trustee or any other Paying Agent to determine the amount of any tax or withholding obligation on their part or in respect of the Series 2021-2 Notes.

ARTICLE III

INTEREST AND INTEREST RATES

(a) Each Class of Series 2021-2 Notes shall bear interest at the applicable Note Rate for such Class in accordance with the definition of Class Interest Amount. On each Payment Date, the Class Interest Amount with respect to such Payment Date shall be paid in accordance with the provisions hereof. If the amounts described in Section 5.3 (*Application of Funds in the Series 2021-2 Interest Collection Account*) are insufficient to pay the Class Interest Amount for any Class for any Payment Date, payments of such Class Interest Amount to the Noteholders of such Class will be reduced by the amount of such insufficiency (the aggregate amount, if any, of such insufficiency on such Payment Date, the "Class Deficiency Amount"), and interest shall accrue on any such Class Deficiency Amount at the applicable Note Rate in accordance with the definition of Class Interest Amount.

(i) Each Series 2021-2 Account shall bear a designation clearly indicating that the funds deposited therein are held for the benefit of the Series 2021-2 Noteholders.

(ii) Each Series 2021-2 Account shall be an Eligible Account. If any Series 2021-2 Account is at any time no longer an Eligible Account, HVF III shall, within ten (10) Business Days of an Authorized Officer of HVF III obtaining actual knowledge that such Series 2021-2 Account is no longer an Eligible Account, establish a new Series 2021-2 Account for such non-qualifying Series 2021-2 Account that is an Eligible Account, and if a new Series 2021-2 Account is so established, HVF III shall instruct the Trustee in writing to transfer all cash and investments from such non-qualifying Series 2021-2 Account into such new Series 2021-2 Account. Initially, each of the Series 2021-2 Accounts will be established with The Bank of New York Mellon.

(c) Administration of the Series 2021-2 Accounts.

(i) HVF III may instruct (by standing instructions or otherwise) any institution maintaining any Series 2021-2 Account (other than the Series 2021-2 Distribution Account) to invest funds on deposit in such Series 2021-2 Account from time to time in Permitted Investments in the name of the Trustee or the Securities Intermediary and Permitted Investments shall be credited to the applicable Series 2021-2 Account; provided, however, that:

B. any such investment in the Series 2021-2 Principal Collection Account, the Series 2021-2 Interest Collection Account or the Class A/B/C/D L/C Cash Collateral Account shall mature not later than the Business Day prior to the first Payment Date following the date on which such investment was made, unless in any such case any such Permitted Investment is held with the Trustee, then such investment may mature on such Payment Date so long as such funds shall be available for withdrawal on such Payment Date.

(ii) HVF III shall not direct the Trustee to dispose of (or permit the disposal of) any Permitted Investments prior to the maturity thereof to the extent such disposal would result in a loss of the initial purchase price of such Permitted Investment.

(iii) In the absence of written investment instructions hereunder, funds on deposit in the Series 2021-2 Accounts shall remain uninvested.

(d) Earnings from Series 2021-2 Accounts. With respect to each Series 2021-2 Account, all interest and earnings (net of losses and investment expenses) paid on funds on deposit in or on any security entitlement with respect to Financial Assets credited to such Series 2021-2 Account shall be deemed to be on deposit therein and available for distribution unless previously distributed pursuant to the terms hereof.

(e) Termination of Series 2021-2 Accounts.

(i) On or after the date on which the Series 2021-2 Notes are fully paid, the Trustee, acting in accordance with the written instructions of HVF III, shall withdraw from each Series 2021-2 Account (other than the Class A/B/C/D L/C Cash Collateral Account) all remaining amounts on deposit therein and pay such amounts to HVF III.

(ii) Upon the termination of this Series 2021-2 Supplement in accordance with its terms, the Trustee, acting in accordance with the written instructions of HVF III, after the prior payment of all amounts due and owing to the Series 2021-2 Noteholders and payable from the Class A/B/C/D L/C Cash Collateral Account as provided herein, shall withdraw from the Class A/B/C/D L/C Cash Collateral Account all amounts on deposit therein and shall pay such amounts:

A. first, pro rata to the Class A/B/C/D Letter of Credit Providers, to the extent that there are unreimbursed Class A/B/C/D Disbursements due and owing to such Class A/B/C/D Letter of Credit Providers, for application in accordance with the provisions of the respective Class A/B/C/D Letters of Credit, and

B. second, to HVF III any remaining amounts.

Section 4.3 Trustee as Securities Intermediary.

(a) With respect to each Series 2021-2 Account, the Trustee or other Person maintaining such Series 2021-2 Account shall be the "securities intermediary" (as defined in Section 8-102(a)(14) of the New York UCC and a "bank" (as defined in Section 9-102(a)(8) of the New York UCC), in such capacities, the "Securities Intermediary") with respect to such Series 2021-2 Account. If the Securities Intermediary in respect of any Series 2021-2 Account is not the Trustee, HVF III shall obtain the express agreement of such Person to the obligations of the Securities Intermediary set forth in this Section 4.3 (*Trustee as Securities Intermediary*).

(b) The Securities Intermediary agrees that:

(i) The Series 2021-2 Accounts are accounts to which Financial Assets will be credited;

(ii) All securities or other property underlying any Financial Assets credited to any Series 2021-2 Account shall be registered in the name of the Securities Intermediary, indorsed to the Securities Intermediary or in blank or credited to another securities account maintained in the name of the Securities Intermediary and in no case will any Financial Asset credited to any Series 2021-2 Account be registered in the name of HVF III, payable to the order of HVF III or specially endorsed to HVF III;

(iii) All property delivered to the Securities Intermediary pursuant to this Series 2021-2 Supplement and all Permitted Investments thereof will be promptly credited to the appropriate Series 2021-2 Account;

(iv) Each item of property (whether investment property, security, instrument or cash) credited to a Series 2021-2 Account shall be treated as a Financial Asset;

(v) If at any time the Securities Intermediary shall receive any order or instructions from the Trustee directing transfer or redemption of any Financial Asset relating to the Series 2021-2 Accounts or any instruction with respect to the disposition of funds therein, the Securities Intermediary shall comply with such entitlement order or instruction without further consent by HVF III or Administrator;

(vi) The Series 2021-2 Accounts shall be governed by the laws of the State of New York, regardless of any provision of any other agreement. For purposes of the New York UCC, New York shall be deemed to be the Securities Intermediary's jurisdiction (within the meaning of Section 9-304 and Section 8110 of the New York UCC) and the Series 2021-2 Accounts (as well as the securities entitlements related thereto) shall be governed by the laws of the State of New York;

(vii) The Securities Intermediary has not entered into, and until termination of this Series 2021-2 Supplement, will not enter into, any agreement with any other Person relating to the Series 2021-2 Accounts and/or any Financial Assets credited thereto pursuant to which it has agreed to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) of such other Person and the Securities Intermediary has not entered into, and until the termination of this Series 2021-2 Supplement will not enter into, any agreement with HVF III purporting to limit or condition the obligation of the Securities Intermediary to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) as set forth in Section 4.3(b)(v) (*Trustee as Securities Intermediary*); and

(viii) Except for the claims and interest of the Trustee and HVF III in the Series 2021-2 Accounts, the Securities Intermediary knows of no claim to, or interest in, the Series 2021-2 Accounts or in any Financial Asset credited thereto. If the Securities Intermediary has actual knowledge of the assertion by any other person of any lien, encumbrance, or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against any Series 2021-2 Account or in any Financial Asset carried therein, the Securities Intermediary will promptly notify the Trustee, the Administrator and HVF III thereof.

(c) The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Series 2021-2 Accounts and in all Proceeds thereof, and shall be the only person authorized to originate Entitlement Orders (within the meaning of Section 9-104 of the New York UCC) in respect of the Series 2021-2 Accounts.

(d) Notwithstanding anything in Section 4.1 (*Granting Clause*), Section 4.2 (*Series 2021-2 Accounts*) or this Section 4.3 (*Trustee as Securities Intermediary*) to the contrary, the parties hereto agree that as permitted by Section 8-504(c)(1) of the New York UCC, with respect to any Series 2021-2 Account, the Securities Intermediary may satisfy the duty in Section 8-504(a) of the New York UCC with respect to any cash credited to such Series 2021-2 Account by crediting such Series 2021-2 Account a general unsecured claim against the Securities Intermediary, as a bank, payable on demand, for the amount of such cash.

(e) Notwithstanding anything in Section 4.1 (*Granting Clause*), Section 4.2 (*Series 2021-2 Accounts*) or this Section 4.3 (*Trustee as Securities Intermediary*) to the contrary, with respect to any Series 2021-2 Account and any credit balances not constituting Financial Assets credited thereto, the Securities Intermediary shall be acting as a bank (as defined in Section 9-102(a)(8) of the New York UCC) if such Series 2021-2 Account is deemed not to constitute a securities account.

Section 4.4 Demand Notes.

(a) Trustee Authorized to Make Demands. The Trustee, for the benefit of the Series 2021-2 Noteholders, shall be the only Person authorized to make a demand for payment on any Class A/B/C/D Demand Note.

(b) Modification of Demand Note. Other than pursuant to a payment made upon a demand thereon by the Trustee pursuant to Section 5.6(c) (*Class A/B/C/D Letters of Credit and Class A/B/C/D Demand Notes*), HVF III shall not reduce the amount of any Class A/B/C/D Demand Note or forgive amounts payable thereunder so that the aggregate undrawn principal amount of the Class A/B/C/D Demand Notes after such forgiveness or reduction is less than the greater of (i) the Class A/B/C/D Letter of Credit Liquidity Amount as of the date of such reduction or forgiveness and (ii) an amount equal to 0.50% of the Class A/B/C/D Principal Amount as of the date of such reduction or forgiveness. Other than in connection with a reduction or forgiveness in accordance with the first sentence of this Section 4.4(b) (*Modification of Demand Notes*) or an increase in the stated amount of any Class A/B/C/D Demand Note, HVF III shall not agree to any amendment of any Class A/B/C/D Demand Note without first obtaining the prior written consent of the Majority Series 2021-2 Controlling Class.

Section 4.5 Subordination. The Series-Specific 2021-2 Collateral has been pledged to the Trustee to secure the Series 2021-2 Notes. For all purposes hereunder and for the avoidance of doubt, the Series-Specific 2021-2 Collateral and each Class A/B/C/D Letter of Credit will be held by the Trustee solely for the benefit of the Noteholders of the Series 2021-2 Notes, and no Noteholder of any Series of Notes other than the Series 2021-2 Notes will have any right, title or interest in, to or under the Series-Specific 2021-2 Collateral or any Class A/B/C/D Letter of Credit. For the avoidance of doubt, if it is determined that the Series 2021-2 Noteholders have any right, title or interest in, to or under the Series-Specific Collateral with respect to any Series of Notes other than Series 2021-2 Notes, then the Series 2021-2 Noteholders agree that their right, title and interest in, to or under such Series-Specific Collateral shall be subordinate in all respects to the claims or rights of the Noteholders with respect to such other Series of Notes, and in such case, this Series 2021-2 Supplement shall constitute a subordination agreement for purposes of Section 510(a) of the Bankruptcy Code.

Section 4.6 Duty of the Trustee. Except for actions expressly authorized by the Base Indenture or this Series 2021-2 Supplement, the Trustee shall take no action reasonably likely to impair the security interests created hereunder in any of the Series-Specific 2021-2 Collateral now existing or hereafter created or to impair the value of any of the Series-Specific 2021-2 Collateral now existing or hereafter created.

Section 4.7 Representations of the Trustee. The Trustee represents and warrants to HVF III that the Trustee satisfies the requirements for a trustee set forth in paragraph (a)(4)(i) of Rule 3a-7 under the Investment Company Act.

(g) after the funding of the Class A/B/C/D L/C Cash Collateral Account, (i) the Class A/B/C/D L/C Cash Collateral Account is subject to an injunction, estoppel or other stay or a Lien (other than any Lien described in clause (iii) of the definition of Series 2021-2 Permitted Liens) or (ii) other than as a result of a Series 2021-2 Permitted Lien, the Trustee fails to have a valid and perfected first priority security interest in the Class A/B/C/D L/C Cash Collateral Account Collateral (or HVF III or any Affiliate thereof so asserts in writing), in each case, for a period of thirty (30) days and during such period the Class A/B/C/D Adjusted Liquid Enhancement Amount, excluding therefrom the Class A/B/C/D Available L/C Cash Collateral Account Amount, would be less than the Class A/B/C/D Required Liquid Enhancement Amount;

(h) other than as a result of a Series 2021-2 Permitted Lien, the Trustee shall for any reason cease to have a valid and perfected first priority security interest in the Series 2021-2 Collateral (other than the Class A/B/C/D Reserve Account Collateral, the Class A/B/C/D L/C Cash Collateral Account Collateral or any Class A/B/C/D Letter of Credit) or HVF III or any Affiliate thereof so asserts in writing, and in any such case such cessation shall continue for thirty (30) consecutive days or such assertion shall not have been rescinded within thirty (30) consecutive days;

(j) any Administrator Default shall have occurred;

(k) any of the Series 2021-2 Related Documents or any material portion thereof shall cease, for any reason, to be in full force and effect, enforceable in accordance with its terms (other than in accordance with the terms thereof or as otherwise expressly permitted in the Series 2021-2 Related Documents) or Hertz, any Lessee or HVF III shall so assert any of the foregoing in writing and such written assertion shall not have been rescinded within ten (10) consecutive Business Days following the date of such written assertion, in each case, other than any such cessation (i) resulting from the application of the Bankruptcy Code (other than as a result of an Event of Bankruptcy with respect to HVF III, any Lessee, or Hertz in any capacity) or (ii) as a result of any waiver, supplement, modification, amendment or other action not prohibited by the Series 2021-2 Related Documents;

(l) HVF III fails to comply with any of its other agreements or covenants in any Series 2021-2 Related Document and the failure to so comply materially and adversely affects the interests of the Series 2021-2 Noteholders and continues to materially and adversely affect the interests of the Series 2021-2 Noteholders for a period of thirty (30) consecutive days after the earlier of (i) the date on which an Authorized Officer of HVF III obtains actual knowledge thereof or (ii) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to HVF III by the Trustee or to HVF III and the Trustee by the Majority Series 2021-2 Controlling Class; or

(m) any representation made by HVF III in any Series 2021-2 Related Document is false and such false representation materially and adversely affects the interests of the Series 2021-2 Noteholders and the event or condition that caused such representation to be false is not cured for a period of thirty (30) consecutive days after the earlier of (i) the date on which an Authorized Officer of HVF III obtains actual knowledge thereof or (ii) the date that written notice thereof is given to HVF III by the Trustee or to HVF III and the Trustee by the Majority Series 2021-2 Controlling Class.

Then, in the case of:

(i) any event described in Sections 7.1(a) through (d) (*Amortization Events*), an "Amortization Event" with respect to the Series 2021-2 Notes will immediately occur without any notice or other action on the part of the Trustee or any Series 2021-2 Noteholder, and

(ii) any event described in Sections 7.1(e) through (m) (*Amortization Events*), so long as such event is continuing, either the Trustee may, by written notice to HVF III, or the Majority Series 2021-2 Controlling Class may, by written notice to HVF III and the Trustee, declare that an "Amortization Event" with respect to the Series 2021-2 Notes has occurred as of the date of the notice.

An Amortization Event, as well as any Potential Amortization Event related thereto, with respect to the Series 2021-2 Notes described in Sections 7.1(c) through (m) (*Amortization Events*) above may be waived with the written consent of the Majority Series 2021-2 Controlling Class. For the avoidance of doubt, with respect to any Potential Amortization Event with respect to the Series 2021-2 Notes, if the event or condition giving rise (directly or indirectly) to such Potential Amortization Event ceases to be continuing (through cure, waiver or otherwise), then such Potential Amortization Event will cease to exist and will be deemed to have been cured for every purpose under the Series 2021-2 Related Documents.

The Amortization Events set forth above are in addition to, and not in lieu of, the Amortization Events set forth in the Base Indenture applicable to all Series of Notes.

Authorized Signatory

(d) Each Note shall be dated and issued as of the date of its authentication by the Trustee.

(e) Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by HVF III as contemplated by the applicable Series Supplement, and HVF III shall deliver such Note to the Trustee for cancellation as provided in Section 2.14 *(Cancellation)* of this Base Indenture together with a written statement (which need not comply with Section 13.4 *(Statements Required in Certificate and Opinion of Counsel)* of this Base Indenture and need not be accompanied by an Opinion of Counsel) stating that such Note has never been issued and sold by HVF III as contemplated by the applicable Series Supplement, for all purposes of this Base Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall not be entitled to the benefits of this Base Indenture.

(f) The Trustee shall have the right to decline to authenticate and deliver any Notes under this Section 2.4 *(Execution and Authentication)* if the Trustee, based on the written advice of counsel, determines that such action may not lawfully be taken.

Section 2.5. Registrar and Paying Agent.

HVF III shall (i) maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and (ii) appoint a paying agent (which shall satisfy the eligibility criteria set forth in Section 10.8(a) *(Eligibility Disqualification)*) of this Base Indenture ("Paying Agent") at whose office or agency Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the "Note Register"). HVF III may appoint one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent and the term "Registrar" includes any co-registrars. HVF III may change any Paying Agent or Registrar without prior notice to any Noteholder. HVF III shall notify the Trustee in writing of the name and address of any Agent not a party to this Base Indenture. The Trustee is hereby initially appointed as the Registrar, Paying Agent and agent for service of notices and demands in connection with the Notes.

Section 2.6. Paying Agent to Hold Money in Trust.

(a) HVF III shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 2.6 *(Paying Agent to Hold Money in Trust)*, that such Paying Agent shall:

(i) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(ii) give the Trustee notice of any default by HVF III of which it has actual knowledge in the making of any payment required to be made with respect to the Notes;

(iii) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent;

(iv) immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards required to be met by a Trustee hereunder at the time of its appointment; and

(v) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Notes of any applicable withholding

(vi) taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(b) HVF III at any time, for the purpose of obtaining the satisfaction and discharge of this Base Indenture or for any other purpose, by Company Order may direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(c) Subject to applicable laws with respect to escheat of funds, any money held by the Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Note and remaining unclaimed for two (2) years after such amount has become due and payable shall be discharged from such trust and be paid to HVF III on Company Request; and the Noteholder of such Note shall thereafter, as an unsecured general creditor, look only to HVF III for payment thereof (but only to the extent of the amounts so paid to HVF III), and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, at the expense of HVF III, may cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York City, and in a newspaper customarily published on each Business Day and of general circulation in London, if applicable, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to HVF III. The Trustee may also adopt and employ, at the expense of HVF III, any other reasonable means of notification of such repayment.

Section 2.7. Noteholder List.

The Trustee shall furnish or cause to be furnished by the Registrar to HVF III or the Paying Agent, within five (5) Business Days after receipt by the Trustee of a request therefor from HVF III or the Paying Agent, respectively, in writing, a list in such form as HVF III or the Paying Agent may reasonably require, of the names and addresses of the Noteholders of each Series of Notes (and, to the extent available, any Class, Subclass or Tranche of Notes) as of the most recent Record Date for payments to such Noteholders. Unless otherwise provided in the applicable Series Supplement, any Noteholders of any Series of Notes having an aggregate Principal Amount of not less than 25% of the aggregate Principal Amount of such Series of Notes (the "Applicants") may apply in writing to the Trustee, and if such application states that the Applicants desire to communicate with other Noteholders of any Series of Notes with respect to their rights under this Base Indenture or under the Notes and is accompanied by a copy of the communication that such Applicants propose to transmit, then the Trustee, after having been adequately indemnified by such Applicants for its costs and expenses and thereafter promptly after the receipt of such application (but in no event later than five (5) Business Days after having been so indemnified following such receipt), shall afford or shall cause the Registrar to afford such Applicants access during normal business hours to the most recent list of Noteholders held by the Trustee and shall give HVF III notice that such request has been made. Such list shall be as of a date no more than forty-five (45) days prior to the date of receipt of such Applicants' request. Every Noteholder, by receiving and holding a Note, agrees with the Trustee that none of the Trustee, the Registrar, or any of their respective agents shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Noteholders hereunder, regardless of the source from which such information was obtained.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Noteholders of each Series of Notes. If the Trustee is not the Registrar, HVF III shall furnish to the Trustee at least seven (7) Business Days before each Payment Date and at such other time as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Noteholders of each Series of Notes.

Section 2.8. Transfer and Exchange.

(a) Upon surrender for registration of transfer of any Note at the office or agency of the Registrar, if the requirements of Section 2.8(f) *(Transfer and Exchange)* of this Base Indenture and Section 8-401(a) of the UCC are met, HVF III shall execute and after HVF III has executed, the Trustee shall authenticate and deliver to the Noteholder, in the name of the designated transferee or transferees, one or more new Notes, in any authorized denominations, of the same Class, Subclass or Tranche and a like Principal Amount. At the option of any Noteholder, Notes may be exchanged for other Notes of the same Series of Notes and Class, Subclass or Tranche in authorized denominations of like Principal Amount, upon surrender of the Notes to be exchanged at any office or agency of the Registrar maintained for such purpose. Whenever Notes are so surrendered for exchange, if the requirements of Section 8-401(a) of the UCC are met, HVF III shall execute and after HVF III has executed, the Trustee shall authenticate and deliver to the Noteholder, the Notes that the Noteholder making the exchange is entitled to receive.

(b) Every Note presented or surrendered for registration of transfer or exchange shall be (i) duly endorsed by, or be accompanied by a written instrument of transfer in a form satisfactory to the Trustee duly executed by, the Noteholder thereof or such Noteholder's attorney duly authorized in writing and (ii) accompanied by such other documents as the Trustee may require, which shall be duly executed by the Noteholder thereof or such Noteholder's attorney, duly authorized in writing, with a medallion signature guarantee. HVF III shall execute and deliver to the Trustee or the Registrar, as applicable, Notes in such amounts and at such times as are necessary to enable the Trustee to fulfill its responsibilities under this Base Indenture and the Notes.

(c) All Notes issued upon any registration of transfer or exchange of the Notes shall be the valid obligations of HVF III, evidencing the same debt, and entitled to the same benefits under this Base Indenture, as the related Notes surrendered upon such registration of transfer or exchange.

(d) The preceding provisions of this Section 2.8 *(Transfer and Exchange)* notwithstanding, the Trustee or the Registrar, as the case may be, shall not be required to register the transfer or exchange of any Note for a period of fifteen (15) days preceding the due date for payment in full of such Notes.

(e) Unless otherwise provided in the applicable Series Supplement, no service charge shall be payable for any registration of transfer or exchange of Notes, but HVF III or the Registrar may require payment by the Noteholder of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Notes.

(f) Unless otherwise provided in the applicable Series Supplement, registration of transfer of Notes containing a legend relating to the restrictions on transfer of such Notes (which legend shall be set forth in the applicable Series Supplement) shall be effected only if the conditions set forth in such applicable Series Supplement are satisfied. Notwithstanding any other provision of this Section 2.8 *(Transfer and Exchange)* and except as otherwise provided in Section 2.13 *(Definitive Notes)* of this Base Indenture, the typewritten Note or Notes representing Book-Entry Notes for any Series of Notes may be transferred, in whole but not in part, only to another nominee of the Clearing Agency for such Series of Notes, or to a successor Clearing Agency for such Series of Notes selected or approved by HVF III or to a nominee of such successor Clearing Agency, only if in accordance with this Section 2.8 *(Transfer and Exchange)* and Section 2.12 *(Book-Entry Notes)* of this Base Indenture.

(g) If, as specified in the Series Supplement, the Notes are listed on any exchange, the Trustee or its agent, as the case may be, shall send to HVF III upon any transfer or exchange of any Note information reflected in the copy of the register for the Notes maintained by the Registrar or its agent, as the case may be.

(h) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Base Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Clearing Agency Participants or Note Owners of any global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Base Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(i) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Clearing Agency.

Section 2.9. Persons Deemed Owners.

Prior to due presentment for registration of transfer of any Note, the Trustee, any Agent and HVF III may deem and treat the Person in whose name any Note is registered (as of the day of determination) as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and neither the Trustee, any Agent nor HVF III shall be affected by notice to the contrary.

Section 2.10. Replacement Notes.

(a) If (i) any mutilated Note is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Trustee such security or indemnity as may be required by it to hold HVF III and the Trustee harmless then, provided that the requirements of Section 8-405 of the UCC are met, HVF III shall execute and upon its request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven (7) days shall be due and payable, instead of issuing a replacement Note, HVF III may pay such destroyed, lost or stolen Note when so due or payable without surrender thereof. If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a protected purchaser (within the meaning of Section 8-303 of the UCC) of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, HVF III and the Trustee shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by HVF III or the Trustee in connection therewith.

(b) Upon the issuance of any replacement Note under this Section 2.10 *(Replacement Notes)*, HVF III may require the payment by the Noteholder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee) connected therewith.

