Explanatory Note

As previously disclosed, on May 22, 2020 (the "Petition Date"), Hertz Global Holdings, Inc. (the "Company" or "we"), The Hertz Corporation, a wholly-owned subsidiary of the Company, ("THC") and certain of their direct and indirect subsidiaries in the U.S. and Canada (collectively, the "Debtors") filed voluntary petitions for relief (collectively, the "Petitions") under chapter 11 ("Chapter 11") of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Chapter 11 cases (the "Chapter 11 Cases") are jointly administered for procedural purposes only under the caption *In re The Hertz Corporation*, et al., Case No. 20-11218 (MFW). Additional information about the Chapter 11 Cases, including access to documents filed with the Bankruptcy Court, is available online at https://restructuring.primeclerk.com/hertz, a website administered by Prime Clerk, LLC ("Prime Clerk"), a third-party bankruptcy claims and noticing agent. The information on that website is not incorporated by reference and does not constitute part of this Current Report on Form 8-K.

The Debtors filed with the Bankruptcy Court a proposed Third Amended Joint Chapter 11 Plan of Reorganization, dated as of May 12, 2021 (the "Proposed Plan"), which embodied the plan proposal of the plan sponsor group comprised of, among others, (a) one or more funds associated with Knighthead Capital Management, LLC ("Knighthead"), (b) one or more funds associated with Certares Opportunities LLC ("Certares") and (c) investment funds, separate accounts, and other entities owned (in whole or in part), controlled, or managed by Apollo Capital Management, L.P. or its affiliates (collectively, "Apollo" and, together with Knighthead and Certares, the "Plan Sponsors"). The Proposed Plan amended and superseded prior versions of the plan of reorganization filed by the Debtors in the Chapter 11 Cases. In connection with the Proposed Plan, the Debtors entered into a Plan Support Agreement, dated as of May 14, 2021 (the "PSA"), with the Plan Sponsors, pursuant to which the parties thereto agreed to take certain actions to support the prosecution and consummation of the Proposed Plan on the terms and conditions set forth in the PSA. The Debtors also entered into an Equity Purchase and Commitment Agreement, dated as of May 14, 2021 (the "EPCA"), with the Plan Sponsors, providing for the purchase or otherwise syndication of $1.5 billion in New Preferred Stock (as defined below) by Apollo and $2.781 billion in New Common Stock (as defined below) by the Plan Sponsors. In addition, the Plan Sponsors and certain other parties agreed to backstop the rights offering contemplated by the Proposed Plan (the "Rights Offering") totaling $1.635 billion of New Common Stock which was offered first to eligible holders of Existing Common Stock (as defined below) and then, if not fully subscribed, to certain eligible holders of unsecured funded debt claims.

On June 10, 2021, the Bankruptcy Court entered an order (the "Confirmation Order") confirming the Second Modified Third Amended Joint Chapter 11 Plan of Reorganization of the Debtors (the "Plan"), which incorporated the Proposed Plan as amended by the Debtors (with the consent of the Plan Sponsors). On June 30, 2021 (the "Effective Date"), the Plan became effective in accordance with its terms and the Debtors emerged from the Chapter 11 Cases.

On June 30, 2021, the Company issued a press release announcing the consummation of the Plan and emergence from the Chapter 11 Cases on the Effective Date. A copy of the press release is furnished as Exhibit 99.1 hereto and incorporated by reference herein. The information contained in Exhibit 99.1 shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and shall not be incorporated by reference into any filings made by the Company under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

Item 1.01 Entry into a Material Definitive Agreement.

New Warrant Agreement

On the Effective Date and pursuant to the Plan, the Company entered into a Warrant Agreement (the "Warrant Agreement") with Computershare Inc. and Computershare Trust Company, N.A., collectively as warrant agent (the "Warrant Agent"), which provides for the Company's issuance of up to an aggregate of 89,049,029 warrants (the "Warrants") to purchase New Common Stock to former holders of the Company's common stock outstanding prior to the Effective Date, par value $0.01 (the "Existing Common Stock"), on the Effective Date in accordance with the terms of the Plan, the Confirmation Order and the Warrant Agreement.

The Warrants are exercisable from the date of issuance until June 30, 2051, at which time all unexercised Warrants will expire and the rights of the holders of such expired Warrants to purchase New Common Stock will terminate. Each Warrant is initially exercisable for one share of New Common Stock per Warrant at an initial exercise price of $13.80 per Warrant (the "Exercise Price"), subject to the cashless exercise provisions contained in the Warrant Agreement. Any payment of dividends in cash shall adjust the Exercise Price pursuant to the terms of the Warrant Agreement.

The Exercise Price is subject to adjustment from time to time upon the occurrence of certain dilutive events, including stock splits, reverse stock splits, recapitalizations, reclassifications of the New Common Stock, consolidations, mergers or combinations involving the Company, sales of all or substantially all of or substantially all of the assets of the Company, stock dividends to holders of New Common Stock, the issuance of rights or warrants to holders of New Common Stock, dividends or distributions to holders of New Common Stock of shares of the Company's capital stock, rights or warrants to purchase the Company's securities or indebtedness, assets or property, or certain reclassification or reorganization events in respect of the New Common Stock.

In the event of a Change of Control Event (as defined in the Warrant Agreement) where stock registered under Section 12 of the Exchange Act that is listed for trading on any national securities exchange (or will be within 30 days following the consummation of such Change of Control Event) ("Registered and Listed Shares") issued as consideration represents less than 90% of the Market Price (as defined in the Warrant Agreement) of all cash, stock, securities or other assets or property to be received by holders of New Common Stock in respect of or in exchange for New Common Stock, then holders of Warrants will receive an amount of cash as calculated in accordance with the Black-Scholes option pricing model in respect of the portion of consideration that is not Registered and Listed Shares. In connection with any consolidation, merger, sale, lease or other transfer of the Company, the successor to the Company shall be required to assume all of the Company's obligations under the Warrant Agreement and the Warrants.

Pursuant to the Warrant Agreement, no holder of a Warrant, by virtue of holding or having a beneficial interest in the Warrant, will have the right to vote, receive dividends, receive notice as stockholders with respect to any meeting of stockholders for the election of the Company's directors or any other matter, or exercise any rights whatsoever as a stockholder of the Company unless, until and only to the extent such holders become holders of record of shares of New Common Stock issued upon settlement of Warrants. Under the Warrant Agreement, the Company and its subsidiaries are not permitted to enter into or amend or modify any transaction with its affiliates (other than subsidiaries of the Company) unless such transaction (i) is on terms no less favorable to the Company or its applicable subsidiaries than terms that would be obtained by the Company or such Subsidiary from a disinterested third party on an arm's length basis, or (ii) has been approved by a majority of the Disinterested Directors (as defined in the Warrant Agreement), subject to certain permitted exceptions set forth in the Warrant Agreement.

The foregoing description of the Warrant Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Warrant Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Registration Rights Agreement

Pursuant to the Plan, on the Effective Date, the Company entered into a registration rights agreement (the "Registration Rights Agreement") with certain stockholders (the "Holders"). The Registration Rights Agreement provides resale registration rights for the Holders' Registrable Securities (as defined in the Registration Rights Agreement).

Pursuant to the Registration Rights Agreement, after an initial public offering (which is described in the Registration Rights Agreement as an action pursuant to which shares of New Common Stock are listed on a national securities exchange in the United States) and upon a request of any Demand Holder (as defined in the Registration Rights Agreement), the Company is required to file a long-form registration statement on Form S-1 or, if available, a short-form registration statement on Form S-3, with respect to the Registrable Securities owned by such Demand Holder. The Company is required to make such filing within 60 days in the case of a Form S-1 or 30 days in the case of a Form S-3, in each case after receiving a demand notice from such Demand Holder.

The Company is required to maintain the effectiveness of any such registration statement until the Registrable Securities covered by the registration statement are no longer Registrable Securities. Additionally, the Holders have customary underwritten offering and piggyback registration rights, subject to the limitations set forth in the Registration Rights Agreement.

The foregoing registration rights are subject to certain conditions and limitations, including customary blackout periods, the Company's right to delay or withdraw a registration statement under certain circumstances and, if an underwritten offering is contemplated, the number of such underwritten offerings to be initiated during a year and the right of underwriters to limit the number of shares to be included in a registration statement.

The Company will generally pay all registration expenses in connection with its obligations under the Registration Rights Agreement, regardless of whether a registration statement is filed or becomes effective. The registration rights granted in the Registration Rights Agreement are subject to customary indemnification and contribution provisions. The Registration Rights Agreement will terminate, with respect to each Holder, at such time as such Holder no longer owns any Registrable Securities, and in full and be of no further effect, at such time as there are no Registrable Securities held by any Holders.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Registration Rights Agreement, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and incorporated by reference herein.

Exit Credit Agreement

On the Effective Date and pursuant to the Plan, THC (the "Parent Borrower" and, collectively with the subsidiary borrowers from time to time party thereto, the "Borrower"), entered into a credit agreement (the "Credit Agreement") with the lenders party thereto (the "Lenders") and Barclays Bank PLC, as administrative agent and collateral agent (in such capacity, respectively, the "Administrative Agent" and the "Collateral Agent"), providing for (i) a term loan "B" facility for term loans (the "Term B Loans") initially in an aggregate principal amount of $1,300,000,000, (ii) a term loan "C" facility (the "Term C Facility") for term loans (the "Term C Loans" and, together with the Term B Loans, the "Term Loans") to cash collateralize letters of credit initially in an aggregate principal amount of $245,000,000 (the letters of credit issued thereunder, the "Term Letters of Credit") and (iii) a revolving credit facility ("Revolving Loan Facility") for revolving loans (the "Revolving Loans") and letters of credit (the "Revolving Letters of Credit") initially up to an aggregate principal amount of $1,255,000,000. In addition, the Parent Borrower may request one or more incremental facilities up to an aggregate amount of the sum of (i) a fixed dollar basket equal to the greater of $635,000,000 and 100% of LTM Consolidated EBITDA *plus* (ii) a basket equal to the aggregate amount of voluntary prepayments and commitment reductions of certain indebtedness, in each case secured on a *pari passu* basis with the credit facilities *plus* (iii) a leverage based basket subject to compliance with leverage ratios set forth in the Credit Agreement.

Proceeds received under the Credit Agreement will be used to (i) repay the Existing Credit Agreements (as defined in the Credit Agreement) and all other third party indebtedness of the Debtors (other than indebtedness contemplated to survive the consummation of the Plan), (ii) pay fees, expenses and costs relating to the consummation of the Plan, (iii) fund distributions required in connection with the consummation of the Plan, (iv) fund working capital and general corporate purposes, and (v) backstop or replace existing letters of credit.

In addition to paying interest on the outstanding principal under the Term Loans, the Credit Agreement requires the Term B Loans to be repaid in quarterly installments beginning September 30, 2021 until maturity, in an amount equal to 0.25% of the aggregate original principal amount together with all accrued interest thereon. Unless otherwise extended in accordance with the Credit Agreement, the Term Loans mature on June 30, 2028.

Revolving Loans and Swing Line Loans

Depending on the currency in which they are denominated, the Revolving Loans bear interest based on an alternate base rate, an adjusted LIBOR, an adjusted Canadian prime rate, an adjusted CDOR rate or the Daily Simple SONIA, in each case plus an initial applicable margin of (i) 2.50% in the case of the alternate base rate and the adjusted Canadian prime rate, or (ii) 3.50% in the case of the adjusted LIBOR, the Daily Simple SONIA and the adjusted CDOR, in each case which margin may decrease depending on the Parent Borrower's Consolidated Total Corporate Leverage Ratio.

Subject to the terms and conditions of the Credit Agreement, Barclays Bank PLC agrees to make swing line loans (the "Swing Line Loans") to the Borrowers, from time to time in an aggregate amount up to $250,000,000. The Swing Line Loans bear interest at a rate equal to the alternate base rate plus an initial applicable margin of 2.50% per annum, which margin may decrease depending on the Parent Borrower's Consolidated Total Corporate Leverage Ratio.

In addition to paying interest on outstanding principal under the Revolving Loans and Swing Line Loans, the Borrowers are required to pay a commitment fee to the Lenders equal to 0.50% (which may decrease depending on the Parent Borrower's Consolidated Total Corporate Leverage Ratio) of the actual daily unutilized portion of the commitment of such Lender thereunder, payable quarterly beginning September 30, 2021 until maturity. Unless otherwise extended in accordance with the Credit Agreement, the Revolving Loans and the Swing Line Loans mature on June 30, 2026.

Letters of Credit

Subject to and upon the terms and conditions of the Credit Agreement, the Parent Borrower may request (i) a Lender under the Revolving Credit Facility that has agreed to be an issuing lender to issue Revolving Letters of Credit or (ii) initially Barclays Bank PLC (or such other Person who has agreed to issue Term Letters of Credit) to issue Term Letters of Credit, in each case, for the account of the Parent Borrower or any of its subsidiaries, in the form of a standby letter of credit to support its obligations or a commercial letter of credit in respect of the purchase of goods or services by it.

The Borrowers are required to pay (a) a customary fronting fee of 0.125% per annum of the daily average stated amount of outstanding Letters of Credit, and (b) with respect to Revolving Letters of Credit, a commission equal to the applicable margin then in effect for the adjusted LIBOR-based Revolving Loans, of the maximum amount available to be drawn under such Letter of Credit, in each case, payable quarterly from the issuance date to the expiration date of such Letter of Credit.

Unless otherwise increased in accordance with the Credit Agreement, at any time during the term of the Credit Agreement, the aggregate principal amounts of Revolving Loans, Swing Line Loans and Revolving Letters of Credit obligations may not exceed $1,255,000,000 or its dollar equivalent.

Covenants and Events of Default

The Credit Agreement requires the Parent Borrower to comply with the following financial covenants: (i) until the expiration of the Relief Period (as defined in the Credit Agreement), a minimum liquidity of $500,000,000 in the first and last quarters of the calendar year, and $400,000,000 in the second and third quarters of the calendar year, and (ii) following the expiration of the Relief Period, a Consolidated First Lien Leverage Ratio (as defined in the Credit Agreement) of less than or equal to 3.00 to 1.00 in the first and last quarters of the calendar year, and 3.50 to 1.00 in the second and third quarters of the calendar year.

In addition, the Credit Agreement contains customary affirmative covenants including, among other things, the delivery of quarterly and annual financial statements and compliance certificates, conduct of business, maintenance of property and insurance, compliance with environmental laws, and the granting of security interest to the Collateral Agent for the benefit of the secured parties thereunder on after-acquired real property, fixtures and future subsidiaries. The Credit Agreement also contains customary negative covenants, including, among other things, the incurrence of liens, indebtedness, asset dispositions, and restricted payments.

The Credit Agreement contains customary events of default and remedies for credit facilities of this nature. If the Company does not comply with the financial and other covenants in the Credit Agreement, the Lenders may, subject to customary cure rights, require immediate payment of all amounts outstanding under the Credit Agreement and any outstanding unfunded commitments may be terminated.

Obligations under the Credit Agreement are guaranteed by Rental Car Intermediate Holdings, LLC and the Parent Borrower's domestic subsidiaries set forth therein (the "Guarantors") and, subject to customary exceptions, are secured by substantially all of the Borrowers' and Guarantors' assets. On the Effective Date, the Parent Borrower and the Guarantors entered into a guarantee and collateral agreement (the "Guarantee and Collateral Agreement") in favor of the Collateral Agent for the benefit of the secured parties thereunder, pursuant to which the Guarantors guaranteed the payment and performance of all indebtedness and liabilities arising pursuant to or in connection with the Credit Agreement, and granted a first priority security interest in all the collateral described therein.

The foregoing description of the Credit Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Credit Agreement, which is filed as Exhibit 10.3 to this Current Report on Form 8-K and incorporated herein by reference.

Principal payments are not required to be made on the Series 2021-A Notes until June 2023, and will not be required if the expected final payment date and the legal final payment date are extended. The Series 2021-A are revolving in nature, which means the principal may increase or decrease at HVF III's option, so long as certain conditions set forth in the Series 2021-A Supplement are satisfied.

Unless an amortization event occurs, HVF III is not required to make any principal payments on (i) the Series 2021-1 Notes until July 2024, and (ii) the Series 2021-2 Notes until July 2026. Beginning in July 2024 for the Series 2021-1 Notes and July 2026 for the Series 2021-2 Notes, HVF III is expected to make a payment of one-sixth of the initial principal amount until repayment in full on the applicable legal final payment date for such series of notes in December 2024 and December 2026, respectively.

The occurrence and continuation of an amortization event related to the Exit ABS Notes may result in HVF III being required to pay principal on the Exit ABS Notes earlier than anticipated. Amortization events include, among other things, the failure to pay principal or interest in a timely manner, the failure to maintain sufficient assets compared to the outstanding amount of debt, the failure to maintain sufficient liquidity in the form of reserve accounts or letters of credit, the presence of certain liens on HVF III's assets, any misrepresentations by HVF III, any covenant defaults and defaults by either HVF III or THC, as administrator of HVF III under the Administration Agreement (described below). In the event that one or more amortization events occurs and is continuing, holders of the Exit ABS Notes may force HVF III or the trustee on their behalf to sell vehicles and, if a default occurs under the Lease (described below), the holders of the Exit ABS Notes may force THC and/or DTG Operations, Inc., each as a lessee under the Lease, to return vehicles for sale by HVF III. Proceeds of any such sales made during the enforcement of remedies are required to repay the Exit ABS Notes and any notes issued by HVF III in the future.

In connection with the issuance of the Exit ABS Notes, THC also entered into (1) the Master Motor Vehicle Operating Lease and Servicing Agreement (HVF III) (the "Lease") on June 29, 2021, among HVF III, as the lessor, THC, as a lessee, servicer and guarantor, DTG Operations, Inc., a wholly-owned subsidiary of the Company, as a lessee, and the permitted lessees from time to time party thereto, pursuant to which HVF III, as lessor, will lease vehicles to the lessees thereunder and (2) the Administration Agreement (the "Administration Agreement") on June 29, 2021, among THC, as administrator, HVF III, as issuer, and BNYM, as trustee, pursuant to which THC, as administrator, will provide certain services to HVF III and to take certain actions on behalf of HVF III, including performing or otherwise satisfying any action, determination, calculation, direction, instruction, notice, delivery or other performance obligation, in each case, permitted or required by HVF III pursuant to the Base Indenture.

The proceeds of Exit ABS Notes were used to fund the purchase of certain vehicles from (i) Hertz Vehicle Financing LLC, an indirect wholly-owned bankruptcy remote subsidiary of the Company ("HVF"), and (ii) Hertz Vehicle Interim Financing LLC, an indirect wholly-owned bankruptcy remote subsidiary of the Company ("HVIF"). A portion of the purchase price for vehicles was used for the repayment in full of (i)approximately $3,500,000,000 in aggregate outstanding principal amount of the notes issued by Hertz Vehicle Financing II LP, an indirect wholly-owned bankruptcy remote subsidiary of the Company, who borrowed that amount from HVF and (ii) approximately $2,200,000,000 in aggregate outstanding principal amount of the notes issued by HVIF. Any remaining funds are expected to be used for the future acquisition or refinancing of vehicles to be leased under the Lease.

The foregoing descriptions of the Exit ABS Notes, the Lease and the Administration Agreement are qualified in their entirety by reference to the complete terms and conditions of the Series 2021-A Supplement, the Series 2021-1 Supplement, the Series 2021-2 Supplement, the Base Indenture, the Lease and the Administration Agreement, copies of which are attached hereto as Exhibits 10.4, 10.5, 10.6, 10.7, 10.8 and 10.9, respectively, which are incorporated by reference herein.

Severance Plan for Senior Executives, and (ii) the Amended and Restated Hertz Global Holdings, Inc. Severance Plan for Vice Presidents, was terminated in accordance with its terms, without further action by any of the Debtors, the Debtors' board of directors or any committee thereof, or any officer or other employee of the Debtors. To the extent any severance plan constitutes an Executory Contract (as defined in the Plan), it is deemed rejected pursuant to the Plan and termination of such severance plan will be deemed to have occurred immediately prior to such rejection.

Notwithstanding the foregoing, in the event that a member of the Senior Management Group (as defined in the Plan) is terminated by the Debtors without cause within twelve (12) months following the Effective Date, the Debtors agree to, within thirty (30) days following such termination, pay such terminated member a single lump-sum cash payment equal to two times the value of such terminated member's annual base compensation (including base salary and non-variable benefits). Additionally, the Company and its subsidiaries intend to adopt and implement such other plans, policies, or other agreements with respect to employee severance for their employees.

Indemnification of Directors and Officers

Section 102(b)(7) of the Delaware General Corporation Law (the "*DGCL*") allows a corporation to provide in its Certificate of Incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. The Company's Certificate of Incorporation provides for this limitation of liability.

Section 145 of the DGCL, provides, among other things, that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. A Delaware corporation may indemnify any persons who were or are a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, provided further that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses (including attorneys' fees) which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify such person under Section 145.

The Certificate of Incorporation and Bylaws (as defined below) provide that we must indemnify and advance expenses to our directors and officers to the full extent authorized by the DGCL.

We have entered into indemnification agreements (the "Indemnification Agreements") with each of our directors and executive officers. Such agreements may require us, among other things, to advance expenses and otherwise indemnify our executive officers and directors against certain liabilities that may arise by reason of their status or service as executive officers or directors, to the fullest extent permitted by law. We intend to enter into Indemnification Agreements with any new directors and executive officers in the future. The foregoing description of the Indemnification Agreements does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Indemnification Agreements, a form of which is filed as Exhibit 10.10 to this Current Report on Form 8-K and incorporated herein by reference.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, any provision of the Company's Certificate of Incorporation, the Company's Bylaws or otherwise. Notwithstanding the foregoing, the Company shall not be obligated to indemnify a director or officer in respect of a proceeding (or part thereof) instituted by such director or officer, except as otherwise provided in the Certificate of Incorporation or Bylaws.

The Company maintains and expect to maintain standard policies of insurance that provide coverage (1) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to the Company with respect to indemnification payments that the Company may make to such directors and officers.

These provisions may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit the Company and our stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against officers and directors pursuant to these indemnification provisions.

The Company believes that these provisions, the insurance and the indemnity agreements are necessary to attract and retain talented and experienced officers and directors.

Item 5.03. Amendments to Articles of Incorporation or Bylaws.

On the Effective Date, pursuant to the Plan, the Company filed the Second Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") with the Delaware Secretary of State, and adopted the Second Amended and Restated Bylaws (the "Bylaws").

Each holder of shares of new common stock, par value $0.01 per share (the "New Common Stock"), is entitled to one vote for each outstanding share of New Common Stock held of record by such holder on all matters properly submitted to a vote of the stockholders on which holders of the New Common Stock are entitled to vote. Except as otherwise required by law or provided in the Certificate of Incorporation (including in the Preferred Stock Designation, as described below), subject to the right of Apollo to designate a director as long as it owns, together with its affiliates, at least 50% of the outstanding New Preferred Stock, at any annual or special meeting of stockholders the New Common Stock will have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders.

The Certificate of Incorporation provides that, except as otherwise required by law or as otherwise provided with respect to any then-outstanding series of preferred stock, at any annual or special meeting of the stockholders, the affirmative vote of the holders of a majority of the votes cast at the meeting on the subject matter will be the act of the stockholders, while directors will be elected by a plurality of the votes of the shares of capital stock of the Company present and entitled to vote at the meeting.

Subject to the rights of holders of any then-outstanding shares of preferred stock, the holders of New Common Stock may receive such dividends as the Board may declare in its discretion out of legally available funds. Following such distributions to holders of then-outstanding shares of preferred stock, holders of New Common Stock will be entitled to receive all the remaining assets of the Company available for distribution to its stockholders, ratably in proportion to the number of shares of New Common Stock held by them. Shares of New Common Stock are not subject to any redemption provisions and are not convertible into any of the Company's other securities.

New Preferred Stock

In accordance with the Plan and the Certificate of Incorporation, as of the Effective Date, the Company designated 1,500,000 shares of the preferred stock, $0.01 par value per share, of the Company, as "*Series A Preferred Stock*" (the "New Preferred Stock"), by filing a certificate of designation (the "Preferred Stock Designation") with the Secretary of State of the State of Delaware. Pursuant to the EPCA, the Company issued all 1,500,000 shares of the New Preferred Stock to Apollo and its designees at the Effective Date.

Pursuant to the Preferred Stock Designation, shares of New Preferred Stock will accrue a dividend, payable semi-annually in arrears (with the first dividend paid on the six month anniversary of the Effective Date), in an amount equal to the applicable dividend rate multiplied by the then-current stated value (which was initially set at $1,000 per share). Subject to the remedies of holders following the occurrence of "Non-Compliance Events" (as defined below), the applicable dividend rate is:

- with respect to a dividend accrued prior to the second anniversary of the Effective Date, 9.00% per annum;

- with respect to a dividend accrued from and after the second anniversary of the Effective Date and prior to the third anniversary of the Effective Date, 7.00% per annum for any portion paid in cash and 9.00% per annum for any portion paid as a compounded dividend;

- with respect to a dividend accrued from and after the third anniversary of the Effective Date and prior to the 42-month anniversary of the Effective Date, 8.00% per annum for any portion paid in cash and 10.00% per annum for any portion paid as a compounded dividend;

- with respect to a dividend accrued from and after the 42-month anniversary of the Effective Date and prior to the fourth anniversary of the Effective Date, 9.00% per annum;

- with respect to a dividend accrued from and after the fourth anniversary of the Effective Date and prior to the 54 month anniversary of the Effective Date, 10.00% per annum;

- with respect to a dividend accrued from and after the 54-month anniversary of the Effective Date and prior to the fifth anniversary of the Effective Date, 11.00% per annum; and

- with respect to a dividend accrued from and after the fifth anniversary of the Effective Date, an amount equal to the sum of 13.00% per annum and the product of 2.00% per annum multiplied by the number of whole years elapsed since the fifth anniversary of the Effective Date through and including such dividend payment date;

provided that each of the foregoing rates will be increased by 6.00% per annum at any time that the funded corporate indebtedness (including certain preferred stock and undrawn letters of credit) of the Company, THC and its restricted subsidiaries exceeds $3,300,000,000.

Pursuant to the Preferred Stock Designation, holders of the New Preferred Stock will have no voting rights, except as required by law or as described below following the occurrence of “Non-Compliance Events”.

The Preferred Stock Designation contains provisions (the “Protective Provisions”) restricting, among other things, the amendment of the Certificate of Incorporation or Bylaws in a manner that adversely affects the rights, preferences and privileges of the New Preferred Stock; liquidation, dissolution or winding up of the Company or its business and affairs; the creation, authorization or issuance of any class or series of capital stock other than the New Common Stock; issuance of additional shares of New Preferred Stock; affiliate transactions, restricted payments; mergers or other business combinations; asset sales, indebtedness and investments, in each case, subject to the exceptions set forth in the Certificate of Designations. Holders of the New Preferred Stock (including Apollo) are also entitled to certain information and inspection rights, in each case as set forth more specifically in the Preferred Stock Designation.

Non-compliance events (the “Non-Compliance Events”), including, among other things, the failure to pay a preferred dividend when due (including failure to pay dividends on the New Preferred Stock in cash following the 42-month anniversary of the Effective Date), breaches of the Protective Provisions, changes of control, insolvency events and other customary defaults, may, depending on the length of time for which such Non-Compliance Event is continuing, result in an increased accretion of stated value of the New Preferred Stock, board reconstitution, a forced exit transaction to redeem the New Preferred Stock, and/or a majority voting right being granted to holders of a majority of the outstanding New Preferred Stock. These remedies are also available to holders of a majority of the outstanding New Preferred Stock to the extent any shares of New Preferred Stock remain outstanding on the 87-month anniversary of the Effective Date.

Pursuant to the Preferred Stock Designation, the Company may redeem the New Preferred Stock in whole or in part at any time and from time to time, in cash, at a redemption price (the "Redemption Price") equal to the then current accrued stated value of the New Preferred Stock being redeemed, subject to a multiple of invested capital floor price. Any partial redemption of the New Preferred Stock will be in amounts of shares with no less than $250,000,000 aggregate accrued stated value as of the time of such redemption (unless the then current aggregate accrued stated value of the New Preferred Stock is equal to or less than $250,000,000, in which case any such redemption will redeem all of the then outstanding New Preferred Stock). Holders of the New Preferred Stock will not have the right to require the Company to offer to redeem all or a portion of the New Preferred Stock.

The New Preferred Stock will have a payment priority, liquidation preference and ranking senior to any other class or series of equity securities of the Company currently issued or outstanding. In the event of any liquidation, dissolution or winding up of the Company, the Company will be required to offer to redeem all of the outstanding New Preferred Stock in cash at the then-applicable Redemption Price, subject to the sufficiency of the Company's assets.

For so long as Apollo and its affiliates collectively hold more than a majority of the outstanding shares of New Preferred Stock, Apollo will have the right to designate one individual to serve on the Company's board of directors (and any committee thereof to which the board of directors has delegated substantially all of its authority) and one observer to the board (but not to any committee).

Anti-Takeover Provisions

Some provisions of the DGCL, the Certificate of Incorporation and the Bylaws summarized below could make certain change of control transactions more difficult, including acquisitions of the Company by means of a tender offer, proxy contest or otherwise, as well as removal of the incumbent directors. These provisions may have the effect of preventing changes in management. It is possible that these provisions would make it more difficult to accomplish or deter transactions that a stockholder might consider in his or her best interest, including those attempts that might result in a premium over the market price for the New Common Stock.

Number and Election of Directors

The Certificate of Incorporation provides that the Board, other than those directors who may be elected by the holders of one or more series of the New Preferred Stock voting separately by class or series, will initially comprise up to eleven directors, with the number of directors to be determined from time to time solely by resolution adopted by the affirmative vote of a majority of the Board. The Board is composed of three classes, with directors in each class elected for a three-year term.

Calling of Special Meeting of Stockholders

The Bylaws provide that special meetings of stockholders may be called only by or at the direction of the Board by the direction of a majority of the total number of directors that the Company would have if there were no vacancies on the Board; or by one or more stockholders holding not less than 25% of the voting power of all shares of the Company entitled to vote (except that a special meeting for the purpose of considering any action to directly or indirectly facilitate or effect a business combination, including any action to change or otherwise affect the composition of the Board for that purpose, must be called by 50% or more of the voting power of all shares of the Company entitled to vote).

No Stockholder Action by Written Consent

The Certificate of Incorporation provides that, except for the rights of the holders of any outstanding series of preferred stock, any action required or permitted to be taken by the stockholders of the Company must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders in lieu of a meeting.

Amendments to the Certificate of Incorporation

The Company reserves the right, at any time and from time to time, to amend, alter, change or repeal any provision contained in the Certificate of Incorporation (including the Preferred Stock Designation), and other provisions authorized by the laws of the State of Delaware in the manner prescribed by the Certificate of Incorporation (including the Preferred Stock Designation) and the DGCL to the extent not inconsistent with the Certificate of Incorporation.

Amendments to the Bylaws

The Bylaws may be altered, amended or repealed, or new bylaws may be made, by a majority of the Board. The Bylaws also may be adopted, amended, altered or repealed by the stockholders in a manner not inconsistent with the Certificate of Incorporation (including the Preferred Stock Designation); *provided*, that in addition to any vote of the holders of any class or series of capital stock of the Company required by applicable law or the Certificate of Incorporation (including the Preferred Stock Designation), the affirmative vote of the holders of at least a majority of the voting power of all then outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, is required for the stockholders to adopt, amend, alter or repeal the Bylaws.

Other Limitations on Stockholder Actions

Advance notice is required for stockholders to nominate directors or to submit proposals for consideration at an annual meeting of stockholders. The Bylaws provide that notice of stockholder proposals must be timely given in writing to the corporate secretary prior to the annual meeting at which the action is to be taken. Generally, to be timely, notice must be received at the principal offices of the Company's executive officers not less than 90 days nor more than 120 days before the anniversary date of the immediately preceding annual meeting of stockholders; *provided, however*, that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so received no earlier than the opening of business on the 120th day before the annual meeting and not later than the later of (x) the close of business on the 90th day before the annual meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting is first made by the Company, whichever occurs first. In the case of a special meeting of stockholders called for the purpose of electing directors, any such notice must be delivered no earlier than the opening of business on the 120th day before the meeting and not later than the later of (x) the close of business on the 90th day before the meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the special meeting is first made by the Company. The Bylaws provide that only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Company's notice of meeting. The Bylaws specify in detail the requirements as to form and content of all stockholder notices. These requirements may preclude stockholders from bringing matters before the stockholders at any stockholder meeting. The Bylaws also describe certain criteria for when the stockholder-requested meetings must be held.

Except as described below under the heading “Directors Elected by Holders of Preferred Stock”, the Certificate of Incorporation provides that no director may be removed from office by the stockholders except for cause and with the affirmative vote of the holders of not less than a majority of the total voting power of all outstanding securities of the Company generally entitled to vote in the election of directors, voting together as a single class.

Newly Created Directorships and Vacancies on the Board

Except as described below under the heading “Directors Elected by Holders of Preferred Stock”, the Certificate of Incorporation provides that any newly created directorships resulting from any increase in the number of directors and any vacancies on the Board for any reason may be filled solely by a majority vote of the directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders).

Directors Elected by Holders of Preferred Stock

The Certificate of Incorporation provides that, except as otherwise required by law, whenever the holders of the New Preferred Stock will have the right to nominate or elect one or more directors, the nomination of such directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships will be governed by the terms of the New Preferred Stock as set forth in Certificate of Incorporation (including the Preferred Stock Designation) and such directors may not be included in any of the classes created pursuant to the Certificate of Incorporation unless expressly provided by such terms. The Board will act to fill any vacancies created pursuant to the exercise of remedies by holders of the New Preferred Stock as promptly as practicable following the nomination of any Board nominees by such holders in accordance with the terms of the New Preferred Stock.

No Cumulative Voting

The Certificate of Incorporation provides that there will be no cumulative voting.

Authorized but Unissued Shares

Under Delaware law, the Company’s authorized but unissued shares of New Common Stock are available for future issuance without stockholder approval. The Company may use these additional shares of New Common Stock for a variety of corporate purposes, including future public offerings to raise additional capital, acquisitions and employee benefit plans. The existence of authorized but unissued shares of New Common Stock could render more difficult or discourage an attempt to obtain control of the Company by means of a proxy contest, tender offer, merger or otherwise.

Other Classes or Series of Shares

The Board is authorized to provide for the issuance of shares of preferred stock, or “blank check” preferred shares, in one or more series (subject to the approval by the holders of the New Preferred Stock), and to establish from time to time the number of shares of preferred stock to be included in each such series, and to fix the terms, including designation, powers, preferences, rights, qualifications, limitations and restrictions of the shares of preferred stock of each such series.

The Certificate of Incorporation provides that, unless the Company consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (the "Court of Chancery") (or, if the Court of Chancery lacks subject matter jurisdiction, any state court located within the State of Delaware or, if and only if all such state courts lack subject matter jurisdiction, the federal district court for the District of Delaware) will be the sole and exclusive forum for (i) any derivative action or proceeding brought on the Company's behalf, (ii) any action asserting a claim of breach of a fiduciary duty owed by any current or former directors, officers, other employees or agents of the Company to the Company or to the stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL, the Certificate of Incorporation or the Bylaws (as each may be amended from time to time), (iv) any action or proceeding as to which the DGCL confers jurisdiction to the Court of Chancery, or (v) any action asserting a claim that is governed by the internal affairs doctrine.

Section 4.1 **Authorized Capital Stock**. The total number of shares of all classes of capital stock which the Corporation is authorized to issue is one billion, one hundred million (1,100,000,000) shares, consisting of (a) one billion (1,000,000,000) shares of Common Stock, par value $0.01 per share (the "***Common Stock***") and (b) one hundred million (100,000,000) shares of preferred stock, par value $0.01 per share (the "***Preferred Stock***"). The Corporation will not issue non-voting equity securities (as such term is defined in Section 101(16) of Chapter 11 of Title 11 of the United States Code (the "***Bankruptcy Code***")) (which shall be deemed not to include warrants or options or similar instruments to purchase equity of the Corporation or any equity security issued pursuant to the Plan (all of which constitute voting equity securities)) to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code; *provided*, *however*, that this provision (i) will have no further force or effect beyond that required under Section 1123(a)(6) of the Bankruptcy Code, (ii) will have such force and effect, if any, only for so long as such section is in effect and applicable to the Corporation and (iii) in all events may be amended or eliminated to the extent consistent with and in accordance with applicable law as from time to time in effect.

Section 4.2 **Preferred Stock**.

(a) The Board is hereby expressly authorized to provide out of the unissued shares of the Preferred Stock for one or more series of Preferred Stock and to establish from time to time the number of shares to be included in each such series and to fix the voting rights, if any, designations, powers, preferences and relative, participating, optional, special and other rights, if any, of each such series and any qualifications, limitations and restrictions thereof, as shall be stated in the resolution or resolutions adopted by the Board providing for the issuance of such series and included in a certificate of designation (a "***Preferred Stock Designation***") filed pursuant to the DGCL, and the Board is hereby expressly vested with the authority to the full extent provided by law, now or hereafter, to adopt any such resolution or resolutions.

(b) Upon the occurrence and during the continuance of a Non-Compliance Event (as defined in the Preferred Stock Designation with respect to the Series A Preferred Stock), each holder of Series A Preferred Stock shall have the rights and remedies set forth in the Preferred Stock Designation governing the Series A Preferred Stock (including all voting rights set forth therein), and rights and remedies under applicable law or at equity.

Section 4.3 **Common Stock**. The preferences, qualifications, limitations, restrictions, and the special or relative rights in respect of the Common Stock shall be as follows:

(a) ***Voting.***

(i) Except as otherwise required by law or this Second A&R Certificate (including any Preferred Stock Designation), the holders of the shares of Common Stock shall exclusively possess all voting power with respect to the Corporation.

(ii) Except as otherwise required by law, the holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders of the Corporation on which the holders of the shares of Common Stock are entitled to vote. There shall be no cumulative voting.

(iii) Except as otherwise required by law or this Second A&R Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders of the Corporation, the holders of the shares of Common Stock shall have the exclusive right to vote on all items submitted to a vote of the stockholders of the Corporation, including for the election of directors and on all other matters properly submitted to a vote of the stockholders of the Corporation.

(iv) Notwithstanding anything herein to the contrary, except as otherwise required by law or this Second A&R Certificate (including any Preferred Stock Designation), the holders of the shares of Common Stock shall not be entitled to vote on any amendment to this Second A&R Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series of Preferred Stock are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Second A&R Certificate (including any Preferred Stock Designation) or the DGCL.

(b) ***Dividends.*** Subject to applicable law and the rights, if any, of the holders of any outstanding series of the Preferred Stock and the terms of any Preferred Stock Designation, the holders of the shares of Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor and shall share equally on a per share basis in such dividends and distributions.

(c) ***Liquidation, Dissolution or Winding Up of the Corporation.*** Subject to applicable law and the rights, if any, of the holders of any outstanding series of the Preferred Stock and the terms of any Preferred Stock Designation, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of the shares of Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of Common Stock held by them.

Section 4.4 **Rights and Options**. The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to acquire from the Corporation any shares of its capital stock of any class or classes, with such rights, warrants and options to be evidenced by or in instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; *provided, however,* that the consideration to be received for any shares of capital stock issuable upon exercise thereof may not be less than the par value thereof.

ARTICLE V
BOARD OF DIRECTORS

Section 5.1 **Board Powers**. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Second A&R Certificate or the Bylaws of the Corporation ("***Bylaws***"), the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Second A&R Certificate, and the Bylaws adopted by the stockholders of the Corporation; *provided, however,* that no Bylaws hereafter adopted by the stockholders of the Corporation shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

Section 5.2 **Number, Election and Term.**

(a) Except as otherwise required by this Second A&R Certificate (including any Preferred Stock Designation) and subject to Section 5.5, the number of directors of the Corporation, other than those who may be elected by the holders of one or more series of the Preferred Stock voting separately by class or series, shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Board and the initial Board immediately following consummation of the Plan shall be up to eleven (11) directors.

(b) Subject to Section 5.5 hereof and any Preferred Stock Designation, the Board shall be divided into three classes, as nearly equal in number as possible and designated Class I, Class II and Class III. The Board is authorized to assign members of the Board already in office to Class I, Class II or Class III. The term of the initial Class I Directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second A&R Certificate, the term of the initial Class II Directors shall expire at the second annual meeting of the stockholders of the Corporation following the effectiveness of this Second A&R Certificate and the term of the initial Class III Directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Second A&R Certificate. At each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second A&R Certificate, each of the successors elected to replace the class of directors whose term expires at that annual meeting shall be elected for a three-year term or until the election and qualification of their respective successors in office, subject to their earlier death, resignation or removal. Subject to Section 5.5 hereof, if the number of directors that constitute the Board is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors constituting the Board shorten the term of any incumbent director. Subject to the rights of the holders of one or more series of Preferred Stock, voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Bylaws shall so require, the election of directors need not be by written ballot.

Section 5.3 **Newly Created Directorships and Vacancies**. Subject to Section 5.5, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause may be filled solely and exclusively by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

Section 5.4 **Removal**. Subject to Section 5.5 hereof, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 **Preferred Stock—Directors**. Notwithstanding any other provision of this *Article V*, this Second A&R Certificate or the Bylaws and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to nominate or elect one or more directors, the nomination of such directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Second A&R Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this *Article V* unless expressly provided by such terms. The Board shall act to fill any vacancies created pursuant to the exercise of remedies by holders of one or more series of Preferred Stock as promptly as practicable following the nomination of any Board nominees by such holders in accordance with the terms of such Preferred Stock.

Section 5.6 **Quorum**. A quorum for the transaction of business by the directors shall be set forth in the Bylaws.

ARTICLE VI
BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board shall have the power and is expressly authorized to adopt, amend, alter or repeal the Bylaws in a manner not inconsistent with this Second A&R Certificate (including any Preferred Stock Designation) by the affirmative vote of a majority of the total number of directors present at a regular or special meeting of the Board at which there is a quorum or by unanimous written consent. The Bylaws also may be adopted, amended, altered or repealed by the stockholders of the Corporation in a manner not inconsistent with this Second A&R Certificate (including any Preferred Stock Designation); *provided*, *however*, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Second A&R Certificate (including any Preferred Stock Designation), the affirmative vote of the majority of the holders of voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders of the Corporation to adopt, amend, alter or repeal the Bylaws; and *provided further*, *however*, that no Bylaws hereafter adopted by the stockholders of the Corporation shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

ARTICLE VII
SPECIAL MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 **Special Meetings**. Except as otherwise required by applicable law, special meetings of the stockholders of the Corporation for any purpose or purposes may be called at any time only by or at the direction of the Board pursuant to a written resolution adopted by the affirmative vote of the majority of the total number of directors that the Corporation would have if there were no vacancies; or by one or more stockholders holding not less than 25% of the voting power of all shares of the Corporation entitled to vote (except that a special meeting for the purpose of considering any action to directly or indirectly facilitate or effect a business combination, including any action to change or otherwise affect the composition of the Board for that purpose, must be called by 50% or more of the voting power of all shares of the Corporation entitled to vote), who shall demand such special meeting by written notice given to the Board specifying the purpose or purposes of such meeting. Business transacted at any special meeting shall be limited to the purposes stated in the notice delivered in accordance with Section 7.2.

Section 7.2 **Advance Notice**. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 **Action by Written Consent**. Except as may be otherwise provided for or fixed pursuant to this Second A&R Certificate (including any Preferred Stock Designation) relating to the rights of the holders of any outstanding series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders of the Corporation in lieu of a meeting.

ARTICLE VIII
LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 **Limitation of Director Liability**. To the fullest extent that the DGCL or any other law of the State of Delaware as the same exists or is hereafter amended permits, no person that is or was a director of the Corporation shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a director. Any amendment, modification or repeal of the foregoing sentence shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to further limit or eliminate the liability of directors) and shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 **Indemnification and Advancement of Expenses.**

(a) To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who is or was made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit, proceeding, arbitration, alternative dispute resolution procedure, legislative hearing or inquiry, whether civil, criminal, administrative or investigative (a "***proceeding***") by reason of the fact that he or she is or was a director, officer or board observer of the Corporation or, while a director, officer or board observer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee, agent or board observer of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (an ***"indemnitee"),*** whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee, agent or board observer, or in any other capacity while serving as a director, officer, employee, agent or board observer, against all liability and loss suffered and expenses (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such indemnitee in connection with such proceeding. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by an indemnitee in defending or otherwise participating in any proceeding in advance of its final disposition, such advances to be paid by the Corporation within twenty (20) days after the receipt by the Corporation of a statement or statements from the claimant requesting such advance or advances from time to time; *provided, however***,** that, to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking, by or on behalf of the indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that the indemnitee is not entitled to be indemnified under this Section 8.2 or otherwise. The rights to indemnification and advancement of expenses conferred by this Section 8.2 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee, agent or board observer and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing provisions of this Section 8.2(a), except for proceedings to enforce rights to indemnification and advancement of expenses, the Corporation shall indemnify and advance expenses to an indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Second A&R Certificate (including any Preferred Stock Designation), the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Second A&R Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

ARTICLE IX
CORPORATE OPPORTUNITY

To the fullest extent of law, the Corporation, on behalf of itself and its subsidiaries, renounces and waives any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, directly or indirectly, any potential transactions, matters or business opportunities (including, without limitation, any business activities or lines of business that are the same as or similar to those pursued by, or competitive with, the Corporation or any of its subsidiaries or any dealings with customers or clients of the Corporation or any of its subsidiaries) that are from time to time presented to any of its officers, directors, stockholders or indirect equityholders, other than those officers, directors, stockholders or indirect equityholders who are employees of the Corporation or any of its subsidiaries, even if the transaction, matter or opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so. None of its respective officers, directors, stockholders or indirect equityholders shall be liable to the Corporation or any of its subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues, acquires or participates in such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries, unless, in the case of any such person who is a director or officer of the Corporation, such business opportunity is expressly offered to such director or officer in writing solely in his or her capacity as a director or officer of the Corporation. Without limiting and in addition to the foregoing, the doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors in circumstances where the application of any such doctrine to a corporate opportunity would conflict with any fiduciary duties or contractual obligations they or it may have as of the date of this Second A&R Certificate or in the future. In addition to and without limiting the foregoing, the doctrine of corporate opportunity shall not apply to any other corporate opportunity with respect to any of the officers or directors of the Corporation unless such corporate opportunity is offered to such person solely in his or her capacity as an officer or director of the Corporation and such opportunity is one the Corporation is financially able and legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue.

This ARTICLE IX shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director or officer of the Corporation under this Second A&R Certificate, the Bylaws, applicable law, any agreement or otherwise.

ARTICLE X
AMENDMENTS

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Second A&R Certificate (including any Preferred Stock Designation), and other provisions authorized by the laws of the State of Delaware at the time in force that may be added or inserted, in the manner now or hereafter prescribed by this Second A&R Certificate (including any Preferred Stock Designation) and the DGCL to the extent not inconsistent with this Second A&R Certificate (including any Preferred Stock Designation); and, except as set forth in ARTICLE VIII, all rights, preferences and privileges of whatever nature herein conferred upon stockholders, directors or any other persons by and pursuant to this Second A&R Certificate in its present form or as hereafter amended are granted subject to the right reserved in this ARTICLE X.

Section 11.2 **Consent to Jurisdiction**. If any action the subject matter of which is within the scope of Section 11.1 immediately above is filed in a court other than a court located within the State of Delaware (a ***"Foreign Action***") in the name of any stockholder, such stockholder shall be deemed to have consented to (a) the personal jurisdiction of the Delaware Courts in connection with any action brought in any such court to enforce Section 11.1 immediately above (an ***"FSC Enforcement Action***") and (b) having service of process made upon such stockholder in any such FSC Enforcement Action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder. Title: Executive Vice President, General Counsel and Secretary

SECOND AMENDED AND RESTATED BYLAWS OF HERTZ GLOBAL HOLDINGS, INC. (THE "CORPORATION")

(Amended and Restated June 30, 2021)

ARTICLE I
OFFICES

Section 1.1 **Registered Office**. The registered office of the Corporation within the State of Delaware shall be located at either (a) the principal place of business of the Corporation in the State of Delaware or (b) the office of the Corporation or individual acting as the Corporation's registered agent in Delaware.

Section 1.2 **Additional Offices**. The Corporation may, in addition to its registered office in the State of Delaware, have such other offices and places of business, both within and outside the State of Delaware, as the Board of Directors of the Corporation (the "Board") may from time to time determine or as the business and affairs of the Corporation may require.

ARTICLE II
STOCKHOLDERS MEETINGS

Section 2.1 **Annual Meetings**. The annual meeting of stockholders shall be held at such place, either within or without the State of Delaware and time and on such date as shall be determined by the Board and stated in the notice of the meeting, provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a).

At each annual meeting, the stockholders entitled to vote on such matters shall elect those directors of the Corporation to fill any term of a directorship that expires on the date of such annual meeting and may transact any other business as may properly be brought before the meeting in accordance with these Bylaws.

Section 2.2 **Special Meetings**. Except as otherwise required by applicable law and subject to the rights, if any, of the holders of any outstanding series of the preferred stock of the Corporation ("Preferred Stock") or provided in the Corporation's Second Amended and Restated Certificate of Incorporation, as the same may be amended or restated from time to time (the "Certificate of Incorporation"), special meetings of the stockholders of the Corporation, for any purpose or purposes, may be called at any time only by or at the direction of the Board by the direction of a majority of the total number of directors that the Corporation would have if there were no vacancies on the Board; or by one or more stockholders holding not less than 25% of the voting power of all shares of the Corporation entitled to vote (except that a special meeting for the purpose of considering any action to directly or indirectly facilitate or effect a business combination, including any action to change or otherwise affect the composition of the Board for that purpose, must be called by 50% or more of the voting power of all shares of the Corporation entitled to vote), who shall demand such special meeting by written notice given to the Board specifying the purpose or purposes of such meeting. Only such business that is specified in the notice of the meeting shall be transacted at a properly called special meeting. Special meetings of stockholders shall be held at such place, either within or without the State of Delaware, and at such time and on such date as shall be determined by the Board and stated in the Corporation's notice of the meeting, provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a).

Section 2.3 **Notices.** Written notice of each stockholders meeting stating the place, if any, date, and time of the meeting, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting and the record date for determining the stockholders entitled to vote at the meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, shall be given in the manner permitted by Section 9.3 to each stockholder entitled to vote thereat as of the record date for determining the stockholders entitled to notice of the meeting, by the Corporation not less than 10 nor more than 60 days before the date of the meeting unless otherwise required by the General Corporation Law of the State of Delaware (the "DGCL"). If said notice is for a stockholders meeting other than an annual meeting, it shall in addition state the purpose or purposes for which the meeting is called, and the business transacted at such meeting shall be limited to the matters so stated in the Corporation's notice of meeting (or any supplement thereto). Any meeting of stockholders as to which notice has been given may be postponed, and any meeting of stockholders as to which notice has been given may be cancelled, by the Board upon public announcement (as defined in Section 2.7(c)) given before the date previously scheduled for such meeting.

Section 2.4 **Quorum**. Except as otherwise provided by applicable law, the Certificate of Incorporation or these Bylaws, the presence, in person or by proxy, at a stockholders meeting of the holders of shares of outstanding capital stock of the Corporation representing a majority of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote at such meeting shall constitute a quorum for the transaction of business at such meeting, except that when specified business is to be voted on by a class or series of stock voting as a class, the holders of shares representing a majority of the voting power of the outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business. If a quorum shall not be present or represented by proxy at any meeting of the stockholders of the Corporation, the chairperson of the meeting may adjourn the meeting from time to time in the manner provided in Section 2.6 until a quorum shall attend. The stockholders present at a duly convened meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the voting power of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; *provided*, *however*, that the foregoing shall not limit the right of the Corporation or any such other corporation to vote shares held by it in a fiduciary capacity.

Section 2.5 Voting of Shares.

(a) Voting Lists. The Secretary of the Corporation (the "Secretary") shall prepare, or shall cause the officer or agent who has charge of the stock ledger of the Corporation to prepare and make, at least 10 days before every meeting of stockholders, a complete list of the stockholders of record entitled to vote at such meeting; provided, however, that if the record date for determining the stockholders entitled to vote is less than 10 days before the meeting date, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date, arranged in alphabetical order and showing the address and the number and class of shares registered in the name of each stockholder. Nothing contained in this Section 2.5(a) shall require the Corporation to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If a meeting of stockholders is to be held solely by means of remote communication as permitted by Section 9.5(a), such list of stockholders of record entitled to vote at the meeting shall be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of meeting. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 2.5(a) or to vote in person or by proxy at any meeting of stockholders.

(b) Manner of Voting. At any stockholders meeting, every stockholder entitled to vote may vote in person or by proxy. If authorized by the Board, the voting by stockholders or proxy holders at any meeting conducted by remote communication may be effected by a ballot submitted by electronic transmission (as defined in Section 9.3), provided that any such electronic transmission must either set forth or be submitted with information from which the Corporation can determine that the electronic transmission was authorized by the stockholder or proxy holder. The Board, in its discretion, or the chairperson of the meeting of stockholders, in such person's discretion, may require that any votes cast at such meeting shall be cast by written ballot.

(c) Proxies. Each stockholder entitled to vote at a meeting of stockholders may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Proxies need not be filed with the Secretary until the meeting is called to order, but shall be filed with the Secretary before being voted. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, either of the following shall constitute a valid means by which a stockholder may grant such authority. No stockholder shall have cumulative voting rights.

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder's authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of an electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the stockholder. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used; *provided* that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

(d) Required Vote. All matters presented to the stockholders at a meeting at which a quorum is present shall be determined by the vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon (other than the election of directors (who shall be elected by a plurality of all votes cast)), unless the matter is one upon which, by applicable law, the Certificate of Incorporation, these Bylaws or applicable stock exchange rules, a different vote is required, in which case such provision shall govern and control the decision of such matter.

(e) Inspectors of Election. The Board may, and shall if required by law, in advance of any meeting of stockholders, designate one or more persons as inspectors of election, who may be employees of the Corporation or otherwise serve the Corporation in other capacities, to act at such meeting of stockholders or any adjournment thereof and to make a written report thereof. The Board may appoint one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspectors of election or alternates are appointed by the Board, the chairperson of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall ascertain and report the number of outstanding shares and the voting power of each; determine the number of shares present in person or represented by proxy at the meeting and the validity of proxies and ballots; count all votes and ballots and report the results; determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. No person who is a candidate for an office at an election may serve as an inspector at such election. Each report of an inspector shall be in writing and signed by the inspector or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors.

Section 2.6 **Adjournments**. Any meeting of stockholders, annual or special, may be recessed or adjourned by the chairperson of the meeting, from time to time, whether or not there is a quorum, to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time, and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the recessed or adjourned meeting the stockholders, or the holders of any class or series of stock entitled to vote separately as a class, as the case may be, may transact any business that properly could have been transacted at the original meeting. If the adjournment is for more than 30 days, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board shall fix a new record date for notice of such adjourned meeting in accordance with Section 9.2, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Section 2.7 Advance Notice for Business.

(a) Annual Meetings of Stockholders. No business (other than the election of directors, which is governed by Section 3.2) may be transacted at an annual meeting of stockholders, other than business that is either (i) specified in the Corporation's notice of meeting (or any supplement thereto) given by or at the direction of the Board, (ii) otherwise properly brought before the annual meeting by or at the direction of the Board or (iii) otherwise properly brought before the annual meeting by any stockholder of the Corporation (x) who was a stockholder of record entitled to vote at such annual meeting on the date of the giving of the notice provided for in this Section 2.7(a), on the record date for the determination of stockholders entitled to vote at the meeting and on the date of such annual meeting, (y) who is entitled to vote at such annual meeting and (z) who complies with the notice procedures set forth in this Section 2.7(a). Notwithstanding anything in this Section 2.7(a) to the contrary, only persons nominated for election as a director to fill any term of a directorship that expires on the date of the annual meeting pursuant to Section 3.2 will be considered for election at such meeting. For the avoidance of doubt, the foregoing clause (iii) will be the exclusive means for a stockholder to submit business before an annual meeting of stockholders (other than proposals properly made in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (such act, and the rules and regulations promulgated thereunder, the "Exchange Act") and included in the notice of meeting given by or at the direction of the Board).

(i) In addition to any other applicable requirements, for business (other than nominations) to be properly brought before an annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary and such business must otherwise be a proper matter for stockholder action. Subject to Section 2.7(a)(iii), a stockholder's notice to the Secretary with respect to such business, to be timely, must be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders; *provided*, *however*, that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so received no earlier than the opening of business on the 120th day before the annual meeting and not later than the later of (x) the close of business on the 90th day before the annual meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting is first made by the Corporation, whichever occurs first. The public announcement of an adjournment or postponement of an annual meeting shall not commence a new time period (or extend any time period) for the giving of a stockholder's notice as described in this Section 2.7(a).

(ii) To be in proper written form, a stockholder's notice to the Secretary with respect to any business (other than nominations) must set forth, on the form provided to the stockholder upon written request to the Secretary and verification that the requesting party is a stockholder or is acting on behalf of a stockholder, as to each such matter such stockholder proposes to bring before the annual meeting (A) a description in reasonable detail of the business desired to be brought before the annual meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event such business includes a proposal to amend these Bylaws, the language of the proposed amendment) and the reasons that such stockholder believes conducting such business at the annual meeting and taking such actions would be in the best interests of the Corporation and its stockholders, (B) the name and record address of such stockholder and the name and address of the beneficial owner, if any, on whose behalf the proposal is made, and the name and address of any other Stockholder Associated Person, (C) the class or series and number of shares of capital stock of the Corporation (including any rights to dividends on the shares of the Corporation owned beneficially by such stockholder and any Stockholder Associated Person that are separated or separable therefrom) that are owned beneficially and of record by such stockholder, by the beneficial owner, if any, on whose behalf the proposal is made, and by any other Stockholder Associated Person (including any shares of any class or series of the Corporation as to which such stockholder has a right to acquire beneficial ownership, whether such right is exercisable immediately or only after the passage of time, including where such stockholder has any proportionate interest in shares held, directly or indirectly, by a general or limited partnership in which such stockholder is a general partner or, directly or indirectly, beneficially owns an interest in a general partner), (D) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice, by or on behalf of, such stockholder and any Stockholder Associated Persons, the effect or intent of which is to provide the opportunity to profit or share in any profit derived from any increase or decrease in the value of shares held by, mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such stockholder or such Stockholder Associated Person, with respect to shares of stock of the Corporation, (E) any material interest of such stockholder and any Stockholder Associated Person in such business, (F) any direct or indirect legal, economic or financial interest (including short position) of such stockholder and any Stockholder Associated Person in the outcome of any vote to be taken with respect to any matter that is substantially related, directly or indirectly, to any business proposed to be brought before a meeting by any stockholder under these Bylaws, (G) any proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such stockholder or any Stockholder Associated Person or any other person representing such stockholder has a right to vote any shares of the Corporation or which has the effect of increasing or decreasing the voting power of such stockholder or person, (H) any material pending or threatened legal proceeding involving the Corporation, any affiliate of the Corporation or any of their respective directors or officers, to which such stockholder or Stockholder Associated Person is a party, (I) any equity interests, including any convertible, derivative or short positions, in any principal competitor of the Corporation held by such stockholder or Stockholder Associated Person (for purposes of this Section 2.7(a), a person shall be deemed to have a short position in a security if such person directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has the opportunity to profit or share in any profit derived from any decrease in the value of the subject security), (J) any performance-related fees (other than an asset-based fee) to which such person or any affiliate or immediate family member of such person may be entitled as a result of any increase or decrease in the value of shares of the Corporation or any derivative securities of the Corporation's equity, (K) a representation that such stockholder (or a qualified representative of such stockholder) intends to appear in person or by proxy at the annual meeting to bring such business before the meeting, (L) any other information related to such stockholder or Stockholder Associated Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with the solicitation of proxies or consents (even if a solicitation is not involved) by such stockholder or Stockholder Associated Person in support of the business proposed to be brought before the meeting pursuant to Section 14 of the Exchange Act, and the rules, regulations and schedules promulgated thereunder, (M) a certification that such stockholder and any Stockholder Associated Person has complied with all applicable federal, state and other legal requirements in connection with its acquisition of shares or other securities of the Corporation and such person's acts or omissions as a stockholder of the Corporation, (N) a statement as to whether such stockholder or any Stockholder Associated Person intends to deliver a proxy statement and/or form of proxy to the holders of at least the percentage of the Corporation's outstanding capital stock required to approve the proposal or otherwise to solicit proxies or votes from stockholders in support of the proposal, and (O) a representation as to the accuracy of the information set forth in the notice. "Stockholder Associated Person" of any stockholder means (A) any person controlling, directly or indirectly, or acting in concert with, such stockholder, (B) any beneficial owner (other than any such beneficial owner that is (x) a limited partner of such stockholder or (y) an equityholder of a person described under clause (x)) of shares of stock of the Corporation owned of record or beneficially by such stockholder (as defined in Rule 16a-1(a)(1), without reference to the proviso therein, or Rule 16a-1(a)(2), or any successor provisions, under the Exchange Act) or (C) any person directly or indirectly controlling, controlled by or under common control with such stockholder or Stockholder Associated Person.

(iii) No business shall be conducted at the annual meeting of stockholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 2.7(a), *provided, however*, that once business has been properly brought before the annual meeting in accordance with such procedures, nothing in this Section 2.7(a) shall be deemed to preclude discussion by any stockholder of any such business. If the Board or the chairperson of the annual meeting determines that any stockholder proposal was not made in accordance with the provisions of this Section 2.7(a) or that the information provided in a stockholder's notice does not satisfy the information requirements of this Section 2.7(a), such proposal shall not be presented for action at the annual meeting. Notwithstanding the foregoing provisions of this Section 2.7(a), if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the Corporation to present the proposed business, such proposed business shall not be transacted, notwithstanding that proxies in respect of such matter may have been received by the Corporation.

(iv) In addition to the provisions of this Section 2.7(a), a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 2.7(a) shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting only pursuant to Section 3.2.

(c) Certain Definitions. For purposes of these Bylaws, (i) "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act (or any successor thereto), (ii) "business day" shall mean each Monday, Tuesday, Wednesday, Thursday and Friday that is not a day on which banking institutions in New York City, New York are authorized or obligated by law or executive order to close, (iii) "close of business" shall mean 5:00 p.m. local time at the principal executive offices of the Corporation, and if an applicable deadline falls on the close of business on a day that is not a business day, then the applicable deadline shall be deemed to be the close of business on the immediately preceding business day, and (iv) delivery of materials by a shareholder to the Corporation as required under Section 3.2 shall be made by hand delivery, overnight courier service, or by certified or registered mail, return receipt required.

(d) A stockholder providing notice of business proposed to be brought before an annual meeting pursuant to Section 2.7 must further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to Section 2.7 is true and correct as of the record date for notice of the meeting and as of the date that is ten days prior to the meeting or any recess, adjournment or postponement thereof. Any such update and supplement must be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation, as promptly as practicable.

Section 2.8 **Conduct of Meetings**. The chairperson of each annual and special meeting of stockholders shall be the Chairperson of the Board or, in the absence (or inability or refusal to act) of the Chairperson of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the President or if the President is not a director, such other person as shall be appointed by the Board. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairperson of the meeting. The Board may adopt such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with these Bylaws or such rules and regulations as adopted by the Board, the chairperson of any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairperson, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairperson of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairperson of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; (e) limitations on the time allotted to questions or comments by participants; and (f) restrictions on the use of cell phones, audio or video recording devices and similar devices at the meeting. The chairperson of the meeting's rulings on procedural matters shall be final. Unless and to the extent determined by the Board or the chairperson of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure. The secretary of each annual and special meeting of stockholders shall be the Secretary or, in the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary so appointed to act by the chairperson of the meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 2.9 **Consents in Lieu of Meeting**. Except as may be otherwise provided for or fixed pursuant to the Certificate of Incorporation relating to the rights of the holders of any outstanding series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders of the Corporation.

Section 2.10 **Preferred Stock—Voting**. Notwithstanding anything herein to the contrary, the notice requirements set forth in this Section 2 shall not apply with respect to any meeting of stockholders at which holders of the Preferred Stock issued on June 30, 2021 are entitled to vote in accordance with the terms thereof (which vote may be cast by holders of Preferred Stock in accordance with the requirements of the Certificate of Incorporation).

ARTICLE III
DIRECTORS

Section 3.1 **Powers; Number; Term of Office**. The business and affairs of the Corporation shall be managed by or under the direction of the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders. Directors need not be stockholders or residents of the State of Delaware. Subject to the Certificate of Incorporation, the number of directors shall be fixed exclusively by resolution of the Board.

Section 3.2 **Advance Notice for Nomination of Directors**.

(a) Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of one or more series of Preferred Stock to nominate or elect directors. Nominations of persons for election to the Board at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors as set forth in the Corporation's notice of such special meeting, may be made (i) by or at the direction of the Board (or any duly authorized committee thereof) or (ii) by any stockholder of the Corporation (A) who was a stockholder of record entitled to vote in the election of directors on the date of the giving of the notice provided for in this Section 3.2, on the record date for the determination of stockholders of the Corporation entitled to vote at the meeting and on the date of such meeting, (B) who is entitled to vote at the meeting, and (C) who complies with the notice procedures set forth in this Section 3.2.

(b) Except to the extent directors are elected by written consent of stockholders in accordance with the DGCL or as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of such series to nominate or elect directors, only persons who are nominated in accordance with the procedures set forth in these Bylaws shall be eligible to serve as directors.