(c) Every replacement Note issued pursuant to this Section 2.10 *(Replacement Notes)* in replacement of any mutilated, destroyed, lost or stolen Note shall be entitled to all the benefits of this Base Indenture equally and proportionately with any and all other Notes of the same Class and Series of Notes duly issued hereunder.

(d) The provisions of this Section 2.10 *(Replacement Notes)* are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.11. Treasury Notes.

In determining whether the Noteholders of the required Principal Amount of Notes have concurred in any direction, waiver or consent, Notes owned by HVF III or any Affiliate of HVF III (other than an Affiliate Issuer) shall be considered as though they are not Outstanding, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes of which a Trust Officer has received written notice of such ownership shall be so disregarded. Absent written notice to the Trustee of such ownership, the Trustee shall not be deemed to have knowledge of the identity of the individual owners of the Notes.

Section 2.12. Book-Entry Notes.

(a) Unless otherwise provided in any applicable Series Supplement, the Notes of each Series of Notes, upon original issuance, shall be issued in the form of typewritten Notes representing the Book-Entry Notes, to be delivered to the depository specified in such Series Supplement (the "Depository") which shall be the Clearing Agency on behalf of such Series of Notes. The Notes of each Series of Notes shall, unless otherwise provided in the applicable Series Supplement, initially be registered on the Note Register in the name of the Clearing Agency or the nominee of the Clearing Agency. No Note Owner will receive a definitive note representing such Note Owner's interest in the related Series of Notes, except as provided in Section 2.13 *(Definitive Notes)* of this Base Indenture. Unless and until definitive, fully registered Notes of any Series, Class, Subclass or Tranche of Notes ("Definitive Notes") have been issued to Note Owners pursuant to Section 2.13 *(Definitive Notes)* of this Base Indenture:

(i) the provisions of this Section 2.12 *(Book-Entry Notes)* shall be in full force and effect with respect to each such Series, Class, Subclass or Tranche of Notes;

(ii) HVF III, the Paying Agent, the Registrar and the Trustee may deal with the Clearing Agency and the applicable Clearing Agency Participants for all purposes (including the payment of principal of and interest on the Notes and the giving of instructions or directions hereunder) as the sole Noteholder of such Series, Class, Subclass or Tranche of Notes, and shall have no obligation to the Note Owners;

(iii) to the extent that the provisions of this Section 2.12 *(Book-Entry Notes)* conflict with any other provisions of this Base Indenture, the provisions of this Section 2.12 *(Book-Entry Notes)* shall control with respect to each such Series, Class, Subclass or Tranche of Notes;

(iv) the rights of Note Owners of each such Series, Class, Subclass or Tranche of Notes shall be exercised only through the Clearing Agency and the applicable Clearing Agency Participants and shall be limited to those established by law and agreements between such Note Owners and the Clearing Agency and/or the Clearing Agency Participants, and all references in this Base Indenture to actions by the Noteholders (or the portion of the Noteholders represented by the Noteholders of such Series, Class, Subclass or Tranche of Notes) shall refer to actions taken by the Clearing Agency upon instructions from the Clearing Agency Participants, and all references in this Base Indenture to distributions, notices, reports and statements to the Noteholders (or the portion of the Noteholders represented by the Noteholders of such Series, Class, Subclass or Tranche of Notes) shall refer to distributions, notices, reports and statements to the Clearing Agency, as registered holder of the Notes of such Series, Class, Subclass or Tranche of Notes, for distribution to the Note Owners in accordance with the procedures of the Clearing Agency; and

(v) whenever this Base Indenture requires or permits actions to be taken based upon instructions or directions of Noteholders evidencing a specified percentage of the principal amount of the Outstanding Notes of any Series, Class, Subclass or Tranche, the applicable Clearing Agency shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or their related Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in the Outstanding Notes and has delivered such instructions to the Trustee.

Pursuant to the Depository Agreement applicable to a Series, Class, Subclass or Tranche of Notes, unless and until Definitive Notes of such Series, Class, Subclass or Tranche of Notes are issued pursuant to Section 2.13 *(Definitive Notes)* of this Base Indenture, the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit distributions of principal and interest on the Notes to such Clearing Agency Participants.

(b) Whenever notice or other communication to any Noteholder is required under this Base Indenture, unless and until Definitive Notes shall have been issued to the Note Owner with respect thereto pursuant to Section 2.13 *(Definitive Notes)* of this Base Indenture, the Trustee and HVF III shall give all such notices and communications specified herein to be given to such Noteholder to the applicable Clearing Agency for distribution to such Note Owner.

Section 2.13. Definitive Notes.

(a) The Notes of any Series, Class, Subclass or Tranche of Notes, to the extent provided in the related Series Supplement, upon original issuance, may be issued in the form of Definitive Notes. The applicable Series Supplement shall set forth the legend relating to the restrictions on transfer of such Definitive Notes and such other restrictions as may be applicable.

(b) With respect to the Notes of any Series, Class, Subclass or Tranche of Notes issued in the form of typewritten Notes representing the Book-Entry Notes, if:

(i) both (A) HVF III advises the Trustee in writing that the Clearing Agency with respect to any Series, Class, Subclass or Tranche of Notes is no longer willing or able to discharge properly its responsibilities under the applicable Depository Agreement and (B) the Trustee or HVF III is unable to locate a qualified successor;

(ii) the Required Series Noteholders with respect to any Series, Class, Subclass or Tranche of Notes Outstanding direct the Trustee in writing to terminate the book-entry system through the Clearing Agency with respect to such Series, Class, Subclass or Tranche of Notes; or

(iii) during the continuance of an Amortization Event with respect to any Series, Class, Subclass or Tranche of Notes Outstanding, the Majority Indenture Investors advise the Trustee and the applicable Clearing Agency through the Note Owners and applicable Clearing Agency Participants in writing that the continuation of a book-entry system through the applicable Clearing Agency is no longer in the best interests of the Note Owners, then the Trustee shall notify all Clearing Agency Participants who hold such Notes, through the applicable Clearing Agency Participants, of the occurrence of any such event and of the availability of Definitive Notes to Note Owners of such Notes. Upon surrender to the Trustee of the Notes of such Notes by the applicable Clearing Agency, accompanied by registration instructions from the applicable Clearing Agency for registration, HVF III shall execute and the Trustee shall authenticate, upon receipt of a Company Order, and deliver Definitive Notes in accordance with the instructions of the Clearing Agency. Neither HVF III nor the Trustee shall be liable for any delay in delivery of such instructions and may each conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes of such Series, Class, Subclass or Tranche of Notes all references herein to obligations imposed upon or to be performed by the applicable Clearing Agency shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Definitive Notes, and the Trustee shall recognize the Noteholders of the Definitive Notes of such Series, Class, Subclass or Tranche of Notes as Noteholders of such Series, Class, Subclass or Tranche of Notes hereunder.

Section 2.14. Cancellation.

HVF III may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which HVF III may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and the principal of and all accrued interest on all such cancelled Notes shall be deemed to have been paid in full (and such payment of principal and interest shall be deemed to have been made to the relevant Noteholders) and such cancelled Notes shall be deemed no longer to be outstanding for all purposes hereunder. HVF III may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All cancelled Notes held by the Trustee shall be disposed of in accordance with the Trustee's standard disposition procedures unless HVF III shall direct that cancelled Notes be returned to it pursuant to a Company Order.

Section 2.15. Principal and Interest.

(a) The principal of each Series of Notes (and each Class, Subclass or Tranche to the extent applicable) shall be payable at the times and in the amount set forth in the applicable Series Supplement.

(b) Each Series of Notes (and each Class, Subclass or Tranche to the extent applicable) shall accrue interest as provided in the applicable Series Supplement and such interest shall be payable at the times and in the amount set forth in the applicable Series Supplement.

(c) Except as provided in the following sentence, the Person in whose name any Note is registered at the close of business on any Record Date with respect to a Payment Date for such Note shall be entitled to receive the principal and interest payable on such Payment Date notwithstanding the cancellation of such Note upon any registration of transfer, exchange or substitution of such Note subsequent to such Record Date. Any interest payable at maturity shall be paid to the Person to whom the principal of such Note is payable.

(d) Unless otherwise provided in the applicable Series Supplement for any Series of Notes, if HVF III defaults in the payment of interest on the Notes, such interest, to the extent paid on any date that is more than five (5) Business Days after the applicable due date, at the option of HVF III, shall cease to be payable to the Persons who were Noteholders of such Notes on the applicable Record Date and HVF III shall pay the defaulted interest in any lawful manner, *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Noteholders of such Notes on a subsequent special record date which date shall be at least five (5) Business Days prior to the payment date, at the rate provided in the applicable Series Supplement and in the Notes. HVF III shall fix or cause to be fixed each such special record date and payment date, and at least fifteen (15) days before the special record date, HVF III (or the Trustee, in the name of and at the expense of HVF III) shall deliver to the Noteholders of such Notes a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.16. Tax Treatment.

HVF III has structured this Base Indenture and each existing Series Supplement and will structure each future Series Supplement and the Notes have been (or will be) issued with the intention that the Notes will qualify under applicable tax law as indebtedness and any entity acquiring any direct or indirect interest in any Note by acceptance of its Notes (or, in the case of a Note Owner, by virtue of such Note Owner's acquisition of a beneficial interest therein) agrees to treat the Notes (or beneficial interests therein) for purposes of federal, state and local and income or franchise taxes and any other tax imposed on or measured by income, as indebtedness.

Section 2.17. Special Voting Provisions.

For purposes of any vote or direction to the Trustee under this Base Indenture (and not, for the avoidance of doubt, any vote or direction to the Trustee that relates to one or more Series of Notes but not all Series of Notes), including for the purposes of determining a vote of the Majority Indenture Investors, a Series Supplement may specify a method of voting the principal amount of any Notes of such Series for which the Trustee has not received responses from Noteholders of such Series, including designating a representative to vote or using a formula to vote the principal amount of such Notes; provided that, such voting provision will be inapplicable to all votes or directions (including for the purposes of determining a vote of the Majority Indenture Investors) if either (1) the Required Series Noteholders of any Series of Notes instructs the Trustee to disregard such method of voting for all Series of Notes Outstanding or (2) HVF III instructs the Trustee to disregard such method of voting for all Series of Notes Outstanding.

ARTICLE III

(viii) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing,

provided that the foregoing shall exclude any Series-Specific Collateral and all Proceeds and products thereof.

(b) To secure the Note Obligations, HVF III hereby confirms the grant, pledge, hypothecation, assignment, conveyance, delivery and transfer to the Collateral Agent or the Vehicle-Only Collateral Agent (as the case may be), in each case, under the Collateral Agency Agreement for the benefit of the Trustee, on behalf of the Noteholders and the Trustee, of a continuing first priority perfected Lien on all right, title and interest of HVF III in, to and under the Vehicle Collateral.

(c) The foregoing grant is made in trust to secure the Note Obligations and to secure compliance with the provisions of this Base Indenture and any Series Supplement, all as provided in this Base Indenture. The Trustee, as trustee on behalf of itself and the Noteholders, acknowledges such grant, accepts the trusts under this Base Indenture in accordance with the provisions of this Base Indenture agrees to perform its duties required in this Base Indenture. Except as otherwise stated in any Series Supplement, the Collateral shall secure the Notes equally and ratably without prejudice, priority or distinction.

(d) The Collateral has been pledged to the Trustee to secure each Series of Notes. For all purposes hereunder and for the avoidance of doubt, the Indenture Collateral will be held by the Trustee solely for the benefit of the Noteholders and the Trustee.

Section 3.2. Certain Rights and Obligations of HVF III Unaffected.

(a) Actions With Respect to Related Documents. Without derogating from the absolute nature of the assignment granted to the Trustee under this Base Indenture or the rights of the Trustee hereunder, unless an Amortization Event, Liquidation Event of Default or Limited Liquidation Event of Default has occurred and is continuing, subject to the provisions of Section 3.3 *(Performance of Related Documents)* herein and except to the extent prohibited by Section 8.7 *(Actions under the Related Documents)*, HVF III shall be permitted (subject to the Trustee's right (acting at the direction of the Required Series Noteholders) to revoke such permission in the event of an Amortization Event, Liquidation Event of Default or Limited Liquidation Event of Default) to give all requests, notices, directions, approvals, extensions or waivers, if any, that are required to be given in the normal course of business (which, for the avoidance of doubt, does not include waivers of defaults under, or consent to amendments or modifications of, any of the Related Documents) to any Person in accordance with the terms of the Related Documents. For the avoidance of doubt, without limiting the rights of the Trustee or the Lessor under the Lease, so long as no Servicer Default, Amortization Event, Liquidation Event of Default or Limited Liquidation Event of Default has occurred and is continuing, HVF III shall not be required to take any action or exercise any rights, remedies, powers or privileges with respect to any Manufacturer to the extent the Servicer determines that such inaction or failure to exercise is in accordance with the Servicing Standard.

(b) Assignment of Collateral to Trustee. If the Securities Intermediary is not the Trustee, HVF III shall obtain the express agreement of such Person to the obligations of the Securities Intermediary set forth in this Section 5.2 *(Trustee as Securities Intermediary)*.

(b) The Securities Intermediary agrees that:

(i) The Collection Account is an account to which Financial Assets will be credited;

(ii) All securities or other property underlying any Financial Assets credited to the Collection Account shall be registered in the name of the Securities Intermediary, endorsed to the Securities Intermediary or in blank or credited to another securities account maintained in the name of the Securities Intermediary and in no case will any Financial Asset credited to the Collection Account be registered in the name of HVF III, payable to the order of HVF III or specially endorsed to HVF III;

(v) If at any time the Securities Intermediary shall receive any order or instruction from the Trustee directing transfer or redemption of any Financial Asset relating to the Collection Account or any instruction with respect to the disposition of funds therein, the Securities Intermediary shall comply with such entitlement order on instruction without further consent by HVF III or the Administrator;

(vi) The Collection Account shall be governed by the laws of the State of New York, regardless of any provision of any other agreement. For purposes of the New York UCC, New York shall be deemed to be the Securities Intermediary's jurisdiction within the meaning of Section 9-304 and Section 8-110 of the New York UCC and the Collection Account (as well as the Security Entitlements related thereto) shall be governed by the laws of the State of New York;

(vii) The Securities Intermediary has not entered into, and until termination of this Base Indenture, will not enter into, any agreement with any other Person relating to the Collection Account and/or any Financial Assets credited thereto pursuant to which it has agreed to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) of such other Person and the Securities Intermediary has not entered into, and until the termination of this Base Indenture will not enter into, any agreement with HVF III purporting to limit or condition the obligation of the Securities Intermediary to comply with Entitlement Orders or instructions (within the meaning of Section 9-104 of the New York UCC) as set forth in Section 5.2(b)(v) *(Trustee as Securities Intermediary)* of this Base Indenture; and

(viii) Except for the claims and interest of the Trustee and HVF III in the Collection Account, the Securities Intermediary knows of no claim to, or interest in, the Collection Account or in any Financial Asset credited thereto. If the Securities Intermediary has actual knowledge of the assertion by any other person of any lien, encumbrance, or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Collection Account or in any Financial Asset carried therein, the Securities Intermediary shall promptly notify the Trustee, the Administrator and HVF III thereof.

(c) The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Collection Account and in all Proceeds thereof, and shall be the only person authorized to originate Entitlement Orders in respect of the Collection Account.

(e) In the event that the Securities Intermediary has or subsequently obtains by agreement, operation of law or otherwise a security interest in the Collection Account or any security entitlement credited thereto, the Securities Intermediary hereby agrees that such security interest shall be subordinate to the security interest of the Trustee for the benefit of the Noteholders and the Trustee. The Financial Assets and other items deposited to the Collection Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any Person other than the Trustee for the benefit of the Noteholders and the Trustee.

(f) Notwithstanding anything in Section 5.1 *(Collection Account)* of this Base Indenture or this Section 5.2 *(Trustee as Securities Intermediary)* to the contrary, the parties hereto agree that as permitted by Section 8-504(c)(1) of the New York UCC, with respect to the Collection Account, the Securities Intermediary may satisfy the duty in Section 8-504(a) of the New York UCC with respect to any cash to be credited to the Collection Account by crediting to such Collection Account a general unsecured claim against the Securities Intermediary, as a bank, payable on demand, for the amount of such cash.

(g) Notwithstanding anything in Section 5.1 *(Collection Account)* of this Base Indenture or this Section 5.2 *(Trustee as Securities Intermediary)* to the contrary, with respect to the Collection Account and any credit balances not constituting Financial Assets credited thereto, the Securities Intermediary shall be acting as a bank (as defined in Section 9-102(a)(8) of the New York UCC) if the Collection Account is deemed not to constitute a securities account.

(h) As permitted by Article 4 of the Hague Convention on the Law Applicable to Certain Rights in Respect of Securities Held with an Intermediary (the "Hague Convention"), the parties hereto agree that the law of the State of New York shall govern the issues specified in Article 2 of the Hague Convention. The provisions of the immediately preceding sentence shall be construed as an amendment to any other account agreement governing the Series 2020-1 Accounts.

Section 5.3. Collections and Allocations.

(a) Collections in General. Until this Base Indenture is terminated pursuant to Section 11.1 *(Termination of HVF III's Obligations)* of this Base Indenture, HVF III shall, and the Trustee is authorized (upon written instructions) to, cause all Collections due and to become due to HVF III or the Trustee, as the case may be, to be deposited to the Collection Account at such times as such amounts are due in the following manner:

(i) all Manufacturer Receivables and all amounts due under or in connection with the Vehicle Collateral, including, without limitation, amounts due from Manufacturers, their related auction dealers and any other payor thereof under their Manufacturer Programs with respect to the Vehicles, other than Excluded Payments and Permitted Check Payments, shall be deposited directly into a Collateral Account by the Manufacturers and the related auction dealers and shall be withdrawn from such Collateral Account and deposited into the Collection Account within seven (7) Business Days of the deposit thereof into such Collateral Account;

(ii) all amounts representing the proceeds from sales of Vehicles to third parties, other than the Manufacturers or their auction dealers, and all amounts received by the Servicer in the form of Permitted Check Payments shall be deposited into a Collateral Account within two (2) Business Days of receipt by the Servicer and shall be withdrawn from a Collateral Account and deposited into the Collection Account within seven (7) Business Days of the deposit thereof into a Collateral Account;

(iii) all insurance proceeds and warranty payments in respect of the Vehicles (excluding any customer-purchased insurance proceeds), other than Excluded Payments, shall be deposited into a Collateral Account within two (2) Business Days of receipt by the Servicer and shall be withdrawn from a Collateral Account and deposited into the Collection Account within seven (7) Business Days of the deposit thereof into a Collateral Account;

(iv) all amounts payable to HVF III pursuant to the Lease shall be paid directly to the Trustee for deposit into the Collection Account;

(v) all amounts payable by the Nominee pursuant to Section 10.1 *(Remittance of Proceeds)* of the Nominee Agreement shall be deposited directly into a Collateral Account by the Nominee and shall be withdrawn from a Collateral Account and deposited into the Collection Account within seven (7) Business Days of the deposit thereof into a Collateral Account; and

(vi) all Collections from any other source shall be either paid directly into the Collection Account at such times as such amounts are due or deposited by the Servicer into the Collection Account within seven (7) Business Days after deposit thereof into a Collateral Account.

Notwithstanding clause (iii) above, unless an Amortization Event with respect to any Series of Notes has occurred and is continuing or would be known to result from a failure to make such deposit, insurance proceeds and warranty payments with respect to the Vehicles shall not be required to be deposited in a Collateral Account or the Collection Account, and may be held by HVF III or paid to Hertz. HVF III agrees that if any Collections shall be received by HVF III in an account other than a Collateral Account or the Collection Account or in any other manner, such monies, instruments, cash and other proceeds will not be commingled by HVF III with any of its other funds or property, if any, but will be held separate and apart therefrom and shall be held in trust by HVF III for, and immediately (but in any event within two (2) Business Days from receipt) paid over to the Trustee or the Collateral Agent, as applicable, with any necessary endorsement. (b) Allocations for Noteholders. On each day on which Collections are deposited into the Collection Account, HVF III shall allocate Collections deposited into the Collection Account in accordance with this Article V *(Allocation and Application of Collections)* and shall instruct the Trustee in writing to withdraw the required amounts from the Collection Account and make the required deposits in any Series Account in accordance with this Article V *(Allocation and Application of Collections)*, as modified by each Series Supplement. HVF III shall make such deposits or payments on the date indicated therein in immediately available funds or as otherwise provided in the applicable Series Supplement for any Series of Notes.

(c) Sharing Collections. In the manner described in the applicable Series Supplement, to the extent that Principal Collections that are allocated to any Series of Notes on a Payment Date are not needed to make payments to Noteholders of such Series of Notes or required to be deposited in a Series Account for such Series of Notes on such Payment Date, such Principal Collections may, at the direction of HVF III, be applied to cover principal payments due to or for the benefit of Noteholders of another Series of Notes. Any such reallocation will not result in a reduction in the Principal Amount of the Series of Notes to which such Principal Collections were initially allocated.

(d) Unallocated Principal Collections. If, after giving effect to Section 5.3(c) *(Collections and Allocations)* of this Base Indenture, Principal Collections allocated to any Series of Notes on any Payment Date are in excess of the amount required to be paid in respect of such Series of Notes on such Payment Date, then any such excess Principal Collections shall be allocated to HVF III or such other party as may be entitled thereto as set forth in any Series Supplement.

Section 5.4. Determination of Monthly Interest.

Monthly payments of interest on each Series, Class, Subclass or Tranche of Notes shall be determined, allocated and distributed in accordance with the procedures set forth in the applicable Series Supplement.

Section 5.5. Determination of Monthly Principal.

(b) Unless otherwise specified in the applicable Series Supplement (i) all distributions to Noteholders of all Classes within a Series of Notes will have the same priority and (ii) in the event that on any date of determination the amount available to make payments to the Noteholders of a Series of Notes is not sufficient to pay all sums required to be paid to such Noteholders on such date, then each Class of Noteholders will receive its ratable share (based upon the aggregate amount due to such Class of Noteholders as determined by, and set forth in, a written instruction from HVF III to the Trustee) of the aggregate amount available to be distributed in respect of the Notes of such Series. The use of Subclass designations or Tranche designations or other designations to differentiate Note characteristics (including, but not limited to, interest rate and/or legal final maturity) within a Class shall not alter priority of distributions to Noteholders of all Classes within a Series of Notes unless expressly provided for in the applicable Series Supplement.

(b) ensure that all transactions between HVF III and any of its Affiliates, whether currently existing or hereafter entered into, shall be only on an arm's length basis, it being understood and agreed that the transactions contemplated in the Related Documents meet the requirements of this clause (b);

(c) to the extent that it requires an office to conduct its business, conduct its business from an office at a separate address from that of Hertz and its Affiliates (other than Hertz Vehicles LLC or any other affiliated special purpose company (other than HGI)); provided, that segregated offices in the same building shall constitute separate addresses for purposes of this clause (c). To the extent that HVF III and any of its members or Affiliates have offices in the same location, there shall be a fair and appropriate allocation of overhead costs among them, and each such entity shall bear its fair share of such expenses;

(d) conduct its affairs in its own name and in accordance with the HVF III LLC Agreement and observe all necessary, appropriate and customary limited liability company formalities, including, but not limited to, holding all regular and special meetings appropriate to authorize all actions of HVF III, keeping separate and accurate minutes of its meetings, passing all resolutions or consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, but not limited to, payroll and intercompany transaction accounts;

(e) not assume or guarantee any of the liabilities of Hertz or any Affiliate thereof;

(f) maintain separate financial statements in accordance with GAAP, or, if financial statements are prepared on a consolidated basis with Hertz or any Affiliate thereof, such financial statements shall contain notes clearly (i) disclosing the separate legal existence of HVF III and (ii) stating that the assets of HVF III are owned by HVF III and are not available to satisfy obligations of Hertz or such Affiliate and identifying the amounts of the assets so owned; and

(g) maintain at least two (2) Independent Managers on its Board of Managers.

HVF III acknowledges its receipt of a copy of that certain opinion letter issued by White & Case LLP dated June 30, 2021 addressing the issue of substantive consolidation as it may relate to each of Hertz, the Nominee and HVF III. HVF III hereby agrees to maintain in place all policies and procedures in all material respects, and take and continue to take all action, described in the factual assumptions set forth in such opinion letter and relating to such Person, except as may be confirmed as not required in a subsequent or supplemental opinion of White & Case LLP or other law firm of recognized national standing that is counsel to Hertz, the Nominee and/or HVF III addressing the issue of substantive consolidation as it may relate to each of Hertz, the Nominee and HVF III.

Section 8.25. Manufacturer Programs.

(a) Prior to the leasing of any Program Vehicles under the Lease for any model year commencing with the 2022 model year, HVF III shall cause the Lessee to deliver to the Trustee and the Lessor an Officer's Certificate of the Lessee substantially in the form of Exhibit B.

(b) No later than six (6) months following the leasing of any Program Vehicles under the Lease for any model year commencing with the 2022 model year, HVF III shall (x) deliver to the Trustee an executed copy of the Manufacturer Program for such model year and (y) have received an executed Assignment Agreement with respect to such Manufacturer Program for such model year.

(c) In no event shall HVF III agree, to the extent any consent of HVF III is solicited or required by the Manufacturer or any assignor of such Manufacturer Program, to any change in any Manufacturer Program that is reasonably likely to materially adversely affect its rights or the rights of the Noteholders with respect to any Program Vehicle previously purchased or financed under such Manufacturer Program.

Section 8.26. Disposition of Vehicles.

(a) HVF III shall turn in, or cause to be turned in, each Program Vehicle to the relevant Manufacturer within the Repurchase Period therefor in accordance with the applicable Manufacturer Program unless, prior to the end of such Repurchase Period, the Lessee has re-designated such Program Vehicle as a Non-Program Vehicle in accordance with Section 2.5(a) *(Mandatory Program Vehicle to Non-Program Vehicle Redesignations)* or Section 2.5(b) *(Optional Program Vehicle to Non-Program Vehicle Redesignations)* of the Lease.

(b) If a Non-Program Vehicle is returned to HVF III pursuant to Section 2.4(a) *(Lessee Right to Return)* of the Lease, HVF III shall use commercially reasonable efforts to arrange for the prompt sale of such Non-Program Vehicle and to maximize the sale price thereof.

Section 8.27. Insurance.

HVF III shall obtain and maintain, or cause to be obtained and maintained, with respect to the Vehicles (i) comprehensive public liability and property damage protection in respect of the possession, condition, maintenance, operation and use of the Vehicles, in the amount required to meet the minimum financial responsibility requirements mandated by applicable state law for each occurrence and (ii) catastrophic physical damage insurance, in an amount not less than $50,000,000. All insurance policies (to the extent that such policies relate to Vehicles with respect to which the Collateral Agent is the lienholder pursuant to the Collateral Agency Agreement) obtained pursuant to this Section 8.27 *(Insurance)* shall name the Collateral Agent as a loss payee as its interest may appear. HVF III shall provide that the Trustee and the Collateral Agent will receive at least thirty (30) days' prior written notice of any change or cancellation of such insurance policies or arrangements. Any insurance, as opposed to self-insurance, obtained by HVF III shall be obtained from a Qualified Insurer only.

Section 8.28. Payment of Taxes and Governmental Obligations.

HVF III shall pay and discharge, at or before maturity, its tax liabilities and other governmental obligations, except where the same may be contested in good faith by appropriate proceedings, and shall maintain, in accordance with GAAP, reserves as appropriate for the accrual of any of the same.

Section 8.29. Tax Matters.

Neither HVF III nor Hertz shall take (or, to the extent within the control of HVF III or Hertz, permit any other Person to take) any action that could reasonably be expected to cause HVF III to be classified as any entity other than a disregarded entity within the meaning of U.S. Treasury Regulation § 301.7701-3 that is wholly owned by a United States person within the meaning of Section 7701(a)(30) of the Code.

Section 8.32. Purchase of Eligible Vehicles. HVF III shall make good faith efforts to negotiate agreements with Manufacturers that provide for the purchase of Eligible Vehicles from Manufacturers directly by the Issuer with purchase money funds in an account held by the Issuer until payment for an Eligible Vehicle.

Upon the occurrence of any Amortization Event (other than clause (o)), the Trustee shall act in accordance with the instructions of the Majority Indenture Investors. Upon the occurrence of any Amortization Event under clause (o) above, the Trustee shall act in accordance with the instructions of the Required Series Noteholders.

Section 9.2. Rights of the Trustee upon Amortization Event or Certain Other Events of Default.

(a) General. If and whenever an Amortization Event with respect to any Series of Notes Outstanding shall have occurred and be continuing, the Trustee may and, at the written direction of the Majority Indenture Investors shall, exercise (or direct the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent) to exercise) from time to time any rights and remedies available to it on behalf of the Noteholders under applicable law or any Related Documents, including the rights and remedies available to the Trustee as a Beneficiary under the Collateral Agency Agreement; provided, however, that if such Amortization Event is with respect to less than all Series of Notes Outstanding, then the Trustee's rights and remedies pursuant to the provisions of this Section 9.2 *(Rights of the Trustee upon Amortization Event or Certain Other Events of Default)* shall, to the extent not detrimental to the rights of the Noteholders of the Series of Notes Outstanding with respect to which no Amortization Event shall have occurred, be limited to rights and remedies pertaining only to those Series of Notes with respect to which such Amortization Event has occurred and the Trustee shall exercise such rights and remedies at the written direction of the Required Series Noteholders of all Series of Notes with respect to which an Amortization Event has occurred and is continuing. Any amounts relating to the Collateral or the Note Obligations obtained by the Trustee (or by the Collateral Agent or the Vehicle-Only Collateral Agent at the direction of the Trustee) on account of or as a result of the exercise by the Trustee of any right shall be held by the Trustee as additional collateral for the repayment of Note Obligations and shall be applied as provided in Article V *(Allocation and Application of Collections)*. If so specified in the applicable Series Supplement, the Trustee may agree not to exercise any rights or remedies available to it as a result of the occurrence of an Amortization Event with respect to a Series of Notes to the extent set forth therein.

(b) Liquidation Event of Default; Limited Liquidation Event of Default. If a Liquidation Event of Default or a Limited Liquidation Event of Default shall have occurred and be continuing, the Trustee, at the written direction of the Majority Indenture Investors (in the case of a Liquidation Event of Default) or the Required Series Noteholders of the applicable Series of Notes with respect to which such Limited Liquidation Event of Default has occurred (in the case of a Limited Liquidation Event of Default), shall direct HVF III and the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent) to exercise (and HVF III agrees to exercise) all rights, remedies, powers, privileges and claims of HVF III relating to the Collateral against any party to any Related Documents arising as a result of the occurrence of such Liquidation Event of Default or Limited Liquidation Event of Default, as the case may be, or otherwise, including the right or power to take any action to compel performance or observance by any such party of its obligations to HVF III as such obligations relate to the Collateral and the right to terminate all or a portion of the Lease and to take possession of Vehicles (or, in the case of the Collateral Agent or the Vehicle-Only Collateral Agent, if no Back-up Disposition Agent has been appointed, to retain an agent to take possession of the Vehicles) and to give any consent, request, notice, direction, approval, extension or waiver in respect of such Lease, and any right of HVF III to take such action independent of such direction shall be suspended. If and whenever a Liquidation Event of Default or a Limited Liquidation Event of Default with respect to any Series of Notes Outstanding shall have occurred and be continuing, the Trustee may and, at the written direction of the Majority Indenture Investors (in the case of a Liquidation Event of Default) or the Required Series Noteholders of the applicable Series of Notes with respect to which such Limited Liquidation Event of Default has occurred (in the case of a Limited Liquidation Event of Default), shall direct HVF III to terminate (a) the Nominee Power of Attorney granted to Hertz and direct the Nominee to grant a Nominee Power of Attorney to HVF III, the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent), the Trustee or if no Back-up Disposition Agent has been appointed, an agent of the Collateral Agent, the Vehicle-Only Collateral Agent or Trustee, as specified by the Trustee, pursuant to Section 2.5 *(Powers of Attorney)* of the Nominee Agreement and/or (b) the Power of Attorney granted to Hertz pursuant to Section 2.6(b) *(Certificates of Title)* of the Collateral Agency Agreement, in each case solely to the extent such powers of attorney relate to the Collateral.

(c) Manufacturer Programs and Vehicles. (i) Upon the occurrence of a Liquidation Event of Default, the Trustee, at the written direction of the Majority Indenture Investors, shall promptly (and in any event within any reasonably practicable period specified in such written direction) instruct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to return or cause HVF III to return the Program Vehicles to the related Manufacturers (after the minimum holding period specified in the Manufacturer's Manufacturer Program and, unless otherwise directed by the Majority Indenture Investors, so long as a Manufacturer Event of Default has not occurred and is continuing with respect to the related Manufacturer) and then, to the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program (or, unless otherwise directed by the Majority Indenture Investors, if a Manufacturer Event of Default has occurred and is continuing with respect to any Manufacturer), to direct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to liquidate or cause HVF III to liquidate such Program Vehicles in accordance with the rights of HVF III under the Related Documents and to otherwise sell or cause to be sold to third parties all Non-Program Vehicles; provided that the Collateral Agent and the Vehicle-Only Collateral Agent may liquidate through any Back-up Disposition Agent or, if no Back-up Disposition Agent has been appointed, through an agent that has been appointed by the Collateral Agent, the Vehicle-Only Collateral Agent or the Majority Indenture Investors. Upon the occurrence of a Limited Liquidation Event of Default with respect to any Series of Notes, the Trustee, acting at the written direction of the Required Series Noteholders of the applicable Series of Notes with respect to which such Limited Liquidation Event of Default has occurred, shall promptly (and in any event within any reasonably practicable period specified in such written direction) instruct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to return or cause HVF III to return Program Vehicles to the related Manufacturers (after the minimum holding period specified in the Manufacturer's Manufacturer Program and, unless otherwise directed by such Required Series Noteholders, so long as a Manufacturer Event of Default has not occurred and is continuing with respect to the related Manufacturer) and then, to the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program (or, unless otherwise directed by such Required Series Noteholders, if a Manufacturer Event of Default has occurred and is continuing with respect to any Manufacturer), to direct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to liquidate or cause HVF III to liquidate such Program Vehicles in accordance with the rights of HVF III under the Related Documents and to sell Non-Program Vehicles or cause Non-Program Vehicles to be sold to third parties in an amount sufficient to pay all interest and principal on such Series of Notes; provided, however, that the Trustee, the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) and HVF III shall select the Program Vehicles to be returned to the related Manufacturers and the Non-Program Vehicles to be sold to third parties in a manner that does not adversely affect in any material respect the interests of the Noteholders of any Series of Notes Outstanding or any Enhancement Provider; provided, further, that the Collateral Agent and the Vehicle-Only Collateral Agent may liquidate through any Back-up Disposition Agent or, if no Back-up Disposition Agent has been appointed, through an agent that has been appointed by the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) or the Majority Indenture Investors.

(ii) In addition to, and not in limitation of, the remedies and duties of the Trustee set forth in subsection (i) above or (iii) below, if a Liquidation Event of Default or a Limited Liquidation Event of Default shall have occurred and be continuing, the Trustee may, and at the written direction of the Majority Indenture Investors (in the case of a Liquidation Event of Default) or at the direction of the Required Series Noteholders of the applicable Series of Notes with respect to which such Limited Liquidation Event of Default has occurred (in the case of a Limited Liquidation Event of Default) shall direct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to exercise (either by itself or acting through the Back-up Disposition Agent), or cause HVF III to exercise, to the extent necessary, all rights, remedies, powers, privileges and claims of HVF III or the Collateral Agent or the Vehicle-Only Collateral Agent (as applicable), to the extent such rights, remedies, powers, privileges and claims relate to the Collateral, against the Manufacturers under or in connection with the Manufacturer Programs; provided, that the Collateral Agent and the Vehicle-Only Collateral Agent may liquidate through any Back-up Disposition Agent or, if no Back-up Disposition Agent has been appointed, through an agent that has been appointed by the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) or by the Majority Indenture Investors.

(iii) In the event that either (A) an Event of Bankruptcy with respect to any Manufacturer of Program Vehicles shall have occurred and is continuing and such Manufacturer shall fail to repurchase any Program Vehicles in accordance with the terms of the related Manufacturer Program and a Trust Officer has actual knowledge thereof or (B) if there has occurred and is continuing any other Manufacturer Event of Default and a Trust Officer has knowledge thereof, the Trustee (at the written direction of the Required Series Noteholders or the Majority Indenture Investors, as applicable) shall direct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to sell, or cause HVF III to sell, any and all Program Vehicles covered by the related Manufacturer Program of such Manufacturer for the highest purchase price offered and, promptly upon receipt, to deposit the proceeds of such sale into the Collection Account for allocation hereunder; provided, however, that if any event described in clause (A) or (B) above occurs, HVF III shall have three (3) Business Days from such occurrence to re-designate such Program Vehicles as Non-Program Vehicles in accordance with, and subject to the terms and conditions of, Section 2.5 *(Redesignation of Vehicles)* of the Lease before the Trustee may direct the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) to sell any such Program Vehicles; provided, further, that the Collateral Agent and the Vehicle-Only Collateral Agent (as applicable) may liquidate through any Back-up Disposition Agent or, if no Back-up Disposition Agent has been appointed, through an agent that has been appointed by the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) or by the Majority Indenture Investors.

(d) Failure of HVF III, the Collateral Agent or the Vehicle-Only Collateral Agent to Take Action. If (i) HVF III or the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) shall have failed, within five (5) Business Days of receiving the direction of the Trustee, to take commercially reasonable action to accomplish directions of the Trustee given pursuant to clauses (b) or (c) above, (ii) HVF III or the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) refuses to take such action or (iii) the Trustee reasonably determines or is directed by the Majority Indenture Investors or the Required Series Noteholders of the affected Series of Notes, as applicable, that such action must be taken immediately, the Trustee may (and at the written direction of the Required Series Noteholders of the affected Series of Notes (with respect to any Limited Liquidation Event of Default) or the Majority Indenture Investors (with respect to any Liquidation Event of Default) shall) take such previously directed action (and any related action as permitted under this Base Indenture thereafter determined by the Trustee to be appropriate without the need under this provision or any other provision under this Base Indenture to direct HVF III or the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent) to take such action). The Trustee may direct the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent) to institute legal proceedings for the appointment of a receiver or receivers to take possession of the Vehicles pending the sale thereof pursuant either to the powers of sale granted by this Base Indenture, the Collateral Agency Agreement and the other Related Documents or to a judgment, order or decree made in any judicial proceeding for the foreclosure or involving the enforcement of this Base Indenture.

(e) Sale of Collateral. Upon any sale of any of the Collateral (in accordance with the written direction of the Required Series Noteholders or the Majority Indenture Investors, as applicable) by the Trustee, or by the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) at the direction of the Trustee, whether made under the power of sale given under this Section 9.2 *(Rights of the Trustee upon Amortization Event or Certain Other Events of Default)* or under judgment, order or decree in any judicial proceeding for the foreclosure or involving the enforcement of this Base Indenture:

(i) the Trustee, any Noteholder and/or any Enhancement Provider may bid for and purchase the property being sold, and upon compliance with the terms of sale may hold, retain and possess and dispose of such property in its own absolute right without further accountability;

(ii) the Trustee, or the Collateral Agent (acting on behalf of itself and the Vehicle-Only Collateral Agent) at the direction of the Trustee, may make and deliver to the purchaser or purchasers a good and sufficient deed, bill of sale and instrument of assignment and transfer of the property sold;

(iii) all right, title, interest, claim and demand whatsoever, either at law or in equity or otherwise, of HVF III of, in and to the property so sold shall be divested; and such sale shall be a perpetual bar both at law and in equity against HVF III, its successors and assigns, and against any and all Persons claiming or who may claim the property sold or any part thereof from, through or under HVF III or its successors or assigns;

(iv) the receipt of the Trustee or of the Back-up Disposition Agent making such sale shall be a sufficient discharge to the purchaser or purchasers at such sale for his, her or their purchase money, and such purchaser or purchasers, and his, her or their assigns or personal representatives, shall not, after paying such purchase money and receiving such receipt of the Trustee or of the Back-up Disposition Agent, be obliged to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication thereof; and

(v) to the extent that it may lawfully do so, HVF III agrees that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption laws, or any law permitting it to direct the order in which the Vehicles shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Base Indenture.

(f) Additional Remedies. In addition to any rights and remedies now or hereafter granted hereunder or under applicable law with respect to the Collateral, the Trustee shall (subject to the foregoing provisions in respect of the Vehicles) have all of the rights and remedies of a secured party under the UCC as enacted in any applicable jurisdiction.

(g) Amortization Event.

(i) Upon the occurrence of an Amortization Event with respect to one or more, but not all, Outstanding Series of Notes, the Trustee (in accordance with the written direction of the Required Series Noteholders of the affected Series of Notes) shall exercise all remedies hereunder to the extent necessary to pay all interest on and principal of the related Series of Notes up to the Principal Amount of each such Series of Notes; provided that, any such actions shall not adversely affect in any material respect the interests of the Noteholders of any Series of Notes Outstanding with respect to which no Amortization Event shall have occurred.

(ii) Any amounts relating to the Collateral or the Note Obligations obtained by the Trustee on account of or as a result of the exercise by the Trustee of any rights or remedies specified in this Article IX *(Amortization Events and Remedies)* shall be held by the Trustee as additional collateral for the repayment of Note Obligations with respect to each Series of Notes with respect to which such rights or remedies were exercised and shall be applied as provided in Article V *(Allocation and Application of Collections)*.

Section 9.3. Other Remedies.

Subject to the terms and conditions of this Base Indenture, if an Amortization Event occurs and is continuing, the Trustee may pursue any remedy available to it on behalf of the Noteholders under applicable law or in equity to collect the payment of principal of or interest on the Notes (or the applicable Series of Notes, in the case of an Amortization Event with respect to less than all Series of Notes) or to enforce the performance of any provision of such Notes, this Base Indenture, any Series Supplement or any other Related Document, in each case, with respect to such Series of Notes. In addition, the Trustee may, or shall at the written direction of the Majority Indenture Investors (or the Required Series Noteholders, as the case may be, of one or more Series of Notes, in the case of an Amortization Event that affects only such Series of Notes), direct the Collateral Agent (on behalf of itself and the Vehicle-Only Collateral Agent) or HVF III to exercise any rights or remedies available under any Related Documents or under applicable law or in equity with respect to that Series of Notes, in each case to the extent relating to the Collateral or the Note Obligations; provided that any such actions shall not adversely affect in any material respect the interests of the Noteholders of any Notes Outstanding with respect to which no Amortization Event shall have occurred.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding, and any such proceeding instituted by the Trustee shall be in its own name as trustee. All remedies are cumulative to the extent permitted by law.

Section 9.4. Waiver of Past Events.

With respect to any existing Potential Amortization Event or Amortization Event described in clauses (e), (f), (g), (j), (k), (l) or (o) of Section 9.1 *(Amortization Events)* of this Base Indenture, any such Potential Amortization Event or Amortization Event (and, in any such case, any consequences thereof) with respect to such Series of Notes may be waived by the Required Series Noteholders of such Series of Notes. Upon any such waiver, such Potential Amortization Event shall cease to exist with respect to such Series of Notes, and any Amortization Event with respect to such Series of Notes arising therefrom shall be deemed to have been cured for every purpose of this Base Indenture and related Series Supplement, but no such waiver shall extend to any subsequent or other Potential Amortization Event or Amortization Event or impair any right consequent thereon. With respect to any existing Potential Amortization Event or Amortization Event described in clauses (a), (b), (c), (d), (h), (i), (m) or (n) of Section 9.1 *(Amortization Events)* of this Base Indenture, any such Potential Amortization Event or Amortization Event (and, in any such case, the consequences thereof) with respect to the Notes shall only be waived with the written consent of each Noteholder (with respect to any Series of Notes). Upon any such waiver, such Potential Amortization Event shall cease to exist with respect to each Series of Notes, and any Amortization Event with respect to each Series of Notes arising therefrom shall be deemed to have been cured for every purpose of this Base Indenture and each Series Supplement, but no such waiver shall extend to any subsequent or other Potential Amortization Event or Amortization Event or impair any right consequent thereon. The Trustee shall provide notice to each Rating Agency of any waiver by the Noteholders of any Series of Notes pursuant to this Section 9.4 *(Waiver of Past Events)*.

Section 9.5. Control by Majority Indenture Investors.

Subject to the Trustee's right to be indemnified prior to acting (including, without limitation, pursuant to Section 10.2(e) *(Rights of the Trustee)* of this Base Indenture), the Majority Indenture Investors (or, where such remedy relates only to one or more particular Series of Notes, the Required Series Noteholders, of any such Series of Notes) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee on behalf of such Noteholders or exercising any trust or power conferred on the Trustee. Subject to Section 10.1 *(Duties of the Trustee)* of this Base Indenture, the Trustee may, however, refuse to follow any direction that conflicts with law or this Base Indenture, that the Trustee reasonably determines may be unduly prejudicial to the rights of other Noteholders, or that may involve the Trustee in personal liability.

Section 9.6. Limitation on Suits.

Any other provision of this Base Indenture to the contrary notwithstanding, no Noteholder of any Series of Notes shall have any right to institute a proceeding, judicial or otherwise, (x) with respect to this Base Indenture or (y) for any other remedy with respect to this Base Indenture or such Series of Notes unless:

(a) such Noteholder gives to the Trustee written notice of a continuing Amortization Event with respect to such Series of Notes;

(b) the Noteholders of at least 25% of the aggregate Principal Amount of all such Series of Notes make a written request to the Trustee to pursue the remedy;

(c) such Noteholder or Noteholders offer and, if requested, provide to the Trustee indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within sixty (60) days after receipt of the request and the offer and, if requested, the provision of reasonable indemnity;

(e) during such sixty (60) day period the Required Series Noteholders of such Series of Notes do not give the Trustee a direction inconsistent with the request; and

(f) A Noteholder may not use the Indenture to prejudice the rights of another Noteholder or to obtain a preference or priority over another Noteholder.

Section 9.7. Right of Noteholders to Bring Suit.

Subject to Section 9.6 *(Limitation on Suits)* and Section 13.17 *(Waiver of Jury Trial)* of this Base Indenture, the right of any Noteholder to receive payment of principal of and interest on, or to bring suit for the enforcement of any payment of principal of or interest on, any Note, in each case, on or after the respective due dates therefor expressed in such Note, is absolute and unconditional and shall not be impaired or affected without the consent of such Noteholder.

Section 9.8. Collection Suit by the Trustee.

If any Amortization Event arising from the failure to make a payment in respect of a Series of Notes occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against HVF III for the whole amount of principal and interest remaining unpaid on the Notes of such Series of Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 9.9. The Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Noteholders relating to the Collateral or the Note Obligations allowed in any judicial proceedings relative to HVF III (or any other obligor upon the Notes), its creditors or its property, and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claim and any custodian in any such judicial proceeding is hereby authorized by each Noteholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to such Noteholders, to pay the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 10.5 *(Compensation)* of this Base Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 10.5 *(Compensation)* of this Base Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money and other properties which such Noteholders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any such Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes of any Noteholder or the rights of any such Noteholder thereof, or to authorize the Trustee to vote in respect of the claim of any such Noteholder in any such proceeding.

Section 9.10. Priorities.

If the Trustee collects any money pursuant to this Article IX *(Amortization Events and Remedies)*, the Trustee shall pay out the money in accordance with the provisions of Article V *(Allocation and Application of Collections)*.

Section 9.11. Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right or remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Base Indenture or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy under this Base Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other valid right or remedy.

Section 9.12. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Amortization Event shall impair any such right or remedy or constitute a waiver of any such Amortization Event or acquiescence thereto (other than any such right or remedy that by its terms requires such Amortization Event to be continuing at the time of exercising such right or remedy). Every right and remedy given by this Article IX *(Amortization Events and Remedies)* or by law to the Trustee or to each Noteholder may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or such Noteholder, as the case may be. For the avoidance of doubt, this Section 9.12 *(Delay or Omission Not Waiver)* shall be subject to and qualified in its entirety by Section 12.2(c) *(With Consent of the Noteholders)* of this Base Indenture.

Section 9.13. Reassignment of Surplus.

After termination of this Base Indenture and the payment in full of the Note Obligations, any proceeds of the Collateral received or held by the Trustee shall be turned over to HVF III and the Collateral shall be reassigned to HVF III by the Trustee without recourse to the Trustee and without any representations, warranties or agreements of any kind.

ARTICLE X

THE TRUSTEE

Section 10.1. Duties of the Trustee.

(a) If an Amortization Event has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Base Indenture and in each applicable Related Document, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs and shall in all cases exercise such degree of care and skill in the best interest of the Noteholders; provided, however, that the Trustee shall have no liability in connection with any action or inaction taken, or not taken, by it upon the deemed occurrence of an Amortization Event of which a Trust Officer has not received written notice as provided in Section 10.2(o) *(Rights of the Trustee)* of this Base Indenture. The preceding sentence shall not have the effect of insulating the Trustee from liability arising out of the Trustee's negligence or willful misconduct.

(b) Except during the occurrence and continuance of an Amortization Event:

(i) The Trustee undertakes to perform only those duties that are specifically set forth in this Base Indenture and the Related Documents to which it is a party and no others, and no implied covenants or obligations shall be read into this Base Indenture or such Related Documents against the Trustee; and

(ii) In the absence of negligence, bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Base Indenture or any applicable Related Document; however, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine such certificates or opinions to determine whether or not they conform to the requirements of this Base Indenture or such Related Document (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Except as otherwise provided, the delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including HVF III's compliance with any of its covenants hereunder or thereunder, as the case may be (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(c) Subject to Section 10.1(a) *(Duties of the Trustee)* of this Base Indenture, no provision of this Base Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or willful misconduct, provided, however, that:

(i) This clause does not limit the effect of clause (b) of this Section 10.1 *(Duties of the Trustee)*.