(c) Except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of such series to nominate directors, in addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary. To be timely, a stockholder's notice to the Secretary must be received by the Secretary at the principal executive offices of the Corporation (i) in the case of an annual meeting, not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders; *provided*, *however*, that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so received no earlier than the opening of business on the 120th day before the meeting and not later than the later of (x) the close of business on the 90th day before the meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Corporation; and (ii) in the case of a special meeting of stockholders called for the purpose of electing directors, no earlier than the opening of business on the 120th day before the meeting and not later than the later of (x) the close of business on the 90th day before the meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the special meeting is first made by the Corporation. In no event shall the public announcement of an adjournment or postponement of an annual meeting or special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described in this Section 3.2. For the avoidance of doubt, except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of such series to nominate directors, a stockholder shall not be entitled to make additional or substitute nominations following the expiration of the time periods set forth in these Bylaws.

(f) The Corporation may also, as a condition to any such nomination, require any nominating stockholder or any proposed nominee to deliver to the Secretary, within seven days of any such request, such other information (A) as may reasonably be requested by the Corporation, including such other information as may be reasonably required by the Board, in its sole discretion, to determine (i) the eligibility of such proposed nominee to serve as a director of the Corporation and, (ii) whether such nominee qualifies as an "independent director" or "audit committee financial expert" under applicable law, securities exchange rule or regulation, or any publicly disclosed corporate governance guideline or committee charter of the Corporation or (B) that the Board determines, in its sole discretion, could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee.

(g) A stockholder providing notice of a director nomination to be made at an annual meeting pursuant to Section 3.2 must further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to Section 3.2, as applicable, is true and correct as of the record date for notice of the meeting and as of the date that is ten days prior to the meeting or any recess, adjournment or postponement thereof. Section 7.8 **Effect of the Corporation's Restriction on Transfer**.

(a) A written restriction on the transfer or registration of transfer of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, if permitted by the DGCL and noted conspicuously on the certificate or certificates representing such shares or, in the case of uncertificated shares, contained in a notice, offering circular or prospectus sent in writing or by electronic transmission by the Corporation to the registered owner of such shares within a reasonable time prior to or after the issuance or transfer of such shares, may be enforced against the holder of such shares or any successor or transferee of the holder including an executor, administrator, trustee, guardian or other fiduciary entrusted with like responsibility for the person or estate of the holder.

(b) A restriction imposed by the Corporation on the transfer or the registration of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, even if otherwise lawful, is ineffective against a person without actual knowledge of such restriction unless: (i) the shares are certificated and such restriction is noted conspicuously on the certificate; or (ii) the shares are uncertificated and such restriction was contained in a notice, offering circular or prospectus sent in writing or by electronic transmission by the Corporation to the registered owner of such shares prior to or within a reasonable time after the issuance or transfer of such shares.

Section 7.9 **Regulations**. The Board shall have power and authority to make such additional rules and regulations, subject to any applicable requirement of law, as the Board may deem necessary and appropriate with respect to the issue, transfer or registration of transfer of shares of stock or certificates representing shares. The Board may appoint one or more transfer agents or registrars and may require for the validity thereof that certificates representing shares bear the signature of any transfer agent or registrar so appointed.

ARTICLE VIII
INDEMNIFICATION

Section 8.1 **Right to Indemnification**. To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who was or is involved in any manner (including, without limitation, as a party or a witness) or was or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative investigative or otherwise (including by or in the right of the Corporation to procure a judgment in its favor) (hereinafter a "proceeding"), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (hereinafter an "Indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such Indemnitee in connection with such proceeding; *provided*, *however*, the Corporation shall indemnify an Indemnitee in connection with a proceeding (or part thereof) initiated by such Indemnitee only if such proceeding (or part thereof) was authorized by the Board; *provided*, *further*, that the Corporation shall indemnify an Indemnitee in connection with any judicial action or arbitration to enforce such Indemnitee's rights under this Article VIII.

Section 8.2 **Right to Advancement of Expenses**. In addition to the right to indemnification conferred in Section 8.1, an Indemnitee shall also have the right to be paid by the Corporation to the fullest extent not prohibited by applicable law the expenses (including, without limitation, attorneys' fees) incurred in defending, testifying, or otherwise participating in any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); *provided*, *however*, that, if the DGCL requires, an advancement of expenses incurred by an Indemnitee in his or her capacity as a director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such Indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon the Corporation's receipt of an undertaking (hereinafter an "undertaking"), by or on behalf of such Indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such Indemnitee is not entitled to be indemnified under this Article VIII or otherwise.

Section 8.3 **Procedure for Advancement of Expenses**.

(a) To obtain indemnification, an Indemnitee shall submit to the Chief Executive Officer or Secretary of the Corporation a written request, including such documentation and information as is reasonably available to the Indemnitee and reasonably necessary to determine whether and to what extent the indemnitee is entitled to indemnification (the "Supporting Documentation"). The Secretary of the Corporation shall promptly advise the Board in writing that the Indemnitee has requested indemnification. The determination of the Indemnitee's entitlement to indemnification shall be made not later than sixty (60) days after receipt by the Corporation of the written request and Supporting Documentation and unless a contrary determination is made, such indemnification shall be paid in full not later than five (5) days after such determination has been made.

Section 8.4 **[Reserved]**.

Section 8.5 **[Reserved].**

Section 8.6 **Non-Exclusivity of Rights**. The rights provided to any Indemnitee pursuant to this Article VIII shall not be exclusive of any other right, which such Indemnitee may have or hereafter acquire under applicable law, the Certificate of Incorporation, the terms of any Preferred Stock, these Bylaws, an agreement, a vote of stockholders or disinterested directors, or otherwise. For the avoidance of doubt, an Indemnitee shall be free to proceed under any of the rights or procedures available to him or her.

Section 8.7 **Insurance**. The Corporation shall maintain insurance, at its expense, to protect itself and/or any director, officer, employee or agent of the Corporation against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

Section 8.8 **Indemnification of Other Persons**. This Article VIII shall not limit the right of the Corporation to the extent and in the manner authorized or permitted by law to indemnify and to advance expenses to persons other than Indemnitees. Without limiting the foregoing, the Corporation may, to the extent authorized from time to time by the Board, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation and to any other person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan, to the fullest extent of the provisions of this Article VIII with respect to the indemnification and advancement of expenses of Indemnitees under this Article VIII.

Section 8.9 **Amendments**. Any repeal or amendment of this Article VIII by the Board or the stockholders of the Corporation or by changes in applicable law, or the adoption of any other provision of these Bylaws inconsistent with this Article VIII, will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide broader indemnification rights to Indemnitees on a retroactive basis than permitted prior thereto), and will not in any way diminish or adversely affect any right or protection existing hereunder in respect of any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

Section 8.10 **Certain Definitions**. For purposes of this Article VIII, (a) references to "other enterprise" shall include any employee benefit plan; (b) references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; (c) references to "serving at the request of the Corporation" shall include any service that imposes duties on, or involves services by, a person with respect to any employee benefit plan, its participants, or beneficiaries; (d) a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interest of the Corporation" for purposes of Section 145 of the DGCL; (e) "Change of Control" shall mean a change in control of the Corporation of a nature that would be required to be reported in response to Schedule 14A of Regulation 14A promulgated under the Exchange Act, whether or not the Corporation is then subject to such reporting requirement; provided that, without limitation, such a change in control shall be deemed to have occurred if (i) any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Corporation representing 20 percent or more of the combined voting power of the Corporation's then outstanding securities without the prior approval of at least two-thirds of the members of the Board in office immediately prior to such acquisition; (ii) the Corporation is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, as a consequence of which, members of the Board in office immediately prior to such transaction or event constitute less than a majority of the Board thereafter; or (iii) during any period of two consecutive years, individuals who at the beginning of such period constituted the Board (including for this purpose any new director whose election or nomination for election by the Corporation's stockholders was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period) cease for any reason to constitute at least a majority of the Board; (f) "Disinterested Director" shall mean a director of the Corporation who is not or was not a material party to the proceeding in respect of which indemnification is sought by the Indemnitee; (g) "Independent Counsel" shall mean a law firm or a member of a law firm that neither presently is, nor in the past five years has been, retained to represent (i) the Corporation or the Indemnitee in any manner or (ii) any other party to the proceeding giving rise to a claim for indemnification under this Article VIII. Notwithstanding the foregoing, the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing under the law of the State of Delaware, would have a conflict of interest in representing either the Corporation or the indemnitee in an action to determine the indemnitee's rights under this Article VIII.

Section 8.11 **Contract Rights**. The rights provided to Indemnitees pursuant to this Article VIII (a) shall be contract rights based upon good and valuable consideration, (b) shall fully vest at the time the Indemnitee first assumes his or her position as a director, officer, agent or employee of the Corporation, (c) are intended to be retroactive and shall be available with respect to any act or omission occurring prior to the adoption of this Article VIII, (d) shall continue as to an Indemnitee who has ceased to be a director, officer, agent or employee and (e) shall inure to the benefit of the Indemnitee's heirs, executors and administrators.

Section 8.12 **Acts of Disinterested Directors**. Disinterested Directors considering or acting on any indemnification matter under this Article VIII or under governing corporate law or otherwise may consider or take action as the Board or may consider or take action as a committee or individually or otherwise. In the event that Disinterested Directors consider or take action as the Board, one-third of the whole Board of Directors shall constitute a quorum.

Section 8.13 **Severability**. If any provision or provisions of this Article VIII shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law: (a) the validity, legality and enforceability of the remaining provisions of this Article VIII shall not in any way be affected or impaired thereby; and (b) the provisions of this Article VIII (including, without limitation, each such portion of this Article VIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable. Any person or entity purchasing or otherwise acquiring any interest in the shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article VIII.

Section 8.14 Primary Obligation. With respect to any Indemnified Party who is employed, retained or otherwise associated with, or appointed or nominated by a stockholder or any of its affiliates and who acts or serves as a director, officer, manager, fiduciary, employee, consultant, advisor or agent of, for or to the Corporation or any of its subsidiaries, the Corporation or its subsidiaries shall be primarily liable for all indemnification, reimbursements, advancements or similar payments (the "Indemnity Obligations") afforded to such Indemnified Party acting in such capacity or capacities on behalf or at the request of the Corporation or any of its subsidiaries, in such capacity, whether the Indemnity Obligations are created by law, organizational or constituent documents, contract (including these Bylaws) or otherwise. Notwithstanding the fact that such stockholder and or any of its affiliates, other than the Corporation (such persons, together with its and their heirs, successors and assigns, the "Stockholder Parties") may have concurrent liability to an Indemnified Party with respect to the Indemnity Obligations, in no event shall the Corporation or any of its subsidiaries have any right or claim against any of the Stockholder Parties for contribution or have rights of subrogation against any of the Stockholder Parties through an Indemnified Party for any payment made by the Corporation or any of its subsidiaries with respect to any Indemnity Obligation. In addition, in the event that any Stockholder Party pays or advances to an Indemnified Party any amount with respect to an Indemnity Obligation, the Corporation shall, or shall cause its subsidiaries to, as applicable, promptly reimburse such Stockholder Party for such payment or advance upon request.

ARTICLE IX
MISCELLANEOUS

Section 9.1 **Place of Meetings**. If the place of any meeting of stockholders, the Board or committee of the Board for which notice is required under these Bylaws is not designated in the notice of such meeting, such meeting shall be held at the principal business office of the Corporation; *provided*, *however*, if the Board has, in its sole discretion, determined that a meeting shall not be held at any place, but instead shall be held by means of remote communication pursuant to Section 9.5(a), then such meeting shall not be held at any place.

Section 9.2 **Fixing Record Dates**.

(a) In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If the Board so fixes a record date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless (i) otherwise provided for pursuant to the Certificate of Incorporation relating to the rights of the holders of any outstanding series of Preferred Stock or (ii) the Board determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the business day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided*, *however*, that the Board may fix a new record date for determination of the stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance with the foregoing provisions of this Section 9.2(a) at the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

Section 9.3 Means of Giving Notice.

(a) Notice to Directors. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any director, such notice shall be given either (i) in writing and sent by mail, or by a nationally recognized delivery service, (ii) by means of facsimile telecommunication or other form of electronic transmission, or (iii) by oral notice given personally or by telephone. A notice to a director will be deemed given as follows: (i) if given by hand delivery, orally, or by telephone, when actually received by the director, (ii) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation, (iii) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation, (iv) if sent by facsimile telecommunication, when sent to the facsimile transmission number for such director appearing on the records of the Corporation, (v) if sent by electronic mail, when sent to the electronic mail address for such director appearing on the records of the Corporation, or (vi) if sent by any other form of electronic transmission, when sent to the address, location or number (as applicable) for such director appearing on the records of the Corporation.

(b) Notice to Stockholders. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any stockholder, such notice may be given (i) in writing and sent either by hand delivery, through the United States mail, or by a nationally recognized overnight delivery service for next day delivery, or (ii) by means of a form of electronic transmission consented to by the stockholder, to the extent permitted by, and subject to the conditions set forth in Section 232 of the DGCL. A notice to a stockholder shall be deemed given as follows: (i) if given by hand delivery, when actually received by the stockholder, (ii) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation, (iii) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation, and (iv) if given by a form of electronic transmission consented to by the stockholder to whom the notice is given and otherwise meeting the requirements set forth above, (A) if by facsimile transmission, when directed to a number at which the stockholder has consented to receive notice, (B) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice, (C) if by a posting on an electronic network together with separate notice to the stockholder of such specified posting, upon the later of (1) such posting and (2) the giving of such separate notice, and (D) if by any other form of electronic transmission, when directed to the stockholder. A stockholder may revoke such stockholder's consent to receiving notice by means of electronic communication by giving written notice of such revocation to the Corporation. Any such consent shall be deemed revoked if (1) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent and (2) such inability becomes known to the Secretary or an Assistant Secretary or to the Corporation's transfer agent, or other person responsible for the giving of notice; *provided, however*, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

(c) Electronic Transmission. "Electronic transmission" means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process, including but not limited to transmission by telex, facsimile telecommunication, electronic mail, telegram and cablegram.

(d) Electronic Mail. "Electronic mail" means an electronic transmission directed to a unique electronic mail address (which electronic mail shall be deemed to include any files attached thereto and any information hyperlinked to a website if such electronic mail includes the contact information of an officer or agent of the Corporation who is available to assist with accessing such files and information).

(e) Electronic Mail Address. "Electronic mail address" means a destination, commonly expressed as a string of characters, consisting of a unique user name or mailbox (commonly referred to as the "local part" of the address) and a reference to an internet domain (commonly referred to as the "domain part" of the address), whether or not displayed, to which electronic mail can be sent or delivered.

(f) Notice to Stockholders Sharing Same Address. Without limiting the manner by which notice otherwise may be given effectively by the Corporation to stockholders, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. A stockholder may revoke such stockholder's consent by delivering written notice of such revocation to the Corporation. Any stockholder who fails to object in writing to the Corporation within 60 days of having been given written notice by the Corporation of its intention to send such a single written notice shall be deemed to have consented to receiving such single written notice.

(g) Exceptions to Notice Requirements. Whenever notice is required to be given, under the DGCL, the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting that shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

Whenever notice is required to be given by the Corporation, under any provision of the DGCL, the Certificate of Incorporation or these Bylaws, to any stockholder to whom (1) notice of two consecutive annual meetings of stockholders and all notices of stockholder meetings or of the taking of action by written consent of stockholders without a meeting to such stockholder during the period between such two consecutive annual meetings, or (2) all, and at least two payments (if sent by first-class mail) of dividends or interest on securities during a 12-month period, have been mailed addressed to such stockholder at such stockholder's address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such stockholder shall not be required. Any action or meeting that shall be taken or held without notice to such stockholder shall have the same force and effect as if such notice had been duly given. If any such stockholder shall deliver to the Corporation a written notice setting forth such stockholder's then-current address, the requirement that notice be given to such stockholder shall be reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate need not state that notice was not given to persons to whom notice was not required to be given pursuant to Section 230(b) of the DGCL. The exception in subsection (1) of the first sentence of this paragraph to the requirement that notice be given shall not be applicable to any notice returned as undeliverable if the notice was given by electronic transmission.

Section 9.4 **Waiver of Notice**. Whenever any notice is required to be given under applicable law, the Certificate of Incorporation, or these Bylaws, a written waiver of such notice, signed before or after the date of such meeting by the person or persons entitled to said notice, or a waiver by electronic transmission by the person entitled to said notice, shall be deemed equivalent to such required notice. All such waivers shall be kept with the books of the Corporation. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

Section 9.5 **Meeting Attendance via Remote Communication Equipment**.

(a) Stockholder Meetings. If authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, stockholders entitled to vote at such meeting and proxy holders not physically present at a meeting of stockholders may, by means of remote communication:

(i) participate in a meeting of stockholders; and

(ii) be deemed present in person and vote at a meeting of stockholders, whether such meeting is to be held at a designated place or solely by means of remote communication, provided that (A) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxy holder, (B) the Corporation shall implement reasonable measures to provide such stockholders and proxy holders a reasonable opportunity to participate in the meeting and, if entitled to vote, to vote on matters submitted to the applicable stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings, and (C) if any stockholder or proxy holder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

(b) Board Meetings. Unless otherwise restricted by applicable law, the Certificate of Incorporation or these Bylaws, members of the Board or any committee thereof may participate in a meeting of the Board or any committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Such participation in a meeting shall constitute presence in person at the meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

Section 9.6 **Dividends**. The Board may from time to time declare, and the Corporation may pay, dividends (payable in cash, property or shares of the Corporation's capital stock) on the Corporation's outstanding shares of capital stock or any class thereof, subject to applicable law and the Certificate of Incorporation.

Section 9.7 **Reserves**. The Board may set apart out of any of the funds of the Corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve.

Section 9.8 **Contracts and Negotiable Instruments**. Except as otherwise provided by applicable law, the Certificate of Incorporation or these Bylaws, any contract, bond, deed, lease, mortgage or other instrument may be executed and delivered in the name and on behalf of the Corporation by such officer or officers or other employee or employees of the Corporation as the Board may from time to time authorize. Such authority may be general or confined to specific instances as the Board may determine. The Chairperson of the Board, the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer or any Vice President may execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation. Subject to any restrictions imposed by the Board, the Chairperson of the Board, Chief Executive Officer, President, the Chief Financial Officer, the Treasurer or any Vice President may delegate powers to execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation to other officers or employees of the Corporation under such person's supervision and authority, it being understood, however, that any such delegation of power shall not relieve such officer of responsibility with respect to the exercise of such delegated power.

Section 9.9 **Fiscal Year**. The fiscal year of the Corporation shall be fixed by the Board.

Section 9.10 **Seal**. The Board may adopt a corporate seal, which shall be in such form as the Board determines. The seal may be used by causing it or a facsimile thereof to be impressed, affixed or otherwise reproduced. Notwithstanding the foregoing, no seal shall be required by virtue of this Section.

Section 9.11 **Books and Records**. The books and records of the Corporation may be kept within or outside the State of Delaware at such place or places as may from time to time be designated by the Board.

Section 9.12 **Resignation**. Any director, committee member or officer may resign by giving notice thereof in writing or by electronic transmission to the Chairperson of the Board, the Chief Executive Officer, the President or the Secretary. The resignation shall take effect at the time specified therein, or at the time of receipt of such notice if no time is specified or the specified time is earlier than the time of such receipt. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 9.13 **Surety Bonds**. Such officers, employees and agents of the Corporation (if any) as the Chairperson of the Board, Chief Executive Officer, President or the Board may direct, from time to time, shall be bonded for the faithful performance of their duties and for the restoration to the Corporation, in case of their death, resignation, retirement, disqualification or removal from office, of all books, papers, vouchers, money and other property of whatever kind in their possession or under their control belonging to the Corporation, in such amounts and by such surety companies as the Chairperson of the Board, Chief Executive Officer, President or the Board may determine. The premiums on such bonds shall be paid by the Corporation and the bonds so furnished shall be in the custody of the Secretary.

Section 9.14 **Securities of Other Corporations**. Powers of attorney, proxies, waivers of notice of meeting, consents in writing and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the Chairperson of the Board, Chief Executive Officer, President, any Vice President or any officers authorized by the Board. Any such officer, may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities, or to consent in writing, in the name of the Corporation as such holder, to any action by such corporation, and at any such meeting or with respect to any such consent shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed. The Board may from time to time confer like powers upon any other person or persons.

Section 9.15 **Amendments**. The Board shall have the power to adopt, amend, alter or repeal the Bylaws to the extent not inconsistent with the Certificate of Incorporation (including the terms of any Preferred Stock). The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; *provided*, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by applicable law or the Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws; *provided, further*, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

Section 9.16 **Remedies of Holders of Preferred Stock**. Upon the occurrence and during the continuance of a Non-Compliance Event (as defined in the Certificate of Incorporation with respect to the Corporation's Series A Preferred Stock), each holder of such Series A Preferred Stock shall have the rights and remedies set forth in the Certificate of Incorporation (including all voting rights set forth therein), and rights and remedies under applicable law or at equity.

ARTICLE X
EMERGENCY BYLAWS

Section 10.1 During periods of emergency resulting from an attack on the United States or on a locality in which the Corporation conducts its business or customarily holds meetings of its Board or its stockholders, or during any nuclear or atomic disaster, or during the existence of any catastrophe, including but not limited to, an epidemic or pandemic, and a declaration of national emergency by the United States government or other similar emergency condition, the provisions of this Article X shall apply notwithstanding any different provisions elsewhere contained in these Bylaws.

Section 10.2 Whenever, during such emergency irrespective of whether a quorum of the Board or a standing or special committee thereof can readily be convened for action, a meeting of such Board or committee thereof may be called by any officer of the Corporation or director by a notice of the time and place given only to such of the directors as it may be feasible to reach at the time and by such means as may be feasible at the time, including publications or radio. Three directors in attendance at the meeting shall constitute a quorum; *provided, however*, that the officers of the Corporation or other persons present who have been designated on a list approved by the Board before the emergency, all in such order of priority and subject to such conditions and for such period of time as may be provided in the resolution approving such list, or in the absence of such a resolution, the officers of the Corporation who are present, in order of rank, and within the same rank in order of seniority, shall to the extent required to provide a quorum be deemed directors for such meeting.

Section 10.3 The Board, both before or during any such emergency, may provide and modify lines of succession in the event that during such emergency any or all officers or agents of the Corporation shall for any reason be rendered incapable of discharging their duties.

Section 10.4 The Board, both before or during any such emergency, may, effective as of the emergency, change the principal executive office or designate several alternative principal executive offices or regional offices or authorize the officers of the Corporation so to do.

Section 10.5 No director or officer or employee of the Corporation acting in accordance with this Article X shall be liable for any act or failure to act, except for willful misconduct.

Section 10.6 To the extent not inconsistent with this Article X, all other Articles of these Bylaws shall remain in effect during any emergency described in this Article X and, upon termination of the emergency (to be determined by the Board in its sole discretion), the provisions of this Article X shall cease to be operative.

On any matter on which holders of Series A Preferred Stock are entitled to vote, the Holders shall vote separately as a single class with respect to the Series A Preferred Stock, in person or by proxy, at a meeting called for such purpose or by written consent without a meeting. The approval of any matter or action shall require the affirmative vote or consent of the Holders of a majority of the shares of Series A Preferred Stock outstanding at such time (the "Preferred Majority Holders").

(b) Protective Provisions. Notwithstanding anything to the contrary contained herein, the affirmative vote or consent of the Preferred Majority Holders will be necessary for effecting any of the following actions, whether or not such approval is required pursuant to the DGCL:

(i) any amendment, alteration or repeal of any provision of the Certificate (including this Certificate of Designation) or Bylaws (by merger, consolidation, division or reorganization of the Company, or otherwise) in a manner that adversely affects the rights, preferences or privileges of the Series A Preferred Stock, unless such amendment, alteration or repeal is effectuated at the time of consummation of a transaction, the proceeds of which are to be applied substantially contemporaneously to the redemption in full in cash of the Series A Preferred Stock at the Redemption Price in accordance with the terms hereof such that all shares of Series A Preferred Stock shall be redeemed in connection therewith, and the effectiveness of such amendment, alteration or repeal occurs substantially contemporaneously with such redemption;

(ii) any liquidation, dissolution or winding up of the Company or its business and affairs;

(iii) any creation, authorization or issuance (by reclassification or otherwise) of additional shares of Series A Preferred Stock, any Parity Stock, any Junior Stock (other than Common Stock), or any Senior Stock or any securities or rights convertible or exchangeable into, or exercisable for the foregoing; provided the Company shall be permitted to issue such Parity Stock, Junior Stock and/or Senior Stock to the extent the proceeds thereof are to be applied substantially contemporaneously to the redemption in full in cash of the Series A Preferred Stock at the Redemption Price in accordance with the terms hereof and provided that all shares of Series A Preferred Stock shall be redeemed in connection therewith;

(iv) any Asset Disposition by a member of the Restricted Group, unless:

(1) such member of the Restricted Group receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the fair market value of the shares and assets subject to such Asset Disposition, as such fair market value (as of the date a legally binding commitment for such Asset Disposition was entered into) shall be determined (including as to the value of all non-cash consideration) in good faith by the Company (with respect to Asset Dispositions by the Company and its Subsidiaries (other than the OpCo Borrower and its Subsidiaries)) or the OpCo Borrower (with respect to Asset Dispositions by the OpCo Borrower and its Restricted Subsidiaries),

(2) in the case of any Asset Disposition (or series of related Asset Dispositions) having a Fair Market Value (as of the date a legally binding commitment for such Asset Disposition was entered into) in excess of the greater of $65,000,000 and 10.0% of LTM Consolidated EBITDA, at least 75% of the consideration (excluding, in the case of each Asset Disposition (or series of related Asset Dispositions), any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, that are not Indebtedness) for such Asset Disposition, together with all other Asset Dispositions since the Closing Date (on a cumulative basis), received by such member of the Restricted Group is in the form of cash (determined in the manner set forth in Section 10(c) below), and

(3) to the extent required by Section 10(a), an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied as provided in such Section;

(v) any direct or indirect sale, lease, transfer or other disposition by a member of the Restricted Group of Core Intellectual Property, other than (i) any license, sublicense or other grant of rights in or to, or covenant not to sue with respect to, any Core Intellectual Property (x) in the ordinary course of business or (y) in connection with any franchise, joint venture or other similar arrangement or (ii) the abandonment, lapse or other disposition of any trademark, service mark or other intellectual property (x) in the ordinary course of business or (y) that are, in the good faith determination of the Company (with respect to Core Intellectual Property of the Company and its Subsidiaries (other than the OpCo Borrower and its Subsidiaries)) or the OpCo Borrower (with respect to Core Intellectual Property the OpCo Borrower and its Restricted Subsidiaries), no longer economically practicable to maintain or useful in the conduct of the business of the Company and its Subsidiaries taken as a whole;

(vi) a member of the Restricted Group, directly or indirectly, entering into or conducting any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "Affiliate Transaction") involving aggregate consideration in excess of $50,000,000, other than a Permitted Affiliate Transaction, unless (i) (A) the terms of such Affiliate Transaction are not materially less favorable to such member of the Restricted Group than those that could be obtained at the time in a transaction with a Person who is not such an Affiliate and (B) if such Affiliate Transaction involves aggregate consideration in excess of $50,000,000, the terms of such Affiliate Transaction have been approved by a majority of the Board of Directors. For purposes of this Section 8(b)(vi), an Affiliate Transaction shall be deemed to have satisfied the requirements of this Section if (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) in the event there are no Disinterested Directors, a fairness opinion is provided by a nationally recognized appraisal or investment banking firm with respect to such Affiliate Transaction;

(vii) any sale, conveyance or transfer of all or substantially all of the property and assets of the members of the Restricted Group, taken as a whole, or any merger, consolidation, statutory exchange or any other business combination transaction of the Company into or with any other Person (for the avoidance of doubt, other than any internal reorganization among the members of the Restricted Group, so long as the Company is the surviving entity in any merger, consolidation, statutory exchange or other business combination transaction involving the Company);

(viii) any (A) Restricted Payment by a member of the Restricted Group, other than a Permitted Payment, or (B) payment by any Unrestricted Subsidiary of any amounts in respect of Junior Stock (including, for the avoidance of doubt, Common Stock), including any purchase thereof or other acquisition thereof for value;

(ix) any Investment by a member of the Restricted Group, other than a Permitted Investment;

(x) any Incurrence by a member of the Restricted Group of (A) Consolidated Vehicle Indebtedness, other than Permitted Consolidated Vehicle Indebtedness, or (B) Corporate Indebtedness, other than Permitted Corporate Indebtedness;

(xi) any failure by the OpCo Borrower and its Restricted Subsidiaries to engage in business of the same general type as conducted by the OpCo Borrower and its Restricted Subsidiaries on the Closing Date, taken as a whole, or any failure by the Company to preserve, renew and keep in full force and effect its corporate existence;

(xii) the Company or any Subsidiary of the Company (other than OpCo Borrower and its Subsidiaries) conducting, transacting or otherwise engaging, or committing to conduct, transact or otherwise engage, in any business or operations other than (i) the issuance of the Series A Preferred Stock contemplated by this Certificate of Designation or the provision of administrative, legal, accounting and management services to, or on behalf of, its Subsidiaries, (ii) the acquisition and ownership of the Equity Capital Stock of any of its Subsidiaries and the exercise of rights and performance of obligations in connection therewith, (iii) the entry into, and exercise of rights and performance of obligations in respect of (A) (x) in the case of OpCo Holdings, the Exit Facilities and any other guarantee of Indebtedness or other obligations of any of its Subsidiaries permitted hereunder; in each case as amended, supplemented, waived or otherwise modified from time to time, and any refinancings, refundings, renewals or extensions thereof, in each case to the extent permitted hereunder, and (y) any agreement to which it is a party on the Closing Date, to the extent disclosed in writing to ACM on or prior to the Closing Date, (B) contracts and agreements with officers, directors and employees of it or any Subsidiary thereof relating to their employment or directorships, (C) insurance policies and related contracts and agreements and (D) equity subscription agreements, registration rights agreements, voting and other stockholder agreements, engagement letters, underwriting agreements and other agreements in respect of its equity securities or any offering, issuance or sale thereof permitted by the terms of this Certificate of Designation, (iv) (x) the offering, issuance, sale and repurchase or redemption of its Equity Capital Stock permitted by the terms of this Certificate of Designation, and (y) dividends or distributions on its Equity Capital Stock permitted by the terms of this Certificate of Designation, (v) the filing of registration statements, and compliance with applicable reporting and other obligations, under federal, state or other securities laws, (vi) the listing of its equity securities and compliance with applicable reporting and other obligations in connection therewith, (vii) in the case of the Company, the retention of (and the entry into, and exercise of rights and performance of obligations in respect of, contracts and agreements with) transfer agents, private placement agents, underwriters, counsel, accountants and other advisors and consultants, (viii) the performance of obligations under and compliance with its certificate of incorporation and by-laws, or any applicable law, ordinance, regulation, rule, order, judgment, decree or permit, including as a result of or in connection with the activities of its Subsidiaries, (ix) the incurrence and payment of its operating and business expenses and any taxes for which it may be liable, (x) making loans to or other Investments in its Subsidiaries as and to the extent not prohibited by this Certificate of Designation, and (xi) other activities incidental or related to the foregoing; or

(xiii) any agreement or commitment to do or take any action described in this Section 8(b).

For purposes of this Section 8(b), the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications or other terms of any class or series of stock of the Company shall be deemed an amendment to the Certificate.

If at any time any action or transaction meets the criteria of one or more than one of the categories of exceptions, thresholds or baskets set forth within a protective provision set forth in Section 8(b) or any definition used therein, the Company or the OpCo Borrower may divide, classify and/or designate such action or transaction (or any portion thereof), and later (on one or more occasions) may re-divide, re-classify and/or re-designate such action or transaction (or any portion thereof), as consummated in reliance on one or more of such exceptions, thresholds and baskets as within such protective provision or definition (but not, for the avoidance of doubt, as consummated in reliance on one or more exception, threshold or basket within any other protective provision or definition) as the Company or OpCo Borrower may determine in its sole discretion from time to time, including by re-dividing, re-classifying and/or re-designating any action or transaction originally consummated in reliance on one or more fixed exceptions, thresholds or baskets ("fixed baskets".) as consummated in reliance on any available incurrence-based exception, threshold or basket ("incurrence-based baskets") within the same protective provision (but not, for the avoidance of doubt, within any other protective provision) that is available at the time of such re-division, re-classification and/or re-designation (for the avoidance of doubt, which determination shall be made without duplication of such applicable action or transaction to be re-divided, re-classified and/or re-designated) and if any ratio or financial test set forth in any applicable incurrence-based basket would be satisfied at any time after consummation of such action or transaction, such re-division, re-classification and/or re-designation within such protective provision (but not, for the avoidance of doubt, within any other protective provision) shall be deemed to have automatically occurred if not elected by the Borrower (provided that all Indebtedness under the Exit Facilities (or any Refinancing Indebtedness in respect thereof) Incurred on or after the Closing Date shall be deemed to have been Incurred pursuant to clause (i) of the definition of "Permitted Corporate Indebtedness" and the OpCo Borrower shall not be permitted to reclassify all or any portion of Indebtedness Incurred pursuant to clause (i) of the definition of "Permitted Corporate Indebtedness"). Notwithstanding anything herein to the contrary, clause (i) of the definition of "Permitted Affiliate Transaction" shall not permit any Investments in Affiliates of the Plan Sponsors, other than the Company and its Subsidiaries, and the preceding clause (b)(viii) shall apply to any direct or indirect Restricted Payments or payments (as applicable).

If any fixed baskets are intended to be utilized together with any incurrence-based baskets in any action or transaction, (i) compliance with or satisfaction of any applicable financial ratios or tests for such action or transaction (or any portion thereof) to be consummated under any incurrence-based baskets shall first be calculated without giving effect to amounts being utilized pursuant to any fixed baskets or any substantially concurrent revolving credit loans incurrence, but giving full pro forma effect to all applicable and related transactions (including, subject to the foregoing with respect to fixed baskets, any incurrence and repayments of Indebtedness) and all other permitted pro forma adjustments, and (ii) thereafter, incurrence of the portion of such action or transaction to be consummated under any fixed baskets or revolving loan incurrence shall be calculated.

(c) Voting. Each Holder of Series A Preferred Stock will have one vote per share on any matter on which Holders of Series A Preferred Stock are entitled to vote.

(d) Limited Condition Transactions.

(i) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Certificate of Designation which requires that no Non-Compliance Event (or, as applicable, no specified Non-Compliance Event) has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company, be deemed satisfied, so long as no Non-Compliance Event exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given. For the avoidance of doubt, if the Company has exercised its option under the first sentence of this Section 8(d), and any Non-Compliance Event (or, as applicable, any specified Non-Compliance Event) occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Non-Compliance Event (or specified Non-Compliance Event, as applicable) shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(ii) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(1) determining compliance with any provision of this Certificate of Designation which requires the calculation of the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio or the Consolidated Total Net Corporate Leverage Ratio; or

(2) testing baskets set forth in this Certificate of Designation;

in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "LCA Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCA Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCA Test Date for which consolidated financial statements of the Company are available, the Company could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Company has made an LCA Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio, basket or amount, including due to fluctuations in Consolidated EBITDA of the OpCo Borrower or the Person subject to such Limited Condition Transaction or any applicable currency exchange rate, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Company has made an LCA Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness, or the making of Restricted Payments, Asset Dispositions, (without limiting the provisions hereof restricting any such issuance) mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the OpCo Borrower or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) have been consummated; provided that, with respect to the making of Restricted Payments on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio shall also be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) have not been consummated. Any LCA Election with respect to a transaction involving the OpCo Borrower or its Subsidiaries may be made by the OpCo Borrower in lieu of the Company.

Any reference in this Certificate of Designation to a merger, consolidation, amalgamation, conveyance, disposal, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, corporation or partnership, or an allocation of assets to a series of or one or more limited liability companies, partnerships or corporations, or the unwinding of such a division or allocation, as if it were a merger, consolidation, amalgamation conveyance, disposal, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, corporation or partnership shall be deemed to constitute the formation of a separate Person, and any such division shall constitute a separate Person hereunder (and each division of any limited liability company, corporation or partnership that is a subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

SECTION 9. Board Designation Rights.

(a) Without limitation of the rights of the Holders under Section 11 hereof, for so long as ACM and its Affiliates own at least 50% of the shares of Series A Preferred Stock then outstanding, ACM shall have the right to appoint (i) one observer (the "ACM Observer") to the Board (but, for the avoidance of doubt, not to any committee thereof), subject to the execution by the ACM Observer of a customary confidentiality agreement with the Company, and (ii) one director to the Board and any committee thereof to which the Board has delegated substantially all of its authority (the "ACM Director"). The rights of ACM and its Affiliates pursuant to this Section 9(a) may not be Transferred without the consent of the Company. The ACM Director and the ACM Observer shall each serve in such capacity until such individual's earlier death, disability, resignation or removal by ACM and shall be subject to all obligations, policies and codes of conduct applicable to the directors of the Company.

(b) The ACM Observer (i) shall be entitled to attend (in person or, at his/her election, telephonically) all in-person meetings and to listen to the entirety of all telephonic meetings of the Board in a nonvoting observer capacity and (ii) shall receive all information, notices, reports, written consents, meeting minutes and other materials (collectively, the "Board Information") provided to the members of the Board in respect of such meeting (the "Board Members"), in each case, substantially simultaneously with, and in the same manner and to the same extent as, such Board Information is given to such Board Members. Notwithstanding the foregoing, the Company may withhold any information and exclude the ACM Observer from any meeting or portion thereof, including closed or executive sessions, if the Board determines in good faith, based on the advice of counsel, that such exclusion is reasonably necessary to preserve the attorney-client privilege or under circumstances that present a conflict of interest with respect to the applicable matter under consideration. The Company shall provide the ACM Observer with reimbursement for reasonable and documented out-of-pocket costs and expenses incurred by the ACM Observer in connection with the exercise of its rights and roles hereunder.

(c) The ACM Director and the ACM Observer may each be removed at any time without cause by ACM, and any vacancy with respect to the ACM Director or ACM Observer may be filled by ACM. In the event that ACM and its Affiliates no longer own at least 50% of the shares of Series A Preferred Stock then outstanding, the term of office of each of the ACM Director and the ACM Observer shall immediately terminate, and the Board may remove the ACM Director from the Board.

SECTION 10. Net Available Cash from Asset Sales.

(a) Subject to paragraph (b) below, in the event that on or after the Closing Date, a member of the Restricted Group shall make an Asset Disposition or a Recovery Event shall occur, an amount equal to 100% of the Net Available Cash from such Asset Disposition or Recovery Event shall be applied as follows:

(i) *first*, to the extent such member of the Restricted Group elects, to reinvest or commit to reinvest in the business of the OpCo Borrower and its Restricted Subsidiaries (including any investment in Additional Assets) within 18 months from the later of the date of such Asset Disposition or Recovery Event and the date of receipt of such Net Available Cash (or if later, 6 months following the date on which a reinvestment commitment or letter of intent is entered into (so long as such reinvestment commitment or letter of intent was entered into during such 18-month period)); and

(ii) *second*, to the extent of the balance of such Net Available Cash or equivalent amount after application in accordance with clause (i) above, within the longest of (1) 10 Business Days of determination of such balance, (2) the time required under any Indebtedness prepaid, repaid or purchased pursuant to this clause (ii), and (3) the time required by applicable law, toward (x) the prepayment, repayment or purchase of Indebtedness for borrowed money or cash collateralization of letters of credit, bankers' acceptances or other similar instruments (in each case, other than Indebtedness owed to a member of the Restricted Group) or (y) to the extent permitted by the terms of the Exit Facilities or any Refinancing Indebtedness in respect thereof, to the redemption of the Series A Preferred Stock in accordance with the terms of this Certificate of Designation.

provided that (1) the member of the Restricted Group that received Net Available Cash from such Asset Disposition may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (provided that, such investment shall be made no earlier than the earliest of notice of the relevant Asset Disposition to the Holders, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with Section 10(a)(i) above with respect to such Asset Disposition and (2) the foregoing percentage in this Section 10(a) shall be reduced to (x) 50% if, on a *pro forma* basis after giving effect to such Asset Disposition and the use of proceeds therefrom, the Consolidated Total Net Corporate Leverage Ratio would be equal to or less than 3.50 to 1.00, but greater than 2.50 to 1.00 and (y) 0% if, on a *pro forma* basis after giving effect to such Asset Disposition and the use of proceeds therefrom, the Consolidated Total Net Corporate Leverage Ratio would be equal to or less than 2.50 to 1.00 (any Net Available Cash in respect of Asset Dispositions not required to be applied in accordance herewith as a result of the application of one or more of the stepdowns in this clause (2) of this proviso shall collectively constitute "Total Leverage Excess Proceeds").

(b) Notwithstanding the foregoing provisions of this Section 10, the Company and its Subsidiaries shall not be required to apply any Net Available Cash in accordance with this Section 10 (i) except to the extent that the aggregate Net Available Cash from all Asset Dispositions and Recovery Events not applied in accordance with this Section 10 (excluding all Total Leverage Excess Proceeds) exceeds (x) the greater of $75,000,000 and 12.5% of LTM Consolidated EBITDA, individually, and (y) the greater of $150,000,000 and 25.0% of LTM Consolidated EBITDA, in the aggregate on an annual basis and (ii) to the extent that (x) any Net Available Cash from such Asset Disposition or Recovery Event is subject to any restriction on the transfer of all or any portion thereof directly or indirectly to the Company, including by reason of applicable law or agreement (other than any agreement entered into primarily for the purpose of imposing such a restriction) or (y) in the good faith determination of the Company (with respect to itself and its Subsidiaries (other than the OpCo Borrower and its Subsidiaries)) or the OpCo Borrower (with respect to itself and its Restricted Subsidiaries) the transfer of all or any portion of any Net Available Cash from such Asset Disposition directly or indirectly to the Company could reasonably be expected to give rise to or result in (A) any violation of applicable law, (B) any liability (criminal, civil, administrative or other) for any of the officers, directors or shareholders of a member of the Restricted Group, (C) any violation of the provisions of any joint venture or other material agreement governing or binding upon any member of the Restricted Group, (D) any material risk of any such violation or liability referred to in any of the preceding clauses (A), (B) and (C), (E) any material adverse tax consequence for a member of the Restricted Group, or (F) any cost, expense, liability or obligation (including any tax) other than routine and immaterial out-of-pocket expenses.

(c) For the purposes of Section 8(b)(iv), the following are deemed to be cash: (1) Cash Equivalents and Temporary Cash Investments, (2) the assumption of Indebtedness of the Company (other than Disqualified Stock), any Subsidiary of the Company (other than the OpCo Borrower and its Subsidiaries), the OpCo Borrower or any Restricted Subsidiary and the release of such Person from all liability on payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (3) securities received by a member of the Restricted Group from the transferee that are converted by such Person into cash within 180 days, (4) consideration consisting of Indebtedness of a member of the Restricted Group, (5) Additional Assets, (6) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that each member of the Restricted Group is released from any Guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition and (7) any Designated Noncash Consideration received by the OpCo Borrower or any of its Restricted Subsidiaries in an Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this clause, not to exceed when received an aggregate amount equal to the greater of $160,000,000 and 25.0% of LTM Consolidated EBITDA (with the Fair Market Value of each item of Designated Noncash Consideration being measured as of the date a legally binding commitment for such Asset Disposition (or, if later, for the payment of such item) was entered into and without giving effect to subsequent changes in value).

SECTION 11. Non-Compliance Events.

(a) Following the occurrence and during the continuance of any Non-Compliance Event:

(i) The Liquidation Preference and the Accrued Dividends shall each accrete by an additional 0.50% each month during the continuance of such Non-Compliance Event (on each one-month month anniversary of the occurrence thereof), which accreted amounts shall thereafter constitute "Accrued Dividends" for purposes hereof (a "Non-Compliance Step-Up");

(ii) Commencing on the 30th consecutive day of a continuing Non-Compliance Event, upon the written request of the Preferred Majority Holders, the size of the Board shall be automatically increased by 50% (rounded upward, if necessary, due to an odd number of initial directors), and the newly created vacancies shall be filled by the Board as promptly as practicable thereafter from nominees proposed by the Preferred Majority Holders (which shall propose two nominees for each such vacancy);

(iii) Commencing on the later to occur of the (x) 60th consecutive day of a continuing Non-Compliance Event and (y) the end of the Relief Period, upon the written request of the Preferred Majority Holders, the Company will initiate a process to consummate (each, a "Forced Exit Transaction"):

(1) an underwritten public offering of shares of Common Stock, or other capital raise by the Company or its Subsidiaries, in each case the net cash proceeds of which shall be used to redeem the Series A Preferred Stock at the Redemption Price in accordance with the terms hereof; or

(2) a sale as a result of which the Company shall have sufficient cash on hand to redeem the Series A Preferred Stock at the Redemption Price in accordance with the terms hereof (and the net cash proceeds of which shall be so applied);

provided that the Company shall not be permitted to consummate any Forced Exit Transaction without the consent of the Preferred Majority Holders to the extent that the net cash proceeds thereof would be insufficient to redeem the Series A Preferred Stock in full in cash at the Redemption Price in accordance with the terms hereof;

(iv) Commencing on the 270th consecutive day of a continuing Non- Compliance Event, upon the written request of the Preferred Majority Holders:

(1) The size of the Board shall be expanded to such a size that the directors to be appointed pursuant to this clause 11(a)(iv)(1) (together with the directors, if any, appointed pursuant to clause (ii) above) shall constitute a majority of the Board by one director, and the newly created vacancies shall be filled by the Board as promptly as practicable thereafter from nominees proposed by the Preferred Majority Holders (which shall propose two nominees for each such vacancy) (the "Majority Board Proposal Right");

(2) The Board, as reconstituted pursuant to clause (1) above, shall, to the extent the Relief Period is no longer in effect, pursue (or continue to pursue, as applicable) a Forced Exit Transaction and shall take all actions consistent with their fiduciary duties necessary to consummate such a transaction (provided that the Company shall not be permitted to consummate any Forced Exit Transaction without the consent of the Preferred Majority Holders to the extent that the net cash proceeds thereof would be insufficient to redeem the Series A Preferred Stock in full in cash at the Redemption Price in accordance with the terms hereof); and

(3) The shares of Series A Preferred Stock shall be entitled to vote with the shares of Common Stock on an "as-if" converted basis, and shall be treated by the Certificate and Bylaws as holding 51% of the then-outstanding voting Capital Stock of the Company; provided that, to the extent such voting of shares of Preferred Stock is not permitted by applicable rules of the stock exchange on which the Common Stock of the Company is listed, the Company and the Preferred Majority Holders shall cooperate reasonably and in good faith to implement an alternate arrangement that most closely approximates the foregoing (collectively, the "Majority Voting Right").

To the extent that more than one Non-Compliance Event shall be continuing at any time, the above described periods shall commence on the date of the first Non-Compliance Event and shall continue until such time as all Non-Compliance Events have been cured or waived.

In addition to the foregoing, each Holder shall have all rights which such Holder has under applicable law or in equity. Any Holder having any rights under the Certificate (including this Certificate of Designation) or under law or in equity shall be entitled to seek enforcement of such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Certificate (including this Certificate of Designation) and to exercise all other rights granted by applicable law or in equity.

(b) From and after the 87-month anniversary of the Closing Date, to the extent any shares of Series A Preferred Stock remain outstanding and irrespective of whether a Non-Compliance Event shall have occurred and be continuing, (i) Holders shall be entitled to the Non-Compliance Step-Up and (ii) upon the written request of the Preferred Majority Holders, the Preferred Majority Holders shall be entitled to exercise the Majority Board Proposal Right and the Majority Voting Right, and the Company shall initiate a process to promptly consummate a Forced Exit Transaction.

(c) Each director appointed to the Board by the Preferred Majority Holders in accordance with this Section 11 shall serve in such capacity until such individual's earlier death, disability, resignation or removal by the Preferred Majority Holders, shall be subject to all obligations, policies and codes of conduct applicable to the directors of the Company. Any director appointed to the Board by the Preferred Majority Holders in accordance with this Section 11 may be removed at any time without cause by the Preferred Majority Holders, and any vacancy with respect to any directors so appointed to the Board may be filled by a vote of the Preferred Majority Holders. Following the redemption in full in cash of the Series A Preferred Stock, the term of office of the directors appointed to the Board in accordance with this Section 11 shall terminate and the number of directors on the Board shall automatically decrease by the number of directors whose term of office has so terminated.

SECTION 12. Information Rights and Inspection Rights.

(a) The Company shall provide to the Holders:

(ii) not later than the fifth Business Day after the 50th day following the end of each of the first three quarterly periods of each fiscal year of the Company (or such longer period as may be permitted by the SEC for the filing of quarterly reports on Form 10-Q), the unaudited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such quarter and the related unaudited consolidated statements of operations and cash flows of the Company and its consolidated Subsidiaries for such quarter and the portion of the fiscal year through the end of such quarter, setting forth in each case, in comparative form the figures for and as of the corresponding periods of the previous year, certified by a Responsible Officer of the Company as fairly presenting in all material respects the financial condition of the Company and its Subsidiaries in conformity with GAAP and prepared in reasonable detail in accordance with GAAP applied consistently throughout the periods reflected therein and with prior periods that began on or after the Closing Date (except as disclosed therein, and except for the absence of certain notes) (it being agreed that the furnishing of the Company's quarterly report on Form 10-Q for such quarter, as filed with the SEC, will satisfy the Company's obligations under this Section 12(a)(ii) with respect to such quarter);

(iii) within five Business Days after the same are filed, copies of all financial statements and periodic reports which the Company may file with the SEC or any successor or analogous Governmental Authority;

(iv) within five Business Days after the same are filed, copies of all registration statements and any amendments and exhibits thereto, which the Company may file with the SEC or any successor or analogous Governmental Authority;

(v) a copy of any material notice provided to the lenders or any other creditors under the Exit Facilities or any Refinancing Indebtedness in respect thereof at the same time as such lenders or other creditors receive such notice;

(vi) subject to a customary confidentiality agreement, promptly upon request by ACM, any information regarding the Company provided to the Board;

(vii) as soon as possible after a Responsible Officer of the Company knows thereof, the occurrence of any Non-Compliance Event;

(viii) as soon as possible after a Responsible Officer of the Company knows thereof, any (i) default or event of default under any Contractual Obligation (including with respect to lease obligations in connection with Special Purpose Financings) of a member of the Restricted Group, other than as previously disclosed in writing to the Holders, or (ii) litigation, investigation or proceeding which may exist at any time, in the case of either clause (i) or (ii) that would reasonably be expected to have a Material Adverse Effect;

(ix) the following events, as soon as possible and in any event within 30 days after a Responsible Officer of the Company knows thereof: (i) the occurrence or expected occurrence of any Reportable Event (or similar event) with respect to any Single Employer Plan (or Foreign Plan), a failure to make any required contribution to a Single Employer Plan, Multiemployer Plan or Foreign Plan, the creation of any Lien on the property of a member of the Restricted Group in favor of the PBGC, a Plan or a Foreign Plan or any withdrawal from, or the full or partial termination, Reorganization or Insolvency of, any Multiemployer Plan or Foreign Plan; (ii) the institution of proceedings or the taking of any other formal action by the PBGC or a member of the Restricted Group or any Commonly Controlled Entity or any Multiemployer Plan which would reasonably be expected to result in the withdrawal from, or the termination, Reorganization or Insolvency of, any Single Employer Plan, Multiemployer Plan or Foreign Plan; provided, however, that no such notice will be required under clause (i) or (ii) above unless the event giving rise to such notice, when aggregated with all other such events under clause (i) or (ii) above, would be reasonably expected to result in a Material Adverse Effect; or (iii) the first occurrence after the Closing Date of an Underfunding under a Single Employer Plan or Foreign Plan that exceeds 10% of the value of the assets of such Single Employer Plan or Foreign Plan, in each case, determined as of the most recent annual valuation date of such Single Employer Plan or Foreign Plan on the basis of the actuarial assumptions used to determine the funding requirements of such Single Employer Plan or Foreign Plan as of such date;

(x) as soon as possible after a Responsible Officer of the Company knows thereof, (i) any release or discharge by the OpCo Borrower or any of its Restricted Subsidiaries of any Materials of Environmental Concern required to be reported under applicable Environmental Laws to any Governmental Authority, unless the OpCo Borrower reasonably determines that the total Environmental Costs arising out of such release or discharge would not reasonably be expected to have a Material Adverse Effect; (ii) any condition, circumstance, occurrence or event not previously disclosed in writing to the Holders that would reasonably be expected to result in liability or expense under applicable Environmental Laws, unless the OpCo Borrower reasonably determines that the total Environmental Costs arising out of such condition, circumstance, occurrence or event would not reasonably be expected to have a Material Adverse Effect, or would not reasonably be expected to result in the imposition of any lien or other material restriction on the title, ownership or transferability of any facilities and properties owned, leased or operated by the OpCo Borrower or any of its Restricted Subsidiaries that would reasonably be expected to result in a Material Adverse Effect; and (iii) any proposed action to be taken by the OpCo Borrower or any of its Restricted Subsidiaries that would reasonably be expected to subject the OpCo Borrower or any of its Restricted Subsidiaries to any material additional or different requirements or liabilities under Environmental Laws, unless the OpCo Borrower reasonably determines that the total Environmental Costs arising out of such proposed action would not reasonably be expected to have a Material Adverse Effect; and

(xi) subject to clause (b) below, such additional financial and other information regarding the Company as ACM may from time to time reasonably request.

(b) The Company shall permit ACM and its Affiliates (and their respective representatives) to visit and inspect any of its properties and examine and, to the extent reasonable, make abstracts from any of its books and records (other than (i) all data and information used to calculate any "measurement month average" or (ii) any "market value average" or any similar amount, however designated, under or in connection with any financing of Vehicles and/or other property or assets) and to discuss the business, operations, properties and financial and other condition of the Restricted Group with officers of such Persons and with the Company's independent certified public accountants, in each case at any reasonable time, upon reasonable notice, and as often as may reasonably be desired; provided that representatives of the Company may be present during any such visits, discussions and inspections.

(c) Notwithstanding anything to the contrary in this Section 12, no member of the Restricted Group will be required by the terms of this Section 12 to disclose or permit the inspection or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Holders or ACM (or their respective representatives) is prohibited by Requirement of Law or any binding agreement or (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product.

(d) Documents required to be delivered pursuant to this Section 12 may at the Company's option be delivered electronically and, if so delivered, shall be deemed to have been delivered on the date (i) on which the Company posts such documents, or provides a link thereto on the Company's website on the Internet at the website address specified by written notice to the Holders from time to time; or (ii) on which such documents are posted on the Company's behalf on an Internet or intranet website to which each Holder has access (whether a commercial or third-party website).

SECTION 13. Transfer Agent, Conversion Agent, Registrar and Paying Agent. The Transfer Agent and the Paying Agent shall initially be Computershare Trust Company, N.A. The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent or Paying Agent for the Series A Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

SECTION 14. Replacement Certificates. If physical certificates evidencing the Series A Preferred Stock are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of evidence satisfactory to the Company and the Transfer Agent that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

SECTION 15. Taxes.

(a) Withholding. The Company and its Paying Agent shall be entitled to deduct and withhold taxes on all payments and distributions (or deemed distributions) on the Series A Preferred Stock to the extent required by applicable law. To the extent that any amounts are so deducted or withheld, such deducted or withheld amounts shall be treated for all purposes of this Certificate of Designation as having been paid to the Person in respect of which such deduction or withholding was made. In the event the Company previously remitted any amounts to a Governmental Authority on account of taxes required to be deducted or withheld in respect of any payment or distribution (or deemed distribution) with respect to a share of Series A Preferred Stock, the Company shall be entitled (i) to offset any such amounts against any amounts otherwise payable in respect of such share of Series A Preferred Stock or (ii) to require the Person in respect of whom such deduction or withholding was made to reimburse the Company for such amounts (and such Person shall promptly so reimburse the Company upon demand).

(b) Transfer Taxes. The Company shall pay any and all documentary, stamp and similar issue or transfer tax ("Transfer Tax") due on the issue of shares of Series A Preferred Stock or certificates representing such shares or securities. However, the Company shall not be required to pay any Transfer Tax that may be payable in respect of the issue or delivery (or any transfer involved in the issue or delivery) of Series A Preferred Stock to a beneficial owner other than the beneficial owner of the Series A Preferred Stock immediately prior to the event pursuant to which such issue or delivery is required, and no such issue or delivery shall be made unless and until the person requesting such issue or delivery has paid to the Company the amount of any such Transfer Tax or has established to the satisfaction of the Company that such Transfer Tax has been paid or is not payable.

SECTION 16. Notices. All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail (unless first class mail shall be specifically permitted for such notice under the terms of this Certificate of Designation) with postage prepaid, addressed: (i) if to the Company, (a) if sent by mail, to its office at Hertz Global Holdings, Inc., 8501 Williams Road, Estero, Florida 33928, Attention: General Counsel, or (b) if sent by electronic mail, to such electronic mail address as the Company shall have designated in writing to the Holders, (ii) if to any Holder, to such Holder at the address and electronic mail address of such Holder as listed in the stock record books of the Company (which, for all purposes hereunder, may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 17. Facts Ascertainable. When the terms of this Certificate of Designation refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Company shall also maintain a written record of the Issuance Date, the number of shares of Series A Preferred Stock issued to a Holder and the date of each such issuance, the Liquidation Preference and Accrued Dividends per share of Series A Preferred Stock and the Dividend Rate in effect from time to time and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 18. Amendment; Waiver. Notwithstanding any provision in this Certificate of Designation to the contrary, any provision contained herein and any right of the Holders of Series A Preferred Stock granted hereunder may be amended or waived as to all shares of Series A Preferred Stock (and the Holders thereof) upon the written consent of the Preferred Majority Holders; provided that (i) any amendment, modification or waiver that, by its terms, would adversely and uniquely affect a Holder (in its capacity as such) relative to other Holders without similarly affecting all of the Holders shall require the prior written consent of such adversely and uniquely affected Holder, and (ii) other than ministerial changes, without the written consent of each Holder adversely affected thereby, no amendment, modification or waiver (whether by merger, consolidation, division or reorganization of the Company) shall:

(a) reduce the Dividend Rate, extend any Dividend Payment Date (except in accordance with the proviso to such definition as in effect on the Closing Date) or amend Section 4 (including any other defined term used in such section, to the extent relating thereto);

(b) reduce the Liquidation Preference or the Accrued Dividend or amend Section 5 (including any other defined term used in such section, to the extent relating thereto); provided that the Preferred Majority Holders shall be permitted to amend, modify or waive Non-Compliance Events and the effects thereof without the written consent of each adversely affected Holder;

(c) reduce the Redemption Price (other than as a result of any amendment, modification or waiver of the effect of a Non-Compliance Event in accordance with clause (b) above) or amend Section 6 (including any other defined term used in such section, to the extent relating thereto), other than (x) the penultimate and final sentences of Section 6(b) and (y) the final sentence of Section 6(c) (each of which may be amended, modified or waived with the consent of the Preferred Majority Holders and will not require the consent of each adversely affected Holder);

(d) amend Section 7(a) (including any defined term used in such section to the extent relating thereto); provided that the definition of "Prohibited Transferee" may be amended, modified or waived with the consent of the Preferred Majority Holders and will not require the consent of each adversely affected Holder;

(e) amend Section 2 (including any defined term used in such section to the extent relating thereto); provided that the Company shall be permitted to issue Parity Stock, Senior Stock and Junior Stock in accordance with Section 8 without the consent of each adversely affected Holder; or

(f) amend the foregoing clauses (a) through (e) or this clause (f).

SECTION 19. Severability. If any term of the Series A Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

SECTION 20. Interpretation. When a reference is made in this Certificate of Designation to an Article, a Section, Exhibit or Schedule, such reference shall be to an Article of, a Section of, or an Exhibit or Schedule to this Certificate of Designation unless otherwise indicated. Whenever the words "include," "includes" or "including" are used in this Certificate of Designation, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Certificate of Designation shall refer to this Certificate of Designation as a whole and not to any particular provision of this Certificate of Designation unless the context requires otherwise. The terms "or," "any" and "either" are not exclusive. The word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if." The word "will" shall be construed to have the same meaning and effect as the word "shall." All terms defined in this Certificate of Designation shall have the defined meanings when used in any document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Certificate of Designation are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means, unless otherwise specified, such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. Unless otherwise specifically indicated, all references to "dollars" or "$" shall refer to the lawful money of the United States. When calculating the period of time between which, within which or following which any act is to be done or step taken pursuant to this Certificate of Designation, the date that is the reference date in calculating such period shall be excluded (unless otherwise required by law or specified herein, if the last day of such period is not a Business Day, the period in question shall end on the next succeeding Business Day). For purposes of determining the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio or the Consolidated Total Net Corporate Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of such calculation at the exchange rate as of the date of determination, and will, in the case of Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period; provided that if the OpCo Borrower or any of its Restricted Subsidiaries has entered into any currency swaps in respect of any borrowings, the Dollar amount of such borrowings shall be determined by first taking into account the effects of that currency swap. If (a) any of the baskets set forth in Section 8(b) or any definition used therein are exceeded solely as a result of fluctuations to LTM Consolidated EBITDA for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose hereunder, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations, or (b) any baskets are exceeded, any representation or warranty would be untrue or inaccurate, any undertaking would be breached, or any event that would constitute a Non-Compliance Event, in each case, solely as a result of fluctuations in applicable currency exchange rates, any such basket, representation or warranty, undertaking or event shall not be deemed to be exceeded, untrue, inaccurate, breached, exceeded or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

SECTION 21. Expenses; Indemnity.

(a) For so long as the Series A Preferred Stock remains outstanding, the Company shall reimburse the Holders for each of their documented reasonable out-of-pocket costs, fees and expenses from time to time in responding to any request for approval under the Certificate (including this Certificate of Designation), enforcing their rights under the Certificate (including this Certificate of Designation), and/or amending the Certificate (including this Certificate of Designation); provided, that, the Company shall not be obligated to reimburse the expenses of more than one single counsel for all Holders taken as a whole (such counsel to be selected by the Preferred Majority Holders in their sole discretion) and to the extent reasonably necessary, regulatory counsel and a single local counsel in each relevant jurisdiction.

(b) The Company shall indemnify and hold harmless the Holders, each of their respective Affiliates and controlling persons and each of their respective directors, officers, employees, partners, agents, advisors and other representatives (each, an "Indemnified Person") from and against any and all losses, claims, damages and liabilities to which any such Indemnified Person may become subject arising out of or in connection with any claim, litigation, investigation or proceeding relating to the Certificate (including this Certificate of Designation) (a "Proceeding"), regardless of whether any Indemnified Person is a party thereto or whether such Proceeding is brought by the Company, any of its Affiliates or any third party, and to reimburse each Indemnified Person within thirty (30) days following written demand therefor (together with reasonably detailed backup documentation supporting such reimbursement request) for any reasonable and documented legal or other out-of-pocket expenses incurred in connection with investigating or defending any Proceeding; *provided*, that the foregoing indemnity will not, as to any Indemnified Person, apply to losses, claims, damages, liabilities or related expenses to the extent they arise from the willful misconduct, bad faith or gross negligence of, or material breach of the Certificate (including this Certificate of Designation) or the Purchase Agreement by, such Indemnified Person, in each case as determined by a final non-appealable judgment of a court of competent jurisdiction.

WARRANT AGREEMENT

This WARRANT AGREEMENT (this "Agreement"), dated as of June 30, 2021 by and between HERTZ GLOBAL HOLDINGS, INC., a Delaware corporation (the "Company") and COMPUTERSHARE INC., a Delaware corporation, and its wholly-owned subsidiary, COMPUTERSHARE TRUST COMPANY, N.A., a federally chartered trust company, collectively as Warrant Agent (the "Warrant Agent") (each a "Party" and collectively, the "Parties").

Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings assigned to them in the Plan (as defined below).

PRELIMINARY STATEMENTS

WHEREAS, on May 22, 2020, the Company, The Hertz Corporation and certain of their direct and indirect subsidiaries in the U.S. and Canada (collectively the "Debtors") commenced voluntary cases under chapter 11 ("Chapter 11") of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), which cases are being jointly administered before the Bankruptcy Court under the caption *In re The Hertz Corporation*, et al., Case No. 20-11218 (MFW) (the "Chapter 11 Cases");

WHEREAS, pursuant to the First Modified Third Amended Joint Chapter 11 Plan of Reorganization of the Debtors filed with the Bankruptcy Court on May 14, 2021, [D.I. 4754], (together with all exhibits, appendices, and schedules thereto, and as may be amended, modified, or supplemented from time to time, the "Plan"), the Company will issue or cause to be issued, on or as soon as reasonably practicable after the Effective Date, warrants (the "Warrants") entitling holders thereof to purchase initially an aggregate of up to 89,049,029 shares of common stock, par value $0.01 per share (the "Common Stock") of the Company, on the terms and subject to the conditions set forth in this Agreement;

WHEREAS, the Warrants are being issued pursuant to, and on the terms and subject to the conditions set forth in, the Plan in an offering in reliance on the exemption afforded by section 1145 of the Bankruptcy Code from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and of any applicable state securities or "blue sky" laws; and

WHEREAS, the Warrant Agent, at the request of the Company, has agreed to act as the agent of the Company in connection with the issuance, registration, transfer, exchange and exercise of the Warrants.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein set forth, the parties hereto agree as follows:

SECTION 1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company in accordance with the instructions hereinafter set forth in this Agreement (and no implied terms); and the Warrant Agent hereby accepts such appointment, on the terms and subject to the conditions hereinafter set forth.

SECTION 2. Issuances; Exercise Price. On the terms and subject to the conditions of this Agreement, in accordance with the terms of the Plan, on or as soon as reasonably practicable after the Effective Date, the Company will issue the Warrants in the amounts and to the recipients specified in the Plan. On such date, the Company will deliver, or cause to be delivered, to the Depository (as defined below), one or more Global Warrant Certificates (as defined below) evidencing a portion of the Warrants. The remainder of the Warrants shall be issued by book-entry registration on the books of the Warrant Agent ("Book-Entry Warrants") and shall be evidenced by statements issued by the Warrant Agent from time to time to the registered holder of Book-Entry Warrants reflecting such book-entry position (the "Warrant Statement"). Each Warrant evidenced thereby entitles the holder, upon proper exercise and payment of the applicable Exercise Price (as defined herein), to receive from the Company, as adjusted as provided herein, one fully-paid, non-assessable share of Common Stock (the "Warrant Number") at a price equal to $13.80 per share (as the same may be hereafter adjusted pursuant to Section 12, the "Exercise Price"). The shares of Common Stock or (as provided pursuant to Section 12 hereof) securities, Cash or other property deliverable upon proper exercise of the Warrants are referred to herein as the "Warrant Shares." The maximum number of shares of Common Stock issuable pursuant to the Warrants shall initially be 89,049,029, as such number is adjusted from time to time pursuant to this Agreement.

SECTION 3. Form of Warrants. Subject to Section 6 of this Agreement, the Warrants shall be issued (1) via book-entry registration on the books and records of the Warrant Agent and evidenced by Warrant Statements, in customary form and substance and/or (2) in the form of one or more global certificates (the "Global Warrant Certificates"), the forms of election to exercise and of assignment to be printed on the reverse thereof, in substantially the form set forth in Exhibit A attached hereto. The Warrant Statements and Global Warrant Certificates may bear such appropriate insertions, omissions, legends, substitutions and other variations as are required or permitted by this Agreement, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with any law or with any rules made pursuant thereto or with any rules of any securities exchange or as may, consistently herewith, be determined by (i) in the case of Global Warrant Certificates, the Appropriate Officers (as defined herein) executing such Global Warrant Certificates, as evidenced by their execution of the Global Warrant Certificates, or (ii) in the case of a Warrant Statement, any Appropriate Officer (as defined herein), and all of which shall be acceptable to the Warrant Agent.

The Global Warrant Certificates shall be deposited on or after the Effective Date or a date that is as soon as reasonably practicable after the Effective Date with, or with the Warrant Agent as custodian for, The Depository Trust Company (the "Depository") and registered in the name of Cede & Co., or such other entity designated by the Depository, as the Depository's nominee. Each Global Warrant Certificate shall represent such number of the outstanding Warrants as specified therein, and each shall provide that it shall represent the aggregate amount of outstanding Warrants from time to time endorsed thereon and that the aggregate amount of outstanding Warrants represented thereby may from time to time be reduced or increased, as appropriate, in accordance with the terms of this Agreement.

SECTION 4. Execution of Global Warrant Certificates. Global Warrant Certificates shall be signed on behalf of the Company by its Chief Executive Officer, its President, its General Counsel, a Vice President, its Secretary, an Assistant Secretary or any other authorized person appointed by the board of directors of the Company from time to time (each, an "Appropriate Officer"). Each such signature upon the Global Warrant Certificates may be in the form of a facsimile or electronic signature of any such Appropriate Officer and may be imprinted or otherwise reproduced on the Global Warrant Certificates and for that purpose the Company may adopt and use the facsimile or electronic signature of any Appropriate Officer.

If any Appropriate Officer who shall have signed any of the Global Warrant Certificates shall cease to be an Appropriate Officer before the Global Warrant Certificates so signed shall have been countersigned by the Warrant Agent or disposed of by the Company, such Global Warrant Certificates nevertheless may be countersigned and delivered or disposed of as though such Appropriate Officer had not ceased to be an Appropriate Officer of the Company, and any Global Warrant Certificate may be signed on behalf of the Company by any Person who, at the actual date of the execution of such Global Warrant Certificate, shall be an Appropriate Officer, although at the date of the execution of this Agreement such Person was not an Appropriate Officer.

Global Warrant Certificates shall be dated the date of countersignature by the Warrant Agent and shall represent one or more whole Warrants.

SECTION 5. Registration and Countersignature. Upon written order of the Company, the Warrant Agent shall (i) register in the Warrant Register (as defined below) the Book-Entry Warrants as well as any Global Warrant Certificates and exchanges and transfers of outstanding Warrants in accordance with the procedures set forth in this Agreement and (ii) upon receipt of the Global Warrant Certificates duly executed on behalf of the Company, countersign by either manual or facsimile signature one or more Global Warrant Certificates evidencing Warrants and shall deliver such Global Warrant Certificates to or upon the written order of the Company. Such written order of the Company shall specifically state the number of Warrants that are to be issued as Book-Entry Warrants and the number of Warrants that are to be issued as a Global Warrant Certificate. A Global Warrant Certificate shall be, and shall remain, subject to the provisions of this Agreement until such time as all of the Warrants evidenced thereby shall have been duly exercised or shall have expired or been canceled in accordance with the terms hereof. Each Person in whose name any Warrant is registered (each such registered holder, a "Warrantholder") shall be bound by all of the terms and provisions of this Agreement (a copy of which is available on request to the Secretary of the Company) as fully and effectively as if such Warrantholder had signed the same.

No Global Warrant Certificate shall be valid for any purpose, and no Warrant evidenced thereby shall be exercisable, until such Global Warrant Certificate has been countersigned by the manual or facsimile signature of the Warrant Agent. Such signature by the Warrant Agent upon any Global Warrant Certificate executed by the Company shall be conclusive evidence that such Global Warrant Certificate so countersigned has been duly issued hereunder.

The Warrant Agent shall keep, at an office designated for such purpose, books (the "Warrant Register") in which, subject to such reasonable regulations as it may prescribe, it shall register the Book-Entry Warrants as well as any Global Warrant Certificates and exchanges and transfers of outstanding Warrants in accordance with the procedures set forth in Section 6 of this Agreement, all in form satisfactory to the Company and the Warrant Agent. No service charge shall be made for any exchange or registration of transfer of the Warrants, but the Company may require payment of a sum sufficient to cover any stamp or other tax or other governmental charge that may be imposed on the Warrantholder in connection with any such exchange or registration of transfer. The Warrant Agent shall have no obligation to effect an exchange or register a transfer unless and until any payments required by the immediately preceding sentence have been made.

Prior to due presentment for registration of transfer or exchange of any Warrant in accordance with the procedures set forth in this Agreement, the Warrant Agent and the Company may deem and treat the Warrantholder as the absolute owner of such Warrant (notwithstanding any notation of ownership or other writing made in a Global Warrant Certificate by anyone), for the purpose of any exercise thereof, any distribution to the Warrantholder thereof and for all other purposes, and neither the Warrant Agent nor the Company shall be affected by notice to the contrary.

SECTION 6. Registration of Transfers and Exchanges.

(a) *Transfer and Exchange of Global Warrant Certificates or Beneficial Interests Therein*. The transfer and exchange of Global Warrant Certificates or beneficial interests therein shall be effected through the Depository, in accordance with this Agreement and the procedures of the Depository therefor.

(b) *Exchange of a Beneficial Interest in a Global Warrant Certificate for a Book-Entry Warrant*.

(i) Any Warrantholder of a beneficial interest in a Global Warrant Certificate may, upon request, exchange such beneficial interest for a Book-Entry Warrant. Upon receipt by the Warrant Agent from the Depository or its nominee of written instructions or such other form of instructions as is customary for the Depository on behalf of any Person having a beneficial interest in a Global Warrant Certificate, the Warrant Agent shall cause, in accordance with the standing instructions and procedures existing between the Depository and Warrant Agent, the number of Warrants represented by the Global Warrant Certificate to be reduced by the number of Warrants to be represented by the Book-Entry Warrants to be issued in exchange for the beneficial interest of such Person in the Global Warrant Certificate and, following such reduction, the Warrant Agent shall register in the name of the Warrantholder a Book-Entry Warrant and deliver to said Warrantholder a Warrant Statement.

(ii) Book-Entry Warrants issued in exchange for a beneficial interest in a Global Warrant Certificate pursuant to this Section 6(b) shall be registered in such names as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Warrant Agent. The Warrant Agent shall deliver such Warrant Statements to the Persons in whose names such Warrants are so registered.

(c) *Transfer and Exchange of Book-Entry Warrants*. Book-Entry Warrants surrendered for exchange or for registration of transfer pursuant to clause (i) of this Section 6(c) or Section 6(i)(v), shall be cancelled by the Warrant Agent. Such cancelled Book-Entry Warrants shall then be disposed of by or at the direction of the Company in accordance with applicable law. When Book-Entry Warrants are presented to or deposited with the Warrant Agent with a written request:

(i) to register the transfer of the Book-Entry Warrants; or

(ii) to exchange such Book-Entry Warrants for an equal number of Book-Entry Warrants of other authorized denominations;

then in each case the Warrant Agent shall register the transfer or make the exchange as requested if its requirements for such transactions are met; provided, however, that the Warrant Agent has received a written instruction of transfer in a form satisfactory to the Warrant Agent, duly executed by the Warrantholder thereof or by his attorney, duly authorized in writing.

(d) *Restrictions on Exchange or Transfer of a Book-Entry Warrant for a Beneficial Interest in a Global Warrant Certificate*. A Book-Entry Warrant may not be exchanged for a beneficial interest in a Global Warrant Certificate except upon satisfaction of the requirements set forth below. Upon receipt by the Warrant Agent of appropriate instruments of transfer with respect to a Book-Entry Warrant, in a form satisfactory to the Warrant Agent, together with written instructions directing the Warrant Agent to make, or to direct the Depository to make, an endorsement on the Global Warrant Certificate to reflect an increase in the number of Warrants represented by the Global Warrant Certificate equal to the number of Warrants represented by such Book-Entry Warrant (such instruments of transfer and instructions to be duly executed by the holder thereof or the duly appointed legal representative thereof or by his attorney, duly authorized in writing, such signatures to be guaranteed by an eligible guarantor institution to the extent required by the Warrant Agent or the Depository), then the Warrant Agent shall cancel such Book-Entry Warrant on the Warrant Register and cause, or direct the Depository to cause, in accordance with the standing instructions and procedures existing between the Depository and the Warrant Agent, the number of Warrants represented by the Global Warrant Certificate to be increased accordingly. If no Global Warrant Certificates are then outstanding, the Company shall issue and the Warrant Agent shall countersign a new Global Warrant Certificate representing the appropriate number of Warrants.

(e) *Restrictions on Exchange or Transfer of Global Warrant Certificates*. Notwithstanding any other provisions of this Agreement (other than the provisions set forth in Section 6(f)), unless and until it is exchanged in whole for a Book-Entry Warrant, a Global Warrant Certificate may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(f) *Book-Entry Warrants*. If at any time:

(i) the Depository for the Global Warrant Certificates notifies the Company that the Depository is unwilling or unable to continue as Depository for the Global Warrant Certificates and a successor Depository for the Global Warrant Certificates is not appointed by the Company within ninety (90) days after delivery of such notice; or

(ii) the Company, in its sole discretion, notifies the Warrant Agent in writing that all Warrants shall be exclusively in the form of Book-Entry Warrants;

then the Warrant Agent, upon written instructions signed by an Appropriate Officer of the Company and all other necessary information, shall register Book-Entry Warrants, in an aggregate number equal to the number of Warrants represented by the Global Warrant Certificates, in exchange for such Global Warrant Certificates, in such names and in such amounts as directed by the Depository or, in the absence of instructions from the Depository, the Company.

(g) *Restrictions on Transfers of Warrants.*

No Warrants shall be sold, exchanged or otherwise transferred in violation of the Securities Act or applicable state securities laws. Each Warrantholder, by its acceptance of any Warrant under this Agreement, acknowledges and agrees that the Warrants (including any Warrant Shares issued upon exercise thereof) were issued pursuant to an exemption from the registration requirement of Section 5 of the Securities Act provided by Section 1145 of the Bankruptcy Code, and to the extent that a Warrantholder is an "underwriter" as defined in Section 1145(b)(1) of the Bankruptcy Code, such Warrantholder may not be able to sell or transfer any Warrant Shares in the absence of an effective registration statement under the Securities Act or an exemption from registration thereunder.

(h) *Cancellation of Global Warrant Certificate*. At such time as all beneficial interests in Global Warrant Certificates have either been exchanged for Book-Entry Warrants, redeemed, repurchased or cancelled, all Global Warrant Certificates shall be returned to, or retained and cancelled by, the Warrant Agent, upon written instructions from the Company satisfactory to the Warrant Agent.

(i) *Obligations with Respect to Transfers and Exchanges of Warrants*.

(i) To permit registrations of transfers and exchanges, the Company shall execute Global Warrant Certificates, if applicable, and the Warrant Agent is hereby authorized, in accordance with the provisions of Section 5 and this Section 6, to countersign such Global Warrant Certificates, if applicable, or register Book-Entry Warrants, if applicable, as required pursuant to the provisions of this Section 6 and for the purpose of any distribution of new Global Warrant Certificates contemplated by Section 9 or additional Global Warrant Certificates contemplated by Section 12.

(ii) All Book-Entry Warrants and Global Warrant Certificates issued upon any registration of transfer or exchange of Book-Entry Warrants or Global Warrant Certificates shall be the valid obligations of the Company, entitled to the same benefits under this Agreement as the Book-Entry Warrants or Global Warrant Certificates surrendered upon such registration of transfer or exchange.

(iii) No service charge shall be made to a Warrantholder for any registration, transfer or exchange but the Company may require payment of a sum sufficient to cover any stamp or other tax or other governmental charge that may be imposed on the Warrantholder in connection with any such exchange or registration of transfer. Neither the Company nor the Warrant Agent shall be required to pay any tax or taxes which may be payable in respect of any transfer involved in the issuance of Warrants or any certificates for Warrant Shares in a name other than that of the Warrantholder of the surrendered Warrants, and the Company shall not be required to issue or deliver such Warrants or the certificates representing the Warrant Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid. The Warrant Agent shall have no duty to deliver such Warrants or the certificates representing such Warrant Shares unless and until it is satisfied that all such taxes and charges have been paid.

(iv) So long as the Depository, or its nominee, is the registered owner of a Global Warrant Certificate, the Depository or such nominee, as the case may be, will be considered the sole owner or Warrantholder of the Warrants represented by such Global Warrant Certificate for all purposes under this Agreement. Except as provided in Sections 6(b) and (f) upon the exchange of a beneficial interest in a Global Warrant Certificate for Book-Entry Warrants, owners of beneficial interests in a Global Warrant Certificate will not be entitled to have any Warrants registered in their names, and will under no circumstances be entitled to receive physical delivery of any such Warrants and will not be considered the owners or Warrantholders thereof under the Warrants or this Agreement. Neither the Company nor the Warrant Agent, in its capacity as registrar for such Warrants, will have any responsibility or liability for any aspect of the records relating to beneficial interests in a Global Warrant Certificate or for maintaining, supervising or reviewing any records relating to such beneficial interests. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Warrant Agent or any agent of the Company or the Warrant Agent from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair the operations of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in a Global Warrant Certificate.

(v) Subject to Sections 6(b), (c) and (d), and this Section 6(i), the Warrant Agent shall, upon receipt of all information required to be delivered hereunder and any evidence of authority that may be reasonably required by the Warrant Agent, from time to time register the transfer of any outstanding Warrants in the Warrant Register, upon surrender of Global Warrant Certificates, if applicable, representing such Warrants at the Warrant Agent Office (as defined below), duly endorsed, and accompanied by a completed form of assignment substantially in the form of Exhibit C hereto (or with respect to a Book-Entry Warrant, only such completed form of assignment substantially in the form of Exhibit C hereto), duly signed by the Warrantholder thereof or by the duly appointed legal representative thereof or by a duly authorized attorney, such signature to be guaranteed by a participant in the Securities Transfer Agent Medallion Program, the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program. Upon any such registration of transfer, a new Global Warrant Certificate or a Warrant Statement, as the case may be, shall be issued to the transferee.

SECTION 7. Duration and Exercise of Warrants.

(a) Subject to the terms of this Agreement, each Warrant shall be exercisable, in whole or in part, at any time and from time to time beginning after the Effective Date and ending at 5:00 p.m., New York City time, on June 30, 2051 or, if such date is not a Business Day, the next subsequent Business Day (such date, the "Expiration Date"). The Company shall promptly provide the Warrant Agent written notice of the Expiration Date. After 5:00 p.m. New York City time on the Expiration Date, the Warrants will become void and of no value, and may not be exercised.

(b) Subject to the provisions of this Agreement, the Warrantholder may exercise the warrants as follows:

(i) registered holders of Book-Entry Warrants must provide written notice of such election ("Warrant Exercise Notice") to exercise the Warrant to the Company and the Warrant Agent at the addresses set forth in Section 20 no later than 5:00 p.m., New York City time, on the Expiration Date, which Warrant Exercise Notice shall be substantially in the form set forth in Exhibit B-1 hereto, properly completed and executed by the registered holder of the Book-Entry Warrant and paying (x) the applicable Exercise Price multiplied by the number of Warrant Shares in respect of which any Warrants are being exercised on the date the notice is provide to the Warrant Agent or (y) in the case of a Cashless Exercise, paying the required consideration in the manner set forth in Section 7(d), in each case, together with any applicable taxes and governmental charges;

(ii) or, with respect to Warrants held through the book-entry facilities of the Depository, (x) a Warrant Exercise Notice to exercise the Warrant must be sent to the Company and the Warrant Agent at the addresses set forth in Section 20 no later than 5:00 p.m., New York City time, on the Expiration Date, which Warrant Exercise Notice shall be substantially in the form set forth in Exhibit B-2 hereto, properly completed and executed by the Warrantholder; provided that such written notice may only be submitted with respect to Warrants held through the book-entry facilities of the Depository, by or through Persons that are direct participants in the Depository; (y) such Warrants shall be delivered no later than 5:00 p.m., New York City time, on the Settlement Date, to the Warrant Agent by book-entry transfer through the facilities of the Depository, if such Warrants are represented by a Global Warrant Certificate; and (z) a payment must be made, of (A) the applicable Exercise Price multiplied by the number of Warrant Shares in respect of which any Warrants are being exercised or (B) in the case of a Cashless Exercise (as defined below), the required consideration in the manner set forth in Section 7(d), in each case, together with any applicable taxes and governmental charges. The date that is three (3) Business Days after a Warrant Exercise Notice is delivered is referred to for all purposes under this Agreement as the "Settlement Date."

To the extent a Warrant Exercise Notice (as defined below) is delivered in respect of a Warrant no later than 5:00 p.m., New York City time, on the Expiration Date, but the deliveries and payments specified in clause (ii) and (iii) above are effected thereafter but no later than 5:00 p.m., New York City time, on the Business Day immediately preceding the Settlement Date, the Warrants shall nonetheless be deemed exercised prior to the Expiration Date for the purposes of this Agreement.

(c) The aggregate Exercise Price shall be payable in lawful money of the United States of America either by certified or official bank or bank cashier's check payable to the order of the Company.

(d) In lieu of paying the aggregate Exercise Price as set forth in Section 7(c), provided the Common Stock is listed or admitted for trading on a national securities exchange or an over-the-counter market or comparable system, subject to the provisions of this Agreement, each Warrant shall entitle the Warrantholder, at the election of such Warrantholder, to exercise the Warrant by authorizing the Company to withhold from issuance a number of Warrant Shares issuable upon exercise of all Warrants being exercised by such Warrantholder at such time which, when multiplied by the Current Market Price of the Warrant Shares, is equal to the aggregate Exercise Price, and such withheld Warrant Shares shall no longer be issuable under such Warrants (a "Cashless Exercise"). The formula for determining the number of Warrant Shares to be issued in a Cashless Exercise is as follows:

$$X = \frac{(A-B)}{A} \times C$$

where:

X = the number of Warrant Shares issuable upon exercise pursuant to this subsection (d).

A = the Current Market Price of a Warrant Share on the Business Day immediately preceding the date on which the Warrantholder delivers the Warrant Exercise Notice pursuant to subsection (e) below.

B = the Exercise Price.

C = the number of Warrant Shares as to which a Warrant is then being exercised including the withheld Warrant Shares.

If the foregoing calculation results in a negative number, then no Warrant Shares shall be issuable via a Cashless Exercise. The number of Warrant Shares to be issued on such exercise will be determined by the Company (with written notice thereof to the Warrant Agent) using the formula set forth in this Section 7(d). The Warrant Agent shall have no duty or obligation to investigate or confirm whether the Company's determination of the number of Warrant Shares to be issued on such exercise, pursuant to this Section 7(d), is accurate or correct.

Notwithstanding the foregoing, no Cashless Exercise shall be permitted if, as the result of any adjustment made pursuant to Section 12, at the time of such Cashless Exercise, Warrant Shares include a Cash component and the Company would be required to pay Cash to a Warrantholder upon an exercise of Warrants.

(e) Any exercise of a Warrant pursuant to the terms of this Agreement shall be irrevocable and shall constitute a binding agreement between the Warrantholder and the Company, enforceable in accordance with its terms.

(f) The Warrant Agent shall:

(i) examine all Warrant Exercise Notices and all other documents delivered to it by or on behalf of the Warrantholders as contemplated hereunder to ascertain whether or not, on their face, such Warrant Exercise Notices and any such other documents have been executed and completed in accordance with their terms and the terms hereof;

(ii) where a Warrant Exercise Notice or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrants exists, the Warrant Agent shall endeavor to inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(iii) inform the Company of and cooperate with and assist the Company in resolving any discrepancies between Warrant Exercise Notices received and delivery of Warrants to the Warrant Agent's account;

(iv) advise the Company no later than three (3) Business Days after receipt of a Warrant Exercise Notice, of (i) the receipt of such Warrant Exercise Notice and the number of Warrants exercised in accordance with the terms and conditions of this Agreement, (ii) the instructions with respect to delivery of the shares of Common Stock of the Company deliverable upon such exercise, subject to timely receipt from the Depository of the necessary information, and (iii) such other information as the Company shall reasonably require; and

(v) subject to Common Stock being made available to the Warrant Agent by or on behalf of the Company for delivery to the Depository, liaise with the Depository and endeavor to effect such delivery to the relevant accounts at the Depository in accordance with its requirements.

(g) All questions as to the validity, form and sufficiency (including time of receipt) of a Warrant Exercise Notice will be determined by the Company in its sole discretion, which determination shall be final and binding. The Warrant Agent shall incur no liability for or in respect of such determination by the Company. The Company reserves the right to reject any and all Warrant Exercise Notices not in proper form or for which any corresponding agreement by the Company to exchange would, in the opinion of the Company, be unlawful. Such determination by the Company shall be final and binding on the Warrantholders, absent manifest error. Moreover, the Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Warrant Exercise Notices with regard to any particular exercise of Warrants. Neither the Company nor the Warrant Agent shall be under any duty to give notice to the Warrantholders of the Warrants of any irregularities in any exercise of Warrants, nor shall it incur any liability for the failure to give such notice.

(h) As soon as practicable after the exercise of any Warrant as set forth in subsection (e), the Company shall issue, or otherwise deliver, or cause to be issued or delivered, in authorized denominations to or upon the order of the Warrantholder of the Warrants, either:

(i) if such Warrantholder holds the Warrants being exercised through the Depository's book-entry transfer facilities, by same-day or next-day credit to the Depository for the account of such Warrantholder or for the account of a participant in the Depository the number of Warrant Shares to which such Warrantholder is entitled, in each case registered in such name and delivered to such account as directed in the Warrant Exercise Notice by such Warrantholder or by the direct participant in the Depository through which such Warrantholder is acting, or

(ii) if such Warrantholder holds the Warrants being exercised in the form of Book-Entry Warrants, a book-entry interest in the Warrant Shares registered on the books of the Company's transfer agent or, at the Company's option, by delivery to the address designated by such Warrantholder in its Warrant Exercise Notice of a physical certificate representing the number of Warrant Shares to which such Warrantholder is entitled, in fully registered form, registered in such name or names as may be directed by such Warrantholder. Such Warrant Shares shall be deemed to have been issued and any Person so designated to be named therein shall be deemed to have become a Warrantholder as of the Close of Business on the date of the delivery thereof.

If less than all of the Warrants evidenced by a Global Warrant Certificate surrendered upon the exercise of Warrants are exercised at any time prior to the date of expiration for the Warrants, a new Global Warrant Certificate or Certificates shall be issued for the remaining number of Warrants evidenced by the Global Warrant Certificate so surrendered, and the Warrant Agent is hereby authorized to countersign the required new Global Warrant Certificate or Certificates pursuant to the provisions of Section 5 and this Section 6. The Person in whose name any certificate or certificates for the Warrant Shares are to be issued (or such Warrant Shares are to be registered, in the case of a book-entry transfer) upon exercise of a Warrant shall be deemed to have become the Warrantholder of such Warrant Shares on the date such Warrant Exercise Notice is delivered.

SECTION 8. Cancellation of Warrants. Upon the Expiration Date (if not already properly exercised), or if the Company shall purchase or otherwise acquire Warrants, the Global Warrant Certificates and the Book-Entry Warrants representing such Warrants shall thereupon be delivered to the Warrant Agent, if applicable, and be cancelled by it and retired. The Warrant Agent shall cancel all Global Warrant Certificates surrendered for exchange, substitution, transfer or exercise in whole or in part. Such cancelled Global Warrant Certificates shall thereafter be disposed of in a manner satisfactory to the Company provided in writing to the Warrant Agent. The Warrant Agent shall (x) advise an authorized representative of the Company as directed by the Company by the end of each day or on the next Business Day following each day on which Warrants were exercised, of (i) the number of shares of Common Stock issued upon exercise of a Warrant, (ii) the delivery of Global Warrant Certificates evidencing the balance, if any, of the shares of Common Stock issuable after such exercise of the Warrant and (iii) such other information as the Company shall reasonably require and (y) forward funds received for warrant exercises in a given month by the fifth (5^{th}) Business Day of the following month by wire transfer to an account designated by the Company. The Warrant Agent promptly shall confirm such information to the Company in writing. The Warrant Agent shall keep copies of this Agreement and any notices given or received hereunder.

SECTION 9. Mutilated or Missing Global Warrant Certificates. If any of the Global Warrant Certificates shall be mutilated, lost, stolen or destroyed, the Company shall issue, and the Warrant Agent shall countersign by either manual, electronic or facsimile signature and deliver, in exchange and substitution for and upon cancellation of the mutilated Global Warrant Certificate, or in lieu of and substitution for the Global Warrant Certificate lost, stolen or destroyed, a new Global Warrant Certificate of like tenor and representing an equivalent number of Warrants, but only upon receipt of (i) evidence reasonably satisfactory to the Company and the Warrant Agent of the loss, theft or destruction of such Global Warrant Certificate; (ii) an open penalty surety bond and holding it and Company harmless , if requested by either the Company or the Warrant Agent, also satisfactory to them; and (iii) absent notice to the Warrant Agent that such certificates have been acquired by a bona fide purchaser. Applicants for such substitute Global Warrant Certificates shall also comply with such other reasonable regulations and pay such other reasonable charges as the Company or the Warrant Agent may prescribe and as required by Section 8-405 of the Uniform Commercial Code as in effect in the State Delaware.

SECTION 10. Reservation of Warrant Shares. For the purpose of enabling it to satisfy any obligation to issue Warrant Shares upon exercise of Warrants, the Company will, at all times through the Expiration Date, reserve and keep available, free from preemptive rights and out of its aggregate authorized but unissued or treasury shares of Common Stock, shares of Common Stock equal to the number of Warrant Shares deliverable upon the exercise of all outstanding Warrants, and the transfer agent for the Company's Common Stock (such agent, in such capacity, as may from time to time be appointed by the Company, the "Transfer Agent") is hereby irrevocably authorized and directed at all times to reserve such number of authorized and unissued or treasury shares of Common Stock as shall be required for such purpose. The Company covenants that all shares of Common Stock that shall be so issuable shall be duly and validly issued, fully paid and non-assessable. The Company will keep a copy of this Agreement on file with such Transfer Agent and with every transfer agent for any Warrant Shares issuable upon the exercise of Warrants pursuant to Section 7. The Warrant Agent is hereby irrevocably authorized to requisition from time to time from such Transfer Agent stock certificates issuable upon exercise of outstanding Warrants, and the Company will supply such Transfer Agent with duly executed stock certificates for such purpose.

The Company covenants that all Warrant Shares issued upon exercise of the Warrants will, upon issuance in accordance with the terms of this Agreement, be fully paid and nonassessable and free from all taxes, liens, charges and security interests created by or imposed upon the Company with respect to the issuance and holding thereof.

SECTION 11. Stock Exchange Listings. So long as any Warrants remain outstanding and the Common Stock is listed on a national securities exchange or over-the-counter market, the Company will use reasonable best efforts to list the Warrants on the same securities exchange or over-the-counter market as the Common Stock, or if the Warrants cannot be listed on such securities exchange or over-the-counter market, any other securities exchange or over-the-counter market acceptable to the Company's Board of Directors (including OTCQX).

SECTION 12. Adjustments and Other Rights. The applicable Exercise Price, the number of Warrant Shares issuable upon the exercise of each Warrant and the number of Warrants outstanding are subject to adjustment from time to time upon the occurrence of the events enumerated in this Section 12.

(a) The issuance of Common Stock as a dividend or distribution to all holders of Common Stock, or a subdivision or combination of Common Stock, in which event the Exercise Price shall be adjusted based on the following formula:

$$EP_1 = EP_0 \, x \, \frac{OS_0}{OS_1}$$

where:

EP_0 = the Exercise Price in effect immediately prior to the Close of Business on the Record Date for such dividend or distribution, or immediately prior to the Open of Business on the effective date for such subdivision or combination, as the case may be;

EP_1 = the Exercise Price in effect immediately after the Close of Business on the Record Date for such dividend or distribution, or immediately after the Open of Business on the effective date for such subdivision or combination, as the case may be;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the Close of Business on the Record Date for such dividend, distribution, subdivision or combination, or immediately prior to the Open of Business on the effective date for such subdivision or combination, as the case may be; and

OS_1 = the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, such dividend, distribution, subdivision or combination.

Such adjustment shall become effective immediately after the Close of Business on the Record Date for such dividend or distribution, or immediately after the Open of Business on the effective date for such subdivision or combination, as the case may be. If any dividend or distribution or subdivision or combination of the type described in this Section 12(a) is declared or announced but not so paid or made, the Exercise Price shall again be adjusted to be the Exercise Price that would then be in effect if the distribution or subdivision or combination had not been declared or announced, as the case may be.

(b) The issuance to all holders of Common Stock of rights or warrants entitling them for a period expiring 60 days or less from the date of issuance of such rights or warrants to purchase shares of Common Stock (or securities convertible into Common Stock) at less than (or having a conversion price per share less than) the Current Market Price of Common Stock, in which event the Exercise Price will be adjusted based on the following formula:

$$EP_1 = EP_0 \, x \quad \frac{OS_0 + Y}{OS_0 + X}$$

where:

EP_0	=	the Exercise Price in effect immediately prior to the Close of Business on the Record Date for such issuance;
EP_1	=	the Exercise Price in effect immediately after the Close of Business on the Record Date for such issuance;
OS_0	=	the number of shares of Common Stock outstanding immediately prior to the Close of Business on the Record Date for such issuance;
X	=	the total number of shares of Common Stock issuable pursuant to such rights, warrants or convertible securities; and
Y	=	the aggregate price payable to exercise such rights, warrants or convertible securities *divided by* the Current Market Price.

Such adjustment shall become effective immediately after the Close of Business on the Record Date for such issuance. In the event that the issuance of such rights, warrants or convertible securities is announced but such rights, warrants or convertible securities are not so issued, the Exercise Price shall again be adjusted to be the Exercise Price that would then be in effect if the Record Date for such issuance had not occurred. To the extent that such rights or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, warrants or convertible securities, upon the expiration, termination or maturity of such rights, warrants or convertible securities, the Exercise Price shall be readjusted to the Exercise Price that would then be in effect had the adjustments made upon the issuance of such rights, warrants or convertible securities been made on the basis of the delivery of only the number of shares of Common Stock actually delivered. In determining the aggregate price payable for such shares of Common Stock, there shall be taken into account any consideration received for such rights or warrants, as well as any consideration received in connection with the conversion of any convertible securities issued upon exercise of such rights or warrants, and the value of such consideration, if other than Cash, shall be determined in good faith by the Board of Directors.

(c) The dividend or distribution to all holders of Common Stock of (i) shares of the Company's Capital Stock (other than Common Stock), (ii) evidences of the Company's indebtedness, (iii) rights or warrants to purchase the Company's securities (other than Common Stock) or the Company's assets or (iv) property or Cash, in which event the Exercise Price will be adjusted based on the following formula:

$$EP_1 = EP_0 \, x \quad \frac{SP_0 - FMV}{SP_0}$$

where:

EP_0 = the Exercise Price in effect immediately prior to the Close of Business on the Record Date for such dividend or distribution;

EP_1 = the Exercise Price in effect immediately after the Close of Business on the Record Date for such dividend or distribution;

SP_0 = the Current Market Price; and

FMV = the Market Price, on the Record Date for such dividend or distribution, of the shares of Capital Stock, evidences of indebtedness or property, rights or warrants so distributed or the amount of Cash expressed as an amount per share of outstanding Common Stock.

However, if the transaction that gives rise to an adjustment pursuant to this clause (c) is one pursuant to which the payment of a dividend or other distribution on Common Stock consists of shares of capital stock of, or similar equity interests in, a Subsidiary of the Company or other business unit of the Company (i.e., a spin-off) that are, or, when issued, will be, traded or quoted on any national or regional securities exchange or market, then the Exercise Price will instead be adjusted based on the following formula:

$$EP_1 = EP_0 \, x \quad \frac{MP_0}{MP_0 + FMV_0}$$

where:

EP_0 = the Exercise Price in effect immediately prior to the Close of Business on the Record Date for such dividend or distribution;

EP_1 = the Exercise Price in effect immediately after the Close of Business on the Record Date for such dividend or distribution;

FMV_0 = the average of the Closing Sale Prices of the Capital Stock or similar equity interests distributed to holders of Common Stock applicable to one share of Common Stock over the 10 consecutive Trading Days commencing on, and including, the third Trading Day after the Ex-Date for such dividend or distribution; and

MP_0 = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Days commencing on, and including, the third Trading Day after the Ex-Date for such dividend or distribution.

Such decrease shall become effective immediately after the Ex-Date for such dividend or distribution. In the event that such dividend or distribution is declared or announced but not so paid or made, the Exercise Price shall again be adjusted to be the Exercise Price which would then be in effect if such distribution had not been declared or announced.

(d) For the purposes of Section 12(a), (b) and (c), any dividend or distribution to which Section 12(c) is applicable that also includes shares of Common Stock, or rights or warrants to subscribe for or purchase shares of Common Stock (or both) to which Section 12(a) and/or (b) is applicable, shall be deemed instead to be (i) a dividend or distribution of the indebtedness, assets or shares or other property to which Section 12(c) applies (and any Exercise Price adjustment required by Section 12(c) with respect to such dividend or distribution shall be made in respect of such dividend or distribution) immediately followed (ii) by a dividend or distribution of the shares of Common Stock or such rights or warrants to which Section 12(a) and/or (b), as applicable, applies (and any further Exercise Price adjustment required by Section 12(a) and/or (b) with respect to such dividend or distribution shall then be made), except, for purposes of such adjustment, any shares of Common Stock included in such dividend or distribution shall not be deemed "outstanding immediately prior to the Close of Business on the Record Date."

(e) If the Company or any of its Subsidiaries makes a payment in respect of a tender or exchange offer for the Common Stock (other than an odd-lot tender offer), to the extent that the Cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Exercise Price shall be reduced based on the following formula

$$EP_1 = EP_0 \times \frac{OS_0 \times SP_1}{AC + (SP_1 \times OS_1)}$$

where,

EP_0 = the Exercise Price in effect immediately prior to the Close of Business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

EP_1 = the Exercise Price in effect immediately after the Close of Business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all Cash and any other consideration (as determined by the Board of Directors in good faith) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS_1 = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SP_1 = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

(f) If the Company issues (other than in a transaction covered by Section 12(a)) any shares of Common Stock, or options or warrants to purchase or rights to subscribe for Common Stock, or securities by their terms convertible into or exchangeable for such Common Stock, or options or warrants to purchase or rights to subscribe for such convertible or exchangeable securities (all of the foregoing, "Convertible Securities") at a price per share less than Current Market Price immediately prior to the issuance of such security, other than securities issued pursuant to the Management Incentive Plan, then the Exercise Price in effect immediately prior to each such issuance shall be reduced, effective as of the date of such issuance, to a price equal to the product obtained by multiplying the Exercise Price in effect immediately prior to such issuance by the quotient obtained by dividing:

(A) an amount equal to the sum of (x) the total number of shares of Common Stock on a fully diluted basis immediately prior to such issuance, multiplied by the Current Market Price of one share of Common Stock immediately prior to such issuance of such shares of Common Stock or Convertible Securities, and (y) the consideration received by the Company upon such issuance of such shares of Common Stock or Convertible Securities; by

(B) the total number of shares of Common Stock on a fully diluted basis immediately after such issuance of such Common Stock or Convertible Securities multiplied by the Current Market Price of one share of Common Stock immediately prior to such issuance of such shares of Common Stock or Convertible Securities.

(g) *Recapitalizations, Reclassifications and Other Changes*.

(i) If any of the following events occur:

(A) any recapitalization;

(B) any reclassification or change of the outstanding shares of Common Stock (other than changes resulting from a subdivision or combination to which Section 12(a) applies);

(C) any consolidation, merger or combination involving the Company;

(D) any sale or conveyance to a third party of all or substantially all of the Company's assets; or

(E) any statutory share exchange,

(each such event a "Reorganization Event"), in each case as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including Cash or any combination thereof) (the "Reference Property"), then following the effective time of the transaction, the right to receive shares of Common Stock upon exercise of a Warrant shall be changed to a right to receive, upon exercise of such Warrant, the kind and amount of shares of stock, other securities or other property or assets (including Cash or any combination thereof) that a holder of one share of Common Stock would have owned or been entitled to receive in connection with such Reorganization Event (such kind and amount of Reference Property per share of Common Stock, a "Unit of Reference Property"); provided in the event of a Change of Control Event, the Warrants shall be treated solely in accordance with Section 12(g)(v). In the event holders of Common Stock have the opportunity to elect the form of consideration to be received in a Reorganization Event, other than with respect to a Change of Control Event, the type and amount of consideration into which the Warrants shall be exercisable from and after the effective time of such Reorganization Event shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock in such Reorganization Event.

(ii) At any time from, and including, the effective time of a Reorganization Event:

(A) if Cashless Exercise does not apply or is not elected upon exercise of a Warrant, each share of Common Stock per Warrant shall be equal to a single Unit of Reference Property;

(B) if Cashless Exercise applies upon exercise of a Warrant, the number of Warrant Shares issuable upon a Cashless Exercise per Warrant shall be a number of Units of Reference Property calculated as set forth in Section 7(d), except that the Market Price used to determine the number of Units of Reference Property issuable upon a Cashless Exercise on any Trading Day shall be the Unit Value for such Trading Day; and

(C) the Closing Sale Price and the Current Market Price shall be calculated with respect to a Unit of Reference Property.

(iii) The value of a Unit of Reference Property (the "Unit Value") shall be determined as follows:

(A) any shares of common stock of the successor or purchasing corporation or any other corporation that are traded on a national or regional stock exchange included in such Unit of Reference Property shall be valued as if such shares were "Common Stock" using procedures set forth in the definition of "Closing Sale Price";

(B) any other property (other than Cash) included in such Unit of Reference Property shall be valued in good faith by the Board of Directors (in a manner not materially inconsistent with the manner the Board of Directors valued such property for purposes of the Reorganization Event, if applicable) or by a firm selected by the Board of Directors; and

(C) any Cash included in such Unit of Reference Property shall be valued at the amount thereof.

(iv) On or prior to the effective time of any Reorganization Event, the Company or the successor or purchasing Person, as the case may be, shall execute an amendment to this Warrant Agreement providing that the Warrants shall be exercisable for Units of Reference Property in accordance with the terms of this Section 12(g). If the Reference Property in connection with any Reorganization Event includes shares of stock or other securities and assets of a Person other than the successor or purchasing Person, as the case may be, in such Reorganization Event, then the Company shall cause such amendment to this Warrant Agreement to be executed by such other Person and such amendment shall contain such additional provisions to protect the interests of the Warrantholders as the Board of Directors shall reasonably consider necessary by reason of the foregoing. Any such amendment to this Warrant Agreement shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 12. In the event the Company shall execute an amendment to this Warrant Agreement pursuant to this Section 12(g), the Company shall promptly file with the Warrant Agent a certificate executed by a duly authorized officer of the Company briefly stating the reasons therefor, the kind or amount of Cash, securities or property or asset that will comprise a Unit of Reference Property after the relevant Reorganization Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with. The Company shall cause notice of the execution of amendment to be mailed to each Warrantholder, at its address appearing on the Warrant Register, within 20 Business Days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such amendment.

(v) Change of Control Event:

(A) No less than 15 Business Days prior to the scheduled closing of a Change of Control Event (or, to the extent such Change of Control Event does not permit 15 Business Days' notice, the earliest date that is reasonably practicable under the circumstances), the Company shall:

(1) deliver to the Warrant Agent a notice of redemption, which shall be binding on the Company and on all Warrantholders (unless such a Change of Control Event does not actually occur), stating that all Warrants (other than Carryover Warrants, if any, to be issued in connection with such Change of Control Event in accordance with this Section 12(g)(v)) that have not been exercised prior to the Cut-Off Time shall be redeemed on the Change of Control Payment Date at a price equal to the Change of Control Payment Amount (the "Redemption");

(2) cause a notice of the Redemption to be sent at least once to the Dow Jones News Service or similar business news service in the United States; and

(3) cause the Warrant Agent to send by first-class mail, postage prepaid to each Warrantholder, at the address appearing in the Warrant Register, a notice provided by the Company to the Warrant Agent stating:

(I) that the Redemption is being made pursuant to this Section 12(g) and that all Warrants (other than Carryover Warrants, if any, to be issued in connection with such Change of Control Event in accordance with this Section 12(g)(v)) that have not been exercised prior to the Cut-Off Time will be redeemed on the Change of Control Payment Date for payment of the Change of Control Payment Amount;

(II) the formula for calculating the Black Scholes Value and the Change of Control Payment Amount;

(III) the date of the Redemption (which shall be a Business Day no later than five (5) Business Days following the Change of Control Date (the "Change of Control Payment Date"));

(IV) that no outstanding Warrant may be exercised after the Close of Business on the Business Day prior to the Change of Control Date (the "Cut-Off Time");

(V) if applicable, that New Warrants will be issued to the Warrantholders on the Change of Control Payment Date in accordance with the terms of this Warrant Agreement and the Warrants (as the same may have been amended in connection with such Change of Control Event pursuant to Section 12(g));

(VI) any other reasonable procedures that a Warrantholder must follow (to the extent consistent with the terms and conditions set forth herein) in connection with such Redemption; and

(VII) the name and address of the Warrant Agent.

(B) Within two (2) Business Days prior to the Change of Control Payment Date, the Company or the surviving Person (if other than the Company) shall (A) deliver to the Warrant Agent the calculation of the Change of Control Payment Amount and (B) deposit with the Warrant Agent money sufficient to pay the Change of Control Payment Amount for all outstanding Warrants (other than the Carryover Warrants, if any).

(C) On the Change of Control Payment Date, (A) the Company or the surviving Person (if other than the Company) shall redeem all outstanding Warrants (other than Carryover Warrants, if any) pursuant to the Redemption, (B) the Warrant Agent shall mail (or otherwise cause to be paid or provide for payment to (or on behalf of)) each holder of Warrants so redeemed payment in Cash in an amount equal to the aggregate Change of Control Payment Amount in respect of such redeemed Warrants, and (C) the Company or the surviving Person (if other than the Company) shall execute and issue to the Warrantholders, and the Warrant Agent shall authenticate, new Warrants representing the Carryover Warrants (if any) exercisable for Registered and Listed Shares (the "New Warrants"); provided that such New Warrants shall be issued in denominations of one Warrant and integral multiples thereof and the terms thereof shall, subject to Section 12(g)(v)(E), be substantially consistent with the terms of this Warrant Agreement and the Warrants (and all references herein to Warrants shall thereafter be deemed to be references to such New Warrants).

(D) No Warrant (which for the avoidance of doubt does not include New Warrants to be issued in connection with such Change of Control Event) may be exercised after the Cut-Off Time.

(E) Following the Change of Control Payment Date, any holder of New Warrants issued in connection with such Change of Control Event shall have the right to exercise such New Warrant and to receive, upon such exercise, the Reference Property in accordance with Section 12(g)(i), subject to Section 12(g)(ii) and Section 12(g)(iii) and the remaining terms of this Warrant Agreement and the Warrants (as the same may have been amended in connection with such Change of Control Event pursuant to Section 12(g)); provided that, for purposes of this Section 12(g)(v)(E), (x) each Unit of Reference Property shall initially only consist of the Registered and Listed Shares included in such Unit of Reference Property, determined in accordance with the definition of "Carryover Warrants", and no other cash, securities, or other property, and (y) the initial exercise price for each New Warrant shall be equal to the New Warrant Exercise Price.

(F) The provisions of this Section 12(g)(v) are subject, in all cases, to any applicable requirements under the Securities Act and the Exchange Act and the respective rules and regulations promulgated thereunder. Where there is any inconsistency between the requirements of the Securities Act or the Exchange Act or the rules and regulations promulgated thereunder and the requirements of this Section 12(g)(v), the requirements of the Securities Act and the Exchange Act and the respective rules and regulations promulgated thereunder, shall supersede.

(G) The Company hereby agrees not to become a party to any Reorganization Event or Change of Control Event unless its terms are consistent in all material respects with this Section 12(g).

(H) The above provisions of this Section 12(g) shall similarly apply to successive Reorganization Events and Change of Control Events.

(I) For the avoidance of doubt, any payments (including the Company's obligation to pay any Change of Control Payment Amount) pursuant to this Section 12(g) shall be subject and subordinate to the rights to payment of the Company's existing and future creditors and the holders of any Capital Stock of the Company that by its terms is preferred over the shares of Common Stock as to the distribution of assets upon any voluntary or involuntary liquidation or dissolution of the Company.

(J) If this Section 12(g) applies to any event or occurrence, no other provision of this Section 12 with respect to anti-dilution adjustments shall apply to such event or occurrence.

(h) *Consolidation, Merger and Sale of Assets*.

(i) The Company may, without the consent of the Warrantholders, consolidate with, merge into or sell, lease or otherwise transfer in one transaction or a series of related transactions the consolidated assets of the Company and its subsidiaries substantially as an entirety to any corporation, limited liability company, partnership or trust organized under the laws of the United States or any of its political subdivisions so long as:

(A) the successor assumes all the Company's obligations under this Warrant Agreement and the Warrants; and

(B) the Company provides written notice of such assumption to the Warrant Agent.

(ii) In case of any such consolidation, merger, sale, lease or other transfer and upon any such assumption by the successor corporation, limited liability company, partnership or trust, such successor entity shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company. Such successor entity thereupon may cause to be signed, and may issue any or all of the Warrants issuable pursuant to this Warrant Agreement which theretofore shall not have been signed by the Company; and, upon the order of such successor entity, instead of the Company, and subject to all the terms, conditions and limitations in this Warrant Agreement prescribed, the Warrant Agent shall authenticate and deliver, as applicable, any Warrants that previously shall have been signed and delivered by the officers of the Company to the Warrant Agent for authentication, and any Warrants which such successor entity thereafter shall cause to be signed and delivered to the Warrant Agent for such purpose.

The provisions set forth in this Section 12(h) are subject, in all cases, to the provisions set forth in Section 12(g)(v).

(i) *Other Action Affecting Common Stock Equivalents*. If the Company shall at any time and from time to time issue or sell (i) any shares of any class constituting Common Stock Equivalents other than shares of Common Stock, (ii) any evidences of its indebtedness, shares of stock or other securities which are convertible into or exchangeable for Common Stock Equivalents, with or without the payment of additional consideration in Cash or property or (iii) any warrants or other rights to subscribe for or purchase any such Common Stock Equivalents or any such evidences, shares of stock or other securities, then in each such case such issuance shall be deemed to be of, or in respect of, shares of Common Stock for purposes of this Section 12.

(j) *Adjustments to Number of Warrants*. Concurrently with any adjustment to the Exercise Price under Section 12, the Warrant Number for each Global Warrant Certificate will be adjusted such that the Warrant Number for each such Global Warrant Certificate in effect immediately following the effectiveness of such adjustment will be equal to the Warrant Number for each such Global Warrant Certificate in effect immediately prior to such adjustment, multiplied by a fraction, (i) the numerator of which is the Exercise Price in effect immediately prior to such adjustment and (ii) the denominator of which is the Exercise Price in effect immediately following such adjustment.

(k) *Deferral or Exclusion of Certain Adjustments*. No adjustment to the Exercise Price or Warrant Number shall be required hereunder unless such adjustment together with other adjustments carried forward as provided below, would result in an increase or decrease of at least one percent (1%) of the applicable Exercise Price or Warrant Number; provided that any adjustments which by reason of this Section 12(k) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. No adjustment need be made for a change in the par value of the shares of Common Stock or any other Common Stock Equivalents. All calculations under this Section shall be made to the nearest one-one thousandth ($1/1,000^{th}$) of one cent ($0.01) or to the nearest one-one thousandth ($1/1,000^{th}$) of a share, as the case may be.

(l) *Restrictions on Adjustments*. In no event will the Company adjust the Exercise Price or make a corresponding adjustment to the Warrant Number for any Global Warrant Certificate to the extent that the adjustment would reduce the Exercise Price below the par value per share of Common Stock. No adjustment shall be made to the Exercise Price or the Warrant Number for any Global Warrant Certificate for any of the transactions described in Section 12 if the Company makes provisions for Warrantholders to participate in any such transaction without exercising their Warrants on the same basis as holders of Common Stock and with notice that the Board of Directors determines in good faith to be fair and appropriate. If the Company takes a record of the holders of Common Stock for the purpose of entitling them to receive a dividend or other distribution, and thereafter (and before the dividend or distribution has been paid or delivered to stockholders) legally abandons its plan to pay or deliver such dividend or distribution, then thereafter no adjustment to the Exercise Price or the Warrant Number for any Global Warrant Certificate then in effect shall be required by reason of the taking of such record.

(m) *Certain Calculations*. For the purposes of any adjustment of the Exercise Price and the number of Warrant Shares issuable upon exercise of a Warrant pursuant to this Section 12, the following provisions shall be applicable.

(i) In the case of the issuance or sale of shares of Common Stock or Convertible Securities for cash, the amount of the consideration received by the Company shall be deemed to be the amount of the gross cash proceeds received by the Company for such securities before deducting therefrom any discounts or commissions allowed, paid or incurred by the Company for any underwriting or otherwise in connection with the issuance and sale thereof.

(ii) In the case of the issuance or sale of shares of Common Stock or Convertible Securities (other than upon the conversion of shares of capital stock or other securities of the Company) for consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the Market Price, before deducting therefrom any discounts or commissions allowed, paid or incurred by the Company for any underwriting or otherwise in connection with the issuance and sale thereof.

(iii) In the case of the issuance of (x) options, warrants or other rights to purchase or acquire shares of Common Stock (whether or not at the time exercisable) or (y) Convertible Securities (whether or not at the time so convertible or exchangeable) or options, warrants or rights to purchase such Convertible Securities (whether or not at the time exercisable):

(A) the aggregate maximum number of shares of Common Stock deliverable upon exercise of such options, warrants or other rights to purchase or acquire shares of Common Stock shall be deemed to have been issued at the time such options, warrants or rights are issued and for a consideration equal to the consideration (determined in the manner provided in this Section 12(m)), if any, received by the Company upon the issuance or sale of such options, warrants or rights plus the minimum purchase price required to be paid to the Company pursuant to the terms of such options, warrants or rights required to be paid in exchange for the shares of Common Stock covered thereby;

(B) the aggregate maximum number of shares of Common Stock deliverable upon conversion of or in exchange for any such Convertible Securities, or upon the exercise of options, warrants or other rights to purchase or acquire such Convertible Securities and the subsequent conversion or exchange thereof, shall be deemed to have been issued at the time such Convertible Securities were issued or such options, warrants or rights were issued and for a consideration equal to the consideration (determined as provided in this Section 12(m)), if any, received by the Company upon the issuance or sale of such Convertible Securities or options, warrants or rights (excluding any cash received on account of accrued interest or accrued dividends), plus the additional consideration (in each case, determined in the manner provided in this Section 12(m)), if any, required to be received by the Company upon the conversion or exchange of such Convertible Securities, or upon the exercise of such options, warrants or rights to purchase or acquire such Convertible Securities and the subsequent conversion or exchange thereof; and

(C) if the Exercise Price and the number of shares of Common Stock issuable upon exercise of a Warrant shall have been duly adjusted in accordance with the terms of this Warrant Agreement upon the issuance or sale of any such options, warrants, rights or Convertible Securities, no further adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant shall be made for the actual issuance of Convertible Securities or shares of Common Stock upon the exercise, conversion or exchange thereof.

(iv) In the event of a cash exercise, the Company hereby instructs the Warrant Agent to record cost basis for newly issued shares of Common Stock in a manner to be subsequently communicated by the Company in writing to the Warrant Agent. In the event of a Cashless Exercise: the Company shall provide cost basis for shares issued pursuant to a Cashless Exercise at the time the Company provides the cashless exercise ratio to the Warrant Agent pursuant to Section 7(d) hereof.

SECTION 13. No Fractional Shares. The Company shall not be required to issue Warrants to purchase fractions of Warrant Shares, or to issue fractions of Warrant Shares upon exercise of the Warrants, or to distribute certificates which evidence fractional Warrant Shares and no Cash shall be distributed in lieu of such fractional shares or rights. If more than one Warrant shall be presented for exercise in full at the same time by the same Warrantholder, the number of full Warrant Shares which shall be issuable upon the exercise thereof shall be computed on the basis of the aggregate number of Warrant Shares purchasable on exercise of the Warrants so presented. If any fraction of a share would, except for the provisions of this Section 13, be issuable on the exercise of any Warrants (or specified portion thereof), as applicable, such share shall be rounded as follows: (i) fractions of greater than one-half shall be rounded to the next higher whole number, and (ii) fractions of one-half or less shall be rounded to the next lower whole number with no further payment on account thereof.

SECTION 14. Redemption. Except as set forth in Section 12(g)(v), the Warrants shall not be redeemable by the Company or any other Person.

SECTION 15. Notices to Warrantholders. Upon any adjustment of (i) the number of Warrant Shares purchasable upon exercise of each Warrant or (ii) the Exercise Price pursuant to Section 12, the Company, within twenty (20) Business Days thereafter, shall (x) cause to be filed with the Warrant Agent a certificate signed by an Appropriate Officer of the Company setting forth the event giving rise to such adjustment and any new or amended exercise terms, including such Exercise Price and either the number of Warrant Shares purchasable upon exercise of each Warrant or the additional number of Warrants to be issued for each previously outstanding Warrant, as the case may be, after such adjustment and setting forth the method of calculation, which certificate shall be conclusive evidence of the correctness of the matters set forth therein, and (y) direct the Warrant Agent to give written notice to each of the Warrantholders at such Warrantholder's address appearing on the Warrant Register. Where appropriate, such notice may be given in advance and included as a part of the notice required to be mailed under the other provisions of this Section 15. The Warrant Agent shall be fully protected in relying on any such certificate and in making any adjustment described therein and shall have no duty with respect to, and shall not be deemed to have knowledge of, any adjustment unless and until it shall have received such a certificate, in each case, absent gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction).

If:

(a) the Company proposes to take any action that would require an adjustment pursuant to Section 12 (unless no adjustment is required pursuant to Section 12(g)); or

(b) there shall be a dissolution, liquidation or winding up of the Company (other than in connection with a consolidation, merger or sale of all or substantially all of its property, assets and business as an entirety), then the Company shall cause written notice of such event to be filed with the Warrant Agent and shall cause written notice of such event to be given to each of the Warrantholders at such Warrantholder's address appearing on the Warrant Register, such giving of notice to be completed at least ten (10) Business Days prior to the effective date of such action (or the applicable record date for such action if earlier). Such notice shall specify the proposed effective date of such action and, if applicable, the record date and the material terms of such action. The failure to give the notice required by this Section 15 or any defect therein shall not affect the legality or validity of any action, distribution, right, warrant, dissolution, liquidation or winding up or the vote upon or any other action taken in connection therewith.

SECTION 16. Merger, Consolidation or Change of Name of Warrant Agent. Any Person into which the Warrant Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Warrant Agent is a party, or any Person succeeding to the shareholder services business of the Warrant Agent or any successor Warrant Agent, shall be the successor to the Warrant Agent hereunder without the execution or filing of any document or any further act on the part of any of the parties hereto, if such Person would be eligible for appointment as a successor Warrant Agent under the provisions of Section 18. If any of the Global Warrant Certificates have been countersigned but not delivered at the time such successor to the Warrant Agent succeeds under this Agreement, any such successor to the Warrant Agent may adopt the countersignature of the original Warrant Agent; and if at that time any of the Global Warrant Certificates shall not have been countersigned, any successor to the Warrant Agent may countersign such Global Warrant Certificates either in the name of the predecessor Warrant Agent or in the name of the successor Warrant Agent; and in all such cases such Global Warrant Certificates shall have the full force provided in the Global Warrant Certificates and in this Agreement.

If at any time the name of the Warrant Agent is changed and at such time any of the Global Warrant Certificates have been countersigned but not delivered, the Warrant Agent whose name has changed may adopt the countersignature under its prior name; and if at that time any of the Global Warrant Certificates have not been countersigned, the Warrant Agent may countersign such Global Warrant Certificates either in its prior name or in its changed name; and in all such cases such Global Warrant Certificates shall have the full force provided in the Global Warrant Certificates and in this Agreement.

SECTION 17. Warrant Agent. The Warrant Agent undertakes only the duties and obligations expressly imposed by this Agreement and the Global Warrant Certificates, in each case upon the following terms and conditions, by all of which the Company and the Warrantholders, by their acceptance thereof, shall be bound:

(a) The statements contained herein and in the Global Warrant Certificates shall be taken as statements of the Company, and the Warrant Agent assumes no responsibility for the accuracy of any of the same except to the extent that such statements describe the Warrant Agent or action taken or to be taken by the Warrant Agent. Except as expressly provided herein, the Warrant Agent assumes no responsibility with respect to the execution, delivery or distribution of the Global Warrant Certificates.

(b) The Warrant Agent shall not be responsible for any failure of the Company to comply with any of the covenants contained in this Agreement or in the Global Warrant Certificates to be complied with by the Company, nor shall it at any time be under any duty or responsibility to any Warrantholder to make or cause to be made any adjustment in the Exercise Price or in the Warrant Number (except as instructed in writing by the Company), or to determine whether any facts exist that may require any such adjustments, or with respect to the nature or extent of or method employed in making any such adjustments when made.

(c) The Warrant Agent may consult at any time with counsel satisfactory to it (who may be counsel for the Company or an employee of the Warrant Agent), and the advice or opinion of such counsel will be full and complete authorization and protection to the Warrant Agent as to any action taken, suffered or omitted by it in accordance with such advice or opinion, absent gross negligence, bad faith or willful misconduct in the selection and continued retention of such counsel and the reliance on such counsel's advice or opinion (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction).

(d) The Warrant Agent shall incur no liability or responsibility to the Company or to any Warrantholder for any action taken in reliance on any written notice, resolution, waiver, consent, order, certificate or other paper, document or instrument believed by it to be genuine and to have been signed, sent or presented by the proper party or parties**.** The Warrant Agent shall not take any instructions or directions except those given in accordance with this Agreement.

(e) The Company agrees to pay to the Warrant Agent reasonable compensation for all services rendered by the Warrant Agent under this Agreement in accordance with a fee schedule to be mutually agreed upon, to reimburse the Warrant Agent upon demand for all reasonable and documented out-of-pocket expenses, including counsel fees and other disbursements, incurred by the Warrant Agent in the preparation, administration, delivery, execution and amendment of this Agreement and the performance of its duties under this Agreement and to indemnify the Warrant Agent and save it harmless against any and all losses, liabilities and expenses, including judgments, damages, fines, penalties, claims, demands and costs (including reasonable out-of-pocket counsel fees and expenses), for anything done or omitted by the Warrant Agent arising out of or in connection with this Agreement except as a result of its gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction). The costs and expenses incurred by the Warrant Agent in enforcing the right to indemnification shall be paid by the Company except to the extent that the Warrant Agent is not entitled to indemnification due to its gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction). Notwithstanding the foregoing, the Company shall not be responsible for any settlement made without its written consent; provided that nothing in this sentence shall limit the Company's obligations contained in this paragraph other than pursuant to such a settlement.

(f) The Warrant Agent shall be under no obligation to institute any action, suit or legal proceeding or to take any other action likely to involve expense or liability. All rights of action under this Agreement or under any of the Warrants may be enforced by the Warrant Agent without the possession of any of the Warrants or the production thereof at any trial or other proceeding relative thereto, and any such action, suit or proceeding instituted by the Warrant Agent shall be brought in its name as Warrant Agent, and any recovery or judgment shall be for the ratable benefit of the Warrantholders, as their respective rights or interests may appear.

(g) The Warrant Agent, and any member, stockholder, affiliate, director, officer or employee thereof, may buy, sell or deal in any of the Warrants or other securities of the Company or become pecuniarily interested in any transaction in which the Company is interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it was not the Warrant Agent under this Agreement, or a member, stockholder director, officer or employee of the Warrant Agent, as the case may be. Nothing herein shall preclude the Warrant Agent from acting in any other capacity for the Company or for any other legal entity.

(h) The Warrant Agent shall act hereunder solely as agent for the Company, and its duties shall be determined solely by the provisions hereof. The Warrant Agent shall not be liable for anything that it may do or refrain from doing in connection with this Agreement except in connection with its own gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction). Notwithstanding anything in this Agreement to the contrary, in no event will the Warrant Agent be liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Warrant Agent has been advised of the possibility of such loss or damage.

(i) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

(j) The Warrant Agent shall not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due and validly authorized execution hereof by the Warrant Agent) or in respect of the validity or execution of any Global Warrant Certificate (except its due and validly authorized countersignature thereof), nor shall the Warrant Agent by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of the Warrant Shares to be issued pursuant to this Agreement or any Warrant or as to whether the Warrant Shares will when issued be validly issued, fully paid and nonassessable or as to the Exercise Price or the Warrant Number.

(k) Whenever in the performance of its duties under this Agreement the Warrant Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, the Warrant Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder from an Appropriate Officer of the Company and to apply to such Appropriate Officer for advice or instructions in connection with its duties, and such instructions shall be full authorization and protection to the Warrant Agent and, absent gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction), the Warrant Agent shall not be liable for any action taken, suffered to be taken, or omitted to be taken by it in accordance with instructions of any such Appropriate Officer or in reliance upon any statement signed by any one of such Appropriate Officers of the Company with respect to any fact or matter (unless other evidence in respect thereof is herein specifically prescribed) which may be deemed to be conclusively proved and established by such signed statement. The Warrant Agent shall not be held to have notice of any change of authority of any person, until receipt of written notice thereof from Company.

(l) Notwithstanding anything contained herein to the contrary, the Warrant Agent's aggregate liability during any term of this Agreement with respect to, arising from, or arising in connection with this Agreement, or from all Services provided or omitted to be provided under this Agreement, whether in contract, or in tort, or otherwise, is limited to, and shall not exceed, the amounts paid hereunder by the Company to the Warrant Agent as fees and charges, but not including reimbursable expenses, during the twelve (12) months immediately preceding the event for which recovery from Warrant Agent is being sought.

(m) No provision of this Agreement shall require the Warrant Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if it believes that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(n) If the Warrant Agent shall receive any notice or demand (other than notice of or demand for exercise of Warrants) addressed to the Company by any Warrantholder pursuant to the provisions of the Warrants, the Warrant Agent shall promptly forward such notice or demand to the Company.

(o) The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys, accountants, agents or other experts, and the Warrant Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company or the Warrantholders resulting from any such act, default, neglect or misconduct, absent gross negligence, bad faith or willful misconduct in the selection and continued employment thereof (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction).

(p) The Warrant Agent will not be under any duty or responsibility to ensure compliance with any applicable federal or state securities laws in connection with the issuance, transfer or exchange of the Warrants.

(q) The Warrant Agent shall have no duties, responsibilities or obligations as the Warrant Agent except those which are expressly set forth herein, and in any modification or amendment hereof to which the Warrant Agent has consented in writing, and no duties, responsibilities or obligations shall be implied or inferred. Without limiting the foregoing, unless otherwise expressly provided in this Agreement, the Warrant Agent shall not be subject to, nor be required to comply with, or determine if any Person has complied with, the Warrants, the Plan or any other agreement between or among the parties hereto, even though reference thereto may be made in this Agreement, or to comply with any notice, instruction, direction, request or other communication, paper or document other than as expressly set forth in this Agreement.