(ii) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 9.3 (*Other Remedies*).

(iii) The Trustee shall not be charged with knowledge of any default by any Person in the performance of its obligations under any Related Document, unless a Trust Officer receives written notice of such failure from HVF III, Hertz, or any Noteholder.

(iv) Prior to occurrence of an Amortization Event with respect to any Series of Notes, and after curing all such Amortization Events which may have occurred, the duties and obligations of the Trustee shall be determined solely by the express provisions of this Base Indenture, the Trustee shall be obligated to perform only such duties and obligations as are specifically set forth in this Base Indenture and no implied covenants or obligations shall be read into this Base Indenture against the Trustee.

(v) The Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, and none of the provisions contained in this Base Indenture shall in any event require the Trustee to perform, or be responsible for the manner of performance of, any of the obligations of any Person under any of the Related Documents.

(d) In the event that the Paying Agent or the Registrar shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Paying Agent or the Registrar, as the case may be, under this Base Indenture, the Trustee shall be obligated as soon as practicable upon actual knowledge of a Trust Officer thereof and receipt of appropriate records and information, if any, to perform such obligation, duty or agreement in the manner so required.

(e) Subject to Section 10.3 *(Individual Rights of the Trustee)* of this Base Indenture, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law or the Related Documents.

(f) Whether or not therein expressly so provided, every provision of this Base Indenture relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 10.1 *(Duties of the Trustee)*.

(g) Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto and, unless directed by the Required Series Noteholders of any Series of Notes Outstanding, the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar property held as collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission or any carrier, forwarding agency or other agent or bailee selected by the Trustee with due care in good faith.

(h) The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes negligence, bad faith or willful misconduct on the part of the Trustee, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of HVF III to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. Except as otherwise provided herein, the Trustee shall have no duty to inquire as to the performance or observance of any of the terms of this Base Indenture or any other Related Document by HVF III, the Collateral Agent or the Vehicle-Only Collateral Agent.

(i) If an Amortization has occurred and is continuing or if a Liquidation Event of Default or a Limited Liquidation Event of Default has occurred with respect to any Series of Notes (i) the Trustee will consult with each and any Person appointed by the Required Series Noteholders of any Series and/or the Majority Indenture Investors (and such Person, a "Noteholder Intermediary") with respect to the exercise of its rights hereunder (including its communications with the Issuer, Hertz and any of its Affiliates), in each case as reasonably requested by such Noteholder Intermediary, (ii) will promptly provide each Noteholder Intermediary with copies of all documents and written communications provided to the Trustee by the Issuer, Hertz or any of its Affiliates to the extent such information is not already required to be provided to such Person or all Noteholders pursuant to the Related Documents and (iii) will not follow any direction of the Issuer, Hertz of any of its Affiliates except to the extent expressly required pursuant to the terms of the Related Documents without the prior consent of (x) the Majority Indenture Investors (or the Noteholder Intermediary appointed by such Majority Indenture Investors) in the case of an Amortization Event with respect to all Series of Notes and (y) the Required Series Noteholders (or each Noteholder Intermediary appointed by such Required Series Noteholders) of each Series of Notes (if less than all Series of Notes) with respect to which an Amortization Event has occurred and is continuing or with respect to which a Limited Liquidation Event of Default has occurred.

Section 10.2. Rights of the Trustee.

Except as otherwise provided by Section 10.1 *(Duties of the Trustee)* of this Base Indenture:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting based upon any document reasonably believed by it to be genuine and to have been signed by or presented by the proper person.

(b) The Trustee may in good faith consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall, absent manifest error, be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through agents, custodians and nominees and shall not be liable for any misconduct or negligence on the part of, or for the supervision of, any such agent, custodian or nominee so long as such agent, custodian or nominee is appointed with due care. The appointment of agents (other than legal counsel) pursuant to this subsection (c) shall be subject to the prior consent of HVF III, which consent shall not be unreasonably withheld.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers conferred upon it by this Base Indenture; provided that, the Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Base Indenture or any Series Supplement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of the Majority Indenture Investors, the Required Series Noteholders or any of the Noteholders, pursuant to the provisions of this Base Indenture or any Series Supplement, unless the Majority Indenture Investors or the Required Series Noteholders of any Series of Notes, shall have offered to the Trustee reasonable security or reasonable indemnity satisfactory to the Trustee against the costs, expenses and liabilities that may be incurred therein or thereby. Nothing contained herein shall, however, relieve the Trustee of the obligations, upon the occurrence of a default by HVF III (that, in any such case, has not been cured), to exercise such rights and powers vested in it by this Base Indenture or any Series Supplement as provided herein or therein, and to use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(f) The Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by the Majority Indenture Investors or the Required Series Noteholders of any Series of Notes. If the Trustee is so requested by the Majority Indenture Investors or the Required Series Noteholders of any Series of Notes or determines in its own discretion to make such further inquiry or investigation into such facts or matters as it sees fit, the Trustee shall be entitled, upon reasonable notice and upon reasonable request, to examine the books, records and premises of HVF III, personally or by agent or attorney, at the sole cost of HVF III and the Trustee shall incur no liability by reason of such inquiry or investigation.

(g) The Trustee shall not be liable for any losses or liquidation penalties in connection with Permitted Investments, unless such losses or liquidation penalties were incurred through the Trustee's own willful misconduct, negligence or bad faith.

(h) The Trustee shall not have any duty or obligation to determine (i) the valuation of the Collateral or (ii) the allocation of the Vehicles.

(i) The Trustee shall not be required to take any action pursuant to any request or direction of HVF III unless such request or direction is sufficiently evidenced by a Company Request or Company Order.

(j) Whenever in the administration of this Base Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, The Bank of New York Mellon Trust Company, N.A. (and any successor, replacement or assignee thereof) in each of its capacities (including, without limitation, as Trustee and as Collateral Agent) hereunder and under any other Related Documents, and each agent, custodian and other person employed to act hereunder and under any other Related Document.

(l) The Trustee may request that HVF III deliver an incumbency certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Base Indenture, which incumbency certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(m) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable ability to control or mitigate, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, pandemics or epidemics; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(n) In no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(o) The Trustee shall not be deemed to have notice of any Potential Amortization Event or Amortization Event unless a Trust Officer has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee and such notice references the Notes or this Base Indenture.

Section 10.3. Individual Rights of the Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with HVF III or an Affiliate of HVF III with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

Section 10.4. Notice of Amortization Events and Potential Amortization Events.

If an Amortization Event or a Potential Amortization Event with respect to any Series of Notes Outstanding occurs and is continuing of which a Trust Officer shall have received written notice, the Trustee shall promptly (and in any event within five (5) Business Days after the receipt of such notice) provide the Noteholders, HVF III and each Rating Agency with notice of such Amortization Event or Potential Amortization Event, to the extent that the Notes of such Series are Book-Entry Notes, by e-mail, telephone or facsimile, and otherwise by first class mail.

Section 10.5. Compensation.

(a) HVF III shall promptly pay to the Trustee from time to time compensation for its acceptance of this Base Indenture and services hereunder as the Trustee and HVF III shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. HVF III shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) HVF III shall indemnify and hold harmless the Trustee or any predecessor Trustee and their respective directors, officers, agents and employees from and against any loss, liability, claim, expense (including taxes, other than taxes based upon, measured by or determined by the income of the Trustee or such predecessor Trustee), damage or injury suffered or sustained by reason of any acts, omissions or alleged acts or omissions arising out of or in connection with the activities of the Trustee or such predecessor Trustee pursuant to this Base Indenture or any other Related Document, including but not limited to any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses reasonably incurred in connection with the defense of any actual or threatened action, proceeding, claim (whether asserted by HVF III, any Noteholder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section 10.5(b) *(Compensation)*; provided, however, that, HVF III shall not indemnify the Trustee, any predecessor Trustee or their respective directors, officers, employees or agents if such acts, omissions or alleged acts or omissions constitute bad faith or negligence by the Trustee or such predecessor Trustee, as the case may be. The indemnity provided herein shall survive the termination of this Base Indenture and the resignation and removal of the Trustee.

(c) HVF III further agrees to indemnify and hold harmless the Trustee from and against any and all losses, liabilities (including liabilities for penalties), claims, demands, actions, suits, judgments, reasonable out-of-pocket costs and expenses arising out of or resulting from the assignment granted by this Base Indenture or, solely with respect to the HVF III Master Collateral, by the Collateral Agency Agreement, whether arising by virtue of any act or omission on the part of HVF III or otherwise, including, without limitation, the reasonable out-of-pocket costs, expenses, and disbursements (including reasonable attorneys' fees and expenses) incurred by the Trustee in enforcing this Base Indenture or any other Related Document or in preserving any of its rights to, or realizing upon, any of the Collateral; provided, however, the foregoing indemnification shall not extend to any action by the Trustee which constitutes negligence or willful misconduct by the Trustee. The indemnification provided for in this Section 10.05 *(Compensation)* shall survive the removal of, or a resignation by, such Person as Trustee as well as the termination of this Base Indenture or any Related Document.

(d) When the Trustee incurs expenses or renders services after an Amortization Event occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under the Bankruptcy Code.

(e) The provisions of this Section 10.5 *(Compensation)* shall survive the termination of this Base Indenture and the resignation and removal of the Trustee.

Section 10.6. Replacement of the Trustee.

(a) The Trustee may, after giving forty-five (45) days prior written notice to HVF III, each Noteholder and each Rating Agency, resign at any time and be discharged from the trust hereby created; provided, however, that no such resignation of the Trustee shall be effective until a successor trustee has assumed the obligations of the Trustee hereunder. The Majority Indenture Investors, acting together, may remove the Trustee with respect to the trust hereby created at any time, upon thirty (30) days' written notice to the Trustee and HVF III. So long as no Amortization Event has occurred and is continuing with respect to any Series of Notes Outstanding, HVF III may remove the Trustee at any time. HVF III shall remove the Trustee if:

(i) the Trustee fails to comply with Section 10.8 *(Eligibility Disqualification)* of this Base Indenture;

(ii) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under the Bankruptcy Code;

(iii) a custodian or public officer takes charge of the Trustee or its property; or

(iv) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, HVF III shall promptly appoint a successor Trustee; provided that if an Amortization Event is continuing at such time, any such appointment shall be subject to approval by the Majority Indenture Investors. Within one year after the successor Trustee takes office, the Majority Indenture Investors, acting together, may appoint a successor Trustee to replace the successor Trustee appointed by HVF III.

(c) If a successor Trustee does not take office within forty-five (45) days after the retiring Trustee gives notice of its intent to resign or is removed, the retiring Trustee or any Noteholder, at the expense of HVF III, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Noteholder to comply with Section 10.8 *(Eligibility Disqualification)* of this Base Indenture, fails to comply with Section 10.8 *(Eligibility Disqualification)* of this Base Indenture, such Noteholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee or removed Trustee and to HVF III. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Base Indenture and any Series Supplement. The successor Trustee shall deliver a notice of its succession to the Noteholders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided, however, that all sums owing to the retiring Trustee hereunder have been paid. Notwithstanding replacement of the Trustee pursuant to this Section 10.6 *(Replacement of the Trustee)*, HVF III's obligations under Section 10.5 *(Compensation)* of this Base Indenture shall continue for the benefit of the retiring Trustee.

(f) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor trustee's acceptance of appointment as provided in Section 10.6(e) *(Replacement of the Trustee)* of this Base Indenture and the assumption of obligations of the Trustee hereunder by such successor trustee.

Section 10.7. Successor Trustee by Merger, etc.

Subject to Section 10.8 *(Eligibility Disqualification)* of this Base Indenture, if the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 10.8. Eligibility Disqualification.

(a) There shall at all times be a Trustee hereunder which shall (i) be a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power and (ii) be subject to supervision or examination by federal or state authority and shall have a combined capital and surplus of at least $50,000,000 as set forth in its most recent published annual report of condition.

(b) If at any time the Trustee shall cease to satisfy the eligibility requirements of Section 10.8(a) *(Eligibility Disqualification)* of this Base Indenture, the Trustee shall resign immediately in the manner and with the effect specified in Section 10.6 *(Replacement of the Trustee)* of this Base Indenture.

Section 10.9. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Base Indenture or any Series Supplement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Indenture Collateral may at the time be located, the Trustee shall have the power and may (and, if so directed by the Majority Indenture Investors, shall) execute and deliver all instruments to appoint one or more persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Indenture Collateral, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Indenture Collateral, or any part thereof, and, subject to the other provisions of this Section 10.9 *(Appointment of Co-Trustee or Separate Trustee)*, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 10.8 *(Eligibility Disqualification)* of this Base Indenture and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 10.6 *(Replacement of the Trustee)* of this Base Indenture. Unless an Amortization Event is continuing, no co-trustee shall be appointed without the consent of HVF III unless such appointment is required as a matter of state law or to enable the Trustee to perform its functions hereunder.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) The Notes of each Series of Notes shall be authenticated and delivered solely by the Trustee or an authenticating agent appointed by the Trustee;

(ii) All rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform, such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Collateral or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(iii) No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iv) The Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Base Indenture and the conditions of this Article X *(The Trustee)*. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Base Indenture and any Series Supplement, specifically including every provision of this Base Indenture or any Series Supplement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to HVF III.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect to this Base Indenture or any Series Supplement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 10.10. Representations and Warranties of Trustee.

(a) The Trustee represents and warrants to HVF III and the Noteholders that:

(i) The Trustee is a national banking association, organized, existing and in good standing under the laws of the United States;

(ii) The Trustee has full power, authority and right to execute, deliver and perform this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes, and has taken all necessary action to authorize the execution, delivery and performance by it of this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes;

(iii) This Base Indenture has been duly executed and delivered by the Trustee;

(iv) The Trustee meets the requirements of eligibility as a trustee hereunder set forth in Section 10.8 *(Eligibility Disqualification)* of this Base Indenture; and

(v) The Trustee shall remain primarily liable for the actions of any co-trustees.

Section 10.11. Foreign Account Tax Compliance Act (FATCA).

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("Applicable Law"), HVF III agrees (i) to provide to The Bank of New York Mellon Trust Company, N.A., upon request, information about the transaction (including any modification to the terms of such transaction) HVF III has in its possession, so The Bank of New York Mellon Trust Company, N.A. can determine whether it has tax related obligations under Applicable Law, and (ii) that The Bank of New York Mellon Trust Company, N.A. shall be entitled to make any withholding or deduction from payments under this Base Indenture to the extent necessary to comply with Applicable Law for which The Bank of New York Mellon Trust Company, N.A. shall not have any liability. The terms of this section shall survive the termination of this Base Indenture and the resignation and removal of the Trustee.

ARTICLE XI

DISCHARGE OF INDENTURE

Section 11.1. Termination of HVF III's Obligations.

(a) This Base Indenture shall cease to be of further effect (except that (i) HVF III's obligations under Section 10.5 *(Compensation)* and Section 10.11 *(Foreign Account Tax Compliance Act (FATCA))* of this Base Indenture, (ii) the Trustee's and Paying Agent's obligations under Section 11.3 *(Repayment to HVF III)* of this Base Indenture and (iii) the Noteholders' and the Trustee's obligations under Section 13.15 *(No Bankruptcy Petition Against HVF)* of this Base Indenture shall survive) when all Outstanding Notes theretofore authenticated and issued (other than destroyed, lost or stolen Notes which have been replaced or paid) have been delivered to the Trustee for cancellation and HVF III has paid all sums payable hereunder.

(b) In addition, except as may be provided to the contrary in any Series Supplement, HVF III may terminate all of its obligations under this Base Indenture if:

(i) HVF III irrevocably deposits in trust with the Trustee or at the option of the Trustee, with a trustee reasonably satisfactory to the Trustee and HVF III under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, money or U.S. Government Obligations in an amount sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Trustee, to pay, when due, principal and interest on the Notes to maturity or redemption, as the case may be, and to pay all other sums payable by it hereunder; provided, however, that (1) such trustee of the irrevocable trust shall have been irrevocably instructed to pay such money or the proceeds of such U.S. Government Obligations to the Trustee and (2) the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such U.S. Government Obligations to the payment of said principal and interest with respect to the Notes;

(ii) HVF III delivers to the Trustee an Officer's Certificate signed by an Authorized Officer of HVF III stating that all conditions precedent to satisfaction and discharge of this Base Indenture have been complied with;

(iii) HVF III delivers to the Trustee an Officer's Certificate signed by an Authorized Officer of HVF III stating that no Potential Amortization Event or Amortization Event shall have occurred and be continuing on the date of such deposit; and

(iv) the Rating Agency Condition with respect to each Series of Notes Outstanding shall have been satisfied with respect to such deposit and termination of obligations pursuant to this Section 11.1 *(Termination of HVF III's Obligations)*.

Then, this Base Indenture shall cease to be of further effect (except as provided in this Section 11.1 *(Termination of HVF III's Obligations)*), and the Trustee, on demand of HVF III, shall execute proper instruments acknowledging confirmation of and discharge under this Base Indenture.

(c) After such irrevocable deposit made pursuant to Section 11.1(b) *(Termination of HVF III's Obligations)* of this Base Indenture and satisfaction of the other conditions set forth herein, the Trustee upon request shall acknowledge in writing the discharge of HVF III's obligations under this Base Indenture except for those surviving obligations specified above.

In order to have money available on a payment date to pay principal or interest on the Notes, the U.S. Government Obligations shall be payable as to principal or interest at least one (1) Business Day before such payment date in such amounts as will provide the necessary money. U.S. Government Obligations shall not be callable at HVF III's option.

Section 11.2. Application of Trust Money.

The Trustee or a trustee satisfactory to the Trustee and HVF III shall hold in trust money or U.S. Government Obligations deposited with it pursuant to Section 11.1 *(Termination of HVF III's Obligations)* of this Base Indenture. The Trustee shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent in accordance with this Base Indenture to the payment of principal and interest on the Notes. The provisions of this Section 11.2 *(Application of Trust Money)* shall survive the expiration or earlier termination of this Base Indenture.

Section 11.3. Repayment to HVF III.

The Trustee and the Paying Agent shall promptly pay to HVF III upon written request any excess money or, pursuant to Sections 2.10 *(Replacement Notes)* and 2.14 *(Cancellation)* of this Base Indenture, return any Notes held by them at any time.

Subject to Section 2.6(c) *(Paying Agent to Hold Money in Trust)* of this Base Indenture, the Trustee and the Paying Agent shall pay to HVF III upon written request any money held by them for the payment of principal or interest that remains unclaimed for two (2) years after the date upon which such payment shall have become due.

The provisions of this Section 11.3 *(Repayment to HVF III)* shall survive the expiration or earlier termination of this Base Indenture.

ARTICLE XII

AMENDMENTS

Section 12.1. Without Consent of the Noteholders.

Without the consent of any Noteholder, HVF III and the Trustee, at any time and from time to time, may enter into one or more Supplemental Indentures hereto, in form satisfactory to the Trustee, for any of the following purposes:

(i) to create a new Series of Notes (including a segregated Series of Notes);

(ii) to add to the covenants of HVF III for the benefit of any Noteholders (and if such covenants are to be for the benefit of less than all Series of Notes, stating that such covenants are expressly being included solely for the benefit of such Series of Notes) or to surrender any right or power herein conferred upon HVF III (provided, however, that HVF III shall not pursuant to this Section 12.1(a)(ii) *(Without Consent of the Noteholders)* surrender any right or power it has under any Related Document other than to the Trustee or the Noteholders);

(iii) to mortgage, pledge, convey, assign and transfer to the Trustee any additional property or assets, or increase the amount of such property or assets that are required as security for the Notes and to specify the terms and conditions upon which such property or assets are to be held and dealt with by the Trustee and to set forth such other provisions in respect thereof as may be required by this Base Indenture or as may, consistent with the provisions of this Base Indenture, be deemed appropriate by HVF III and the Trustee, or to correct or amplify the description of any such property or assets at any time so mortgaged, pledged, conveyed, assigned and transferred to the Trustee on behalf of the Noteholders;

(iv) to cure any mistake, ambiguity, defect, or inconsistency or to correct or supplement any provision contained herein or in any Notes issued hereunder;

(v) to provide for uncertificated Notes in addition to certificated Notes;

(vi) to add to or change any of the provisions of this Base Indenture to such extent as shall be necessary to permit or facilitate the issuance of Notes in bearer form, registrable or not registrable as to principal, and with or without interest coupons;

(vii) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee, a successor to the Collateral Agent or a successor to the Vehicle-Only Collateral Agent with respect to the Notes of one or more Series of Notes and to add to or change any of the provisions of this Base Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee or Collateral held by more than one agent, as applicable;

(viii) to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein or to make any other provisions with respect to matters or questions arising under this Base Indenture or in any Series Supplement;

(ix) to establish one or more Collateral Accounts in the name of, or for the benefit of HVF III, that is collaterally assigned or pledged for the benefit of the Noteholders to receive proceeds with respect to the Manufacturer Receivables or any other payments received in connection with the purchase, sale or disposition of Vehicles;

(x) to evidence and provide for electronic titling of Vehicles; or

(xi) to evidence and provide for the establishment of one or more limited special purpose entities (including additional affiliates of the Servicer) that will either serve as dealers of used Vehicles or acquire Vehicles from HVF III, in each case in the ordinary course of HVF III's business.

provided, however, that, as evidenced by an Officer's Certificate of HVF III, such action shall not adversely affect in any material respect the interests of any Noteholder or Enhancement Provider. The effectiveness of any amendment shall be subject to satisfaction of the Rating Agency Condition with respect to each Series of Notes Outstanding.

Section 12.2. With Consent of the Noteholders.

(a) Except as provided in Section 12.1 *(Without Consent of the Noteholders)* of this Base Indenture, the provisions of this Base Indenture may from time to time be amended, modified or waived, if (i) such amendment, modification or waiver is in writing and is consented to in writing by HVF III, the Trustee and the Majority Indenture Investors, provided that, with respect to any such amendment, modification or waiver that does not adversely affect in any material respect one or more Series of Notes, as evidenced by an Officer's Certificate of HVF III, each such Series of Notes will be deemed not Outstanding for purposes of the foregoing consent (and the calculation of the Majority Indenture Investors (including the Aggregate Principal Amount) will be modified accordingly) and (ii) the Rating Agency Condition with respect to each Series of Notes Outstanding is satisfied with respect to such amendment, modification, or waiver; provided that, HVF III shall be permitted to issue any Subordinated Series of Notes and effect any amendments hereto reasonably necessary to effect such issuance without the consent of any Noteholder (other than any previously issued Subordinated Series of Notes if required by the related Series Supplement); provided, further, that, the Rating Agency Condition with respect to each Series of Notes Outstanding shall have been satisfied with respect to such issuance of such Subordinated Series of Notes and that each Subordinated Series of Notes shall be deemed to be subordinated in all material respects to each Series of Notes.

(b) Notwithstanding the foregoing (but subject, in each case, to satisfaction of the Rating Agency Condition with respect to each Series of Notes Outstanding):

(i) any modification of this Section 12.2 *(With Consent of the Noteholders)* of this Base Indenture or any requirement hereunder that any particular action be taken by Noteholders holding the relevant percentage in Principal Amount of the Notes or any change in the definition of the terms "Aggregate Asset Amount", "Aggregate Asset Amount Deficiency", "Ineligible Asset Amount", "Limited Liquidation Event of Default", "Liquidation Event of Default" or "Manufacturer Program" or the applicable amount of Enhancement shall require the consent of each Noteholder materially adversely affected thereby; and

(ii) any amendment, waiver or other modification to this Base Indenture that would (A) extend the due date for, or reduce the interest rate or principal amount of any Note, or the amount of any scheduled repayment or prepayment of interest on any Note shall require the consent of each Noteholder materially adversely affected thereby; (B) affect adversely in any material respect the interests, rights or obligations of any Noteholder individually in comparison to any other Noteholder shall require the consent of such Noteholder; or (C) amend or otherwise modify (but not waive, which shall be governed by Section 9.4 *(Waiver of Past Events)*) any Amortization Event shall require the consent of each Noteholder to which such Amortization Event applies that would be materially adversely affected thereby.

(c) No failure or delay on the part of any Noteholder or the Trustee in exercising any power or right under this Base Indenture shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. Unless otherwise specified in Section 12.1 *(Without Consent of the Noteholders)*, Section 12.2 *(With Consent of the Noteholders)* or Section 9.4 *(Waiver of Past Events)*, the Majority Indenture Investors may waive any provision of this Base Indenture.

(d) It shall not be necessary for the consent of any Person pursuant to this Section 12.2 *(With Consent of the Noteholders)* for such Person to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such Person consents to the substance thereof.

Section 12.3. Supplements and Amendments.

Each amendment or other modification to this Base Indenture shall be set forth in a Supplemental Indenture. The initial effectiveness of each Supplemental Indenture to this Base Indenture shall be subject to satisfaction of the conditions set forth therein and the Rating Agency Condition with respect to any Series of Notes Outstanding, and the delivery to the Trustee of an Officer's Certificate and an Opinion of Counsel that such Supplemental Indenture is authorized or permitted by Article XII *(Amendments)* of this Base Indenture.