(r) The Warrant Agent shall not incur any liability for not performing any act, duty, obligation or responsibility by reason of any occurrence beyond the control of the Warrant Agent (including without limitation any act or provision of any present or future law or regulation or governmental authority, any act of God, war, civil disorder or failure of any means of communication, terrorist acts, pandemics, epidemics, shortage of supply, breakdowns or malfunctions, interruptions or malfunction of computer facilities, or loss of data due to power failures or mechanical difficulties with information storage or retrieval systems, labor difficulties).

(s) In the event the Warrant Agent believes any ambiguity or uncertainty exists hereunder or in any notice, instruction, direction, request or other communication, paper or document received by the Warrant Agent hereunder, or is for any reason unsure as to what action to take hereunder, the Warrant Agent shall notify the Company in writing as soon as practicable, and upon delivery of such notice may, in its sole discretion, refrain from taking any action, and shall be fully protected and shall not be liable in any way to the Company or any Warrantholder or other Person for refraining from taking such action, unless the Warrant Agent receives written instructions signed by the Company which eliminates such ambiguity or uncertainty to the satisfaction of Warrant Agent.

(t) All funds received by Computershare under this Agreement that are to be distributed or applied by Computershare in the performance of Services (the "Funds") shall be held by Computershare as agent for the Company and deposited in one or more bank accounts to be maintained by Computershare in its name as agent for the Company. Until paid pursuant to the terms of this Agreement, Computershare will hold the Funds through such accounts in: deposit accounts of commercial banks with Tier 1 capital exceeding $1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating) (each as reported by Bloomberg Finance L.P.). Computershare shall have no responsibility or liability for any diminution of the Funds that may result from any deposit made by Computershare in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. Computershare may from time to time receive interest, dividends or other earnings in connection with such deposits. Computershare shall not be obligated to pay such interest, dividends or earnings to the Company, any holder or any other party.

(u) The Warrant Agent and the Company agree that all books, records, information and data pertaining to the business of the other party, including *inter alia*, personal, non-public warrant holder information, which are exchanged or received pursuant to the negotiation or the carrying out of this Agreement including the fees for services set forth in the attached schedule shall remain confidential, and shall not be voluntarily disclosed to any other person, except as may be required by law, including, without limitation, pursuant to subpoenas from state or federal government authorities (e.g., in divorce and criminal actions).

(v) The provisions of this Section 17 shall survive the termination of this Agreement, the exercise or expiration of the Warrants and the resignation or removal of the Warrant Agent.

(w) No provision of this Agreement shall be construed to relieve the Warrant Agent from liability for fraud, or its own gross negligence, bad faith or its willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction).

SECTION 18. Change of Warrant Agent. If the Warrant Agent resigns (such resignation to become effective not earlier than thirty (30) calendar days after the giving of written notice thereof to the Company) or shall be adjudged bankrupt or insolvent, or shall file a voluntary petition in bankruptcy or make an assignment for the benefit of its creditors or consent to the appointment of a receiver of all or any substantial part of its property or affairs or shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay or meet its debts generally as they become due, or if an order of any court shall be entered approving any petition filed by or against the Warrant Agent under the provisions of bankruptcy laws or any similar legislation, or if a receiver, trustee or other similar official of it or of all or any substantial part of its property shall be appointed, or if any public officer shall take charge or control of it or of its property or affairs, for the purpose of rehabilitation, conservation, protection, relief, winding up or liquidation, or becomes incapable of acting as Warrant Agent or if the Board of Directors of the Company by resolution removes the Warrant Agent (such removal to become effective not earlier than thirty (30) calendar days after the filing of a certified copy of such resolution with the Warrant Agent and the giving of written notice of such removal to the Warrantholders), the Company shall appoint a successor to the Warrant Agent. If the Company fails to make such appointment within a period of thirty (30) calendar days after such removal or after it has been so notified in writing of such resignation or incapacity by the Warrant Agent, then any Warrantholder may apply to any court of competent jurisdiction for the appointment of a successor to the Warrant Agent. Pending appointment of a successor to the Warrant Agent, either by the Company or by such a court, the duties of the Warrant Agent shall be carried out by the Company. Any successor Warrant Agent, whether appointed by the Company or by such a court, shall be an entity, in good standing, incorporated under the laws of any state or of the United States of America. As soon as practicable after appointment of the successor Warrant Agent, the Company shall cause written notice of the change in the Warrant Agent to be given to each of the Warrantholders at such Warrantholder's address appearing on the Warrant Register. After appointment, the successor Warrant Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Warrant Agent without further act or deed. The former Warrant Agent shall deliver and transfer to the successor Warrant Agent any property at the time held by it hereunder and execute and deliver, at the expense of the Company, any further assurance, conveyance, act or deed necessary for the purpose. Failure to give any notice provided for in this Section 18 or any defect therein, shall not affect the legality or validity of the removal of the Warrant Agent or the appointment of a successor Warrant Agent, as the case may be.

SECTION 19. Warrantholder Not Deemed a Stockholder. Nothing contained in this Agreement or in any of the Warrants shall be construed as conferring upon the Warrantholders thereof the right to vote or to receive dividends or to participate in any transaction that would give rise to an adjustment of the Exercise Price under Section 12 or to consent or to receive notice as stockholders in respect of the meetings of stockholders or for the election of directors of the Company or any other matter, or any rights whatsoever as stockholders of the Company.

SECTION 20. Notices to Company and Warrant Agent. Any notice or demand authorized or permitted by this Agreement to be given or made by the Warrant Agent or by any Warrantholder to or on the Company to be effective shall be in writing (including by facsimile or email, as applicable), and shall be deemed to have been duly given or made when delivered by hand, or when sent if delivered to a recognized courier or deposited in the mail, first class and postage prepaid or, in the case email or facsimile notice, when received, addressed as follows (until another address, facimile number or email address is filed in writing by the Company with the Warrant Agent):

SECTION 21. Withholding and Reporting Requirements. The Company shall comply with all applicable tax withholding and reporting requirements imposed by any governmental and regulatory authority, and all distributions or other situations requiring withholding under applicable law (including deemed distributions) pursuant to the Warrants will be subject to applicable withholding and reporting requirements. Notwithstanding any provision to the contrary, the Company shall be authorized to: (a) take any actions that may be necessary or appropriate to comply with such withholding and reporting requirements, (b) apply a portion of any cash distribution to be made under the Warrants to pay applicable withholding taxes, (c) holdback and liquidate a portion of any non-cash distribution to be made under the Warrants to generate sufficient funds to pay applicable withholding taxes, (d) require reimbursement from any Warrantholder to the extent any withholding is required in the absence of any distribution, or (e) establish any other mechanisms the Company believes are reasonable and appropriate, including requiring Warrantholders to submit appropriate tax and withholding certifications (such as IRS Forms W-9 and the appropriate IRS Forms W-8, as applicable) that are necessary to comply with this Section 21.

SECTION 22. Exercise of Warrants and Beneficial Ownership Limitations. By accepting a Warrant, each Warrantholder shall be deemed to have agreed not to exercise any Warrants unless and until, if and to the extent such exercise would result in such Warrantholder's Beneficially Owned (aggregated with any Affiliates) Common Stock Equivalents reaching the Beneficial Ownership Limitation (as defined below), it and the Company have made all filings and registrations with, and obtained the permission, consent, approval, authorization, qualification or order (including the expiration of applicable waiting periods) from, any governmental and regulatory authorities applicable to the Company, as necessary or advisable for such exercise and the consequential acquisition by it of the Warrant Shares. For purposes of this Agreement, in determining the number of outstanding Common Stock Equivalents, a Warrantholder may only rely on the number of outstanding Common Stock Equivalents as reflected in the most recent of the following: (A) the Company's most recent periodic or annual report filed with the SEC, as the case may be; (B) a more recent public announcement by the Company; and (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of Common Stock Equivalents outstanding. The "Beneficial Ownership Limitation" shall be such number of Common Stock Equivalents, or such percentage of Common Stock Equivalents outstanding at any time, the Beneficial Ownership of which shall require the prior permission, consent, approval, authorization, qualification or order (including the expiration of applicable waiting periods) of any governmental or regulatory authority applicable to the Company.

SECTION 23. Supplements and Amendments. This Agreement constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof and may not be amended, except in a writing signed by both of them. The Company and the Warrant Agent may from time to time amend, modify or supplement this Agreement or the Warrants with the prior written consent of Warrantholders holding at least a majority of the Warrant Shares then issuable upon exercise of the Warrants then outstanding, pursuant to a written amendment or supplement executed by the Company and the Warrant Agent; provided, however, that any amendment or supplement to this Agreement that would reasonably expected to materially and adversely affect any right of a Warrantholder relative to the other Warrantholders shall require the written consent of such holder. In addition, the consent of each Warrantholder affected shall be required for any amendment pursuant to which the Exercise Price would be increased or the number of Warrant Shares issuable upon exercise of Warrants would be decreased (other than pursuant to adjustments provided in this Agreement). Notwithstanding anything to the contrary herein, upon the delivery of a certificate from an Appropriate Officer of the Company which states that the proposed supplement or amendment is in compliance with the terms of this Section 23 and provided that such supplement or amendment does not adversely affect the Warrant Agent's rights, duties, liabilities, immunities or obligations hereunder, the Warrant Agent shall execute such supplement or amendment. Any amendment, modification or waiver effected pursuant to and in accordance with the provisions of this Section 23 will be binding upon all Warrantholders and upon each future Warrantholder, the Company and the Warrant Agent. In the event of any amendment, modification, supplement or waiver, the Company will give prompt notice thereof to all Warrantholders and, if appropriate, notation thereof will be made on all Global Warrant Certificates thereafter surrendered for registration of transfer or exchange.

SECTION 24. Related Party Transactions. The Company shall not, and shall cause its Subsidiaries not to, enter into or amend or modify any transaction with its Affiliates (other than Subsidiaries of the Company) unless such transaction (i) is on terms no less favorable to the Company or its applicable Subsidiaries than terms that would be obtained by the Company or such Subsidiary from a disinterested third party on an arm's length basis, or (ii) has been approved by a majority of the Disinterested Directors. This Section 24 shall not apply to Permitted Affiliate Transactions.

SECTION 25. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

SECTION 26. Termination. This Agreement shall terminate at 5:00 p.m., New York City time, on the Expiration Date (or, at 5:00 p.m., New York City time, on the Settlement Date with respect to any Warrant Exercise Notice delivered prior to 5:00 p.m., New York City time, on the Expiration Date). Notwithstanding the foregoing, this Agreement will terminate on such earlier date on which all outstanding Warrants have been exercised. Termination of this Agreement shall not relieve the Company or the Warrant Agent of any of their obligations arising prior to the date of such termination or in connection with the settlement of any Warrant exercised prior to 5:00 p.m., New York City time, on the Expiration Date. The provisions of Section 17, this Section 26, Section 27 and Section 28 shall survive such termination and the resignation or removal of the Warrant Agent.

SECTION 27. Governing Law Venue and Jurisdiction; Trial By Jury. This Agreement and each Warrant issued hereunder shall be deemed to be a contract made under the laws of the State of Delaware and for all purposes shall be governed by and construed in accordance with the laws of such state. Each party hereto consents and submits to the jurisdiction of the courts of the State of Delaware and any federal courts located in such state in connection with any action or proceeding brought against it that arises out of or in connection with, that is based upon, or that relates to this Agreement or the transactions contemplated hereby. In connection with any such action or proceeding in any such court, each party hereto hereby waives personal service of any summons, complaint or other process and hereby agrees that service thereof may be made in accordance with the procedures for giving notice set forth in Section 20 hereof. Each party hereto hereby waives any objection to jurisdiction or venue in any such court in any such action or proceeding and agrees not to assert any defense based on lack of jurisdiction or venue in any such court in any such action or proceeding. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any action, proceeding or counterclaim as between the parties directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby or disputes relating hereto. Each of the parties hereto (i) certifies that no representative, agent or attorney of any other party hereto has represented, expressly or otherwise that such other party hereto would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 27.

SECTION 28. Benefits of this Agreement. Nothing in this Agreement shall be construed to give to any Person other than the Company, the Warrant Agent and the Warrantholders any legal or equitable right, remedy or claim under this Agreement, and this Agreement shall be for the sole and exclusive benefit of the Company, the Warrant Agent and the Warrantholders.

SECTION 29. Counterparts. This Agreement may be executed (including by means of facsimile or electronically transmitted portable document format (.pdf) signature pages) in any number of counterparts and each such counterpart shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

SECTION 30. Headings. The headings of sections of this Agreement have been inserted for convenience of reference only, are not to be considered a part hereof and in no way modify or restrict any of the terms or provisions hereof.

SECTION 31. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or affect the validity, legality or enforceability of any provision in any other jurisdiction, and the invalid, illegal or unenforceable provision shall be interpreted and applied so as to produce as near as may be the economic result intended by the parties hereto. Upon determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible; provided, however, that if such excluded provision shall materially and adversely affect the rights, immunities, liabilities, duties or obligations of the Warrant Agent, the Warrant Agent shall be entitled to resign immediately upon written notice to the Company.

SECTION 32. Meaning of Terms Used in Agreement.

(a) The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party. For purposes of calculating such amount, (i) the term of the Warrants will be the time from the Change of Control Date to the Expiration Date and the exercise price shall be the then applicable Exercise Price, (ii) the assumed volatility will be the 90-day historical volatility of the Common Stock as shown at the time of determination on Bloomberg or, if such information is not available, 90-day historical volatility of the Common Stock as determined in a commercially reasonably manner by the Board of Directors upon the advice of such bank, (iii) the assumed risk-free rate will equal the yield on U.S. Treasury securities having a maturity nearest to but not later than the Expiration Date, and (iv) the price of each share of Common Stock will be the value of the transaction consideration received in respect of each outstanding shares of Common Stock pursuant to the Change of Control Event.

For purposes of determining the Change of Control Payment Amount, if holders of Common Stock are entitled to receive differing forms or types of consideration in any transaction or series of transactions contemplated by the definition of "Change of Control Event," each holder shall be deemed to have received the same proportion of Other Property and Registered and Listed Shares that all holders of Common Stock in the aggregate elected or were required to receive in such transaction or transactions.

(c) Underwritten Shelf Take-Downs.

(i) Subject to Section 2.2(b), if a Shelf Holder so elects in a written request delivered to the Company (an "Underwritten Shelf Take-Down Notice"), a Shelf Take-Down may be in the form of an Underwritten Offering (an "Underwritten Shelf Take-Down") and, if necessary, the Company shall use its reasonable best efforts to file and effect an amendment or supplement to its Shelf Registration Statement (including the filing of a Prospectus supplement with respect to such Underwritten Shelf Take-Down) for such purpose as soon as practicable. Such initiating Shelf Holder shall indicate in such Underwritten Shelf Take-Down Notice the number of Registrable Securities of such Shelf Holder to be included in such Underwritten Shelf Take-Down and whether it intends for such Underwritten Shelf Take-Down to involve a customary "roadshow" (including an "electronic roadshow") or other marketing effort by the underwriters (a "Marketed Underwritten Shelf Take-Down").

(ii) Promptly upon delivery of an Underwritten Shelf Take-Down Notice with respect to a Marketed Underwritten Shelf Take-Down (but in no event more than ten (10) days prior to the expected date of such Marketed Underwritten Shelf Take-Down), the Company shall promptly deliver a written notice of such Marketed Underwritten Shelf Take-Down to all Shelf Holders and, in each case, subject to Section 2.5(b) and Section 2.7, the Company shall include in such Marketed Underwritten Shelf Take-Down all such Registrable Securities of such Shelf Holders for which the Company has received written requests, which requests must specify the aggregate amount of such Registrable Securities of such Holder to be offered and sold pursuant to such Marketed Underwritten Shelf Take-Down, at least three (3) Business Days prior to the expected date of such Marketed Underwritten Shelf Take-Down.

(iii) Subject to Section 2.2(b), if a Shelf Holder desires to effect an Underwritten Shelf Take-Down that is not a Marketed Underwritten Shelf Take-Down, the Shelf Holder initiating such Shelf Take-Down shall provide written notice (a "Shelf Take-Down Notice") of such Shelf Take-Down to the other Shelf Holders as far in advance of the completion of such Shelf Take-Down as shall be reasonably practicable in light of the circumstances applicable to such Shelf Take-Down but no less than three (3) Business Days prior to such Shelf Take-Down, which Shelf Take-Down Notice shall set forth (A) the total number of Registrable Securities expected to be offered and sold in such Shelf Take-Down, (B) the expected plan of distribution of such Shelf Take-Down and (C) an invitation to the other Shelf Holders to elect to include in the Shelf Take-Down the Registrable Securities held by such other Shelf Holders (but subject to Section 2.5(b) and Section 2.7) and (D) the action or actions required (including the timing thereof) in connection with such Shelf Take-Down with respect to the other Shelf Holders if any such Shelf Holder elects to exercise such right.

(iv) Upon delivery of a Shelf Take-Down Notice, the other Shelf Holders may elect to sell Registrable Securities in such Shelf Take-Down, at the same price per Registrable Security and pursuant to the same terms and conditions with respect to payment for the Registrable Securities as agreed to by the initiating Shelf Holder (and, if applicable, co-initiating Shelf Holders), by sending an irrevocable written notice to the initiating Shelf Holder, indicating its election to participate in the Shelf Take-Down and the total number of its Registrable Securities to include in the Shelf Take-Down (but, in all cases, subject to Section 2.5(b) and Section 2.7).

(v) Notwithstanding the delivery of any Underwritten Shelf Take-Down Notice, all determinations as to whether to complete any Underwritten Shelf Take-Down and as to the timing, manner, price and other terms of any Underwritten Shelf Take-Down shall be at the discretion of the Shelf Holder (or, if there are co-initiating Shelf Holders, the Holders of a majority of the Registrable Securities under such Underwritten Shelf Take-down Notice) initiating the Underwritten Shelf Take-Down.

(d) Non-Marketed Shelf Take-Downs. If a Shelf Holder desires to effect a Shelf Take-Down that does not constitute an Underwritten Shelf Take-Down (a "Non-Marketed Shelf Take-Down") and if such Non-Marketed Shelf Take-Down requires reasonable actions to be taken by the Company, such Shelf Holder shall so indicate in a written request delivered to the Company no later than three Business Days prior to the expected date of such Non-Marketed Shelf Take-Down (or such shorter period as the Company may agree), which request shall include (i) the aggregate number and class or classes of Registrable Securities expected to be offered and sold in such Non-Marketed Shelf Take-Down, (ii) the expected plan of distribution of such Non-Marketed Shelf Take-Down and (iii) the action or actions required (including the timing thereof) in connection with such Non-Marketed Shelf Take-Down, and, if necessary, the Company shall use its reasonable best efforts to file and effect an amendment or supplement to its Shelf Registration Statement (including the filing of a Prospectus supplement with respect to such Non-Marketed Shelf Take-Down) for such purpose as soon as practicable.

(e) Continued Effectiveness. The Company shall use its reasonable best efforts to keep the Shelf Registration Statement filed pursuant to Section 2.2(a) hereof continuously effective under the Securities Act, including by filing a new Shelf Registration Statement if necessary, in order to permit the Prospectus (or any Prospectus supplement) forming a part thereof to be usable by a Shelf Holder until the earlier of (i) the date as of which all Registrable Securities registered by such Shelf Registration Statement have been sold and (ii) such shorter period as Shelf Holders holding a majority of the Registrable Securities may reasonably determine.

Section 2.3 Deferral or Suspension of Registration. If (a) the Company receives a Demand Notice, a request to file (or confidentially submit) a Shelf Registration Statement, or a written request from a Shelf Holder for a Shelf Take-Down, or at any time prior to the Initial Public Offering, and the Board, in its good faith judgment and after consultation with external counsel to the Company, determines that it would be materially adverse to the Company for such Registration Statement to be filed (or confidentially submitted) or declared effective on or before the date such filing or effectiveness would otherwise be required hereunder, or for such Registration Statement or Prospectus included therein to be used to sell Shares or for such Shelf Take-Down to be effected, because such action would: (i) materially interfere with a significant acquisition, corporate reorganization, financing, securities offering or other similar transaction involving the Company; (ii) based on the advice of the Company's outside counsel, require disclosure of material non-public information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to comply with requirements under the Securities Act or the Exchange Act, or (b) the Company is subject to a Commission stop order suspending the effectiveness of any Registration Statement or the initiation of proceedings with respect to such Registration Statement under Section 8(d) or 8(e) of the Securities Act, then the Company shall have the right to defer such filing (but not the preparation), initial effectiveness or continued use of a Registration Statement and the Prospectus included therein for a period of not more than 60 days (or such longer period as the Requesting Holder or Shelf Holder, as applicable, may determine). If the Company shall so postpone the filing or initial effectiveness of a Registration Statement with respect to a Demand Notice and if the Requesting Holder within 30 days after receipt of the notice of postponement advises the Company in writing that it has determined to withdraw such Demand Notice, then such Demand Registration shall be deemed to be withdrawn. Unless consented to in writing by the Holders, the Company shall not use the deferral or suspension rights provided under this Section 2.3 (x) more than once in any 12-month period (except that the Company shall be able to use this right more than once in any 12-month period if the Company is exercising such right during the 15-day period prior to the Company's regularly scheduled quarterly earnings announcement and the total number of days of postponement in such 12-month period does not exceed 120 days) or (y) except as contemplated in the parenthetical in (x) immediately above, in the aggregate for more than 90 days in any 12-month period. In the event of any deferral or suspension pursuant to this Section 2.3, the Company shall (i) use its reasonable best efforts to keep the Requesting Holder or Shelf Holders, as applicable, apprised of the estimated length of the anticipated delay; and (ii) notify the Requesting Holder or Shelf Holders, as applicable, promptly upon termination of the deferral or suspension. After the expiration of the deferral or suspension period and without any further request from the Requesting Holder or Shelf Holders, as applicable, to the extent such Requesting Holder has not withdrawn the Demand Notice, if applicable, the Company shall as promptly as reasonably practicable prepare and file (or confidentially submit) a Registration Statement or post-effective amendment or supplement to the applicable Registration Statement or document, or file any other required document, as applicable, so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the Prospectus will not include a material misstatement or omission and will be effective and useable for the sale of Registrable Securities.

Section 2.4 Effective Registration Statement. A registration requested pursuant to this Article II shall not be deemed to have been effected:

(a) unless a registration statement with respect thereto has been declared effective by the Commission and remains effective in compliance with the provisions of the Securities Act and the laws of any U.S. state or other jurisdiction applicable to the disposition of Registrable Securities covered by such registration statement for not less than 180 days (or such shorter period as will terminate when all of such Registrable Securities shall have been disposed of in accordance with such registration statement) or, if such registration statement relates to an underwritten offering, such longer period as, in the opinion of external counsel for the Company, a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer;

(b) if, after it becomes effective, such registration is interfered with by any stop order, injunction or other order or requirement of the Commission or other governmental authority or court for any reason other than a violation of applicable law solely by any Selling Investor and has not thereafter become effective; or

(c) if, in the case of an Underwritten Offering, the conditions to closing specified in an underwriting agreement applicable to the Company are not satisfied or waived other than by reason of any breach or failure by any Selling Investor.

Section 2.5 Selection of Underwriters; Cutback.

(a) Selection of Underwriters. If a Requesting Holder intends to offer and sell the Registrable Securities covered by its request under this Article II by means of an Underwritten Offering, such Requesting Holder shall, in reasonable consultation with other participating Holders and in the final determination of the Holders of a majority of the Registrable Securities under such Underwritten Offering, select the managing underwriter or underwriters to administer such offering, which managing underwriter or underwriters shall be investment banking firms of nationally recognized standing and shall be reasonably acceptable to the Company, such acceptance not to be unreasonably withheld, conditioned or delayed. If a Shelf Holder intends to offer and sell the Registrable Securities covered by its request under this Article II by means of an Underwritten Shelf Take-Down, the participating Shelf Holder shall select, in reasonable consultation with other Holders of a majority of the Registrable Securities under such Underwritten Offering, the managing underwriter or underwriters to administer such offering, which managing underwriter or underwriters shall be investment banking firms of nationally recognized standing and shall be reasonably acceptable to the Company, such acceptance not to be unreasonably withheld, conditioned or delayed.

(b) Underwriter's Cutback. Notwithstanding any other provision of this Article II or Section 3.1, if the managing underwriter or underwriters of an Underwritten Offering in connection with a Demand Registration or a Shelf Registration advise the Company in their good faith opinion that the inclusion of all such Registrable Securities proposed to be included in the Registration Statement or such Underwritten Offering would be reasonably likely to interfere with the successful marketing, including, but not limited to, the pricing, timing or distribution, of the Registrable Securities to be offered thereby or in such Underwritten Offering, and no Holder has delivered a Piggyback Notice with respect to such Underwritten Offering, then the number of Shares proposed to be included in such Registration Statement or Underwritten Offering shall be allocated among the Company, the Selling Investors and all other Persons selling Shares in such Underwritten Offering in the following order:

(i) *first*, the Registrable Securities of the class or classes proposed to be registered held by the Holder that initiated (or co-initiated) such Demand Registration, Shelf Registration or Underwritten Offering and the Registrable Securities of the same class or classes (or convertible at the Holder's option into such class or classes) held by other Holders requested to be included in such Demand Registration, Shelf Registration or Underwritten Offering (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Demand Registration, Shelf Registration or Underwritten Offering);

(ii) *second*, all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Demand Registration, Shelf Registration or Underwritten Offering other than securities to be sold by the Company; and

(iii) *third*, the securities of the same class or classes to be sold by the Company.

No Registrable Securities excluded from the underwriting by reason of the underwriter's marketing limitation shall be included in such registration or offering. If the underwriter has not limited the number of Registrable Securities to be underwritten, the Company may include securities for its own account (or for the account of any other Persons) in such registration if the underwriter so agrees and if the number of Registrable Securities would not thereby be limited.

Section 2.6 Lock-up.

(a) If requested by the managing underwriters in connection with any Underwritten Offering, each Holder (i) who beneficially owns 5.0% or more of the outstanding Shares or (ii) who is a natural person and serving as a director or executive officer of the Company shall agree to be bound by customary lock-up agreements providing that such Holder shall not, directly or indirectly, effect any Transfer (including sales pursuant to Rule 144) of any such Shares without prior written consent from the underwriters managing such Underwritten Offering during a period beginning on the date of launch of such Underwritten Offering and ending up to 90 days from and including the date of pricing or such shorter period as reasonably requested by the underwriters managing such Underwritten Offering (the "Lock-Up Period"); provided that (A) the foregoing shall not apply to any Shares that are offered for sale as part of such Underwritten Offering, (B) such Lock-Up Period shall be no longer than and on substantially the same terms as the lock-up period applicable to the Company and the executive officers and directors of the Company and (C) such Lock-Up Period shall not commence unless the Company notifies the Holders in writing prior to the commencement of the Lock-Up Period. Each such Holder agrees to execute a customary lock-up agreement in favor of the underwriters to such effect. The provisions of this Section 2.6(a) will no longer apply to a Holder if (x) such Holder ceases to hold any Shares or (y) except in the case of any Holder who is a current director or executive officer of the Company, such Holder beneficially owns less than 5.0% of the outstanding Shares.

(b) Nothing in Section 2.6(a) shall prevent: (i) any Holder that is a partnership, limited liability company or corporation from (A) making a distribution of Shares to the partners, members or stockholders thereof or (B) Transferring Shares to an Affiliate of such Holder; (ii) any Holder who is an individual from Transferring Shares to (A) an individual by will or the laws of descent or distribution or by gift without consideration of any kind or (B) a trust or estate planning-related entity for the sole benefit of such Holder or a lineal descendant or antecedent or spouse; (iii) any Holder from (A) pledging, hypothecating or otherwise granting a security interest in Shares or securities convertible into or exchangeable for Shares to one or more lending institutions as collateral or security for any loan, advance or extension of credit and any transfer upon foreclosure upon such Shares or such securities or (B) Transferring Shares pursuant to a final non-appealable order of a court or regulatory agency or (iv) any Holder from Transferring Shares in a manner that was permitted under, but subject to the conditions described in, the lock-ups entered into in connection with the Company's Underwritten Offering; provided that, in the case of clauses (i), (ii), (iii) and (iv), such Transfer is otherwise in compliance with applicable securities laws; provided, further, that, in the case of clause (i), clause (ii) and, if applicable, clause (iv), each such Transferee agrees in writing to become subject to the terms of this Agreement by executing an Adoption Agreement and agrees to be bound by the applicable underwriter lock-up.

Section 2.7 Participation in Underwritten Offering; Information by Holder. No Holder may participate in an Underwritten Offering hereunder unless such Holder (a) agrees to sell such Holder's Shares on the basis provided in any underwriting arrangements, and in accordance with the terms and provisions of this Agreement, including any lock-up arrangements, and (b) completes and executes all questionnaires, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements. In addition, the Holders shall furnish to the Company such information regarding such Holder or Holders and the distribution proposed by such Holders, as applicable, as the Company may reasonably request in writing and as shall be required in connection with any registration, qualification or compliance referred to in this Article II. Nothing in this Section 2.7 shall be construed to create any additional rights regarding the registration of Shares in any Person otherwise than as set forth herein.

Section 2.8 Registration Expenses. All expenses incident to the Company's performance of or compliance with this Agreement, including without limitation (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with any stock exchange, the Commission and FINRA (including, if applicable, the reasonable fees and expenses of any "qualified independent underwriter" and its counsel as may be required by the rules and regulations of FINRA), (ii) all fees and expenses of compliance with state securities or blue sky laws (including fees and disbursements of counsel for the underwriters or Selling Investors in connection with blue sky qualifications of the Shares and determination of their eligibility for investment under the laws of such jurisdictions as the managing underwriters or the Demand Holders may designate), (iii) all printing and related messenger and delivery expenses (including expenses of printing certificates for the Shares in a form eligible for deposit with The Depository Trust Company and of printing prospectuses, all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company and its Subsidiaries (including the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (iv) all fees and expenses incurred in connection with the listing of the Shares on any securities exchange and all rating agency fees, (v) all reasonable fees and documented out-of-pocket disbursements of a single Selling Investors' Counsel or, if no Demand Holders' Registrable Securities are included in a Piggyback Registration or Shelf Registration, a single legal counsel chosen by the Holders of a majority of the Registrable Securities included in such Piggyback Registration or Shelf Registration, as applicable, (vi) all reasonable fees and documented out-of-pocket disbursements of underwriters customarily paid by the issuer or sellers of securities, including expenses of any special experts retained, if required, in connection with the requested registration (excluding underwriting discounts and commissions and transfer taxes, if any, and fees and disbursements of counsel to underwriters, (other than such fees and disbursements incurred in connection with any registration or qualification of Shares under the securities or blue sky laws of any state)), (vii) Securities Act liability insurance or similar insurance if the Company or the underwriters so require in accordance with then-customary underwriting practice, and (vii) fees and expenses of other Persons retained by the Company, and for any Demand Holder, any other reasonable expenses customarily paid by the issuers of securities, including reasonable and documented legal fees and expenses for such Demand Holder's legal counsel if other than the legal counsel selected by the Holders in (v) above, will be borne by the Company, regardless of whether the Registration Statement becomes effective (or such offering is completed) and whether or not all or any portion of the Registrable Securities originally requested to be included in such registration are ultimately included in such registration; provided, however, that (x) any underwriting discounts, commissions or fees in connection with the sale of the Registrable Securities will be borne by the Holders pro rata on the basis of the number of Shares so registered and sold, (y) transfer taxes with respect to the sale of Registrable Securities will be borne by the Holder of such Registrable Securities and (z) the fees and expenses of any other counsel, accountants or other persons retained or employed by any Holder will be borne by such Holder.

ARTICLE III

PIGGYBACK REGISTRATION

Section 3.1 Notices.

(a) If the Company at any time proposes for any reason to register the sale of a class or classes of Shares under the Securities Act (other than a registration on Form S-4 or Form S-8, or any successor of either such form, or a registration relating solely to the offer and sale to the Company's directors or employees pursuant to any employee equity plan or other employee benefit plan or arrangement or a registration relating to its initial public offering) whether or not Shares are to be sold by the Company or otherwise, and whether or not in connection with any Demand Registration pursuant to Section 2.1, any Shelf Registration pursuant to Section 2.2 or any other agreement (such registration, a "Piggyback Registration"), the Company shall give to each Holder holding Shares of the same class or classes proposed to be registered (or convertible at the Holder's option into such class or classes) eligible to participate in such Piggyback Registration written notice of its intention to so register the Shares (i) in the case of a "bought deal," "registered direct offering" or "overnight transaction" (a "Bought Deal"), at least ten Business Days, or (ii) otherwise at least five Business Days (or such shorter period as reasonably practical) prior to the expected date of filing of such Registration Statement or amendment thereto in which the Company first intends to identify the selling stockholders and the number of Registrable Securities to be sold (each such notice, an "Initial Notice"). The Company shall, subject to the provisions of Section 3.2 and Section 3.3 below, use its reasonable best efforts to include in such Piggyback Registration on the same terms and conditions as the securities otherwise being sold, all Registrable Securities of the same class or classes as the Shares proposed to be registered (or convertible at the Holder's option into such class or classes) with respect to which the Company has received written requests from Holders for inclusion therein within the time period specified by the Company in the applicable Initial Notice, which time period shall be (x) in the case of a Bought Deal, not less than ten Business Days, or (y) otherwise, not less than five (5) Business Days after sending the applicable Initial Notice (each such written request, a "Piggyback Notice"), which Piggyback Notice shall specify the number of Shares proposed to be included in the Piggyback Registration.

(b) If a Holder does not deliver a Piggyback Notice within the period specified in Section 3.1(a), such Holder shall be deemed to have irrevocably waived any and all rights under this Article III with respect to such registration (but not with respect to future registrations in accordance with this Article III).

(c) No registration effected under this Section 3.1 shall relieve the Company of its obligation to effect any registration upon request under Section 2.1 or Section 2.2 hereof, and no registration effected pursuant to this Section 3.1 shall be deemed to have been effected pursuant to Section 2.1 or Section 2.2 hereof. The Initial Notice, the Piggyback Notice and the contents thereof shall be kept confidential until the public filing of the Registration Statement.

Section 3.2 Underwriter's Cutback. If the managing underwriter of an Underwritten Offering (including an offering pursuant to Section 2.1 or Section 2.2) that includes a Piggyback Registration advises the Company that it is the managing underwriter's good faith opinion that the inclusion of all such Registrable Securities proposed to be included in the Registration Statement for such Underwritten Offering would be reasonably likely to interfere with the successful marketing, including, but not limited to, the pricing, timing or distribution, of the Registrable Securities to be offered thereby, then the number of Shares proposed to be included in such Underwritten Offering shall be allocated among the Company, the Selling Investors and all other Persons selling Shares in such Underwritten Offering in the following order:

(a) If the Piggyback Registration referred to in Section 3.1 is initiated as an underwritten primary registration on behalf of the Company, then, with respect to each class proposed to be registered:

(i) *first*, the Shares held by the Company of the class or classes proposed to be registered that the Company proposes to sell, as applicable;

(ii) *second*, all Registrable Securities of the same class or classes (or convertible at the Holder's option into such class or classes) held by Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration); and

(iii) *third*, all other securities of the same class or classes (or convertible at the Holder's option into such class or classes) requested to be included in such Piggyback Registration.

(b) if the Piggyback Registration referred to in Section 3.1 is an underwritten secondary registration on behalf of any Holder, then, with respect to each class proposed to be registered:

(i) *first*, the Registrable Securities of the class or classes proposed to be registered held by such Holder and the Registrable Securities of the same class or classes (or convertible at the Holder's option into such class or classes) held by other Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration);

(ii) *second*, all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Piggyback Registration other than Shares to be sold by the Company; and

(iii) *third*, the Shares of the same class or classes to be sold by the Company.

(c) if the Piggyback Registration referred to in Section 3.1 is an underwritten secondary registration on behalf of any holder of Shares other than a Holder, then, with respect to each class proposed to be registered:

(i) *first*, the Registrable Securities of the class or classes proposed to be registered held by such holder;

(ii) *second*, the Registrable Securities of the same class or classes (or convertible at the Holder's option into such class or classes) held by Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration);

(iii) *third*, all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Piggyback Registration other than Shares to be sold by the Company; and

(iv) *fourth*, the Shares of the same class or classes to be sold by the Company.

Section 3.3 Company Control. Except for a Registration Statement being filed in connection with the exercise of a Demand Right or a Shelf Registration, the Company may decline to file a Registration Statement after an Initial Notice has been given or after receipt by the Company of a Piggyback Notice, and the Company may withdraw a Registration Statement after filing and after such Initial Notice or Piggyback Notice, but prior to the effectiveness of the Registration Statement, provided that (i) the Company shall promptly notify the Selling Investors in writing of any such action and (ii) nothing in this Section 3.3 shall prejudice the right of any Demand Holder to immediately request that such registration be effected as a registration under Section 2.1 or Section 2.2 to the extent permitted thereunder.

Section 3.4 Selection of Underwriters. If the Company intends to offer and sell Shares by means of an Underwritten Offering (other than an offering pursuant to Section 2.1 or Section 2.2), the Company shall select the managing underwriter or underwriters to administer such Underwritten Offering, which managing underwriter or underwriters shall be investment banking firms of nationally recognized standing.

Section 3.5 Withdrawal of Registration. Any Holder shall have the right to withdraw all or a part of its Piggyback Notice by giving written notice to the Company of such withdrawal at least five (5) Business Days prior to the earliest of (i) effectiveness of the applicable Registration Statement, (ii) the filing of any Registration Statement relating to such Piggyback Registration that includes a price range or (iii) commencement of a "roadshow" relating to the Registration Statement for such Piggyback Registration.

ARTICLE IV

REGISTRATION PROCEDURES

Section 4.1 Registration Procedures. If and whenever the Company is under an obligation pursuant to the provisions of this Agreement to use its reasonable best efforts to effect the registration of any Registrable Securities, the Company shall, as expeditiously as practicable:

(a) in the case of Registrable Securities, use its reasonable best efforts to cause a Registration Statement that registers such Registrable Securities to become and remain effective for a period of 180 days or, if earlier, until all of such Registrable Securities covered thereby have been disposed of; provided, that, in the case of any registration of Registrable Securities on a Shelf Registration Statement which are intended to be offered on a continuous or delayed basis, such 180-day period shall be extended, if necessary, to keep the registration statement continuously effective, supplemented and amended, including by filing a new Registration Statement, to the extent necessary to ensure that it is available for sales of such Registrable Securities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, until the earlier of when (i) the Holders have sold all of such Registrable Securities and (ii) all of such Registrable Securities have become eligible for immediate sale pursuant to Rule 144 under the Securities Act by the Holder thereof without restriction by the manner of sale, volume and other limitations under such rule;

(b) furnish to each Selling Investor, at least ten (10) Business Days before filing a Registration Statement, or such shorter period as reasonably practical, copies of such Registration Statement or any amendments or supplements thereto, which documents shall be subject to the review, comment and approval by one lead counsel (and any reasonably necessary local counsel) selected by the Holders who beneficially own a majority of such Registrable Securities, which counsel (who may also be counsel to the Company), in each case, shall be subject to the reasonable approval of each Demand Holder whose Registrable Securities are included in such registration, and who shall represent all Selling Investors as a group (the "Selling Investors' Counsel") (it being understood that such ten (10) Business Day period need not apply to successive drafts of the same document proposed to be filed so long as such successive drafts are supplied to the Selling Investors' Counsel in advance of the proposed filing by a period of time that is customary and reasonable under the circumstances);

(c) furnish to each Selling Investor and each underwriter, if any, such number of copies of final conformed versions of the applicable registration statement and of each amendment and supplement thereto (in each case including all exhibits and any documents incorporated by reference) reasonably requested by such Selling Investor or underwriter in writing;

(d) in the case of Registrable Securities, prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Registration Statement and the applicable Prospectus or Prospectus supplement, including any free writing prospectus as defined in Rule 405 under the Securities Act, used in connection therewith as may be (i) reasonably requested by any Holder (to the extent such request relates to information relating to such Holder), or (ii) necessary to keep such Registration Statement effective for at least the period specified in Section 4.1(a) and to comply with the provisions of this Agreement and the Securities Act with respect to the sale or other disposition of such Registrable Securities, and furnish to each Selling Investor and to the managing underwriter(s), if any, within a reasonable period of time prior to the filing thereof a copy of any amendment or supplement to such Registration Statement or Prospectus; provided, however, that, with respect to each free writing prospectus or other materials to be delivered to purchasers at the time of sale of the Registrable Securities, the Company shall (i) ensure that no Registrable Securities are sold "by means of" (as defined in Rule 159A(b) under the Securities Act) such free writing prospectus or other materials without the prior written consent of the sellers of the Registrable Securities, which free writing prospectus or other materials shall be subject to the review of counsel to such sellers and (ii) make all required filings of all free writing prospectuses or other materials with the Commission as are required;

(e) notify in writing each Holder promptly (i) of the receipt by the Company of any notification with respect to any comments by the Commission with respect to such Registration Statement or any amendment or supplement thereto or any request by the Commission for the amending or supplementing thereof or for additional information with respect thereto, (ii) of the receipt by the Company of any notification with respect to the issuance by the Commission of any stop order suspending the effectiveness of such Registration Statement or any amendment or supplement thereto or the initiation or threatening of any proceeding for that purpose and (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification of such Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purposes and, in any such case as promptly as reasonably practicable thereafter, prepare and file an amendment or supplement to such Registration Statement or Prospectus which will correct such statement or omission or effect such compliance;

(f) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as the Holders reasonably request and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holders to consummate their disposition in such jurisdictions; provided, however, that the Company will not be required to qualify generally to do business, subject itself to general taxation or consent to general service of process in any jurisdiction where it would not otherwise be required to do so but for this Section 4.1(f);

(g) furnish to each Selling Investor such number of copies of a summary Prospectus or other prospectus, including a preliminary prospectus and any other prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such Selling Investors or any underwriter may reasonably request in writing;

(h) notify on a timely basis each Holder of such Registrable Securities at any time when a prospectus relating to such Registrable Securities is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing and, at the request of such Holder, as soon as practicable prepare, file with the Commission and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the offeree of such securities, such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(i) make available for inspection by the Selling Investors, the Selling Investors' Counsel or any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such Selling Investor or underwriter (collectively, the "Inspectors"), all pertinent financial and other records, pertinent corporate documents and properties of the Company (collectively, the "Records"), as shall be necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information (together with the Records, the "Information") requested by any such Inspector in connection with such Registration Statement and request that the independent public accountants who have certified the Company's financial statements make themselves available, at reasonable times and for reasonable periods, to discuss the business of the Company. Any of the Information which the Company determines in good faith and upon consultation with external counsel to be confidential, and of which determination the Inspectors are so notified, shall not be disclosed by the Inspectors unless (i) the disclosure of such Information is necessary to avoid or correct a misstatement or omission in the Registration Statement, (ii) the release of such Information is requested or required pursuant to a subpoena, order from a court of competent jurisdiction or other interrogatory by a governmental entity or similar process; (iii) such Information has been made generally available to the public; or (iv) such Information is or becomes available to such Inspector on a non-confidential basis other than through the breach of an obligation of confidentiality (contractual or otherwise). The Holder(s) of Registrable Securities agree that they will, upon learning that disclosure of such Information is sought in a court of competent jurisdiction or by another governmental entity, give notice to the Company and allow the Company, at the Company's expense, to undertake appropriate action to prevent disclosure of the Information deemed confidential;

(j) in the case of an Underwritten Offering, deliver to the underwriters of such Underwritten Offering a "comfort" letter in customary form and at customary times and covering matters of the type customarily covered by such comfort letters from its independent certified public accountants;

(k) in the case of an Underwritten Offering, deliver to the underwriters of such Underwritten Offering a written and signed legal opinion or opinions in customary form from its outside or in-house legal counsel dated the closing date of the Underwritten Offering;

(l) provide a transfer agent and registrar (which may be the same entity and which may be the Company) for such Registrable Securities and deliver to such transfer agent and registrar such customary forms, legal opinions from its outside or in-house legal counsel, agreements and other documentation as such transfer agent and/or registrar so request;

(m) issue to any underwriter to which any Selling Investors may sell Registrable Securities in such offering certificates evidencing such Registrable Securities;

(n) upon the request of any Holder of the Registrable Securities included in such registration, use reasonable best efforts to cause such Registrable Securities to be listed on any national securities exchange on which any Shares are listed or, if the Shares are not listed on a national securities exchange, use its reasonable best efforts to qualify such Registrable Securities for inclusion on such national securities exchange as the Company shall designate;

(o) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission and make available to its security holders, as soon as reasonably practicable, earnings statements (which need not be audited) covering a period of 12 months beginning within three months after the effective date of the Registration Statement, which earnings statements shall satisfy the provisions of Section 11(a) of the Securities Act;

(p) notify the Holders and the lead underwriter or underwriters, if any, and (if requested) confirm such advice in writing, as promptly as reasonably practicable after notice thereof is received by the Company when the applicable Registration Statement or any amendment thereto has been filed or becomes effective and when the applicable Prospectus or any amendment or supplement thereto has been filed;

(q) use its reasonable best efforts to prevent the entry of, and use its reasonable best efforts to obtain as promptly as reasonably practicable the withdrawal of, any stop order with respect to the applicable Registration Statement or other order suspending the use of any preliminary or final Prospectus;

(r) promptly incorporate in a prospectus supplement or post-effective amendment to the applicable Registration Statement such information as the lead underwriter or underwriters, if any, and each Selling Investor agree should be included therein relating to the plan of distribution with respect to such class of Registrable Securities, which may include disposition of Registrable Securities by all lawful means, including firm-commitment underwritten public offerings, block trades, agented transactions, sales directly into the market, purchases or sales by brokers, derivative transactions, short sales, stock loan or stock pledge transactions and sales not involving a public offering; and make all required filings of such prospectus supplement or post-effective amendment as promptly as reasonably practicable after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(s) cooperate with each Holder and each underwriter or agent, if any, participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(t) provide a CUSIP number or numbers for all such shares, in each case not later than the effective date of the applicable registration statement;

(u) to the extent reasonably requested by the lead or managing underwriters in connection with an Underwritten Offering (including an Underwritten Offering pursuant to Section 2.1 or Section 2.2) make appropriate officers of the Company available to attend by electronic means any “roadshows” scheduled in connection with any such Underwritten Offering, with all out of pocket costs and expenses incurred by the Company or such officers in connection with such attendance to be paid by the Company;

(v) enter into such agreements (including an underwriting agreement in customary form) and take such other actions as the Selling Investor or Selling Investors, as the case may be, owning at least a majority of the Registrable Securities covered by any applicable Registration Statement shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including customary indemnification and contribution to the effect and to the extent provided in Article V hereof, provided, however, that if a Holder becomes a party to any underwriting agreement or related documents, the Holder shall not be required in any such underwriting agreement or related documents to make any representations or warranties to or agreements with the Company or the underwriters other than customary representations, warranties or agreements regarding such Holder’s title to Registrable Securities and any written information provided by the Holder to the Company expressly for inclusion in the related Registration Statement, and the liability of any Holder under the underwriting agreement shall be several and not joint and in no event shall the liability of any Holder under the underwriting agreement be greater in amount than the dollar amount of the proceeds received by such Holder under the sale of the Registrable Securities pursuant to such underwriting agreement (net of underwriting discounts and commissions);

(w) upon request, promptly and no more than two (2) Business Days following any request, remove all legends on such Holder's Registrable Securities relating to the restrictions on resale in connection with the sale of such Registrable Securities pursuant to an effective registration statement; and

(x) subject to all the other provisions of this Agreement, use its reasonable best efforts to take all other steps necessary to effect the registration, marketing and sale of such Registrable Securities contemplated hereby.

ARTICLE V

INDEMNIFICATION

Section 5.1 Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the full extent permitted by law, each Holder, its Affiliates and its and their respective officers, directors, managers, partners, direct or indirect or current or future equity financing sources, members and representatives, and each of their respective successors and assigns, against any losses, claims, damages, liabilities and expenses caused by any violation by the Company of the Securities Act or the Exchange Act applicable to the Company and relating to action or inaction required of the Company in connection with the registration contemplated by a Registration Statement or any untrue or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus, or preliminary Prospectus or any amendment thereof or supplement thereto, or any other disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same was made in reliance on and in conformity with any information furnished in writing to the Company by such Holder expressly for use therein; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Registration Statement, Prospectus, or preliminary Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished to the Company in writing by the Person asserting such loss, claim, damage, liability or expense specifically for use therein. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any such Person and shall survive the transfer of such securities. The Company will also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who Controls such Persons to the same extent as provided above with respect to the indemnification of the Holder, if requested.

Section 5.2 Indemnification by Selling Investors. Each Selling Investor agrees to indemnify and hold harmless, to the full extent permitted by law, the Company, the Company's Controlled Affiliates and their respective directors, managers, partners, members and representatives, and each of their respective successors and assigns, and each Person who Controls the Company against any losses, claims, damages or liabilities and expenses caused by any untrue or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus, or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, that such untrue statement or omission was made in reliance on and in conformity with any information furnished in writing by such Selling Investor to the Company expressly for inclusion in such Registration Statement and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting such loss, claim, damage, liability or expense; provided that the obligation to indemnify shall be several, not joint and several, for each Selling Investor and in no event shall the liability of any Selling Investor hereunder be greater in amount than the dollar amount of the net proceeds received by such Selling Investor upon the sale of the Registrable Securities giving rise to such indemnification obligation.

Section 5.3 Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder will (i) give prompt (but in any event within 30 days after such Person has actual knowledge of the facts constituting the basis for indemnification) written notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is prejudiced by reason of such delay or failure. Any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (a) the indemnifying party has agreed in writing to pay such fees or expenses, (b) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (c) the indemnified party has reasonably concluded, based on the advice of counsel, that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party or (d) in the reasonable judgment of any such Person, based upon advice of counsel, a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if such Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action or claim in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes (i) an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, (ii) does not include a statement as to or an admission of fault, culpability or failure to act by or on behalf of any indemnified party and (iii) does not commit any indemnified party to take, or hold back from taking, any action. No indemnified party shall, without the written consent of the indemnifying party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder, and no indemnifying party shall be liable for any settlement or compromise of, or consent to the entry of judgment with respect to, any such action or claim effected without its consent, in each case which consent shall not be unreasonably withheld.

Section 5.4 Settlement Offers. Whenever the indemnified party or the indemnifying party receives a firm offer to settle a claim for which indemnification is sought hereunder, it shall promptly notify the other of such offer. If the indemnifying party refuses to accept such offer within 20 Business Days after receipt of such offer (or of notice thereof), such claim shall continue to be contested and, if such claim is within the scope of the indemnifying party's indemnity contained herein, the indemnified party shall be indemnified pursuant to the terms hereof. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim in any one jurisdiction, unless in the written opinion of counsel to the indemnified party, reasonably satisfactory to the indemnifying party, use of one counsel would be expected to give rise to a conflict of interest between such indemnified party and any other of such indemnified parties with respect to such claim, in which event the indemnifying party shall be obligated to pay the fees and expenses of one additional counsel.

Section 5.5 Other Indemnification. Indemnification similar to that specified in this Article V (with appropriate modifications) shall be given by the Company and each Selling Investor with respect to any required registration or other qualification of Registrable Securities under Federal or state law or regulation of governmental authority other than the Securities Act.

Section 5.6 Contribution. If for any reason the indemnification provided for in Section 5.1 or Section 5.2 is unavailable to an indemnified party or insufficient to hold it harmless as contemplated by Section 5.1 and Section 5.2, then (i) the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as shall be appropriate to reflect the relative benefits received by the Company, on the one hand, and such prospective sellers, on the other hand, from their sale of the Registrable Securities, provided that, no Selling Investor shall be required to contribute in an amount greater than the dollar amount of the net proceeds received by such Selling Investor with respect to the sale of the Registrable Securities giving rise to such indemnification obligation. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities, or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in Section 5.3, defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations in this Section 5.6 to contribute shall be several in proportion to the amount of Registrable Securities registered by them and not joint.

ARTICLE VI

EXCHANGE ACT COMPLIANCE

Section 6.1 Exchange Act Compliance. So long as the Company (a) has registered a class of securities under Section 12 or Section 15 of the Exchange Act and (b) files reports under Section 13 of the Exchange Act, then the Company shall take all actions reasonably necessary to enable Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act, as such rule may be amended from time to time or any similar rules or regulations adopted by the Commission, including, without limiting the generality of the foregoing, (i) making and keeping current public information available, as those terms are understood and defined in Rule 144 promulgated under the Securities Act, (ii) filing with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act to the extent so required and (iii) at the request of any Holder if such Holder proposes to sell securities in compliance with Rule 144, forthwith furnish to such Holder, as applicable, a written statement of compliance with the reporting requirements of the Commission as set forth in Rule 144 and make available to such Holder such information as will enable the Holder to make sales pursuant to Rule 144.

ARTICLE VII

MISCELLANEOUS

Section 7.1 Severability. If any provision of this Agreement is adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 7.2 Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York irrespective of the choice of laws principles thereof. The parties agree that any legal action or proceeding regarding this Agreement shall be brought and determined exclusively in a state of federal court located within the State of New York. EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION PROCEEDING, CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 7.3 Other Registration Rights. If the Company shall at any time hereafter provide to any holder of any securities of the Company rights with respect to the registration of such securities under the Securities Act, such rights shall not be in conflict with or adversely affect any of the rights provided to the Holders of Registrable Securities in, or conflict (in a manner that adversely affects Holders of Registrable Securities) with any other provisions included in, this Agreement.

Section 7.4 Successors and Assigns. Subject to Section 7.4, this Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties hereto, each of which, in the case of the Holders, shall agree to become subject to the terms of this Agreement by executing an Adoption Agreement and be bound to the same extent as the parties hereto. The Company may not assign any of its rights or delegate any of its duties hereunder without the prior written consent of the Holders of a majority of the Registrable Securities. Subject to Section 2.1(a) and Section 2.2(a), any Holder may, at its election and at any time or from time to time, assign its rights and delegate its duties hereunder, in whole or in part, to any Transferee of such Holder (each, an "Assignee"); provided, that no such assignment shall be binding upon or obligate the Company to any such Assignee unless and until such Assignee delivers the Company an Adoption Agreement. If a Holder assigns its rights under this Agreement in connection with the Transfer of less than all of its Registrable Securities, the Holder shall retain its rights under this Agreement with respect to its remaining Registrable Securities. If a Holder assigns its rights under this Agreement in connection with the Transfer of all of its Registrable Securities, the Holder shall have no further rights or obligations under this Agreement, except under Article V hereof in respect of offerings in which such Holder participated or registrations in which Registrable Securities held by such Holder were included. Any purported assignment in violation of this provision shall be null and *void ab initio*.

Section 7.5 Notices. All notices, requests, consents and other communications hereunder to any party shall be deemed to be sufficient if delivered in writing in person, by electronic mail, or sent by nationally-recognized overnight courier postage prepaid (with a copy of such communication sent by electronic mail), addressed to such party at the address set forth below or at such other address as may hereafter be designated in writing by such party to the other parties. All such notices, requests, consents and other communications shall be deemed to have been received (i) in the case of personal delivery or delivery by electronic mail, on the date of such delivery and (ii) in the case of dispatch by nationally recognized overnight courier, on the next Business Day following such dispatch.

Section 7.6 Headings. The headings contained in this Agreement are for the sole purpose of convenience of reference, and shall not in any way limit or affect the meaning or interpretation of any of the terms or provisions of this Agreement.

Section 7.7 Additional Parties. Additional parties to this Agreement shall only include each Holder (a) who has executed an Adoption Agreement, in the form attached hereto as Exhibit A, or (b) who (i) is bound by and subject to the terms of this Agreement, and (ii) has adopted this Agreement with the same force and effect as if it were originally a party hereto.

Section 7.8 Adjustments. If, and as often as, there are any changes in the Shares or securities convertible into or exchangeable into or exercisable for Shares as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination, exchange or readjustment of shares, or any stock dividend or stock distribution, merger or other similar transaction affecting such Shares or such securities, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to such Shares or such securities as so changed.

Section 7.9 Entire Agreement. This Agreement and the other writings referred to herein constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral or written, with respect to such subject matter.

Section 7.10 Counterparts; ..pdf Signature. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same document. This Agreement may be executed by .pdf signature (or similar means), and a .pdf signature (or similar means) shall constitute an original for all purposes. No party hereto or to any such agreement or instrument will raise the use of electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Section 7.11 Amendment. Other than with respect to amendments to Schedule I attached hereto, which may be amended by the Company from time to time to reflect the Holders at such time, this Agreement may not be amended, modified or supplemented without the written consent of the Holders of a majority of the Registrable Securities; provided, however, that, with respect to a particular Holder or group of Holders, any such amendment, supplement, modification or waiver that (a) would materially and adversely affect such Holder or group of Holders in any respect or (b) would disproportionately benefit any other Holder or group of Holders or confer any benefit on any other Holder or group of Holders to which such Holder of group of Holders would not be entitled, shall not be effective against such Holder or group of Holders unless approved in writing by such Holder or the Holders of a majority of the Registrable Securities held by such group of Holders, as the case may be.

Section 7.12 Extensions; Waivers. Any party may, for itself only, (a) extend the time for the performance of any of the obligations of any other party under this Agreement, (b) waive any inaccuracies in the representations and warranties of any other party contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any extension or waiver pursuant to this Section 7.12 will be valid only if set forth in a writing signed by the party to be bound thereby. No waiver by any party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, may be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising because of any prior or subsequent such occurrence. Neither the failure nor any delay on the part of any party to exercise any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise of the same or of any other right or remedy.

Section 7.13 Business Days. If any time period for giving notice or taking action hereunder expires on a day that is not a Business Day, the time period will automatically be extended to the Business Day immediately following such Saturday, Sunday or legal holiday.

Section 7.14 Further Assurances. Each of the parties hereto shall execute all such further instruments and documents and take all such further action as the Company may reasonably require in order to effectuate the terms and purposes of this Agreement.

Section 7.15 No Third-Party Beneficiaries. Except pursuant to Article V, this Agreement shall not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns and other Persons expressly named herein.

Section 7.16 Interpretation; Construction. This Agreement has been freely and fairly negotiated among the parties. If an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties and no presumption or burden of proof will arise favoring or disfavoring any party because of the authorship of any provision of this Agreement. Any reference to any law will be deemed to refer to such law as amended and all rules and regulations promulgated thereunder, unless the context requires otherwise. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder” and words of similar import refer to this Agreement as a whole, including the schedules, exhibits and annexes, as the same may from time to time be amended, modified or supplemented, and not to any particular subdivision unless expressly so limited. References to “will” or “shall” mean that the party must perform the matter so described and a reference to “may” means that the party has the option, but not the obligation, to perform the matter so described. All references to sections, schedules, annexes and exhibits mean the sections of this Agreement and the schedules, annexes and exhibits attached to this Agreement, except where otherwise stated. The parties intend that each representation, warranty, and covenant contained herein will have independent significance. If any party has breached any covenant contained herein in any respect, the fact that there exists another covenant relating to the same subject matter (regardless of the relative levels of specificity) that the party has not breached will not detract from or mitigate the party’s breach of the first covenant.

Section 7.17 Term. This Agreement shall terminate (i) with respect to any Holder, at such time as such Holder has no Registrable Securities and (ii) in full and be of no further effect at such time as there are no Registrable Securities held by any Holders. Notwithstanding the foregoing, Article V, Section 7.2, Section 7.5, and Section 7.16 shall survive any termination.

"Applicable Commitment Fee Percentage": during the period from the Closing Date until the first Adjustment Date, the Applicable Commitment Fee Percentage shall at all times equal 0.50% per annum. The Applicable Commitment Fee Percentage will be adjusted on each Adjustment Date to the applicable rate per annum set forth under clause (a) of the definition of "Pricing Grid", under the heading "Applicable Commitment Fee Percentage" on the Pricing Grid which corresponds to the Consolidated Total Corporate Leverage Ratio determined from the financial statements and Compliance Certificate relating to the end of the fiscal quarter immediately preceding such Adjustment Date. If it is subsequently determined before the date on which all Revolving Loans and Swing Line Loans of the applicable Tranche have been repaid and all Revolving Commitments of the applicable Tranche have been terminated that the Consolidated Total Corporate Leverage Ratio set forth in any Compliance Certificate delivered to the Administrative Agent is inaccurate for any reason and the result thereof is that the Revolving Lenders received interest or fees for any period based on an Applicable Commitment Fee Percentage that is less than that which would have been applicable had the Consolidated Total Corporate Leverage Ratio been accurately determined, then, for all purposes of this Agreement, the "Applicable Commitment Fee Percentage" for any day occurring within the period covered by such Compliance Certificate shall retroactively be deemed to be the relevant percentage as based upon the accurately determined Consolidated Total Corporate Leverage Ratio for such period, and any shortfall in the interest or fees theretofore paid by the Borrowers for the relevant period as a result of the miscalculation of the Consolidated Total Corporate Leverage Ratio shall be deemed to be (and shall be) due and payable by the Borrowers upon the date that is five Business Days after notice by the Administrative Agent to the Parent Borrower of such miscalculation. During or prior to such five Business Day period and thereafter, if the preceding sentence is complied with, the failure to previously pay such interest and fees at the correct Applicable Commitment Fee Percentage and the delivery of such inaccurate certificate shall not in and of themselves constitute a Default or Event of Default and no amounts shall be payable at the Default Rate in respect of any such interest or fees.

"Applicable Discount": as defined in Section 4.4(f)(iii).

"Applicable Margin": in the case of (a) Initial Revolving Loans and Swing Line Loans, (i) with respect to ABR Loans and Canadian Prime Rate Loans, 2.50% per annum during the period from the Closing Date until the first Adjustment Date and (ii) with respect to Eurocurrency Loans, SONIA Loans and BA Equivalent Loans, 3.50% per annum during the period from the Closing Date until the first Adjustment Date and (b) Initial Term Loans, (i) with respect to ABR Loans, 2.50% per annum during the period from the Closing Date until the first Adjustment Date and (ii) with respect to Eurocurrency Loans, 3.50% per annum during the period from the Closing Date until the first Adjustment Date. The Applicable Margins with respect to the Initial Revolving Loans and Swing Line Loans will be adjusted on each Adjustment Date to the applicable rate per annum set forth under clause (a) of the definition of "Pricing Grid", as applicable, under the heading "Applicable Margin for ABR Loans and Canadian Prime Rate Loans" or "Applicable Margin for Eurocurrency Loans, SONIA Loans and BA Equivalent Loans" on the Pricing Grid which corresponds to the Consolidated Total Corporate Leverage Ratio determined from the financial statements and Compliance Certificate relating to the end of the fiscal quarter immediately preceding such Adjustment Date. The Applicable Margins with respect to the Initial Term Loans will be adjusted on each Adjustment Date to the applicable rate per annum set forth under clause (b) of the definition of "Pricing Grid" under the heading "Applicable Margin for ABR Loans" or "Applicable Margin for Eurocurrency Loans" which corresponds to the Consolidated Total Corporate Leverage Ratio determined from the financial statements and Compliance Certificate relating to the end of the fiscal quarter immediately preceding such Adjustment Date. If it is subsequently determined before, with respect to Revolving Loans and Swing Line Loans, the date on which all Revolving Loans and Swing Line Loans of the applicable Tranche have been repaid and all Revolving Commitments of the applicable Tranche have been terminated, and with respect to Initial Term Loans, the date on which all Initial Term Loans of the applicable Tranche have been repaid, that the Consolidated Total Corporate Leverage Ratio set forth in any Compliance Certificate delivered to the Administrative Agent is inaccurate for any reason and the result thereof is that the Revolving Lenders or Term Loan Lenders, as applicable, received interest or fees for any period based on an Applicable Margin that is less than that which would have been applicable had the Consolidated Total Corporate Leverage Ratio been accurately determined, then, for all purposes of this Agreement, the "Applicable Margin" for any day occurring within the period covered by such Compliance Certificate shall retroactively be deemed to be the relevant percentage as based upon the accurately determined Consolidated Total Corporate Leverage Ratio for such period, and any shortfall in the interest or fees theretofore paid by the Borrowers for the relevant period as a result of the miscalculation of the Consolidated Total Corporate Leverage Ratio shall be deemed to be (and shall be) due and payable by the Borrowers upon the date that is five Business Days after notice by the Administrative Agent to the Parent Borrower of such miscalculation. During or prior to such five Business Day period and thereafter, if the preceding sentence is complied with, the failure to previously pay such interest and fees at the correct Applicable Margin and the delivery of such inaccurate certificate shall not in and of themselves constitute a Default or Event of Default and no amounts shall be payable at the Default Rate in respect of any such interest or fees.

"Apollo": as defined in the definition of "Plan Sponsor" in this Section 1.1.

For the avoidance of doubt, if the Parent Borrower has exercised its option under the first sentence of this clause (g), and any Default, Event of Default or specified Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(h) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio or the Consolidated Total Net Corporate Leverage Ratio; or

(ii) testing baskets set forth in this Agreement;

in each case, at the option of the Parent Borrower (the Parent Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCA Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCA Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCA Test Date for which consolidated financial statements of the Parent Borrower are available, the Parent Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Parent Borrower has made an LCA Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio, basket or amount, including due to fluctuations in Consolidated EBITDA of the Parent Borrower or the Person subject to such Limited Condition Transaction or any applicable currency exchange rate, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Parent Borrower has made an LCA Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Parent Borrower or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) have been consummated; provided that, with respect to the making of Restricted Payments on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio shall also be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence or Discharge of Indebtedness and the use of proceeds of such Incurrence) have not been consummated.

(i) Any reference in this Agreement or any other Loan Document to a merger, consolidation, amalgamation, conveyance, disposal, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, corporation or partnership, or an allocation of assets to a series of or one or more limited liability companies, partnerships or corporations, or the unwinding of such a division or allocation, as if it were a merger, consolidation, amalgamation conveyance, disposal, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, corporation or partnership shall be deemed to constitute the formation of a separate Person, and any such division shall constitute a separate Person hereunder and under the other Loan Documents (and each division of any limited liability company, corporation or partnership that is a subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

(j) If at any time any action or transaction meets the criteria of one or more than one of the categories of exceptions, thresholds or baskets set forth within each negative covenant set forth in Section 8 or any definition used therein, the Parent Borrower may divide, classify and/or designate such action or transaction (or any portion thereof), and later (on one or more occasions) may re-divide, re-classify and/or re-designate such action or transaction (or any portion thereof), as consummated in reliance on one or more of such exceptions, thresholds and baskets within such negative covenant (but not, for the avoidance of doubt, as consummated in reliance on one or more exception, threshold or basket within any other negative covenant) as the Parent Borrower may determine in its sole discretion from time to time, including by re-dividing, re-classifying and/or re-designating any action or transaction originally consummated in reliance on one or more fixed exceptions, thresholds or baskets ("fixed baskets") as consummated in reliance on any available incurrence-based exception, threshold or basket ("incurrence-based baskets") within the same negative covenant (but not, for the avoidance of doubt, within any other negative covenant) that is available at the time of such re-division, re-classification and/or re-designation (for the avoidance of doubt, which determination shall be made without duplication of such applicable action or transaction to be re-divided, re-classified and/or re-designated) and if any ratio or financial test set forth in any applicable incurrence-based basket would be satisfied at any time after consummation of such action or transaction, such re-division, re-classification and/or re-designation within such negative covenant (but not, for the avoidance of doubt, within any other negative covenant) shall be deemed to have automatically occurred if not elected by the Borrower (provided that all Indebtedness under this Agreement Incurred on or after the Closing Date shall be deemed to have been Incurred pursuant to Section 8.10(b)(i) and the Borrower shall not be permitted to reclassify all or any portion of Indebtedness Incurred pursuant to Section 8.10(b)(i)).

(k) If any fixed baskets are intended to be utilized together with any incurrence-based baskets in any action or transaction, (i) compliance with or satisfaction of any applicable financial ratios or tests for such action or transaction (or any portion thereof) to be consummated under any incurrence-based baskets shall first be calculated without giving effect to amounts being utilized pursuant to any fixed baskets or any substantially concurrent revolving credit loans incurrence, but giving full pro forma effect to all applicable and related transactions (including, subject to the foregoing with respect to fixed baskets, any incurrence and repayments of Indebtedness) and all other permitted pro forma adjustments, and (ii) thereafter, incurrence of the portion of such action or transaction to be consummated under any fixed baskets or revolving loan incurrence shall be calculated.

(l) All references to "in the ordinary course of business" of Parent Borrower or any Subsidiary thereof means (i) in the ordinary course of business of, or in furtherance of an objective that is in the ordinary course of business of such Borrower or such Subsidiary, as applicable, (ii) customary and usual in the industry or industries of the Borrowers and their Subsidiaries in the United States or any other jurisdiction in which any Borrower or any Subsidiary does business, as applicable, or (iii) generally consistent with the past or current practice of such Borrower or such Subsidiary, as applicable, or any similarly situated businesses of the United States or any other jurisdiction in which any Parent Borrower or any Subsidiary does business, as applicable.

(m) All references to "knowledge" of any Loan Party or a Restricted Subsidiary means the actual knowledge of a Responsible Officer of such Loan Party or Restricted Subsidiary.

(n) For purposes of determining the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Corporate Leverage Ratio or the Consolidated Total Net Corporate Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (i) testing the financial covenant set forth in Section 8.9, at the exchange rate as of the last day of the fiscal quarter for which such measurement is being made, and (ii) calculating the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Corporate Leverage Ratio or the Consolidated Total Net Corporate Leverage Ratio, at the exchange rate as of the date of determination, and will, in the case of Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period; *provided* that if the Parent Borrower or any of its Restricted Subsidiaries has entered into any currency Swap Contracts in respect of any borrowings, the Dollar Amount of such borrowings shall be determined by first taking into account the effects of that currency Swap Contract.

1.3 Appointment of Borrower Representative. Each Borrower hereby designates the Parent Borrower as its borrower representative. The Parent Borrower will be acting as agent, attorney-in-fact and representative on each of the Borrowers' behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2 and Section 4 or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents. The Parent Borrower hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Parent Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

1.4 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

1.5 Interest Rates; LIBOR Notification. The interest rate on a Loan denominated in Dollars or a Designated Foreign Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate ("LIBOR") is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. On March 5, 2021, the U.K. Financial Conduct Authority ("FCA") publicly announced that: (i) immediately after December 31, 2021, publication of all seven euro LIBOR settings, the overnight, 1-week, 2-month and 12-month British Pound Sterling LIBOR settings, and the 1-week and 2-month U.S. Dollar LIBOR settings will permanently cease; (ii) immediately after June 30, 2023, publication of the overnight and 12-month U.S. Dollar LIBOR settings will permanently cease; (iii) immediately after December 31, 2021, the 1-month, 3-month and 6-month British Pound Sterling LIBOR settings will cease to be provided or, subject to consultation by the FCA, be provided on a changed methodology (or "synthetic") basis and no longer be representative of the underlying market and economic reality they are intended to measure and that representativeness will not be restored; and (iv) immediately after June 30, 2023, the 1-month, 3-month and 6-month U.S. Dollar LIBOR settings will cease to be provided or, subject to the FCA's consideration of the case, be provided on a synthetic basis and no longer be representative of the underlying market and economic reality they are intended to measure and that representativeness will not be restored. There is no assurance that dates announced by the FCA will not change or that the administrator of LIBOR and/or regulators will not take further action that could impact the availability, composition, or characteristics of LIBOR or the currencies and/or tenors for which LIBOR is published. Each party to this agreement should consult its own advisors to stay informed of any such developments. Public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of LIBOR. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the monitoring, determination or verification of the unavailability or cessation of LIBOR (or other applicable Benchmark), the administration, submission of or any other matter related to SONIA, LIBOR, the BA Rate, the Applicable Rate, the Eurocurrency Rate or any component definition thereof or rates referenced in the definition thereof or any alternative, comparable or successor rate or adjustment thereto (including any then-current Benchmark, or any Benchmark Replacement or any Benchmark Replacement Adjustment), including whether the composition or characteristics of any such alternative, comparable or successor rate or adjustment (including any Benchmark Replacement or any Benchmark Replacement Adjustment) will be similar to, or produce the same value of economic equivalence of, SONIA, the Eurocurrency Rate, the BA Rate, the Base Rate or any other Benchmark or any Benchmark convention, including any applicable recommendations made by the Relevant Governmental Body. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any SONIA, LIBOR, the BA Rate, the Eurocurrency Rate or any alternative, comparable or successor rate or adjustment (including any Benchmark Replacement or any Benchmark Replacement Adjustment), in each case, in a manner adverse to the Borrowers.

1.6 Cashless Rollover(a) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with an Incremental Indebtedness, Refinancing Indebtedness, Indebtedness incurred under Section 8.10(a), or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

1.7 Calculation of Baskets(a). If (a) any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to LTM Consolidated EBITDA for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations or (b) any baskets, is exceeded, any representation or warranty would be untrue or inaccurate, any undertaking would be breached, or any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be exceeded, untrue, inaccurate, breached, exceeded or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

During the Initial Revolving Commitment Period, the Borrowers may use the Initial Revolving Commitments by borrowing, prepaying the Initial Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof; provided that the amount of Revolving Loans funded on the Closing Date pursuant to Sections 5.17(iii)(a)(1), (iii)(a)(3) and (iii)(c) (in the case of Section 5.17(iii)(c), other than to the extent used for working capital) shall not exceed an aggregate amount of $50,000,000.

Such borrowing will then be made available to the applicable Borrower by the Administrative Agent crediting the account of the applicable Borrower on the books of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Lenders and in like funds as received by the Administrative Agent.

2.7 Swing Line Commitments.

(a) Subject to the terms and conditions hereof, the Swing Line Lender agrees to make swing line loans (individually, a "Swing Line Loan"; collectively, the "Swing Line Loans") to the Borrowers (on a joint and several basis as between the Borrowers) from time to time during the Initial Revolving Commitment Period in an aggregate principal amount at any one time outstanding not to exceed an amount agreed from time to time between the Parent Borrower and the Swing Line Lender, but in any event not greater than $250,000,000; provided that at no time may the sum of the Dollar Equivalent of the then outstanding Swing Line Loans, Revolving Loans and Revolving L/C Obligations exceed the Revolving Commitments then in effect. Amounts borrowed by the Borrowers under this Section 2.7 may be repaid and, through but excluding the Initial Revolving Maturity Date, reborrowed. All Swing Line Loans made to the Borrowers shall be made in Dollars as ABR Loans and shall not be entitled to be converted into Eurocurrency Loans. The Parent Borrower shall give the Swing Line Lender irrevocable notice (which notice must be received by the Swing Line Lender prior to 12:00 P.M., New York City time (or such later time as may be agreed by the Swing Line Lender in its reasonable discretion) on the requested Borrowing Date specifying the identity of each applicable Borrower (if not the Parent Borrower) and the amount of the requested Swing Line Loan, which shall be in a minimum amount of $1,000,000 or whole multiples of $500,000 in excess thereof.

(b) The Swing Line Lender, at any time in its sole and absolute discretion, may, and, at any time as there shall be a Swing Line Loan outstanding for more than seven Business Days, the Swing Line Lender shall, on behalf of the Parent Borrower (which hereby irrevocably directs and authorizes the Swing Line Lender to act on its behalf), request (provided that such request shall be deemed to have been automatically made upon the occurrence of an Event of Default under Section 9.1(f)) each Revolving Lender, including the Swing Line Lender, to make a Revolving Loan as an ABR Loan in an amount equal to such Lender's Revolving Commitment Percentage of the principal amount of all Swing Line Loans (a "Mandatory Revolving Loan Borrowing") in an amount equal to such Revolving Lender's Revolving Commitment Percentage of the principal amount of all of the Swing Line Loans (collectively, the "Refunded Swing Line Loans") outstanding on the date such notice is given; provided that the provisions of this subsection shall not affect the joint and several obligations of the Borrowers to prepay Swing Line Loans in accordance with the provisions of Section 4.4(b)(vi). Unless the Revolving Commitments shall have expired or terminated (in which event the procedures of paragraph (c) of this Section 2.7 shall apply), each Revolving Lender hereby agrees to make the proceeds of its Revolving Loan (including any Eurocurrency Loan) available to the Administrative Agent for the account of the Swing Line Lender at the office of the Administrative Agent prior to 12:00 noon, New York City time, in funds immediately available on the Business Day next succeeding the date such notice is given notwithstanding (i) that the amount of the Mandatory Revolving Loan Borrowing may not comply with the minimum amount for Revolving Loans otherwise required hereunder, (ii) whether any conditions specified in Section 6.2 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) the date of such Mandatory Revolving Loan Borrowing and (v) the amount of the Revolving Commitment of such, or any other, Lender at such time. The proceeds of such Revolving Loans (including any Eurocurrency Loan) shall be immediately applied to repay the Refunded Swing Line Loans.

(c) If the Revolving Commitments shall expire or terminate at any time while Swing Line Loans are outstanding, each Revolving Lender shall, at the option of the Swing Line Lender, exercised reasonably, either (i) notwithstanding the expiration or termination of the Revolving Commitments, make a Revolving Loan as an ABR Loan (which Revolving Loan shall be deemed a "Revolving Loan" for all purposes of this Agreement and the other Loan Documents) or (ii) purchase an undivided participating interest in such Swing Line Loans, in either case in an amount equal to such Revolving Lender's Revolving Commitment Percentage determined on the date of, and immediately prior to, expiration or termination of the Revolving Commitments of the aggregate principal amount of such Swing Line Loans; provided that, in the event that any Mandatory Revolving Loan Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under any bankruptcy, reorganization, dissolution, insolvency, receivership, administration or liquidation or similar law with respect to a Borrower), then each Revolving Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Revolving Loan Borrowing would otherwise have occurred, but adjusted for any payments received from the Borrowers on or after such date and prior to such purchase) from the Swing Line Lender such participations in such outstanding Swing Line Loans as shall be necessary to cause such Revolving Lenders to share in such Swing Line Loans ratably based upon their respective Revolving Commitment Percentages; provided, further, that (x) all interest payable on the Swing Line Loans shall be for the account of the Swing Line Lender until the date as of which the respective participation is required to be purchased and, to the extent attributable to the purchased participation, shall be payable to the participant from and after such date and (y) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Revolving Lender shall be required to pay the Swing Line Lender interest on the principal amount of the participation purchased for each day from and including the day upon which the Mandatory Revolving Loan Borrowing would otherwise have occurred to but excluding the date of payment for such participation, at the rate otherwise applicable to Revolving Loans made as ABR Loans. Each Revolving Lender will make the proceeds of any Revolving Loan made pursuant to the immediately preceding sentence available to the Administrative Agent for the account of the Swing Line Lender at the office of the Administrative Agent prior to 12:00 noon, New York City time, in funds immediately available on the Business Day next succeeding the date on which the Revolving Commitments expire or terminate and in Dollars. The proceeds of such Revolving Loans shall be immediately applied to repay the Swing Line Loans outstanding on the date of termination or expiration of the Revolving Commitments. In the event that the Revolving Lenders purchase undivided participating interests pursuant to the first sentence of this Section 2.7(c), each Revolving Lender shall immediately transfer to the Swing Line Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swing Line Lender will deliver to such Revolving Lender a Swing Line Loan Participation Certificate dated the date of receipt of such funds and in such amount.

(d) Whenever, at any time after the Swing Line Lender has received from any Revolving Lender such Revolving Lender's participating interest in a Swing Line Loan, the Swing Line Lender receives any payment on account thereof (whether directly from a Borrower or otherwise, including proceeds of Collateral applied thereto by the Swing Line Lender), or any payment of interest on account thereof, the Swing Line Lender will, if such payment is received prior to 1:00 P.M., New York City time, on a Business Day, distribute to such Revolving Lender its pro rata share thereof prior to the end of such Business Day and otherwise, the Swing Line Lender will distribute such payment on the next succeeding Business Day (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's participating interest was outstanding and funded); provided, however, that in the event that such payment received by the Swing Line Lender is required to be returned, such Revolving Lender will return to the Swing Line Lender any portion thereof previously distributed by the Swing Line Lender to it.

(e) Each Revolving Lender's obligation to make the Revolving Loans and to purchase participating interests with respect to Swing Line Loans in accordance with Sections 2.7(b) and 2.7(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any set-off, counterclaim, recoupment, defense or other right that such Revolving Lender or any Borrower may have against the Swing Line Lender, any Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default, (iii) any adverse change in condition (financial or otherwise) of any Borrower, (iv) any breach of this Agreement or any other Loan Document by any Borrower, any other Loan Party or any other Lender, (v) any inability of the Borrowers to satisfy the conditions precedent to borrowing set forth in this Agreement on the date upon which such Revolving Loan is to be made or participating interest is to be purchased or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.8 Record of Loans.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrowers to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(b) The Administrative Agent shall maintain the Register pursuant to Section 11.6(b), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof, whether such Loan is a Term Loan or a Revolving Loan, the Tranche thereof and each Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrowers and each applicable Lender's share thereof.

(c) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.8(b) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrowers to repay (with applicable interest) the Loans made to the Borrowers by such Lender in accordance with the terms of this Agreement.

2.9 Incremental Facility.

(a) So long as no Event of Default exists or would arise therefrom (or, in the case of an Incremental Facility the proceeds of which will be used to finance a Limited Condition Transaction, only to the extent required by the applicable Incremental Lenders; provided that in any event, no Event of Default under Section 9.1(a) or 9.1(f) exists or would arise therefrom), the Parent Borrower shall have the right, at any time and from time to time after the Closing Date, (i) to request new term loan commitments under one or more new term loan credit facilities (including new term loan "C" letter of credit facilities) to be included in this Agreement (the "Incremental Term Loan Commitments"), (ii) to request new commitments under one or more new revolving facilities to be included in this Agreement (the "Incremental Revolving Commitments"), (iii) to increase any Existing Term Loans by requesting new term loan commitments to be added to an Existing Tranche (including new term loan letter of credit commitments under an Existing Tranche of term "C" loans) of Term Loans (the "Supplemental Term Loan Commitments"), (iv) to increase the Existing Tranche of Revolving Commitments by requesting new Revolving Commitments be added to an Existing Tranche of Revolving Commitments (the "Supplemental Revolving Commitments"), and (v) to request new letter of credit facility commitments under one or more new letter of credit facilities to be included in this Agreement (the "Incremental Letter of Credit Commitments" and, together with the Incremental Term Loan Commitments, the Incremental Revolving Commitments, the Supplemental Term Loan Commitments and the Supplemental Revolving Commitments, the "Incremental Commitments" and an incremental facility established pursuant to any of the foregoing an "Incremental Facility"), provided that, the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.9 shall not exceed, at the time the respective Incremental Commitment becomes effective (and after giving effect to the Incurrence of Indebtedness in connection therewith and the application of proceeds of any such Indebtedness, including to refinance other Indebtedness), the Maximum Incremental Facilities Amount at such time. Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments and Supplemental Revolving Commitments) shall be made by creating a new Tranche.

(b) Each request from the Parent Borrower pursuant to this Section 2.9 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank, savings and loan association or other similar savings institution, insurance company, investment fund or company or other financial institution (any such bank, savings and loan association or other savings institution, insurance company, investment fund or company or other financial institution, an "Additional Incremental Lender," and the Additional Incremental Lenders together with any existing Lender providing Incremental Commitments, the "Incremental Lenders") subject, in the case of any Incremental Revolving Commitments and Supplemental Revolving Commitments (if such Additional Incremental Lender is not already a Lender hereunder or any affiliate of a Lender hereunder), to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed).

(c) Supplemental Term Loan Commitments and Supplemental Revolving Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Tranche of Term Loans or Revolving Commitments to be increased, executed by the Borrowers and each increasing Lender substantially in the form attached hereto as Exhibit R-1 (the "Increase Supplement") or by each Additional Incremental Lender substantially in the form attached hereto as Exhibit R-2 (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. An Increase Supplement or Lender Joinder Agreement may, without the consent of any other Lender, effect such amendments (including to Section 2.4(b)) to the Loan Documents as may be necessary or appropriate, in the opinion of the Parent Borrower and the Administrative Agent, to effect the provisions of this Section 2.9. Upon effectiveness of the Lender Joinder Agreement, each Additional Incremental Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan or commitments made pursuant to such Supplemental Revolving Commitment shall be Revolving Commitments, as applicable. Upon the effectiveness of the Increase Supplement or the Lender Joinder Agreement, as the case may be, in each case with respect to any Supplemental Revolving Commitments, outstanding Revolving Loans and/or participations in outstanding Swing Line Loans and/or Revolving L/C Obligations of the applicable Existing Tranche, as the case may be, shall be reallocated (and the increasing Lender or joining Additional Incremental Lender, as applicable, shall make appropriate payments representing principal, with the Borrowers making any necessary payments of accrued interest) so that after giving effect thereto the increasing Lender or the joining Additional Incremental Lender, as the case may be, and the other Lenders of the applicable Existing Tranche share ratably in the total Aggregate Outstanding Revolving Credit in accordance with the applicable Commitments (and notwithstanding Section 4.12, no Borrower shall be liable for any amounts under Section 4.12 as a result of such reallocation).

(d) Incremental Commitments (other than Supplemental Term Loan Commitments and Supplemental Revolving Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers and each applicable Incremental Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Parent Borrower and the Administrative Agent, to effect the provisions of this Section 2.9, provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Parent Borrower other than the Subsidiary Guarantors, and will be secured (except during any Collateral Suspension Period, during which the Incremental Commitments and any incremental loans drawn thereunder (the "Incremental Loans") shall be unsecured) by the same collateral securing the Loans and (B) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Loans and (II) so long as any Initial Term Loans are outstanding, any mandatory prepayment provisions on a greater than pro rata basis relative to the Initial Term B Loans (or the Initial Term C Loans in the case of Incremental Term Loans in the form of term "C" loans); (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date of any Incremental Revolving Commitments shall be no earlier than the Initial Revolving Maturity Date; (iv) the maturity date of any Incremental Term Loan Commitments shall be no earlier than the Initial Term Loan Maturity Date (other than an earlier maturity date for (1) customary bridge financings, escrow or other similar arrangements, which, subject to customary conditions (as determined by the Parent Borrower in good faith), would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date than the Initial Term Loan Maturity Date (such bridge financings, escrow or other similar arrangements, "Extendable Bridge Loans/Interim Debt"))) and (2) Incremental Term Loans (other than Extendable Bridge Loans/Interim Debt), together with Indebtedness Incurred pursuant to Section 8.10(a) and 8.10(b)(i), Specified Refinancing Facilities, Permitted Debt Exchange Notes and permitted refinancings of Incremental Term Loans and any of the foregoing, in each case Incurred in reliance on the Inside Maturity Basket, in an aggregate principal amount of up to the greater of $635,000,000 and 100% of LTM Consolidated EBITDA (this clause 2, the "Inside Maturity Basket")); (v) the average weighted life to maturity of any Incremental Term Loans shall be no shorter than the average weighted life to maturity applicable to (i) with respect to Incremental Term Loans in the form of tranche "C" loans, the Initial Term C Loans and (ii) with respect to all other Incremental Term Loans, the Initial Term B Loans (in each case, without giving effect to any prepayments on the outstanding Initial Term C Loans or Initial Term B Loans, as applicable), provided that Extendable Bridge Loans/Interim Debt and Incremental Term Loans, Indebtedness Incurred pursuant to Section 8.10(a) and 8.10(b)(i), Specified Refinancing Facilities, Permitted Debt Exchange Notes and permitted refinancings of Incremental Term Loans and any of the foregoing, in each case, Incurred in reliance on the Inside Maturity Basket may have a weighted average life to maturity that is shorter than the remaining weighted average life of the applicable Initial Term Loans, (vi) the interest rate margins applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Parent Borrower and the applicable Incremental Lenders; provided that (i) in the event that the applicable interest rate margins for any term loans incurred by the Parent Borrower under any Incremental Term Loan Commitment that is pari passu in right of payment and security with the Initial Term Loans are higher than the applicable interest rate margin for the Initial Term Loans by more than 75 basis points, then the Applicable Margin for the Initial Term Loans shall be increased to the extent necessary so that the applicable interest rate margin for the Initial Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 75 basis points; provided further that, in determining the applicable interest rate margins for the Initial Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront fees payable generally to all participating Incremental Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Parent Borrower to the Lenders under the Initial Term Loans or any Incremental Term Loan shall be included (with OID being equated to interest based on assumed four-year life to maturity); (B) customary arrangement, structuring, underwriting, ticking, commitment and other similar fees not payable to all lenders generally in connection therewith or commitment fees payable to any of the arrangers (or their respective affiliates) in connection with the Initial Term Loans or to one or more arrangers (or their respective affiliates) in connection with the Incremental Term Loans (and any fee payable to any Incremental Lender in lieu of any portion of any such fee payable to any such arranger or affiliate thereof) shall be excluded; (C) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Initial Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Initial Term Loans shall be required, to the extent an increase in the interest rate floor for the Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Initial Term Loans shall be increased by such amount and (D) if the Incremental Term Loans include an interest rate floor lower than the interest rate floor applicable to the Initial Term Loans or does not include an interest rate floor, the difference between the interest rate floor applicable to the Initial Term Loans and the Incremental Term Loans shall reduce the applicable interest rate margin of such Incremental Term Loans for purposes of determining whether an increase in the Applicable Margin for the Initial Term Loans shall be required (such adjustments to the Applicable Margin for the Initial Term Loans pursuant to this clause (vi), the **"**MFN Adjustment"); provided that the MFN Adjustment shall not be applicable to any Incremental Term Loan that (1) is incurred more than 18 months after the Closing Date, (2) is in an aggregate amount equal to or less than the greater of $635,000,000 and 100% of LTM Consolidated EBITDA, (3) matures at least one year after the maturity date applicable to the then outstanding Initial Term Loans, (4) is incurred in connection with a Permitted Acquisition or Permitted Investment, or (5) is incurred under the Incremental Fixed Dollar Basket (clause (1) through (5), the "MFN Exceptions"); (vii) such Incremental Commitment Amendment may (1) provide for the inclusion, as appropriate, of Additional Incremental Lenders in any required vote or action of the Required Lenders, Required Revolving Lenders or of the Lenders of each Tranche hereunder, (2) provide class protection for any additional credit facilities, (3) provide for the amendment of the definitions of "Additional Obligations," "Disqualified Stock, and "Refinancing Indebtedness", in each case only to extend the maturity date from the Initial Term B Loan Maturity Date or Initial Term C Loan Maturity Date, as applicable, to the extended maturity date of such Incremental Term Loans and (4) (A) amend or otherwise modify Section 6.2 solely with respect to any Extension of Credit under any Facility of Incremental Commitments, (B) waive any representation made or deemed made in connection with any Extension of Credit under any Facility of Incremental Commitments and (C) provide that an amendment, supplement or modification of any of the provisions referred to in clause (A) or (B) above may be effected with the consent only of such Incremental Lenders (or any of them); and (vii) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Parent Borrower.

2.10 Extension Amendments.

(a) The Parent Borrower may at any time and from time to time request that all or a portion of the (i) Term Loans (including any Extended Term Loans and term letter of credit commitments related to any term "C" loan facility), each existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") or (ii) Revolving Commitments of one or more Tranches (including any Extended Revolving Commitments) existing at the time of such request (each, an "Existing Revolving Tranche" and together with the Existing Term Tranches, each an "Existing Tranche," and the Revolving Commitments of such Existing Revolving Tranche, the "Existing Revolving Commitments," and together with the Existing Term Loans, the "Existing Loans"), in each case, be converted to extend the scheduled maturity date(s) of any payment of principal or scheduled termination date(s) of any commitments, as applicable, with respect to all or a portion of any principal or committed amount of any Existing Tranche (any such Existing Tranche which has been so extended, an "Extended Term Tranche" or "Extended Revolving Tranche," as applicable, and each an "Extended Tranche," the Loans of such Tranche, the "Extended Loans" and, if the Extension Request relates to any Tranche of Revolving Commitments, the Loans of such Tranche, the "Extended Revolving Loans" and the commitments of such Tranche, the "Extended Revolving Commitments" and, if the Extension Request relates to any Tranche of Term Loans, the Loans of such Tranche, the "Extended Term Loans" and the commitments of such Tranche, the "Extended Term Commitments") and to provide for other terms consistent with this Section 2.10; provided that any applicable Minimum Extension Condition shall be satisfied unless waived by the Parent Borrower. In order to establish any Extended Tranche, the Parent Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Tranche to be established, which terms shall be identical to those applicable to the Existing Tranche from which they are to be extended (the "Specified Existing Tranche") except (w) all or any of the final maturity dates of such Extended Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Tranche, (x) (A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or in lieu of any change in interest margins contemplated by the preceding clause (A), (y) the commitment fee, if any, with respect to the Extended Tranche may be higher or lower than the commitment fee, if any, for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment and (z) subject to clause (c) below, amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Tranche; provided that, notwithstanding anything to the contrary in this Section 2.10 or otherwise, assignments and participations of Extended Tranches shall be governed by the same or, at the Parent Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Initial Term Loans and Initial Revolving Commitments, as applicable, set forth in Section 11.6. No Lender shall have any obligation to agree to have any of its Existing Loans or, if applicable, commitments of any Existing Tranche converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Term Loans or Revolving Commitments, as applicable, from the Specified Existing Tranches and from any other Existing Tranches (together with any other Extended Tranches so established on such date).

(b) The Parent Borrower shall provide the applicable Extension Request at least 10 Business Days (or such shorter period as the Administrative Agent may agree in its reasonable discretion) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (each, an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. The Parent Borrower may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Administrative Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Term Tranche or Existing Revolving Tranche are requested to respond to the Extension Request. Any Lender may revoke an Extension Election at any time prior to 5:00 p.m. on the date that is two Business Days prior to the Extension Request Deadline, at which point the Extension Election becomes irrevocable (unless otherwise agreed by the Parent Borrower). The revocation of an Extension Election prior to the Extension Request Deadline shall not prejudice any Lender's right to submit a new Extension Election prior to the Extension Request Deadline.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to (i) provisions related to maturity, interest margins, fees or amortization referenced in Section 2.10(a) clauses (w) to (z) and (ii) the definitions of "Additional Obligations," "Disqualified Stock" and "Refinancing Indebtedness" to amend the maturity date from the applicable Maturity Date then in effect with respect to the applicable Existing Loans to the extended maturity date of such Extended Tranche, and which in each case, except to the extent expressly contemplated by the penultimate sentence of this Section 2.10(c) and notwithstanding anything to the contrary set forth in Section 11.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 11.1 to any Section 2.10 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.10 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.10 Additional Amendments do not become effective prior to the time that such Section 2.10 Additional Amendments have been consented to (including pursuant to consents applicable to holders of any Extended Tranches provided for in any Extension Amendment) by such of the Lenders, the Borrowers and other parties (if any) as may be required in order for such Section 2.10 Additional Amendments to become effective in accordance with Section 11.1; provided, further, that no Extension Amendment may provide for (a) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Specified Existing Tranche and (b) so long as any Existing Term Tranches are outstanding, any mandatory prepayment provisions that do not also apply to (i) with respect to any Extended Tranche in the form of a term "C" loan facility, the Existing Term Tranches in the form of term "C" loan facilities on a pro rata basis and (ii) with respect to all other Extended Term Loans, the Existing Term Tranches (other than Existing Tranches in the form of term "C" loan facilities) on a pro rata basis, in each case, after the occurrence of an acceleration of the Loans. It is understood and agreed that each Lender has consented for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.10 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.10 Additional Amendment. In connection with any Extension Amendment, at the request of the Administrative Agent or the Extending Lenders, the Parent Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of such Extension Amendment, this Agreement as amended thereby, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (together with any other Extended Tranches so established on such date), provided that any Extended Tranche or Extended Loans may, to the extent provided in the applicable Extension Amendment, be designated as part of any Tranche of Term Loans established on or prior to the date of such Extension Amendment and (B) if, on any Extension Date, any Revolving Loans of any Extending Lender are outstanding under the applicable Specified Existing Tranches, such Loans (and any related participations) shall be deemed to be allocated as Extended Loans (and related participations) and Existing Loans (and related participations) in the same proportion as such Extending Lender's applicable Specified Existing Tranches to the applicable Extended Tranches so converted by such Lender on such date.

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such Lender, a "Non-Extending Lender") then the Parent Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (A) replace such Non-Extending Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Parent Borrower in such instance) all or any part of its rights and obligations under this Agreement with respect to Existing Term Loans and/or Existing Revolving Commitments and Revolving Loans thereunder, in each case as applicable, to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans and/or a commitment on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrowers owing to the Non-Extending Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender (or, at the Parent Borrower's option, the Borrowers) to such Non-Extending Lender concurrently with such Assignment and Acceptance or (B) prepay the Existing Loans and, at the Parent Borrower's option, if applicable, terminate the commitments of such Non-Extending Lender, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 2.10, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to the Non-Extending Lender relating to the Existing Loans and participations so assigned shall be paid in full by the assignee Lender (or, at the Parent Borrower's option, the Borrowers) to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Parent Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Parent Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Loans or commitments, as applicable, deemed to be an Extended Loan or commitment, as applicable, under the applicable Extended Tranche on any date (each date a "Designation Date") prior to the maturity date of such Extended Tranche; provided that such Lender shall have provided written notice to the Parent Borrower and the Administrative Agent at least 10 Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion). Following a Designation Date, the Existing Loans or commitments, as applicable, held by such Lender so elected to be extended will be deemed to be Extended Loans or commitments, as applicable, of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Loans" of the applicable Tranche.

(g) With respect to all Extension Requests consummated by the Borrowers pursuant to this Section 2.10, (i) such extensions shall not constitute optional or mandatory payments or prepayments for purposes of Section 4.4 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the Parent Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Parent Borrower's sole discretion and may be waived by the Parent Borrower) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.10 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 4.4 and 4.8) or any other Loan Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.10.

2.11 Specified Refinancing Facilities.

(a) The Borrowers may, from time to time, add one or more new term loan facilities (including new term loan "C" letter of credit facilities, the "Specified Refinancing Term Loan Facilities") and new revolving credit facilities (the "Specified Refinancing Revolving Facilities," and, together with the Specified Refinancing Term Loan Facilities, the "Specified Refinancing Facilities") to the Facilities to refinance (i) all or any portion of any Tranche of Term Loans then outstanding under this Agreement or (ii) all or any portion of any Tranche of Revolving Loans (or unused Revolving Commitments) under this Agreement; provided that (i) the Specified Refinancing Facilities will not be guaranteed by any Subsidiary of the Parent Borrower other than the Subsidiary Guarantors, and will be secured (except during any Collateral Suspension Period, during which the Specified Refinancing Facilities and any Specified Refinancing Loans (as defined below) shall be unsecured) on a *pari passu* or (at the Parent Borrower's option) junior basis by the same Collateral securing the Initial Term Loans, (ii) the Specified Refinancing Term Loan Facilities and any term loans drawn thereunder (the "Specified Refinancing Term Loans") and Specified Refinancing Revolving Facilities and revolving loans drawn thereunder (the "Specified Refinancing Revolving Loans" and, together with the Specified Refinancing Term Loans, the "Specified Refinancing Loans") shall rank *pari passu* in right of payment with or (at the Parent Borrower's option) junior to the Loans, (iii) no Specified Refinancing Amendment may provide for any Specified Refinancing Facility or any Specified Refinancing Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Loans, (iv) Specified Refinancing Facilities that are secured shall be subject to the Intercreditor Agreement or Other Intercreditor Agreement, (v) the terms and conditions of such Specified Refinancing Facilities (excluding pricing (as to which no "*most favored nation*" clause shall apply), fees and optional prepayment or redemption terms and other immaterial terms which shall be agreed by the Parent Borrower and the applicable Lenders thereof) shall either, at the option of the Parent Borrower, (x) reflect market terms and conditions (taken as a whole) at the time of incurrence or issuance (as determined by the Parent Borrower) or (y) if not consistent with the terms of the corresponding Tranche of Loans being refinanced, not be materially more restrictive to the Parent Borrower and its Restricted Subsidiaries, when taken as a whole, than the terms of the applicable Tranche of Loans being refinanced or replaced unless (1) the Lenders under the corresponding Tranche of Loans being refinanced or replaced also receive the benefit of such more restrictive terms or (2) any such provisions apply only after the Latest Maturity Date (as of the date such Specified Refinancing Facility is added (the "Specified Refinancing Facility Closing Date"), (vi) Lenders providing Specified Refinancing Revolving Facilities, shall be included as additional Revolving L/C Participants and have Swing Line Exposure under the Specified Refinancing Amendment, subject to the consent of each Swing Line Lender and each Issuing Revolving Lender, and on the Specified Refinancing Facility Closing Date all Swing Line Loans and Revolving Letters of Credit shall be participated on a pro rata basis in accordance with their respective Revolving Commitment Percentage existing after giving effect to such Specified Refinancing Amendment, (3) the permanent repayment of Revolving Loans with respect to, and termination of, commitments in respect of Specified Refinancing Revolving Facilities after the date of obtaining any Specified Refinancing Revolving Facilities shall be made on a pro rata basis with all other Revolving Commitments, except that the Parent Borrower shall be permitted to permanently repay and terminate commitments of any such Tranche on a better than a pro rata basis as compared to any other Tranche with a later maturity date than such Tranche, (vii) the maturity date of any Specified Revolving Refinancing Facility shall be no earlier than, and no scheduled mandatory commitment reduction in respect thereof shall be required prior to, the Maturity Date of the Tranche being refinanced (other than Extendable Bridge Loans/Interim Debt); (viii) Specified Refinancing Term Loan Facilities (other than Extendable Bridge Loans/Interim Debt, and subject to the Inside Maturity Basket, as reduced by Indebtedness Incurred pursuant to Section 8.10(a) and 8.10(b)(i), Incremental Term Loans, Permitted Debt Exchange Notes and permitted refinancings of any of the foregoing, in each case Incurred in reliance on the Inside Maturity Basket) shall not have a weighted average life to maturity shorter than the weighted average weighted life to maturity applicable to the tranche being refinanced (without giving effect to any prepayments on the applicable outstanding tranches of Term Loans) or a maturity date that is earlier than the maturity date of, the tranche being refinanced and (ix) except to the extent otherwise permitted under this Agreement (including utilization of any other available baskets or incurrence-based amounts), the aggregate principal amount of any Specified Refinancing Facility shall not be greater than the aggregate principal amount of the applicable Tranche of Loans being refinanced or replaced, *plus* any fees, premiums, original issue discount and accrued interest associated therewith and costs and expenses related thereto, *plus* unused commitments.

(b) Each request from the Parent Borrower pursuant to this Section 2.11 shall set forth the requested amount and proposed terms of the relevant Specified Refinancing Facility. The Specified Refinancing Facilities (or any portion thereof) may be made by any existing Lender or by any other bank, savings and loan association or other similar savings institution, insurance company, investment fund or company or other financial institution (any such bank, savings and loan association or other savings institution, insurance company, investment fund or company or other financial institution, an "Additional Specified Refinancing Lender", and the Additional Specified Refinancing Lenders together with any existing Lender providing Specified Refinancing Facilities, the "Specified Refinancing Lenders"); provided that if such Additional Specified Refinancing Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required.

(c) Specified Refinancing Facilities shall become facilities under this Agreement pursuant to a Specified Refinancing Amendment to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers and each applicable Specified Refinancing Lender. Any Specified Refinancing Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Parent Borrower and the Administrative Agent, to effect the provisions of this Section 2.11, in each case on terms consistent with this Section 2.11.

(d) Any loans made in respect of any such Specified Refinancing Facility shall be made by creating a new Tranche. Any Specified Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Parent Borrower or any Restricted Subsidiary, or the provision to the Borrowers of Swing Line Loans, pursuant to any Specified Refinancing Revolving Facility (or in the case of Term Letters of Credit, pursuant to a Specified Refinancing Term Loan Facility in the form of a term loan "C" facility) established thereby; provided that no Issuing Lender or Swing Line Lender shall be obligated to provide any such Letters of Credit or Swing Line Loans unless it has consented (in its sole discretion) to the applicable Specified Refinancing Amendment.

(e) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Specified Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Specified Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary or appropriate to reflect the existence and terms of the Specified Refinancing Facilities incurred pursuant thereto (including the addition of such Specified Refinancing Facilities as separate "Facilities" and "Tranches" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Specified Refinancing Amendment may, without the consent of any Person other than the Parent Borrower, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) and the Lenders providing such Specified Refinancing Facilities, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section 2.11. In addition, if so provided in the relevant Specified Refinancing Amendment and with the consent of each Revolving Issuing Lender (not to be unreasonably withheld, delayed or conditioned), participations in Revolving Letters of Credit expiring on or after the scheduled Maturity Date in respect of the respective Tranche of Revolving Loans or commitments shall be reallocated from Lenders holding Revolving Commitments to Lenders holding commitments under Specified Refinancing Revolving Facilities in accordance with the terms of such Specified Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding commitments under such Specified Refinancing Revolving Facilities, be deemed to be participation interests in respect of such commitments under such Specified Refinancing Revolving Facilities and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly.

2.12 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Parent Borrower to all Lenders (other than any Lender that, if requested by the Parent Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Parent Borrower, the Borrowers may from time to time following the Closing Date consummate one or more exchanges of Term Loans of such Tranche for Additional Obligations in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall be equal to or more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrowers pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrowers on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrowers for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Parent Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrowers shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Parent Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) the provisions in clauses (i), (ii), (iii), (iv), (v) and (viii), of the proviso in Section 2.11(a) with respect to Specified Refinancing Facilities shall apply to any Permitted Debt Exchange Offer. Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans exchanged pursuant to any Permitted Debt Exchange Offer.

(b) The Parent Borrower may at its election specify as a condition (a "Minimum Exchange Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Parent Borrower's discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Parent Borrower shall provide the Administrative Agent at least 10 Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Parent Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.12 and without conflict with Section 2.12(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made (or such shorter period as may be agreed to by the Administrative Agent in its reasonable discretion).

(d) The Parent Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Parent Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Parent Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.12(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

SECTION 3. LETTERS OF CREDIT.

3.1 Letters of Credit.

(a) Revolving Letters of Credit and Term Letters of Credit.

(i) On the Closing Date, the Existing Letters of Credit identified on Schedule B hereof as a "Revolving Letter of Credit" will automatically, without any action on the part of any Person, be deemed to be Revolving Letters of Credit issued hereunder for the account of the Parent Borrower by the applicable Revolving Issuing Lender, whether or not such Existing Letters of Credit satisfy the requirements to be issued as a Revolving Letter of Credit hereunder. Subject to and upon the terms and conditions hereof, the Parent Borrower may request that the applicable Revolving Issuing Lender issue letters of credit (the letters of credit issued on and after the Closing Date pursuant to this Section 3.1(a)(i), the "Revolving Letters of Credit" or "Revolving L/Cs") for the account of the Parent Borrower or any of its Subsidiaries (so long as a Borrower is a co-applicant and jointly and severally liable thereunder) on any Business Day during the Initial Revolving Commitment Period but in no event later than the 30th day prior to the Initial Revolving Maturity Date in such form as may be approved from time to time by such Revolving Issuing Lender; provided that (x) no Revolving Letter of Credit shall be issued if, after giving effect to such issuance, (1) the aggregate Revolving L/C Obligations in respect of Revolving Letters of Credit issued by it would exceed its Revolving L/C Commitment Amount or (2) the Aggregate Outstanding Revolving Credit of all the Revolving Lenders would exceed the Revolving Commitments of all the Revolving Lenders then in effect (it being understood and agreed that the Administrative Agent shall, to the extent reasonably requested by a Revolving Issuing Lender, reasonably assist such Revolving Issuing Lender in calculating the aggregate Revolving L/C Obligations in respect of Revolving Letters of Credit issued by such Revolving Issuing Lender and the Aggregate Outstanding Revolving Credit of such Revolving Issuing Lender for purposes of determining compliance with clauses (1) and (2) of this clause (x)) and (y) no Revolving Letter of Credit shall be issued if, after giving effect to such issuance, the Revolving L/C Obligations in respect of Revolving Letters of Credit issued by such Revolving Issuing Lender would exceed such Issuing Lender's Revolving L/C Commitment Amount after giving effect to the issuance of such Revolving Letter of Credit (it being understood and agreed that the Administrative Agent shall calculate the Dollar Equivalent of the then outstanding Revolving Loans in any Designated Foreign Currency and the then outstanding Revolving L/C Obligations in respect of any Revolving Letters of Credit denominated in any Designated Foreign Currency on the date on which the Parent Borrower has given the Administrative Agent a L/C Request with respect to any Revolving Letter of Credit for purposes of determining compliance with this Section 3.1).

(ii) On the Closing Date, the Existing Letters of Credit identified on Schedule B hereof as a "Term Letter of Credit" will automatically, without any action on the part of any Person, be deemed to be Term Letters of Credit issued hereunder for the account of the Parent Borrower by the applicable Term Issuing Lender, whether or not such Existing Letters of Credit satisfy the requirements to be issued as a Term Letter of Credit hereunder. Subject to and upon the terms and conditions hereof, the Parent Borrower may request that the applicable Term Issuing Lender issue letters of credit (the letters of credit issued on and after the Closing Date pursuant to this Section 3.1(a)(ii), the "Term Letters of Credit" or "Term L/Cs") for the account of the Parent Borrower or any of its Subsidiaries (so long as a Borrower is a co-applicant and jointly and severally liable thereunder) on any Business Day during the Initial Term L/C Commitment Period, but in no event later than the 30th day prior to the Initial Term C Loan Maturity Date in such form as may be approved from time to time by such Term Issuing Lender; provided that (A) no Term Letter of Credit shall be issued, the Stated Amount of which, when added to the Term L/C Obligations in respect of all Term Letters of Credit at such time, would exceed the lesser of (x) the Term Letter of Credit Commitment then in effect and (y) the Term C Loan Collateral Account Balance for all Term C Loan Collateral Accounts and (B) subject to the provisions of Section 3.11, no Term Letter of Credit shall be issued (or deemed issued) by any Term Issuing Lender the Stated Amount of which, when added to the Term Letter of Credit Outstandings with respect to such Term Issuing Lender, would exceed (x) the individual Term Letter of Credit Commitment of such Term Issuing Lender then in effect, or (y) the Term C Loan Collateral Account Balance of such Term Issuing Lender; provided, however, that the Stated Amount of any Term Letter of Credit with respect to which another Term Letter of Credit is to be (or has been) issued to replace such Term Letter of Credit shall be excluded in calculating the Term L/C Obligations and the Term Letter of Credit Outstandings in connection with any determination of compliance with clause (A)(x) or (B)(x) above, so long as (and only so long as) the Term L/C Cash Coverage Requirement shall, at all times prior to the termination and cancellation of the Term Letter of Credit that is being (or has been) replaced (as notified to the Administrative Agent and the Parent Borrower by the Term Issuing Lender thereof), be satisfied (including with respect to the Term Letter of Credit that is being (or has been) replaced and the related replacement Term Letter of Credit).

(b) Each Letter of Credit shall (i) be denominated in Dollars or any Designated Foreign Currency requested by the Parent Borrower and shall be either (A) a standby letter of credit issued to support obligations of the Parent Borrower or any of its Subsidiaries, contingent or otherwise (a "Standby Letter of Credit") or (B) a commercial letter of credit in respect of the purchase of goods or services by the Parent Borrower or any of its Subsidiaries (a "Commercial L/C") and (ii) unless cash collateralized or otherwise backstopped to the satisfaction of the applicable Issuing Lender (including, for the avoidance of doubt in the case of Term Letters of Credit, by amounts in the Term C Loan Collateral Account), expire no later than the earlier of (A) in the case of Standby Letters of Credit (subject to, if requested by the Parent Borrower and agreed to by the applicable Issuing Lender, automatic renewals for successive periods not exceeding one year ending prior to the 15th day prior to (x) in the case of Revolving Letters of Credit, the Initial Revolving Maturity Date and (y) in the case of Term Letters of Credit, the Initial Term C Loan Maturity Date, as applicable), one year after its date of issuance and the 5th day prior to (x) in the case of Revolving Letters of Credit, the Initial Revolving Maturity Date and (y) in the case of Term Letters of Credit, the Initial Term C Loan Maturity Date, or (B) in the case of Commercial L/Cs, one year after its date of issuance and the 30th day prior to (x) in the case of Revolving Letters of Credit, the Initial Revolving Maturity Date and (y) in the case of Term Letters of Credit, the Initial Term C Loan Maturity Date. All Letters of Credit issued shall be denominated in Dollars or in any Designated Foreign Currency and shall be issued for the account of the Parent Borrower or any of its Subsidiaries (so long as a Borrower is a co-applicant and jointly and severally liable thereunder). Notwithstanding anything to the contrary herein, (i) Barclays and DBNY shall only be required to issue Standby Letters of Credit hereunder and (ii) Term Letters of Credit issued by Barclays hereunder shall only be denominated in Dollars (or any Designated Foreign Currency requested by the Parent Borrower and agreed to by Barclays in its sole discretion).

(c) Unless otherwise agreed by the applicable Issuing Lender and the Parent Borrower, each Letter of Credit shall be governed by, and shall be construed in accordance with, the laws of the State of New York, and to the extent not prohibited by such laws, the ISP shall apply to each Standby Letter of Credit, and the Uniform Customs shall apply to each Commercial L/C. The ISP shall not in any event apply to this Agreement. All Letters of Credit shall be issued on a sight basis only.

(d) No Issuing Lender shall at any time issue any Letter of Credit hereunder if such issuance would conflict with, or cause such Issuing Lender or, in the case of any Revolving Letter of Credit, any Revolving L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2 Procedure for Issuance of Letters of Credit.

(a) The Parent Borrower may from time to time request, during (x) in the case of Revolving Letters of Credit, the Initial Revolving Commitment Period, but in no event later than the 30th day prior to the Initial Revolving Maturity Date and (y) in the case of Term Letters of Credit, the Initial Term L/C Commitment Period, but in no event later than the 30th day prior to the Initial Term C Loan Maturity Date, that an Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender and the Administrative Agent, at their respective addresses for notices specified herein, an L/C Request therefor in the form of Exhibit B hereto (completed to the reasonable satisfaction of such Issuing Lender), and such other certificates, documents and other papers and information as such Issuing Lender may reasonably request (which L/C Request must have been received by such Issuing Lender and the Administrative Agent prior to 12:00 P.M., New York City time, at least three Business Days (or five Business days for Letter of Credit transactions in a Designated Foreign Currency) prior to the requested date of issuance (or such shorter period as may be agreed by the Issuing Lender in its reasonable discretion)). Each L/C Request shall specify the applicable Borrower and that the requested Letter of Credit is to be denominated in Dollars or any Designated Foreign Currency. Upon receipt of any L/C Request, such Issuing Lender will process such L/C Request and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall such Issuing Lender be required, unless otherwise agreed to by such Issuing Lender, to issue any Letter of Credit earlier than three Business Days after its receipt of the L/C Request therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed by such Issuing Lender and the Parent Borrower. The applicable Issuing Lender shall furnish a copy of such Letter of Credit to the Parent Borrower promptly following the issuance thereof. No Issuing Lender shall amend, cancel or waive presentation of any Letter of Credit, or replace any lost, mutilated or destroyed Letter of Credit, without the prior written consent of the Parent Borrower. Promptly after the issuance or amendment of any Standby Letter of Credit, the applicable Issuing Lender shall notify the Parent Borrower and the Administrative Agent, in writing, of such issuance or amendment and such notice shall be accompanied by a copy of such issuance or amendment. Upon receipt of such notice, the Administrative Agent shall promptly notify the Lenders, in writing, of such issuance or amendment, and if so requested by a Lender, the Administrative Agent shall provide to such Lender copies of such issuance or amendment. With regards to Commercial L/Cs, each Issuing Lender shall on the first Business Day of each week provide the Administrative Agent, by facsimile, with a report detailing the aggregate daily outstanding Commercial L/Cs during the previous week.

(b) The making of each request for a Letter of Credit by the Parent Borrower shall be deemed to be a representation and warranty by the Parent Borrower that such Letter of Credit may be issued in accordance with, and will not violate the applicable requirements of, Section 3.1. Unless the respective Issuing Lender has received notice from the Required Lenders before it issues a Letter of Credit that one or more of the applicable conditions specified in Section 6.2 are not then satisfied, or that the issuance of such Letter of Credit would violate Section 3.1, then such Issuing Lender may issue the requested Letter of Credit for the account of the applicable Borrower in accordance with such Issuing Lender's usual and customary practices.

3.3 Fees, Commissions and Other Charges.

(a) Each Borrower shall pay to the relevant Revolving Issuing Lender with respect to each Revolving Letter of Credit a fronting fee equal to 0.125% per annum calculated on the basis of a 360-day year (but in no event less than $500 per annum for each Revolving Letter of Credit issued on its behalf) of the aggregate amount available to be drawn under such Revolving Letter of Credit, payable quarterly in arrears on each Revolving L/C Fee Payment Date with respect to such Revolving Letter of Credit and on the Initial Revolving Maturity Date or such other date as the Revolving Commitments shall terminate. Such fees shall be nonrefundable. Such fees shall be payable in Dollars, notwithstanding that a Revolving Letter of Credit may be denominated in any Designated Foreign Currency. In respect of a Revolving Letter of Credit denominated in any Designated Foreign Currency, such fees shall be converted into Dollars at the Spot Rate of Exchange.

(b) Each Borrower shall pay to the relevant Term Issuing Lender with respect to each Term Letter of Credit a fronting fee equal to 0.125% per annum calculated on the basis of a 360-day year (but in no event less than $500 per annum for each Term Letter of Credit issued on its behalf) of the aggregate amount available to be drawn under such Term Letter of Credit, payable quarterly in arrears on each Term L/C Fee Payment Date with respect to such Term Letter of Credit and on the date of the termination of the Term Letter of Credit Commitments. Such fees shall be nonrefundable. Such fees shall be payable in Dollars, notwithstanding that a Term Letter of Credit may be denominated in any Designated Foreign Currency. In respect of a Term Letter of Credit denominated in any Designated Foreign Currency, such fees shall be converted into Dollars at the Spot Rate of Exchange.

(c) In addition to the foregoing fees, each Borrower agrees to pay amounts necessary to reimburse the applicable Issuing Lender for such normal and customary costs and expenses as are incurred or charged by such Issuing Lender in issuing, effecting payment under, amending or otherwise administering any Letter of Credit issued by an Issuing Lender.

3.4 Revolving L/C's Participant's Acquisition of Revolving L/C Participations in Revolving Letters of Credit.

(a) On the Closing Date, without any further action on the part of the Revolving Issuing Lenders or the Lenders, the Revolving Issuing Lenders hereby grant to each Revolving L/C Participant, and each such Revolving L/C Participant shall be deemed irrevocably and unconditionally to have acquired and received from each Revolving Issuing Lender that has issued or may issue or is deemed to have issued any Revolving Letter of Credit, without recourse or warranty, an undivided interest and participation (each, a "Revolving L/C Participation"), in each Revolving Letter of Credit that may be issued pursuant to Section 3.1 (including each Existing Letter of Credit that is deemed issued hereunder as a Revolving Letter of Credit) equal to such Revolving L/C Participant's Revolving Commitment Percentage (determined on the date of issuance or deemed issuance of the relevant Revolving Letter of Credit) of the aggregate amount available to be drawn under each such Revolving Letter of Credit and the Revolving L/C Participation interests in respect thereof. Each Revolving L/C Participant hereby absolutely and unconditionally agrees that if a Revolving Issuing Lender makes a disbursement in respect of any Revolving Letter of Credit issued by such Revolving Issuing Lender which is not reimbursed by the applicable Borrower on the date due pursuant to Section 3.5, or is required to refund any reimbursement payment in respect of any Revolving Letter of Credit issued or deemed issued by such Revolving Issuing Lender to the applicable Borrower for any reason, such Revolving L/C Participant shall pay to the Administrative Agent for the account of the Revolving Issuing Lender upon demand (which demand, in the case of any demand made in respect of any draft under a Revolving Letter of Credit denominated in any Designated Foreign Currency, shall not be made prior to the date that the amount of such draft shall be converted into Dollars in accordance with Section 3.5) at the Administrative Agent's address for notices specified herein an amount equal to such Revolving L/C Participant's Revolving Commitment Percentage (with the Administrative Agent having the responsibility to determine and keep record of the Revolving Commitment Percentage of the Revolving L/C Participants for this purpose and all other purposes hereunder) of the amount of such draft, or any part thereof, which is not so reimbursed.

(b) If any amount required to be paid by any Revolving L/C Participant to the Administrative Agent for the account of a Revolving Issuing Lender on demand by such Revolving Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Revolving Issuing Lender under any Revolving Letter of Credit is paid to the Administrative Agent for the account of such Revolving Issuing Lender within three Business Days after the date such demand is made, such Revolving L/C Participant shall pay to the Administrative Agent for the account of such Revolving Issuing Lender on demand an amount equal to the product of such amount, times the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Administrative Agent for the account of such Revolving Issuing Lender, times a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any Revolving L/C Participant pursuant to Section 3.4(a) is not in fact made available to the Administrative Agent for the account of such Revolving Issuing Lender by such Revolving L/C Participant within three Business Days after the date such payment is due, such Revolving Issuing Lender shall be entitled to recover from such Revolving L/C Participant, on demand, such amount with interest thereon (with interest based on the Dollar Equivalent of any amounts denominated in Designated Foreign Currencies) calculated from such due date at the rate per annum applicable to Revolving Loans maintained as ABR Loans hereunder. A certificate of a Revolving Issuing Lender submitted to any Revolving L/C Participant with respect to any amounts owing under this subsection (which shall include calculations of any such amounts in reasonable detail) shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after a Revolving Issuing Lender has made payment under any Revolving Letter of Credit and has received through the Administrative Agent from any Revolving L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Revolving Issuing Lender receives through the Administrative Agent any payment related to such Revolving Letter of Credit (whether directly from a Borrower or otherwise, including proceeds of Collateral applied thereto by the Administrative Agent or by such Revolving Issuing Lender), or any payment of interest on account thereof, the Administrative Agent will, if such payment is received prior to 1:00 P.M., New York City time, on a Business Day, distribute to such Revolving L/C Participant its pro rata share thereof prior to the end of such Business Day and otherwise the Administrative Agent will distribute such payment on the next succeeding Business Day; provided, however, that in the event that any such payment received by a Revolving Issuing Lender through the Administrative Agent shall be required to be returned by such Revolving Issuing Lender, such Revolving L/C Participant shall return to such Revolving Issuing Lender through the Administrative Agent the portion thereof previously distributed by the Administrative Agent to it.

3.5 Reimbursement by the Borrowers.

(a) Each Issuing Lender shall promptly notify the Parent Borrower of any presentation of a draft under any Letter of Credit. With respect to Letters of Credit, each Borrower hereby agrees to reimburse the applicable Issuing Lender, upon receipt by the Parent Borrower of notice from such Issuing Lender of the date and amount of a draft presented under any Letter of Credit issued on its behalf and paid by such Issuing Lender, for the amount of such draft so paid and any taxes, fees, charges or other costs or expenses reasonably incurred by such Issuing Lender in connection with such payment (each such amount so paid until reimbursed, an "Unpaid Drawing"). Each such payment, if any, made by the applicable Borrower with respect to any Letters of Credit shall be made to the applicable Issuing Lender, at its address for notices specified herein in the currency in which such Letter of Credit is denominated (except that, in the case of any Letter of Credit denominated in any Designated Foreign Currency, in the event that such payment is not made to such Issuing Lender within three Business Days of the date of receipt by the Parent Borrower of such notice, upon notice by such Issuing Lender to the Parent Borrower, such payment shall be made in Dollars, in an amount equal to the Dollar Equivalent of the amount of such payment converted on the date of such notice into Dollars at the Spot Rate of Exchange) and in immediately available funds, on the date on which the Parent Borrower receives such notice, if received prior to 11:00 A.M., New York City time, on a Business Day and otherwise on the next succeeding Business Day. Any conversion by an Issuing Lender of any payment to be made in respect of any Letter of Credit denominated in any Designated Foreign Currency into Dollars in accordance with this Section 3.5 shall be conclusive and binding upon the Borrowers and the Lenders in the absence of manifest error; provided that upon the request of the Parent Borrower or any Lender, such Issuing Lender shall provide to the Parent Borrower or Lender a certificate including reasonably detailed information as to the calculation of such conversion.

(b) In the case of any Unpaid Drawing under any Term Letter of Credit, unless the Parent Borrower shall have notified the Administrative Agent and the relevant Term Issuing Lender prior to 10:00 A.M. on the date on which the Parent Borrower receives notice of an Unpaid Drawing with respect to a Term Letter of Credit if such notice is received prior to such time, and otherwise prior to 10:00 A.M. on the next succeeding Business Day, that the Parent Borrower intends to reimburse the relevant Term Issuing Lender for the amount of such Unpaid Drawing with its own funds, the Collateral Agent shall instruct the applicable Depositary Bank to cause the amounts on deposit in the applicable Term C Loan Collateral Account to be disbursed to the applicable Term Issuing Lender for application to repay in full the amount of such Unpaid Drawing.

3.6 Obligations Absolute.

(a) Each Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment which the Parent Borrower may have or have had against an Issuing Lender, any Revolving L/C Participant or any beneficiary of a Letter of Credit, provided that this paragraph shall not relieve any Issuing Lender or Revolving L/C Participant of any liability resulting from the gross negligence or willful misconduct of such Issuing Lender or Revolving L/C Participant, or otherwise affect any defense or other right that the Parent Borrower may have as a result of any such gross negligence or willful misconduct.

(b) Each Borrower and each Lender also agree with each Issuing Lender that such Issuing Lender and the Revolving L/C Participants shall not be responsible for, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the applicable Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the applicable Borrower against any beneficiary of such Letter of Credit or any such transferee, provided that this paragraph shall not relieve any Issuing Lender or Revolving L/C Participant of any liability resulting from the gross negligence or willful misconduct of such Issuing Lender or Revolving L/C Participant, or otherwise affect any defense or other right that the Borrowers may have as a result of any such gross negligence or willful misconduct.

(c) Neither any Issuing Lender nor any Revolving L/C Participant shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions caused by such Person's gross negligence or willful misconduct.

(d) Each Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards of care specified in the UCC, shall be binding on such Borrower and shall not result in any liability of such Issuing Lender or Revolving L/C Participant to such Borrower.

3.7 L/C Payments. If any draft shall be presented for payment under any Letter of Credit, the applicable Issuing Lender shall promptly notify the Parent Borrower of the date and amount thereof. The responsibility of an Issuing Lender to the applicable Borrower in respect of any Letter of Credit in connection with any draft presented for payment under such Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are in conformity with such Letter of Credit, provided that this paragraph shall not relieve any Issuing Lender of any liability resulting from the gross negligence or willful misconduct of such Issuing Lender, or otherwise affect any defense or other right that the Borrowers may have as a result of any such gross negligence or willful misconduct.

3.8 Credit Agreement Controls. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any L/C Request or other application or agreement submitted by any Borrower to, or entered into by any Borrower with, any Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

3.9 Additional Issuing Lenders. The Parent Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender, designate one or more additional Lenders to act as a "Revolving Issuing Lender" or "Term Issuing Lender" under the terms of this Agreement. Any Lender designated as an issuing lender pursuant to this Section 3.9 shall be deemed to be a "Revolving Issuing Lender" or a "Term Issuing Lender," as applicable (in addition to being a Lender) in respect of Revolving Letters of Credit or Term Letters of Credit, as applicable, issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other applicable Issuing Lenders and such Lender.

3.10 Indemnity. The Revolving L/C Participants agree to indemnify each Revolving Issuing Lender (or any Affiliate thereof) (to the extent not reimbursed by the Parent Borrower or any other Loan Party and without limiting the obligation of the Parent Borrower to do so as and to the extent provided herein), ratably according to their respective Revolving Commitment Percentages in effect on the date on which indemnification is sought under this Section 3.10, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against the Revolving Issuing Lenders (or any Affiliate thereof) in any way relating to or arising out of this Agreement, any of the other Loan Documents or the transactions contemplated hereby or thereby or any action taken or omitted by any Revolving Issuing Lender (or any Affiliate thereof) under or in connection with any of the foregoing; provided that no Revolving L/C Participant shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent arising from the gross negligence or willful misconduct of such Revolving Issuing Lender (or any Affiliate thereof). The obligations to indemnify each Revolving Issuing Lender (or any Affiliate thereof) shall be ratable among the applicable Revolving L/C Participants in accordance with their Revolving Commitment Percentages. The agreements in this Section 3.10 shall survive the termination of the Revolving Commitments.

3.11 Term C Loan Collateral Account

(a) On the Closing Date, the Parent Borrower established a Term C Loan Collateral Account for the benefit of each Term Issuing Lender on the Closing Date for the purpose of cash collateralizing the Borrowers' obligations (including Term L/C Obligations) to such Term Issuing Lender in respect of the Term Letters of Credit issued or to be issued by such Term Issuing Lender. On the Closing Date, the proceeds of the Initial Term C Loans, together with other funds (if any) provided by the Parent Borrower, were deposited into the applicable Term C Loan Collateral Accounts such that the Term C Loan Collateral Account Balance of the Term C Loan Collateral Account established for the benefit of each Term Issuing Lender equaled at least the Term Letter of Credit Outstandings of such Term Issuing Lender. After the Closing Date, the Borrowers may establish additional Term C Loan Collateral Accounts for the benefit of any existing or additional Term Issuing Lender for the purpose of cash collateralizing the Borrowers' obligations to the Term Issuing Lenders in respect of the Term Letters of Credit issued or to be issued by the Term Issuing Lenders, and may transfer all or any portion of the funds in any Term C Loan Collateral Account to any other Term C Loan Collateral Account, subject to the satisfaction (or waiver) of the conditions set forth in this Section 3.11 (and each Term Issuing Lender and the Collateral Agent agrees to instruct the applicable Depositary Bank to transfer such funds at the discretion of the Parent Borrower within one Business Day after the Parent Borrower has provided notice to make such transfer); provided that each Term Issuing Lender may require that the Depositary Bank for the Term Loan C Collateral Account corresponding to its Term L/C Obligations is such Term Issuing Lender or an Affiliate thereof. The Borrowers agree that at all times, and shall immediately cause additional funds to be deposited and held in the Term C Loan Collateral Accounts from time to time in order that (A) the Term C Loan Collateral Account Balance for all Term C Loan Collateral Accounts shall at least equal the Term L/C Obligations with respect to all then outstanding Term Letters of Credit and (B) the Term C Loan Collateral Account Balance of each Term C Loan Collateral Account established for the benefit of a Term Issuing Lender shall equal at least the Term Letters of Credit Outstanding of such Term Issuing Lender (the "Term L/C Cash Coverage Requirement"); provided, that in the case of clause (B), such requirement shall be deemed to have been met at such time if the Parent Borrower shall have instructed that funds held in one Term C Loan Collateral Account be transferred to the Term C Loan Collateral Account established for the benefit of another Term Issuing Lender so long as after giving effect to such transfer, the Term L/C Cash Coverage Requirement shall have been met.