Section 12.4. Revocation and Effect of Consents.

Until an amendment or waiver becomes effective, a consent to it by a Noteholder of a Note is a continuing consent by the Noteholder and every subsequent Noteholder of a Note or portion of a Note that evidences the same debt as the consenting Noteholder's Note, even if notation of the consent is not made on any Note. Any such Noteholder or subsequent Noteholder may, however, revoke the consent as to his or her Note or portion of a Note if the Trustee receives written notice of revocation at least three (3) Business Days before the date the amendment or waiver becomes effective. An amendment or waiver becomes effective in accordance with its terms and thereafter binds every Noteholder. HVF III may fix a record date for determining which Noteholders are eligible to consent to any amendment or waiver.

Section 12.5. Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment or waiver on any Note thereafter authenticated. HVF III, in exchange for all Notes, may issue and the Trustee shall authenticate new Notes that reflect the amendment or waiver. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment or waiver.

Section 12.6. The Trustee to Sign Amendments, etc.

The Trustee shall sign any Supplemental Indenture or Series Supplemental Indenture authorized pursuant to this Article XII *(Amendments)* if the Supplemental Indenture or Series Supplemental Indenture, as applicable, does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing any amendment hereto or Supplemental Indenture or Series Supplemental Indenture, the Trustee shall be entitled to receive, if requested, an indemnity reasonably satisfactory to it and to receive and, subject to Section 10.2 *(Rights of the Trustee)* of this Base Indenture, shall be fully protected in relying upon, an Officer's Certificate of HVF III and an Opinion of Counsel as conclusive evidence that such Supplemental Indenture or Series Supplemental Indenture, as applicable, is authorized or permitted by this Base Indenture and that all conditions precedent specified in this Article XII *(Amendments)* of this Base Indenture and the amendment provisions of any applicable Series Supplement (to the extent applicable) have been satisfied, and that it will be valid and binding upon HVF III in accordance with its terms. A Supplemental Indenture or Series Supplemental Indenture meeting the conditions set forth in Article XII (*Amendments*) shall be presumed to be authorized and permitted by the Base Indenture.

Section 12.7. Amendments to Series Supplements. A Series Supplement may be amended or modified, and any provision may be waived in accordance with the terms of such Series Supplement.

Section 12.8. Amendments and Waivers to Related Documents.

(a) Except as permitted in Section 3.2(a) *(Certain Rights and Obligations of HVF III Unaffected)* of this Base Indenture, HVF III agrees that it shall not, without the prior written consent of the Trustee, acting at the direction of the Majority Indenture Investors, exercise any right, remedy, power or privilege available to it with respect to any obligor under a Related Document or under any instrument or agreement included in the Collateral, take any action to compel or secure performance or observance by any such obligor of its obligations to HVF III or give any consent, request, notice, direction, approval, extension or waiver with respect to any such obligor.

(b) Subject to Section 12.2 *(With Consent of the Noteholders)* of this Base Indenture, HVF III agrees that it shall not, without (i) the prior written consent of the Trustee, acting at the direction of the Majority Indenture Investors and (ii) the satisfaction of the Rating Agency Condition with respect to each Series of Notes Outstanding, amend, modify, waive, supplement, terminate or surrender, or agree to any amendment, modification, supplement, termination, waiver or surrender of, the terms of any of the Related Documents or consent to the assignment of any of the Related Documents by any other party thereto (collectively, the "Related Document Actions"); provided that, if any such Related Document Action does not materially adversely affect the Noteholders of one or more, but not all, Series of Notes, as evidenced by an Officer's Certificate of HVF III, any such Series of Notes that is not materially adversely affected by such Related Document Action shall be deemed not to be Outstanding for purposes of such obtaining such consent (and the related calculation of Majority Indenture Investors shall be modified accordingly); provided, further, that, if any such Related Document Action does not materially adversely affect the Noteholders, as evidenced by an Officer's Certificate of HVF III, HVF III shall be entitled to effect such Related Document Action without the prior written consent of the Trustee so long as the Rating Agency Condition is satisfied with respect to each Series of Notes Outstanding.

(c) For the avoidance of doubt, and notwithstanding anything herein or in any Related Document to the contrary, any amendment, modification, waiver, supplement, termination or surrender of any Related Document in connection with the foregoing clauses (a) and (b) relating solely to a particular Series of Notes shall be deemed not to materially adversely affect the Noteholders of any other Series of Notes. HVF III shall provide each Rating Agency with notice of such amendment or modification promptly after its execution.

Any notice (i) given in person shall be deemed delivered on the date of delivery of such notice, (ii) given by first class mail shall be deemed given five (5) days after the date that such notice is mailed, (iii) delivered by e-mail or facsimile shall be deemed given on the date of delivery of such notice if received before 12:00 noon ET or the next Business Day if received at or after 12:00 noon ET, and (iv) delivered by overnight air courier shall be deemed delivered one (1) Business Day after the date that such notice is delivered to such overnight courier.

Notwithstanding any provisions of this Base Indenture to the contrary, the Trustee shall have no liability based upon or arising from the failure to receive any notice required by or relating to this Base Indenture or the Notes.

If HVF III delivers a notice or communication to the Noteholders, it shall deliver a copy to the Trustee at the same time.

In addition to the foregoing, the Trustee agrees to accept and act upon notice, instructions or directions pursuant to this Base Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods. If the party elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and such e-mail or facsimile appears on its face to be genuine and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions understands and agrees that the Trustee cannot determine the identity of the actual sender of such instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The party providing such electronic instruction shall be responsible for ensuring that only Authorized Officers transmit them to the Trustee and that the Issuer and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer. The party providing electronic instructions agrees to (i) assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk or interception and misuse by third parties, (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting electronic instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer; (iii) that the security procedures (if any) to be followed in connection with its transmission of electronic instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(b) Where this Base Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if sent in writing and delivered by e-mail or mail, first-class postage prepaid, to each Noteholder affected by such event, at its address as it appears in the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed (if any) for the giving of such notice. In any case where notice to a Noteholder is given by e-mail or mail, neither the failure to send such notice, nor any defect in any notice so sent, to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is delivered in the manner herein provided shall be conclusively presumed to have been duly given. Where this Base Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 13.2. Communications by Noteholders with Other Noteholders.

Noteholders may communicate with other Noteholders with respect to their rights under this Base Indenture or the Notes.

Section 13.3. Certificate as to Conditions Precedent.

Upon any request or application by HVF III to the Trustee to take any action under this Base Indenture, HVF III shall furnish to the Trustee an Officer's Certificate of HVF III in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.4 *(Statements Required in Certificate and Opinion of Counsel)* of this Base Indenture) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Base Indenture relating to the proposed action have been complied with.

Section 13.4. Statements Required in Certificate and Opinion of Counsel.

Each Officer's Certificate and Opinion of Counsel with respect to compliance with a Section(s) or Article(s) provided for in this Base Indenture shall include:

(a) a statement that the Person giving such Officer's Certificate or Opinion of Counsel has read such Section(s) or Article(s);

(b) a statement that, in the opinion of such Person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(c) a statement as to whether or not, in the opinion of such Person, such Section(s) or Article(s) has been complied with.

Section 13.5. Rules by the Trustee.

The Trustee may make reasonable rules for action by or at a meeting of the Noteholders.

Section 13.6. Duplicate Originals.

The parties may sign any number of copies of this Base Indenture. One signed copy is enough to prove this Base Indenture.

Section 13.7. Third-Party Beneficiaries.

This Base Indenture will not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns and the Noteholders, any benefit or any legal or equitable right, remedy or claim under this Base Indenture.

Section 13.8. Payment on Business Day.

In any case where any Payment Date, redemption date or maturity date of any Note shall not be a Business Day, then (notwithstanding any other provision of this Base Indenture) payment of interest or principal (and premium, if any), as the case may be, need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Payment Date, redemption date, or maturity date; provided, however, that no interest shall accrue for the period from and after such Payment Date, redemption date, or maturity date, as the case may be.

Section 13.9. Governing Law.

THIS BASE INDENTURE AND EACH SERIES SUPPLEMENT, AND ALL MATTERS ARISING OUT OF OR RELATING TO THIS BASE INDENTURE OR ANY SERIES SUPPLEMENT, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HERETO SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAW.

Section 13.10. Successors.

All agreements of HVF III in this Base Indenture and the Notes shall bind its successor; provided, however, except as provided in Section 12.2(b)(iii) *(With Consent of the Noteholders)* of this Base Indenture, HVF III may not assign its obligations or rights under this Base Indenture or any Related Document (other than for the benefit of the Trustee and the Noteholders). All agreements of the Trustee in this Base Indenture shall bind its successor.

Section 13.11. Severability.

In case any provision in this Base Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13.12. Execution in Counterparts; Electronic Execution.

This Base Indenture may be executed in any number of counterparts (including by facsimile or electronic transmission (including .pdf file, .jpeg file, Adobe Sign, or DocuSign)), each of which so executed shall be deemed to be an original, but all of such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart signature page of this Base Indenture by e-mail, facsimile or any such other electronic transmission shall be effective as delivery of a manually executed counterpart of this Base Indenture and shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law. Any electronically signed document delivered via e-mail from a person purporting to be an authorized officer shall be considered signed or executed by such authorized officer on behalf of the applicable person and will be binding on all parties hereto to the same extent as if it were manually executed.

Section 13.13. Table of Contents, Headings, etc.

The Table of Contents and headings of the Articles and Sections of this Base Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 13.14. Termination; Collateral.

This Base Indenture, and any grants, pledges and assignments hereunder, shall become effective concurrently with the issuance of the first Series of Notes and shall terminate when (a) no Notes remain Outstanding, (b) all Note Obligations due shall have been fully paid and satisfied, (c) the obligations of each Enhancement Provider under any Enhancement and Related Documents have terminated, and (d) any Enhancement shall have terminated, at which time the Trustee, at the request of HVF III and upon receipt of an Officer's Certificate of HVF III to the effect that the conditions in clauses (a), (b), (c) and (d) above have been complied with and upon receipt of a certificate from the Trustee and each Enhancement Provider to the effect that the conditions in clauses (a), (b), (c) and (d) above have been complied with, shall reassign (without recourse upon, or any warranty whatsoever by, the Trustee) and deliver all Indenture Collateral and documents then in the custody or possession of the Trustee promptly to HVF III.

HVF III and the Noteholders hereby agree that, if any funds remain on deposit in the Collection Account on any date on which no Series of Notes is Outstanding or each Series Supplement related to a Series of Notes has been terminated, such amounts shall be released by the Trustee following payment in full of any other outstanding Note Obligation and paid to HVF III.

Section 13.15. No Bankruptcy Petition Against HVF III.

Each of the Noteholders and the Trustee hereby covenants and agrees that, prior to the date which is one year and one (1) day after the payment in full of the latest maturing Note, it will not institute against, or join with, encourage or cooperate with any other Person in instituting, against HVF III, Hertz Vehicles LLC or HGI any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings, under any federal or state bankruptcy or similar law; provided, however, that nothing in this Section 13.15 *(No Bankruptcy Petition Against HVF)* shall constitute a waiver of any right to indemnification, reimbursement or other payment from HVF III pursuant to this Base Indenture. In the event that any such Noteholder or the Trustee takes action in violation of this Section 13.15 *(No Bankruptcy Petition Against HVF)*, HVF III, Hertz Vehicles LLC or HGI as the case may be, shall file or cause to be filed an answer with the bankruptcy court or otherwise properly contesting the filing of such a petition by any such Noteholder or the Trustee against HVF III, Hertz Vehicles LLC or HGI, as the case may be, or the commencement of such action and raising the defense that such Noteholder or the Trustee has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. The provisions of this Section 13.15 *(No Bankruptcy Petition Against HVF)* shall survive the termination of this Base Indenture, and the resignation or removal of the Trustee. Nothing contained herein shall preclude participation by any Noteholder or the Trustee in the assertion or defense of its claims in any such proceeding involving HVF III, Hertz Vehicles LLC or HGI.

Section 13.16. No Recourse.

The obligations of HVF III under this Base Indenture and any Series Supplement are solely the obligations of HVF III. No recourse shall be had for the payment of any amount owing in respect of any fee hereunder or any other obligation or claim arising out of or based upon this Base Indenture or any Series Supplement against any member, employee, officer or director of HVF III. Fees, expenses, costs or other obligations payable by HVF III hereunder shall be payable by HVF III to the extent and only to the extent that HVF III is reimbursed therefor pursuant to any of the Related Documents, or funds are then available or thereafter become available for such purpose pursuant to the Related Documents. In the event that HVF III is not reimbursed for such fees, expenses, costs or other obligations or that sufficient funds are not available for their payment pursuant to the Related Documents, the excess unpaid amount of such fees, expenses, costs or other obligations shall in no event constitute a claim (as defined in Section 101 of the Bankruptcy Code) against, or corporate obligation of, HVF III. Nothing in this Section 13.16 *(No Recourse)* shall be construed to limit the Trustee from exercising its rights hereunder with respect to the Collateral.

Section 13.17. Waiver of Jury Trial.

EACH OF HVF III AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS BASE INDENTURE OR ANY SERIES SUPPLEMENT, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.18. Submission to Jurisdiction.

Each of the parties hereto hereby irrevocably and unconditionally (i) submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court in New York County or federal court of the United States for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Base Indenture or any Series Supplement, the Notes or the transactions contemplated hereby, or for recognition or enforcement of any judgment arising out of or relating to this Base Indenture or any Series Supplement, the Notes or the transactions contemplated hereby; (ii) agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, federal court; (iii) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law; (iv) consents that any such action or proceeding may be brought in such courts and waives any objection it may now or hereafter have to the laying of venue of any such action or proceeding in any such court and any objection it may now or hereafter have that such action or proceeding was brought in an inconvenient court, and agrees not to plead or claim the same; and (v) consents to service of process in the manner provided for notices in Section 13.1 *(Notices)* of this Base Indenture (provided that, nothing in this Base Indenture shall affect the right of any such party to serve process in any other manner permitted by law).

Section 13.19. Office of Foreign Assets Control.

The Issuer covenants and represents that neither it nor any of its affiliates, subsidiaries, directors or officers are the target or subject of any sanctions enforced by the U.S. Government, (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury or the U.S. Department of State), the United Nations Security Council, the European Union, Her Majesty's Treasury, or other relevant sanctions authority (collectively "Sanctions"). AGREEMENT

1. DEFINITIONS AND CONSTRUCTION

1.1. Definitions. As used in this Agreement and unless the context requires a different meaning, capitalized terms used herein shall have the meanings ascribed thereto in Schedule I hereto and, if not defined therein, shall have the meanings assigned to such terms in the Base Indenture, as applicable.

1.2. Construction; Single Indivisible Lease.

(a) Rules of Construction. In this Agreement, including the preamble, recitals, attachments, schedules, annexes, exhibits and joinders hereto, unless the context otherwise requires:

(i) the singular includes the plural and vice versa;

(ii) references to an agreement or document shall include the preamble, recitals, all attachments, schedules, annexes, exhibits and joinders to such agreement or document, and are to such agreement or document (including all such attachments, schedules, annexes, exhibits and joinders to such agreement or document) as amended, supplemented, restated and otherwise modified from time to time and to any successor or replacement agreement or document, as applicable (unless otherwise stated);

(iii) reference to any Person includes such Person's successors and assigns but, if applicable, only if such successors and assigns are permitted by this Agreement, and reference to any Person in a particular capacity only refers to such Person in such capacity;

(iv) reference to any gender includes the other gender;

(v) reference to any Requirement of Law means such Requirement of Law as amended, modified, codified or reenacted, in whole or in part, and in effect from time to time;

(vi) "including" (and with correlative meaning "include") means including without limiting the generality of any description preceding such term;

(vii) with respect to the determination of any period of time, "from" means "from and including" and "to" means "to but excluding";

(viii) the language used in this Agreement will be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction will be applied against any party;

(ix) as used in this Agreement, the term "title" refers to a Certificate of Title or other similar form of vehicle title and is intended by each party hereto to include the terms "vehicle registration" and "vehicle license plate," unless specified otherwise;

(x) as used in this Agreement, the term (and each defined term including the term) "rental", when used in the context of customer rentals, daily car rental businesses, normal daily rental operations and daily motor vehicle rental industries is intended by each party hereto to include car sharing businesses, operations and platforms; and

(xi) unless specified otherwise, "titling" will be deemed to include the acts of registering a vehicle, including the registering of the license plates of a vehicle.

(b) Single Indivisible Lease. Notwithstanding any language to the contrary contained herein, the parties hereto intend that this Agreement constitutes one indivisible lease of the Lease Vehicles and not separate leases governed by similar terms. The Lease Vehicles constitute one economic unit, and the Rent and all other provisions hereof have been negotiated and agreed to based on a premise of all of the Lease Vehicles being leased to the Lessees as a single, composite, inseparable transaction and would have been substantially different had separate leases or a divisible lease been intended. The parties intend that the provisions of this Agreement shall at all times be construed, interpreted and applied so as to carry out their mutual objective to create an indivisible lease of all of the Lease Vehicles and, in particular but without limitation, that, for purposes of any assumption, rejection or assignment of this Agreement under 11 U.S.C. Section 365, or any successor or replacement thereof or any analogous state law, this is one indivisible lease and non-severable lease and executory contract dealing with one legal and economic unit and that this Agreement must be assumed, rejected or assigned as a whole with respect to all (and only as to all) of the Lease Vehicles. Except as expressly provided in this Agreement for specific, isolated purposes (and then only to the extent expressly otherwise stated), all provisions of this Agreement apply equally and uniformly to all of the Lease Vehicles as one unit. Upon the occurrence and during the continuance of any Operating Lease Event of Default, the Lessor shall be entitled to exercise any applicable remedies under Section 9 (*Default and Remedies Therefor*) with respect to all of the Lease Vehicles or any portion of the Lease Vehicles, regardless of the portion of the Lease Vehicles to which such Operating Lease Event of Default relates. The parties may amend this Agreement from time to time to add or remove one or more additional vehicles (including Eligible Vehicles) as part of the Lease Vehicles and such future addition to, or removal from, the Lease Vehicles shall not in any way change the indivisible and non-severable nature of this Agreement and all of the foregoing provisions shall continue to apply in full force. Each party agrees that it shall not assert that this Agreement is not, and shall not challenge the characterization of this Agreement as, a single indivisible lease of all of the Lease Vehicles. Each party hereby waives any claim or defense based on a recharacterization of this Agreement as any agreement other than a single indivisible lease of all of the Lease Vehicles.

2. NATURE OF AGREEMENT. (a) Statement of Intent. Each Lessee and the Lessor intend that this Agreement is a lease and that the relationship between the Lessor and such Lessee pursuant hereto shall always be only that of lessor and lessee, and each Lessee hereby declares, acknowledges and agrees that the Lessor is the owner of the Lease Vehicles, and legal title to the Lease Vehicles is either held by the Lessor directly or through the Nominee pursuant to the Nominee Agreement. No Lessee shall acquire by virtue of this Agreement any right, equity, title or interest in or to any Lease Vehicles, except the leasehold interest and option to purchase established by this Agreement. The parties agree that this Agreement is a "true lease" and agree to treat the leasehold interest established by this Agreement as a lease for all purposes, including accounting, regulatory and otherwise, except it will be disregarded for tax purposes to the extent the Lessor and one or more Lessees are treated as the same taxpayer under the Code or under applicable state tax laws.

(b) If, notwithstanding the intent of the parties to this Agreement, the leasehold interest established by this Agreement is deemed by any court, tribunal, arbitrator or other adjudicative authority (each, a "Court") in any proceeding, including any proceeding under any bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar law affecting creditors' rights, to constitute a financing arrangement or otherwise not to constitute a "true lease" with respect to the Lease Vehicles, then it is the intention of the parties that this Agreement together with the Collateral Agency Agreement, as such agreements apply to the Lease Vehicles, shall constitute a security agreement under applicable law (and such Lease Vehicles shall be deemed to be Pledged Master Collateral). Each Lessee hereby acknowledges that it has granted to the Collateral Agent or the Vehicle-Only Collateral Agent, as the case may be, pursuant to the Collateral Agency Agreement, for the benefit of the Trustee, a first priority security interest in all of such Lessee's right, title and interest in and to its Pledged Master Collateral (as defined therein) as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the obligations and liabilities of such Lessee to the Lessor and the Trustee, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement and any other document made, delivered or given in connection herewith, whether on account of rent, principal, interest, reimbursement obligations, fees, indemnities, costs, or expenses (including all fees and disbursements of counsel to the Lessor and the Trustee that are required to be paid by such Lessee pursuant to the terms hereof).

2.1. Lease of Vehicles.

(a) Agreement to Lease. From time to time, subject to the terms and provisions hereof (including satisfaction of the conditions precedent set forth in Section 2.1(b) (*Conditions Precedent to Lease of Lease Vehicles*)), the Lessor agrees to lease to each Lessee, and each Lessee agrees to lease from the Lessor those certain Lease Vehicles identified on Lease Vehicle Acquisition Schedules and Intra-Lease Lessee Transfer Schedules produced from time to time by or on behalf of such Lessee pursuant to Sections 2.1(c) (*Lease Vehicle Acquisition Schedules*) and 2.2 (*Certain Transfers*), respectively.

(b) Conditions Precedent to Lease of Lease Vehicles. The agreement of the Lessor to commence leasing any Lease Vehicle to any Lessee hereunder is subject to the following conditions precedent being satisfied on or prior to the Vehicle Operating Lease Commencement Date for such Lease Vehicle:

(i) No Default. No Operating Lease Event of Default shall have occurred and be continuing on the Vehicle Operating Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder, and no Potential Operating Lease Event of Default with respect to any event or condition specified in Section 9.1.1 (*Events of Default*), Section 9.1.5 (*Events of Default*), Section 9.1.7 (*Events of Default*) or Section 9.1.8 (*Events of Default*) shall have occurred and be continuing on the Vehicle Operating Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder;

(ii) Funding. HVF III shall have sufficient available funds constituting Collateral available to purchase such Lease Vehicle;

(iii) Representations and Warranties. The representations and warranties contained in Section 7 (*Certain Representations and Warranties*) are true and correct in all material respects (unless any such representation or warranty contains a materiality limitation by its terms, in which case such representation or warranty shall be true and correct) as of such date (unless any such representation or warranty by its terms makes reference to a specific date, in which case, such representation or warranty shall be true and correct for such specific date); and

(iv) Eligible Vehicle. Such Lease Vehicle is an Eligible Vehicle.

(c) Lease Vehicle Acquisition Schedules. From time to time, each Lessee shall deliver or cause to be delivered to the Lessor one or more schedules identifying the vehicles such Lessee desires to lease from the Lessor hereunder, which schedules shall include the Basic Lease Vehicle Information (each such schedule, a "Lease Vehicle Acquisition Schedule"). Each Lessee hereby agrees that each such delivery of a Lease Vehicle Acquisition Schedule shall be deemed hereunder to constitute a representation and warranty by such Lessee, to and in favor of the Lessor, that each condition precedent to the leasing of the Lease Vehicles identified in such Lease Vehicle Acquisition Schedule has been or will be satisfied as of the date of such delivery.

(d) Lease Vehicle Acceptance or Nonconforming Lease Vehicle Rejection. With respect to any vehicle identified on a Lease Vehicle Acquisition Schedule and made available for lease by the Lessor to any Lessee, such Lessee shall have the right to inspect such vehicle within five (5) calendar days of receipt (the "Inspection Period") of such vehicle and either accept or, if such vehicle is a Nonconforming Lease Vehicle, reject such vehicle; provided that, such Lessee shall be deemed to have accepted such vehicle as a Lease Vehicle unless it has notified the Lessor in writing that such vehicle is a Nonconforming Lease Vehicle during the Inspection Period (the delivery date of such written notice, the "Rejection Date"). If such Lessee timely notifies the Lessor that such vehicle is a Nonconforming Lease Vehicle (such Nonconforming Lease Vehicle with respect to which such Lessee has so notified the Lessor, a "Rejected Vehicle"), then the Lessor shall cause the Servicer to dispose of such Rejected Vehicle (including by returning such Rejected Vehicle to the seller thereof) in accordance with Section 6.1 (*Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing*).

2.2. Certain Transfers.

(a) From time to time, a particular Lessee (the "Transferor Lessee") may desire to cease leasing a Lease Vehicle hereunder and another Lessee (the "Transferee Lessee") may desire to commence leasing such Lease Vehicle hereunder. Upon delivery by such Lessees to the Lessor of written notice identifying by VIN each Lease Vehicle to be so transferred from such Transferor Lessee to such Transferee Lessee (such notice, an "Intra-Lease Lessee Transfer Schedule"), each Lease Vehicle identified in such Intra-Lease Lessee Transfer Schedule shall cease to be leased by the Transferor Lessee and shall contemporaneously commence being leased to the Transferee Lessee. Each Lessee agrees that upon such a transfer of any Lease Vehicle from one Lessee to another Lessee pursuant to this Agreement, such Transferor Lessee relinquishes all rights that it has in such Lease Vehicle pursuant to this Agreement. Each Intra-Lease Lessee Transfer Schedule may be delivered electronically and may be delivered directly by either the applicable Transferor Lessee or the applicable Transferee Lessee or on behalf of either such party by any agent or designee of such party.