(b) The Parent Borrower hereby grants to the Collateral Agent, for the benefit of all Term Issuing Lenders, a security interest in the Term C Loan Collateral Accounts and all cash and balances therein and all proceeds of the foregoing, as security for the Term L/C Obligations (and, in addition, grants a security interest therein, for the benefit of the Secured Parties as collateral security for the other Obligations hereunder); provided that amounts on deposit in the Term C Loan Collateral Accounts shall be applied as provided in Section 10.13.

(c) Except as expressly provided herein or in any other Loan Document, no Person shall have the right to make any withdrawal from any Term C Loan Collateral Account or to exercise any right or power with respect thereto; provided that at any time the Parent Borrower shall fail to reimburse any Term Issuing Lender for any Unpaid Drawing in accordance with Section 3.5, the Parent Borrower hereby absolutely, unconditionally and irrevocably agrees that the Collateral Agent shall be entitled to instruct the applicable depositary bank (each, a "Depositary Bank") of the applicable Term C Loan Collateral Account to withdraw therefrom and pay to such Term Issuing Lender amounts equal to such Unpaid Drawings (in the case of amounts owing under a Term Letter of Credit denominated a Designated Foreign Currency, taking the Dollar Equivalent thereof). Amounts in any Term C Loan Collateral Account shall be invested by the applicable Depositary Bank in Term L/C Permitted Investments (and as reasonably agreed by the applicable Depositary Bank under the applicable depositary agreement) in the manner instructed by the Parent Borrower (and agreed to by such Depositary Bank) (and returns shall accrue for the benefit of the Parent Borrower); provided, however, that the applicable Depositary Bank shall determine such investments in Term L/C Permitted Investments during the existence of any Event of Default as long as made in Term L/C Permitted Investments, it being understood and agreed that neither the Parent Borrower nor the applicable Depositary Bank nor any other Person may direct the investment of funds in any Term C Loan Collateral Account in any assets other than Term L/C Permitted Investments. The Parent Borrower shall bear the risk of loss of principal with respect to any investment in any Term C Loan Collateral Account. So long as no Event of Default shall have occurred and be continuing and subject to the satisfaction of the Term L/C Cash Coverage Requirement for each Term Issuing Lender after giving effect to any such release, upon at least three Business Days' prior written notice to the Collateral Agent and the Administrative Agent, the Parent Borrower may, at any time and from time to time, request release of and payment to the Parent Borrower of (and the Collateral Agent hereby agrees to instruct the applicable Depositary Bank to release and pay to the Parent Borrower) any amounts on deposit in the Term C Loan Collateral Accounts (as reduced by the aggregate amounts, if any, withdrawn by the Term Issuing Lenders and not subsequently deposited by the Parent Borrower) in excess of the Term Letter of Credit Commitment at such time (provided that the Collateral Agent shall have received prior confirmation of the amount of such excess from the Administrative Agent). In addition, the Collateral Agent hereby agrees to instruct the Depositary Bank to release and pay to the Parent Borrower amounts (if any) remaining on deposit in the Term C Loan Collateral Accounts after the termination or cancellation of all Term Letters of Credit, the termination of the Term Letter of Credit Commitment and the repayment in full of all outstanding Initial Term C Loans and Term L/C Obligations.

4.2 Conversion and Continuation Options.

(a) The Parent Borrower may elect from time to time (x) to convert outstanding Loans of a given Tranche from Eurocurrency Loans made or outstanding in Dollars to ABR Loans or (y) to convert outstanding Loans of a given Tranche from BA Equivalent Loans to Canadian Prime Rate Loans, in each case by giving the Administrative Agent at least two Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior irrevocable notice of such election, provided that any such conversion of Eurocurrency Loans may only be made on the last day of an Interest Period with respect thereto. The Parent Borrower may elect from time to time (x) to convert outstanding Loans of a given Tranche made or outstanding in Dollars from ABR Loans to Eurocurrency Loans outstanding in Dollars or (y) to convert outstanding Loans of a given Tranche from Canadian Prime Rate Loans to BA Equivalent Loans, in each case by giving the Administrative Agent at least three Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior irrevocable notice of such election. Any such notice of conversion to BA Equivalent Loans or to Eurocurrency Loans outstanding in Dollars shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of (x) outstanding Eurocurrency Loans made or outstanding in Dollars and ABR Loans or (y) outstanding BA Equivalent Loans or Canadian Prime Rate Loans may be converted as provided herein, provided that (i) (unless the Required Lenders otherwise consent) no Loan may be converted into a Eurocurrency Loan when any Default or Event of Default has occurred and is continuing and the Administrative Agent has given notice to the Parent Borrower that no such conversions may be made and (ii) no Loan may be converted into a Eurocurrency Loan or BA Equivalent Loan after the date that is one month prior to the applicable Maturity Date.

(b) Any Eurocurrency Loan or BA Equivalent Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Parent Borrower giving notice to the Administrative Agent of the length of the next Interest Period to be applicable to such Eurocurrency Loan or BA Equivalent Loan, determined in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, provided that no Eurocurrency Loan denominated in Dollars or BA Equivalent Loan may be continued as such (i) (unless the Required Lenders otherwise consent) when any Default or Event of Default has occurred and is continuing and the Administrative Agent has given notice to the Parent Borrower that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that (x) in the case of Eurocurrency Loans made or outstanding in Dollars or BA Equivalent Loans, if the Parent Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Eurocurrency Loans shall be automatically converted to ABR Loans or such BA Equivalent Loans shall be automatically converted to Canadian Prime Rate Loans, as applicable, on the last day of such then expiring Interest Period and (y) if the Parent Borrower shall fail to give any required notice as described above in this paragraph with respect to Loans denominated in any Designated Foreign Currency (other than Canadian Dollars or Sterling) such Eurocurrency Loans shall be automatically continued as Eurocurrency Loans with an Interest Period of one month. Upon receipt of any such notice of continuation pursuant to this Section 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

4.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Eurocurrency Loans outstanding in Dollars comprising each Set shall be equal to $5,000,000 or a whole multiple of $1,000,000 in excess thereof and the Dollar Equivalent of the aggregate principal amount of the Revolving Loans that are BA Equivalent Loans, SONIA Loans or Eurocurrency Loans outstanding in any Designated Foreign Currency comprising each Set shall be equal to $5,000,000 or a whole multiple of $1,000,000 in excess thereof (provided that, notwithstanding the foregoing, any Loan may be converted or continued in its entirety), and so that there shall not be more than 30 Sets at any one time outstanding.

4.4 Optional and Mandatory Prepayments.

(a) (i) Optional Prepayment of the Term Loans. The Borrowers may at any time and from time to time prepay the Term Loans made to them in whole or in part, subject to Section 4.12, without premium or penalty, upon notice by the Parent Borrower to the Administrative Agent prior to 1:00 P.M., New York City time at least three Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior to the date of prepayment (in the case of Eurocurrency Loans), or prior to 1:00 P.M., New York City time (or such later time as may be agreed by the Administrative Agent in its reasonable discretion) on the date of prepayment (in the case of ABR Loans). Such notice shall specify the date and amount of prepayment, whether the prepayment is of Eurocurrency Loans, ABR Loans or a combination thereof, and, if a combination thereof, the principal amount allocable to each, the applicable Tranche being repaid and if a combination thereof the principal amount allocable to each. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. If any such notice is given and is not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Eurocurrency Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Section 4.12 and accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans pursuant to this Section 4.4(a)(i) shall be applied to the respective installments of principal of such Term Loans in such order as the Parent Borrower may direct. Partial prepayments pursuant to this Section 4.4(a)(i) shall be in multiples of $1,000,000; provided that, notwithstanding the foregoing, any Tranche of Term Loans may be prepaid in its entirety.

(ii) Optional Prepayment of the Revolving Loans. The Borrowers may at any time and from time to time prepay the Loans made to them and, in accordance with Section 3.5, the Reimbursement Amounts in respect of Revolving Letters of Credit issued for their account, in whole or in part, subject to Section 4.12, without premium or penalty, upon (A) at least three Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice by the Parent Borrower to the Administrative Agent (in the case of (x) Eurocurrency Loans or BA Equivalent Loans outstanding and (y) Reimbursement Amounts outstanding in any Designated Foreign Currency), (B) at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice by the Parent Borrower to the Administrative Agent (in the case of SONIA Loans) or (C) at least one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice by the Parent Borrower to the Administrative Agent (in the case of (x) ABR Loans or Canadian Prime Rate Loans and (y) Reimbursement Amounts outstanding in Dollars). Such notice shall specify, in the case of any prepayment of Loans, the Tranche being prepaid (which, at the discretion of the Parent Borrower, may be the Initial Revolving Loans, Incremental Revolving Loans, Extended Revolving Loans, Specified Refinancing Revolving Loans, Swing Line Loans, any Incremental Loans or any Extended Tranche and/or a combination thereof), and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment, the currency of the Loans to be prepaid and whether the prepayment is of Eurocurrency Loans, SONIA Loans, ABR Loans, BA Equivalent Loans, Canadian Prime Rate Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each and, in the case of any prepayment of Reimbursement Amounts in respect of Revolving Letters of Credit, the date and amount of prepayment, the identity of the applicable Revolving Letter of Credit or Revolving Letters of Credit and the amount allocable to each of such Reimbursement Amounts. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and is not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Eurocurrency Loan or BA Equivalent Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Section 4.12 and accrued interest to such date on the amount prepaid. Partial prepayments of (1) the Revolving Loans pursuant to this Section 4.4(a) shall be applied, first to payment of the Swing Line Loans then outstanding, and thereafter to payment of Revolving Loans then outstanding or in each case as otherwise directed by the Parent Borrower and (2) the Reimbursement Amounts pursuant to this Section 4.4(a) shall be applied to cash collateralize any outstanding Revolving L/C Obligation, as applicable, on terms reasonably satisfactory to the applicable Revolving Issuing Lender. Partial prepayments pursuant to this Section 4.4(a)(ii) shall be in multiples of $1,000,000 (or, in the case of Revolving Loans outstanding in any Designated Foreign Currency, an aggregate principal amount the Dollar Equivalent of which is at least approximately $1,000,000); provided that, notwithstanding the foregoing, any Loan may be prepaid in its entirety.

(b) Mandatory Prepayment of Loans.

(i) (A) The Parent Borrower shall, in accordance with Section 4.4(b)(iii) and subject to Section 4.12, prepay the Term Loans to the extent required by Section 8.4(b) (subject to Section 8.4(c)) and (B) if on or after the Closing Date the Parent Borrower or any of its Restricted Subsidiaries shall incur (x) Specified Refinancing Term Loans or (y) Indebtedness for borrowed money (excluding Indebtedness permitted to be Incurred hereunder), then the Parent Borrower shall, in accordance with Section 4.4(b)(iii) and subject to Section 4.12, prepay the Term Loans (or, in the case of the Incurrence of Specified Refinancing Term Loans, the Tranche of Term Loans being refinanced in an amount equal to 100.0% of the Net Proceeds thereof minus in the case of clauses (A) and (B)(y), the portion of such Net Proceeds applied (to the extent the Parent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a no more than pro rata basis with the Term Loans (excluding for purposes of such pro rata calculation, the Initial Term C Loans and other Term Loans in the form term "C" loans, unless no other Term Loans are outstanding hereunder), in each case, with such prepayment to be made on or before the fifth Business Day following the date of receipt of any such Net Proceeds. Nothing in this Section 4.4(b)(i) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(ii) The Parent Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans pursuant to Section 4.4(b)(i) (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state that the Parent Borrower is offering to make or will make such mandatory prepayment (i) in the case of mandatory prepayments pursuant to Section 4.4(b)(i)(A), on or before the date specified in Section 8.4(b) and (ii) in the case of mandatory prepayments pursuant to Section 4.4(b)(i)(B), on or before the date specified in Section 4.4(b)(i)(B) (each, a "Prepayment Date"). Subject to the following sentence, once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Section 4.4(b)(ii)). Any such notice of prepayment pursuant to Section 4.4(b)(i) may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent, on or prior to the specified effective date) if such condition is not satisfied. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Parent Borrower (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Parent Borrower of such election. Any amount so declined by any Lender may, at the option of the Parent Borrower, be applied to pay or prepay Indebtedness, or otherwise be retained by the Parent Borrower and its Subsidiaries or applied by the Parent Borrower or any of its Subsidiaries in any manner not inconsistent with this Agreement.

(iii) Subject to the last sentence of Section 4.4(b)(ii), (i) prepayments of Term Loans pursuant to Section 4.4(b)(i)(A) shall be applied (x) first, to Term Loans (other than Initial Term C Loans and other Term Loans in the form of term "C" loans) on a pro rata basis among such Tranches of Term Loans (and ratably within each applicable Tranche of Term Loans) and (y) after application pursuant to clause (x), to Initial Term C Loans and other Term Loans in the form of term "C" loans on a pro rata basis among such Tranches of Term Loans (and ratably within each such Tranche of Term Loans), (ii) prepayments of Term Loans pursuant to Section 4.4(b)(i)(B)(x), to the applicable Tranche of Term Loans being refinanced with Specified Refinancing Term Loans (and ratably within such Tranche of Term Loans) and (iii) prepayments of Term Loans of a given tranche pursuant to Section 4.4(b)(i)(B)(y), to each Tranche of Term Loans on a ratable basis among such Tranches of Term Loans (and ratably within each such Tranche of Term Loans). Subject to the last sentence of Section 4.4(b)(ii) and Section 4.4(h), prepayments of the Term Loans pursuant to Section 4.4(b)(i)(A) and Section 4.4(b)(i)(B)(y) shall be applied pro rata to the respective installments of principal thereof, provided that notwithstanding the foregoing, any such partial prepayment may, at the option of the Parent Borrower, be first allocated to such Term Loans pro rata based upon the aggregate amount of the installments thereof due in the next twelve months and then the remainder of such partial prepayment shall be allocated and applied as set forth above. Subject to the last sentence of Section 4.4(b)(ii) and Section 4.4(h), prepayments of the Term Loans pursuant to Section 4.4(b)(i)(B)(x) shall be applied within each applicable Tranche of Term Loans pro rata to the respective installments of principal thereof in the manner directed by the Parent Borrower (or, if no such direction is given, in direct order of maturity). Notwithstanding any other provision of this Section 4.4, a Lender may, at its option, and if agreed by the Parent Borrower, in connection with any prepayment of Term Loans pursuant to Section 4.4(a)(i) or (b)(i)(A) or (B), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents).

(iv) Amounts prepaid on account of Term Loans pursuant to Section 4.4(a)(i) or 4.4(b)(i) may not be reborrowed.

(v) In the event that on any date the Administrative Agent calculates that (i) the Aggregate Outstanding Revolving Credit with respect to all of the Lenders (including the Swing Line Lender) exceeds the aggregate Revolving Commitments then in effect (other than any such excess occurring by reason of any change in exchange rates) or (ii) the Aggregate Outstanding Revolving Credit with respect to all of the Lenders (including the Swing Line Lender) exceeds 105% of the aggregate Revolving Commitments then in effect by reason of any change in exchange rates (it being understood and agreed that no Default or Event of Default shall arise hereunder or under any Loan Document merely as a result of the occurrence of any such excess described in clauses (i) or (ii) by reason of any change in exchange rates), in each case under clause (i) or (ii), the Administrative Agent will give notice to such effect to the Parent Borrower and the Lenders. Following receipt of any such notice, the Borrowers will, as soon as practicable but in any event within five Business Days of receipt of such notice, first, make such repayments or prepayments of Revolving Loans (together with interest accrued to the date of such repayment or prepayment), second, pay any Reimbursement Amounts with respect to Revolving Letter of Credit then outstanding and, third, cash collateralize any outstanding Revolving L/C Obligations on terms reasonably satisfactory to the applicable Revolving Issuing Lender as shall be necessary to cause the Aggregate Outstanding Revolving Credit with respect to all of the Lenders (including the Swing Line Lender) to no longer exceed the aggregate Revolving Commitments then in effect; provided that in the case of clauses (i) and (ii) above, the Dollar Equivalent of any such excess shall be calculated as of the date of such notice and the amount of any such repayment, prepayment, payment or cash collateralization shall be calculated after giving effect to any other repayment, prepayment, payment or cash collateralization required to be made on such day pursuant to this Section 4.4(b)(v)). If any such repayment or prepayment of a Eurocurrency Loan or BA Equivalent Loan pursuant to this Section 4.4(b)(v) occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to the Lenders such amounts, if any, as may be required pursuant to Section 4.12.

(vi) The Borrowers shall prepay all Swing Line Loans then outstanding simultaneously with each borrowing of Revolving Loans. Upon the incurrence by the Parent Borrower or any Restricted Subsidiary of any Specified Refinancing Revolving Loans, the Borrowers shall prepay an aggregate principal amount of the Tranche of Revolving Loans being refinanced in an amount equal to 100% of all Net Proceeds received therefrom promptly (and in any event within five Business Days) following receipt thereof by the Parent Borrower or such Restricted Subsidiary.

(c) Termination or Reduction of Revolving Commitments. The Parent Borrower shall have the right, upon not less than three Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice to the Administrative Agent (which will promptly notify the Lenders thereof), to terminate the Initial Revolving Commitments, Incremental Revolving Commitments of any Tranche, the Extended Revolving Commitments of any Tranche or the Specified Refinancing Revolving Commitments of any Tranche or, from time to time, to reduce the amount of Initial Revolving Commitments, Incremental Revolving Commitments of any Tranche, Extended Revolving Commitments of any Tranche or Specified Refinancing Revolving Commitments of any Tranche; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swing Line Loans made on the effective date thereof, the Dollar Equivalent of the aggregate principal amount of the Revolving Loans and Swing Line Loans then outstanding, when added to the sum of the then outstanding Revolving L/C Obligations, would exceed the Revolving Commitments then in effect and provided, further, that notwithstanding anything to the contrary in this Agreement, the Parent Borrower may condition such notice upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any such reduction shall be in an amount equal to $5,000,000 or a whole multiple of $1,000,000 in excess thereof and shall reduce permanently the applicable Revolving Commitments then in effect.

(d) Cash Collateralization in Lieu of Prepayment. Notwithstanding the foregoing provisions of this Section 4.4, if at any time any prepayment of the Loans pursuant to Section 4.4(a) or 4.4(b) would result, after giving effect to the procedures set forth in this Agreement, in the Borrowers incurring breakage costs under Section 4.12 as a result of Eurocurrency Loans or BA Equivalent Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, the Borrowers may, so long as no Default or Event of Default shall have occurred and be continuing, in their sole discretion, (i) initially deposit a portion (up to 100%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans or BA Equivalent Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurocurrency Loans not immediately prepaid), to be held as security for the obligations of the Borrowers to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurocurrency Loans or BA Equivalent Loans (or such earlier date or dates as shall be requested by the Parent Borrower) or (ii) make a prepayment of Loans in accordance with Section 4.4(a)(i) or 4.4(a)(ii) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans or BA Equivalent Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurocurrency Loans or BA Equivalent Loans not immediately prepaid); provided that, in the case of either clause (i) or (ii) above, such unpaid Eurocurrency Loans or BA Equivalent Loans shall continue to bear interest in accordance with Section 4.1 until such unpaid Eurocurrency Loans or BA Equivalent Loans or the related portion of such Eurocurrency Loans or BA Equivalent Loans, as the case may be, have or has been prepaid.

(e) Termination or Reduction of Term Letter of Credit Commitment. (i) Upon at least one Business Day's prior revocable written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent and the Term Issuing Lenders (which notice the Administrative Agent shall promptly transmit to each of the Lenders holding Initial Term C Loans), the Parent Borrower shall have the right, without premium or penalty (except as provided in Section 4.4(g)), on any day, to permanently to terminate or reduce the Term Letter of Credit Commitment in whole or in part; provided that, immediately upon any such termination or reduction, (i) the Parent Borrower shall prepay the Initial Term C Loans in an aggregate principal amount equal to the aggregate amount of the Term Letter of Credit Commitment so terminated or reduced in accordance with the requirements of Sections 4.4(a)(i) (and shall be permitted to withdraw an amount from the Term C Loan Collateral Accounts to make such prepayment) (ii) the Individual Term Letter of Credit Commitment of each Term Issuing Lender shall be reduced ratably in connection therewith (or on such other basis as may be agreed by the Parent Borrower and the Term Issuing Lenders), (iii) after giving effect to such reduction of the Term Letter of Credit Commitment, the Term Letter of Credit Outstandings with respect to each Term Issuing Lender with a Term Letter of Credit Commitment shall not exceed the Individual Term Letter of Credit Commitment of such Term Issuing Lender and (iv) after giving effect to such reduction and any such prepayment, the Term L/C Cash Coverage Requirement shall be satisfied.

(ii) The Term Letter of Credit Commitment shall be reduced by the amount of any prepayment or repayment of principal of Initial Term C Loans pursuant to Section 2.4(c)(ii) or this Section 4.4 (with a corresponding reduction to the Individual Term Letter of Credit Commitment of each Term Issuing Lender (on a ratable basis or on such other basis as may be agreed by the Parent Borrower and the Term Issuing Lenders)) and the Parent Borrower shall be permitted to withdraw an amount up to the amount of such prepayment or repayment from the Term C Loan Collateral Accounts to complete such prepayment or repayment; provided that after giving effect to such withdrawal, the Term L/C Cash Coverage Requirement shall be satisfied.

(f) Discounted Term Loan Prepayments. Notwithstanding anything in any Loan Document to the contrary, the Borrowers may prepay the outstanding Term Loans on the following basis:

(i) Right to Prepay. The Borrowers shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 4.4(f); provided that at the time of such Discounted Term Loan Prepayment, after giving effect thereto, Liquidity is equal to or greater than $500,000,000. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrowers then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on Holdings, the Parent Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of Holdings, the Parent Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Holdings, the Parent Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders. Any Term Loans prepaid pursuant to this Section 4.4(f) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment.

(1) The Borrowers may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Parent Borrower, to each Term Loan Lender and/or to each Lender of one or more Term Loans on a Tranche by Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Loans to be prepaid, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than the time and date designated by the Administrative Agent and approved by the Parent Borrower (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrowers will make prepayment of outstanding Term Loans pursuant to this Section 4.4(f)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (in consultation with the Parent Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Parent Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Parent Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Parent Borrower shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with paragraph (vi) below (subject to paragraph (x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers.

(1) The Borrowers may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent with one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Parent Borrower, to each Term Loan Lender and/or to each Lender of one or more Term Loans on a Tranche by Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrowers are willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrowers, and (III) each such solicitation by the Borrowers shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent will promptly provide each relevant Term Loan Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Loan Lender to the Administrative Agent (or its delegate) by no later than the time and date designated by the Administrative Agent and approved by the Parent Borrower (the "Discount Range Prepayment Response Date"). Each relevant Term Loan Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Term Loan Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Parent Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Section 4.4(f)(iii).The Borrowers agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Administrative Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following clause (3)) at the Applicable Discount (each such Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrowers will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Administrative Agent (in consultation with the Parent Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Discount Range Prepayment Response Date, notify (w) the Parent Borrower of the respective Term Loan Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Term Loan Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Parent Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Parent Borrower shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with Section 4.4(f)(vi) below (subject to Section 4.4(f)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers.

(1) The Borrowers may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent with one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Parent Borrower, to each Term Loan Lender and/or to each Lender of one or more Term Loans on a Tranche by Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrowers are willing to prepay at a discount (the "Solicited Discounted Prepayment Amount") and (III) each such solicitation by the Borrowers shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent will promptly provide each relevant Term Loan Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Loan Lender to the Administrative Agent (or its delegate) by no later than the time and date designated by the Administrative Agent and approved by the Parent Borrower (the "Solicited Discounted Prepayment Response Date"). Each Term Loan Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") at which such Term Loan Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Term Loan Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent shall promptly provide the Parent Borrower with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Parent Borrower shall review all such Solicited Discounted Prepayment Offers and select, at its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Term Loan Lenders in the Solicited Discounted Prepayment Offers that the Borrowers are willing to accept (the "Acceptable Discount"), if any. If the Borrowers elect to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Parent Borrower from the Administrative Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Parent Borrower shall submit an Acceptance and Prepayment Notice to the Administrative Agent setting forth the Acceptable Discount. If the Administrative Agent shall fail to receive an Acceptance and Prepayment Notice from the Parent Borrower by the Acceptance Date, the Borrowers shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Administrative Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent will determine (in consultation with the Parent Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrowers at the Acceptable Discount in accordance with this Section 4.4(f)(iv). If the Borrowers elect to accept any Acceptable Discount, then the Borrowers agree to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrowers will prepay outstanding Term Loans pursuant to this Section 4.4(f)(iv)(3) to each Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (in consultation with the Parent Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior to the Discounted Prepayment Determination Date, the Administrative Agent shall promptly notify (w) the Parent Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Term Loan Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Parent Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Parent Borrower shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with Section 4.4(f)(vi) below (subject to Section 4.4(f)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrowers and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrowers in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Sections 4.4(f)(ii) through (iv) above, the Borrowers shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrowers shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in the applicable currency and in immediately available funds not later than 2:00 P.M. (New York time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans on a pro rata basis. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 4.4(f) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Section 4.4(f) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Loans to reflect the payment of accrued interest to certain Lenders as provided in this Section 4.4(f)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Section 4.4(f) as if made at par. It is also understood and agreed that prepayments pursuant to this Section 4.4(f) shall not be subject to Section 4.4(a), or, for the avoidance of doubt, Section 11.7(a) or the pro rata allocation requirements of Section 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 4.4(f), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Parent Borrower.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 4.4(f), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrowers and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 4.4(f) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(f) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(f).

(x) Revocation. The Parent Borrower shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is so revoked, any failure by the Borrowers to make any prepayment to a Lender pursuant to this Section 4.4(f) shall not constitute a Default or Event of Default under Section 9.1(a) or otherwise).

(xi) No Obligation. This Section 4.4(f) shall not (i) require the Borrowers to undertake any prepayment pursuant to this Section 4.4(f) or (ii) limit or restrict the Borrowers from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

(g) Repricing Transactions. If on or prior to the six-month anniversary of the Closing Date the Parent Borrower (x) makes an optional prepayment of the Initial Term Loans pursuant to a Repricing Transaction, (y) makes a mandatory prepayment of the Initial Term Loans under Section 4.4(b)(i)(B) pursuant to a Repricing Transaction or (z) effects any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(h) to replace the Loans or Commitments under any Facility or Tranche) that results in a Repricing Transaction, the Parent Borrower shall pay to the Administrative Agent, for the ratable account of each Lender, (I) in the case of clauses (x) and (y) above a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans being prepaid and (II) in the case of clause (z) above, a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans outstanding immediately prior to such amendment. If on or prior to the six-month anniversary of the Closing Date any Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(h) to replace the Loans or Commitments under any Facility or Tranche) that results in a Repricing Transaction, such Lender (and not any Person who replaces such Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(h) Notwithstanding anything to the contrary herein, this Section 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Sections 2.9, 2.10 and 2.11, as applicable, or pursuant to any other credit or letter of credit facility added pursuant to Section 2.9 or 11.1(e).

4.5 Commitment Fees; Administrative Agent's Fees.

(a) The Borrowers agree to pay quarterly in arrears to the Administrative Agent for the account of each applicable Revolving Lender (other than a Defaulting Lender) that is a Revolving L/C Participant, a letter of credit commission with respect to each Revolving Letter of Credit issued by such Revolving Issuing Lender on its behalf, computed for the period from and including the date of issuance of such Revolving Letter of Credit through to the expiration date of such Revolving Letter of Credit, computed at a rate per annum equal to the Applicable Margin then in effect for Eurocurrency Loans that are Revolving Loans calculated on the basis of a 360 day year for the actual days elapsed, of the maximum amount available to be drawn under such Revolving Letter of Credit, payable on each Revolving L/C Fee Payment Date with respect to such Revolving Letter of Credit and on the Initial Revolving Maturity Date or such earlier date as the Revolving Commitments shall terminate as provided herein. Such commission shall be payable to the Administrative Agent for the account of the Lenders to be shared ratably among them in accordance with their respective Revolving Commitment Percentages. Such commission shall be nonrefundable and shall be payable in Dollars, notwithstanding that a Revolving Letter of Credit may be denominated in any Designated Foreign Currency. In respect of a Revolving Letter of Credit denominated in any Designated Foreign Currency, such commission shall be converted into Dollars at the Spot Rate of Exchange.

(b) The Borrowers agree to pay to the Administrative Agent, for the account of each applicable Revolving Lender (other than a Defaulting Lender), a commitment fee for the period from and including the first day of the applicable Revolving Commitment Period to the applicable Maturity Date, computed at the Applicable Commitment Fee Percentage on the average daily amount of the Available Revolving Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last Business Day of each March, June, September and December, and on the applicable Maturity Date, or such earlier date as the Revolving Commitments shall terminate as provided herein, commencing on September 30, 2021.

(c) The Borrowers agree to pay to the Administrative Agent and the Other Representatives any fees in the amounts and on the dates previously agreed to in writing pursuant to the Fee Letters by the Parent Borrower, the Other Representatives and the Administrative Agent in connection with this Agreement.

4.6 Computation of Interest and Fees.

(a) Interest (other than interest based on the Prime Rate, the Canadian Prime Rate or the BA Rate or for SONIA Loans) shall be calculated on the basis of a 360-day year for the actual days elapsed; and commitment fees and interest based on the Prime Rate, the Canadian Prime Rate or the BA Rate and for SONIA Loans shall be calculated on the basis of a 365-day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Parent Borrower and the affected Lenders of each determination of a Eurocurrency Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Parent Borrower and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Parent Borrower or any Lender, deliver to the Parent Borrower or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Section 4.1, excluding any Eurocurrency Base Rate which is based upon the Reuters Screen and any ABR Loan which is based upon the Prime Rate.

4.7 Inability to Determine Interest Rate.

(a) If prior to the first day of any Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrowers) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate with respect to any Eurocurrency Loan (the "Affected Eurocurrency Rate") or the BA Rate with respect to any BA Equivalent Loan (the "Affected BA Rate"), in each case for such Interest Period, the Administrative Agent shall give telecopy or telephonic notice thereof to the Parent Borrower and the Lenders as soon as practicable thereafter. If such notice is given (a) any Eurocurrency Loans to be made in Dollars the rate of interest applicable to which is based on the Affected Eurocurrency Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans, (b) any BA Equivalent Loans the rate of interest applicable to which is based on the Affected BA Rate requested to be made on the first day of such Interest Period shall be made as Canadian Prime Rate Loans, (c) any Eurocurrency Loans to be made in a Designated Foreign Currency the rate of interest applicable to which is based on the Affected Eurocurrency Rate requested to be made on the first day of such Interest Period shall not be required to be made hereunder in such Designated Foreign Currency and, upon receipt of such notice, the Parent Borrower may at its option revoke the pending request for such Eurocurrency Loans or convert such request into a request for ABR Loans to be made in Dollars or Canadian Prime Rate Loans to be made in Canadian Dollars, (d) any Loans that were to have been converted on the first day of such Interest Period to or continued as Eurocurrency Loans in Dollars the rate of interest applicable to which is based upon the Affected Eurocurrency Rate shall be converted to or continued as ABR Loans, (e) any Loans that were to have been converted on the first day of such Interest Period to or continued as BA Rate Loans the rate of interest applicable to which is based upon the Affected BA Rate shall be converted to or continued as Canadian Prime Rate Loans and (f) any Eurocurrency Loans denominated in Euro that were to have been continued as Eurocurrency Loans the rate of interest applicable to which is based upon the Affected Eurocurrency Rate shall (at the option of the Parent Borrower) remain outstanding, and shall bear interest at an alternate rate which reflects, as to each Lender, such Lender's cost of funding such Eurocurrency Loans, as reasonably determined by the Administrative Agent, plus the Applicable Margin hereunder.

(b) US Dollar Benchmark Replacement Setting. Notwithstanding anything to the contrary herein or in any other Loan Document, with respect to any Loan or Borrowing denominated in US Dollars:

(i) *Replacing USD LIBOR*. On the earlier of (i) the date that all Available Tenors of USD LIBOR have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (ii) the Early Opt-in Effective Date, if the then-current Benchmark is USD LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(ii) *Replacing Future Benchmarks*. Upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each Class. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Parent Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Parent Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans denominated in Dollars. During the period referenced in the foregoing sentence, the component of ABR based upon the Benchmark will not be used in any determination of ABR.

(iii) *Benchmark Replacement Conforming Changes*. In connection with the implementation and administration of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iv) *Notices; Standards for Decisions and Determinations*. The Administrative Agent will promptly notify the Parent Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section.

(v) *Unavailability of Tenor of Benchmark*. At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or USD LIBOR), then the Administrative Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Administrative Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

(c) Designated Foreign Currency Benchmark Replacement Setting. If at any time there ceases to exist SONIA, BA Rate or other interbank rate applicable to any Designated Foreign Currency in the relevant market for Sterling, Euros, Australian Dollars, Canadian Dollars or other applicable Designated Foreign Currency, as applicable, or any of the foregoing cease to be administered by the relevant authority that oversees such interbank rates as of the Closing Date for interest periods greater than one Business Day, or the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth in clause (a) above have arisen and such circumstances are unlikely to be temporary or the circumstances in clause (a) above have not arisen but the supervisor for the administrator of the relevant interbank rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which such interbank offered rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Parent Borrower shall endeavor to establish an alternate rate of interest *in lieu* of such interbank offered rate that gives due consideration to the then prevailing market convention for determining a rate of interest for fixed periods for syndicated loans applicable jurisdiction of the applicable Designated Foreign Currency at such time (it being agreed that such rate shall not result in a higher cost of funding than Base Rate Loans, if applicable to such Designated Foreign Currency), and shall enter into an amendment to the Loan Documents to reflect such alternate rate of interest and such other related changes as may be applicable which are agreed by the Parent Borrower and the Administrative Agent at such time; provided, that any such amendment will become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent has posted such proposed amendment to all Lenders so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders.

(d) The parties hereto agree that the parties will jointly use commercially reasonable efforts to satisfy any applicable Internal Revenue Service guidance so that any replacement of LIBOR will not be treated as a deemed "exchange" under Section 1001 of the Code or "modification" under Section 1.1001-3 of the Treasury Regulations (including, but not limited to, substituting LIBOR for a "qualified rate," as defined in Proposed Section 1.1001-6 of the Treasury Regulations).

4.8 Pro Rata Treatment and Payments.

(a) Except as expressly otherwise provided herein, each borrowing of Revolving Loans (other than Swing Line Loans) by the Borrowers from the Lenders hereunder shall be made, each payment (except as provided in Section 4.14(a)) by the Borrowers on account of any commitment fee in respect of the Revolving Commitments hereunder and any reduction (except as provided in Section 2.9, 2.10, 2.11, 4.13(d), 11.1(g) or 11.1(h)) of the Revolving Commitments of the Lenders shall be allocated by the Administrative Agent, pro rata according to the respective Revolving Commitment Percentages of the Lenders (other than payments in respect of any difference in the Applicable Commitment Fee Percentages in respect of any Tranche); provided that at the request of the Parent Borrower, in lieu of such application on a pro rata basis among all Revolving Commitments, such reduction may be applied to any Revolving Commitments so long as the Maturity Date of such Revolving Commitments precedes the Maturity Date of each other Tranche of Revolving Commitments then outstanding or, in the event more than one Tranche of Revolving Commitments shall have an identical Maturity Date that precedes the Maturity Date of each other Tranche of Revolving Commitments then outstanding, to such Tranches on a pro rata basis. Each payment (including each prepayment, but excluding payments made pursuant to Sections 2.9, 2.10, 2.11, 2.12, 4.9, 4.10, 4.11, 4.12, 4.13(d), 4.14, 11.1(g), 11.1(h) or 11.6) by the Borrowers on account of principal of and interest on any Tranche of Loans (other than (v) payments in respect of any difference in the Applicable Margin, Eurocurrency Rate, Daily Simple SONIA or ABR in respect of any Tranche, (w) any payment pursuant to Section 4.4(b)(i), to the extent declined by any Lender as provided in Section 4.4(b)(ii), (x) any payments pursuant to Section 4.4(f), which shall be allocated as set forth in Section 4.4(f); (y) any prepayments pursuant to Section 11.6(i) and (z) any payment accompanying a termination of Revolving Commitments pursuant to the proviso to the first sentence of this Section 4.8(a) which shall be applied to the Revolving Loans outstanding under the Tranches under which Revolving Commitments are being terminated) shall be allocated by the Administrative Agent (1) pro rata according to the respective outstanding principal amounts of such Loans of such Tranche then held by the respective Lenders (or as otherwise provided in the applicable Incremental Commitment Amendment, Extension Amendment or Specified Refinancing Amendment, if applicable) and (2) with respect to Extended Revolving Loans, pro rata with all other outstanding Revolving Loans; provided that a Lender may, at its option, and if agreed by the Parent Borrower, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of Section 4.4(b)(iii). All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees, Reimbursement Amounts or otherwise, shall be made without set-off or counterclaim and shall be made prior to (x) 2:00 P.M., New York City time on the due date thereof in the case of payments denominated in Dollars or Canadian Dollars or any other Designated Foreign Currency not specified in clause (y) or (z), (y) 8:00 A.M., New York City time on the due date thereof in the case of payments denominated in Euro and Sterling and (z) 3:00 P.M., New York City time on the date that is one Business Day prior to the due date thereof in the case of payments denominated in Australian Dollars, to the Administrative Agent, for the account of the Lenders holding the relevant Loan or the applicable Revolving L/C Participants, as the case may be, at the Administrative Agent's office specified in Section 11.2, in Dollars or, in the case of Loans outstanding in any Designated Foreign Currency and L/C Obligations denominated in any Designated Foreign Currency, such Designated Foreign Currency and, whether in Dollars or any Designated Foreign Currency, in immediately available funds. Any pro rata calculations required to be made pursuant to this Section 4.8(a) in respect of any Revolving Loan denominated in a Designated Foreign Currency shall be made on a Dollar Equivalent basis. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Revolving L/C Participants, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders on the next succeeding Business Day. If any payment hereunder (other than payments on the Eurocurrency Loans or BA Equivalent Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Eurocurrency Loan or a BA Equivalent Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. This Section 4.8(a) may be amended in accordance with Section 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.9, 2.10, 2.11 and 11.1(h), as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to such Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to (i) for amounts denominated in Dollars, the daily average Federal Funds Effective Rate as quoted by the Administrative Agent and (ii) for amounts denominated in a Designated Foreign Currency, the rate customary in such Designated Foreign Currency for settlement of similar interbank obligations, in each case for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.8(b) shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, (x) the Administrative Agent shall notify the Parent Borrower of the failure of such Lender to make such amount available to the Administrative Agent and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to such borrowing hereunder on demand, from the Borrowers and (y) then the Borrowers may, without waiving or limiting any rights or remedies it may have against such Lender hereunder or under applicable law or otherwise, borrow a like amount on an unsecured basis from any commercial bank for a period ending on the date upon which such Lender does in fact make such borrowing available.

4.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof occurring after the Closing Date shall make it unlawful for any Lender to make or maintain any Eurocurrency Loans, SONIA Loan or BA Equivalent Loan as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Parent Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan or Canadian Prime Rate Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan or Canadian Prime Rate Loan, as applicable, when an Affected Loan is requested, (c) such Lender's Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans or Canadian Prime Rate Loans, as applicable, on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law and (d) such Lender's Loans then outstanding as Affected Loans, if any, not converted to ABR Loans or Canadian Prime Rate Loans pursuant to Section 4.9(c) shall, upon notice to the Parent Borrower, be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto (or such earlier date as may be required by any such Requirement of Law). If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Section 4.12.

4.10 Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Closing Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall subject such Lender to any tax of any kind whatsoever with respect to any Letter of Credit, any L/C Request, any Eurocurrency Loans, SONIA Loans or any BA Equivalent Loans made or maintained by it or its obligation to make or maintain Eurocurrency Loans, SONIA Loans or BA Equivalent Loans, or change the basis of taxation of payments to such Lender in respect thereof, in each case except for Non-Excluded Taxes and Excluded Taxes (other than Taxes imposed on or measured by net income (however denominated), franchise Taxes, and branch profits Taxes imposed as a result of such Lender being organized under the laws of, or having its principal office or its applicable lending office located in, the jurisdiction imposing such Tax (or any political subdivision thereof);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the Eurocurrency Rate, SONIA or the BA Rate, as applicable, hereunder; or

(iii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurocurrency Loans, SONIA Loans or BA Equivalent Loans or issuing or participating in Letters of Credit or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Parent Borrower from such Lender, through the Administrative Agent, in accordance herewith, the Borrowers shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Eurocurrency Loans, SONIA Loans, BA Equivalent Loans or Letters of Credit, provided that, in any such case, the Parent Borrower may elect to convert the Eurocurrency Loans or BA Equivalent Loans made by such Lender hereunder to ABR Loans or Canadian Prime Rate Loans, as applicable by giving the Administrative Agent at least one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice of such election, in which case the Borrowers shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 4.10(a) and such amounts, if any, as may be required pursuant to Section 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10, it shall provide prompt notice thereof to the Parent Borrower, through the Administrative Agent, certifying (x) that one of the events described in this Section 4.10(a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Section 4.10 submitted by such Lender, through the Administrative Agent, to the Parent Borrower shall be conclusive in the absence of manifest error. This Section 4.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder. Notwithstanding anything to the contrary in this Section 4.10(a), no Borrower shall be required to compensate a Lender pursuant to this Section 4.10(a) for any amounts incurred more than six months prior to the date that such Lender notifies the Parent Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, within 10 Business Days after submission by such Lender to the Parent Borrower (with a copy to the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this Section 4.10(b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Section 4.10 submitted by such Lender, through the Administrative Agent, to the Parent Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(b), no Borrower shall be required to compensate a Lender pursuant to this Section 4.10(b) for any amounts incurred more than six months prior to the date that such Lender notifies the Parent Borrower of such Lender's intention to claim compensation therefor.

(c) Subject to the last sentence of this paragraph, no Borrower shall be required to pay any amount with respect to any additional cost or reduction specified in paragraph (a) or paragraph (b) above, to the extent such additional cost or reduction is attributable, directly or indirectly, to the application of, compliance with or implementation of specific capital adequacy requirements or new methods of calculating capital adequacy, including any part or "pillar" (including Pillar 2 ("Supervisory Review Process")), of the International Convergence of Capital Measurement Standards: a Revised Framework, published by the Basel Committee on Banking Supervision in June 2004, or any implementation, adoption (whether voluntary or compulsory) thereof, whether by an EC Directive or the FSA Integrated Prudential Sourcebook or any other law or regulation, or otherwise. In addition, no Borrower shall be required to pay any amount with respect to any additional cost or reduction specified in paragraph (a) or paragraph (b) above unless such Lender delivers a certificate from a senior officer of such Lender certifying to the Parent Borrower that the request therefor is being made, and the method of calculation of the amount so requested is being applied, consistently with such Lender's treatment of a majority of its customers in connection with similar transactions affected by the relevant adoption or change in a Requirement of Law. Notwithstanding anything to the contrary in this Section 4.10, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be an adoption of or change in any Requirement of Law, regardless of the date enacted, adopted or issued.

4.11 Taxes.

(a) Except as provided below in this Section 4.11 or as required by law, all payments made by the Borrowers and the Administrative Agent and any Issuing Lender under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, or other taxes, levies, imposts, duties, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority ("Taxes"). For purposes of this Agreement, "Non-Excluded Taxes" shall mean any Taxes imposed on or with respect to any payment made by or on account of any obligation of the Borrowers under any Loan Document other than (1) Taxes measured by or imposed upon the overall net income of any Agent or Lender or its applicable lending office, or any branch or affiliate thereof, and all franchise Taxes, branch profits Taxes, Taxes on doing business or Taxes measured by or imposed upon the overall capital or net worth of any such Agent or Lender or its applicable lending office, or any branch or affiliate thereof, in each case imposed: (i) by the jurisdiction under the laws of which such Agent or Lender, applicable lending office, branch or affiliate is organized or is located, or in which its principal executive office is located, or any nation within which such jurisdiction is located or any political subdivision thereof; or (ii) by reason of any connection between the jurisdiction imposing such Tax and such Agent or Lender, applicable lending office, branch or affiliate other than a connection arising solely from such Agent or Lender having executed, delivered or performed its obligations under, or received payment under or enforced, this Agreement or any Notes; (2) Taxes attributable to an Agent or Lender failing to comply with the requirements of paragraphs (b), (c), (d) or (e) of this Section 4.11; (3) Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Taxes are imposed as a result of a change in treaty, law or regulation that occurred after the date such Agent becomes an Agent hereunder or such Lender becomes a Lender hereunder, acquires its interest in the Loan, or changes its lending office (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later) (such change, at such time, and with respect to any Agent or Lender (or, if applicable, its relevant beneficiary or member), a "Change in Law"); (4) with respect to any Taxes imposed by the United States or any state or political subdivision thereof, unless such Taxes are imposed as a result of a Change in Law; (5) with respect to any Taxes arising under FATCA; and (6) any backup withholding Taxes (any Taxes that are not Non-Excluded Taxes shall be referred to as "Excluded Taxes"). If any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrowers or any Agent to the Administrative Agent or any Lender hereunder or under any Notes, the amounts so payable by the Borrowers shall be increased to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement such that no withholding had been made; provided, however, that notwithstanding anything to the contrary in this Agreement, the Borrowers and the Administrative Agent shall be entitled to deduct and withhold, and shall not be required to indemnify for, any Excluded Taxes. Whenever any Non-Excluded Taxes are payable by the any Borrower, as promptly as possible thereafter the Parent Borrower shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt received by such Borrower showing payment thereof. If any Borrower fails to pay any Non-Excluded Taxes when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Parent Borrower or such Borrower shall indemnify the Administrative Agent and the Lenders for such Non-Excluded Taxes and any incremental taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure.

(b) Each Agent and each Lender, in each case that is not a "United States person" (within the meaning of Section 7701(a)(30) of the Code) shall, to the extent it is legally entitled to do so:

(W) (i) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Parent Borrower and the Administrative Agent (A) two duly completed and accurate signed copies of Internal Revenue Service Form W-8BEN-E (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8EXP or Form W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes, (B) in the case of the Administrative Agent, also deliver two duly completed and accurate signed copies of Internal Revenue Service Form W-8IMY certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrowers to be treated as a U.S. person with respect to such payments (and the Borrowers and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments), with the effect that the Borrowers can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States and (C) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(ii) further deliver to the Parent Borrower and the Administrative Agent two accurate and complete copies of any such form or certification on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Parent Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Parent Borrower or the Administrative Agent; or

(X) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption",

(i) represent to the Borrowers and the Administrative Agent that it is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10-percent shareholder" of any Borrower within the meaning of Section 871(h)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code that is related to any Borrower;

(ii) deliver to the Parent Borrower on or before the date of any payment by any Borrower, with a copy to the Administrative Agent, (A) two certificates substantially in the form of Exhibit C-1 or Exhibit C-2 (any such certificate a "U.S. Tax Compliance Certificate") and (B) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN-E, or successor applicable form certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes (and shall also further deliver to the Parent Borrower and the Administrative Agent two accurate and complete copies of such form or certificate on or before the date it expires or becomes obsolete and after the occurrence of any event requiring a change in the most recently provided form or certificate and, if necessary, obtain any extensions of time reasonably requested by the Parent Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(iii) deliver, to the extent legally entitled to do so, upon reasonable request by the Parent Borrower, to the Parent Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from withholding with respect to payments under this Agreement and any Notes; provided that in determining the reasonableness of a request under this clause (iii) such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrowers) which would be imposed on such Lender of complying with such request; or

(Y) in the case of any such Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(i) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Lender, deliver to the Parent Borrower and the Administrative Agent two accurate and complete signed copies of Internal Revenue Service Form W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called "portfolio interest exemption", (I) represent to the Borrowers and the Administrative Agent that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, and (II) also deliver to the Parent Borrower and the Administrative Agent two U.S. Tax Compliance Certificates substantially in the form of Exhibit C-3 or Exhibit C-4 certifying to such Lender's legal entitlement at the date of such certificate to an exemption from U.S. Withholding tax under the provisions of Section 871(h) or 881(c) of the Code with respect to payments to be made under this Agreement and any Notes; and

(A) with respect to each beneficiary or member of such Lender that is not claiming the so-called "portfolio interest exemption", also deliver to the Parent Borrower and the Administrative Agent (I) two duly completed and accurate signed copies of United States Internal Revenue Service Form W-8BEN-E (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI, Form W-8EXP or Form W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(ii) further deliver to the Parent Borrower and the Administrative Agent two accurate and complete copies of any such forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Parent Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(iii) deliver, to the extent legally entitled to do so, upon reasonable request by the Parent Borrower, to the Parent Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender (or beneficiary or member) to an exemption from withholding with respect to payments under this Agreement and any Notes; provided that in determining the reasonableness of a request under this clause (iii) such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrowers) which would be imposed on such Lender (or beneficiary or member) of complying with such request; or

(Z) unless otherwise furnished pursuant to clauses (W) or (Y), in the case of any such Lender that is an Issuing Lender or Revolving L/C Participant,

(i) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Issuing Lender or Revolving L/C Participant, deliver to the Parent Borrower and the Administrative Agent (A) two accurate and complete signed copies of Internal Revenue Service W8BEN-E (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8EXP or Form W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes or (B) in the case of an Issuing Lender or Revolving L/C Participant that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (with withholding statement), or successor applicable form, and, with respect to each beneficiary or member of such Issuing Lender or Revolving L/C Participant, two accurate and complete signed copies of one of the forms described in the preceding clause (A) or of Internal Revenue Service Form W-9, or successor form, certifying that such beneficiary or member is a "United States person" (within the meaning of Section 7701(a)(30) of the Code) and that such beneficiary or member is entitled to a complete exemption from United States backup withholding tax;

(ii) further deliver to the Parent Borrower and the Administrative Agent two accurate and complete copies of any such forms or statements referred to above on or before the date any such form or statement expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form or statement, and obtain such extensions of time reasonably requested by the Parent Borrower or the Administrative Agent for filing and completing such forms and statements; and

(iii) deliver, to the extent legally entitled to do so, upon reasonable request by the Parent Borrower, to the Parent Borrower and the Administrative Agent such other forms, certificates or certifications as may be reasonably required in order to establish the legal entitlement of such Issuing Lender or Revolving L/C Participant (or beneficiary or member thereof) to an exemption from withholding with respect to payments under this Agreement and any Notes; provided, that in determining the reasonableness of a request under this clause (iii) such Issuing Lender or Revolving L/C Participant shall be entitled to consider the cost (to the extent unreimbursed by the Borrowers) which would be imposed on such Issuing Lender or Revolving L/C Participant (or beneficiary or member) of complying with such request;

unless in any such case any change in treaty, law or regulation has occurred after the date such Person becomes a Lender hereunder (or a beneficiary or member in the circumstances described in clause (Y) or (Z) above, if later) which renders all such forms or statements inapplicable or which would prevent such Lender (or such beneficiary or member) from duly completing and delivering any such form or statement with respect to it and such Lender so advises the Parent Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a "United States person" within the meaning of Section 7701(a)(30) of the Code, shall on or before the date of any payment by any Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Parent Borrower and the Administrative Agent two duly completed copies of Internal Revenue Service Form W-9, or successor form, certifying that such Lender or Agent is a "United States person" (within the meaning of Section 7701(a)(30) of the Code) and that such Lender or Agent is entitled to a complete exemption from United States backup withholding tax.

(d) If a payment made to a Lender or Agent hereunder may be subject to U.S. federal withholding tax under FATCA, such Lender or Agent shall deliver to the Parent Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent to comply with its withholding obligations, to determine that such Lender or Agent has complied with such Lender's or Agent's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

(e) Notwithstanding the foregoing, each Lender and Agent agrees that if any form or certification it previously delivered under Section 4.11(b), (c) or (d) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification as soon as reasonably practicable or promptly notify the Parent Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Each party's obligations under this Section 4.11 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Loans and the repayment, satisfaction or discharge of all obligations under any Loan Document.

4.12 Indemnity. Without duplication of any amounts payable in Section 4.11, the Borrowers agree, jointly and severally, to indemnify each Lender in respect of Extensions of Credit made, or requested to be made, to the Borrowers, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's bad faith, gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment) as a consequence of (a) default by the Borrowers in making a borrowing of, conversion into or continuation of Eurocurrency Loans or BA Equivalent Loans after the Parent Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrowers in making any prepayment or conversion of Eurocurrency Loans or BA Equivalent Loans after the Parent Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a payment or prepayment of Eurocurrency Loans or BA Equivalent Loans or the conversion of Eurocurrency Loans or BA Equivalent Loans on a day which is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Eurocurrency Loans or BA Equivalent Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurocurrency market. If any Lender becomes entitled to claim any amounts under the indemnity contained in this Section 4.12, it shall provide prompt notice thereof to the Parent Borrower, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b) or (c) has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Section 4.12 submitted by such Lender, through the Administrative Agent, to the Parent Borrower shall be conclusive in the absence of manifest error. This Section 4.12 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder. This Section shall not apply with respect to Taxes other than any Taxes (other than Excluded Taxes) that represent losses, claims, damages, etc. arising from any non-Tax claim.

4.13 Certain Rules Relating to the Payment of Additional Amounts.

(a) Upon the request, and at the expense of the Parent Borrower, each Lender to which any Borrower is required to pay any additional amount pursuant to Section 4.10 or 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford any Borrower the opportunity to contest, and reasonably cooperate with such Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender shall not be required to afford any Borrower the opportunity to so contest unless such Borrower shall have confirmed in writing to such Lender its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrowers shall reimburse such Lender for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with any Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing, no Lender shall be required to afford any Borrower the opportunity to contest, or cooperate with any Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender, in its reasonable discretion after good faith consultation with Parent Borrower, determines that to do so would have a material adverse effect with respect to the Taxes of Lender that is not reimbursed by Parent Borrower.

(b) If a Lender changes its applicable lending office (other than pursuant to paragraph (c) below) and the effect of such change, as of the date of such change, would be to cause any Borrower to become obligated to pay any additional amount under Section 4.10 or 4.11, such Borrower shall not be obligated to pay such additional amount, except to the extent that, pursuant to Section 4.11, amounts with respect to such Taxes were payable to such Lender immediately before it changed its lending office.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender by any Borrower pursuant to Section 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest, as the case may be, pursuant to Section 4.9, such Lender shall promptly notify the Parent Borrower and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Loans and Commitments held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrowers agree to reimburse such Lender for the reasonable incremental out-of-pocket costs thereof).

(d) If any Borrower shall become obligated to pay additional amounts pursuant to Section 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Section 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest, as the case may be, under Section 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Section 4.9, the Parent Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent, to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Parent Borrower to purchase the affected Loan or Commitment or Revolving L/C Participation, as the case may be, in whole or in part, at in the case of Loans and Commitments an aggregate price no less than such Loan's or Commitment's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) upon notice to the Administrative Agent, to prepay the affected Loan, in whole or in part, subject to Section 4.12, without premium or penalty and terminate the Revolving Commitments of such Lender. In the case of the substitution of a Lender, the Parent Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver a duly completed Assignment and Acceptance pursuant to Section 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 11.6(b) in connection with such assignment shall be paid by a Borrower or the substitute Lender. In the case of a prepayment of an affected Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Loan, the Borrowers shall first pay the affected Lender any additional amounts owing under Sections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender, if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to such replaced Lender relating to the Loans and Revolving L/C Participations so assigned shall be paid in full by the assignee Lender to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Parent Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to taxes for which any Borrower has made additional payments pursuant to Section 4.10(a) or 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable, documented out-of-pocket cost incurred in connection therewith) to such Borrower; provided, however, that such Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(f) The obligations of any Agent, Lender or Participant under this Section 4.13 shall survive the termination of this Agreement and the payment of the Loans and all amounts payable hereunder.

(g) Failure or delay on the part of any Lender to demand compensation pursuant to Section 4.10 or 4.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to Section 4.10 or 4.11 for any increased costs incurred or reductions suffered or Taxes more than 270 days prior to the date that such Lender, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions or Taxes, and of such Lender's intention to claim compensation therefore (except that, if the Change in Law giving rise to such increased costs or reductions or Taxes is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effective thereof)

4.14 Defaulting Lenders. Notwithstanding anything contained in this Agreement, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) no commitment fee shall accrue for the account of a Defaulting Lender so long as such Lender shall be a Defaulting Lender;

(b) in determining the Required Lenders or Required Revolving Lenders, any Lender that at the time is a Defaulting Lender (and the Loans and/or Commitments of such Defaulting Lender) shall be excluded and disregarded;

(c) the Parent Borrower shall have the right (A)(x) if such Lender is a Revolving Lender, to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Parent Borrower to each become a substitute Revolving Lender and assume all or part of the Commitment of any Defaulting Lender, and in such event, the Parent Borrower, the Administrative Agent and any such substitute Revolving Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, a duly completed Assignment and Acceptance to effect such substitution and (y) if such Lender is a Term Loan Lender, to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Parent Borrower to each become a substitute Lender and purchase all or part of the Loans and Commitments of such Defaulting Lender and, in such event, the Parent Borrower, the Administrative Agent and any such substitute Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, a duly completed Assignment and Acceptance to effect such substitution or (B) upon notice to the Administrative Agent, to prepay the Loans and, at the Parent Borrower's option, terminate the Commitments of such Defaulting Lender, in whole or in part, without premium or penalty;

(d) if any Swing Line Exposure exists or any Revolving L/C Obligations exist at the time a Revolving Lender becomes a Defaulting Lender then:

(i) all or any part of such Swing Line Exposure and Revolving L/C Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages but only to the extent the sum of all Non-Defaulting Lenders' Revolving Exposures plus such Defaulting Lender's Swing Line Exposure and Revolving L/C Obligations does not exceed the total of all Non-Defaulting Lenders' Revolving Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's Swing Line Exposure and (y) second, cash collateralize such Defaulting Lender's Revolving L/C Obligations (after giving effect to any partial reallocation pursuant to clause (i) above) on terms reasonably satisfactory to the applicable Revolving Issuing Lender for so long as such Revolving L/C Obligations are outstanding; or

(iii) if any portion of such Defaulting Lender's Revolving L/C Obligations is cash collateralized pursuant to clause (ii) above, the Parent Borrower shall not be required to pay the commitment fee that otherwise would have been payable to such Defaulting Lender (with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Revolving L/C Obligations) or the letter of credit commission payable with respect to such Defaulting Lender's Revolving L/C Obligations;

(iv) if any portion of such Defaulting Lender's Revolving L/C Obligations is reallocated to the Non-Defaulting Lenders pursuant to clause (i) above, then the letter of credit commission with respect to such portion shall be allocated among the Non-Defaulting Lenders in accordance with their Revolving Commitment Percentages;

(e) the Swing Line Lender shall not be required to fund any Swing Line Loan and a Revolving Issuing Lender shall not be required to issue, amend, extend or increase any Revolving Letter of Credit, unless the related exposure will be 100% covered by the Revolving Commitments of the Non-Defaulting Lenders and/or cash collateralized on terms reasonably satisfactory to the applicable Revolving Issuing Lender, and participations in any such newly issued or increased Revolving Letter of Credit or newly made Swing Line Loan shall be allocated among Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages (and Defaulting Lenders shall not participate therein);

(f) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 11.7) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable Requirements of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the applicable Revolving Issuing Lender or Swing Line Lender hereunder, (iii) third, to the funding of any Loan or the funding or cash collateralization of any participation in any Swing Line Loan or Revolving Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iv) fourth, if so determined by the Administrative Agent and the Parent Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (v) fifth, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (vi) sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is (x) a prepayment of the principal amount of any Loans or Reimbursement Amounts in respect of letter of credit disbursements in respect of which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 6.2 are satisfied, such payment shall be applied solely to prepay the Loans of, and Reimbursement Amounts owed to, all Non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or Reimbursement Amounts owed to, any Defaulting Lender; and

(g) in the event that the Administrative Agent, the Parent Borrower, each applicable Revolving Issuing Lender or the Swing Line Lender, as the case may be, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swing Line Exposure and Revolving L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Commitment Percentage. The rights and remedies against a Defaulting Lender under this Section 4.14 are in addition to other rights and remedies that the Borrowers, the Administrative Agent, the Revolving Issuing Lenders, the Swing Line Lender and the Non-Defaulting Lenders may have against such Defaulting Lender. The arrangements permitted or required by this Section 4.14 shall be permitted under this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

SECTION 5. REPRESENTATIONS AND WARRANTIES`. To induce the Administrative Agent and each Lender to make the Extensions of Credit requested to be made by it on the Closing Date and on each Borrowing Date thereafter, the Parent Borrower hereby represents and warrants, on the Closing Date, and on every Borrowing Date thereafter to the Administrative Agent and each Lender that:

5.1 Financial Condition.

(a) The audited consolidated balance sheets of the Parent Borrower and its consolidated Subsidiaries as of December 31, 2018, December 31, 2019 and December 31, 2020 and the related consolidated statements of income, shareholders' equity and cash flows for the fiscal years ended on such dates, reported on by and accompanied by unqualified reports from PricewaterhouseCoopers LLP, in the case of 2018, and Ernst & Young LLP, in the case of 2019 and 2020, present fairly, in all material respects, the consolidated financial condition as at such date, and the consolidated results of operations and consolidated cash flows for the respective fiscal years then ended, of the Parent Borrower and its consolidated Subsidiaries. All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP consistently applied throughout the periods covered thereby (except as approved by a Responsible Officer of the Parent Borrower, and disclosed in any such schedules and notes, and subject to the omission of footnotes from such unaudited financial statements).

5.2 No Change; Solvent. Since May 2, 2021, (a) there has been no development or event relating to or affecting any Loan Party which has had or would be reasonably expected to have a Material Adverse Effect (after giving effect to (i) the making of the Extensions of Credit to be made on the Closing Date and the application of the proceeds thereof as contemplated hereby, (ii) the consummation of the Transactions on the Closing Date and (iii) the payment of actual or estimated fees, expenses, financing costs and tax payments related to the transactions contemplated hereby) and (b) except as otherwise permitted by this Agreement and each other Loan Document, no dividends or other distributions have been declared, paid or made upon the Capital Stock of the Parent Borrower, and none of the Capital Stock of the Parent Borrower been redeemed, retired, purchased or otherwise acquired for value by the Parent Borrower or any of its Subsidiaries. As of the Closing Date, after giving effect to the consummation of the transactions described in preceding clauses (i) through (iii) in clause (a) above, the Parent Borrower, together with its Subsidiaries on a consolidated basis, is Solvent.

5.3 Corporate Existence; Compliance with Law. Each of the Loan Parties (a) is duly organized, validly existing and (to the extent applicable in the relevant jurisdiction) in good standing under the laws of the jurisdiction of its incorporation or formation, except (other than with respect to the Parent Borrower), to the extent that the failure to be organized, existing and (to the extent applicable) in good standing would not reasonably be expected to have a Material Adverse Effect, (b) has the corporate or other organizational power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, except to the extent that the failure to have such legal right would not be reasonably expected to have a Material Adverse Effect, (c) is duly qualified as a foreign corporation, partnership or limited liability company and (to the extent applicable in the relevant jurisdiction) in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, other than in such jurisdictions where the failure to be so qualified and (to the extent applicable) in good standing would not be reasonably expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law, except to the extent that the failure to comply therewith would not, in the aggregate, be reasonably expected to have a Material Adverse Effect.

5.4 Corporate Power; Authorization; Enforceable Obligations. Each Loan Party has the corporate or other organizational power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrowers, to obtain Extensions of Credit hereunder, and each such Loan Party has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of each Borrower, to authorize the Extensions of Credit to it, if any, on the terms and conditions of this Agreement, any Notes and the L/C Requests. No consent or authorization of, filing with, notice to or other similar act by or in respect of, any Governmental Authority or any other Person is required to be obtained or made by or on behalf of any Loan Party in connection with the execution, delivery, performance, validity or enforceability of the Loan Documents to which it is a party or, in the case of each Borrower, with the Extensions of Credit to it, if any, hereunder, except for (a) consents, authorizations, notices and filings described in Schedule 5.4, all of which have been obtained or made prior to the Closing Date, (b) filings to perfect the Liens created by the Security Documents (other than during any Collateral Suspension Period), (c) filings pursuant to the Assignment of Claims Act of 1940, as amended (31 U.S.C. § 3727 et seq.), in respect of Accounts of the Parent Borrower and its Subsidiaries the Obligor in respect of which is the United States of America or any department, agency or instrumentality thereof and (d) consents, authorizations, notices and filings which the failure to obtain or make would not reasonably be expected to have a Material Adverse Effect. This Agreement has been duly executed and delivered by each Borrower, and each other Loan Document to which any Loan Party is a party will be duly executed and delivered on behalf of such Loan Party. This Agreement constitutes a legal, valid and binding obligation of each Borrower and each other Loan Document to which any Loan Party is a party when executed and delivered will constitute a legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its terms, in each case except as enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

5.5 No Legal Bar. (c) With respect to any Foreign Subsidiary (other than an Excluded Subsidiary (without giving effect to clause (a)(ii) thereof) provided that the provisions of clauses (i) and (ii) below with respect to the grant of a perfected security interest in, and the delivery of certificates and powers, if applicable, with respect to, the Capital Stock of each newly created or acquired Foreign Subsidiary shall, subject to the Required Standstill Provisions, apply to the Capital Stock of each Securitization Subsidiary) created or acquired subsequent to the Closing Date by the Parent Borrower or any of its Domestic Subsidiaries (other than an Excluded Subsidiary), the Capital Stock of which is owned directly by the Parent Borrower or any of its Domestic Subsidiaries (other than an Excluded Subsidiary), promptly notify the Administrative Agent of such occurrence and if the Administrative Agent or the Required Lenders so request, subject to clause (e) below, except during any Collateral Suspension Period, promptly (i) execute and deliver to the Collateral Agent a new pledge agreement or such amendments to the Guarantee and Collateral Agreement as the Collateral Agent shall reasonably deem necessary or reasonably advisable to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected security interest (as and to the extent provided in the Guarantee and Collateral Agreement) in the Capital Stock of such new Foreign Subsidiary that is directly owned by the Parent Borrower or any of its Domestic Subsidiaries (other than an Excluded Subsidiary) (provided that in no event shall more than 65% of the Voting Stock of any Foreign Subsidiary be required to be so pledged and, provided, further, that no such pledge or security shall be required with respect to any non-wholly owned Foreign Subsidiary to the extent that the grant of such pledge or security interest would violate the terms of any agreements under which the Investment by the Parent Borrower or any of its Subsidiaries was made therein) and (ii) to the extent reasonably deemed advisable by the Collateral Agent, deliver to the Collateral Agent or to any agent therefor as provided by any Intercreditor Agreement or any Other Intercreditor Agreement the certificates, if any, representing such Capital Stock, together with undated stock powers, executed and delivered in blank by a duly authorized officer of the relevant parent corporation of such new Foreign Subsidiary and take such other action as may be reasonably deemed by the Collateral Agent to be necessary or desirable to perfect the Collateral Agent's security interest therein.