2.3. Lessee's Right to Purchase Lease Vehicles. Each Lessee shall have the option, exercisable with respect to any Lease Vehicle leased by such Lessee hereunder during such Lease Vehicle's Vehicle Term, to purchase such Lease Vehicle for an amount equal to the greater of (i) the Net Book Value of such Lease Vehicle or (ii) the Market Value of such Lease Vehicle, in each case, as of the date such amount shall be deposited in the Collection Account (the greater of such amounts being referred to as the "Lease Vehicle Buyout Price"); provided that any Direct-to-Consumer Sale shall not be considered a sale to the Lessee under this provision. In addition, no Lessee shall be permitted to purchase any Leased Vehicle leased by it from the Lessor pursuant to the Purchase Agreement.

2.4. Return. (a) Lessee Right to Return. Any Lessee may return any Lease Vehicle (other than any Lease Vehicle that has experienced a Casualty or become an Ineligible Vehicle) then leased by such Lessee at any time prior to such Lease Vehicle's Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle's return reasonably specified by the Servicer; provided that, for the avoidance of doubt, the Vehicle Term for such Lease Vehicle will continue until the Vehicle Operating Lease Expiration Date thereof, notwithstanding the prior return of such Lease Vehicle pursuant to this Section 2.4(a) (*Lessee Right to Return*).

(b) Lessee Obligation to Return. Each Lessee shall return each Lease Vehicle leased by such Lessee on or prior to such Lease Vehicle's Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle's return reasonably specified by the Servicer (taking into account transportation costs and expected realizable disposition proceeds).

2.5. Redesignation of Vehicles.

(a) Mandatory Program Vehicle to Non-Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, the Lessor shall on the date specified in this Section 2.5(a) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*) redesignate such Lease Vehicle as an Non-Program Vehicle, if:

(i) A Manufacturer Event of Default is continuing with respect to the Manufacturer of such Lease Vehicle as of such date, or

(ii) as of any such date occurring after the Minimum Program Term End Date with respect to such Lease Vehicle, such Lease Vehicle were returned as of such date pursuant to the terms of the Manufacturer Program with respect to such Lease Vehicle, the HVF III Manufacturer of such Lease Vehicle would not be obligated to pay a repurchase price for such Lease Vehicle, or guarantee the disposition proceeds to be received for such Vehicle, in each case in an amount at least equal to (1) the Net Book Value of such Lease Vehicle, as of such date, minus (2) the Final Base Rent that would be payable in respect of such Lease Vehicle, assuming that such date were the Disposition Date for such Lease Vehicle, minus (3) the Excess Mileage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (4) the Excess Damage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (5) the Pre-VOLCD Program Vehicle Depreciation Amount paid or payable with respect to such Lease Vehicle as of such date, minus (6) the Program Vehicle Depreciation Assumption True-Up Amount paid or payable with respect to such Lease Vehicle, as of such date.

(b) Optional Program Vehicle to Non-Program Vehicle Redesignations. In addition to Section 2.5(a) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*) and without limitation thereto, with respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, such Lessee may redesignate such Lease Vehicle as a Non-Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee shall not redesignate any Program Vehicle as a Non-Program Vehicle pursuant to this Section 2.5(b) (*Optional Program Vehicle to Non-Program Vehicle Redesignations*) if, after giving effect to such redesignation, an Aggregate Asset Amount Deficiency would exist, unless such redesignation would decrease the amount of such Aggregate Asset Amount Deficiency.

(c) Non-Program Vehicle to Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Non-Program Vehicle leased by any Lessee hereunder as of any date of determination, if such Lease Vehicle was previously designated as a Program Vehicle, then such Lessee may redesignate such Lease Vehicle as a Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee may not redesignate any such Lease Vehicle as a Program Vehicle if such Lease Vehicle would then be required to be redesignated as a Non-Program Vehicle pursuant to Section 2.5(a) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*) after designating such Lease Vehicle as a Program Vehicle.

(d) Timing of Redesignations. With respect to any redesignation to be effected pursuant to Section 2.5(a) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*), such redesignation shall occur as of the first calendar day of the calendar month following the date on which the applicable event or condition described in Section 2.5(a)(i) or (ii) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*) occurs. With respect to any redesignation to be effected pursuant to Section 2.5(b) (*Optional Program Vehicle to Non-Program Vehicle Redesignations*) or 2.5(c) (*Non-Program Vehicle to Program Vehicle Redesignations*), such redesignation shall occur as of the first calendar day of the calendar month immediately following the calendar month of the date written notice was delivered by the applicable Lessee of such redesignation.

(e) Program Vehicle to Non-Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Non-Program Vehicle pursuant to Section 2.5(a) (*Mandatory Program Vehicle to Non-Program Vehicle Redesignations*) or Section 2.5(b) (*Optional Program Vehicle to Non-Program Vehicle Redesignations*), the Lessee of such Lease Vehicle as of the close of business on the date of such redesignation shall pay to the Lessor on the Payment Date following the effective date of such redesignation, as determined in accordance with Section 2.5(d) (*Timing of Redesignations*), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle over the Market Value of such Lease Vehicle, in each case, as of the date of such redesignation (such excess, if any, for such Lease Vehicle, a "Redesignation to Non-Program Amount").

(f) Non-Program Vehicle to Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Program Vehicle pursuant to Section 2.5(c) (*Non-Program Vehicle to Program Vehicle Redesignations*), the Lessor shall pay to the Lessee of such Lease Vehicle on the Payment Date following the effective date of such redesignation, as determined in accordance with Section 2.5(d) (*Timing of Redesignations*), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle (as of the date of such redesignation and calculated assuming that such Lease Vehicle had never been designated as a Non-Program Vehicle) over the Net Book Value of such Lease Vehicle (as of the date of such redesignation but without giving effect to such Lease Vehicle's redesignation as a Program Vehicle) (such excess, if any, for such Lease Vehicle and such redesignation, the "Redesignation to Program Amount"); provided that,

(i) no payment shall be required to be made and no payment may be made by the Lessor pursuant to this Section 2.5(f) (*Non-Program Vehicle to Program Vehicle Redesignation Payments*) to the extent that an Amortization Event or a Potential Amortization Event exists or would be caused by such payment,

(ii) the amount of any such payment to be made by the Lessor on any such date shall be capped at and be paid from (and the obligation of the Lessor to make such payment on such date shall be limited to) the amount of funds available to the Lessor on such date, and

(iii) if any such payment from the Lessor is limited in amount pursuant to the foregoing clause (i) or (ii), the Lessor shall pay to such Lessee the funds available to the Lessor on such Payment Date and shall pay to such Lessee on each Payment Date thereafter the amount available to the Lessor until such Redesignation to Program Amount has been paid in full to such Lessee.

2.6. Hell-or-High-Water Lease. THIS AGREEMENT SHALL BE A NET LEASE, AND EACH LESSEE'S OBLIGATION TO PAY ALL RENT AND OTHER SUMS HEREUNDER SHALL BE ABSOLUTE AND UNCONDITIONAL, AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, SETOFF, COUNTERCLAIM, DEDUCTION OR REDUCTION FOR ANY REASON WHATSOEVER. The obligations and liabilities of each Lessee hereunder shall in no way be released, discharged or otherwise affected (except as may be expressly provided herein) for any reason, including without limitation:

(i) any defect in the condition, merchantability, quality or fitness for use of the Lease Vehicles or any part thereof;

(ii) any damage to, removal, abandonment, salvage, loss, scrapping or destruction of or any requisition or taking of the Lease Vehicles or any part thereof;

(iii) any restriction, prevention or curtailment of or interference with any use of the Lease Vehicles or any part thereof;

(iv) any defect in or any Lien on title to the Lease Vehicles or any part thereof;

(v) any change, waiver, extension, indulgence or other action or omission in respect of any obligation or liability of such Lessee or the Lessor;

(vi) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to such Lessee, the Lessor or any other Person, or any action taken with respect to this Agreement by any trustee or receiver of any Person mentioned above, or by any court;

(vii) any claim that such Lessee has or might have against any Person, including without limitation the Lessor;

(viii) any failure on the part of the Lessor or such Lessee to perform or comply with any of the terms hereof or of any other agreement;

(ix) any invalidity or unenforceability or disaffirmance of this Agreement or any provision hereof or any of the other Related Documents or any provision of any thereof, in each case whether against or by such Lessee or otherwise;

(x) any insurance premiums payable by such Lessee with respect to the Lease Vehicles; or

(xi) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not such Lessee shall have notice or knowledge of any of the foregoing and whether or not foreseen or foreseeable.

This Agreement shall not be cancellable by any Lessee (subject to Section 25 (*Lessee Termination and Resignation*)) and, except as expressly provided by this Agreement, each Lessee, to the extent permitted by law, waives all rights now or hereafter conferred by statute or otherwise to quit, terminate or surrender this Agreement, or to any diminution or reduction of Rent or other amounts payable by such Lessee hereunder. All payments by each Lessee made hereunder shall be final (except to the extent of adjustments provided for herein), absent manifest error and, except as otherwise provided herein, no Lessee shall seek to recover any such payment or any part thereof for any reason whatsoever, absent manifest error. All covenants and agreements of each Lessee herein shall be performed at its cost, expense and risk unless expressly otherwise stated.

3. TERM

3.1. Vehicle Term.

(a) Vehicle Operating Lease Commencement Date. The "Vehicle Operating Lease Commencement Date" with respect to any Lease Vehicle shall mean the date referenced in the applicable Lease Vehicle Acquisition Schedule with respect to such Lease Vehicle but in no event shall such date be a date later than the date that funds are expended by HVF III to acquire such Lease Vehicle (such date of payment, the "Vehicle Funding Date" for such Lease Vehicle).

(b) Vehicle Term for Lease Vehicles Without a Special Term. The "Vehicle Term" with respect to each Lease Vehicle (other than a Lease Vehicle that has a Special Term) shall extend from the Vehicle Operating Lease Commencement Date through the earliest of:

(i) the Disposition Date with respect to such Lease Vehicle;

(ii) if such Lease Vehicle becomes a Rejected Vehicle, the Rejection Date with respect to such Rejected Vehicle; and

(iii) the Maximum Lease Termination Date with respect to such Lease Vehicle

(the earliest of such three dates being referred to as the "Vehicle Operating Lease Expiration Date" for such Lease Vehicle).

(c) Vehicle Term For Lease Vehicles With A Special Term.

(i) Each Lease Vehicle titled in a state or commonwealth referenced in the definition of Special Term shall have a Special Term as set forth opposite such state or commonwealth in such definition.

(ii) The "Vehicle Term" with respect to each Lease Vehicle that has a Special Term shall extend from the Vehicle Operating Lease Commencement Date for such Lease Vehicle through the earlier to occur of the last day of the Special Term applicable to such Lease Vehicle and the date that would be the Vehicle Operating Lease Expiration Date for such Lease Vehicle if such Lease Vehicle did not have a Special Term; provided that, at the expiration of each Special Term with respect to such Lease Vehicle, the lease of such Lease Vehicle shall automatically be renewed for a successive Special Term applicable to such Lease Vehicle, until the earlier to occur of the Maximum Lease Termination Date with respect to such Lease Vehicle and the date that would be the Vehicle Operating Lease Expiration Date for such Lease Vehicle if such Lease Vehicle did not have a Special Term.

(d) Lease Vehicles with Multiple Vehicle Terms. For the avoidance of doubt, with respect to any Lease Vehicle that experiences more than one Vehicle Term pursuant to this Agreement, each such Vehicle Term with respect to such Lease Vehicle will be treated as an independent Vehicle Term for all purposes hereunder.

3.2. Master Motor Vehicle Operating Lease Term. The "Operating Lease Commencement Date" shall mean the Initial Closing Date. The "Operating Lease Expiration Date" shall mean the later of (i) the date of the final payment in full of the Notes and (ii) the Vehicle Operating Lease Expiration Date for the last Lease Vehicle leased by the Lessee hereunder. The "Term" of this Agreement shall mean the period commencing on the Operating Lease Commencement Date and ending on the Operating Lease Expiration Date.

4. RENT AND LEASE CHARGES. Each Lessee will pay Rent due and payable on a monthly basis as set forth in this Section 4 (*Rent and Lease Charges*).

4.1. Depreciation Records and Depreciation Charges. On each Business Day, the Lessor shall establish or cause to be established the Depreciation Charge with respect to each Lease Vehicle, and the Lessor shall maintain, and upon request by a Lessee, deliver or cause to be delivered to such Lessee a record of such Depreciation Charges (such record, the "Depreciation Record") with respect to each Lease Vehicle leased by such Lessee as of such date, the delivery of which may be satisfied by the Lessor posting or causing to be posted such depreciation records to a password-protected website made available to such Lessees or by any other reasonable means of electronic transmission (including, without limitation, email or other file transfer protocol), and may be made directly by the Lessor or on its behalf by any agent or designee of the Lessor.

4.2. Monthly Base Rent. With respect to any Payment Date and any Lease Vehicle, the "Monthly Base Rent" with respect to such Lease Vehicle for such Payment Date shall equal the *pro rata* portion (based upon the number of days in the Related Month with respect to such Payment Date that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of the last day of such Related Month calculated on a 30/360 day basis.

4.3. Final Base Rent. With respect to any Payment Date and any Lease Vehicle for which the Disposition Date occurred during such Related Month, the "Final Base Rent" with respect to any such Lease Vehicle for such Payment Date shall be an amount equal to the *pro rata* portion (based upon the number of days in such Related Month that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of such Disposition Date, calculated on a 30/360 day basis.

4.4. Program Vehicle Depreciation Assumption True-Up Amount. If the Program Vehicle Depreciation Assumption True-Up Amount with respect to any Lease Vehicle is a positive number as of the first day following the end of the Estimation Period for such Lease Vehicle, then the Lessee of such Lease Vehicle shall pay the Lessor such Program Vehicle Depreciation Assumption True-Up Amount with respect to such Lease Vehicle in accordance with Section 4.7.1 (*Payments*).

4.5. Monthly Variable Rent. The "Monthly Variable Rent" for each Payment Date and each Lease Vehicle (x) leased hereunder as of the last day of the Related Month with respect to such Payment Date, (y) the Disposition Date in respect of which occurred during such Related Month or (z) that was purchased by the applicable Lessee during such Related Month, in each case shall equal the sum of:

(a) the product of:

(i) an amount equal to the sum of:

(A) all interest that has accrued on the Notes during the Interest Period for the Notes ending on such Payment Date, plus

(B) all Carrying Charges with respect to such Payment Date, and

(ii) the quotient obtained by dividing:

(A) the Net Book Value of such Lease Vehicle as of the last day of such Related Month (or, if earlier, the Disposition Date with respect to such Lease Vehicle), by

(B) the aggregate Net Book Values as of the last day of such Related Month (or, in any such case, if earlier, the Disposition Date of such Lease Vehicle) of all such Lease Vehicles, plus

(b) 2.0% per annum, payable at one-twelfth the annual rate, of the Net Book Value of such Lease Vehicle as of the last day of the Related Month.

4.6. Casualty; Ineligible Vehicles. On the second day of each calendar month, each Lessee shall deliver to the Servicer a list containing each Lease Vehicle leased by such Lessee that suffered a Casualty or became an Ineligible Vehicle in the preceding calendar month (each such list, a "Monthly Casualty Report"). Each such delivery may be satisfied by the applicable Lessee posting such Monthly Casualty Report to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee. On the Disposition Date with respect to each Lease Vehicle that suffers a Casualty or becomes an Ineligible Vehicle, (i) the Lessor shall cause title to such Lease Vehicle to be transferred to or at the direction of the Lessee of such Lease Vehicle and (ii) such Lessee shall be entitled to any physical damage insurance proceeds applicable to such Lease Vehicle.

4.7. Payments.

4.7.1. On each Payment Date and with respect to the Related Month thereto, after giving full credit for any prepayments made pursuant to Section 4.9 (*Prepayments*), each Lessee shall pay to the Lessor an amount equal to the sum of the following amounts with respect to each Lease Vehicle leased by such Lessee hereunder to the last day of such Related Month (other than any Lease Vehicle for which the Disposition Date occurred during such Related Month):

(a) the Monthly Base Rent with respect to such Lease Vehicle as of such Payment Date, plus

(b) the Pre-VOLCD Program Vehicle Depreciation Amount with respect to such Lease Vehicle, if any, plus

(c) if the Program Vehicle Depreciation Assumption True-Up Amount owing with respect to such Lease Vehicle as of such Payment Date is a positive number, then such Program Vehicle Depreciation Assumption True-Up Amount minus all amounts previously paid by the applicable Lessee in respect of such Program Vehicle Depreciation Assumption True-Up Amount, plus

(d) the Monthly Variable Rent with respect to such Lease Vehicle as of such Payment Date, plus

(e) the Redesignation to Non-Program Amount, if any, with respect to such Lease Vehicle for such Payment Date.

4.7.2. On each Payment Date and with respect to the Related Month thereto, after giving full credit for any prepayments made pursuant to Section 4.9 (*Prepayments*), each Lessee shall pay to the Lessor an amount equal to the sum of the following amounts with respect to each Lease Vehicle leased by such Lessee hereunder as of any day during such Related Month and for which the Disposition Date occurred during such Related Month:

(a) the Casualty Payment Amount with respect to such Lease Vehicle, if any, plus

(b) the Final Base Rent with respect to such Lease Vehicle, if any, plus

(c) the Program Vehicle Special Default Payment Amount with respect to such Lease Vehicle, if any, plus

(d) the Non-Program Vehicle Special Default Payment Amount with respect to such Lease Vehicle, if any, plus

9.3.1. If an Operating Lease Event of Default shall occur and be continuing, then the Lessor may proceed by appropriate court action or actions, either at law or in equity, to enforce performance by any Lessee of the applicable covenants and terms of this Agreement or to recover damages for the breach hereof calculated in accordance with Section 9.5 (*Measure of Damages*).

9.3.2. If any Operating Lease Event of Default set forth in Sections 9.1.1 (*Events of Default*), 9.1.2 (*Events of Default*), 9.1.5 (*Events of Default*), 9.1.6 (*Events of Default*) or 9.1.8 (*Events of Default*) shall occur and be continuing, then (i) the Lessor shall have the right, either acting on its own behalf or through the Back-up Disposition Agent, (a) to terminate any Lessee's rights of possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (b) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder, (c) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever and (d) to direct delivery by the Servicer of the Certificates of Title for all or a portion of the Lease Vehicles and (ii) the Lessees, at the request of the Lessor or the Trustee acting at the direction of the Majority Indenture Investors, shall return or cause to be returned all Lease Vehicles to the Lessor, the Back-up Disposition Agent or the Trustee as the case may be; provided that, the Trustee's exercise of remedies shall be subject to Section 9.4(e) (*Liquidation Event and Non-Performance of Certain Covenants*).

9.3.3. Each and every power and remedy hereby specifically given to the Lessor will be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law, in equity or in bankruptcy and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Lessor; provided, however, that the measure of damages recoverable against such Lessee will in any case be calculated in accordance with Section 9.5 (*Measure of Damages*). All such powers and remedies will be cumulative, and the exercise of one will not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Lessor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder will impair any such power or remedy or will be construed to be a waiver of any default or any acquiescence therein; provided that, for the avoidance of doubt, any exercise of any such right or power shall remain subject to each condition expressly specified in any Related Document with respect to such exercise. Any extension of time for payment hereunder or other indulgence duly granted to any Lessee will not otherwise alter or affect the Lessor's rights or the obligations hereunder of such Lessee. The Lessor's acceptance of any payment after it will have become due hereunder will not be deemed to alter or affect the Lessor's rights hereunder with respect to any subsequent payments or defaults therein.

9.4. Liquidation Event and Non-Performance of Certain Covenants.

(a) Subject to Section 9.4(e) (*Liquidation Event and Non-Performance of Certain Covenants*), if a Liquidation Event shall have occurred and be continuing, the Trustee shall have the rights (including acting through the Back-up Disposition Agent) against each Lessee and the Collateral provided in the Base Indenture, the Series Supplements and the Collateral Agency Agreement upon a Liquidation Event, including, in each case, the right (i) to terminate any Lessee's rights of possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (ii) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder, (iii) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever and (iv) to direct delivery by the Servicer of the Certificates of Title for all or a portion of the Lease Vehicles.

(b) Subject to Section 9.4(e) (*Liquidation Event and Non-Performance of Certain Covenants*), during the continuance of a Liquidation Event, the Servicer shall return any or all Lease Vehicles that are Program Vehicles to the related Manufacturers in accordance with the instructions of the Lessor. To the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program, the Lessor shall have the right to otherwise dispose of such Program Vehicles and to direct the Servicer to dispose of such Program Vehicles in accordance with its instructions.

(c) Notwithstanding the exercise of any rights or remedies pursuant to this Section 9.4 (*Liquidation Event and Non-Performance of Certain Covenants*), the Lessor will, nevertheless, have a right to recover from such Lessee any and all amounts (for the avoidance of doubt, as limited by Section 9.5 (*Measure of Damages*)) as may be then due.

(d) In addition, following the occurrence of a Liquidation Event, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-a-vis each Lessee, necessary or desirable to allow the Trustee to exercise the rights, remedies, powers, privileges and claims given to the Trustee pursuant to Section 9.2 *(Rights of the Trustee upon Amortization Event or Certain Other Events of Default)* of the Base Indenture, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the Trustee pursuant to Article IX *(Amortization Events and Remedies)* of the Base Indenture and that the Trustee may, but shall not (unless otherwise directed by the Majority Indenture Investors) be obligated to, act (by itself or through the Back-up Disposition Agent) in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

(e) The Trustee or the Back-up Disposition Agent may only take possession of or exercise any of the rights or remedies specified in this Agreement, with respect to such number of Lease Vehicles necessary to generate disposition proceeds in an aggregate amount sufficient to pay each Series of Notes with respect to which a Liquidation Event is then continuing as set forth in the related Series Supplement, taking into account the receipt of proceeds of all other vehicles being disposed of that have been pledged to secure such Series of Notes.

9.5. Measure of Damages. If an Operating Lease Event of Default or Liquidation Event occurs and the Lessor or the Trustee exercises the remedies granted to the Lessor or the Trustee under this Section 9 (*Defaults and Remedies Therefor*) or Section 9.2 *(Rights of the Trustee upon Amortization Event or Certain Other Events of Default)* of the Base Indenture, the amount that the Lessor shall be permitted to recover from any Lessee as payment shall be equal to:

(i) all Rent for each Lease Vehicle leased by such Lessee hereunder to the extent accrued and unpaid as of the earlier of the date of the return to the Lessor of such Lease Vehicle or disposition by the Servicer of such Lease Vehicle in accordance with the terms of this Agreement and all other payments payable under this Agreement by such Lessee, accrued and unpaid as of such date; plus

(ii) any reasonable out-of-pocket damages and expenses, including reasonable attorneys' fees and expenses that the Lessor or the Trustee will have sustained by reason of such an Operating Lease Event of Default or Liquidation Event, together with reasonable sums for such attorneys' fees and such expenses as will be expended or incurred in the seizure, storage, rental or sale of the Lease Vehicles leased by such Lessee hereunder or in the enforcement of any right or privilege hereunder or in any consultation or action in such connection, in each case to the extent reasonably attributable to such Lessee; plus

(iii) interest from time to time on amounts due from such Lessee and unpaid under this Agreement at the Reference Rate plus 1.0% computed from the date of such an Operating Lease Event of Default or Liquidation Event or the date payments were originally due to the Lessor by such Lessee under this Agreement or from the date of each expenditure by the Lessor or the Trustee, as applicable, that is recoverable from such Lessee pursuant to this Section 9 (*Default and Remedies Therefor*), as applicable, to and including the date payments are made by such Lessee.

9.6. Servicer Default. Any of the following events will constitute a default of the Servicer (a "Servicer Default") as that term is used herein:

(i) the failure of the Servicer to comply with or perform any provision of this Agreement or any other Related Document that has a Lease Material Adverse Effect with respect to the Servicer, the Lessor or any Lessee, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice is delivered by the Lessor or the Trustee to the Servicer or the date an Authorized Officer of the Servicer obtains actual knowledge thereof;

(ii) an Event of Bankruptcy occurs with respect to the Servicer;

(iii) the failure of the Servicer to make any payment when due from it hereunder or under any of the other Related Documents or to deposit any Collections received by it into a Collateral Account when required under the Related Documents and, in each case, such failure continues for five (5) consecutive Business Days after the earlier of (a) the date written notice is delivered by the Lessor or the Trustee to the Servicer or (b) the date an Authorized Officer of the Servicer obtains actual knowledge thereof, except to the extent that failure to remain in such compliance would not reasonably be expected to result in a Lease Material Adverse Effect with respect to the Lessor; or

(iv) if (I) any representation or warranty made by the Servicer relating to the Collateral in any Related Document is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing relating to the Collateral furnished by or on behalf of the Servicer to the Lessor or the Trustee pursuant to any Related Document is false or misleading on the date as of which the facts therein set forth are stated or certified, (II) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (III) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for at least thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the Trustee to the Servicer and (y) the date an Authorized Officer of the Servicer obtains actual knowledge of such circumstance or condition.