(d) Except during any Collateral Suspension Period, at its own expense, execute, acknowledge and deliver, or cause the execution, acknowledgement and delivery of, and thereafter register, file or record in an appropriate governmental office, any document or instrument reasonably deemed by the Collateral Agent to be necessary or desirable for the creation, perfection and priority and the continuation of the validity, perfection and priority of the foregoing Liens or any other Liens created pursuant to the Security Documents in each case in accordance with, and to the extent required by, the Guarantee and Collateral Agreement.

(e) Notwithstanding anything to contrary in this Agreement, (A) the foregoing requirements shall be subject to the terms of any Intercreditor Agreement or any Other Intercreditor Agreement and, in the event of any conflict with such terms, the terms of such Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, shall control; (B) no security interest or Lien is or will be granted pursuant to any Loan Document or otherwise in any right, title or interest of any of Holdings, the Parent Borrower or any of its Subsidiaries in, and "Collateral" shall not include, any Excluded Asset and, in the case of the pledge of Capital Stock of any Securitization Subsidiary, shall be subject to the Required Standstill Provisions; (C) no Loan Party or any Affiliate thereof shall be required to take any action in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction in order to create any security interests in assets located or titled outside of the U.S. or to perfect any security interests (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction); (D) to the extent not automatically perfected by filings under the Uniform Commercial Code of each applicable jurisdiction, no Loan Party shall be required to take any actions in order to perfect any security interests granted with respect to any assets specifically requiring perfection through control (including cash, cash equivalents, deposit accounts and securities accounts, but excluding the Term C Loan Collateral Accounts), but excluding Capital Stock required to be delivered pursuant to Section 7.9(b) and (c) above); and (E) nothing in this Section 7.9 shall require that any Loan Party grant a Lien with respect to any property or assets in which such Subsidiary acquires ownership rights to the extent that the Administrative Agent, in its reasonable judgment, determines that the granting of such a Lien is impracticable or that that the costs or other consequences to Holdings or any of its Subsidiaries of the granting of such a Lien is excessive in view of the benefits that would be obtained by the Secured Parties.

(f) Each of the Lenders hereby irrevocably authorizes and directs the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (the "Collateral Suspension" and the date such Collateral Suspension commences, the "Collateral Suspension Date") at the request of the Parent Borrower if and for so long as (A) the corporate credit rating or corporate family rating, as applicable, of the Parent Borrower shall have an Investment Grade Rating (without a negative outlook) from both Moody's and S&P (the condition under this clause (A), the "Collateral Suspension Rating Level Condition"), (B) the Parent Borrower and its Restricted Subsidiaries shall not have outstanding any Indebtedness for borrowed money that is secured by the same Collateral securing the Loans (other than any such Lien being released) (the condition under this clause (B), the "Limited Collateral Release Condition") and (C) no Event of Default shall have occurred and be continuing; provided that, if on any date following the Collateral Suspension (1) the Limited Collateral Release Condition is no longer satisfied, (2) the Collateral Suspension Rating Level Condition is no longer satisfied or (3) the Parent Borrower notifies the Collateral Agent in writing that it has elected to terminate the Collateral Suspension, the Loan Parties shall take all actions, execute all documents, deliver any documents and make any filings, in each case as reasonably requested by the Collateral Agent, to cause any Liens released under this Section 7.9(f) to be reinstated to secure the Obligations under this Agreement within 30 days after such date (or 60 days for any actions, documents or filings in respect of Mortgaged Properties) (or such longer period as may be agreed by the Collateral Agent in its reasonable discretion) (the first such date on which a new Security Document is required to be delivered pursuant to the foregoing, the "Collateral Reinstatement Date") on substantially identical terms with the security provided immediately prior to the Collateral Suspension or otherwise in form and substance reasonably satisfactory to the Collateral Agent; provided that if any Borrower shall consensually grant and/or perfect any Lien on any Collateral to secure any Indebtedness for borrowed money, such Lien shall also be granted to (and perfected in favor of) the Collateral Agent for the benefit of the Secured Parties simultaneously with the grant in favor thereof, and such Borrower shall cause the lienholder for any such Indebtedness to enter into an Intercreditor Agreement or Other Intercreditor Agreement.

(g) Notwithstanding the foregoing, the Collateral Agent shall not enter into and no Loan Party shall be required to provide any Mortgage in respect of any improved real property acquired by any Loan Party after the Closing Date or to be mortgaged in connection with a MIRE Event unless Collateral Agent has provided to Lenders (i) if such Mortgaged Property relates to an improved real property not located in a Flood Zone, a completed Flood Certificate with respect to such improved real property from a third-party vendor at least ten Business Days prior to entering into such Mortgage or (ii) if such Mortgaged Property relates to an improved real property located in a Flood Zone, confirmation from all Lenders that flood insurance due diligence and flood insurance compliance has been completed and the following documents with respect to such improved real property at least 45 days prior to entering into such Mortgage: (i) a completed Flood Certificate from a third party vendor; (ii) if such improved real property is located in a Flood Zone, (A) a notification to the applicable Loan Parties of that fact and (if applicable) notification to the applicable Loan Parties that flood insurance coverage is not available and (B) evidence of the receipt by the applicable Loan Parties of such notice; and (iii) if required by Flood Insurance Laws, evidence of required flood insurance; provided that Collateral Agent may enter into any such Mortgage prior to the notice period specified above if Collateral Agent shall have received confirmation from each applicable Lender that such Lender has completed any necessary flood insurance due diligence to its reasonable satisfaction and provided further that the applicable Loan Party's obligation to promptly grant a Mortgage under Section 7.9(a) of this Agreement shall be extended for so long as is required for the Lenders to complete their flood insurance diligence and related compliance.

7.10 MIRE Events. Prior to the occurrence of a MIRE Event, the Parent Borrower shall provide (and shall use commercially reasonable efforts to provide as promptly as reasonably possible prior to such MIRE Event) to Collateral Agent the following documents in respect of any Mortgaged Property: (a) a Flood Certificate; (b) if such improved real property is located in a Flood Zone, if required by Flood Insurance Laws, evidence of required flood insurance and (c) any other customary documentation that may be reasonably requested by Collateral Agent. For the avoidance of doubt, flood insurance due diligence and flood insurance compliance is subject to being deemed reasonably satisfactory to all Lenders.

7.11 Post-Closing Actions. Notwithstanding anything to the contrary set forth herein, to the extent not previously delivered to the Collateral Agent on or prior to the Closing Date, the Parent Borrower shall deliver (or cause to be delivered) to the Collateral Agent within 120 days after the Closing Date (or such later date as agreed by the Collateral Agent in its reasonable discretion): (i) a title policy (or policies) or an unconditional binding commitment from the title company to issue for such insurance to be replaced by a final title policy in the form of a pro forma policy or marked up commitment, which policy shall (a) be in an amount reasonably approved by Collateral Agent, (ii) insure that the Mortgage created thereby creates a valid first Lien on the Mortgaged Property encumbered thereby free and clear of all defects and encumbrances, except those permitted by Sections 8.2 and such as may be approved by the Collateral Agent; (c) name the Collateral Agent for the benefit of the Lenders as the insured thereunder; (d) be in the form of an ALTA Loan Policy; (e) contain such endorsements, coinsurance, reinsurance, and affirmative coverage as reasonably agreed to by the Collateral Agent and the Parent Borrower; and (f) be issued by First American Title Insurance Company or any other title companies reasonably satisfactory to the Collateral Agent (with any other reasonably satisfactory title companies acting as co-insurers or reinsurers, at the option of the Collateral Agent); (ii) an American Land Title Association survey (or survey update) in a form and substance reasonably acceptable to the Collateral Agent or such existing survey together with a no-change affidavit sufficient for the title company to remove all standard survey exceptions from the Title Policy related to such Mortgaged Property and issue the survey related endorsements and (iii) legal opinions of local counsel in the states where the Mortgaged Properties are located relating to the Mortgages, which opinions shall be in form and substance, and from counsel, reasonably satisfactory to the Collateral Agent. Notwithstanding the foregoing, Collateral Agent shall not enter into and the Parent Borrower shall not be required to deliver (or cause to be delivered) any Mortgage under this Section 7.12 until (i) Collateral Agent has delivered the documents and other information required under paragraphs (i), (ii) and (iii) of Section 7.9(g) to each Lender expressly requesting such documents and other information and (ii) the earlier of (a) receipt by the Collateral Agent of written confirmation from each such Lender that flood insurance diligence and related compliance has been completed by such Lender (such written confirmation not to be unreasonably conditioned, withheld or delayed) and all other deliverables required by this Section 7.12 and (b) 120 days after the Closing Date (or such later date as agreed by the Collateral Agent in its reasonable discretion).

SECTION 8. NEGATIVE COVENANTS. The Parent Borrower hereby agrees that, from and after the Closing Date and so long as the Commitments remain in effect, and thereafter until payment in full of the Loans, all Reimbursement Amounts and any other amount then due and owing to any Lender or any Agent hereunder and under any Note and termination or expiration of all Letters of Credit (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to each applicable Issuing Lender):

8.1 Limitation on Indebtedness. (a) The Parent Borrower will not, and will not permit any Restricted Subsidiary to, Incur any Consolidated Vehicle Indebtedness.

(b) Notwithstanding the foregoing Section 8.1(a), the Parent Borrower and its Restricted Subsidiaries may Incur the following Consolidated Vehicle Indebtedness:

(i) Indebtedness in a maximum principal amount at any time outstanding not exceeding in the aggregate the amount equal to the sum of (A) an amount equal to the Borrowing Base, plus (B) in the event of any refinancing of any such Indebtedness, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing;

(ii) Indebtedness (A) of any Restricted Subsidiary to the Parent Borrower or (B) of the Parent Borrower or any Restricted Subsidiary to any Restricted Subsidiary; provided, that any subsequent issuance or transfer of any Capital Stock of such Restricted Subsidiary to which such Indebtedness is owed, or other event, that results in such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of such Indebtedness (except to the Parent Borrower or a Restricted Subsidiary) will be deemed, in each case, an Incurrence of such Indebtedness by the issuer thereof not permitted by this clause (ii);

(iii) Indebtedness consisting of accommodation guarantees for the benefit of trade creditors of the Parent Borrower or any of its Restricted Subsidiaries; and

(iv) (A) Guarantees by the Parent Borrower or any Restricted Subsidiary of Indebtedness or any other obligation or liability of the Parent Borrower or any Restricted Subsidiary (other than any Indebtedness Incurred by the Parent Borrower or such Restricted Subsidiary, as the case may be, in violation of this Section 8.1), or (B) without limiting Section 8.2, Indebtedness of the Parent Borrower or any Restricted Subsidiary arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Parent Borrower or any Restricted Subsidiary (other than any Indebtedness Incurred by the Parent Borrower or such Restricted Subsidiary, as the case may be, in violation of this Section 8.1).

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 8.1, (i) any other obligation of the obligor on such Indebtedness (or of any other Person who could have Incurred such Indebtedness under this Section 8.1) arising under any Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation supporting such Indebtedness shall be disregarded to the extent that such Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation secures the principal amount of such Indebtedness; (ii) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 8.1(b) above, the Parent Borrower, in its sole discretion, shall classify such item of Indebtedness and may include the amount and type of such Indebtedness in one or more of the clauses of Section 8.1(b) above (including in part under one such clause and in part under another such clause); and (iii) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) For purposes of determining compliance with any Dollar-denominated restriction on the Incurrence of Indebtedness denominated in a foreign currency, the Dollar Equivalent principal amount of such Indebtedness Incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit or deferred draw Indebtedness, provided that (x) the Dollar Equivalent principal amount of any such Indebtedness outstanding on the Closing Date shall be calculated based on the relevant currency exchange rate in effect on the Closing Date, (y) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency (or in a different currency from such Indebtedness so being Incurred), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount (whichever is higher) of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses (including accrued and unpaid interest) incurred or payable in connection with such refinancing and (z) the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency and Incurred pursuant to the Senior Credit Facility shall be calculated based on the relevant currency exchange rate in effect on, at the Parent Borrower's option, (i) the Closing Date, (ii) any date on which any of the respective commitments under such Senior Credit Facility shall be reallocated between or among facilities or subfacilities hereunder or thereunder, or on which such rate is otherwise calculated for any purpose thereunder, or (iii) the date of such Incurrence. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

8.2 Limitation on Liens. The Parent Borrower shall not, and shall not permit any Restricted Subsidiary to create or permit to exist any Lien on any Collateral, whether now owned or hereafter acquired, securing any Indebtedness, except for the following Liens:

(a) Liens for taxes, assessments or other governmental charges (i) not yet delinquent or the nonpayment of which in the aggregate would not reasonably be expected to have a material adverse effect on the Parent Borrower and its Restricted Subsidiaries taken as a whole, (ii) that are being contested in good faith and by appropriate proceedings if adequate reserves with respect thereto are maintained on the books of the Parent Borrower or a Subsidiary thereof, as the case may be, in accordance with GAAP or (iii) that are excused or prohibited by the Bankruptcy Code or not otherwise authorized by the Bankruptcy Court with respect to periods prior to the Closing Date;

(b) Liens with respect to outstanding motor vehicle fines and carriers', warehousemen's, mechanics', landlords', materialmen's, repairmen's or other like Liens arising in the ordinary course of business in respect of obligations that are not known to be overdue for a period of more than 60 days or that are bonded or that are being contested in good faith and by appropriate proceedings;

(e) easements (including reciprocal easement agreements), rights-of-way, building, zoning and similar restrictions, utility agreements, covenants, reservations, restrictions, encroachments, charges, and other similar encumbrances or title defects incurred, or leases or subleases granted to others, in the ordinary course of business, which do not in the aggregate materially interfere with the ordinary conduct of the business of the Parent Borrower and its Subsidiaries, taken as a whole;

(f) Liens existing on, or provided for under written arrangements existing on, the Closing Date, or (in the case of any such Liens securing Indebtedness of the Parent Borrower or any of its Subsidiaries existing or arising under written arrangements existing on the Closing Date) securing any Refinancing Indebtedness in respect of such Indebtedness so long as the Lien securing such Refinancing Indebtedness is limited to all or part of the same property or assets (plus improvements, accessions, proceeds or dividends or distributions in respect thereof) that secured (or under such written arrangements could secure) the original Indebtedness;

(g) (i) mortgages, liens, security interests, restrictions, encumbrances or any other matters of record that have been placed by any developer, landlord or other third party on property over which the Parent Borrower or any Restricted Subsidiary has easement rights or on any leased property and subordination or similar agreements relating thereto and (ii) any condemnation or eminent domain proceedings affecting any real property;

(j) leases, subleases, licenses or sublicenses to or from third parties;

(k) Liens securing Indebtedness (including Liens securing any Obligations in respect thereof) consisting of

(1) Indebtedness Incurred under this Agreement and the other Loan Documents and any Refinancing Indebtedness in respect thereof,

(2) Indebtedness consisting of (w) Indebtedness supported by a letter of credit issued pursuant to any Credit Facility in a principal amount not exceeding the face amount of such letter of credit, (x) accommodation guarantees for the benefit of trade creditors of the Parent Borrower or any of its Restricted Subsidiaries, (y) Guarantees in connection with the construction or improvement of all or any portion of a Public Facility to be used by the Parent Borrower or any Restricted Subsidiary or (z) any Guarantee in respect of any Franchise Vehicle Indebtedness or Franchise Lease Obligation,

(3) Indebtedness of the Parent Borrower or any Restricted Subsidiary (A) arising from the honoring of a check, draft or similar instrument of such Person drawn against insufficient funds in the ordinary course of business, or (B) consisting of guarantees, indemnities, obligations in respect of earnouts or other purchase price adjustments, or similar obligations, Incurred in connection with the acquisition or disposition of any business, assets or Person,

(4) Indebtedness of the Parent Borrower or any Restricted Subsidiary in respect of (A) letters of credit, bankers' acceptances or other similar instruments or obligations issued, or relating to liabilities or obligations incurred, in the ordinary course of business (including those issued to governmental entities in connection with self-insurance under applicable workers' compensation statutes), or (B) completion guarantees, surety, judgment, appeal or performance bonds, or other similar bonds, instruments or obligations, provided, or relating to liabilities or obligations incurred, in the ordinary course of business, or (C) Management Guarantees, or (D) the financing of insurance premiums in the ordinary course of business, or (E) take-or-pay obligations under supply arrangements incurred in the ordinary course of business, or (F) netting, overdraft protection and other arrangements arising under standard business terms of any bank at which the Parent Borrower or any Restricted Subsidiary maintains an overdraft, cash pooling or other similar facility or arrangement,

(5) any other Indebtedness, provided that any such Liens on Collateral securing Indebtedness pursuant to this clause (5) are junior in priority to the Liens securing the Indebtedness hereunder, which priority may be effected pursuant to any Intercreditor Agreement or any Other Intercreditor Agreement or otherwise,

(6) Indebtedness (*A*) of a Special Purpose Subsidiary secured by a Lien on all or part of the assets disposed of in, or otherwise Incurred in connection with, a Financing Disposition or (*B*) otherwise Incurred in connection with a Special Purpose Financing; provided that (x) such Indebtedness is non-recourse to the Company or any Restricted Subsidiary that is not a Special Purpose Subsidiary (other than with respect to Special Purpose Financing Undertakings) and (y) such Indebtedness does not constitute Consolidated Vehicle Indebtedness,

(7) Indebtedness or other obligations in respect of Management Advances or Management Guarantees,

in each case under the foregoing clauses (1) through (9) including Liens securing any Guarantee of any thereof (in the case of clause (5), subject to the proviso thereto);

(l) Liens existing on property or assets of a Person at, or provided for under written arrangements existing at, the time such Person becomes a Subsidiary of the Parent Borrower (or at the time the Parent Borrower or a Restricted Subsidiary acquires such property or assets, including any acquisition by means of a merger or consolidation with or into the Parent Borrower or any Restricted Subsidiary); provided, however, that such Liens are not created in connection with, or in contemplation of, such other Person becoming such a Subsidiary (or such acquisition of such property or assets), and that such Liens are limited to all or part of the same property or assets (plus improvements, accessions, proceeds or dividends or distributions in respect thereof) that secured (or, under the written arrangements under which such Liens arose, could secure) the obligations to which such Liens relate; provided further, that for purposes of this clause (l), if a Person other than the Parent Borrower is the Successor Company with respect thereto, any Subsidiary thereof shall be deemed to become a Subsidiary of the Parent Borrower, and any property or assets of such Person or any such Subsidiary shall be deemed acquired by the Parent Borrower or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Company;

(m) Liens securing Indebtedness (including Liens securing any Obligations in respect thereof) consisting of Refinancing Indebtedness Incurred in respect of any Indebtedness secured by, or securing any refinancing, refunding, extension, renewal or replacement (in whole or in part) of any other obligation secured by, any other Permitted Liens, provided that any such new Lien is limited to all or part of the same property or assets (plus improvements, accessions, proceeds or dividends or distributions in respect thereof) that secured (or, under the written arrangements under which the original Lien arose, could secure) the obligations to which such Liens relate;

(o) Liens (other than any Liens securing Consolidated Vehicle Indebtedness) on or under, or arising out of or relating to, any Vehicle Rental Concession Rights;

(p) Liens securing Indebtedness (including Liens securing any Obligations in respect thereof), provided that after giving effect to the Incurrence of the amount of such Indebtedness (or on the date of the initial commitment to lend such additional amount after giving pro forma effect to the Incurrence of the entire committed amount of such amount), (x) in the case of Indebtedness secured by Liens on the Collateral that rank *pari passu* with the Collateral securing the Initial Term Loan Facilities and the Initial Revolving Facility, the Parent Borrower and its Restricted Subsidiaries shall be in *pro forma* compliance with the Pari Secured Ratio Incurrence Test and (y) in the case of Indebtedness secured by Liens on the Collateral that rank junior to the Collateral securing the Initial Term Loan Facilities and the Initial Revolving Facility, the Parent Borrower and its Restricted Subsidiaries shall be in *pro forma* compliance with the Junior Secured Ratio Incurrence Test (it being understood that if pro forma effect is given to the entire committed amount of any such additional amount on the date of initial borrowing of such Indebtedness or entry into the definitive agreement providing the commitment to fund such Indebtedness, such committed amount may thereafter be borrowed and reborrowed in whole or in part, from time to time, without further compliance with this clause (p)).

For purposes of determining compliance with this Section 8.2, (i) the principal amount of Indebtedness secured by a Lien outstanding under any category of Permitted Liens shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness, (ii) any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness shall also be permitted to secure any increase in the amount of such Indebtedness in connection with the accrual of interest, the accretion of accreted value, the payment of interest in the form of additional Indebtedness and the payment of dividends on Capital Stock constituting Indebtedness in the form of additional shares of the same class of Capital Stock, and (iii) if any Indebtedness or other obligation is secured by any Lien outstanding under any category of Permitted Liens measured by reference to a Dollar-denominated restriction, the Dollar Equivalent principal amount of such Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit or deferred draw Indebtedness, provided that (x) the Dollar Equivalent principal amount of any such Indebtedness outstanding on the Closing Date shall be calculated based on the relevant currency exchange rate in effect on the Closing Date, (y) if such Indebtedness is refinanced by any Indebtedness or other obligation secured by any Lien incurred by reference to such category of Permitted Liens, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded (and such refinancing Lien shall be deemed permitted) so long as the principal amount of such refinancing Indebtedness or other obligation does not exceed (A) the outstanding or committed principal amount (whichever is higher) of such Indebtedness being refinanced, plus (B) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses (including accrued and unpaid interest) incurred or payable in connection with such refinancing and (z) the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency and Incurred pursuant to the Senior Credit Facility shall be calculated based on the relevant currency exchange rate in effect on, at the Parent Borrower's option, (A) the Closing Date, (B) any date on which any of the respective commitments under such Senior Credit Facility shall be reallocated between or among facilities or subfacilities hereunder or thereunder, or on which such rate is otherwise calculated for any purpose thereunder, or (C) the date of such Incurrence.

8.3 Limitation on Fundamental Changes. (a) The Parent Borrower will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(i) the resulting, surviving or transferee Person (the "Successor Company") will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Parent Borrower) will expressly assume all the obligations of the Parent Borrower under this Agreement and the other Loan Documents to which it is a party by executing and delivering to the Administrative Agent a joinder or one or more other documents or instruments;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default will have occurred and be continuing;

(iii) immediately after giving effect to such transaction, the Parent Borrower shall be in compliance with the financial covenant set forth in Section 8.9 as of the end of the Most Recent Four Quarter Period for which financial statements have been delivered pursuant to Section 7.1;

(iv) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger) shall have delivered a joinder or one or more other document or instrument confirming its Subsidiary Guarantee (other than any Subsidiary Guarantee that will be discharged or terminated in connection with such transaction) and its obligations under the Loan Documents; and

(v) the Parent Borrower will have delivered to the Administrative Agent a certificate signed by a Responsible Officer and a legal opinion each to the effect that such consolidation, merger or transfer complies with the provisions described in this Section 8.3(a)(v), provided that (x) in giving such opinion such counsel may rely on such certificate of such Responsible Officer as to compliance with the foregoing clauses (ii) and (iii) of this Section 8.3(a) and as to any matters of fact, and (y) no such legal opinion will be required for a consolidation, merger or transfer described in clause (d) of this Section 8.3.

(b) No Subsidiary Borrower will consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(i) the Successor Company will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Parent Borrower or a Subsidiary Borrower) will expressly assume all the obligations of such Subsidiary Borrower under this Agreement and the other Loan Documents to which it is a party by executing and delivering to the Administrative Agent a joinder or one or more other documents or instruments;

In the case of all Revolving Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the applicable Borrower shall at such time deposit in a cash collateral account opened by the Administrative Agent an amount in immediately available funds equal to the aggregate then undrawn and unexpired amount of such Revolving Letters of Credit (and each Borrower hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in all amounts at any time on deposit in such cash collateral account to secure the undrawn and unexpired amount of such Revolving Letters of Credit and all other obligations of the Borrowers under the Loan Documents). If at any time the Administrative Agent determines that any funds held in such cash collateral account are subject to any right or claim of any Person other than the Administrative Agent and the Secured Parties or that the total amount of such funds is less than the aggregate undrawn and unexpired amount of outstanding Revolving Letters of Credit, the applicable Borrowers, shall, forthwith upon demand by the Administrative Agent pay to the Administrative Agent as additional funds to be deposited and held in such cash collateral account, an amount equal to the excess of (a) such aggregate undrawn and unexpired amount over (b) the total amount of funds, if any, then held in such cash collateral account that the Administrative Agent determines to be free and clear of any such right and claim. After all such Revolving Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Amounts shall have been satisfied and all other obligations of the Loan Parties hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the applicable Borrower (or such other Person as may be lawfully entitled thereto). Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Lender in its capacity as a Secured Party or as beneficiary of any security granted pursuant to the Security Documents shall have any right to exercise remedies in respect of such security without the prior written consent of the Required Lenders.

Except as expressly provided above in this Section 9, to the maximum extent permitted by applicable law, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

Notwithstanding anything to the contrary in this Agreement, (x) no Default or Event of Default shall be deemed to be "continuing" or "existing" if the events, act or condition that gave rise to such Default or Event of Default have been remedied or cured or have ceased to exist and (y) any Default or Event of Default that occurs due to (I) the failure by the Parent Borrower to deliver notice pursuant to Section 7.7(a) or (II) the making or deemed making of any representation or warranty by any Loan Party, in each case, shall be deemed to be no longer continuing automatically upon and simultaneously with the underlying Default or Event of Default that would have been subject to such notice or representation or warranty ceasing to be continuing; provided that (A) the foregoing clauses (x) and (y)(I) shall not be applicable if the Borrowers had knowledge of such underlying Default or Event of Default, as applicable, prior to cessation and failed to give timely notice to the Administrative Agent and the Lenders as required and (B) the foregoing clause (y)(II) shall not be applicable if the Borrowers had knowledge of such underlying Default or Event of Default at the time such representation or warrant was made or deemed made.

If, after giving effect to the foregoing pro forma adjustment (without giving effect to any repayment of any Indebtedness with any portion of the Cure Amount or any portion of the Cure Amount on the balance sheet of the Parent Borrower and its Restricted Subsidiaries, in each case, with respect to such fiscal quarter only, the Parent Borrower and its Restricted Subsidiaries shall then be in compliance with the Financial Maintenance Covenant, they shall be deemed to have been in compliance therewith as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default hereunder that had occurred shall be deemed cured for the purposes of this Agreement.

(b) The parties hereby acknowledge that notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to the occurrence of any Specified Equity Contribution shall be disregarded for purposes of calculating Consolidated EBITDA in any determination of any financial ratio-based conditions, pricing or basket in this Agreement (other than as applicable to the Financial Maintenance Covenant).

(c) no Default or Event of Default shall be deemed to exist from the end of the applicable fiscal quarter until the Anticipated Cure Deadline, (i) the Lenders shall not be permitted to accelerate Loans held by them, to terminate the Revolving Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the financial covenants set forth in Section 8.9(b), unless such failure is not cured pursuant to the exercise of the cure right on or prior to the Anticipated Cure Deadline and (ii) no Revolving Lender or Revolving Issuing Lender shall be required to make any Extension of Credit hereunder until such Cure Amount has been received by the Parent Borrower in an amount and on other terms sufficient to cure the Financial Covenant Event of Default referred to in this Section 9.2 in respect of the Financial Maintenance Covenant.

SECTION 10. THE AGENTS AND THE OTHER REPRESENTATIVES.

10.1 Appointment. Each Lender hereby irrevocably designates and appoints the Agents as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each agent in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to or required of such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents and the Other Representatives shall not have any duties or responsibilities, except, in the case of the Administrative Agent, the Collateral Agent and each Issuing Lender, those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent or the Other Representatives. Each of the Agents may perform any of their respective duties under this Agreement, the other Loan Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and Collateral Agent may perform any of their respective duties under the Security Documents by or through one or more of their respective affiliates). Notwithstanding the foregoing, the Administrative Agent agrees to act as the U.S. federal withholding Tax agent in respect of all amounts payable by it under the Loan Documents.

10.2 Delegation of Duties. In performing its functions and duties under this Agreement, each Agent shall act solely as agent for the Lenders and, as applicable, the other Secured Parties, and no Agent assumes any (and shall not be deemed to have assumed any) obligation or relationship of agency or trust with or for Holdings or any of its Subsidiaries. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Collateral Agent in the case of the Administrative Agent), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact or counsel selected by it with reasonable care.

10.3 Exculpatory Provisions. None of the Agents or any Other Representative nor any of their officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action taken or omitted to be taken by such Person under or in connection with this Agreement or any other Loan Document (except for the gross negligence or willful misconduct of such Person or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (b) responsible in any manner to any of the Lenders for (i) any recitals, statements, representations or warranties made by Holdings, the Parent Borrower or any other Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents or any Other Representative under or in connection with, this Agreement or any other Loan Document, (ii) for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any Notes or any other Loan Document, (iii) for any failure of Holdings, the Parent Borrower or any other Loan Party to perform its obligations hereunder or under any other Loan Document, (iv) the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, (v) the satisfaction of any of the conditions precedent set forth in Section 6, or (vi) the existence or possible existence of any Default or Event of Default. Neither the Agents nor any Other Representative shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of Holdings, the Parent Borrower or any other Loan Party. Each Lender agrees that, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agents hereunder or given to the Agents for the account of or with copies for the Lenders, the Agents and the Other Representatives shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of Holdings, any Borrower or any other Loan Party which may come into the possession of the Agents and the Other Representatives or any of their officers, directors, employees, agents, attorneys-in-fact or Affiliates.

10.4 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected (and shall have no liability to any Person) in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message or other electronic transmission, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrowers or Holdings), independent accountants and other experts selected by each Agent. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless such Note shall have been transferred in accordance with Section 11.6 and all actions required by such Section in connection with such transfer shall have been taken. Any request, authority or consent of any Person or entity who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor. Each Agent shall be fully justified as between itself and the Lenders in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders and/or such other requisite percentage of the Lenders as is required pursuant to Section 11.1(a) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and any Notes and the other Loan Documents in accordance with a request of the Required Lenders and/or such other requisite percentage of the Lenders as is required pursuant to Section 11.1(a), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

10.5 Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender or either of the Parent Borrower or Holdings referring to this Agreement, describing such Default or Event of Default. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Agents shall take such action reasonably promptly with respect to such Default or Event of Default as shall be directed by the Required Lenders and/or such other requisite percentage of the Lenders as is required pursuant to Section 11.1(a); provided that unless and until the Agents shall have received such directions, the Agents may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

10.6 Acknowledgements and Representations by Lenders. Each Lender expressly acknowledges that none of the Agents or the Other Representatives nor any of their officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by any Agent or any Other Representative hereafter taken, including any review of the affairs of the Parent Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by such Agent or such Other Representative to any Lender. Each Lender represents to the Agents, the Other Representatives and each of the Loan Parties that, independently and without reliance upon any Agent, the Other Representatives or any other Lender, and based on such documents and information as it has deemed appropriate, it has made and will make, its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of Holdings and the Parent Borrower and the other Loan Parties, it has made its own decision to make its Loans hereunder and enter into this Agreement and it will make its own decisions in taking or not taking any action under this Agreement and the other Loan Documents and, except as expressly provided in this Agreement, neither the Agents nor any Other Representative shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender represents to each other party hereto that it is a bank, savings and loan association or other similar savings institution, insurance company, investment fund or company or other financial institution which makes or acquires commercial loans in the ordinary course of its business, that it is participating hereunder as a Lender for such commercial purposes, and that it has the knowledge and experience to be and is capable of evaluating the merits and risks of being a Lender hereunder. Each Lender acknowledges and agrees to comply with the provisions of Section 11.6 applicable to the Lenders hereunder.

10.7 Indemnification.

(a) The Lenders agree to indemnify each Agent (or any Affiliate thereof) (to the extent not reimbursed by the Parent Borrower or any other Loan Party and without limiting the obligation of the Parent Borrower to do so), ratably according to their respective Term Credit Percentages or Revolving Commitment Percentages, as the case may be, in effect on the date on which indemnification is sought under this Section 10.7 (or, if indemnification is sought after the date upon which the Loans shall have been paid in full, ratably in accordance with their respective Term Credit Percentages or Revolving Commitment Percentages, as the case may be, immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent (or any Affiliate thereof) in any way relating to or arising out of this Agreement, any of the other Loan Documents or the transactions contemplated hereby or thereby or any action taken or omitted by any Agent (or any Affiliate thereof) under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent arising from (a) such Agent's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable decision or (b) claims made or legal proceedings commenced against such Agent by any security holder or creditor thereof arising out of and based upon rights afforded any such security holder or creditor solely in its capacity as such. The obligations to indemnify each Revolving Issuing Lender shall be ratable among the Revolving L/C Participants in accordance with their Revolving Commitment Percentage. The agreements in this Section 10.7 shall survive the payment of the Loans and all other amounts payable hereunder.

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) The agreements in this Section 10.7 shall survive the payment of all Borrower Obligations and Guarantor Obligations (each as defined in the Guarantee and Collateral Agreement).

10.8 The Administrative Agent and Other Representatives in Their Individual Capacity. The Administrative Agent, the Other Representatives and their Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Parent Borrower or any other Loan Party as though the Administrative Agent and the Other Representatives were not the Administrative Agent or the Other Representatives hereunder and under the other Loan Documents. With respect to Loans made or renewed by them and any Note issued to them and with respect to any Letter of Credit issued or participated in by them, the Administrative Agent and the Other Representatives shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though they were not the Administrative Agent or an Other Representative, and the terms "Lender" and "Lenders" shall include the Administrative Agent and the Other Representatives in their individual capacities.

10.9 Collateral Matters.

(a) Each Lender authorizes and directs the Administrative Agent and the Collateral Agent to enter into (x) the Security Documents, any Intercreditor Agreement and any Other Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties, (y) any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to the Security Documents, any Intercreditor Agreement and any Other Intercreditor Agreement or enter into a separate intercreditor agreement in connection with the incurrence by any Loan Party or any Subsidiary thereof of Additional Indebtedness (each an "Intercreditor Agreement Supplement") to permit such Additional Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan Documents) and (z) any Incremental Commitment Amendment as provided in Section 2.9, any Increase Supplement as provided in Section 2.9, any Lender Joinder Agreement as provided in Section 2.9, any Extension Amendment as provided in Section 2.10, any Specified Refinancing Amendment as provided in Section 2.11 and any agreement required in connection with a Permitted Debt Exchange Offer pursuant to Section 2.12). Each Lender hereby agrees, and each holder of any Note or participant in Revolving Letters of Credit by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Administrative Agent, the Collateral Agent or the Required Lenders in accordance with the provisions of this Agreement, the Security Documents, any Intercreditor Agreement, any Other Intercreditor Agreement (both as amended by any Intercreditor Agreement Supplement), any Incremental Commitment Amendment, any Increase Supplement, any Lender Joinder Agreement, any Extension Amendment, any Specified Refinancing Amendment or any agreement required in connection with a Permitted Debt Exchange Offer and the exercise by the Agents or the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Administrative Agent and the Collateral Agent are hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents. Each Lender agrees that it will not have any right individually to enforce or seek to enforce any Security Document or to realize upon any Collateral for the Loans unless instructed to do so by the Collateral Agent, it being understood and agreed that such rights and remedies may be exercised only by the Collateral Agent. The Collateral Agent may grant extensions of time for the creation and perfection of security interests in or the obtaining of title insurance, legal opinions or other deliverables with respect to particular assets or the provision of any guarantee by any Subsidiary (including extensions beyond the Closing Date or in connection with assets acquired, or Subsidiaries formed or acquired, after the Closing Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by this Agreement or the Security Documents.

(b) The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, (A) to release any Lien granted to or held by such Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction of all of the obligations under the Loan Documents at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby that are then due and unpaid, (ii) constituting property being sold or otherwise disposed of (to Persons other than a Loan Party) upon the sale or other disposition thereof in compliance with Section 8.4, (iii) owned by any Restricted Subsidiary of the Parent Borrower which becomes an Excluded Subsidiary or ceases to be a Restricted Subsidiary of the Parent Borrower or constituting Capital Stock or other equity interests of an Excluded Subsidiary, (iv) if approved, authorized or ratified in writing by the Required Lenders (or such greater amount, to the extent required by Section 11.1), or (v) as otherwise may be expressly provided herein or in the relevant Security Documents (including in connection with any Collateral Suspension); (B) at the written request of the Parent Borrower to subordinate any Lien on any Excluded Assets (as defined in the Guarantee and Collateral Agreement) (or to confirm in writing the absence of any Lien thereon) or any other property granted to or held by such Agent, as the case may be under any Loan Document to the holder of any Permitted Lien; (C) to release any Restricted Subsidiary of the Parent Borrower from its Obligations under any Loan Documents to which it is a party (including its Subsidiary Guaranty) if such Person ceases to be a Restricted Subsidiary of the Parent Borrower or becomes an Excluded Subsidiary and (D) enter into any intercreditor agreement (including any Intercreditor Agreement and any Other Intercreditor Agreement) on behalf of, and binding with respect to, the Lenders and their interest in designated assets, to give effect to any Special Purpose Financing, including to clarify the respective rights of all parties in and to designated assets. Upon request by the Administrative Agent or the Collateral Agent, at any time, the Required Lenders or all or such other portion of the Lenders as shall be prescribed by this Agreement will confirm in writing such Agent's authority to release particular types or items of Collateral pursuant to this Section 10.9.

(c) The Lenders hereby authorize the Administrative Agent and the Collateral Agent as the case may be, in each case at its option and in its discretion, to enter into any amendment, amendment and restatement, restatement, waiver, supplement or modification, and to make or consent to any filings or to take any other actions, in each case as contemplated by Section 11.1. Upon request by the Administrative Agent, at any time, the Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority under this Section 10.9(c).

(d) No Agent shall have any obligation whatsoever to the Lenders to assure that the Collateral exists or is owned by Holdings or any of its Subsidiaries or is cared for, protected or insured or that the Liens granted to any Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Section 10.9 or in any of the Security Documents, it being understood and agreed by the Lenders that in respect of the Collateral, or any act, omission or event related thereto, each Agent may act in any manner it may deem appropriate, in its sole discretion, given such Agent's own interest in the Collateral as Lender and that no Agent shall have any duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct.

(e) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by and in accordance with Section 11.1 or Section 11.18 with the written consent of the Agent party thereto and the Loan Party party thereto.

(f) The Collateral Agent may, and hereby does, appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the Collateral as such Agents may from time to time agree.

10.10 Successor Agent. Subject to the appointment of a successor as set forth herein, the Administrative Agent or the Collateral Agent may each resign upon 10 days' notice to the Lenders and the Parent Borrower and if the Administrative Agent or the Collateral Agent becomes a Defaulting Lender or an Affiliate of a Defaulting Lender, either the Required Lenders or the Parent Borrower may, upon 10 days' notice to the Administrative Agent or the Collateral Agent as applicable, remove such Agent. If the Administrative Agent or Collateral Agent shall resign or be removed as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders (in the case of the Administrative Agent) shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be subject to approval by the Parent Borrower (which approval shall not be unreasonably withheld or delayed if such successor is a commercial bank with a consolidated combined capital and surplus of at least $5,000,000,000) so long as no Event of Default shall have occurred and be continuing, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor agent effective upon such appointment and approval and such successor agent's acceptance of such appointment, and the former Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans or issuers of Letters of Credit; provided, that a retiring Collateral Agent shall continue to hold the Collateral for the benefit of the Secured Parties until such time as a successor of such Collateral Agent is appointed and has accepted such appointment. Each Joint Bookrunner and the Senior Co-Manager, may resign as an Agent hereunder upon 10 days' notice to the Administrative Agent, Lenders and the Parent Borrower, or if any such Agent has admitted in writing that it is insolvent or becomes a Defaulting Lender or an Affiliate of a Defaulting Lender, either the Required Lenders or the Parent Borrower may, upon 10 days' notice to such Agent, remove such Agent. If the Collateral Agent, any Joint Bookrunner or any Senior Co-Manager shall resign or be removed as Collateral Agent, Joint Bookrunner, or Senior Co-Manager hereunder, as applicable, the duties, rights, obligations and responsibilities of such Agent hereunder, if any, shall automatically be assumed by, and inure to the benefit of, the Administrative Agent, without any further act by any Agent or any Lender. After any retiring Agent's resignation or removal as Agent, the provisions of this Section 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents. Additionally, after such retiring Agent's resignation or removal as such Agent, the provisions of this Section 10.10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was such Agent under this Agreement and the other Loan Documents. After the resignation or removal of any Administrative Agent pursuant to the preceding provisions of this Section 10.10, such resigning or removed Administrative Agent shall not be required to act as Issuing Lender for any Letters of Credit to be issued after the date of such resignation or removal, although the resigning or removed Administrative Agent shall retain all rights hereunder as Issuing Lender with respect to all Letters of Credit issued by it prior to the effectiveness of its resignation or removal as Administrative Agent hereunder.

10.11 Other Representatives. None of the Joint Bookrunners or any Senior Co-Manager nor any of the entities identified as joint bookrunners and joint lead arrangers pursuant to the definition of "Other Representative" contained herein, shall have any duties or responsibilities hereunder or under any other Loan Document in its capacity as such.

10.12 Withholding Tax. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax, and in no event shall such Agent be required to be responsible for or pay any additional amount with respect to any such withholding. If any payment has been made to any Lender by the Administrative Agent without the applicable withholding tax being withheld from such payment and the Administrative Agent has paid over the applicable withholding tax to the Internal Revenue Service or any other Governmental Authority, or the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify such Agent of a change in circumstances which rendered the exemption from or reduction of withholding tax ineffective or for any other reason, such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred.

10.13 Application of Proceeds. The Lenders, the Administrative Agent and the Collateral Agent agree, as among such parties, as follows: subject to the immediately succeeding paragraph and the terms of any Intercreditor Agreement, any Other Intercreditor Agreement and any Intercreditor Agreement Supplement, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Administrative Agent, the Collateral Agent, any Lender or any Issuing Lender on account of amounts then due and outstanding under any of the Loan Documents (the "Collection Amounts") shall, except as otherwise expressly provided herein, be distributed and applied in the following order (in each case, to the extent the Administrative Agent has actual knowledge of the amounts owing or outstanding as described below and subject to any application of any such amounts otherwise required pursuant to Section 4.4(b), or otherwise required by any Intercreditor Agreement, any Other Intercreditor Agreement and any Intercreditor Agreement Supplement): (1) *first*, to pay (on a ratable basis) all reasonable fees and out-of-pocket costs and expenses (including attorneys' fees to the extent provided herein) due and owing to the Administrative Agent and the Collateral Agent under the Loan Documents, including in connection with enforcing the rights of the Agents, the Lenders and the Issuing Lenders under the Loan Documents (including all expenses of sale or other realization of or in respect of the Collateral and any sums advanced to the Collateral Agent or to preserve its security interest in the Collateral); (2) *second*, to pay (on a ratable basis) all reasonable fees and out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing to each of the Lenders and each of the Issuing Lenders under the Loan Documents, including in connection with enforcing such Lender's or such Issuing Lender's rights under the Loan Documents; (3) *third*, to pay (on a ratable basis) to the applicable Revolving Issuing Lender with respect to a Revolving Letter of Credit, any Revolving L/C Participant's Revolving Commitment Percentage of any unreimbursed payment made by such Revolving Issuing Lender under a Revolving Letter of Credit that has not been paid by the applicable Borrower, provided that the Collateral Agent on behalf of the Secured Parties shall be subrogated to the rights of such Revolving Issuing Lender against such Revolving L/C Participant with respect to any amount paid pursuant to this clause "*third*"; (4) *fourth*, to pay (on a ratable basis) accrued and unpaid interest on Loans then outstanding; (5) *fifth*, to pay (on a ratable basis) principal of Loans then outstanding, obligations under Hedge Agreements and Bank Products Agreements secured by the Security Documents, and any Reimbursement Amounts then outstanding and not reimbursed pursuant to clause "*third*" above (or in the case of Term Letters of Credit, the immediately succeeding paragraph), and to cash collateralize any outstanding L/C Obligations on terms reasonably satisfactory to the Administrative Agent (in the case of Term L/C Obligations, to the extent not cash collateralized as provided in the immediately succeeding paragraph); (6) *sixth*, to pay (on a ratable basis) all other outstanding amounts due and payable to the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Lenders; and (7) *seventh*, to pay the surplus, if any, to whomever may be lawfully entitled to receive such surplus. To the extent that any amounts available for distribution pursuant to clause "*fifth*" above are attributable to the issued but undrawn amount of outstanding Letters of Credit which are then not yet required to be reimbursed hereunder, such amounts shall be held by the Collateral Agent in a cash collateral account and applied (x) first, to reimburse the applicable Issuing Lender from time to time for any drawings under such Letters of Credit and (y) then, following the expiration of all Letters of Credit, to all other obligations of the types described in such clause "*fifth*". To the extent any amounts available for distribution pursuant to clause "*fifth*" are insufficient to pay all obligations described therein in full, such moneys shall be allocated pro rata among the Persons entitled to payment of such obligations based on the relative amounts of such obligations.

Notwithstanding the foregoing, with respect to any Term C Loan Collateral Account (and all amounts deposited therein or credited thereto), any Collection Amounts so received in respect thereof shall be applied as follows:

(i) First, on a pro rata basis, to the payment of all amounts due to the relevant Term Issuing Lenders in an amount equal to all unreimbursed payments made by Term Issuing Lenders in respect of Term Letters of Credit that have not been paid by the applicable Borrowers;

(ii) Second, on a pro rata basis, to the payment of all other amounts due to the Term Issuing Lenders under any of the Loan Documents, in their capacity as such;

(iii) Third, on a pro rata basis, to cash collateralize any remaining outstanding Term L/C Obligations on terms reasonably satisfactory to the applicable Term Issuing Lenders;

(iv) Fourth, on a pro rata basis, to the payment of all other Obligations in respect of the Term C Loans (in the order specified in clauses (2), (4) and (5) above with respect to all other Collection Amounts);

(v) Last, the balance, if any, after all of the relevant Term L/C Obligations and Obligations in respect of Term C Loans have been indefeasibly paid in full in cash, as set forth above with respect to all other Collection Amounts.

This Section 10.13 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendment) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of loans added pursuant to Sections 2.9, 2.10 and 2.11, as applicable. Notwithstanding the foregoing, Excluded Obligations (as defined in the Guarantee and Collateral Agreement) with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets and such Excluded Obligations shall be disregarded in any application of Collection Amounts pursuant to the preceding paragraph.

10.14 Erroneous Payments.

(a) Each Lender and each Issuing Lender (and each Participant of any of the foregoing, by its acceptance of a Participation) hereby acknowledges and agrees that if the Administrative Agent notifies such Lender or Issuing Lender that the Administrative Agent has determined in its sole discretion that any funds (or any portion thereof) received by such Lender or Issuing Lender (any of the foregoing, a "Recipient") from the Administrative Agent (or any of its Affiliates) were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Recipient (whether or not known to such Recipient) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") and demands the return of such Payment, such Recipient shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment as to which such a demand was made. A notice of the Administrative Agent to any Recipient under this Section shall be conclusive, absent manifest error.

(b) Without limitation of clause (a) above, each Recipient further acknowledges and agrees that if such Recipient receives a Payment from the Administrative Agent (or any of its Affiliates) (x) that is in an amount, or on a date different from the amount and/or date specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice"), (y) that was not preceded or accompanied by a Payment Notice, or (z) that such Recipient otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), in each case, it understands and agrees at the time of receipt of such Payment that an error has been made (and that it is deemed to have knowledge of such error) with respect to such Payment. Each Recipient agrees that, in each such case, it shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made.

(c) Any Payment required to be returned by a Recipient under this Section shall be made in Same Day Funds in the currency so received, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Recipient to the date such amount is repaid to the Administrative Agent at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. Each Recipient hereby agrees that it shall not assert and, to the fullest extent permitted by applicable law, hereby waives, any right to retain such Payment, and any claim, counterclaim, defense or right of set-off or recoupment or similar right to any demand by the Administrative Agent for the return of any Payment received, including without limitation any defense based on "discharge for value" or any similar doctrine.

(d) The Borrowers and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party except, in each case, to the extent such erroneous Payment is, and with respect to the amount of such erroneous Payment that is, comprised of funds of the Borrowers or any other Loan Party.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document (but without limitation of the agreements set forth in the immediately preceding clause (d)), none of Holdings or any of its Subsidiaries has acquired or incurred (or will acquire or incur) any additional rights or obligations under this Section 10.14.

SECTION 11. MISCELLANEOUS.

11.1 Amendments and Waivers.

(a) Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof, may be amended, supplemented, modified or waived except in accordance with the provisions of this Section 11.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and the Collateral Agent may, from time to time, (x) enter into with the respective Loan Parties hereto or thereto, as the case may be, written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or to the other Loan Documents or changing, in any manner the rights or obligations of the Lenders or the Loan Parties hereunder or thereunder or (y) waive at any Loan Party's request, on such terms and conditions as the Required Lenders, the Administrative Agent or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that amendments pursuant to Sections 11.1(a)(i) through (v), (x) and (xi), (d), (f) and (h) may be effected without the consent of the Required Lenders; provided, further, that no waiver and no amendment, supplement or modification shall:

(i) reduce or forgive the amount or extend the scheduled date of maturity of any Loan or any Reimbursement Amount or of any scheduled installment thereof or reduce the stated rate of any interest, commission or fee payable hereunder (other than as a result of any waiver of the applicability of any post-default increase in interest rates) or extend the scheduled date of any payment thereof or increase the amount or extend the expiration date of any Lender's Commitment or change the currency in which any Loan or Reimbursement Amount is payable, in each case without the consent of each Lender directly and adversely affected thereby, subject to Sections 11.1(e) and 11.1(g) (it being understood that (x) waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitment of all Lenders shall not constitute an increase of the Commitment of any Lender, and (y) an increase in the available portion of any Commitment of any Lender shall not constitute an increase in the Commitment of such Lender);

(ii) waive, amend or modify the provisions of Sections 4.8(a) or 10.13 in a manner that would by its terms alter the sharing of payments or application of proceeds required thereby without the consent of each Lender directly and adversely affected thereby (except in connection with Sections 2.9, 2.10, 2.11 and 11.6(i));

(iii) amend, modify or waive any provision of this Section 11.1(a) or reduce the percentage specified in the definition of "Required Lenders", or consent to the assignment or transfer by Holdings or the Parent Borrower of any of its rights and obligations under this Agreement and the other Loan Documents (other than pursuant to Section 8.3 or 11.6(a)), in each case without the written consent of all the Lenders;

(iv) release Guarantors accounting for substantially all of the value of the Guarantee of the Obligations pursuant to the Guarantee and Collateral Agreement, or all or substantially all of the Collateral, in each case without the consent of all of the Lenders, except as expressly permitted hereby or by any Security Document (including in connection with any Collateral Suspension);

(v) require any Lender to make Loans having an Interest Period shorter than one month or of 12 months, without the consent of such Lender;

(vi) amend, modify or waive any provision of Section 10 without the written consent of the then Administrative Agent and of any Other Representative directly and adversely affected thereby;

(vii) (x) amend, modify or waive the provisions of any Revolving Letter of Credit or any Revolving L/C Obligations without the written consent of the applicable Revolving Issuing Lender and each directly and adversely affected Revolving L/C Participant or (y) amend, modify or waive the provisions of any Term Letter of Credit or any Term L/C Obligations without the written consent of the applicable Term Issuing Lender;

(viii) amend, modify or waive any provision of the Swing Line Note (if any) or Section 2.7 without the written consent of the Swing Line Lender and each other Lender, if any, which holds, or is required to purchase, a participation in any Swing Line Loan pursuant to Section 2.7(d);

(ix) amend, modify or waive any provision of Sections 3 or 10.13 in a manner that adversely affects the rights and duties of any Issuing Lender without the written consent of such Issuing Lender;

(x) (A) amend or otherwise modify Section 8.9, (B) waive or consent to any Default or Event of Default resulting from a breach of Section 8.9, (C) amend or otherwise modify Section 6.2 solely with respect to any Extension of Credit in respect of Revolving Loans, Swing Line Loans or the issuance of Revolving Letters of Credit, (D) waive any representation made or deemed made in connection with any Extension of Credit in respect of Revolving Loans, Swing Line Loans or the issuance of Revolving Letters of Credit or (E) waive or consent to any Default or Event of Default relating solely to the Revolving Loans and Revolving Commitments (including Defaults and Events of Default relating to the foregoing clauses (A) through (D)), in each case without the written consent of the Required Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (x) shall not require the consent of any Lenders other than the Required Revolving Lenders; or

(xi) reduce the percentage specified in the definition of "Required Revolving Lenders" without the written consent of all Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (xi) shall not require the consent of any Lenders other than the Required Revolving Lenders;

provided further that, notwithstanding the foregoing and in addition to Liens on the Collateral that the Collateral Agent is authorized to release pursuant to Section 10.9(b), the Collateral Agent may, in its discretion, release the Lien on Collateral valued in the aggregate not in excess of $10,000,000 in any fiscal year without the consent of any Lender.

(b) Any waiver and any amendment, supplement or modification pursuant to this Section 11.1 shall apply to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, each of the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(c) Notwithstanding any provision herein to the contrary, (x) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents, except to the extent the consent of such Lender would be required under clause (i) in the further proviso to the second sentence of Section 11.1(a), (y) no Disqualified Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and (z) no Net Short Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and instead shall be deemed to have voted its interest as a Lender as provided in Subsection 11.1(j) below (for the avoidance of doubt, other than a Net Short Lender that is also a Disqualified Party, which shall be subject to the preceding clause (y)).

(d) Notwithstanding any provision herein to the contrary, (v) this Agreement and the other Loan Documents may be amended in accordance with Section 2.9 to incorporate the terms of any Incremental Commitments (including to add a new revolving facility or synthetic or other letter of credit facility under this Agreement with respect to any Incremental Revolving Commitment or Incremental Letter of Credit Commitment) with the written consent of the Borrowers and the Lenders providing such Incremental Commitments, provided that if such amendment includes an Incremental Commitment of a bank or other financial institution that is not at such time a Lender or an affiliate of a Lender, the inclusion of such bank or other financial institution as an Additional Incremental Lender shall be subject to the Administrative Agent's consent (not to be unreasonably withheld or delayed) at the time of such amendment, (w) the scheduled date of maturity of any Loan owed to any Lender or any Commitment of any Lender may be extended, and this Agreement and the other Loan Documents may be amended to effect such extension in accordance with Section 2.10, with the written consent of the Borrowers and the Extending Lenders, as contemplated by Section 2.10 or otherwise, (x) this Agreement and the other Loan Documents may be amended in accordance with Section 2.11 to incorporate the terms of any Specified Refinancing Facilities with the written consent of the Parent Borrower and the Specified Refinancing Lenders, (y) with the written consent of the Parent Borrower and the Administrative Agent (in each case such consent not to be unreasonably withheld or delayed), in the event any mandatory prepayment or redemption provision in respect of the Net Proceeds from Asset Dispositions or Recovery Events included or to be included in any Incremental Commitment Amendment or any Indebtedness constituting Additional Obligations or that would constitute Additional Obligations would result in Incremental Term Loans or Additional Obligations, as applicable, being prepaid or redeemed on a more than ratable basis with the Term Loans in respect of the Net Proceeds from any such Asset Disposition or Recovery Event to the extent such Net Proceeds are required to be applied to repay Term Loans hereunder pursuant to subsection 4.4(b)(i)(A), to provide for mandatory prepayments of the Term Loans (or, if applicable, Term Loans other than Initial Term C Loans and other Term Loans in the form of term "C" loans) such that, after giving effect thereto, the prepayments made in respect of such Incremental Term Loans or Additional Obligations, as applicable, are not on more than a ratable basis and (z) the Borrowers and the Administrative Agent may amend this Agreement or any other Loan Document without the consent of any Lender to cure any ambiguity, mistake, omission, defect or inconsistency, in each case without the consent of any other Person. Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Section 4.4(a), 4.8(a) or 11.7 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment, any Extension Amendment or Specified Refinancing Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Term Loans, Revolving Commitments, Revolving Loans, any Incremental Commitments or Incremental Loans, any Extended Tranche and any Specified Refinancing Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Incremental Commitments or Incremental Loans, any Extended Tranche or any Specified Refinancing Tranche in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Parent Borrower) to execute any amendment referred to in this clause (d) or an acknowledgement thereof.

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facility and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility or Tranche hereunder and (z) to provide class protection for any additional credit facilities.

(f) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified to better implement the intentions of this Agreement and the other Loan Documents or as required by local law to give effect to or to protect any security interest for the benefit of the Secured Parties in any property so that the security interests comply with applicable law, or as contemplated by Section 11.18, in each case with the written consent of the Agent party thereto and the Loan Party party thereto.

(g) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Section 11.1(a), the consent of each Lender, each Revolving Lender or each affected Lender, as applicable, is required and the consent of the Required Lenders or Required Revolving Lenders, as applicable, at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such other Lender, a "Non-Consenting Lender") then the Parent Borrower may, on notice to the Administrative Agent and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrowers in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrowers owing to the Non-Consenting Lender relating to the Loans, Commitments and participations so assigned shall be paid in full by the assignee Lender (or, at their option, by the Borrowers) to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) prepay the Loans and, if applicable, terminate the Commitments of such Non-Consenting Lender, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to the Non-Consenting Lender relating to the Loans, Commitments and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Parent Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender.

(h) Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Parent Borrower may make one or more loan modification offers to all the Lenders of any Tranche that would, if and to the extent accepted by any such Lender, (a) change the Applicable Margin, premium and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered), (b) add any additional or different financial or other covenants or other provisions that are agreed between the Borrowers, the Administrative Agent and the accepting Lenders; provided that such covenants and provisions are applicable only during periods after the Initial Revolving Maturity Date and (c) treat the Loans and Commitments so modified as a new "Facility" and a new "Tranche" for all purposes under this Agreement; provided that (i) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (ii) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent, the Swing Line Lender or any Issuing Lender, without its prior written consent. In connection with any such loan modification, the Borrowers and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Borrowers and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the loan modification offer) (each such accepting Lender, a "Modifying Lender")) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of, and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" or a "Tranche" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion (each such non-accepting Lender, a "Non-Modifying Lender"). The Parent Borrower shall have the right, at its sole expense and effort (A) to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Parent Borrower to each become a substitute Lender and assume all or part of the Commitment of any Non-Modifying Lender and the Parent Borrower, the Administrative Agent and any such substitute Lender shall execute and deliver, and such Non-Modifying Lender shall thereupon be deemed to have executed and delivered, a duly completed Assignment and Acceptance to effect such substitution or (B) upon notice to the Administrative Agent, and, at the Parent Borrower's option, to prepay the Loans and/or terminate the Commitments of such Non-Modifying Lender, in whole or in part, without premium or penalty. If the Parent Borrower elects to terminate the Commitments of such Non-Modifying Lender pursuant to clause (B) above, participations in outstanding Swing Line Loans and/or Revolving L/C Obligations shall be reallocated so that after giving effect thereto the Modifying Lenders share ratably in the Swing Line Loans and/or Revolving L/C Obligations of the applicable Tranche in accordance with their applicable Commitments (and notwithstanding Section 4.12, no Borrower shall be liable for any amounts under Section 4.12 as a result of such reallocation), and the Borrowers shall repay any Swing Line Loans and/or cash collateralize Revolving L/C Obligations, and make any payments of accrued interest and any accrued letter of credit commission, in each case to the extent necessary as reasonably determined by the Administrative Agent to effect such reallocation.

(i) Upon the execution by the Parent Borrower and delivery to the Administrative Agent of a Subsidiary Borrower Termination with respect to any Subsidiary Borrower, such Subsidiary Borrower shall cease to be a Borrower; provided that the Subsidiary Borrower Termination shall not be effective (other than to terminate its right to borrow additional Revolving Loans under this Agreement) unless (x) another Borrower shall remain liable for the principal of or interest on any Loan to such Subsidiary Borrower outstanding hereunder or (y) the obligations of such Subsidiary Borrower shall have been assumed by another Borrower, in each case on terms and conditions reasonably satisfactory to the Administrative Agent. In the event that a Subsidiary Borrower shall cease to be a Subsidiary of the Parent Borrower, the Parent Borrower shall promptly execute and deliver to the Administrative Agent a Subsidiary Borrower Termination terminating its status as a Borrower, subject to the proviso in the immediately preceding sentence.

(j) Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Lender as of the Closing Date) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (in each case unless otherwise agreed to by the Parent Borrower). For purposes of determining whether a Lender has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any of the Borrowers or other Loan Parties or any instrument issued or guaranteed by any of the Borrowers or other Loan Parties shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrowers and other Loan Parties and any instrument issued or guaranteed by any of the Borrowers or other Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Borrowers or other Loan Parties (or any of their successors) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Borrowers or other Loan Parties (or any of their successors) other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrowers and other Loan Parties and any instrument issued or guaranteed by any of the Borrowers or other Loan Parties, collectively, shall represent less than 5% of the components of such index. In connection with any such determination, each Lender shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrowers and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Borrowers and the Administrative Agent shall be entitled to rely on each such representation and deemed representation); provided, however, that it is understood and agreed that the Administrative Agent shall not be responsible for monitoring or enforcing the provisions set forth in this Section 11.1(j) or any other term of this Agreement related to Net Short Lenders, nor shall the Administrative Agent have any liability in respect thereof.

(k) Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, from time to time if the Parent Borrower and the Administrative Agent reasonably determine in good faith that (i) a comparable successor rate to SONIA (or a successor to such successor rate) becomes available and/or (ii) a forward-looking "term rate" based on SONIA or such successor rate becomes available, then the Parent Borrower and the Administrative Agent may amend this Agreement and the other Loan Documents without the consent of any Lender to (x) replace SONIA or any successor rate with the applicable successor rate to it and/or (y) add any such forward-looking "term rate" as an interest rate option, in each case, pursuant to generally accepted then prevailing market convention as determined by the Parent Borrower in good faith and to make such other conforming changes to this Agreement and the other Loan Documents in connection therewith, including any necessary spread adjustment that is generally accepted as the then prevailing market convention determined by the Parent Borrower in good faith. In addition, from time to time, if the Parent Borrower and the Required Lenders (or the Required Revolving Lenders of any Class of Loans denominated in Pound Sterling) determine that the circumstances described in clause (i) and/or (ii) above have occurred, then, the Parent Borrower and the Required Lenders (or Required Revolving Lenders, as applicable) may enter into amendment to this Agreement to implement the changes described in clause (x) and/or (y) above and to make such other conforming changes to this Agreement and the other Loan Documents in connection therewith, in each case, so long as such rate is reasonably practicable for the Administrative Agent to administer.

(c) Effectiveness of Facsimile Documents and Signatures. Loan Documents may be transmitted and/or signed by facsimile or other electronic means (i.e., a "pdf" or "tiff"). The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile or other electronic document or signature.