In the event of a Servicer Default, the Trustee, acting pursuant to Section 8.7(d) *(No Termination of Servicer)* of the Base Indenture, shall have the right to replace the Servicer as servicer.

For the avoidance of doubt, with respect to any Servicer Default, if the event or condition giving rise (directly or indirectly) to such Servicer Default ceases to be continuing (through cure, waiver or otherwise), then such Servicer Default will cease to exist and will be deemed to have been cured for every purpose hereunder and under the Related Documents.

9.7. Application of Proceeds. The proceeds of any sale or other disposition pursuant to Section 9.2 (*Effect of Operating Lease Event of Default*) or Section 9.3 (*Rights of Lessor Upon Operating Lease Event of Default*) shall be applied by the Lessor in its discretion as the Lessor deems appropriate.

10. CERTIFICATION OF TRADE OR BUSINESS USE. Each Lessee hereby warrants and certifies, under penalties of perjury, that it intends to use the Lease Vehicles that are subject to this Agreement in connection with its trade or business.

11. GUARANTY

11.1. Guaranty. In order to induce the Lessor to execute and deliver this Agreement and to lease Lease Vehicles hereunder to the Lessees, and in consideration thereof, the Guarantor hereby (i) unconditionally and irrevocably guarantees to the Lessor the obligations of each of the Lessees to make any payments required to be made by them under this Agreement, (ii) agrees to cause each Lessee to duly and punctually perform and observe all of the terms, conditions, covenants, agreements and indemnities applicable to such Lessee under this Agreement, and (iii) agrees that, if for any reason whatsoever, any Lessee fails to so perform and observe such terms, conditions, covenants, agreements and indemnities, the Guarantor will duly and punctually perform and observe the same (the obligations referred to in clauses (i) through (iii) above are collectively referred to as the "Guaranteed Obligations"). The liabilities and obligations of the Guarantor under the guaranty contained in this Section 11 (*Guaranty*) (this "Guaranty") will be absolute and unconditional under all circumstances. The Guaranty is a guaranty of payment and not of collection.

11.2. Scope of Guarantor's Liability. The Guarantor's obligations under this Guaranty are independent of the obligations of the Lessees, any other guarantor or any other Person, and the Lessor may enforce any of its rights hereunder independently of any other right or remedy that the Lessor may at any time hold with respect to this Agreement or any security or other guaranty therefor. Without limiting the generality of the foregoing, the Lessor may bring a separate action against the Guarantor under this Guaranty without first proceeding against any of the Lessees, any other guarantor or any other Person, or any security held by the Lessor, and regardless of whether the Lessees or any other guarantor or any other Person is joined in any such action. The Guarantor's liability under this Guaranty shall at all times remain effective with respect to the full amount due from the Lessees hereunder. The Lessor's rights hereunder shall not be exhausted by any action taken by the Lessor until all Guaranteed Obligations have been fully paid and performed.

11.3. Lessor's Right to Amend; Assignment of Lessor's Rights in Guaranty. The Guarantor authorizes the Lessor, at any time and from time to time without notice and without affecting the liability of the Guarantor under this Guaranty, to: (a) accept new or additional instruments, documents, agreements, security or guaranties in connection with all or any part of the Guaranteed Obligations; (b) accept partial payments on the Guaranteed Obligations; (c) release any Lessee, any guarantor or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and (d) assign its rights under this Guaranty in whole or in part to the Collateral Agent and the Trustee.

11.4. Waiver of Certain Rights by Guarantor. The Guarantor hereby waives each of the following to the fullest extent allowed by law:

(a) any defense to its obligations under this Guaranty based upon:

1. the unenforceability or invalidity of any security or other guaranty for the Guaranteed Obligations or the lack of perfection or failure of priority of any security for the Guaranteed Obligations;

2. any act or omission of the Lessor or any other Person (other than a defense of payment or performance) that directly or indirectly results in the discharge or release of any of the Lessees or any other Person or any of the Guaranteed Obligations or any security therefor; provided that, the Guarantor's liability in respect of this Guaranty shall be released to the extent the Lessor expressly releases such Lessee or other Person, in a writing conforming to the requirements of Section 22 (*Survivability*), from any Guaranteed Obligations; or

3. any disability or any other defense of any Lessee or any other Person with respect to the Guaranteed Obligations (other than a defense of payment or performance), whether consensual or arising by operation of law or any bankruptcy, insolvency or debtor-relief proceeding, or from any other cause;

(b) any right (whether now or hereafter existing) to require the Lessor, as a condition to the enforcement of this Guaranty, to:

1. give notice to the Guarantor of the terms, time and place of any public or private sale of any security for the Guaranteed Obligations; or

2. proceed against any Lessee, any other guarantor or any other Person, or proceed against or exhaust any security for the Guaranteed Obligations;

(c) presentment, demand, protest and notice of any kind, including without limitation notices of default and notice of acceptance of this Guaranty;

(d) all suretyship defenses and rights of every nature otherwise available under New York law and the laws of any other jurisdiction;

(e) any right that the Guarantor has or may have to set-off with respect to any right to payment from any Lessee; and

(f) all other rights and defenses the assertion or exercise of which would in any way diminish the liability of the Guarantor under this Guaranty (other than a defense of payment or performance).

(g) Except as provided in Section 11.7 (*Third-Party Beneficiaries*), nothing express or implied in this Guaranty shall give any Person other than the Lessees, the Lessor, the Trustee, the Collateral Agent, the Vehicle-Only Collateral Agent and the Guarantor any benefit or any legal or equitable right, remedy or claim under this Guaranty.

11.5. Guarantor to Pay Lessor's Expenses. The Guarantor agrees to pay to the Lessor and the Trustee, on demand, all costs and expenses, including reasonable attorneys' and other professional and paraprofessional fees, incurred by the Lessor or the Trustee (as applicable) in exercising any right, power or remedy conferred by this Guaranty, or in the enforcement of this Guaranty, whether or not any action is filed in connection therewith.

11.6. Reinstatement. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time payment of any of the amounts payable by any Lessee under this Agreement is rescinded or must otherwise be restored or returned by the Lessor, upon an event of bankruptcy, dissolution, liquidation or reorganization of any Lessee or the Guarantor or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Lessee, the Guarantor, any other guarantor or any other Person, or any substantial part of their respective property, or otherwise, all as though such payment had not been made.

11.7. Third-Party Beneficiaries. The Guarantor acknowledges that the Trustee has accepted the assignment of the Lessor's rights, powers, privileges and remedies under this Agreement and that the Trustee (for the benefit of the Trustee and Noteholders and their respective assigns) shall be a third-party beneficiary under this Guaranty.

12. ADDITIONAL LESSEES. Any Affiliate of the Guarantor (each, a "Permitted Lessee") shall have the right to become a "Lessee" under and pursuant to the terms of this Agreement by complying with the provisions of this Section 12 (*Additional Lessees*). If a Permitted Lessee desires to become a "Lessee" under this Agreement, then the Guarantor and such Permitted Lessee shall execute (if appropriate) and deliver to the Lessor and the Trustee:

12.1. a Joinder in Lease Agreement substantially in the form attached hereto as Annex A (each, an "Affiliate Joinder in Lease");

12.2. the certificate of incorporation or other organizational documents for such Permitted Lessee, duly certified by the Secretary of State of the jurisdiction of such Permitted Lessee's incorporation or formation, together with a copy of the by-laws or other organizational documents of such Permitted Lessee, duly certified by a Secretary or Assistant Secretary or other Authorized Officer of such Permitted Lessee;

12.3. copies of resolutions of the Board of Directors or other authorizing action of such Permitted Lessee authorizing or ratifying the execution, delivery and performance, respectively, of those documents and matters required of it with respect to this Agreement, duly certified by the Secretary or Assistant Secretary or other Authorized Officer of such Permitted Lessee;

12.4. a certificate of the Secretary or Assistant Secretary or other Authorized Officer of such Permitted Lessee certifying the names of the individual or individuals authorized to sign the Affiliate Joinder in Lease and any other Related Documents to be executed by it, together with samples of the true signatures of each such individual;

12.5. a good standing certificate for such Permitted Lessee in the jurisdiction of its organization;

12.6. an Officer's Certificate stating that such joinder by such Permitted Lessee complies with this Section 12 (*Additional Lessees*) and an opinion of counsel, which may be based on an Officer's Certificate and is subject to customary exceptions and qualifications (including, without limitation, insolvency laws and principles of equity), stating that(a) all conditions precedent set forth in this Section 12 (*Additional Lessees*) relating to such joinder by such Permitted Lessee have been complied with and (b) upon the due authorization, execution and delivery of such Affiliate Joinder in Lease by the parties thereto, such Affiliate Joinder in Lease will be enforceable against such Permitted Lessee;

12.7. an executed Grantor Supplement to the Collateral Agency Agreement pursuant to which such Permitted Lessee has granted a security interest in certain collateral for the benefit of the Lessor and the Collateral Agent or the Vehicle-Only Collateral Agent, as the case may be, for the benefit of the Trustee to secure such Permitted Lessees' obligations hereunder if, notwithstanding the intent of the parties to this Agreement, this Agreement is characterized by any court of competent jurisdiction as a financing arrangement or as otherwise not constituting a true lease; and

12.8. any additional documentation that the Lessor or the Trustee may reasonably require to evidence the assumption by such Permitted Lessee of the obligations and liabilities set forth in this Agreement.

Upon satisfaction of the foregoing conditions and receipt by such Permitted Lessee of the applicable Affiliate Joinder in Lease executed by the Lessor, such Permitted Lessee shall for all purposes be deemed to be a "Lessee" for purposes of this Agreement (including, without limitation, the Guaranty which is a part of this Agreement) and shall be entitled to the benefits and subject to the liabilities and obligations of a Lessee hereunder.

13. LIENS AND ASSIGNMENTS

13.1. Rights of Lessor Assigned to Trustee. Each Lessee acknowledges that the Lessor has assigned or will assign all of its rights under this Agreement to the Trustee pursuant to the Base Indenture. Accordingly, each Lessee agrees that:

(i) subject to the terms of the Base Indenture, the Trustee (and the Back-up Disposition Agent acting on its behalf) shall have all the rights, powers, privileges and remedies of the Lessor hereunder (including, but not limited to, the rights of the Guaranty under Section 11.1 (*Guaranty*) herein), and such Lessee's obligations hereunder (including the payment of Rent and all other amounts payable hereunder) shall not be subject to any claim or defense that such Lessee may have against the Lessor (other than the defense of payment actually made) and shall be absolute and unconditional and shall not be subject to any abatement, setoff, counterclaim, deduction or reduction for any reason whatsoever. Specifically, each Lessee agrees that, upon the occurrence of an Operating Lease Event of Default or Liquidation Event, the Trustee (and the Back-up Disposition Agent acting on its behalf) may exercise (for and on behalf of the Lessor) any right or remedy against such Lessee provided for herein and such Lessee will not interpose as a defense that such claim should have been asserted by the Lessor;

(ii) upon the delivery by the Trustee of any notice to such Lessee stating that an Operating Lease Event of Default or a Liquidation Event has occurred, such Lessee will, if so requested by the Trustee, treat the Trustee for all purposes as the Lessor hereunder and in all respects comply with all obligations under this Agreement that are asserted by the Trustee, as the Lessor hereunder, irrespective of whether such Lessee has received any such notice from the Lessor; and

(iii) such Lessee acknowledges that pursuant to this Agreement it has agreed to make all payments of Rent hereunder (and any other payments hereunder) directly to the Trustee for deposit in the Collection Account.

13.2. Right of the Lessor to Assign this Agreement. The Lessor shall have the right to finance the acquisition and ownership of Lease Vehicles by selling or assigning its right, title and interest in this Agreement, including, without limitation, in moneys due from any Lessee and any third party under this Agreement, to the Trustee for the benefit of the Noteholders; provided, however, that any such sale or assignment shall be subject to the rights and interest of the Lessees in the Lease Vehicles, including but not limited to the Lessees' right of quiet and peaceful possession of such Lease Vehicles as set forth in Section 5.3 (*Non-Disturbance*) hereof, and under this Agreement.

13.3. Limitations on the Right of the Lessees to Assign this Agreement. No Lessee shall assign this Agreement or any of its rights hereunder to any other party; provided, however, that (i) each Lessee may rent the Lease Vehicles leased by such Lessee hereunder in connection with its business and may use and sublease Lease Vehicles pursuant to Section 5.2 (*Vehicle Use*) and (ii) each Lessee may delegate to one or more of its Affiliates the performance of any of such Lessee's obligations as Lessee hereunder (but such Lessee shall remain fully liable for its obligations hereunder). Any purported assignment in violation of this Section 13.3 (*Limitation on the Right of the Lessees to Assign this Agreement*) shall be void and of no force or effect. Nothing contained herein shall be deemed to restrict the right of any Lessee to acquire or dispose of, by purchase, lease, financing, or otherwise, motor vehicles that are not subject to the provisions of this Agreement.

13.4. Liens. The Lessor may grant security interests in the Lease Vehicles leased by any Lessee hereunder without consent of any Lessee or the Guarantor. Except for Permitted Liens, each Lessee shall keep all Lease Vehicles free of all Liens arising during the Term. If on the Vehicle Operating Lease Expiration Date for any Lease Vehicle, there is a Lien on such Lease Vehicle, the Lessor may, in its discretion, remove such Lien and any sum of money that may be paid by the Lessor in release or discharge thereof, including reasonable attorneys' fees and costs, will be paid by the Lessee of such Lease Vehicle upon demand by the Lessor.

14. NON-LIABILITY OF LESSOR. AS BETWEEN THE LESSOR AND EACH LESSEE, ACCEPTANCE FOR LEASE OF EACH LEASE VEHICLE PURSUANT TO SECTION 2.1(d) (*LEASE VEHICLE ACCEPTANCE OR NONCONFORMING LEASE VEHICLE REJECTION*) SHALL CONSTITUTE SUCH LESSEE'S ACKNOWLEDGMENT AND AGREEMENT THAT THE LESSEE HAS FULLY INSPECTED SUCH LEASE VEHICLE, THAT SUCH LEASE VEHICLE IS IN GOOD ORDER AND CONDITION AND IS OF THE MANUFACTURE, DESIGN, SPECIFICATIONS AND CAPACITY SELECTED BY SUCH LESSEE, THAT SUCH LESSEE IS SATISFIED THAT THE SAME IS SUITABLE FOR THIS USE. EACH LESSEE ACKNOWLEDGES THAT THE LESSOR IS NOT A MANUFACTURER OR AGENT THEREOF OR PRIMARILY ENGAGED IN THE SALE OR DISTRIBUTION OF LEASE VEHICLES. EACH LESSEE ACKNOWLEDGES THAT THE LESSOR MAKES NO REPRESENTATION, WARRANTY OR COVENANT, EXPRESS OR IMPLIED IN ANY SUCH CASE, AS TO THE FITNESS, SAFENESS, DESIGN, MERCHANTABILITY, CONDITION, QUALITY, DURABILITY, SUITABILITY, CAPACITY OR WORKMANSHIP OF THE LEASE VEHICLES IN ANY RESPECT OR IN CONNECTION WITH OR FOR ANY PURPOSES OR USES OF ANY LESSEE AND MAKES NO REPRESENTATION, WARRANTY OR COVENANT, EXPRESS OR IMPLIED IN ANY SUCH CASE, THAT THE LEASE VEHICLES WILL SATISFY THE REQUIREMENTS OF ANY LAW OR ANY CONTRACT SPECIFICATION, AND AS BETWEEN THE LESSOR AND EACH LESSEE, SUCH LESSEE AGREES TO BEAR ALL SUCH RISKS AT ITS SOLE COST AND EXPENSE. EACH LESSEE SPECIFICALLY WAIVES ALL RIGHTS TO MAKE CLAIMS AGAINST THE LESSOR AND ANY LEASE VEHICLE FOR BREACH OF ANY WARRANTY OF ANY KIND WHATSOEVER, AND EACH LESSEE LEASES EACH LEASE VEHICLES "AS IS." UPON THE LESSOR'S ACQUISITION OF ANY LEASE VEHICLE IDENTIFIED ON ANY LEASE VEHICLE ACQUISITION SCHEDULE, LESSOR SHALL IN NO WAY BE LIABLE FOR ANY DIRECT OR INDIRECT DAMAGES OR INCONVENIENCE RESULTING FROM ANY DEFECT IN OR LOSS, THEFT, DAMAGE OR DESTRUCTION OF ANY LEASE VEHICLE OR OF THE CARGO OR CONTENTS THEREOF OR THE TIME CONSUMED IN RECOVERY REPAIRING, ADJUSTING, SERVICING OR REPLACING THE SAME AND THERE SHALL BE NO ABATEMENT OR APPORTIONMENT OF RENTAL AT SUCH TIME. THE LESSOR SHALL NOT BE LIABLE FOR ANY FAILURE TO PERFORM ANY PROVISION HEREOF RESULTING FROM FIRE OR OTHER CASUALTY, NATURAL DISASTER, RIOT OR OTHER CIVIL UNREST, WAR, TERRORISM, STRIKE OR OTHER LABOR DIFFICULTY, GOVERNMENTAL REGULATION OR RESTRICTION, OR ANY CAUSE BEYOND THE LESSOR'S DIRECT CONTROL. IN NO EVENT SHALL THE LESSOR BE LIABLE FOR ANY INCONVENIENCES, LOSS OF PROFITS OR ANY OTHER SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHATSOEVER OR HOWSOEVER CAUSED (INCLUDING RESULTING FROM ANY DEFECT IN OR ANY THEFT, DAMAGE, LOSS OR FAILURE OF ANY LEASE VEHICLE).

15. NO PETITION. Each Lessee and the Servicer hereby covenants and agrees that, prior to the date that is one year and one day after the payment in full of all of the Notes, it will not institute against, or join with, encourage or cooperate with any other Person in instituting against the Lessor or the Nominee, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other similar proceeding under the laws of the United States or any state of the United States. In the event that any Lessee or the Servicer takes action in violation of this Section 15 (*No Petition*), the Lessor or the Nominee, as the case may be, agrees, for the benefit of the Noteholders, that it shall file an answer with the bankruptcy court or otherwise properly contest the filing of such a petition by such Lessee or the Servicer, as the case may be, against it or the commencement of such action and raise the defense that such Lessee or the Servicer, as the case may be, has agreed in writing not to take such action and should be estopped and precluded therefrom. The provisions of this Section 15 (*No Petition*) shall survive the termination of this Agreement.

16. SUBMISSION TO JURISDICTION. The Lessor and the Trustee may enforce any claim arising out of this Agreement in any state or federal court having subject matter jurisdiction, including, without limitation, any state or federal court located in the State of New York. For the purpose of any action or proceeding instituted with respect to any such claim, each Lessee hereby irrevocably submits to the jurisdiction of such courts. Each Lessee further irrevocably consents to the service of process out of said courts by mailing a copy thereof, by registered mail, postage prepaid, to such Lessee and agrees that such service, to the fullest extent permitted by law, (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall be taken and held to be valid personal service upon and personal delivery to it. Nothing herein contained shall affect the right of the Trustee and the Lessor to serve process in any other manner permitted by law or preclude the Lessor or the Trustee from bringing an action or proceeding in respect hereof in any other country, state or place having jurisdiction over such action. Each Lessee hereby irrevocably waives, to the fullest extent permitted by law, any objection which it may have or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court located in the State of New York and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum.

17. GOVERNING LAW. THIS AGREEMENT, AND ALL MATTERS ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HERETO SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAW.

18. JURY TRIAL. EACH PARTY HERETO HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT OR ANY OTHER RELATED DOCUMENT TO WHICH IT IS A PARTY, OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION THEREWITH OR ARISING FROM ANY RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT OR ANY RELATED TRANSACTION, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

19. NOTICES. All notices, requests and other communications to any party hereunder shall be in writing (including facsimile transmission or similar writing) and shall be given to such party, addressed to it, at its address or telephone number set forth on the signature pages below, or at such other address or telephone number as such party may hereafter specify for the purpose by notice to the other party. Copies of notices, requests and other communications delivered to the Trustee, any Lessee and/or the Lessor pursuant to the foregoing sentence shall be sent to the following addresses:

20. ENTIRE AGREEMENT. This Agreement and the other agreements specifically referenced herein constitute the entire agreement among the parties hereto and supersede any prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement, together with the Manufacturer Programs, the Lease Vehicle Acquisition Schedules, the Intra-Lease Lessee Transfer Schedules and any other related documents attached to this Agreement (including, for the avoidance of doubt, all related joinders, exhibits, annexes, schedules, attachments and appendices), in each case solely to the extent to which such Manufacturer Programs, schedules and documents relate to Lease Vehicles will constitute the entire agreement regarding the leasing of Lease Vehicles by the Lessor to each Lessee.

21. MODIFICATION AND SEVERABILITY. SECTION 9. Term of Agreement; Resignation and Removal of Administrator. (a) This Agreement shall continue in force until termination of the Base Indenture and the Related Documents, in each case to the extent related to the Indenture Collateral or the Note Obligations and the Series Related Documents with respect to each Series of Notes, in the case of any of the foregoing, in accordance with their respective terms and the payment in full of all obligations owing thereunder, upon which event this Agreement shall automatically terminate.

(b) Subject to Section 9(d) *(Term of Agreement; Resignation and Removal of Administrator)* and Section 9(e) *(Term of Agreement; Resignation and Removal of Administrator)*, HVF III, with the written consent of the Majority Indenture Investors, may remove the Administrator without cause by providing the Administrator with at least sixty (60) days' prior written notice.

(c) Subject to Section 9(d) *(Term of Agreement; Resignation and Removal of Administrator)* and Section 9(e) *(Term of Agreement; Resignation and Removal of Administrator)*, the Trustee may, and at the direction of the Majority Indenture Investors shall, remove the Administrator upon written notice of termination from the Trustee to the Administrator if any of the following events shall occur (each an "Administrator Default"):

(i) the Administrator shall materially default in the performance of any of its duties under this Agreement and such default materially and adversely affects the interests of the Noteholders and, after notice of such default from the Trustee, at the direction of the Majority Indenture Investors, the Administrator shall not cure such default within thirty (30) days (or, if such default cannot be cured in such time, shall not give within thirty (30) days such assurance of cure as shall be reasonably satisfactory to HVF III);

(ii) a court having jurisdiction in the premises shall enter a decree or order for relief, and such decree or order shall not have been vacated within sixty (60) days, in respect of the Administrator in any involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect or appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for the Administrator or any substantial part of its property or order the winding-up or liquidation of its affairs; or

The Administrator agrees that if any of the events specified in clauses (i) through (iii) of this Section 9(c) *(Term of Agreement; Resignation and Removal of Administrator)* shall occur, it shall give written notice thereof to HVF III and the Trustee within five days after the happening of such event.

(d) No resignation or removal of the Administrator pursuant to this Section 9(d) *(Term of Agreement; Resignation and Removal of Administrator)* shall be effective until (i) a successor Administrator shall have been appointed by HVF III and (ii) such successor Administrator shall have agreed in writing to be bound by the terms of this Agreement in the same manner as the Administrator is bound hereunder. HVF III shall provide written notice of any such removal to the Trustee, each Enhancement Provider and the Rating Agencies.

(e) The appointment of any successor Administrator shall be effective only after satisfaction of the Rating Agency Condition with respect to each Series of Notes Outstanding.

(f) A successor Administrator shall execute, acknowledge and deliver a written acceptance of its appointment hereunder to the resigning Administrator and to HVF III. Thereupon the resignation or removal of the resigning Administrator shall become effective and the successor Administrator shall have all the rights, powers and duties of the Administrator under this Agreement. The successor Administrator shall mail a notice of its succession to the Noteholders. The resigning Administrator shall promptly transfer or cause to be transferred all property and any related agreements, documents and statements held by it as Administrator to the successor Administrator and the resigning Administrator shall execute and deliver such instruments and do other things as may reasonably be required for fully and certainly vesting in the successor Administrator all rights, powers, duties and obligations hereunder.

(g) In no event shall a resigning Administrator be liable for the acts or omissions of any successor Administrator hereunder.

The Administrator shall forthwith upon termination pursuant to Section 9(a) *(Term of Agreement; Resignation and Removal of Administrator)* deliver to HVF III all property and documents of or relating to the Collateral and any Series-Specific Collateral then in the custody of the Administrator. In the event of the resignation or removal of the Administrator pursuant to Section 9(b) *(Term of Agreement; Resignation and Removal of Administrator)* or 9(c) *(Term of Agreement; Resignation and Removal of Administrator)*, respectively, the Administrator shall cooperate with HVF III and take all reasonable steps requested to assist HVF III in making an orderly transfer of the duties of the Administrator.