(d) Electronic Communications. Notices and other communications to the Lenders and any Issuing Lender hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites); provided that the foregoing shall not apply to notices to any Lender or an Issuing Lender pursuant to Section 2 if such Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. The Administrative Agent or the Parent Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that the approval of such procedures may be limited to particular notices or communications. 11.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, any Lender or any Loan Party, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Loan Documents (or in any amendment, modification or supplement hereto or thereto) and in any certificate delivered pursuant hereto or such other Loan Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

11.5 Payment of Expenses and Taxes. The Borrowers agree, jointly and severally, (a) to pay or reimburse the Agents for (1) all their reasonable and documented out-of-pocket costs and expenses incurred in connection with (i) the syndication of the Facilities and the development, preparation, execution and delivery of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions (including the syndication of the Initial Term Loans and the Initial Revolving costs and expenses incurred in connection with the enforcement of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including the fees and disbursements of counsel to the Agents (limited to one firm of counsel for the Agents and, if necessary, one firm of local counsel in each appropriate jurisdiction, in each case for the Agents and which, in each case, shall exclude allocated costs of in-house counsel), (c) to pay, indemnify, or reimburse each Lender, each Lead Arranger and the Agents for, and hold each Lender perceived conflict of interest where the Indemnitee affected by such conflict informs the Parent Borrower of such conflict and thereafter, after receipt of the Parent Borrower's consent (which shall not be unreasonably withheld), retains its own counsel, of another firm of counsel for such affected Indemnitee which, in each case, shall exclude allocated costs of in-house counsel)) arising out of or relating to any actual or prospective claim, litigation, investigation or proceeding, whether based on contract, tort or any other theory, brought by a third party or by any Borrower or any other Loan Party and regardless of whether any Indemnitee is a party thereto, with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Parent Borrower or any of its Restricted Subsidiaries or any of the property of the Parent Borrower or any of its Restricted Subsidiaries (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided that the Borrowers shall not have any obligation hereunder to the Administrative Agent, any other Agent, any Lead Arranger or any Lender (or any Related Party of any Agent, Lead Arranger or Lender) with respect to Indemnified Liabilities arising from (i) the gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable decision) of such Agent, Lead Arranger or Lender (or any Related Party thereof), (ii) a material breach of any Loan Document (as determined by a court of competent jurisdiction in a final non-appealable decision) by such Agent, Lead Arranger or Lender (or any Related Party thereof), (iii) claims of any Indemnitee (or any Related Party thereof) solely against one or more Indemnitees (or any Related Party thereof) or disputes between or among Indemnitees (or any Related Party thereof) in each case except to the extent such claim is determined to have been caused by an act or omission by the Parent Borrower or any of its Subsidiaries (provided that this clause (iii) shall not apply to indemnification of an Agent or Lead Arranger for a claim against it in its capacity as such), (iv) claims made or legal proceedings commenced against such Agent, Lead Arranger or Lender (or any Related Party thereof) by any security holder or creditor thereof arising out of and based upon rights afforded any such security holder or creditor solely in its capacity as such, (v) Indemnified Liabilities arising in such Indemnitee's capacity as a financial advisor of the Parent Borrower or its Subsidiaries in connection with the Transactions, (vi) Indemnified Liabilities in such Indemnitee's capacity as a co-investor in any potential acquisition of the Parent Borrower or its Subsidiaries or (vi) for any settlement effected without the Parent Borrower's prior written consent, but if settled with Parent Borrower's prior written consent (not to be unreasonably withheld, delayed, conditioned or denied) or if there is a final non-appealable judgment against an Indemnitee in any such proceeding, the Parent Borrower will indemnify and hold harmless such Indemnitee from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this section. Neither any Borrower nor any Indemnitee shall be liable for any consequential or punitive damages in connection with the Facilities; provided that nothing contained in this sentence shall limit the Borrowers' indemnification obligations above to the extent such special, indirect, consequential and punitive damages are included in any third party claim in connection with which any Indemnitee is entitled to indemnification hereunder. All amounts due under this Section 11.5 shall be payable not later than 30 days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 11.5 shall be submitted to the address of the Parent Borrower set forth in Section 11.2, or to such other Person or address as may be hereafter designated by the Parent Borrower in a notice to the Administrative Agent. Notwithstanding the foregoing, the Borrowers shall have no obligation under this Section 11.5 to any Indemnitee with respect to any tax, levy, impost, duty, charge, fee, deduction or withholding imposed, levied, collected, withheld or assessed by any Governmental Authority. The agreements in this Section 11.5 shall survive repayment of the Loans and all other amounts payable hereunder. As used herein, "Related Party" means, with respect to any Person, or any of its affiliates, or any of the officers, directors, trustees, employees, shareholders, members, attorneys and other advisors, agents and controlling persons of any thereof, any of such Person, its affiliates and the officers, directors, trustees, employees, shareholders, members, attorneys and other advisors, agents and controlling persons of any thereof (other than, in each case, Holdings and its Subsidiaries and any of its controlling shareholders).

11.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the applicable Issuing Lender that issues any Letter of Credit), except that (i) other than in accordance with Section 8.3, the Parent Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Parent Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with Section 2.10(e), 2.12, 4.13(d), 4.14(c), 11.1(g), 11.1(h) or this Section 11.6.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender other than a Conduit Lender may, in the ordinary course of business and in accordance with applicable law, assign (other than to a Disqualified Lender (so long as the Parent Borrower has made the list of Disqualified Lenders available to the Administrative Agent, who may make it available to all Lenders) or any natural person) to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including any Tranche of Commitments and/or Loans, pursuant to an Assignment and Acceptance, substantially in the form of Exhibit F) with the prior written consent of:

(A) the Parent Borrower, provided that no consent of the Parent Borrower shall be required (x) for an assignment of Term Loans to a Lender, an affiliate of a Lender, an Approved Fund (as defined below), (y) if an Event of Default under Section 9.1(a) or 9.1(f) with respect to the Parent Borrower has occurred and is continuing or (z) for an assignment of Revolving Loans or Revolving Commitments to an Affiliate of such assigning Revolving Lender or another Revolving Lender; provided, further, that if any Lender assigns all or a portion of its rights and obligations under this Agreement to one of its affiliates in connection with or in contemplation of the sale or other disposition of its interest in such affiliate, the Parent Borrower's prior written consent shall be required for such assignment;

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed), provided that no consent of the Administrative Agent shall be required for an assignment to a Lender or an affiliate of a Lender or an Approved Fund (as defined below);

(C) in the case of assignments of Revolving L/C Participations, each Revolving Issuing Lender (such consent not to be unreasonably withheld or delayed); and

(D) in the case of assignments of Revolving Commitments, each Revolving Issuing Lender and Swing Line Lender (in each case, such consent not to be unreasonably withheld or delayed).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans (or, in the case of Revolving Loans denominated in a Designated Foreign Currency, the Dollar Equivalent of the amount of such Loans) of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 (in the case of Term Loans) and $5,000,000 (in the case of Revolving Loans and Revolving Commitments), in each case unless the Parent Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Parent Borrower shall be required if an Event of Default under Section 9.1(a) or 9.1(f) with respect to the Parent Borrower has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500; provided that (x) for concurrent assignments to two or more Approved Funds such assignment fee shall only be required to be paid once in respect of and at the time of such assignments and (y) such assignment fee shall not be required to be paid in respect of assignments by any Arranger, Joint Bookrunner or Senior Co-Manager in connection with the syndication of the Term Loan Facilities;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire;

(D) in the case of assignments of Revolving L/C Participations, the assignee shall have delivered to the Parent Borrower and the Administrative Agent the documents required pursuant to Section 4.11(b), (c), (d) or (e); and

(E) Initial Term B Loans and Initial Term C Loans shall not be permitted to be assigned separately and Lenders shall be required to assign the same proportion of Initial Term B Loans and Initial Term C Loans (with the minimum amount specified in clause (A) above being calculated based on the aggregate amount of Initial Term B Loans and Initial Term C Loans so assigned).

For the purposes of this Section 11.6, the term "Approved Fund" has the following meaning: "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Lender (so long as the Parent Borrower has made the list of Disqualified Lenders available to the Administrative Agent, who may make it available to all Lenders).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5, and bound by its continuing obligations under Section 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with Sections 2.10(e), 2.12, 4.13(d), 4.14(c), 11.1(g), 11.1(h) or this Section 11.6 shall, to the extent it would comply with Section 11.6(c) be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 11.6.

(iv) The Borrowers hereby designate the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrowers' agent, solely for purposes of this Section 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and interest and principal amount of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Lenders and any Lender, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless recorded in the Register. The parties hereto agree and intend that the Obligations shall be treated as being in "registered form" for the purposes of the Code (including Sections 163(f), 165(j), 871(h)(2), 881(c)(2) and 4701 of the Code), and the Register shall be maintained in accordance with such intention.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender (unless such assignment is made in accordance with Sections 2.10(e), 4.13(d), 4.14(c), 11.1(g) or 11.1(h), in which case the effectiveness of such Assignment and Acceptance shall not require execution by the assigning Lender) and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 11.6 and any written consent to such assignment required by paragraph (b) of this Section 11.6, the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Parent Borrower. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) On or prior to the effective date of any assignment pursuant to this Section 11.6(b), the assigning Lender shall surrender any outstanding Notes held by it all or a portion of which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Parent Borrower marked "cancelled".

Notwithstanding the foregoing, no Assignee, which as of the date of any assignment to it pursuant to this Section 11.6(b) would be entitled to receive any greater payment under Section 4.10, 4.11 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such sections with respect to the rights assigned, shall be entitled to receive such greater payments unless the assignment was made after an Event of Default under Section 9.1(a) or 9.1(f) with respect to the Parent Borrower has occurred and is continuing or the Parent Borrower has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the consent of the Parent Borrower or the Administrative Agent, sell participations (other than to any Disqualified Lender (so long as the Parent Borrower has made the list of Disqualified Lenders available to the Administrative Agent, who may make it available to all Lenders) or a natural person) to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Initial Term Loan Commitments, Incremental Commitments, Extended Revolving Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents and (D) the Borrowers, the Administrative Agent, the applicable Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that, to the extent of such participation such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly and adversely affected thereby pursuant to the proviso to the second sentence of Section 11.1(a) and (2) directly and adversely affects such Participant. Subject to paragraph (d) of this Section 11.6, the Borrowers agree that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 11.6 (it being understood that any such Participant shall be subject to the requirements under Section 4.11(b), (c), (d) and (e), and shall deliver such documentation described therein to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7(b) as though it were a Lender provided that such Participant shall be subject to Section 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Lender (so long as the Parent Borrower has made the list of Disqualified Lenders available to the Administrative Agent, who may make it available to all Lenders). Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Facilities or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Facility or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such Facility or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for any Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. No sale of a participation shall be effective for purposes of this Agreement unless it has been recorded in the Participant Register as provided in this paragraph.

(d) No Loan Party shall be obligated to make any greater payment under Section 4.10, 4.11 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Parent Borrower and the Parent Borrower expressly waives the benefit of this provision at the time of such participation. Any Participant shall not be entitled to the benefits of Section 4.11 unless such Participant complies with Section 4.11(b), (c), (d) and (e), as applicable, and provides the forms and certificates referenced therein to the Lender that granted such participation.

(e) Any Lender, without the consent of the Parent Borrower or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(f) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Parent Borrower if it would require any Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Parent Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Parent Borrower or the Administrative Agent and without regard to the limitations set forth in Section 11.6(b). Each Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from any Borrower pursuant to this Section 11.6(g) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Parent Borrower specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Section 11.6(g), in the event that the indemnifying Lender fails timely to compensate each such Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Parent Borrower, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(h) If the Parent Borrower wishes to replace the Loans or Commitments under any Facility or Tranche in whole or in part with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' (or such shorter period as agreed to by the Administrative Agent in its reasonable discretion) advance notice to the Lenders under such Facility or Tranche, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility or Tranche to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 11.1. Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility or Tranche in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 4.12. By receiving such purchase price, the Lenders under such Facility or Tranche shall automatically be deemed to have assigned the Loans or Commitments under such Facility or Tranche pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit F, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) Notwithstanding anything to the contrary contained herein, (x) any Term Loan Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans or Term Loan Commitments to any Parent, any Borrower or any Subsidiary of the Parent Borrower or an Affiliated Lender and (y) any Parent, any Borrower and any Subsidiary of the Parent Borrower may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Term Loan Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Parent Borrower and the Administrative Agent (or other applicable agent managing such auction); provided that (A) any such Dutch auction by the Parent Borrower or its Subsidiaries shall be made in accordance with Section 4.4(f) and (B) any such Dutch auction by any Parent shall be made on terms substantially similar to Section 4.4(f) or on other terms to be agreed between such Parent and the Administrative Agent (or other applicable agent managing such auction) or (2) open market purchases; provided further that:

(i) (x) any such Term Loans acquired by Holdings, any Borrower or a Restricted Subsidiary shall be retired or cancelled promptly upon the acquisition thereof and (y) in the case of an assignment to Holdings, any Borrower or a Restricted Subsidiary, no Event of Default under Section 9.1(a) or 9.1(f) shall have occurred and be continuing (or would result therefrom);

(ii) No assignment of Term Loans to Holdings, the Parent Borrower or a Restricted Subsidiary may be purchased with the proceeds of any Revolving Loans;

(iii) in connection with an assignment pursuant to this Section 11.6(i), no Affiliated Lender purchasing any Lender's Term Loans shall be required to make a representation that it is not in possession of MNPI with respect to the Parent Borrower and its Subsidiaries or their respective securities, and all parties to such transaction shall (i) waive any potential claims arising from the Parent Borrower or the applicable Affiliated Lender being in possession of undisclosed information that may be material to a Lender's decision to participate in such transaction and (ii) render customary "big boy" letters to each other (or to the auction agent, if applicable);

(iv) no Affiliated Lender shall have any right to (x) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Parent Borrower are not then present or invited thereto, (y) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Parent Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (z) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender;

(v) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against the Parent Borrower or any Guarantor, each Affiliated Lender shall acknowledge and agree that they are each "insiders" under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the loans and commitments owned by it shall be not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of section 1129(a)(10) of the Bankruptcy Code, or, alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each Affiliated Lender shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Affiliated Lenders, except, in each case, to the extent that any plan of reorganization proposes to treat the Obligations held by such Affiliated Lender in a manner that is less favorable to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders; provided, further, that an Affiliated Debt Fund will not be subject to the foregoing insolvency proceeding voting limitations;

(vi) except with respect to any amendment, modification, waiver, consent or other action (a) that pursuant to Section 11.1 requires the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (b) that alters the applicable Affiliated Lender's pro rata share of any payments given to all Lenders, or (c) affects the applicable Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by the applicable Affiliated Lender (other than an Affiliated Debt Fund) shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph) (but, in any event, in connection with any amendment, modification, waiver, consent or other action, shall be entitled to any consent fee, calculated as if all of the applicable Affiliated Lender's Term Loans had voted in favor of any matter for which a consent fee or similar payment is offered);

(vii) no such acquisition by an Affiliated Lender (other than an Affiliated Debt Fund) shall be permitted if, after giving effect to such acquisition, the aggregate principal amount of Term Loans held by Affiliated Lenders (other than Affiliated Debt Funds) would exceed 25% of the aggregate principal amount of all Term Loans outstanding after giving effect to such purchase; provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of the applicable Loans held by Affiliated Lenders (other than Affiliated Debt Funds) exceeding such 25% threshold at the time of such purchase, the purchase of such excess amount will be void ab initio;

(viii) in connection with any purchases by Affiliated Lenders such Affiliated Lender shall clearly identify itself as an Affiliated Lender in any Assignment and Acceptance executed in connection with such purchases or sales but no requirement to make representation as to the absence of any material nonpublic information; and

(ix) Affiliated Debt Funds may not in the aggregate account for more than 49.9% of the amounts set forth in the calculation of Required Lenders.

(j) Notwithstanding the foregoing provisions of this Section 11.6, nothing in this Section 11.6 is intended to or should be construed to limit the Borrowers' right to prepay the Loans as provided hereunder, including under Section 4.4.

(k) The Administrative Agent and the Collateral Agent (each in its capacity as such) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders or Net Short Lenders. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent (each in its capacity as such) shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or Net Short Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender or Net Short Lender.

11.7 Adjustments; Set-off; Calculations; Computations.

(a) If any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans or the Reimbursement Amounts owing to it, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise (except pursuant to Section 2.9, 2.10, 2.11, 2.12, 3.1(b), 4.4, 4.9, 4.10, 4.11, 4.12, 4.13(d), 4.14, 11.1(g), 11.1(h) or 11.6)), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans or the Reimbursement Amounts, as the case may be, owing to it, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders an interest (by participation, assignment or otherwise) in such portion of each such other Lender's Loans or the Reimbursement Amounts, as the case may be, owing to it, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Parent Borrower, any such notice being expressly waived by the Parent Borrower to the extent permitted by applicable law, upon the occurrence of an Event of Default to set-off as appropriate and apply against any amount then due and payable by any Borrower any and all deposits (general or special, time or demand, provisional or final) other than escrow, payroll, petty cash, trust and tax withholding accounts, in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of such Borrower. Each Lender agrees promptly to notify the Parent Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

11.8 Judgment. (a) If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 11.8 referred to as the "Judgment Currency") an amount due under any Loan Document in any currency (the "Obligation Currency") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 11.8 being hereinafter in this Section 11.8 referred to as the "Judgment Conversion Date").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 11.8(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

(c) The term "rate of exchange" in this Section 11.8 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

11.9 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, when taken together, shall constitute one agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile transmission or electronic transmission (e.g., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution", "execute", "signed", "signature", and words of like import in or related to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by us, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.11 Integration. This Agreement and the other Loan Documents represent the entire agreement of each of the Loan Parties party hereto, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any of the Loan Parties party hereto, the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

11.12 Governing Law. THIS AGREEMENT AND ANY NOTES AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY NOTES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

11.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Parent Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 11.2 or at such other address of which the Administrative Agent, any such Lender and the Parent Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 11.13 any consequential or punitive damages.

11.14 Acknowledgements. Each party hereto hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither the Administrative Agent nor any Other Representative or Lender has any fiduciary relationship with or duty to any Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrowers, on the other hand, in connection herewith or therewith is solely that of creditor and debtor;

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among any of the Borrowers and the Lenders; and

(d) neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lenders or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

11.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

11.16 Confidentiality. (a) Each Agent, Arranger, Other Representative and Lender agrees to keep confidential any information (a) provided to it by or on behalf of Holdings, the Parent Borrower or any of its Subsidiaries pursuant to or in connection with the Loan Documents or (b) obtained by such Agent, Arranger, Other Representative or Lender based on a review of the books and records of Holdings, the Parent Borrower or any of its Subsidiaries; provided that nothing herein shall prevent any Agent, Arranger, Other Representative or Lender from disclosing any such information (i) to any Agent, Arranger, any Other Representative or any other Lender, (ii) to any Transferee, or prospective Transferee or any creditor or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations that agrees to comply with the provisions of this Section 11.16 pursuant to a written instrument (or electronically recorded agreement from any Person listed above in this clause (ii), which Person has been approved by the Parent Borrower (such approval not be unreasonably withheld), in respect to any electronic information (whether posted or otherwise distributed on Intralinks or any other electronic distribution system)) for the benefit of the Borrowers (it being understood that each relevant Agent, Arranger, Other Representative or Lender shall be solely responsible for obtaining such instrument (or such electronically recorded agreement)), (iii) to its affiliates and the employees, officers, directors, agents, attorneys, accountants, credit insurance providers and other professional advisors of it and its affiliates, provided that such Agent, Arranger, Other Representative or Lender shall inform each such Person of the agreement under this Section 11.16 and take reasonable actions to cause compliance by any such Person referred to in this clause (iii) with this Agreement (including, where appropriate, to cause any such Person to acknowledge its agreement to be bound by the agreement under this Section 11.16), (iv) upon the request or demand of any Governmental Authority having jurisdiction over such Agent, Arranger, Other Representative or Lender or its respective affiliates or to the extent required in response to any order of any court or other Governmental Authority or as shall otherwise be required pursuant to any Requirement of Law, provided that such Agent, Arranger, Other Representative or Lender shall, unless prohibited by any Requirement of Law, notify the Parent Borrower of any disclosure pursuant to this clause (iv) as far in advance as is reasonably practicable under such circumstances, (v) which has been publicly disclosed other than in breach of this Agreement, (vi) in connection with the exercise of any remedy hereunder, under any Loan Document, (vii) in connection with periodic regulatory examinations and reviews conducted by the National Association of Insurance Commissioners or any Governmental Authority having jurisdiction over such Agent, Arranger, Other Representative or Lender or its respective affiliates (to the extent applicable), (viii) in connection with any litigation to which such Agent, Arranger, Other Representative or Lender may be a party, subject to the proviso in clause (iv), and (ix) if, prior to such information having been so provided or obtained, such information was already in an Agent's, an Arranger's, an Other Representative's or a Lender's possession on a non-confidential basis without a duty of confidentiality to Holdings or the Borrowers (or any of their respective Affiliates) being violated. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 11.16 shall survive with respect to each Agent, Other Representative and Lender until the second anniversary of such Agent, Other Representative or Lender ceasing to be an Agent, Other Representative or a Lender, respectively.

(b) Each Lender acknowledges that any such information referred to in Section 11.16(a), and any information (including requests for waivers and amendments) furnished by the Borrowers or the Administrative Agent pursuant to or in connection with this Agreement and the other Loan Documents, may include material non-public information concerning the Borrowers, the other Loan Parties and their respective Affiliates or their respective securities. Each Lender represents and confirms that such Lender has developed compliance procedures regarding the use of material non-public information; that such Lender will handle such material non-public information in accordance with those procedures and applicable law, including United States federal and state securities laws; and that such Lender has identified to the Administrative Agent a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law.

11.17 USA Patriot Act Notice. Each Lender hereby notifies each Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub.: 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies each Loan Party, which information includes the name of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act, and the Parent Borrower agrees to provide such information (including any information with respect to any Subsidiary Borrower and any Guarantor) from time to time to any Lender.

11.18 Incremental Indebtedness; Additional Indebtedness. In connection with the incurrence by any Loan Party or any Subsidiary thereof of any Incremental Indebtedness, Specified Refinancing Indebtedness or Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agrees to execute and deliver any Intercreditor Agreement, Other Intercreditor Agreement or Intercreditor Agreement Supplement and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Security Document, and to make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Parent Borrower to be necessary or reasonably desirable for any Lien on the property or assets of any Loan Party permitted to secure such Additional Indebtedness, Specified Refinancing Indebtedness or Incremental Indebtedness to become a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan Documents) pursuant to the Security Document being so amended, amended and restated, restated, waived, supplemented or otherwise modified or otherwise.

11.19 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.20 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitment and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitment and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitment and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitment and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(v) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

11.21 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.21, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Administrative Agent or any other Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any other Secured Party against Parent Borrower, any Subsidiary Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any other Secured Party for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from Parent Borrower, any Subsidiary Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the other Secured Parties by Parent Borrower or any Subsidiary Borrower on account of the Borrower Obligations are paid in full in cash, no Letter of Credit shall be outstanding (or shall not have been cash collateralized, or otherwise provided for in a manner reasonably satisfactory to the applicable Issuing Lender) and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full in cash or any Letter of Credit shall be outstanding (and shall not have been cash collateralized, or otherwise provided for in a manner reasonably satisfactory to the applicable Issuing Lender) or any of the Commitments shall remain in effect, such amount shall be held by such Guarantor in trust for the Administrative Agent and the other Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be held as collateral security for all of any Borrower Obligations (whether matured or unmatured) guaranteed by such Guarantor and/or then or at any time thereafter may be applied against any Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

2.4 Amendments, etc. with Respect to the Obligations. To the maximum extent permitted by law, each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Collateral Agent, the Administrative Agent or any other Secured Party may be rescinded by the Collateral Agent, the Administrative Agent or such other Secured Party and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, waived, modified, accelerated, compromised, subordinated, waived, surrendered or released by the Collateral Agent, the Administrative Agent or any other Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, waived, modified, supplemented or terminated, in whole or in part, as the Collateral Agent, the Administrative Agent (or the Required Lenders or the applicable Lenders(s), as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Collateral Agent, the Administrative Agent or any other Secured Party for the payment of any of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. None of the Collateral Agent, the Administrative Agent, nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for any of the Borrower Obligations or for the guarantee contained in this Section 2 or any property subject thereto, except to the extent required by applicable law.

2.5 Guarantee Absolute and Unconditional. Each Guarantor waives, to the maximum extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by the Collateral Agent, the Administrative Agent or any other Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; each of the Borrower Obligations, and any obligation contained therein, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between Parent Borrower, any Subsidiary Borrower and any of the Guarantors, on the one hand, and the Collateral Agent, the Administrative Agent and the other Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives, to the maximum extent permitted by applicable law, diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon Parent Borrower, any Subsidiary Borrower or any of the other Guarantors with respect to any of the Borrower Obligations. Each Guarantor understands and agrees, to the extent permitted by law, that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and not of collection. Each Guarantor hereby waives, to the maximum extent permitted by applicable law, any and all defenses (other than any claim alleging breach of a contractual provision of any of the Loan Documents) that it may have arising out of or in connection with any and all of the following: (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent, the Administrative Agent or any other Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by Parent Borrower, any Subsidiary Borrower against the Collateral Agent, the Administrative Agent or any other Secured Party, (c) any change in the time, place, manner or place of payment, amendment, or waiver or increase in any of the Obligations, (d) any exchange, non-perfection, taking or release of Security Collateral, (e) any change in the structure or existence of Parent Borrower or any Subsidiary Borrower, (f) any application of Security Collateral to any of the Obligations, (g) any law, regulation or order of any jurisdiction, or any other event, affecting any term of any Obligation or the rights of the Collateral Agent, the Administrative Agent or any other Secured Party with respect thereto, including: (i) the application of any such law, regulation, decree or order, including any prior approval, which would prevent the exchange of any currency (other than Dollars) for Dollars or the remittance of funds outside of such jurisdiction or the unavailability of Dollars in any legal exchange market in such jurisdiction in accordance with normal commercial practice, (ii) a declaration of banking moratorium or any suspension of payments by banks in such jurisdiction or the imposition by such jurisdiction or any Governmental Authority thereof of any moratorium on, the required rescheduling or restructuring of, or required approval of payments on, any indebtedness in such jurisdiction, (iii) any expropriation, confiscation, nationalization or requisition by such country or any Governmental Authority that directly or indirectly deprives Parent Borrower or any Subsidiary Borrower of any assets or their use, or of the ability to operate its business or a material part thereof, or (iv) any war (whether or not declared), insurrection, revolution, hostile act, civil strife or similar events occurring in such jurisdiction which has the same effect as the events described in clause (i), (ii) or (iii) above (in each of the cases contemplated in clauses (i) through (iv) above, to the extent occurring or existing on or at any time after the date of this Agreement), or (h) any other circumstance whatsoever (other than payment in full in cash of the Borrower Obligations guaranteed by it hereunder) (with or without notice to or knowledge of Parent Borrower, any Subsidiary Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of Parent Borrower or any Subsidiary Borrower for any Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent, the Administrative Agent and any other Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against Parent Borrower, any Subsidiary Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations guaranteed by such Guarantor hereunder or any right of offset with respect thereto, and any failure by the Collateral Agent, the Administrative Agent or any other Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from Parent Borrower, any Subsidiary Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of Parent Borrower, any Subsidiary Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent, the Administrative Agent or any other Secured Party against any Guarantor. For the purposes hereof, “demand” shall include the commencement and continuance of any legal proceedings.

2.6 Reinstatement. The guarantee of any Guarantor contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations guaranteed by such Guarantor hereunder is rescinded or must otherwise be restored or returned by the Collateral Agent, the Administrative Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Parent Borrower, any Subsidiary Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, Parent Borrower, any Subsidiary Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.7 Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent, without set-off or counterclaim, in Dollars (or in the case of any amount required to be paid in any other currency pursuant to the requirements of the Credit Agreement or other agreement relating to the respective Obligations, such other currency), at the Administrative Agent's office specified in Section 11.2 of the Credit Agreement or such other address as may be designated in writing by Administrative Agent to such Guarantor from time to time in accordance with Section 11.2 of the Credit Agreement.

(i) Equipment and/or Inventory (and/or related rights and/or assets) subject to any Permitted Lien that secures Indebtedness permitted by the Credit Agreement that is Incurred to finance or refinance such Equipment and/or Inventory and designated by the Parent Borrower to the Administrative Agent (but only for so long as such Permitted Lien is in place);

(r) any Capital Stock and other securities of a Subsidiary of the Parent Borrower to the extent that the pledge of or grant of any other Lien on such Capital Stock and other securities for the benefit of any holders of securities results in the Parent Borrower or any of its Restricted Subsidiaries being required to file separate financial statements for such Subsidiary with the Securities and Exchange Commission (or any other governmental authority) pursuant to either Rule 3-10 or 3-16 of Regulation S-X under the Securities Act, or any other law, rule or regulation as in effect from time to time, but only to the extent necessary to not be subject to such requirement;

5.2.3 Changes in Name, Jurisdiction of Organization, etc. Such Grantor will give prompt written notice to the Collateral Agent of any change in its name or location (as determined by Section 9-307 of the Code) (whether by merger or otherwise) (and in any event within 30 days of such change); provided that, promptly after receiving a written request therefor from the Collateral Agent, such Grantor shall deliver to the Collateral Agent all additional financing statements and other documents reasonably necessary to maintain the validity, perfection and priority of the security interests created hereunder and other documents reasonably requested by the Collateral Agent to maintain the validity, perfection and priority of the security interests as and to the extent provided for herein, and upon receipt of such additional financing statements the Collateral Agent shall either promptly file such additional financing statements or approve the filing of such additional financing statements by such Grantor. 5.2.8 Protection of Intellectual Property. Subject to the Credit Agreement, such Grantor shall use commercially reasonable efforts not to do any act or omit to do any act whereby any of the Intellectual Property that is material to the business of Grantor may lapse, expire, or become abandoned, or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect.

5.2.9 Commercial Tort Claims. If any Grantor shall at any time after the date of this Agreement acquire a Commercial Tort Claim with a value in excess of $5.0 million, such Grantor shall (concurrently with the delivery of the next annual or quarterly Compliance Certificate pursuant to Section 7.2(a) of the Credit Agreement, or such later date as the Collateral Agent may reasonably agree) notify the Collateral Agent in a writing signed by the Parent Borrower (or the applicable Grantor) of the particulars thereof and grant to the Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

5.3.2 Pledged Notes. Such Pledgor shall, on the date of this Agreement (or on such later date upon which it becomes a party hereto pursuant to Section 9.15), deliver to the Collateral Agent all Pledged Notes then held by such Pledgor (excluding any Pledged Note the principal amount of which does not exceed $5.0 million), indorsed in blank or, at the request of the Collateral Agent, indorsed to the Collateral Agent. (c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of such Grantor's Accounts Receivable to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. (c) Each Pledgor hereby authorizes and instructs each Issuer or maker of any Pledged Securities pledged by such Pledgor hereunder to, subject to any applicable Intercreditor Agreement, (i) comply with any instruction received by it from the Collateral Agent in writing with respect to Capital Stock in such Issuer that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Pledgor, and each Pledgor agrees that each Issuer or maker shall be fully protected in so complying and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Collateral Agent.

All Proceeds of Collateral held by the relevant Grantor in trust for the Collateral Agent and the other Secured Parties shall continue to be held as collateral security for all the Obligations of such Grantor and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds. It is agreed that if an Event of Default shall occur and be continuing, any and all Proceeds of the relevant Granting Party's Collateral received by the Collateral Agent (whether from the relevant Granting Party or otherwise) shall be held by the Collateral Agent for the benefit of the Secured Parties as collateral security for the Obligations of the relevant Granting Party (whether matured or unmatured) and/or then or at any time thereafter may, in the sole discretion of the Collateral Agent, subject to each applicable Intercreditor Agreement, be applied by the Collateral Agent against the Obligations of the relevant Granting Party then due and owing in the order of priority set forth in Section 10.13 of the Credit Agreement.

Without limiting the generality of the foregoing, to the extent permitted by applicable law, the Collateral Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Granting Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith (subject to the terms of any documentation governing any Special Purpose Financing) collect, receive, appropriate and realize upon the Security Collateral, or any part thereof, and/or may forthwith, subject to any existing reserved rights or licenses, sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Security Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any other Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. To the extent permitted by law, the Collateral Agent or any other Secured Party shall have the right, upon any such sale or sales, to purchase the whole or any part of the Security Collateral so sold, free of any right or equity of redemption in such Granting Party, which right or equity is hereby waived and released. Each Granting Party further agrees, at the Collateral Agent's request (subject to the terms of any documentation governing any Special Purpose Financing and subject to any applicable Intercreditor Agreement), to assemble the Security Collateral and make it available to the Collateral Agent at places the Collateral Agent shall reasonably select, whether at such Granting Party's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Security Collateral or in any way relating to the Security Collateral or the rights of the Collateral Agent and the other Secured Parties hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations of the relevant Granting Party then due and owing, in the order of priority specified in Section 6.5 above, and only after such application and after the payment by the Collateral Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the Code, need the Collateral Agent account for the surplus, if any, to such Granting Party. To the extent permitted by applicable law, (i) such Granting Party waives all claims, damages and demands it may acquire against the Collateral Agent or any other Secured Party arising out of the repossession, retention or sale of the Security Collateral, other than any such claims, damages and demands that may arise from the gross negligence or willful misconduct of any of the Collateral Agent or such other Secured Party, and (ii) if any notice of a proposed sale or other disposition of Security Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition. Each Grantor hereby consents to the non-exclusive royalty free use by the Collateral Agent of any Intellectual Property included in the Collateral for the purposes of disposing of any Security Collateral.

6.7 Registration Rights. (a) Subject to any applicable Intercreditor Agreement, if the Collateral Agent shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 6.6, and if in the reasonable opinion of the Collateral Agent it is necessary or reasonably advisable to have the Pledged Stock (other than Pledged Stock of Special Purpose Subsidiaries), or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Pledgor will use its reasonable best efforts to cause the Issuer thereof to (i) execute and deliver, and use its reasonable best efforts to cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the reasonable opinion of the Collateral Agent, necessary or advisable to register such Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its reasonable best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of not more than one year from the date of the first public offering of such Pledged Stock, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus that, in the reasonable opinion of the Collateral Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. Such Pledgor agrees to use its reasonable best efforts to cause such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all states and the District of Columbia that the Collateral Agent shall reasonably designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) that will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Such Pledgor recognizes that the Collateral Agent may be unable to effect a public sale of any or all such Pledged Stock, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers that will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Such Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, to the extent permitted by applicable law, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall not be under any obligation to delay a sale of any of the Pledged Stock for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Such Pledgor agrees to use its reasonable best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of such Pledged Stock pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable Requirements of Law. Such Pledgor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Collateral Agent and the Lenders, that the Collateral Agent and the Lenders have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Pledgor and, to the extent permitted by applicable law, such Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred or is continuing under the Credit Agreement.

6.8 Waiver; Deficiency. Each Granting Party shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Security Collateral are insufficient to pay in full the Loans constituting Obligations of such Granting Party and, to the extent then due and owing, all other Obligations of such Granting Party and the reasonable fees and disbursements of any attorneys employed by the Collateral Agent or any other Secured Party to collect such deficiency.

6.9 Certain Undertakings with Respect to Special Purpose Subsidiaries. (a) The Collateral Agent and each Secured Party agrees that, prior to the date that is one year and one day after the payment in full of all of the obligations of each Special Purpose Subsidiary (including, without limitation, each Securitization Subsidiary) in connection with and under each securitization with respect to which any Special Purpose Subsidiary is a party, (i) the Collateral Agent and other Secured Parties shall not be entitled at any time to (A) institute against, or join any other Person in instituting against, any Special Purpose Subsidiary any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding or other similar proceeding under the laws of the United States or any State thereof or of any foreign jurisdiction, (B) transfer and register the Capital Stock of any Special Purpose Subsidiary or any other instrument in the name of the Collateral Agent or a Secured Party or any designee or nominee thereof, (C) foreclose such security interest regardless of the bankruptcy or insolvency of the Parent Borrower or any of its Subsidiaries, (D) exercise any voting rights granted or appurtenant to such Capital Stock of any Special Purpose Subsidiary or any other instrument or (E) enforce any right that the holder of any such Capital Stock of any Special Purpose Subsidiary or any other instrument might otherwise have to liquidate, consolidate, combine, collapse or disregard the entity status of such Special Purpose Subsidiary and (ii) the Collateral Agent and the other Secured Parties hereby waive and release any right to (A) require that any Special Purpose Subsidiary be in any manner merged, combined, collapsed or consolidated with or into the Parent Borrower or any of its Subsidiaries, including by way of substantive consolidation in a bankruptcy case or similar proceeding, (B) require that the status of any Special Purpose Subsidiary as a separate entity be in any respect disregarded, (C) contest or challenge, or join any other Person in contesting or challenging, the transfers of any securitization assets from the Parent Borrower or any of its Subsidiaries to any Special Purpose Subsidiary, whether on the grounds that such transfers were disguised financings, preferential transfers, fraudulent conveyances or otherwise or a transfer other than a “true sale” or a “true contribution” or (D) contest or challenge, or join any other Person in contesting or challenging, any agreement pursuant to which any assets are leased by any Special Purpose Subsidiary to any Person as other than a “true lease.”

(b) Upon the transfer by the Parent Borrower or any of its Subsidiaries (other than a Special Purpose Subsidiary) of securitization assets to a Special Purpose Subsidiary in a securitization as permitted under this Agreement, any Liens with respect to such securitization assets arising under the Credit Agreement or any Security Documents shall automatically be released (and the Collateral Agent is hereby authorized to execute and enter into any such releases and other documents as the Parent Borrower may reasonably request in order to give effect thereto).

(c) Each of the Collateral Agent and each of the other Secured Parties shall take no action related to the Collateral that would cause any Special Purpose Subsidiary to breach any of its covenants in its certificate of formation, limited liability company agreement or in any other documents governing the related Special Purpose Financing or to be unable to make any representation in any such document.

(d) Each of the Collateral Agent and each of the Secured Parties acknowledges that it has no interest in, and will not assert any interest in, the assets owned by any Special Purpose Subsidiary, or any assets leased by any Special Purpose Subsidiary to any Person, other than, following a transfer of any pledged equity interest or pledged stock to the Collateral Agent in connection with any exercise of remedies pursuant to this Agreement, the right to receive lawful dividends or other distributions when paid by any such Special Purpose Subsidiary from lawful sources and in accordance with the documents governing the related Special Purpose Financing and the rights of a member of such Special Purpose Subsidiary.

(e) Without limiting the foregoing, the Collateral Agent and the Secured Parties agree, to the extent required by Moody's, S&P or any rating agency in connection with a Special Purpose Financing involving a Special Purpose Subsidiary the Capital Stock of which constitutes Pledged Collateral hereunder, to act in accordance with clauses (c) and (d) above with respect to such Capital Stock and such Special Purpose Financing.

(f) The Collateral Agent and each Secured Party agree and acknowledge that each of (x) each Enhancement Provider (as defined in the HVF III Base Indenture) and (y) any agent and/or trustee acting on behalf of the holders of securitization indebtedness of any Special Purpose Subsidiary is an express third party beneficiary with respect to this Section 6.9 and each such person shall have the right to enforce compliance by the Collateral Agent and any other Secured Party with this Section 6.9 (this Section 6.9, the "Required Standstill Provisions")

SECTION 7 THE COLLATERAL AGENT

7.1 Collateral Agent's Appointment as Attorney-in-Fact, etc.. (a) Each Granting Party hereby irrevocably constitutes and appoints the Collateral Agent and any authorized officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Granting Party and in the name of such Granting Party or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be reasonably necessary or desirable to accomplish the purposes of this Agreement to the extent permitted by applicable law, provided that the Collateral Agent agrees not to exercise such power except upon the occurrence and during the continuance of any Event of Default, and in accordance with and subject to each applicable Intercreditor Agreement. Without limiting the generality of the foregoing, at any time when an Event of Default has occurred and is continuing (in each case to the extent permitted by applicable law) and subject to each applicable Intercreditor Agreement, (x) each Pledgor hereby gives the Collateral Agent the power and right, on behalf of such Pledgor, without notice or assent by such Pledgor, to execute, in connection with any sale provided for in Section 6.6(a) or 6.7, any indorsements, assessments or other instruments of conveyance or transfer with respect to such Pledgor's Pledged Collateral and (y) each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) subject to the terms of any documentation governing any Special Purpose Financing, in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account Receivable of such Grantor that constitutes Collateral or with respect to any other Collateral of such Grantor and file any claim or take any other action or institute any proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account Receivable of such Grantor that constitutes Collateral or with respect to any other Collateral of such Grantor whenever payable;

(ii) in the case of any Copyright, Patent or Trademark constituting Collateral of such Grantor, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to such Grantor to evidence the Collateral Agent's and the Lenders' security interest in such Copyright, Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens, other than Liens permitted under this Agreement or the other Loan Documents, levied or placed on the Collateral of such Grantor, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof; and

(iv) subject to the terms of any documentation governing any Special Purpose Financing, (A) direct any party liable for any payment under any of the Collateral of such Grantor to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct; (B) ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral of such Grantor; (C) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral of such Grantor; (D) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral of such Grantor or any portion thereof and to enforce any other right in respect of any Collateral of such Grantor; (E) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral of such Grantor; (F) settle, compromise or adjust any such suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as the Collateral Agent may deem appropriate; (G) subject to any existing reserved rights or licenses, assign any Copyright, Patent or Trademark constituting Collateral of such Grantor (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains) for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and (H) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral of such Grantor as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral of such Grantor and the Collateral Agent's and the other Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

(b) The reasonable expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due ABR Loans that are Revolving Loans under the Credit Agreement, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Granting Party, shall be payable by such Granting Party to the Collateral Agent on demand.

(c) Each Granting Party hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable as to the relevant Granting Party until this Agreement is terminated as to such Granting Party, and the security interests in the Security Collateral of such Granting Party created hereby are released.

7.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Security Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. None of the Collateral Agent or any other Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Security Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Security Collateral upon the request of any Granting Party or any other Person or, except as otherwise provided herein, to take any other action whatsoever with regard to the Security Collateral or any part thereof. The powers conferred on the Collateral Agent and the other Secured Parties hereunder are solely to protect the Collateral Agent's and the other Secured Parties' interests in the Security Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers and, to the maximum extent permitted by applicable law, neither they nor any of their officers, directors, employees or agents shall be responsible to any Granting Party for any act or failure to act hereunder, except as otherwise provided herein or for their own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

7.3 Financing Statements. Pursuant to any applicable law, each Granting Party authorizes the Collateral Agent to file or record financing statements and other filing or recording documents or instruments with respect to such Granting Party's Security Collateral without the signature of such Granting Party in such form and in such filing offices as the Collateral Agent reasonably determines appropriate to perfect the security interests of the Collateral Agent under this Agreement. Each Granting Party authorizes the Collateral Agent to use any collateral description reasonably determined by the Collateral Agent and reasonably satisfactory to the Parent Borrower. The Collateral Agent agrees to notify the relevant Granting Party of any financing or continuation statement filed by it, provided that any failure to give such notice shall not affect the validity or effectiveness of any such filing.

7.4 Authority of Collateral Agent. Each Granting Party acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement or any amendment, supplement or other modification of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Granting Parties, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Granting Party shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5 Right of Inspection. Subject to the last sentence of Section 7.6 of the Credit Agreement, upon reasonable written advance notice to any Grantor and as often as may reasonably be desired, or at any time and from time to time after the occurrence and during the continuation of an Event of Default, the Collateral Agent shall have reasonable access during normal business hours to all the books, correspondence and records of such Grantor (other than (a) all data and information used to calculate any "measurement month average" or (b) any "market value average" or any similar amount, however designated, under or in connection with any financing of Vehicles and/or other property or assets), and the Collateral Agent and its representatives may examine the same, and to the extent reasonable take extracts therefrom and make photocopies thereof, and such Grantor agrees to render to the Collateral Agent at such Grantor's reasonable cost and expense such clerical and other assistance as may be reasonably requested with regard thereto.

SECTION 8 NON-LENDER SECURED PARTIES

8.1 Rights to Collateral. (a) The Non-Lender Secured Parties shall not have any right whatsoever to do any of the following: (i) exercise any rights or remedies with respect to the Collateral or to direct the Collateral Agent to do the same, including the right to (A) enforce any Liens or sell or otherwise foreclose on any portion of the Collateral, (B) request any action, institute any proceedings, exercise any voting rights, give any instructions, make any election, notify account debtors or make collections with respect to all or any portion of the Collateral or (C) release any Granting Party under this Agreement or release any Collateral from the Liens of any Security Document or consent to or otherwise approve any such release; (ii) demand, accept or obtain any Lien on any Collateral (except for Liens arising under, and subject to the terms of, the Security Documents); (iii) vote in any Bankruptcy Case or similar proceeding in respect of Holdings or any of its Subsidiaries (any such proceeding, for purposes of this clause (a), a "Bankruptcy") with respect to, or take any other actions concerning, the Collateral; (iv) receive any proceeds from any sale, transfer or other disposition of any of the Collateral (except in accordance with the Security Documents); (v) oppose any sale, transfer or other disposition of the Collateral; (vi) object to any debtor-in-possession financing in any Bankruptcy that is provided by one or more Lenders among others (including on a priming basis under Section 364(d) of the United States Bankruptcy Code); (vii) object to the use of cash collateral in respect of the Collateral in any Bankruptcy; or (viii) seek, or object to the Lender Secured Parties' seeking on an equal and ratable basis, any adequate protection or relief from the automatic stay with respect to the Collateral in any Bankruptcy.

(b) Each Non-Lender Secured Party, by its acceptance of the benefits of this Agreement and the other Security Documents, agrees that in exercising rights and remedies with respect to the Collateral, the Collateral Agent and the Lenders, with the consent of the Collateral Agent, may enforce the provisions of the Security Documents and exercise remedies thereunder and under any other Loan Documents (or refrain from enforcing rights and exercising remedies), all in such order and in such manner as they may determine in the exercise of their sole business judgment. Such exercise and enforcement shall include the rights to collect, sell, dispose of or otherwise realize upon all or any part of the Collateral, to incur expenses in connection with such collection, sale, disposition or other realization and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction. The Non-Lender Secured Parties, by their acceptance of the benefits of this Agreement and the other Security Documents, hereby agree not to contest or otherwise challenge any such collection, sale, disposition or other realization of or upon all or any of the Collateral. Whether or not a Bankruptcy Case has been commenced, the Non-Lender Secured Parties shall be deemed to have consented to any sale or other disposition of any property, business or assets of Holdings or any of its Subsidiaries and the release of any or all of the Collateral from the Liens of any Security Document in connection therewith.

(c) Notwithstanding any provision of this Section 8.1, the Non-Lender Secured Parties shall be entitled, subject to each applicable Intercreditor Agreement, to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleadings (A) in order to prevent any Person from seeking to foreclose on the Collateral or supersede the Non-Lender Secured Parties' claim thereto or (B) in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Non-Lender Secured Parties. Each Non-Lender Secured Party, by its acceptance of the benefits of this Agreement, agrees to be bound by and to comply with each applicable Intercreditor Agreement and authorizes the Collateral Agent to enter into the Intercreditor Agreements on its behalf.

(d) Each Non-Lender Secured Party, by its acceptance of the benefits of this Agreement, agrees that the Collateral Agent and the Lenders may deal with the Collateral, including any exchange, taking or release of Collateral, may change or increase the amount of the Credit Facility Borrower Obligations and/or the related Guarantor Obligations, and may release any Guarantor from its Obligations hereunder, all without any liability or obligation (except as may be otherwise expressly provided herein) to the Non-Lender Secured Parties.

8.2 Appointment of Agent. Each Non-Lender Secured Party, by its acceptance of the benefits of this Agreement and the other Security Documents, shall be deemed irrevocably to make, constitute and appoint the Collateral Agent as agent under the Collateral Agency Agreement (and all officers, employees or agents designated by the Collateral Agent) as such Person's true and lawful agent and attorney-in-fact and, in such capacity, the Collateral Agent shall have the right, with power of substitution for the Non-Lender Secured Parties and in each such Person's name or otherwise, to effectuate any sale, transfer or other disposition of the Collateral. It is understood and agreed that the appointment of the Collateral Agent as the agent and attorney-in-fact of the Non-Lender Secured Parties for the purposes set forth herein is coupled with an interest and is irrevocable.

8.3 Waiver of Claims. To the maximum extent permitted by law, each Non-Lender Secured Party waives any claim it might have against the Collateral Agent or the Lenders with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, mistake or oversight whatsoever on the part of the Collateral Agent or the Lenders or their respective directors, officers, employees or agents with respect to any exercise of rights or remedies under the Loan Documents or any transaction relating to the Collateral (including any such exercise described in Section 8.1(b) above), except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person or any Related Party thereof. To the maximum extent permitted by applicable law, none of the Collateral Agent or any Lender or any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Holdings, any Subsidiary of Holdings, any Non-Lender Secured Party or any other Person or to take any other action or forbear from doing so whatsoever with regard to the Collateral or any part thereof, except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person.

8.4 Designation of Non-Lender Secured Parties. The Parent Borrower may from time to time designate a Person as a "Bank Products Affiliate", a "Bank Products Provider", a "Hedging Affiliate", a "Hedging Provider" or a "Management Credit Provider" hereunder by written notice to the Collateral Agent. Upon being so designated by the Parent Borrower, such Bank Products Provider, Bank Products Affiliate, Hedging Provider, Hedging Affiliate or Management Credit Provider (as the case may be) shall be a Non-Lender Secured Party for the purposes of this Agreement for as long as so designated by the Parent Borrower.

SECTION 9 MISCELLANEOUS

9.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each affected Granting Party and the Collateral Agent, provided that (a) any provision of this Agreement imposing obligations on any Granting Party may be waived by the Collateral Agent in a written instrument executed by the Collateral Agent and (b) if separately agreed in writing between the Parent Borrower and any Non-Lender Secured Party (and such Non-Lender Secured Party has been designated in writing by the Parent Borrower to the Collateral Agent for purposes of this sentence, for so long as so designated), no such amendment, modification or waiver shall amend, modify or waive Section 6.5 (or the definition of "Non-Lender Secured Party" or "Secured Party" to the extent relating thereto) if such amendment, modification or waiver would directly and adversely affect such Non-Lender Secured Party without the written consent of such Non-Lender Secured Party. For the avoidance of doubt, it is understood and agreed that any amendment, amendment and restatement, waiver, supplement or other modification of or to any Intercreditor Agreement that would have the effect, directly or indirectly, through any reference herein to any Intercreditor Agreement or otherwise, of waiving, amending, supplementing or otherwise modifying this Agreement, or any term or provision hereof, or any right or obligation of any Granting Party hereunder or in respect hereof, shall not be given such effect, except pursuant to a written instrument executed by each affected Granting Party and the Collateral Agent in accordance with this Section 9.1.

9.2 Notices. All notices, requests and demands to or upon the Collateral Agent or any Granting Party hereunder shall be effected in the manner provided for in Section 11.2 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 1, unless and until such Guarantor shall change such address by notice to the Collateral Agent and the Administrative Agent given in accordance with Section 11.2 of the Credit Agreement.

9.3 No Waiver by Course of Conduct; Cumulative Remedies. None of the Collateral Agent or any other Secured Party shall by any act (except by a written instrument pursuant to Section 9.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

9.4 Enforcement Expenses; Indemnification. (a) Each Guarantor jointly and severally agrees to pay or reimburse each Secured Party and the Collateral Agent for all their respective reasonable costs and expenses incurred in collecting against any Guarantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement against such Guarantor and the other Loan Documents to which such Guarantor is a party, including the reasonable fees and disbursements of counsel to the Secured Parties, the Collateral Agent and the Administrative Agent.

(b) Each Grantor jointly and severally agrees to pay, and to save the Collateral Agent, the Administrative Agent and the other Secured Parties harmless from, (x) any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other similar taxes which may be payable or determined to be payable with respect to any of the Security Collateral or in connection with any of the transactions contemplated by this Agreement and (y) any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement (collectively, the "indemnified liabilities"), in each case to the extent the Parent Borrower would be required to do so pursuant to Section 11.5 of the Credit Agreement, and in any event excluding any taxes or other indemnified liabilities arising from gross negligence or willful misconduct of the Collateral Agent, the Administrative Agent or any other Secured Party.

(c) The agreements in this Section 9.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

9.5 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Granting Parties, the Collateral Agent and the Secured Parties and their respective successors and assigns permitted by the Credit Agreement; provided that no Granting Party may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, except as permitted hereby or by the Credit Agreement.

9.6 Set-Off. Each Guarantor hereby irrevocably authorizes each of the Administrative Agent and the Collateral Agent and each other Secured Party at any time and from time to time without notice to such Guarantor, any other Guarantor or the Parent Borrower, any such notice being expressly waived by each Guarantor and by the Parent Borrower, to the extent permitted by applicable law, upon the occurrence and during the continuance of an Event of Default under Section 9.1(a) of the Credit Agreement, so long as any amount remains unpaid after it becomes due and payable by such Guarantor hereunder, to set off and appropriate and apply against any such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Collateral Agent, the Administrative Agent or such other Secured Party to or for the credit or the account of such Guarantor, or any part thereof in such amounts as the Collateral Agent, the Administrative Agent or such other Secured Party may elect. The Collateral Agent, the Administrative Agent and each other Secured Party shall notify such Guarantor promptly of any such set-off and the application made by the Collateral Agent, the Administrative Agent or such other Secured Party of the proceeds thereof; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Collateral Agent, the Administrative Agent and each other Secured Party under this Section 9.6 are in addition to other rights and remedies (including other rights of set-off) that the Collateral Agent, the Administrative Agent or such other Secured Party may have.

9.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile transmission or electronic transmission (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution”, “execute”, “signed”, “signature”, and words of like import in or related to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by us, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

9.8 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction; provided that, with respect to any Pledged Stock issued by a Foreign Subsidiary, all rights, powers and remedies provided in this Agreement may be exercised only to the extent that they do not violate any provision of any law, rule or regulation of any Governmental Authority applicable to any such Pledged Stock or affecting the legality, validity or enforceability of any of the provisions of this Agreement against the Pledgor (such laws, rules or regulations, “Applicable Law”) and are intended to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any Applicable Law.

9.9 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

9.10 Integration. This Agreement, and the other Loan Documents represent the entire agreement of the Granting Parties, the Collateral Agent, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Granting Parties, the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

9.11 GOVERNING LAW. W I T N E S S E T H:

The Mortgagor, in consideration of the indebtedness herein recited and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has irrevocably granted, released, sold, remised, bargained, assigned, pledged, warranted, mortgaged, transferred and conveyed, and does hereby grant, release, sell, remise, bargain, assign, pledge, warrant, mortgage, transfer and convey to the Mortgagee and the Mortgagee's successors and assigns, a continuing security interest in and to, and lien upon, all of the Mortgagor's right, title and interest in and to the following described land, real property interests, buildings, improvements and fixtures:

(a) All that tract or parcel of land and other real property interests in [●] County, [STATE], as more particularly described in Exhibit A attached hereto and made a part hereof, together with any greater or additional estate therein as hereafter may be acquired by Mortgagor (the "Land"), and all of the Mortgagor's right, title and interest in and to rights appurtenant thereto, including easement rights; and

(b) All buildings and improvements of every kind and description now or hereafter situated, erected or placed on the Land (the "Improvements") and all materials, equipment and apparatus and fixtures now or hereafter owned by the Mortgagor and attached to or installed in and used in connection with the aforesaid Land and Improvements (collectively, the "Fixtures") (hereinafter, the Land, the Improvements and the Fixtures may be collectively referred to as the "Premises." As used in the Mortgage, the term "Premises" shall mean all or, where the context permits or requires, any portion of the above or any interest therein.).

TO HAVE AND HOLD the same, together with all privileges, hereditaments, easements and appurtenances thereunto belonging, subject to Permitted Liens, to the Mortgagee and the Mortgagee's successors and assigns to secure the Obligations; provided that, should (i) the Loans be paid in full and all other Obligations that are then due and owing be paid, or (ii) conditions set forth in the Credit Agreement for the release of this Mortgage be fully satisfied, the lien and security interest of this Mortgage shall cease, terminate and be void and the Mortgagee or its successor or assign shall promptly cause a release of this Mortgage to be filed in the appropriate office; and until such obligations are fully satisfied, it shall remain in full force and virtue.

And, as additional security for the Obligations, subject to the Guarantee and Collateral Agreement, the Mortgagor hereby unconditionally and irrevocably assigns to the Mortgagee all the security deposits, rents, issues, profits and revenues of the Premises from time to time accruing (the "Rents and Profits"), which assignment constitutes a present, absolute and unconditional assignment and not an assignment for additional security only, reserving only the right to the Mortgagor to collect and apply the same as the Mortgagor chooses as long as no Event of Default (as defined in Article III) has occurred and is continuing.

As additional collateral and further security for the Obligations, subject to the Guarantee and Collateral Agreement, the Mortgagor does hereby assign to the Mortgagee and grants to the Mortgagee a security interest in all of the right, title and the interest of the Mortgagor in and to any and all real property leases and rental agreements (collectively, the "Leases") with respect to the Premises or any part thereof, and the Mortgagor agrees to execute and deliver to the Mortgagee such additional instruments, in form and substance reasonably satisfactory to the Mortgagee, as may hereafter be requested by the Mortgagee to evidence and confirm said assignment; provided, however, that acceptance of any such assignment shall not be construed to impose upon the Mortgagee any obligation with respect thereto.

ARTICLE III

An Event of Default shall exist and be continuing under the terms of this Mortgage upon the existence and during the continuance of an Event of Default under the terms of the Credit Agreement.

ARTICLE IV

Foreclosure

4.1 Acceleration of Secured Obligations; Foreclosure. Upon the occurrence and during the continuance of an Event of Default, the entire balance of the Loans and any other obligations due under the Loan Documents, including all accrued interest, shall become due and payable to the extent such amounts become due and payable under the Credit Agreement. Provided an Event of Default has occurred and is continuing, upon failure to pay the Loans or reimburse any other amounts due under the Loan Documents in full at any stated or accelerated maturity and in addition to all other remedies available to the Mortgagee at law or in equity, the Mortgagee may foreclose the lien of this Mortgage by judicial or non-judicial proceeding in a manner permitted by applicable law. The Mortgagor hereby waives, to the fullest extent permitted by law, any statutory right of redemption in connection with such foreclosure proceeding.

4.2 Proceeds of Sale. The proceeds of any foreclosure sale of the Premises, or any part thereof, will be distributed and applied in accordance with the terms and conditions of Section 10.13 the Credit Agreement.

ARTICLE V

Additional Rights and Remedies of the Mortgagee

5.1 Rights Upon an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Mortgagee, immediately and without additional notice and without liability therefor to the Mortgagor, except for gross negligence, willful misconduct, bad faith or unlawful conduct, may do or cause to be done any or all of the following to the extent permitted by applicable law, and subject to the terms of the Credit Agreement, any Intercreditor Agreement and any Other Intercreditor Agreement: (a) enter the Premises and take exclusive possession thereof; (b) invoke any legal remedies to dispossess the Mortgagor if the Mortgagor remains in possession of the Premises without the Mortgagee's prior written consent; (c) hold, lease, develop, manage, operate or otherwise use the Premises upon such terms and conditions as the Mortgagee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as the Mortgagee deems necessary or desirable), and apply all rents and other amounts collected by the Mortgagee in connection therewith in accordance with the provisions hereof; (d) institute proceedings for the complete foreclosure of the Mortgage, either by judicial action or by power of sale, in which case the Premises may be sold for cash or credit in one or more parcels; and (e) exercise all other rights, remedies and recourses granted under the Credit Agreement or otherwise available at law or in equity. At any foreclosure sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, the Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against the Mortgagor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under the Mortgagor. The Mortgagee or any of the Secured Parties may be a purchaser at such sale and if Mortgagee is the highest bidder, Mortgagee shall credit the portion of the purchase price that would be distributed to Mortgagee against the indebtedness in lieu of paying cash. In the event this Mortgage is foreclosed by judicial action, appraisement of the Premises is waived to the extent permitted by applicable law. With respect to any notices required or permitted under the UCC to the extent applicable, the Mortgagor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable.

5.2 Appointment of Receiver. Upon the occurrence and during the continuance of an Event of Default, subject to the terms of the Credit Agreement, any Intercreditor Agreement and any Other Intercreditor Agreement, the Mortgagee shall be entitled, without additional notice and without regard to the adequacy of any security for the Obligations secured hereby, whether the same shall then be occupied as a homestead or not, or the solvency of any party bound for its payment, to make application for the appointment of a receiver to take possession of and to operate the Premises, and to collect the rents, issues, profits, and income thereof, all expenses of which shall be added to the Obligations and secured hereby. The receiver shall have all the rights and powers provided for under the laws of the state in which the Premises are located, including without limitation, the power to execute leases, and the power to collect the rents, sales proceeds, issues, profits and proceeds of the Premises during the pendency of such foreclosure suit, as well as during any further times when the Mortgagor, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, sales proceeds, issues, proceeds and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Premises during the whole of said period. Receiver's fees, reasonable attorneys' fees and costs incurred in connection with the appointment of a receiver pursuant to this Section 5.2 shall be secured by this Mortgage. Notwithstanding the appointment of any receiver, trustee or other custodian, subject to the Credit Agreement, any Intercreditor Agreement and any Other Intercreditor Agreement, the Mortgagee shall be entitled to retain possession and control of any cash or other instruments at the time held by or payable or deliverable under the terms of the Mortgage to the Mortgagee to the fullest extent permitted by law.

5.3 Waivers. No waiver of a prior Event of Default shall operate to waive any subsequent Event(s) of Default. All remedies provided in this Mortgage, any Notes, the Credit Agreement or any of the other Loan Documents are cumulative and may, at the election of the Mortgagee, be exercised alternatively, successively, or in any manner and are in addition to any other rights provided by law.

5.4 Delivery of Possession After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale, the Mortgagor or the Mortgagor's successors or assigns are occupying or using the Premises, or any part thereof, each and all immediately shall become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; and to the extent permitted by applicable law, the purchaser at such sale, notwithstanding any language herein apparently to the contrary, shall have the sole option to demand possession immediately following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the property (such as an action for forcible detainer) in any court having jurisdiction.

5.5 Marshalling. The Mortgagor hereby waives, in the event of foreclosure of this Mortgage or the enforcement by the Mortgagee of any other rights and remedies hereunder, any right otherwise available in respect to marshalling of assets which secure any Loan and any other indebtedness secured hereby or to require the Mortgagee to pursue its remedies against any other such assets.

5.6 Protection of Premises. Upon the occurrence and during the continuance of an Event of Default, the Mortgagee may take such actions, including, but not limited to disbursements of such sums, as the Mortgagee in its sole but reasonable discretion deems necessary to protect the Mortgagee's interest in the Premises.

ARTICLE VI

The singular used herein shall be deemed to include the plural; the masculine deemed to include the feminine and neuter; and the named parties deemed to include their successors and assigns to the extent permitted under the Credit Agreement. The term "Mortgagee" shall include the Collateral Agent on the date hereof and any successor Collateral Agent under the Guarantee and Collateral Agreement. The word "person" shall include any individual, partnership, corporation, limited liability company, business trust, joint stock company, trust, unincorporated association, joint venture, Governmental Authority or other entity of whatever nature, and the word "Premises" shall include any portion of the Premises or interest therein. The words "include", "includes" and "including" shall be deemed to be followed by the phrase without limitation.

6.2 Notices. All notices, requests and other communications shall be given in accordance with Section 11.2 of the Credit Agreement.

6.3 Severability. If any provision of this Mortgage is determined to be illegal, invalid or unenforceable, such provision shall be fully severable and the remaining provisions shall remain in full force and effect and shall be construed without giving effect to the illegal, invalid or unenforceable provisions.

6.4 Headings. The captions and headings herein are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope of this Mortgage nor the intent of any provision hereof.

6.5 Intentionally Omitted.

6.6 Conflicting Terms.

(a) In the event of any conflict between the terms of this Mortgage and any Intercreditor Agreement or any Other Intercreditor Agreement, the terms of any Intercreditor Agreement or any Other Intercreditor Agreement shall govern and control any conflict between Mortgagee and any other lender or agent which is a party thereto, other than with respect to Section 6.7; provided, however, that in the event of any conflict between the terms of this Mortgage and any Intercreditor Agreement or any Other Intercreditor Agreement with respect to a waiver, amendment, supplement or other modification of any right or obligation of the Mortgagor or a Subsidiary Borrower hereunder or in respect hereof, the terms of this Mortgage shall govern and control. In the event of any such conflict, the Mortgagor may act (or omit to act) in accordance with such Intercreditor Agreement or Other Intercreditor Agreement, as applicable, and shall not be in breach, violation or default of its obligations hereunder by reason of doing so.

(b) In the event of any conflict between the terms and provisions of the Credit Agreement and the terms and provisions of this Mortgage, the terms and provisions of the Credit Agreement shall control and supersede the provisions of this Mortgage with respect to such conflicts other than with respect to Section 6.7.

6.7 Governing Law. This Mortgage shall be governed by and construed in accordance with the internal law of the state in which the Premises are located.

6.8 Application of the Foreclosure Law. If any provision in this Mortgage shall be inconsistent with any provision of the foreclosure laws of the state in which the Premises are located, the provisions of such laws shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with such laws.

6.9 Written Agreement. This Mortgage may not be amended, supplemented or otherwise modified except in accordance with Section 11.1.

6.10 Waiver of Jury Trial. Section 11.15 of the Credit Agreement.

6.11 Request for Notice. The Mortgagor requests that a copy of any statutory notice of default and a copy of any statutory notice of sale hereunder be mailed to the Mortgagor at the address specified in Section 6.2 of this Mortgage.

6.12 Counterparts. This Mortgage may be executed by one or more of the parties on any number of separate counterparts, and all of such counterparts taken together shall be deemed to constitute one and the same instrument.

6.13 Release. If any of the Premises shall be sold, transferred or otherwise disposed of by the Mortgagor in a transaction permitted by the Credit Agreement, then the Mortgagee, at the request of the Mortgagor, shall execute and deliver to the Mortgagor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on the Premises. The Mortgagor shall deliver to the Mortgagee prior to the date of the proposed release, a written request for release.

6.14 Last Dollars Secured; Priority. This Mortgage secures only a portion of the Obligations owing or which may become owing by the Mortgagor to the Secured Parties. The parties agree that any payments or repayments of the Obligations shall be and be deemed to be applied first to the portion of the Obligations that is not secured hereby, it being the parties' intent that the portion of the Obligations last remaining unpaid shall be secured hereby. If at any time this Mortgage shall secure less than all of the principal amount of the Obligations, it is expressly agreed that any repayments of the principal amount of the Obligations shall not reduce the amount of the lien of this Mortgage until the lien amount shall equal the principal amount of the Obligations outstanding.

6.15 State Specific Provisions. In the event of any inconsistencies between this Section 6.15 and any of the other terms and provisions of this Mortgage, the terms and provisions of this Section 6.15 shall control and be binding. [2]