SECTION 13. Successors and Assigns. The parties hereto acknowledge that the Trustee has accepted the assignment of HVF III's rights under this Agreement pursuant to a Series Supplement. An assignment with such consent and satisfaction, if accepted by the assignee, shall bind the assignee hereunder in the same manner as the Administrator is bound hereunder. Delivery of an executed counterpart signature page of this Agreement by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement and shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law. Any electronically signed document delivered via email from a person purporting to be an authorized officer shall be considered signed or executed by such authorized officer on behalf of the applicable person and will be binding on all parties hereto to the same extent as if it were manually executed.

SECTION 17. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 18. Limitation of Liability of Trustee and Administrator. Notwithstanding anything contained herein to the contrary, in no event shall either the Trustee or the Administrator have any liability for the representations, warranties, covenants, agreements or other obligations of HVF III hereunder or in any of the certificates, notices or agreements delivered pursuant hereto, as to all of which recourse shall be had solely to the assets of HVF III.

SECTION 19. Nonpetition Covenants. Notwithstanding any prior termination of this Agreement, the Administrator, HVF III and the Trustee shall not, prior to the date which is one year and one day after the payment in full of all the Notes, institute against, or join with, encourage or cooperate with any other Person in instituting against, HVF III any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceeding under any federal or state bankruptcy or similar law. The provisions of this Section 19 *(Nonpetition Covenants)* shall survive the termination of this Agreement.

SECTION 20. Liability of Administrator. The Administrator agrees to indemnify HVF III and the Trustee and their respective agents (the "Indemnified Parties") from and against any and all actions, causes of action, suits, losses, costs, liabilities and damages, and expenses incurred therewith, including reasonable attorney's fees and expenses incurred by the Indemnified Parties as a result of, or arising out of, or relating to the entering into and performance of any Related Document by the Indemnified Parties or suffered or sustained by the Indemnified Parties, by reason of any acts, omissions or alleged acts or omissions arising out of the Administrator's activities pursuant to any Related Document. Notwithstanding anything in the foregoing to the contrary, the Administrator shall not be obligated under its agreements of indemnity contained in this Section 20 *(Liability of Administrator)* (i) for any liabilities resulting from the gross negligence or willful misconduct of the Indemnified Parties or (ii) in respect of any claim arising out of the assessment of any tax against the Indemnified Parties. The obligations of the Administrator and the rights of the Indemnified Parties under this Section 20 *(Liability of Administrator)* shall survive any termination of this Agreement, in whole or in part.

SECTION 21. Limited Recourse to HVF III. The obligations of HVF III under this Agreement are solely the obligations of HVF III. No recourse shall be had for the payment of any amount owing in respect of any fee hereunder or any other obligation or claim arising out of or based upon this Agreement against any member, employee, officer or director of HVF III. Fees, expenses, costs or other obligations payable by HVF III hereunder shall be payable by HVF III to the extent and only to the extent that HVF III is reimbursed therefor pursuant to any of the Related Documents or Series Related Documents with respect to any Series of Notes, or funds are then available or thereafter become available for such purpose pursuant to Article V *(Allocation and Application of Collections)* of the Base Indenture, and the amount of any fees, expenses or costs exceeding such funds shall in no event constitute a claim (as defined in Section 101 of the Bankruptcy Code) against, or corporate obligation of, HVF III.

SECTION 22. Trustee. In acting hereunder, the Trustee shall have the benefit of the rights, protections and immunities granted to it under the Base Indenture.

Exhibit 10.10

White & Case Draft: June 15, 2021

INDEMNIFICATION AGREEMENT, dated as of _____ __, 2021, between Hertz Global Holdings, Inc., a Delaware corporation (the "Company"), and [_____] ("Indemnitee").

WHEREAS, qualified persons are reluctant to serve corporations as directors or otherwise unless they are provided with broad indemnification and insurance against claims arising out of their service to and activities on behalf of the corporations;

WHEREAS, the Company desires and has requested Indemnitee to serve as [a director] [an officer] of the Company and, in order to induce the Indemnitee to serve as [a director] [an officer] of the Company, the Company is willing to grant the Indemnitee the indemnification provided for herein;

WHEREAS, Indemnitee is willing to so serve on the basis that such indemnification be provided;

WHEREAS, the parties by this Agreement desire to set forth their agreement regarding indemnification and the advancement of expenses; and

WHEREAS, the Company has determined that attracting and retaining such persons is in the best interests of the Company's stockholders and, in consideration of Indemnitee's service to the Company and the covenants and agreements set forth below, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree that it is reasonable, prudent and necessary for the Company to indemnify such persons to the fullest extent permitted by applicable law and to provide reasonable assurance regarding insurance.

NOW, THEREFORE, the Company and Indemnitee, intending to be legally bound, hereby agree as follows:

1. Defined Terms; Construction.

(a) Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

(i) "Change in Control" means, and shall be deemed to have occurred if, on or after the date of this Agreement, (1) any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), other than a trustee or other fiduciary holding securities under an employee benefit plan of the Company or any of its subsidiaries acting in such capacity, becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than 20% of the total voting power represented by the Company's then outstanding Voting Securities without the prior approval of at least two-thirds of the members of the board of directors of the Company then in office, (2) during any period of two consecutive years, individuals who at the beginning of such period constitute the board of directors of the Company and any new director whose election by the board of directors of the Company or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof, (3) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation other than a merger or consolidation that would result in the Voting Securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into Voting Securities of the surviving entity) at least 50% of the total voting power represented by the Voting Securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, (4) the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of (in one transaction or a series of related transactions) all or substantially all of its assets, or (5) the Company shall file or have filed against it, and such filing shall not be dismissed, any bankruptcy, insolvency or dissolution proceedings, or a trustee, administrator or creditors committee shall be appointed to manage or supervise the affairs of the Company.[1]

[1] Note to Draft: Clause (5) is less common. However, it may be hard to delete since it is in the existing form and the company has experienced bankruptcy.

(ii) "Corporate Status" means the status of a person who is or was a director (or a member of any committee of a board of directors), officer, employee or agent (including without limitation a manager of a limited liability company) of the Company or any of its subsidiaries, or of any predecessor thereof, or is or was serving at the request of the Company as a director (or a member of any committee of a board of directors), officer, employee or agent (including without limitation a manager of a limited liability company) of another corporation, limited liability company, partnership, joint venture, trust or other enterprise, or of any predecessor thereof, including service with respect to an employee benefit plan.

(iii) "Determination" means a determination that either (x) there is a reasonable basis for the conclusion that indemnification of Indemnitee is proper in the circumstances because Indemnitee met a particular standard of conduct (a "Favorable Determination") or (y) there is no reasonable basis for the conclusion that indemnification of Indemnitee is proper in the circumstances because Indemnitee met a particular standard of conduct (an "Adverse Determination"). An Adverse Determination shall include the decision that a Determination was required in connection with indemnification and the decision as to the applicable standard of conduct.

(iv) "DGCL" means the General Corporation Law of the State of Delaware, as amended from time to time.

(v) "Expenses" shall be broadly construed and shall include, without limitation, all direct and indirect costs of any type or nature whatsoever (including, without limitation, all attorneys' fees and related disbursements, appeal bonds, other out-of-pocket costs and reasonable compensation for time spent by Indemnitee for which Indemnitee is not otherwise compensated by the Company or any third party), actually and reasonably incurred by Indemnitee in connection with either the investigation, defense or appeal of an action, suit or proceeding or establishing or enforcing a right to indemnification under this Agreement or otherwise incurred in connection with a claim that is indemnifiable hereunder.

(vi) "Independent Legal Counsel" means an attorney or firm of attorneys competent to render an opinion under the applicable law, selected in accordance with the provisions of Section 4(e), who has not otherwise performed any services for the Company or any of its subsidiaries or for Indemnitee within the last three years (other than with respect to matters concerning the rights of Indemnitee under this Agreement or of other Indemnitees under indemnity agreements similar to this Agreement).

(vii) "Proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including without limitation a claim, demand, discovery request, witness testimony, formal or informal investigation, inquiry, administrative hearing, arbitration or other form of alternative dispute resolution, mediation, including an appeal from any of the foregoing.

(viii) "Voting Securities" means any securities of the Company that vote generally in the election of directors.

(b) Construction. For purposes of this Agreement,

(i) References to the Company and any of its "subsidiaries" shall include any corporation, limited liability company, partnership, joint venture, trust or other entity or enterprise that before or after the date of this Agreement is party to a merger or consolidation with the Company or any such subsidiary or that is a successor to the Company as contemplated by Section 7(d) (whether or not such successor has executed and delivered the written agreement contemplated by Section 7(d)).

(ii) References to "fines" shall include any excise taxes assessed on Indemnitee with respect to an employee benefit plan.

(iii) References to a "witness" in connection with a Proceeding shall include any interviewee or person called upon to produce documents in connection with such Proceeding.

2. Indemnification.

(a) General Indemnification. The Company shall indemnify Indemnitee, to the fullest extent permitted by applicable law in effect on the date hereof or as amended to increase the scope of permitted indemnification, against Expenses, losses, liabilities, judgments, fines, penalties and amounts paid in settlement (including all interest, taxes, assessments and other charges in connection therewith) incurred by Indemnitee or on Indemnitee's behalf in connection with any Proceeding in any way connected with, resulting from or relating to Indemnitee's Corporate Status.

(b) Additional Indemnification Regarding Expenses. Without limiting the foregoing, in the event any Proceeding is initiated by Indemnitee or the Company or any of its subsidiaries to enforce or interpret this Agreement or any rights of Indemnitee to indemnification or advancement of Expenses (or related obligations of Indemnitee) under the Company's or any such subsidiary's certificate of incorporation, bylaws or other organizational agreement or instrument, any other agreement to which Indemnitee and the Company or any of its subsidiaries are party, any vote of stockholders or directors of the Company or any of its subsidiaries, the DGCL, any other applicable law or any liability insurance policy, the Company shall indemnify Indemnitee against all Expenses incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding, whether or not Indemnitee is successful in such Proceeding, except to the extent that the court presiding over such Proceeding determines that material assertions made by Indemnitee in such Proceeding were in bad faith or were frivolous.

(c) Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for a portion of any Expenses, losses, liabilities, judgments, fines, penalties and amounts paid in settlement incurred by Indemnitee, but not for the total amount thereof, the Company shall nevertheless indemnify Indemnitee for such portion.

(d) Other Rights to Indemnification. The indemnification and advancement of expenses (including attorneys' fees) and costs provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may now or in the future be entitled under the Company's certificate of incorporation, bylaws or other organizational agreement or instrument, any agreement, any vote of stockholders or directors, the DGCL, any other applicable law or any liability insurance policy; provided that (i) to the extent that Indemnitee is entitled to be indemnified by the Company and by any stockholder of the Company or any affiliate (other than the Company and its subsidiaries) of any such stockholder or any insurer under a policy procured by any such stockholder or affiliate, the obligations of the Company hereunder shall be primary and the obligations of such stockholder, affiliate or insurer secondary, and (ii) the Company shall not be entitled to contribution or indemnification from or subrogation against such stockholder, affiliate or insurer.

(e) Exceptions. Any other provision herein to the contrary notwithstanding, the Company shall not be obligated under the Agreement to indemnify or advance expenses to Indemnitee:

(i) For Expenses incurred in connection with Proceedings initiated or brought voluntarily by the Indemnitee and not by way of defense, counterclaim or crossclaim, except (x) as contemplated by Section 2(b), (y) in specific cases if the board of directors of the Company has approved the initiation or bringing of such Proceeding, and (z) as may be required by law.

(ii) For any profits arising from the purchase and sale by the Indemnitee of securities within the meaning of Section 16(b) of the Exchange Act or any similar successor statute that the Company is entitled thereunder to recover from Indemnitee.

(iii) In any circumstance where such indemnification has been determined by a final (not interlocutory) judgment or other adjudication of a court or arbitration or administrative body of competent jurisdiction as to which there is no further right or option of appeal or the time within which an appeal must be filed has expired without such filing to be prohibited by law.

(f) Subrogation. Except as set forth in Section 2(d)(ii) of this Agreement, in the event of payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute such documents and do such acts as the Company may reasonably request to secure such rights and to enable the Company effectively to bring suit to enforce such rights.

3. Advancement of Expenses.

The Company shall pay all Expenses incurred by Indemnitee in connection with any Proceeding in any way connected with, resulting from or relating to Indemnitee's Corporate Status, other than a Proceeding initiated by Indemnitee for which the Company would not be obligated to indemnify Indemnitee pursuant to Section 2(e), in advance of the final disposition of such Proceeding and without regard to whether Indemnitee will ultimately be entitled to be indemnified for such Expenses and without regard to whether an Adverse Determination has been made, except as contemplated by the last sentence of Section 4(f). To the fullest extent required by applicable law, such payments of Expenses in advance of the final disposition of the Proceeding shall be made only upon the Company's receipt of an undertaking, by or on behalf of Indemnitee, to repay the advanced amounts to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified, held harmless or exonerated by the Company under the provisions of this Agreement, the Charter, the Bylaws, applicable law or otherwise. Indemnitee shall repay such amounts advanced only if and to the extent that it shall ultimately be determined in a decision by a court of competent jurisdiction from which no appeal can be taken that Indemnitee is not entitled to be indemnified by the Company for such Expenses. Such repayment obligation shall be unsecured and shall not bear interest. The Company may not require the Indemnitee to post any bond or otherwise provide any security for such advancement.

4. Indemnification Procedure.

(a) Notice of Proceeding; Cooperation. Indemnitee shall give the Company notice in writing as soon as practicable, and in any event, no later than 30 days after Indemnitee becomes aware, of any Proceeding for which indemnification will or could be sought under this Agreement, provided that any failure or delay in giving such notice shall not relieve the Company of its obligations under this Agreement unless and to the extent that (i) none of the Company and its subsidiaries are party to or aware of such Proceeding and (ii) the Company is materially prejudiced by such failure.

(b) Settlement. The Company will not, without the prior written consent of Indemnitee, which may be provided or withheld in Indemnitee's sole discretion, effect any settlement of any Proceeding against Indemnitee or which could have been brought against Indemnitee unless such settlement solely involves the payment of money by persons other than Indemnitee and includes an unconditional release of Indemnitee from all liability on any matters that are the subject of such Proceeding and an acknowledgment that Indemnitee denies all wrongdoing in connection with such matters. The Company shall not be obligated to indemnify Indemnitee against amounts paid in settlement of a Proceeding against Indemnitee if such settlement is effected by Indemnitee without the Company's prior written consent, which shall not be unreasonably withheld.

(c) Request for Payment; Timing of Payment. To obtain indemnification payments or advances under this Agreement, Indemnitee shall submit to the Company a written request therefor, together with such invoices or other supporting information as may be reasonably requested by the Company and reasonably available to Indemnitee. The Company shall make indemnification payments or advances, as applicable, to Indemnitee no later than 30 days after receipt of the written request of Indemnitee (together with supporting documentation).

(d) Determination. The Company intends that Indemnitee shall be indemnified to the fullest extent permitted by law as provided in Section 2 and that no Determination shall be required in connection with such indemnification. In no event shall a Determination be required in connection with advancement of Expenses pursuant to Section 3 or in connection with indemnification for Expenses incurred as a witness or incurred in connection with any Proceeding or portion thereof with respect to which Indemnitee has been successful on the merits or otherwise. Any decision that a Determination is required by law in connection with any other indemnification of Indemnitee, and any such Determination, shall be made within 30 days after receipt of Indemnitee's written request for indemnification, as follows:

(i) If no Change in Control has occurred, (w) by a majority vote of the directors of the Company who are not parties to such Proceeding, even though less than a quorum, with the advice of Independent Legal Counsel, or (x) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, with the advice of Independent Legal Counsel, or (y) if there are no such directors, or if such directors so direct, by Independent Legal Counsel in a written opinion to the Company and Indemnitee, or (z) by the stockholders of the Company.

(ii) If a Change in Control has occurred, by Independent Legal Counsel in a written opinion to the Company and Indemnitee.

The Company shall pay all Expenses incurred by Indemnitee in connection with a Determination.

(e) Independent Legal Counsel. If there has not been a Change in Control, Independent Legal Counsel shall be selected by the board of directors of the Company and approved by Indemnitee (which approval shall not be unreasonably withheld or delayed). If there has been a Change in Control, Independent Legal Counsel shall be selected by Indemnitee and approved by the Company (which approval shall not be unreasonably withheld or delayed). The Company shall pay the fees and expenses of Independent Legal Counsel and indemnify Independent Legal Counsel against any and all expenses (including attorneys' fees), claims, liabilities and damages arising out of or relating to its engagement.

(f) Consequences of Determination; Remedies of Indemnitee. The Company shall be bound by and shall have no right to challenge a Favorable Determination. If an Adverse Determination is made, or if for any other reason the Company does not make timely indemnification payments or advances of Expenses, Indemnitee shall have the right to commence a Proceeding before a court of competent jurisdiction to challenge such Adverse Determination and/or to require the Company to make such payments or advances. Indemnitee shall be entitled to be indemnified for all Expenses incurred in connection with such a Proceeding in accordance with Section 2(b) and to have such Expenses advanced by the Company in accordance with Section 3. If Indemnitee fails to challenge an Adverse Determination, or if Indemnitee challenges an Adverse Determination and such Adverse Determination has been upheld (including, if applicable, by reason of such challenge having been untimely) by a final judgment of a court of competent jurisdiction from which no appeal can be taken, then, to the extent and only to the extent required by such Adverse Determination or final judgment, the Company shall not be obligated to indemnify or advance Expenses to Indemnitee under this Agreement.

(g) Presumptions; Burden and Standard of Proof. In connection with any Determination, or any review of any Determination, by any person, including a court:

(i) It shall be a presumption that a Determination is not required.

(ii) It shall be a presumption that Indemnitee has met the applicable standard of conduct and that indemnification of Indemnitee is proper in the circumstances.

(iii) The burden of proof shall be on the Company to overcome the presumptions set forth in the preceding clauses (i) and (ii), and each such presumption shall be overcome only if the Company establishes that there is no reasonable basis to support it.

(iv) The termination of any Proceeding by judgment, order, finding, settlement (whether with or without court approval) or conviction, or upon a plea of *nolo contendere*, or its equivalent, shall not create a presumption that indemnification is not proper or that Indemnitee did not meet the applicable standard of conduct or that a court has determined that indemnification is not permitted by this Agreement or otherwise.

(v) Neither the failure of any person or persons to have made a Determination nor an Adverse Determination by any person or persons shall be a defense to Indemnitee's claim or create a presumption that Indemnitee did not meet the applicable standard of conduct, and any Proceeding commenced by Indemnitee pursuant to Section 4(f) shall be *de novo* with respect to all determinations of fact and law.

5. Directors and Officers Liability Insurance.

(a) Maintenance of Insurance. For the duration of Indemnitee's service as a director and/or officer of the Company, and thereafter for so long as Indemnitee shall be subject to any pending or possible Proceeding indemnifiable hereunder, the Company shall use commercially reasonable efforts (taking into account the scope and amount of coverage available relative to the cost thereof) to cause to be maintained in effect policies of directors' and officers' liability insurance providing coverage for Indemnitee of the Company that is at least substantially comparable in scope and amount to that provided by the Company's current policies of directors' and officers' liability insurance. Upon request, the Company shall provide Indemnitee with a copy of all directors' and officers' liability insurance applications, binders, policies, declarations, endorsements and other related materials, and will notify Indemnitee of any material changes that have been made to such documents. In all policies of directors' and officers' liability insurance obtained by the Company, Indemnitee shall be named as an insured in such a manner as to provide Indemnitee the same rights and benefits, subject to the same limitations, as are accorded to the directors and officers of the Company most favorably insured by such policy.

Indemnitee shall not be personally liable to the Company or any of its subsidiaries or to the stockholders of the Company or any such subsidiary for monetary damages for breach of fiduciary duty as a director of the Company or any such subsidiary; provided, however, that the foregoing shall not eliminate or limit the liability of the Indemnitee (i) for any breach of the Indemnitee's duty of loyalty to the Company or such subsidiary or the stockholders thereof; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of the DGCL or any similar provision of other applicable corporations law; or (iv) for any transaction from which the Indemnitee derived an improper personal benefit. If the DGCL or such other applicable law shall be amended to permit further elimination or limitation of the personal liability of directors, then the liability of the Indemnitee shall, automatically, without any further action, be eliminated or limited to the fullest extent permitted by the DGCL or such other applicable law as so amended.

(b) Period of Limitations. No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company or any of its subsidiaries against Indemnitee or Indemnitee's estate, spouses, heirs, executors, personal or legal representatives, administrators or assigns after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period, provided that if any shorter period of limitations is otherwise applicable to any such cause of action, such shorter period shall govern.

Hertz Exits Chapter 11 As A Much Stronger Company
Successful Restructuring Provides the Company with Increased Liquidity, a Significantly Deleveraged Balance Sheet and Right-Sized, Efficient Operations
Hertz Poised to Capitalize on Travel Rebound and Long-Term Growth Opportunities

ESTERO, Fla., June 30, 2021 / PRNewswire / -- Hertz Global Holdings, Inc. (OTCPK:HTZGQ) ("Hertz" or the "Company") today announced that it has successfully completed its Chapter 11 restructuring process and has emerged as a financially and operationally stronger company that is well-positioned for the future. Hertz's Plan of Reorganization was confirmed by the Bankruptcy Court on June 10, 2021. In doing so, Judge Mary Walrath described the outcome as a "fantastic result" that "surpasses any result that I've seen in any Chapter 11 case that I've faced in my 20-plus years."

With over $5.9 billion of new equity capital being provided by Hertz's new investor group, led by Knighthead Capital Management LLC, Certares Opportunities LLC, and certain funds managed by affiliates of Apollo Capital Management, L.P., Hertz has reduced its corporate debt by nearly 80% and significantly enhanced its liquidity to fund operations and future growth. Specifically, Hertz has eliminated nearly $5.0 billion of debt, including all of Hertz Europe's corporate debt. In addition, Hertz has emerged with a new $2.8 billion exit credit facility (including an undrawn $1.3 billion revolving credit facility) and a $7.0 billion asset-backed vehicle financing facility, each having terms the Company views as extremely favorable. The aggregate interest rate on the Company's new ABS financing is less than 2.0%.

Henry Keizer, Chairman of Hertz's outgoing Board of Directors, said: "Faced with the epic and unprecedented challenges presented by the COVID-19 pandemic, and unfazed by early leadership changes, we stayed focused on stabilizing the business and seizing opportunities to mitigate losses and create value for our stakeholders. When the economy began to show signs of recovery earlier this year, we were perfectly positioned to drive a competitive process that would maximize recoveries. The result – paying our nearly $19 billion of creditors in full and returning substantial value to our shareholders – is remarkable."

In tandem with its financial restructuring, Hertz also executed on a series of operational initiatives to create a more focused and profitable enterprise. Among these actions, Hertz launched a cost reduction program that is generating significant savings, right-sized its fleet across both its U.S. and International businesses, optimized its location footprint, negotiated cost reductions and concessions at certain airport locations, and completed the sale of its Donlen fleet leasing business for $891 million in cash. In addition, Hertz focused on meeting changing demand through its portfolio of neighborhood rental locations as a complement to its airport business. These efforts, combined with a sharp increase in car rentals in the U.S. and the continued strength in used car sales, are putting the Company on track for strong financial results in 2021.

Paul Stone, Hertz's President and Chief Executive Officer, said: "Today marks a significant milestone in Hertz's 103-year history. Through the relentless efforts of our Board and team, we are moving forward in an incredibly strong position with an exciting road ahead of us. Now with a solid financial foundation, a leaner, more efficient operating model, and ample liquidity to invest in our business, Hertz has outstanding potential to drive long-term profitable growth. Both in the U.S. and around the world, we are poised to capitalize on our industry leadership, deep operational expertise and iconic global brand."

He continued: "I am tremendously proud of all we have accomplished and confident that this is only the beginning in delivering even greater value to our stakeholders. Thank you to the Hertz team around the world and Board of Directors, to our new investor group, who bring extensive industry experience, and to our customers, franchisees, partners and shareholders for your confidence and support during this process. We look forward to a bright future as a vibrant part of the rebounding travel industry and as a trusted partner for our customers' mobility needs."

Hertz filed for Chapter 11 for its U.S. operations on May 22, 2020 following the onset of the COVID-19 pandemic, which had a severe and dramatic effect on travel demand. Hertz's principal international operating regions including Europe, Australia and New Zealand were not included in the U.S. Chapter 11 proceedings.

Following its successful restructuring process, Hertz's creditors will receive payment in cash in full and existing shareholders will receive more than $1 billion of value. Shares of Hertz common stock will continue to be publicly traded on the over-the-counter (OTC) market, until such time as the Company relists on a national securities exchange. The new ticker symbols effective July 1 will be HTZZ for Hertz common stock and HTZZW for warrants.
